Frank Sanders Services Pending

M. F. (Frank) Sanders, father of W. T. and Dean of Hart, died Thursday morning at 4 a. m. in Plains Memorial Hospital in Dimmitt.

Services are pending at Parsons Funeral Home in Olton.

Other survivors include his wife, another son, Robert of Lubbock and a daughter, Mrs. Firch Riley of Springlake.

County Accidents Take One Life

The Texas Highway Patrol investigated six accidents on rural highways in Castro County during the month of September, according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

These crashes resulted in one person killed, seven persons injured, and an estimated property damage of \$5,435.

The rural traffic accident summary for this county during the first nine months of 1968 shows a total of 65 accidents resulting in three persons killed, 37 persons injured, and an estimated property damage of \$43,830.

FOOTBALL QUEEN--Miss Reba English, daughter of Mr. and Mrs. Hubert English was crowned football queen during homecoming ceremonies held prior to the Anton-Hart football game here Friday night.

Miss Reba English, daughter of Mr. and Mrs. Hubert English, was crowned Homecoming Queen before a capacity crowd here Friday night in ceremonies preceding the football game between Hart Longhorns and Anton Bulldogs.

Other candidates included Nanci Reed, Pam Shive, Gaylene Hawkins and Dee Anne Clevenger.

Following the football game, which Hart won 12-6 a coffee honoring ex-students of Hart schools was held in the cafeteria. Joe Quiroz was crowned Bon Fire King during activities Thursday night which included a pep rally and bonfire.

Other Homecoming activities included Dress-Up Day and Western Day.

Halloween Carnival Plans Near Completion

Each class and organization in Hart High School and Junior High will have a booth at the annual Halloween Carnival slated for Oct. 31 in the Elementary School gym.

Festivities will begin at 6:30 and close promptly at 9 p. m. The public is invited to attend the carnival where they will find booths to appeal to all ages. Student Council will sponsor a movie in the high school

gym, for students in the 7th grade or higher, to be shown at 9:30. The Council issues an invitation to the public to attend the movie.

A chili and stew supper, sponsored by the junior class, will be served preceding and during the carnival hours.

Seniors will sponsor a cake walk. Bingo will be directed by FTA.

FFA Member Awarded American Farmer Degree

David Smith became the first member of the Hart Chapter of Future Farmers to receive the highest award given by that organization at the National FFA Convention held last week in Kansas City, Mo.

The coveted award, American Farmer Degree, was presented Wednesday.

Smith became a member of the Hart Chapter in his freshman year with the American Farmer Degree as his goal, an achievement that had been earned by an uncle.

He served as president of the Hart Chapter his freshman year and competed in the state level on the dairy products team. He showed the Reserve Grand Champion Duroc barrow and farmed 160 acres of cotton,

milo, castor beans and potatoes.

In 1966 he was named Star Lone Star Farmer of the Plainview District and received his Lone Star Farmer Degree in the state convention at Austin. He also received the Santa Fe educational award.

Other honors that Smith earned in high school and junior high included the American Legion Post 311 best citizen award; selection for "Who's Who" his sophomore year; Mr. Hart High School; class officer and class favorite and captain of the football and basketball teams his senior year.

Smith is married to the former Patricia Richburg and is associated with his father in farming.

'Santa Claus Special'

Tons of St. Nick's gifts will be going to members of the Armed Forces in Vietnam by special ship this year, thanks to a joint Pentagon-Post Office venture.

A fast U. S. cargo ship will be designated the "1968 SANTA CLAUS SPECIAL," sailing from Oakland, Calif. next month with Christmas parcels.

To meet the sailing deadline and assure pre-holiday delivery of gifts sent with surface postage, items should be mailed during the October 14 - Nov. 9 period. They should be marked "SANTA CLAUS SPECIAL" just below the stamps.

The "SANTA CLAUS SPECIAL" will sail during the latter half of November and stop at Da Nang, Qui Nhon, Cam Rahn Bay and Saigon, Vietnam. It takes approximately three weeks for a fast ship to cross the ocean.

All gifts should be packed in strong containers with adequate cushioning and correctly addressed, including APO and FPO numbers.

J.H. Stringer's Final Run As Engineer Is Marked

It was 40 years ago that "The Iron Horse" came to Hart. On the second train through Hart was engineer Jeff H. Stringer. This week Stringer made his final run through Hart as an engineer for the Fort Worth-Denver railroad.

Stringer has been making the Hart run regularly for the past 15 years. Prior to that time he made occasional runs.

During this time, almost daily, Stringer has eaten dinner at the Green Frog Cafe. Through the years there have been different managers, the last four years have been with Mrs. Maurine Smith, present owner and manager.

Tuesday Stringer's family met the train and joined him at the Green Frog for his final dinner as a railroad engineer. Mrs. Smith had prepared his favorite meal - lima beans cooked with ham hock.

Mrs. Stringer confided that she has planned enough to keep the couple busy "for the next five years, at least". They will be moving from their home in Sterley to a new home in Amarillo in the near future.

The couple has one son and two daughters.

The sixty-five year old engineer was presented several gifts in observance of his retirement.

Report Given By Ted Averitt

Hart High School has received six new manual typewriters. A new calculator has been received for elementary school.

Average daily attendance for the first six weeks period was 670, according to Superintendent Ted Averitt.

CELEBRATING 50 YEARS spent with the railroad is J. H. Stringer, who for the past number of years has been making daily runs through Hart, stopping at a local cafe for lunch each day.

Humphrey's Texas Visit Draws Hot, Cold Reactions

Vice President Hubert Humphrey's visit to Texas this week received a hot and cold reception.

Oddly enough, the heat came from Republicans and the coolness from Texas Democrats.

At a press conference in McAllen, Republican Senator John Tower "welcomed" Humphrey, the Democratic nominee, into Texas, saying he hoped Humphrey would use his Texas visit to discuss such vital issues as the Texas right-to-work law, the oil depletion allowance, and unionization of farm labor.

Humphrey has a long record of opposition to right-to-work laws, has consistently opposed the oil depletion allowance, and is on record as favoring the unionization of farm labor, even if it takes economic boycotts to force farm labor into unions.

"I doubt that the Vice President will discuss these issues while he is in Texas," Tower said, "since he has consistently been on the wrong side of every issue, as far as Texas is concerned."

"Humphrey has a long record of being rather free with words," Tower continued, "He led the filibuster against the Texas Tideland Act of 1953, when President Eisenhower and

Vice President Nixon were pledged to return the tidelands to state ownership. It is with no thanks to Humphrey that we now have control and ownership of our tidelands."

On the other hand Humphrey's reception from the state's leading Democrats was noticeably cool. Few of the top Democrats travelled with Humphrey on his vote-hunting foray into Texas. With few exceptions, those who did so made it plain to intimates that they did so with little enthusiasm.

In a rally for victory, the Longhorns held off a 'go-get-em' Anton team and beat them 12-6 Friday night for a pleased Homecoming crowd.

Highlight of the ball game was crowning of the Football Queen, Reba English, and her court: Nancy Reed, senior; Pam Shive, junior; Gaylene Hawkins, sophomore; and Dee Anne Clevenger, freshman. A reception honoring the exes was held following the game.

Thursday a hot time was had by all at the Bonfire and Pep Rally. A march for Victory to the Bonfire and a Snake Dance at the end led by Bonfire King Joe Quiroz climaxed the Bonfire activities. Other candidates were Gary Rambo and Jimmy Allensworth.

The unusual sound of OUR Victory Bell was heard by the group as the Seniors rang the bell. By the way, the Seniors also won the Spirit Stick.

"In an A&M Zoology lab, a few Aggies were running experiments with frogs.

A frog was placed on the floor and was told to jump. He jumped 10 inches. This action was recorded.

The frog was then placed on the table and its front legs amputated.

The Aggie then placed the frog on the floor again and commanded, "Jump!" With some difficulty the frog jumped 5". This was also recorded.

Again the frog was placed on the table and the Aggie amputated the frog's back legs. Once more on the floor, the frog was commanded to jump.

The frog squirmed, only in vain. Again the Aggie shouted, "Jump", without results. So the Aggie turned, and wrote in his lab book:

"With all legs amputated, frog losses hearing."

Longhorns Win

BY DONNIE BLACK

Longhorn's week of preparation paid off as they toppled Anton here Friday night before a capacity Homecoming crowd.

Pre-game ceremonies included the crowning of the 68-69 Homecoming Queen. Senior Reba English was the recipient of this honor.

Hart lost the toss and took the kicking chores to begin the annual homecoming game. Anton returned the Horn kick to the 22 yard line.

On the first play from scrimmage the opposing team suffered a five yard penalty. This was followed as John Cantu carried for six to move the ball to the 23. Tommy Gilbert attempted a pass which fell incomplete and left a third down and nine situation.

The game was almost broken wide open at this point as Ronnie Barham intercepted a Gilbert pass and skipped 23 yards to enter the end zone.

As luck would have it the play was called back on a clipping penalty and Hart took over first and 10 on the 23 yard line.

The Horns penetrated to the six before the Anton defense held. After an incomplete fourth down pass, Anton took possession deep in their own territory.

Hart defense held tight giving up only five yards in three plays to leave the Bulldogs faced with a punting situation. Johnny Hodges punted and the ball rolled dead on Anton's own 46 yard line.

The Horns took advantage of good field position and on first down Rambo passed to Quiroz who wasn't stopped until he reached the 11 yard line.

Jimmy Robinson moved the ball to the eight and Danny Smith followed by driving his way into the end zone for the first score of the night. The extra try failed to pay off and the fired-up Horns led 6-0.

After returning the Hart kick, Anton's luck again went

bad as their drive died on the 49 yard line where Hodges punted. Quiroz returned the long punt to the 20 where the Horns began an 80 yard drive for their second T.D. of the night.

The drive consisted of two passes from Rambo to Quiroz which were good for 61 yards to close the gap considerably.

Smith moved the ball 18 yards on the ground before crossing the goal line from one yard out.

The conversion attempt fell short but left the Longhorns with a 12 point lead in the first quarter of play.

The entire second quarter was made up of defense as the Horns tried to maintain their lead and fight off Anton's attempt to score.

With only 1:06 left in the half, Anton almost broke for the TD from their own 34 as a pass from Rambo was picked off.

The young Bulldog was stopped by the only man between him and the goal line which was Andy Rogers who has been out with a knee injury. Three plays later the half ended with Hart leading 12-0.

Dub Cate kicked off for Anton to start the second half. Quiroz returned to the 43 before being brought down. Jimmy Robinson moved to the 45. At this point the Hart team suffered their only serious break of the night as Anton recovered a fumble on the 45.

Hodges and Cantu took the show as they moved on the ground to the five. Hodges then romped over the goal line for Anton's lone score of the night. The kick for extras was attempted by Williams but was wide to one side leaving the final score of the night 12 to 6.

Even though there was no scoring in the fourth quarter of play it was probably the most important for the Hart Horns. The Longhorns played their best

defensive ball this season.

Bruington assistance from dropped the Anton for all losses in the alone. Smith job in the line though he played on half with his leg.

Offensive were easily and Quiroz caught a pass and Sn John Ethridge ally good job.

Hart Shorthorns Stop Lazbuddie

By Donnie Black

Hart Shorthorns exhibited a fine defense Thursday afternoon as they beat Lazbuddie here. The virtually small Hart team was considerably outweighed by the large and well-rounded Lazbuddie team but size didn't seem to be the winning factor.

The Shorthorns defense was very tough and allowed little yardage to Lazbuddie. The defense was headed by Ricky Black, David Barham, Bill Bates and Stanley Dyer.

The first score of the game come early in the second quarter as Lazbuddie pushed their way into the end zone to take the lead 6-0.

The try for extras was stopped short and Lazbuddie kicked to Hart. The Shorthorns apparently didn't like the score and decided to get their offense going. The young team drove their way down the field with runs by Ethridge, Hill and Dyer.

Dyer climaxed the drive as he crossed the goal line to equalize the score and then ran the extras to put Hart in the lead 8-6.

The half-time ended with both teams battling for the ball hoping to score before time ran out.

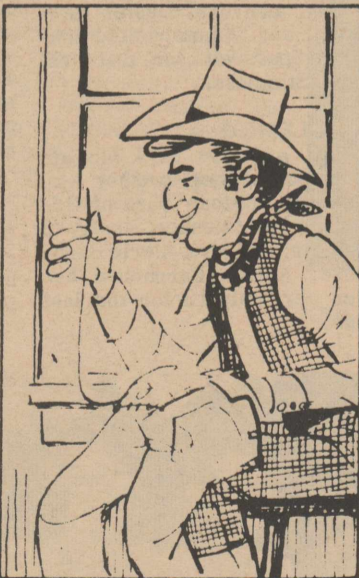

The third quarter was a defensive battle all the way as neither team was able to score. The Hart squad held Lazbuddie to a total of only nine yards the entire third quarter.

The turning point of the game came in the middle of the fourth quarter as James Mc Clain intercepted a pass on Hart's own 40 yard line and ran to Lazbuddie's 24 yard line before tripped up by a lone Lazbuddie man.

On the following play Dyer ran the remaining 24 yards for the touchdown. The try for extras was no good but left the Hart team out in front 14-6 for the final score of the night.

Hart Shorthorns will battle Friona Thursday afternoon, Oct. 31 at 4:30 p. m. in Longhorn Stadium.

Game time has been set for 4:30 in order that the game might be over before Halloween Carnival festivities begin.

KITCHEN KORNER

By Lela Gallion

The first freeze did get here unwanted by some but there were icicles hanging from some of the roofs of houses believe it or not. And those leaves are really falling so we will all be busy raking before long. Before we know it the holidays will be here and then all the baking and cooking will be in full swing. In case you haven't heard a lady told me that if you will add one cup of pumpkin to an applesauce cake instead of the applesauce it is delicious. So far I haven't tried this but does sound good.

ATTEND WORKSHOP

Mrs. Leon Sanders, accompanied by Mrs. A. G. Hershey, recently attended a workshop and clinic of the National Piano Teacher's Guild held in Clovis, N. M.

Wilson Lauds GOP Candidate

Statement by Will Wilson, campaign chairman for Paul Eggers, Republican candidate for governor:

"The long-standing Democratic vote in the rural areas is showing signs of weakening this year.

"With only one established party, the vote of the farming community has been taken for granted, and the Democratic-controlled state government stood by while rural communities slowly decayed.

"From 1949 to 1965, Texas fell from the number one agricultural producer in the nation to the number four producer. Poverty runs twice as high in our rural areas as in our cities, the number of agricultural jobs has decreased by 45 per cent since 1950, and from 15 to 30 per cent of the people have moved away to cities. Now our rural communities and schools face a crisis for survival.

"Through the work of Paul Eggers, rural communities can begin to find new hope in a two-party system. Over the summer, Eggers traveled to more than 250 rural communities to meet with the people and talk about their problems. He has proposals for strong measures to stop water pollution and also find new sources of water for Texas. He will increase state research to help find new markets for farm products, and he has promised to use the full power of his office to help bring new industry to rural areas.

"Paul Eggers has made a tremendous effort to show the rural communities that we must have a two-party system to have a truly responsive government."

Lt. Gov. Smith To Be In Area

Lt. Gov. Preston Smith, Democratic candidate for governor, brings his campaign to Plainview on October 28 in his final wind-up tour of Texas before the general election November 5.

Closing out his campaign for the state's highest office, Lt. Gov. Smith will hold a public reception at 8:00 a. m. at the Hilton Hotel.

Lt. Gov. Smith said he is looking forward to seeing many of his old friends and making new friends during the visit. He urged a big turn-out to make the visit a memorable one for a big victory on election day.

"This campaign tour is taking us to 45 cities and towns all over the state before the election, and we are happy to have this final opportunity to meet with the people before the election," said Lt. Gov. Smith.

"We feel this is one of the most important elections in one of the most critical times in recent history, so we feel a personal contact with the people is important.

"Our campaign for governor, nearly 14 months long, has enabled us to meet with people in nearly every county in Texas. It has taken us thousands of miles to hundreds of cities and towns and we have met with nearly a million people personally.

"This extensive campaign, probably the most extensive in Texas history, has enabled me to get to know even better the people, their problems and their opportunities.

"With 18 years experience in the Texas House, Senate and as Lieutenant Governor, this personal contact with the people will permit me to serve as governor with a firm feeling for the needs of the people," he said.

A TIME FOR DECISION

A Presidential election, the most important one in our lifetime, is close upon us. With three candidates in the race Texans are confronted with such a variety of appeals that some confusion is not surprising. We see some of our top state political leaders urging support of Hubert Humphrey on the self-serving appeal of party loyalty. We see fine Texans tempted to support George Wallace because they like his outspoken position on certain issues and are thus swayed by an appeal of sheer emotion. With full respect for the right of every Texan to make a personal decision, this message in behalf of Richard Nixon is offered as

...AN APPEAL TO REASON!

HUBERT HUMPHREY WILL NOT

change. He has proved consistently anti-Texas. He is famous for his filibuster against Texas owning its tidelands. He has fought our right-to-work laws and sought to destroy our vital oil depletion allowance. On every issue of world importance his position is contrary to that of most Texans. Humphrey, an ultra-liberal founder of the ADA organization, would gain executive authority for radical minority viewpoints should he become president. This cannot happen by popular vote. In view of his vicious attacks upon George Wallace, what a ghastly miscarriage of intent it would be if Wallace supporters themselves should throw the election into the House of Representatives where every Wallace vote in Texas would automatically go to Humphrey!

GEORGE WALLACE CANNOT

be denied his impressive showing. A number of fine people heed his third party call. The very least that can be said is that he has dramatized the desires of many people for a change of direction in the affairs of our government. However, the very most his supporters can hope for is to split the popular vote so that all of us would be at the mercy of Washington politicians who would elect our president for us. This is Hubert Humphrey's only hope for election. The more positive way to vote for change is to recognize the many fine merits of Richard Nixon and his program, then vote for Nixon to assure the election of our president by the people instead of by the Congress!

RICHARD NIXON CAN... AND WILL

supply dynamic, experienced leadership for an immediate change of direction—at the top—in all our national affairs at home and around the world. Your concerns are his concerns!

- **NIXON ON LAW AND ORDER** is pledged to help improve local police protection, to appoint an Attorney General dedicated to rooting out crime, to restore balance in our courts strengthening peace forces against criminal elements and to cease freeing so many of the guilty on technicalities.
- **NIXON ON VIET NAM** will call upon his experience as vice-president during eight great Eisenhower years of peace to reform world alliances now in disarray, to redirect our strategy on new global terms. **He will end this war** and avoid future ones by dealing with adversaries in the only way they respect—through strength, collective security and patience.
- **NIXON ON LOCAL GOVERNMENT** is pledged to move control of local schools and all other governmental functions which properly belong at the local level **closer to the people.**
- **NIXON ON OTHER PROBLEMS** has solid solutions PLUS solid backing of enough members of Congress to implement those solutions.

IF YOU REALLY WANT A CHANGE... AND IF YOU WANT TO BE SURE YOU REALLY GET IT... VOTE FOR NIXON/AGNEW

VOTING RECORD AND POSITION

★ WATER DEVELOPMENT

Bill Clayton has been directly associated with every major piece of water legislation passed during the last six years. He is recognized by his colleagues as being one of the most effective and well informed members of the Texas Legislature on water and soil resource development and conservation. Bill Clayton knows the vital importance of water, not only to your future, but to the future of the entire state. Past accomplishments and effective leadership have made Clayton vital to continued progress in development of water resources for the High Plains.

★ EDUCATION

Child by child we build our nation . . . tomorrow depends on today's children and young adults. Bill Clayton is ever mindful of the need to raise our standard of excellence in the Texas school systems. This can only be done through the uprating of the Texas schools, and dedicated recruitment of the finest teachers. Clayton authored a bill that created the "coordinating Board of Texas Colleges and University systems. His voting record shows a continued support of teacher pay-raise and the strengthening of all educational systems in Texas.

★ LAW ENFORCEMENT

Today, law enforcement agencies are facing new problems. Bill Clayton is concerned about the breakdown of law and order. Clayton has been active in seeking higher salaries for law enforcement officials and uniform standard procedures. Bill Clayton served on a special House Committee which will suggest revision of our obsolete liquor laws. Clayton believes that all people must respect the law and that proper enforcement is essential to maintain law and order.

★ INDUSTRIAL DEVELOPMENT

Bill Clayton knows that industrial development helps to stabilize the economy of any given city or area. During his six years in the Legislature, Bill Clayton has worked aggressively for industrial development for our area of the State. Several smaller cities in our 72nd Legislative District now have airports as a result of Clayton's assistance in starting a program of State grants. These State grants are financed with unclaimed gas tax refund on aviation fuel. Bill Clayton knows that airports help encourage industry in less densely populated areas.

★ TOURISM

Bill Clayton has worked hard for tourism during his six years as State Representative. Clayton, House Speaker Ben Barnes and other interested legislators were successful in establishing a National Park in the Big Bend area of West Texas. The water importation program being led by Clayton will develop many new recreational opportunities with huge water reservoirs for fishing and boating. Bill Clayton realizes both the need for more recreational facilities in his district and increased business activity from tourist trade.

★ COUNTY, CITY & LOCAL GOV'T

Bill Clayton has been a strong advocate of local government. He is currently serving as chairman of the Committee on Counties of the Texas House of Representatives. Clayton believes that government at the county and city level are more responsive to the people and whenever possible they should take the lead and the responsibility of many governmental programs and functions. Clayton has authored many bills that benefit the cities and support the idea of allowing cities the option to choose their own method of taxation. Bill Clayton is needed on the job for more effective and responsible county, city, and local government action.
