School Plans

Halloween Fun

Ted Averitt, superintendent, announced that a new stove for the high school cafeteria has arrived. The school has also received a new duplicator for the elementary building.

Hart High's B-team will battle Friona B-team at 4:30 this afternoon in Longhorn Stadium. The game is being played early because of Halloween Carnival activities.

Fun begins at the Halloween Carnival today at 6:30 p. m. Each junior high and high school class and organization will have a booth. The carnival will close at 9 p. m.

A movie is scheduled for 9:30 p. m. in the high school gym for students in the 7th grade or higher. The Student Council, sponsors of the movie, invite the public to attend.

Frank Sanders Services Held

Funeral services were held Friday afternoon in the First Baptist Church for Marion Franklin Sanders, 80, longtime resident of Hart.

The Rev. C. T. Cunningham, pastor, officiated. Arrangements were under the direction of Parsons Funeral Home. Burial was in Hart Cemetery.

A retired farmer, Sanders was born Nov. 13, 1887 in Wolfe City. He died Oct. 24, 1968 in Plains Memorial Hospital in Dimmitt where he had been a patient for 45 days.

Sanders married the former Grace Priddy Jan. 9, 1910 in Odell. They have lived at Hart for 44 years.

A member of Missionary Baptist Church, he was also a member of Woodmen of the World.

Survivors include his wife Grace; one daughter, Mrs. Furch Riley of Springlake; three sons, Robert Sanders of Lubbock, W. T. Sanders and Dean Sanders of Hart; one sister, Mrs. Myrtle Sisk of Twenty Nine Palms, Calif.; one brother, Clarence Sanders of Walters, Okla.; 17 grandchildren and 15 grandchildren.

Pallbearers were Robert Furch Riley, Doug Higgins, Joe Bob Sanders, Leon Sanders, Glyn Reed, and Owen Hankins. Honorary pallbearers were Otto Dinwiddie, John Rice, John Mc Lain, C. O. Burt, Ewell Jobe and Jess Newsom.

Honor Students Named For First Six Weeks

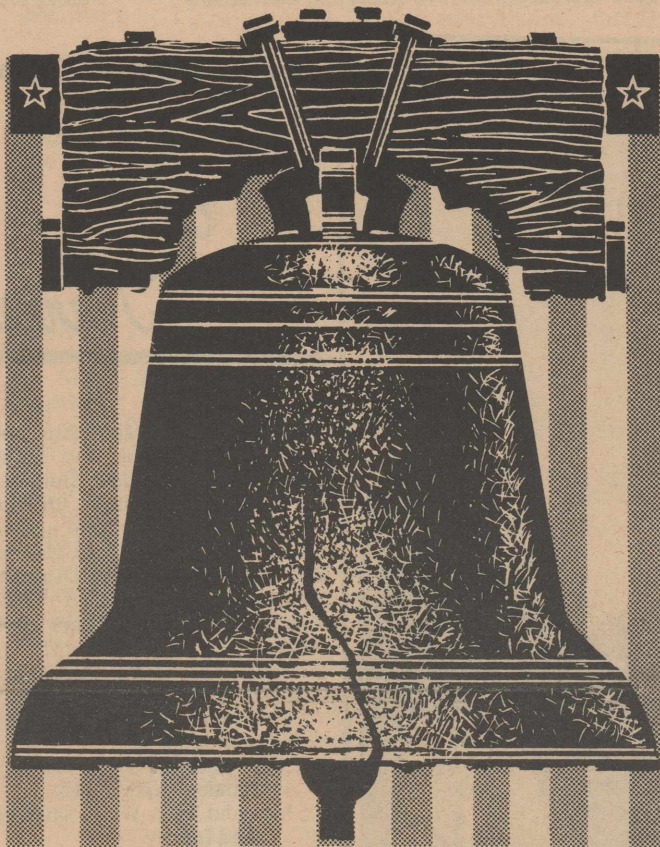

Weldon Bates, principal, has announced the honor roll for high school and junior high.

Twelfth grade - Iona Clevenger, Bobby Ethridge, Rebecca Futrell, and Cathy Sharp.

Eleventh grade - Harold Bob Bennett and Pam Shive.

Tenth grade - Becky King, Denise Lowery and Carol Miller.

TO THE POLLS,

AMERICA!

Adult Education Class Meets Weekly

An adult education class taught by Mrs. Warren Lemons is meeting every Monday and Wednesday afternoon from 4 p. m. to 6:30 p. m.

The class is being taught in the old lunchroom building just north of the elementary school.

Purpose of the class is to help raise the educational level of the individual enrolled with particular emphasis on English, spelling, reading and speech.

Attending Monday afternoon

Ninth grade - Cindy Dyer, Elizabeth Stephens, David Bass and David Guzman.

Eighth grade - Jean Foster and Dirk Rambo.

Seventh grade - Jim Tucker, Jan Harris and Brad Seymour.

"For a student's name to appear on the Honor Roll, he or she must carry a normal subject load in school, and must

earn all A's or all A's and one B", explained Bates.

were Mmes. Abraham Zapata, Toney Martinez, Joe R. Pardo, Ruben Garcia, Aristeo Mata, Frank Ledesma and Florinda Alcocer.

Hill Injured In Accident At Elevator

Bud Hill is a patient in Plains Memorial Hospital as the result of an accident he received when a belt on an auger slipped causing the electric circuit to explode.

Hill is being treated for severe burns on his right hand and left arm. He escaped more serious injury when the explosion came before he was able to touch the circuit breaker to shut off the power.

It is expected that he will remain in the hospital for several more days.

Favorites Named At Hart Schools

Favorites were named this week at Hart High School and Junior High.

Chosen for the coveted honor of Miss Hart High School was Reba English. Ronnie Barham was selected as Mr. Hart High School.

Miss Hart Junior High is Jan Harris with Alan Shive named Mr. Hart Junior High.

Selected as favorites for the seventh grade were Jan Harris and Pete Niabes. Alan Shive and Roni McGill were favorites in the eighth grade.

Favorites names in high school were Dee Clevenger and Johnny Ethridge, freshmen; Roni Cox and Donnie Shive, sophomores; Jerry Heller and Pam Shive, juniors and Jimmy Allensworth and Bobby Ethridge, seniors.

Who's Who selections included David Guzman and David Bass, freshmen; Becky King and Donnie Shive, sophomores; Pam Shive and Harold Bob Bennett, juniors and Joe Quiroz and Iona Clevenger, seniors.

Rebecca Futrell was named Best Dressed Girl. Best Dressed Boy was Ricky Bennett. Iona Clevenger and Harold

Bob Bennett were chosen Most Likely To Succeed.

Selected for the honor of Most Friendly were Reba English and Joe Quiroz.

Most Beautiful and Most Handsome titles went to Reba English and Andy Rogers.

Rebecca Futrell was named Most Athletic Girl and Joe Quiroz was picked Most Athletic Boy.

Methodists Plan Harvest Supper

Hart Methodists will hold their annual Harvest Festival Wednesday, Nov. 13 at 7 p. m.

The annual observance is held in thanksgiving for an abundant harvest and for the opportunity to share its material blessings.

A special program is planned to follow the Thanksgiving dinner. Speaker for the evening is the Rev. Lyman Wood of Seminole, former pastor. Special music is also planned.

Freeman Explains Cotton Program

Secretary of Agriculture Orville L. Freeman today announced the following additional provisions of the 1969 - crop program for upland cotton:

REFERENDUM.

A referendum will be held by mail during the period December 2 through 6, 1968, to determine whether farmers approve marketing quotas for the 1969 crop. Marketing quotas and acreage allotments were announced for the 1969 crop on October 14. Notices of farm acreage allotments will be mailed to operators of cotton farms prior to the referendum. DOMESTIC ACREAGE ALLOTMENT.

For the 1969 crop, the farm domestic acreage allotment has been set at 65 percent of the farm acreage allotment, the minimum authorized by law. Farmers who sign up to participate in the program and who plant at least 90 percent of their farm's domestic acreage allotment, but not in excess of the permitted acreage for the farm, will be eligible for price support loans and for price support payments on the farm domestic allotment. SKIP-ROW RULES.

The skip-row rules which were in effect for the 1968 crop will be applicable to the 1969 crop. In general, under these rules, only the land actually planted to cotton is counted as cotton land in determining compliance with program provisions. LEASE AND SALE OF ALLOTMENTS.

The final date for filing ap-

plications for the transfer of cotton allotments is December 31, 1968. Producers in 394 cotton-producing counties in the U. S. have approved for 1969 the transfer of allotments to farms outside the county. Allotments, however, cannot be transferred from one State to another.

PROJECTED YIELDS.

The projected State yields are based on 1963-67 harvested yields, adjusted for abnormal weather conditions, for trends, and for changes in production practices and are used to determine cotton program payments.

EXPORT MARKET ACREAGE

Under a formula in the law, an export acreage reserve of 187,500 acres is established for 1969. All cotton produced on farms participating in this part of the program must be exported. Price support loans and program payments will not be available for any of the cotton produced on a participating farm, or on any other farm in which the operator with export market acreage has a substantial or controlling interest. Forms for applying for export market acreage for 1969 are available in county Agricultural Stabilization and Conservation Service offices of cotton-producing counties. The closing date for filing applications is December 31, 1968. Additional program provisions applicable to the 1969 upland cotton crop will not be announced until after the November 8 Crop Report but before the referendum period.

Lela Gallion .. . Society Editor

Any erroneous reflection upon the character, firm or corporation which may appear in the columns of The Hart Beat will be gladly corrected upon being brought to the attention of the publisher.

Despite furor of rising food costs, some food items have actually decreased in price. The most recent Consumer Price Index shows the price of bulk ice cream just below its level a decade ago.

During the same time, the average price of all food items increased 18 percent, reports Extension specialist Wanda Meyer, Texas A&M Univer-

sity. All dairy items are up 19 percent.

Other food items are at lower prices than they were in the 1957-59 period include fryers, turkey, ice cream, bananas, fresh orange juice, canned grapefruit-pineapple juice, frozen orange juice concentrate, frozen lemonade concentrate, frozen broccoli, canned chicken soup and frozen french fried potatoes.

Editorials

DEAR EDITOR:

"We are the Future Homemakers of America. We face the future with warm courage and high hope."

This is the beginning of the creed of the FHA chapters of our nation. We are just another organization at the local high school, but a group of young people who realize that we must prepare for the future. Today's youth face many responsibilities. Future Homemakers, Future Farmers, Vocational and Industrial Clubs of America, 4-H Clubs, Boy Scouts, Girl Scouts and countless other youth organizations are working together, preparing for the future.

We face the future with warm courage because we care, we love America, one nation

under God. We ask you to care. Help us stamp out apathy.

"Don't-care-itis" can overcome a human very rapidly. How much you care will affect the posterity of this nation and the world. In a short time many of us will be adults. How much you care on November 5th will determine the type world you will hand us.

We have high hope because we have placed our confidence in you, our parents and friends. Please do not fail us. Vote on November 5th and show that you care.

Rebecca Futrell

TANE Speakers To Be In Hart

We wish to take this opportunity to thank the many friends for the food, flowers, the kindnesses while in the hospital and later. Also a special thanks to Dr. Jack Harris and the nurses at the Dimmitt hospital and to Bro. C. T. Cunningham. May God bless each of you.

- Mrs. M. F. Sanders
- Mr. and Mrs. Furche Riley and family
- Mr. and Mrs. Robert Sanders and family
- Mr. and Mrs. W. T. Sanders and family
- Mr. and Mrs. Dean Sanders and family
- Mrs. M. L. Simpson and boys

Texas Alcohol Narcotics Education (TANE) representatives will speak in three Hart churches on Sunday, Nov. 3.

TANE speakers, ministers and laymen of several Christian denominations, speak in some 2,500 churches in Texas each year.

The organization is dedicated to the prevention of problems that arise from the use of alcohol, narcotics, and other dangerous drugs. TANE programs include public school assembly programs, publishing, production of audio visual aids, legislative information service, free film lending library, and an annual school on alcohol and narcotics studies, sponsored jointly by TANE and Baylor University.

TANE's books and film strips, geared to prevent alcohol and drug problems, have been distributed throughout the English-speaking world. Some are being translated into other languages for use in the Far East and South America.

A non-profit, educational organization, TANE is supported financially by Texas churches of 19 denominations.

"The speaker's purpose in visiting a church is not to reach drunks and narcotics addicts, but to report to the church on alcohol and drug problems, what can be done, and what is being done about them," said Rev. Albert F. Tucker, TANE Executive Director.

Hart churches that will have TANE speakers include, Hart Methodist, First Baptist, and Mt. Calvary Baptist Mission.

SCOUT NEWS

Girl Scout Troop 23 met Tuesday afternoon in the Community Room of Farmers State Bank.

Program subject was buttermilk painting.

Scouts present were Retha Aven, Elsie Arrizola, Tammy Bates, Sharla Carson, LeAnn Friday, LaDonna Hart, Sandy Heck, Janie Hernandez, Debbie Lacy, Jana Mapp, DeAnn Richburg, Rhonda Rowland, Patricia Smith, and Diana Valadez. Mrs. Lowell Richburg was a guest, leader was Mrs. Marilyn Covington.

Pep Citizens Set Annual Harvest Dinner

As the days roll by and November 28 gets closer the Pep people start gathering and making preparations for their annual Thanksgiving Festival.

The 23rd annual Thanksgiving Festival is scheduled to start with dinner from 11 a. m. til 2 p. m. and supper from 5 p. m. til 7:30 p. m., the meal will be \$1.75 for adults and \$1.00 for children under 12.

A cotton and general auction is scheduled for 6:30 p. m. with carnival attractions and prizes lasting all day.

The day will be ended with a dance from 9 p. m. till -, music furnished by a western band.

Main feature of the day will be that good ole country sausage made by the Pep people and turkey with all the trimmings. All the action will take place in the modern Parish Hall sponsored by St. Philips' Church of Pep.

VETERANS LAND BOARD SALE

The Veterans Land Board will receive sealed bids at the General Land Office, Austin, Texas, until 11:00 o'clock A.M., November 19, 1968, for the sale of 65 tracts of land. There will be 32 tracts offered to eligible Texas veterans only in Brown, Callahan, Cameron, Clay, Dickens, Gaines, Guadalupe, Hidalgo, Hunt, Jasper, La Salle, Liberty, Milam, Potter, Rains, Randall, Reeves, Yoakum and Zavalla Counties. There will be 33 tracts offered to non-veterans and eligible Texas veterans in Cameron, Dimmit, Hidalgo, Maverick and Newton Counties.

Tracts may be financed through the Veterans Land Board. For information and listing of tracts write to:

JERRY SADLER
Commissioner of the
General Land Office
Chairman of the Veterans Land Board

Annual Flying Queens Clinic Scheduled In Plainview Nov. 9

The 11th annual Hutcherson Flying Queens Basketball Clinic will be held at Plainview High School, Saturday, Nov. 9 starting at 9 a. m.

A crowd of some 2,000 coaches and girl basketball players are expected for the clinic which features lectures by outstanding high school coaches, special demonstrations by the Flying Queens of Wayland College, four basketball games and a question and answer period following the first two games.

The Queens will be on the program from 10:50 to 11:50 a. m. for special demonstrations of offensive and defensive techniques and ballhandling. Coaches of the eight teams which will play as part of the clinic will speak during the morning session and teams will present special demonstrations.

A coaches luncheon will be highlighted by a film of the 1968 Iowa State Championship game in which a girl on each of the teams scored over 60 points in a 113-107 contest. Also, at the luncheon, coaches of the eight teams playing for the clinic will give a rundown on their teams.

Friona and Slaton are to open the game slate at 2:30, followed at 4 p. m. by Tulia vs Spearman. Hale Center tackles Quitaque in the first evening game at 7 p. m. with Floydada testing Springlake at 8:30.

Schools which have not pre-registered should do so by Nov. 1. Names of girls, coaches, and drivers should be sent with the \$10 school registration fee to Harley Redin, Wayland Baptist College, Plainview, Texas, 79072. Coaches planning

to attend the luncheon should so indicate when they register their team.

HAS SURGERY

Mrs. Calvin Alexander spent the weekend in Amarillo with her niece, Marsha Wakefield, who underwent surgery Tuesday and again Friday.

VACATIONING

Mr. and Mrs. E. E. Foster returned this week from a fishing trip and vacation in south Texas. They reported the weather was fine and they caught lots of fish. They visited with Mr. and Mrs. W. A. Hawkins Sr. at their cabin in South Texas.

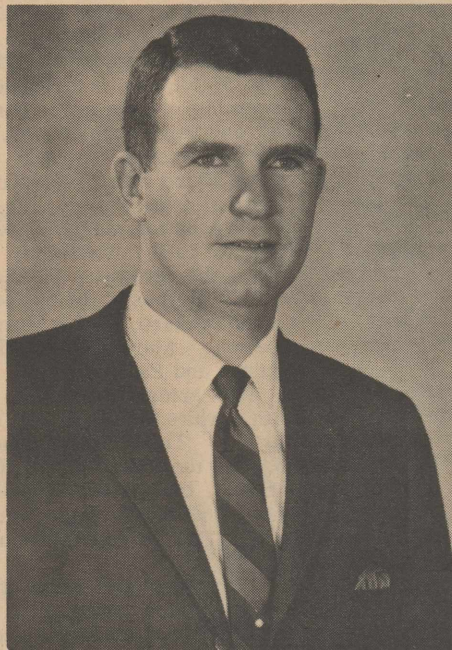

ON TUESDAY, NOV. 5th.

VOTE **FOR** AMENDMENT

3

FOR BETTER MAJOR EDUCATION IN TEXAS

Pd. Pol. Adv. by Committee of 300 for Amendment 3
Jack S. Blanton and Jeff Montgomery, Co-chairmen

**THIS IS WHAT
FRANK FORD
HAS BEEN SAYING
DURING HIS CAMPAIGN TO
SERVE YOU AS
STATE REPRESENTATIVE**

WATER CONSERVATION AND IMPORTATION:

"Water is the life-blood of our irrigated economy, and the importance of total water resources planning cannot be over-emphasized. Feasibility studies for importing water to the high-plains from the lower Mississippi basin should be pushed forward at maximum speed. Funding on these-and importation itself-must come from congress, with maximum state-federal cooperation. At the state level, our district is far behind on planning for flood control and conservation dams on our creeks. We must keep the water that falls in our district, rather than seeing it rampaging on down-stream after every big rain. We must use lake water and tail water return systems to the maximum, along with irrigation practices consistent with the water available in any given area. If elected, I intend to work with men who have a proven record of water conservation. Under no circumstance must this issue be allowed to become a political football to be used at election time for partisan gain."

EDUCATION AND VOCATIONAL TRAINING:

"Texas has fallen from 33rd to 38th during the past eight years in per-student support for education. During the same time, we have fallen from 40th to 44th in literacy. This dismal record cannot be continued if our young people are going to be able to hold jobs which will be available in the 1970's. We must increase our attention to primary education and the development of basic skills, give additional help to children with specific learning disabilities, increase pre-school opportunities with bilingual education where needed. Vocational training must be increased, with emphasis on job training by private industry, so that the trainee will know that a specific job is waiting upon completion of the training. Education and jobs are the only effective answer to poverty."

FRANK FORD IS THE ONLY CANDIDATE IN THE RACE WHO HAS SPOKEN OUT CLEARLY ON:

- ★ The need to keep the family sized farm unit strong as it is the backbone of our rural economy.
- ★ Practical measures that should be encouraged in each community for economic growth.
- ★ The need for abolishing daylight savings time, a measure which his opponent pushed to passage in 1967.
- ★ Ways to reduce the crime rate, which has nearly doubled in the last eight years.
- ★ The need for a two-party system so that the people can regain control of their state government.

FRANK FORD WILL REPRESENT THE PEOPLE OF THIS DISTRICT

Pd. Pol. Adv. By Castro County Republican Party, Paul Armstrong, Chairman

MRS. JACKIE CARL VICE

Vice-Waide Vows Exchanged In Sunnyside Church Ceremony

Wedding vows were exchanged at 8 p. m. Saturday in the First Baptist Church of Sunnyside between Miss Ollie Pearl Waide and Jackie Carl Vice.

The Rev. J. M. Phillips of Loco Hills, N. M. uncle of the bride, officiated for the double ring ceremony.

Parents of the couple are Mr. and Mrs. Charlie Waide of Hart and Mr. and Mrs. Freeman Vice of Gatesville.

Vows were said before an arch entwined with greenery, flanked on either side by seven branch candelabra with white tapers. A satin covered kneeling bench was placed before

the arch. Mrs. L. C. Dennis of Dimmitt arranged the setting.

Musical selections were presented by Verna Sadler, organist. She accompanied Terry Crisp, Sherry Rowland and Sandy Loudder in solo selections.

Given in marriage by her father, the bride wore a formal length gown of white imported French satin fashioned in a sheath style framed on either side by Chantilly lace, a wedding ring neckline and long petal point sleeves accented with lace appliques at the wrist.

Her chapel length train was attached at the shoulders and completely covered with Chantilly lace. Small satin bows accented the center back.

A queen's crown of seed pearls and Chantilly lace edged with scallops of crystals held her three tiered veil of silk illusion. She carried a bouquet of miniature white mums centered with an orchid.

Miss Sherry Rowland was maid of honor. Bridesmaids were Terry Crisp of Sunnyside, Judy Vice of Gatesville, sister of the groom, Sandy Loudder of Sunnyside and Pat Waide of Hart, sister of the bride.

Candles were lighted by Ann Spencer and Debby Morgan of Sunnyside. Carrie Sadler of Sunnyside was flower girl. Ring bearer was Wayne Phillips of Loco Hills, N. M.

Freeman Vice served his son as best man. Ushers were Garland Frazier of Dimmitt, Randy Ball and Randy McGowen of Sunnyside.

Feminine attendants wore formal length gowns of blue enhanced with a large white bow at the back. Each carried a single long stemmed mum.

For her daughter's wedding, Mrs. Waide chose a three pieced ensemble of light green bonded knit and beige accessories. The groom's mother wore a pink dress styled with three-quarter length sleeves.

A reception was held in fellowship hall immediately following the ceremony. Assisting with the hospitalities were Linda Packard, Debbie Morgan, Thelma Martin, Mrs. Paul Chance and Patsy Chance.

The bride's table was laid with a white lace cloth over blue satin. The bridal bouquet formed the centerpiece. Traditional three-tiered wedding cake and punch were served from silver and crystal appointments.

For travel the bride chose a suit of blue bonded knit. She added white accessories and an orchid corsage lifted from the bridal bouquet.

The couple are at home at Sunnyside.

A graduate of Hart High School, the bride attended Texas Women's University at Denton for a year and a half.

Out of town guests were Mr. and Mrs. George Phillips of Paris, grandparents of the bride; Mrs. W. D. Clements and Mrs. A. B. Cone of Eagle Lake.

CHILDREN VISIT

Mr. and Mrs. Deward Armstrong and family of Clovis, N. M.; Mr. and Mrs. Roy Lilly, Mr. and Mrs. Charles Armstrong and family and Alene Lilly of Dimmitt and Mr. and Mrs. Owen Hankins visited Sunday in the home of their parents, Mr. and Mrs. Johnny Armstrong.

Mrs. Alexander Named Queen

Mrs. Calvin Alexander was crowned Queen of the Month at the Monday night meeting of the Hart of Texas TOPS Club.

Winner for the week was Mrs. Richard Entekin.

Weight losses for the three months that the club has been organized were recorded and the Twiggies were winners for the three months period. They will be entertained by the Kallorie Kounters sometime next month.

Total weight loss for the club for the three months period was 229 1/2 pounds.

The meeting next Monday evening will be at 6:45 p. m. in order that members may attend the PTA meeting.

Any interested person is invited to join the club.

Sharps Feted By Reception

A reception honoring Mr. and Mrs. Al Sharp on their 50th wedding anniversary is planned for Sunday Nov. 3, from 2 to 5 p. m. at their home northeast of Hart.

Hosting the occasion will be their son and daughter-in-law, Mr. and Mrs. Frank Sharp and their nine grandchildren and one great-grandchild.

All friends of the couple are invited to attend the reception.

Mrs. Hawkins Is TOPS Winner

Hart of Texas TOPS Club met Oct. 21 in the Community Room of Farmers State Bank. Members weighed in and sang the TOPS song.

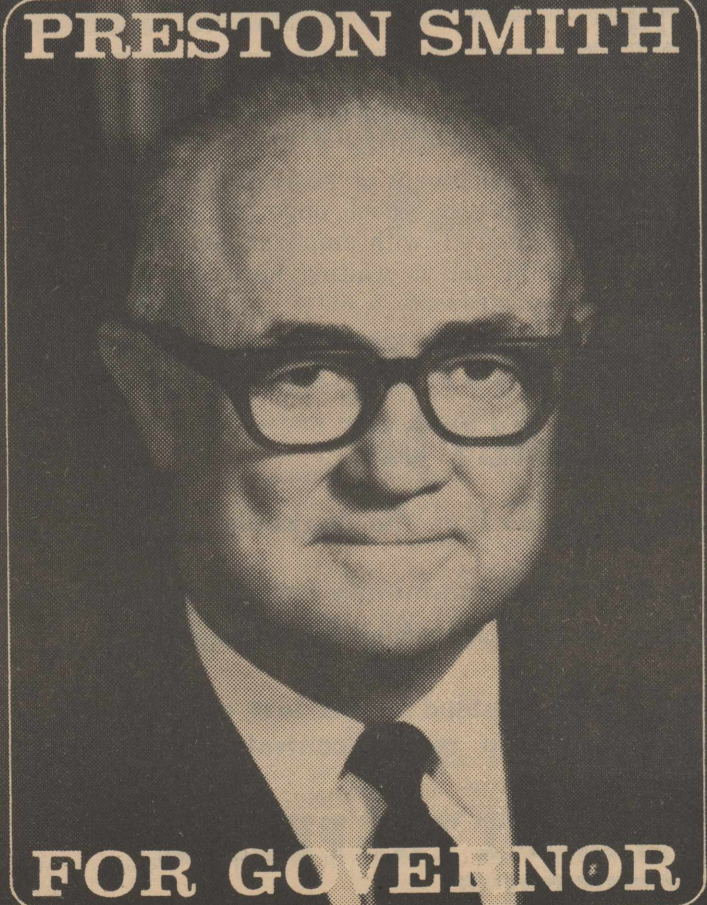

Mrs. Robert L. Hawkins was named queen for the week for having lost the most weight. She received a grab bag gift.

Plans were made for the Bake Sale to be conducted Saturday Oct. 26.

VISIT WELTYS

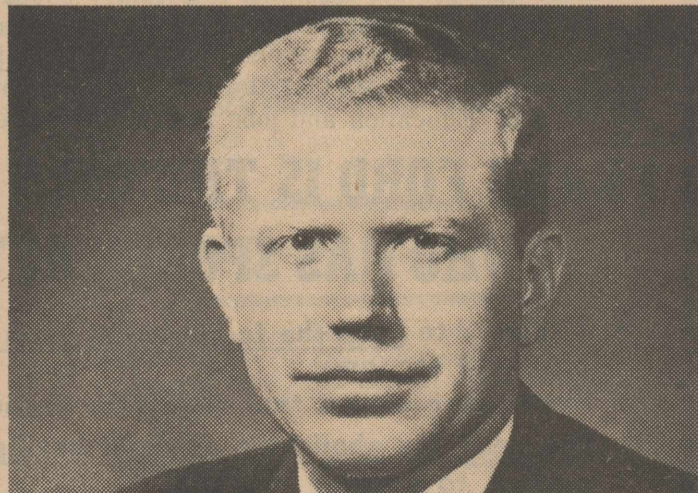

Mr. and Mrs. Othel Welty of Plainview visited Sunday in the home of his parents, Mr. and Mrs. J. W. Welty.

THE 72nd DISTRICT NEEDS BILL CLAYTON

The economy of West Texas and particularly the 72nd Legislative District is based on water supply for agriculture, municipal and industrial needs.

We need the help, assistance and proven leadership of people like BILL CLAYTON who have the influence, seniority, integrity and ability to get the job done.

Your Effective
Voice In
Government

BILL CLAYTON'S record stands for itself. It reflects the work of conscientious young man. The 72nd District is in good hands.

VOTING RECORD AND POSITION

★ WATER DEVELOPMENT

Bill Clayton has been directly associated with every major piece of water legislation passing during the last six years. He is recognized by his colleagues as being one of the most effective and well informed members of the Texas Legislature on water and soil resource development and conservation. Bill Clayton knows the vital importance of water, not only to your future, but to the future of the entire State. Past accomplishments and effective leadership have made Clayton vital to continued progress in development of water resources for the High Plains.

★ EDUCATION

Child by child we build our nation . . . tomorrow depends on today's children and young adults. Bill Clayton is ever mindful of the need to raise our standard of excellence in the Texas school systems. This can only be done through the uprating of the Texas schools, and dedicated recruitment of the finest teachers. Clayton co-authored a bill that created the "coordinating Board of Texas Colleges and University systems. His voting record shows a continued support of teacher pay-raise and the strengthening of all educational systems in Texas.

★ LAW ENFORCEMENT

Today, law enforcement agencies are facing new problems. Bill Clayton is concerned about the breakdown of law and order. Clayton has been active in seeking higher salaries for law enforcement officials and uniform standard procedures. Bill Clayton served on a special House Committee which will suggest revision of our obsolete liquor laws. Clayton believes that all people must respect the law and that proper enforcement is essential to maintain law and order.

★ INDUSTRIAL DEVELOPMENT

Bill Clayton knows that industrial development helps to stabilize the economy of any given city or area. During his six years in the Legislature, Bill Clayton has worked aggressively for industrial development for our area of the State. Several smaller cities in our 72nd Legislative District now have airports as a result of Clayton's assistance in starting a program of State grants. These State grants are financed with unclaimed gas tax refund on aviation fuel. Bill Clayton knows that airports help encourage industry in less densely populated areas.

★ TOURISM

Bill Clayton has worked hard for tourism during his six years as State Representative. Clayton, House Speaker Ben Barnes and other interested legislators were successful in establishing a National Park in the Big Bend area of West Texas. The water importation program being led by Clayton will develop many new recreational opportunities with huge water reservoirs for fishing and boating. Bill Clayton realizes both the need for more recreational facilities in his district and increased business activity from tourist trade.

★ COUNTY, CITY & LOCAL GOV'N'T

Bill Clayton has been a strong advocate of local government. He is currently serving as chairman of the Committee on Counties of the Texas House of Representatives. Clayton believes that government at the county and city level are more responsive to the people and whenever possible they should take the lead and the responsibility of many governmental programs and functions. Clayton has authorized many bills that benefit the cities and support the idea of allowing cities the option to choose their own method of taxation. Bill Clayton is needed on the job for more effective and responsible county, city, and local government action.

Take advantage of this opportunity to keep your firm grip in the State Legislature by going to the polls on November 5th, and casting your ballot for BILL CLAYTON

Longhorns Win F

BY DONNIE BLACK

The Hart Longhorns almost reached the half-century mark Friday night as they did their best to spoil the Swift's Homecoming.

This was the first conference game for the Longhorns and they couldn't have started District play in a better fashion.

Nazareth kicked and started the game with a fired-up defense. Landra Bruington returned the kick to the 34 yard line. After three carries by Jimmy Robinson he had only gained six yards.

Quincy Hawkins let loose a long punt which was returned to the 23 yard line where Nazareth took over.

The Swifts made one first down but went down fighting for the needed yardage for the second.

Hart took over on the Swift 43 yard line. On the first play from scrimmage the Horns started what was to be a continuous pattern throughout the entire game.

Gary Rambo passed to Joe Quiroz who seemed all alone on the field and entered the end zone untouched. Jimmy Allensworth kicked the extra and put Hart on the board 7-0.

The second Horn TD came early in the second quarter as Rambo again went to the air and connected with Ronnie Barham for a 32 yard touchdown. The extra point kick was faked and Jimmy Allensworth ran around end for two instead of one.

The score remained 15-0 until the final minute of the half.

At this point Ronnie Barham proved for the second time the sureness of his hands as he caught a long Rambo pass and scored on a play that covered a total of 50 yards. The kick for extras went to one side.

This summed up the scoring of the first half as the Longhorns led 21-0 as they left the field.

The Hart Longhorns kicked off to start the second half. Nazareth took possession of the ball but couldn't penetrate the Longhorn defense.

After receiving the Swift punt, Quiroz decided to start off the second half with a bang as he ran 88 yards for a touchdown which was nullified by a clipping penalty.

All wasn't lost as the Horns turned around and started a drive for the TD which carried them the entire 88 yards on the ground.

John Ethridge and Jimmy Robinson did the work as they were the only two men to handle the ball the entire 88 yards. Jimmy Robinson carried the ball the final two yards for the score to conclude the drive. Jimmy Allensworth kicked the conversion which was good and 28-0 was on the scoreboard.

Hart's next scoring attempt came after Joe Quiroz returned a Nazareth punt to the 40 yard line. On the first down play the score was set up on a pass from Rambo to Pancho Diaz which carried the ball to the eight yard line.

Robinson carried to the four and Robert Garcia followed by entering the end zone.

Allensworth's kick was true and the Horns led 35-0 with only a minute remaining in the third quarter of play.

Everything seemed to go Hart's way as they made their final tally of the night only five plays after getting their hands on the ball.

After a punt by Nazareth the Horns took over first and 10 on the 43. Bass, Robinson and Garcia all did a fine job in putting together enough yardage for the score. After gaining 18 yards on the previous play, Garcia crossed the goalline for the final score of the night. The

LONGHORNS district play

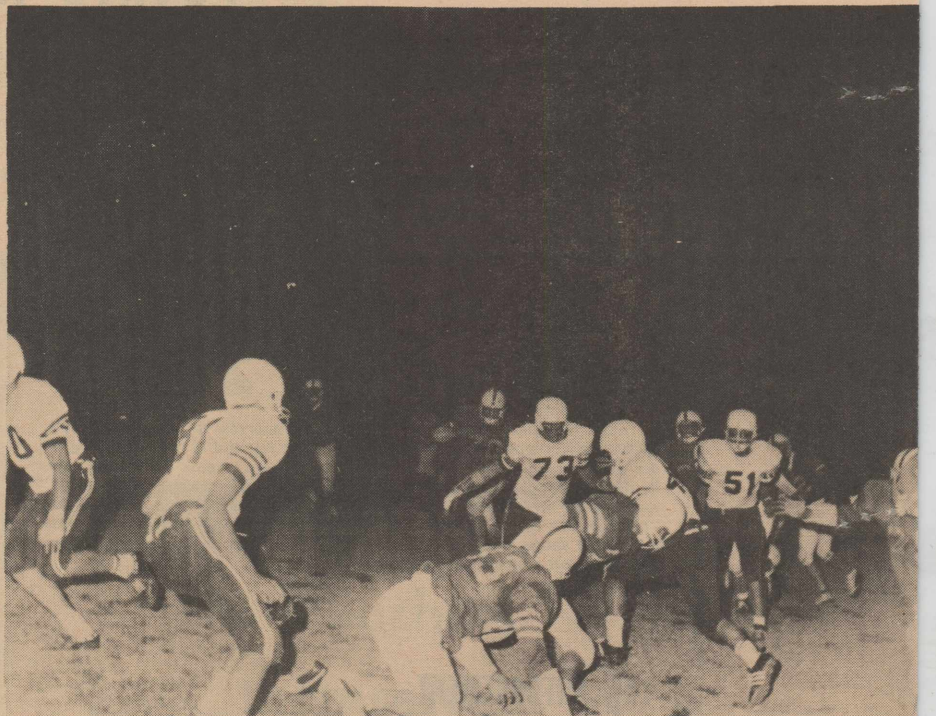

Nazareth defense the extra point a successful.

The only other tempt came late Hart as Garcia Swift pass on the and romped into. The play was again on a clipping penalty score of the night left standing.

The entire for Hart did an on Barham did on several perfect ses by Rambo.

The defensive did just as good as the Nazareth team

The Horns will date Friday night Lazbuddie here 11 p. m.

Billy Bob Bell Completes Training, Is Reassigned

Billy Bob Bell has gone to a new assignment at Beeville where he will receive intensive training after spending a 15-day leave with his parents, Mr. and Mrs. William D. Bell, and brother, Ralph Edd Bell, at Hart.

Completing his four months training in Memphis, Tenn., he attained the rank of structural engineer-airman apprentice.

Bell is a 1966 graduate of Hart High School where he participated in all sports. He played football with the Hart Longhorns four years and was captain his senior year, played volley ball three years and basketball two

years. A member of the FFA four years, he was adviser on the freshmen chapter conducting team. He is the recipient of the American Legion good citizenship award. Prior to entering the service, he was a student at South Plains Junior College with a major in agronomy and science.

"Did Galileo really invent the telescope?"

The invention of the telescope was doubtlessly accomplished in Holland, but determining the actual inventor is a matter of controversy. The honor is usually given to Galileo because he was the first to describe it and exhibit it in complete form.

"Which beverage contains the most caffeine — coffee, tea, cocoa, or cola?"

Coffee contains the most. For a five-ounce serving, the average caffeine contents — varying according to the strength at which the beverage is prepared — are as follows: Coffee, 100 milligrams; tea, 50 milligrams; cocoa, 2.1 milligrams; cola, 37.5 milligrams.

"What kind of money was first used by the founding fathers after our country won its independence?"

Congress passed the first Coinage Act in 1792, establishing the Mint at Philadelphia and directing the production of gold and silver coins. Before that, the Continental Congress issued paper notes to finance the Revolution.

Two Hart Grads Attend C.J.C.

Tomas Gonzales, son of Mr. and Mrs. Auturo Gonzales, and Willis Hawkins III, son of Mr. and Mrs. Willis A. Hawkins Jr. are two of the 975 students enrolled for the fall term at Cisco Junior College in Cisco, according to figures released by the Registrar's office of the college.

Cisco Junior College is one of the fastest-growing colleges in the state, having doubled in enrollment during the past three years.

The college is housed in 13 modern facilities, many of which are new and air-conditioned, and two more new buildings are in the final planning stages. About half of the students are dormitory residents on the campus, which makes the Cisco college probably the largest residence junior college in the state.

Mrs. Brown Leads Program

Mrs. Fred Brown presented the program, "The Scandal of the New," at the recent meeting of Women's Society of Christian Service at the United Methodist Church.

Love gifts for the purchase of new school clothes for Miss Betty Pickerell of Girlstown were given.

Mrs. H. H. Parker will have charge of the Thursday program titled "Call to Prayer and Self Denial."

Universities Join Forces

The University of Texas and Texas A&M have joined forces—at least until November 5th. Alumni and friends of both schools have formed a committee to get out the vote for the Constitutional Amendment 3 on Election Day.

The group is known as the Committee of 300 for Amendment 3 and is composed of volunteers throughout Texas. It is responsible for informing the public about Amendment 3. Co-Chairman of the Committee are Jack S. Blanton and Jeff Montgomery. The men are

presidents of the University of Texas and Texas A&M Alumni Associations.

Amendment 3 would permit more of the Permanent University Fund to be invested in certain types of securities under the prudent man rule.

Baptist Men Plan Breakfast

The men and boys of the First Baptist Church will have a breakfast Nov. 4, at 6:30 a.m.

Breakfast for the men and boys is held each first Monday morning of the month in the fellowship hall of the church.

All men and boys are urged to attend. Visitors are welcome.

'Cold War' Veterans Get Education Opportunity

Passage of a sweeping new veterans bill on the next to last day of the 90th Congress was a great victory, not just for me, but for six million American veterans of the Cold War period and the war in Vietnam. Congress approved a series of amendments to my Cold War GI Bill of two years ago, and to other existing veterans laws—giving today's young men in uniform the best opportunities ever to return to school and to better protect their families.

Congress improved on my original Cold War Bill by offering the returning veteran a minimum of one and one-half months of schooling for each month he served in uniform—up to 36 months of schooling with government financing. That does not mean college only. Returning GIs can choose to return to high school, or they can choose on-the-job training in a skill, business college, technical school, trade school, on-the-farm training, or even commercial flight training.

The new bill also includes -- for the first time-- educational opportunities for widows of servicemen. For many years we've had government pensions for military widows. But we've never given them an opportunity to return to school and become better prepared to support themselves.

Previously, veterans could receive a month of schooling for each month of active duty, so that a man drafted for two years could have two years of education upon discharge, with government support. Now he is guaranteed a minimum of one

and one-half months for each month in the service; but every veteran who completes at least 18 months in the Armed Forces now is entitled to a full 36 months in school. That's enough for a high school graduate to earn a college degree, or enough for a veteran who chooses on-the-job training to master a skill.

Our Cold War veterans are finally being treated on a level with the veterans of World War II and Korea. Veterans of those wars returned to school by the millions and became well-educated, wage-earning, tax-paying citizens.

It's estimated that those two bills cost about \$15 billion. But it's also estimated that veterans who went to school under the GI bills will have paid \$30 to \$45 billion in additional taxes from their improved earning capacity.

These six million Cold War veterans-- including 300,000 Texans-- now can have the same chance to learn -- and the whole nation stands to gain from it.

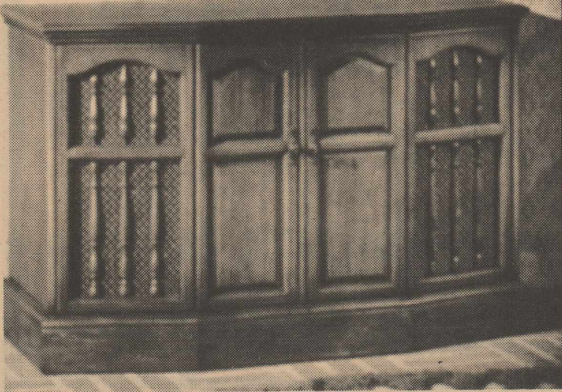

Tax Man Sam Sez

Paying taxes is a part of our way of life. Most folks say it is a part that they don't particularly like, but since the things they require from their government cost, it is reasonable to expect to pay taxes a few more times before we find the perfect method. The amount of taxes that you pay often depends upon the kind of records you keep. There may be a few CPA's and other professional record-keepers who really love to keep records, but the average taxpayer doesn't. This costs him! Most folks working in the tax business join the Internal Revenue Service in advising you to keep good records. Maybe we should take the trouble. The sweat and frustration might be worthwhile.

New Arrivals

Mr. and Mrs. Gene Davis of Plainview are the parents of a son born Oct. 21 at 5:30 p. m., weighing 7 pounds and 10 ounces. Paternal grandparents are Mr. and Mrs. Everette Cole of Hart. Maternal grandparents are Mr. and Mrs. Bond of Plainview.

From One Bale Of Cotton

What can a bale of cotton do—assuming 500 pounds lint average? If all the lint from just one bale went into sheeting, and no waste in processing, it would make 327 percale sheets per bale. Or, 293 muslin sheets—all 81" X 108".

Pillowcases would roll out of a bale of cotton like Topsy. One bale of cotton could make 1,895 percale pillowcases per bale.

Handkerchiefs really up the figures. From one bale of

cotton, a textile mill can make 11,635 handkerchiefs

When you look at a 10 cent spool of sewing thread, ever wonder how many spools you could make with a bale of cotton? There's 42,000 yards of 50 ply thread in a pound, or 21,000,000 yards per bale.

It would take just 2.09 bales of cotton to make a single thread to circle the earth at the equator—and have just enough left over to tie a knot!

PEOPLE IN HIGH INCOME areas pay the same prices for groceries as those in low income areas, shows a recent U. S. Department of Agriculture survey. The study used stores of the same chain.

PLENTIFUL FOODS which will be featured in food stores include pork roasts, apples, potatoes, rice, dry beans and cheese.

SEVERAL VARIETIES of grapes are on the market now. Bananas are plentiful and are priced lower than usual in some

stores. Fresh cranberries are coming into season as are pomegranates and persimmons.

FOOD PRICES will slow their rapid climb by the last half of 1968, according to the U. S. Department of Agriculture. Reason: larger supplies of fruits, vegetables, and meat and slower rise in income.

FRESH PUMPKINS on the markets remind that Halloween is here. Pumpkin makes puddings, pies and cakes. Since it is in the squash family, stew it to serve as a side dish.

Miss Wakefield Has Surgery

Marsha Wakefield, niece of Mrs. Calvin Alexander, underwent additional plastic surgery last Friday as the result of an infection in her last skin grafting operation.

The teenager, who was injured in an automobile accident in January, will remain in the hospital until the skin graft adheres and there is no sign of infection.

Moments Of Meditation

C. T. Cunningham, pastor of First Baptist Church

Webster's Dictionary defines a thermometer as "an instrument used to determine the temperature of a body or space. It changes with a change in temperature." Many people are like a thermometer, that is, they yield in the direction of the greatest amount of pressure. Just whatever group exerts the greatest force.

To be sure a thermometer is important in that it registers changing conditions, and shows what needs to be done to maintain favorable conditions. Some think that they are causing change, when in reality, they are only registering a change taking place and their lives are only an indication of what needs to be done.

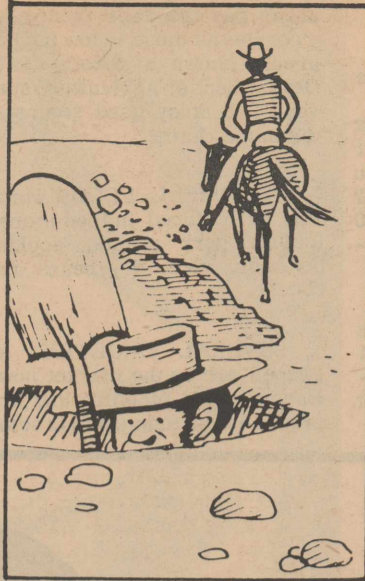

Now a thermostat is a different instrument. According to Webster's Dictionary it is an automatic device for regulating temperature, supply of gas, or the like; also for actuating fire alarms, for controlling automatic sprinklers, etc. Did you notice such words as "regulating", "actuating", and "controlling?" This is the function of the thermostat. It is not affected, in a sense, by outside pressures, but reacts

to produce more favorable conditions. It does not register change, but causes change, when change is necessary. In other words, when the temperature drops, the thermostat sends word to the central heating unit to get to work, and when the temperature is at the pre-set degree, the thermostat cuts the heating unit off. It controls instead of being controlled.

Of course, there is a need for some changes. Or at least some change will come. But these changes need to be brought about by, and on the basis of a standard. There are some changes in which the Lord wants to be made. But He has pre-set the thermostat to determine the limits within which these changes are to be made.

The thermostat can be destroyed or rejected, but that does not stop the cold of winter or the heat of summer from coming. We can reject or neglect God's standard but that will not stop God's judgment from coming.

Are you just registering the change in our society, or is your life one that is causing a change toward more favorable conditions? I ask again, "Are you a thermometer or a thermostat?"

Roy Taack Asks For Permit

Roy Taack has applied for a permit to appropriate state water. The Texas Water Rights Commission announced receipt of his application for the right to appropriate 40 acre-feet of water annually to irrigate 43 acres of land, and details of the plan are now under examination by Commission Engineers.

Taack has a reservoir on property located four miles southeast of Hart. It is on Hart Draw, tributary of North Fork Running Water Draw, in the Brazos River Watershed.

A public hearing will be held in Austin Nov. 12 at 2 p. m. in Room 810 of the Sam Houston State Office Building, at which time the applicant and those favoring or opposing the project will be heard.

KITCHEN KORNER

By Lela Gallion

The end of this week will bring not only almost election time but the holiday season closer and closer to us and the time passes so quickly we are behind before we even realize it. So it is a good idea to start thinking of what to give for Christmas and for those who you don't know just what to give think up a good salad, cake or candy that you can decorate to fit the season and if possible fix well in advance and freeze so the last minute fixing will not be so hurried. The Orange slice Cake, Fruit Cake, Fresh Apple Cake are some of the cakes which can be baked, decorated and frozen that have an even better flavor after being frozen.

Financial Facts

By Willis A. Hawkins, Jr.

Paper money was invented by the Chinese. The exact date is not known but history seems to indicate it was during the 7th century, A.D.

Sweden gets credit for issuing the world's earliest bank notes. This event took place in July, 1846. There is in existence a note issued by the Stockholm Banco, Sweden, dated December 6th, 1662, proclaimed to be the oldest surviving currency.

The world's highest denomination notes are the American \$100,000 bills which bear the picture of Woodrow Wilson, issued by the United States Treasury. These, of course, are not in circulation!

The American \$10,000 bills are the world's highest now in circulation. But there are not many of

them going the rounds. In 1964, the count was only 399.

Watch Next Week For "GOLD COINS"

Vote Tuesday, even though you may not be in love with the candidate!

Are you in need of a loan? Visit the financial experts at **FARMERS STATE BANK**. Whether you need \$50 or \$5,000, you will be pleased with our banking services. **FARMERS STATE BANK** in Hart, open 9 a.m. to 3 p.m. daily. Home Economist Visits England

The famous "generation gap" is not an American invention.

"If you think just we have long hair and mini-skirts, you are wrong," said Mrs. Florence Low, assistant Extension director for home economics, after returning from the International Home Economics Congress.

The meeting participants discussed the generation gap and other internationally common family problems.

Mrs. Low, with Texas A&M University, this summer spent a week in Bristol, England, attending the congress and two weeks touring the British Isles.

Baked beans for breakfast, beautiful yards and congenial homes were part of the assistant director's trip. But most impressive, she said, was the way the 1,100 people from 60 countries worked together, despite the language barrier and different cultures, to solve common family life problems.

"I really was impressed, too, with beauty of homes across the country," Mrs. Low remembers. "I did not see a single plastic flower on the trip."

The five major problems were cited as: malnutrition, over population, conflict, communication and training for girls and women who are more frequently leaving the home to work.

Malnutrition and overpopulation are world wide problems. An agronomy engineer told the group they would have to decide whether to feed the old or the young. There is not enough food for both, he said.

The generation gap is a part of family conflict.

Internationally, women are beginning to work outside the home and they need training. Families, too, stressed Mrs. Low, need to understand a woman's role in society.

"In this country, we have a shorter distance to go," she said. "Women have been working for a long time but there still are those who feel their place is in the home."

The International Federation of Home Economics, sponsor of the congress, is the only means of communicating with home economists around the world. And today, international cooperation has never been more important, said Mrs. Low.

"We live in a world without boundaries, all having many of the same problems," the home economist said. "Even though they may be solved in different ways, there are common denominators. The conference helps us understand various cultures so we can cooperate."

School Menu

MONDAY - Beef cutlets, cream gravy, whipped potatoes, green beans and tomato casserole, hot rolls, apricot cobbler, milk and butter.

TUESDAY - Brown beans, whole kernel corn, chopped turnips and greens, onion slice, orange juice, cornbread, cinnamon rolls, milk and butter.

WEDNESDAY - Hamburgers, mustard onion pickle relish, French fries, catsup, lettuce and tomato, apple sauce cake and raisins, milk and butter.

THURSDAY - Vegetable beef stew, sandwiches, plain crackers, tossed salad, banana pudding, milk and butter.

FRIDAY - Fried fresh cod fillet, tartar sauce, Spanish style macaroni and tomatoes, candied sweet potatoes, hot rolls, plain jello, whipped topping, milk and butter.

Longhorn Trails

Rebecca Futrell

Iona Clevenger

Hi-all you GROOVY Longhorns and GROOVY Longhorn fans! Be ye all right? Do you realize that this six weeks is half over? Ooooh!

SOCK IT TO LAZBUDDIE!

This week is open date for the coming-on-strong Longhorns of Hart High School. They really turned it on against the Nazareth Swifts and swamped 'em 41-0. It really is too bad about Nazareth, it being their homecoming and all. Aww! Come on, can't you even squeeze one tear?

BOMB LAZBUDDIE!

Class and school elections were held Monday. These are the results:

Miss HHS - Reba English
Mr. HHS - Ronnie Barham
Most Friendly Girl - Reba English
Most Friendly Boy - Joe Quiroz
Most Athletic Girl - Rebecca Futrell
Most Athletic Boy - Joe Quiroz
Most Beautiful - Reba English
Most Handsome - Andy Rogers
Best Dressed Girl - Rebecca Futrell
Best Dressed Boy - Ricky Bennett
Girl Most Likely to Succeed - Iona Clevenger
Boy Most Likely to Succeed - Harold Bob Bennett
Class Favorites:
Senior - Jimmy Allensworth, Bobbie Ethridge
Junior - Jerry Heller, Pam Shive
Sophomore - Donnie Shive, Roni Cox
Freshman - Johnny Ethridge, Dee Clevenger

The teachers also elected the following:
Best Citizens - Joe Quiroz and Rebecca Futrell
Who's Who in HHS
Seniors - Joe Quiroz and Iona Clevenger
Juniors - Harold Bob Bennett and Pam Shive
Sophomores - Donnie Shive and Becky King
Freshmen - David Guzman and David Bass
Congratulations to all these people.

The Seniors (if you haven't noticed) are showing off their "BEE-YOU-TEE-FULL" windbreakers. (You can't tell we are Seniors!) The windbreakers are tattooed with HART SENIORS '69 in their chosen color of light blue. Shine Seniors - Shine.

The annual Halloween Carnival was held last night. We'll have more info next week.
ONLY 55 DAYS TIL CHRISTMAS!

The FTA met Tuesday noon for the purpose of electing a new vice-president.

The officers of FTA will travel to Amarillo Tuesday for the District Convention. We hope they will represent themselves in a way to show they are proud to be from Hart.

RHYME TIME

Some of Mrs. Myers tough English kids have written some

lovely nursery rhymes. Here are a few:

THE LITTLE BROWN DOG

The little brown dog
Stepped on a frog
And it squirted him in the eye
"Oh no!" said the dog
When he stepped on the frog,
"I've got to go home and dry."

TUCKER'S PIG

Tucker had a little pig,
It's hair at night would glow.
And everywhere that Tucker went
That pig was sure to go.

WHEN YOU ARE SICK

When you are sick
You take a pill,
And then you take some water.
You wear a frown
And lay around.
And hope to feel better after.

SMOKIN' JACK

Little Jack Horner
Sat in a corner,
While smoking a cancer stick.
He sucked in a puff
And thought he was tough
And said "That gives me quite a kick."

SUNDAY GUESTS

Mr. and Mrs. Elmer Grinstead of Lubbock and Mr. and Mrs. John Smith and son of Plainview and Jerry Smith enjoyed Sunday dinner in the home of Mr. and Mrs. F. A. Cannon.

SUNDAY GUESTS

Mr. and Mrs. Everett Cole, Gary and Carolyn spent Sunday visiting in Plainview with their son, Mr. and Mrs. Gene Davis and family. The Cole's daughter, Mr. and Mrs. Danny Richardson of Post were also visitors in the Davis home.

Texas State Teacher's Ass'n, Urges OK Of Amendment

Passage of Amendment #9 in the November general election was today urged by Charles H. Tennyson, Executive Secretary for the 123,000 member Texas State Teachers Association.

Tennyson described Amendment #9 as "vital both for attracting new and promising individuals into the profession, and for holding those experienced Texas teachers who find themselves discouraged by a retirement program which needs updating."

If passed, Amendment #9 would make it possible for each teacher in the state to contribute to the Teacher Retirement System on the basis of his full salary.

At present, and for the 31 years the system has been in existence, there have been constitutional limits on the salary which could be used as the basis for a teacher contributing toward retirement. The retirement system for other State of Texas employees does not have any such limitation. A constitutional amendment re-

VISIT DAUGHTERS

Mr. and Mrs. V. E. Bearden returned home Saturday after spending a few days at Burlington, Colo. visiting their daughter Mr. and Mrs. Neil Wall and family. The Bearden family came home through Sunray where they visited another daughter Mr. and Mrs. D. N. Gamblin and family.

VISIT RELATIVES

Mr. and Mrs. Lester Lancaster and Dianne visited Friday night in Midland with her sister, Mr. and Mrs. Russell Smith. Saturday they went on to Van Horn where they visited their son, Mr. and Mrs. Roger Lancaster.

Texas Democrats For Nixon Appoint Lock Chairman

Former Gov. Allan Shivers, chairman of the National Committee of Democrats for Nixon, has announced the appointment of Otis Lock of Lufkin as chairman of the Texas Democrats for Nixon.

Lock served in the Texas House of Representatives from 1939 to 1949 and in the Texas Senate from 1949 until he left the legislature in 1959.

"Senator Lock has a long record of faithful public service in our State Legislature, and several state organizations as well. His credentials as a working Democrat are well earned," Shivers said. "I feel sure that under his able leadership there will be formed an excellent committee of other distinguished Democrats to further the candidacy of Richard Nixon in Texas."

At an Austin press conference, Lock said he was "pleased and enthusiastic" over the appointment.

"As a Democrat, I have always supported the Democratic ticket at the state and local levels, and will do so on November 5," he said. "I did not vote the Democratic national ticket in 1952, 1956 and 1960. It is more than a coincidence that those were the years Nixon was on the Republican ticket," he said.

"Among the 1968 candidates for President," he said, "Nixon alone has a consistent record of

moved limitations for them several years ago.

"It's now been 12 years since a constitutional amendment raised the ceiling in the Teacher Retirement System. We can't keep upgrading Texas education if we have to wait half a generation between adjusting our teacher retirement system to economic changes. Eliminating the ceiling concept entirely will put Texas back in the race for getting and keeping the kind of teachers we want for our children," concluded Tennyson.

GOOD NEIGHBORS

The Good Neighbors Club will meet Tuesday Nov. 5 in the home of Mrs. Kenneth Lambert for an all day meeting. A covered dish luncheon will be served.

WEEKEND VISIT

Mr. and Mrs. Miles Cox and Mrs. T. B. Cox visited over the weekend with Mr. and Mrs. Bob Minor at their ranch near Santa Rosa, N. M.

DEER HUNTING

Loyce Warren of Dallas and Fred Hamm were in Colorado deer hunting last week. Mrs. Hamm spent the week visiting her daughters, Mr. and Mrs. Gerald Coffey and Mr. and Mrs. W. P. Holland of Amherst.

WEEKEND GUESTS

Weekend guests in the home of Mr. and Mrs. Claude Ray were her parents, Mr. and Mrs. W. F. Ellis of Little Rock, Ark.; her sister, Mrs. J. P. Grey and Preston; Mrs. David McEever and baby of Odessa; their son Clifford Ray of Okmulgee, Okla. and Miss Diana Malone of Olton.

speaking out for, and supporting, the national goals favored by most Texans," he said.

"I believe, and I'm sure that a great many other Texas Democrats believe, that party politics is not the answer in 1968--and that Nixon provides the best answers to our most serious questions, including internal frustration, a revival of American prestige in foreign affairs, and inflation," he said.

The Democrats for Nixon state headquarters office has been set up in Room 708 of the Commodore Perry Hotel in Austin.
