Guterrez Family Injured In Mishap

A traffic mishap Saturday evening about 6:35 seriously injured two members of the Ted Guterrez family. Those injured were his wife, Victoria, 37, and daughter Yolanda, eight years old. Mr. and Mrs. Guterrez and children were the occupants of a station wagon when the accident occurred at the "Y" where U. S. 87 joins the business route south of Plainview.

Mrs. Guterrez and daughter were treated at Plainview Hospital and

transferred to the Lubbock Methodist Hospital.

Yolanda was listed in satisfactory condition Wednesday night. She suffered a bruised thigh and a concussion.

Mrs. Guterrez is in intensive care and her condition is listed as critical. She suffered broken thighs, and a broken hip and chest injuries.

Monty Reaves, 18, 2001 W. 11th, an occupant of a pickup truck was taken to Plainview Hospital.

Sylvia Guterrez, 10-months, also was admitted at Plainview Hospital. Treated and released were Ted Guterrez, Carmen Guterrez, 14, Mickey Guterrez, 4, and Delores Guterrez, seven.

Commissioner's Court Sets Courthouse Bond Election

Commissioners court voted last week to call a \$250,000 bond election to double the size of the Castro County Courthouse.

April 19 is the date set for the election which asks county voters to decide whether to issue up to a quarter million dollars' worth of 20-year bonds.

Bonds would bear an interest rate "not to exceed the maximum prescribed by law at the time of issuance."

County Judge Raymond Wilson explained some of the more important needs for increasing the present 17,900 square feet of courthouse space.

"Our jail doesn't comply with the state minimum requirements," he said. He pointed out the lack of facilities for women or juvenile offenders.

Other needs include sep-

arate offices for the county agent and county home demonstration agent; office space for the district judge and district attorney; larger jury room; and additional rest room facilities for jury room.

At present the county is paying rent on three outside

offices - the veteran's service office, Texas Employment Commission office and Office of Economic Opportunity.

More space would also be available for the library with the addition of an outside door.

Local Woman Named Officer In Bi-County PTA

Castro - Swisher Bi-County PTA Council met Tuesday morning in Dimmitt. Presiding was Mrs. Melvyn Gibbons, president.

Mrs. Don Sumucer of Dimmitt was elected vice-president and Mrs. Ben Kennedy of Hart was named secretary.

Announcement was made of the District Spring Con-

ference to be held April 28 in Dumas.

A school of information is planned for the next council meeting which is slated for May 7th in Hart.

Guest speaker for the meeting Tuesday was Wolfgang Bouchardt, foreign exchange student, who spoke on his native country, Germany.

Stevens Named New Manager Of Co-Op Gin

Announcement was made this week of the appointment of C. W. Stevens as manager of Hart Producers Co-op Gin. He replaces Ike Bennett who resigned and moved to Lubbock last month.

They are members of the Church of Christ. The couple has two married sons who are with the Lubbock police force.

Stevens and his wife moved to Hart last week from Tahoka. He has approximately 30 years experience in the ginning business.

Election Set For Saturday

Hart residents will go to the polls Saturday to name a mayor and two city councilmen. Four places are also to be filled in the school trustee election.

Incumbent mayor, E. E. Foster, is unopposed on the ballot. Buster Aven is seeking re-election to the council and is joined on the ballot by Tom McLain.

Candidates for the positions on the school board are Vernon Mapp, W. T. King, Bill Rich, Preston Upshaw, Deryl Clevenger, and Dwight Miller.

Inspection Deadline Less Than Two Weeks Away

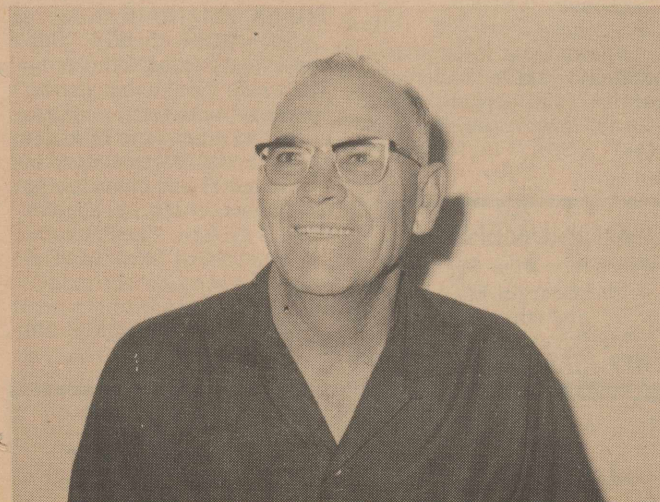

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, today reminded Texas motorists that less than two weeks remain until the state motor vehicle inspection deadline.

State law requires that cars, trucks, and certain trailers be inspected at an approved inspection station, and that a current inspection sticker be displayed in the lower right-hand corner of the windshield by midnight, April 15. The fee for the inspection is \$1.75, plus charges made by the inspection station for mechanical adjustments, if any.

The required inspection procedure requires that mechanics check a vehicle's brakes, lights, rims and wheels, horns and warning devices, windshield wipers, mirrors, steering, and front seat belts in vehicles where seat belt anchorages were part of the manufacturer's original equipment.

Speir urged motorists to get the inspection soon to avoid long lines which will develop at inspection stations as the April 15 deadline approaches.

There are 5,466 licensed inspection stations, located throughout the state.

The TASC State Convention adjourned at 10:30 a.m. Saturday morning after a three day meet. Hart Student delegates attending the meeting were president-Iona Clevenger; vice-president- Pam Shive; and secretary-treasurer - Bill Bledsoe. Delegate at large was Andy Rogers and Mr. Weldon Bates, sponsor, attended. While in Amarillo, the delegates were guests of Dr. and Mrs. Richard Chastain and their daughter Sandra.

The first general session opened at 7:30 p. m. Thursday in the new civic center with Marilyn Reuping, TASC president, presiding. Welcomes, responses, and announcements were given, immediately following the session a group mixer was held for the convention's 3,500 delegates.

Convening at 8:30 a. m. Friday morning, the second general session was presided over by Miss Reuping. The address was given by Earl Reum of Denver, Colorado. An international panel, composed of AFS students from Laos, Brazil, Thailand, South Africa, Switzerland, Holland, France, Sweden, Australia, Cambodia, Ceylon, and Belgium, gave their ideas of the United States ways and customs.

The afternoon was filled with discussion groups, and buzz sessions. Highlight of the afternoon was a spirited political rally held by the candidate schools running for office.

To end Friday's activities, a dance was held in the Exhibition Hall of the Civic Center. The band playing was the DOA from Lubbock.

The last general session opened Saturday morning with the speaker, Delbert Downing, giving the address. State officers, all from Topo-Texas District, elected were president - Pampa; vice-president - Plainview; Parliamentarian- Monterey High, Lubbock.

ONE-ACT PLAY COMPETITION

The one-act play, "Recognition Scene from 'Anastasia'" placed third recently at district competition at Littlefield, after returning the week before with a first in sub-district and with Rebecca Futrell winning Best Actress Honors and Iona Clevenger making the All Star Cast. The other winning play in Turkey was "I'm a Fool" given by Cotton Center High School.

In District competition at Littlefield, Three-Way High School's production of "Death of a Hired Man" took first place honors and Smyer's production of "The Fire Never Dies" took second. Named to the All Star Cast from Hart was Iona Clevenger.

Congratulations goes out to the other members of the cast. They are Harold Bennett, Carol Miller, and Bonnie Seymour.

District 4-B Girls' Volleyball Meet was held Monday in Spade. Hart met with Spade, only to play a more lax form of "Power Volleyball" than the HHS'ers were used to. Spade won the first two games to eliminate Hart from competition.

College Grants Offered 4-H Members In Forestry Or Biological Sciences

High school June graduates who plan to study forestry, plant or biological sciences in college may have a chance for a scholarship if they are or were 4-H Club members.

Four \$1,600 scholarships will be awarded to students majoring or minoring in forestry. The grants will be provided by Homelite, a division of Textron Inc. Candidates must have completed at least three years of 4-H work and be enrolled in their freshman year at an accredited college in the Fall of 1969.

Two \$800 crop protection-crop production scholarships will be offered by Chevron Chemical Com-

pany - Ortho Division, to students with a major or minor in the plant or biological sciences.

Applicants for the \$800 scholarships must have completed one year of 4-H work and be a college freshman this Fall.

Both Homelite and Chevron Chemical have provided 4-H scholarships for 13 straight years, through the 4-H scholarship fund program arranged by the National 4-H Service Committee, Chicago.

Scholarship applications should be submitted to the State 4-H Office, High School grade transcripts must accompany the application.

Final judging of scho-

lastic and 4-H records will be done by a committee of extension personnel meeting in Chicago early in November. Winners will be announced during the National 4-H Congress held there November 30-December 4.

For further details, contact the State 4-H Leader or the 4-H Office of the County Extension Service.

Today's Furniture Designs Offer Imaginative Surprises

Today's imaginative designers frequently tuck away a little surprise in furniture that makes it useful and a delight to own, and that adds excitement to furniture shopping.

Mrs. Jane Berry, Extension housing and furniture specialist, suggests consumers look closely for these specials. She gives a few examples.

One manufacturer has adapted the design of a London writing table to make an octagonal lamp or end table. There are the lift-lid openings that concealed the writing compartment in the original piece, but now hide

a divided well lined with gold velvet.

It is an unsuspected place to hide jewels and keepsakes, notes Mrs. Berry. The table is available in either solid wild black cherry or in solid mahogany at a cost less than \$160.

Ever heard of a rafraichissoir? A Holland, Michigan furniture manufacturer has an original in its museum which was used in France in the 18th century.

A rafraichissoir is a small table once used to chill wines in the dining room. The top pulls forward to reveal metal liners which keep wine cold or hold plants. Lower shelves may be used to store glasses and other items. A small drawer at the top holds bottle opener and other tools. A portion of the top is raised and it is leather lined.

The reproduction sells

for around \$420, according to the Texas A&M specialist.

Career girls, hobby enthusiasts, bachelors or college students will find many uses for a combination bookcase and table which one company recently introduced.

The maple table slides out to make a 68-inch surface for dining, homework, sewing, games, using the four lower shelves of the bookcase for leaves.

A moveable library book stand is another innovation Mrs. Berry reports on. It's concealed casters enables the student or author to move the stand. The top raises to hold a dictionary or reference book in open position and there are shelves for additional books. The moveable stand is crafted in a dark-toned maple and sells for around \$130.

Mr. and Mrs. Furche Riley returned home after spending a week visiting their daughter, Mr. and Mrs. Jimmy Herring and family at Stanton, Calif.

ANCIENT ALLOY

Although natural alloys containing nickel were worked into tools, weapons and other implements more than 5,000 years ago, it was not until 1751 that the metal was identified and isolated as a separate element.

SOPHOMORE CLASS FAVORITES---Donnie Shive and Roni Cox were selected as sophomore class favorites earlier in the school year.

JUNIOR CLASS FAVORITES--Pam Shive and Jerry Heller were honored earlier this year by being named as class favorites.

Too Many Vitamins Can Be Dangerous

-- Is a vitamin a day insurance of good health? Not necessarily.

Vitamins are needed for good health, but excessive amounts can be dangerous. When daily food intake is adequate, Frances Reasonover, Extension nutritionist, says you don't need to take vitamin pills.

Individuals differ in the amounts and types of vitamins needed and doctor can prescribe the type to suit individual needs. The Texas A&M University specialist advises seeing a physician if you feel you need vitamins.

Excess amounts of Vitamins B and C are easily disposed of by the body without harm. However, too much Vitamins A and D can be dangerous because the body has no way of getting rid of excess.

Good food sources of Vit-

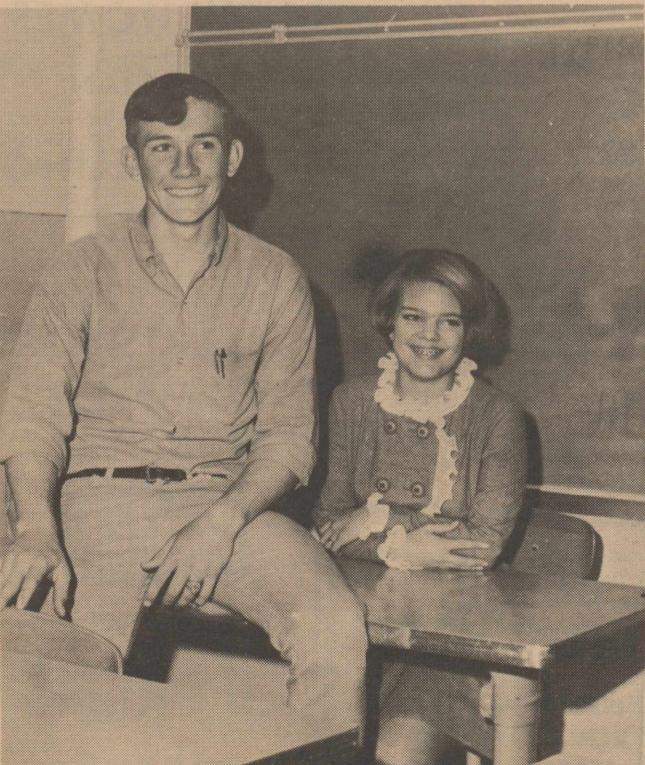

amin A are liver, egg yolk, dark green and yellow vegetables, deep yellow fruits, whole milk, cheddar-type cheese and ice cream. Miss Reasonover notes that most people do not get enough Vitamin A.

Symptoms of excessive intakes of Vitamin A include fatigue, abdominal discomfort, bone and joint pain, loss of body hair, headaches and yellowing of skin.

Excessive Vitamin D leads to nausea, frequent urination and diarrhea. It can also cause weakness and depression, explains Miss Reasonover.

Foods high in Vitamin D are fish liver oils, egg yolks, liver and milk fortified with Vitamin D.

A well-balanced diet is the best insurance for good health, emphasizes the Extension specialist.

FRESHMEN CLASS FAVORITES--Dee Clevenger and Johnny Ethridge were chosen earlier this year as the favorites of their freshman class.

FACTS ABOUT THE ARMY

Did you know
--That the Army has approximately 291 education centers on Army installations around the world so that men and women in the service can take high school, college and vocational courses? Twenty of these centers are located in Vietnam.
--That the Veterans Administration has authorized an increase in the maximum guarantee of GI home loans from \$7,500 to \$12,500?
--That most Army posts have athletic facilities that rival those of the finest country clubs? Indoor and outdoor swimming pools, fully equipped gymnasiums, stadiums and golf courses are present at almost every location where servicemen and women are stationed.

KITCHEN KORNER

BY LELA GALLION

School children every-where are now counting the days.

Tuesday when I was at the school I overheard one say that there are only 27 days left of school this year.

This coming Sunday will be Easter with families get-ting together for the week-end. Hope all of you have a very nice Easter and if you are out on the highways, be watching out for the other drivers as well as your own driving so you will be with us again next week.

It is said you can tell how much the driver cares for those in the car with him by the way he drives. Think about it.

I have some pretty salads for your Easter dinner.

LAYERED ORANGE TREAT

- 2 pkgs. of orange Jello (3 oz.) each
- 2 c. boiling water
- 1 pt. orange sherbert
- 1 small can mandarin orange sections (cut up)

Dissolve 1 package of orange Jello in 1 cup boiling water. Blend in sherbert; pour into mold and freeze until firm.

Dissolve remaining package of Jello in 1 cup boiling water, drain orange sections measuring syrup. Add cold water to make 1 cup. Add syrup mixture and orange sections to Jello mixture. Pour over frozen mixture and let chill until firm.

You may substitute lime Jello, lime sherbert and

white grapes for a green salad or if that combination suits your taste better.

BEET SALAD

- 1 can diced pickled beets
- 1 3-oz. pkg. lemon Jello
- 3/4 tsp. salt
- 1 c. boiling water
- dash pepper
- 1 1/2 tsp. horseradish (optional)
- 2 tsp. grated onion
- 3/4 c. diced celery

Drain beets, measuring liquid; add water to make 1 cup.

Dissolve Jello and salt in 1 cup boiling water. Add beet liquid, pepper, horse-radish and onion. Chill until quite thick but not set. Fold in beets and celery. Pour into mold and chill until set. Un-mold on plate which has let-tuce leaves arranged around the edges.

This is a very good relish type salad that will accom-pany any meat and especially ham or chicken.

Barbara Davis Is TOPS Queen

Barbara Davis was de-clared Queen for the week with Fae Cockran named Queen of the Month at the regular meeting Monday evening of the Hart of Texas TOPS Club.

Mrs. Davis received a grab bag gift and Mrs. Cock-ran was presented a check for a hair set.

Financial Facts

By Willis A. Hawkins, Jr.

There are several ways to detect counterfeit bills. First, learn what portraits are displayed on various bills. Always remember that: Washington is on one dollar bills; Jefferson on twos; Lincoln on fives; Hamilton on tens; Jackson on twenties; Grant of fifties; Franklin on one hundreds; McKinley on five hun-dreds; Cleveland on one thousands; Madison on five thousands; and Chase on ten-thousand dollar bills.

On all genuine bills the printing must be perfect. Counterfeiters invariably get tripped up by poor reproductions. The portrait may be flat and spotty, the back-ground smudged and dark, while fine lines of the border are not distinct.

On a genuine bill the saw-tooth points around the treasury seal rim are sharp

and even while the counterfeit shows ir-regularities.

Moments OF Meditation

C. T. Cunningham, Pastor of The First Baptist Church

They took Jesus away. As they went, they met a man named Simon, from Cyrene, who was coming into the city from the country. They seized him, put the cross on him and made him carry it behind Jesus.

They took two others also, both of them criminals, to be put to death with Jesus. When they came to the place called "The Skull," they nailed Jesus to the cross there, and the two criminals, one on his right and one on his left.

Jesus said, "Forgive them, Father! They don't know what they are doing."

They divided his clothes among themselves by throwing dice. The people stood there watching, while the Jewish leaders made fun of him, saying "He saved others; let him save himself, if he is the Messiah whom God has chosen!"

The soldiers also made fun of him; they came up to him and offered him wine, and said, "Save yourself, if you are the king of the Jews!" These words were written above him: "This is the King of the Jews."

One of the criminals hanging there threw insults at him: "Aren't you the Messiah? Save yourself and us!"

The other one, however, rebuked him, saying, "Don't you fear God? Here we are all under the same sentence. Ours, however, is only right, for we are getting what we deserve for what we did; but he has done no wrong."

And he said to Jesus, "Remember me, Jesus when you come as King!" Jesus said to him, "I tell you this: today you will be in Paradise with me."

It was about twelve o'clock when the sun stopped shining and darkness covered the whole country until three o'clock; and the curtain hanging in the Temple was torn in two. Jesus cried out in a loud voice, "Father! In your hands I place my spirit!" He said this and died. The army officer saw what had happened, and he praised God, saying, "Certainly he was a good man!"

There was a man named Joseph, from the Jewish town of Arimathea. He was a good and honorable man, and waited for the coming to the Kingdom of God. Although a member of the Council, he had not agreed with their decision and action.

He went into the presence of Pilate and asked for the body of Jesus. Then he took

the body down, wrapped it in a linen sheet, and placed it in a grave which had been dug out of the rock - a grave which had never been used. It was Friday, and the Sabbath was about to begin.

Very early on Sunday morning the women went to the grave carrying the spices they had prepared. They found the stone rolled away from the entrance to the grave, so they went on in; but they did not find the body of the Lord Jesus.

They stood there uncertain about this, when suddenly two men in bright shining clothes stood by them: "Why are you looking among the dead for one who is alive? He is not here; he is risen. Remember what he said to you while he was in Galilee: 'The Son of Man must be handed over to sinful men, be nailed to the cross and be raised to life on the third day.'"

Then the women remembered his words, returned from the grave, and told all these things to the eleven disciples and all the rest. The women were Mary Magdalene, Joanna and Mary the mother of James; they and the other women with them told these things to the apostles. But the apostles thought that what the women said was nonsense, and did not believe them. But Peter got up and ran to the grave; he bent down and saw the grave cloths and nothing else. Then he went back home wondering at what had happened.

"The Lord is risen indeed! Simon has seen him!" The two then explained to them what had happened on the road, and how they had recognized the Lord when he broke the bread.

While they were telling them this, suddenly the Lord himself stood among them and said to them, "Peace be with you."

LONG ON PROFIT

G-4697 is a medium maturity high-yielding, strong-standing hybrid producing grain of excellent quality. Yields of 179.5, 175, 154, and 143 bushels per acre have been recorded in 1968 in Castro county. G-4697 produces uniform wide leaves and girthy ears. Excellent threshability is reported. Plant early for highest yields and superior standability.

G-4333 is a short season high-yielding, strong-standing, single cross which established top yield records in 1968. At Tulia 185 bushels per acre was chalked up and 147 bushels per acre made at Dimmitt. G-4333 is very attractive with uniform stalk and ear height. It responds to higher plant population and narrow rows where fertility and water make top yields possible and does unusually well under average conditions. G-4333 has out-yielded competitors in this early maturing category. Be sure to plant G-4333 in 1969.

G-711AA is a full season high tonnage silage hybrid with good grain content. G-711AA was the highest yielding corn silage hybrid in the High Plains Research Foundation tests at Halfway, with 30.05 tons per acre at 70% moisture. G-711AA tends to have higher protein content than many hybrids. This well known top yielding silage hybrid with many 30 ton yields to its credit is hard to beat. If you are planting for silage you should be planting G-711AA.

Easter Seal Society Aids Handicapped

Castro County's Easter Seal Representative reported today that the 1969 Easter Seal Appeal for the Easter Seal Society for Crippled Children and Adults of Texas is going well. Mrs. Walter Maynard serves as Easter Seal Appeal treasurer for Castro County.

The 1969 Easter Seal Appeal will help finance the Easter Seal Society's rehabilitation program for children and adults in Texas. Last year the Society helped 17,622 disabled persons through its program of assistance in finding and making effective use of services for the disabled and their families.

The Easter Seal Society helps support 21 treatment facilities in Texas where children and adults are treated regardless of ability to pay. These centers offer physical therapy, medical diagnosis, speech and hearing programs and related services to help the disabled build happier and more useful lives.

As Easter Seal Representative, Mrs. Maynard is the person to contact for services from the Easter Seal Society. She can be con-

When contacted for services, Mrs. Maynard will request the Easter Seal Society to investigate the needs of the disabled person and will ask that the Society advise the handicapped person of the best resources available to help him.

Mrs. Maynard added that additional contributions to the Easter Seal Appeal should be sent her as soon as possible, as the 1969 Appeal ends Easter Sunday, April 6, 1969.

According To IRS

Payment of Federal taxes on gifts is due April 15, the same day income taxes must be paid, Ellis Campbell, Jr., District Director of Internal Revenue for Northern Texas, said.

Taxpayers who made gifts during calendar year 1968, or are planning to make gifts in the future, will find answers to many of their gift tax questions in IRS Publication 448, "A Guide to Federal Estate and Gift Taxation."

The Guide summarizes important Federal estate and gift tax laws. It also explains both types of tax and the requirements for filing returns and paying these taxes.

Campbell said that the part on estate taxation will be very helpful to taxpayers whose estates may be subject to Federal estate tax and want to make the most beneficial provisions for their heirs.

The booklet may be purchased for 25 cents a copy from the District Director of Internal Revenue or from the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C. 20402.
