Weinert Homecoming Festivities Slated

Weinert School's bi-yearly homecoming celebration has been set for Friday and Saturday, October 3-4, and a large crowd of ex-students is expected for the football game and other festivities.

The Bulldog cheerleaders are taking orders this week for homecoming mums. Four types are available. Orders should be placed with any of the cheerleaders, Tina Herricks, Sonya Nixon, Tina Briscoe or Kelly Watkins, or their sponsor, Kerri Urbanczyk.

Candidates for homecoming queen are freshman Tina Herricks, sophomore Lupe Estrada, junior Laurie Hester and senior Stacia Adams.

NOMINATED FOR THE honor of Weinert homecoming queen are the young ladies pictured above. From left are Tina Herricks, freshman, daughter of Mr. and Mrs. Rex Herricks, Lupe Estrada, sophomore, daughter of Mr. and Mrs. Robert Estrada, Laurie Hester, junior, daughter of Mr. and Mrs. Jerry Hester, and Stacia Adams, senior, daughter of Mr. and Mrs. Elmer Adams. Homecoming at Weinert is set for October 3-4.

Argentine Visitor Tries To Locate Ancestors In Area

The Courier had a couple of interesting visitors last week, Carol Jones and Hans Schultz of the Estancia Nahuel Huapi near Bariloche, Argentina. They were in Munday to follow up on some information that Carol Jones' grandfather was born in this area.

Jarred August Jones, she said, was supposedly born or lived in Munday in the late 1800's. Around the turn of the century, he moved to Argentina where he bought large blocks of land in the southern part of the country and became one of the first settlers there. He was said to have returned to the United States after World War I and purchased three Ford cars at Detroit, the first cars brought to southern Argentina. Then he visited relatives in the Munday area and went back to Argentina, never to return to the land of his birth.

Carol Jones said her grandfather was extremely well-known in Argentina and that anyone named Jones in that country can be traced back to this man. She was quite dismayed to learn, upon arriving in the United States, that Jones is a very common name here and tracing her grandfather's American roots was going to be very difficult.

She said the lack of family records had prompted her to search for any information of Jarred Jones, who is buried on the family ranch. In addition to delivering the first cars to the area, her grandfather brought in the first quarter-horses and opened the first big general store in south Argentina, which had been largely unsettled after native Indian tribes were pushed over into Chile.

Bariloche, she told us, is now a popular tourist and resort area with a topography and climate much like that of Wyoming.

After returning home, she planned to visit elderly relatives in Buenos Aires to try and learn more concrete information about her ancestor, and then she said she would come back to Texas to resume her search here. She asked that anyone who might remember anything of her grandfather or shed some light on her quest write her at the following address:

Quaglia 268

Addition Made To Business Community

Kountry Kuts, located in the old Bud's Beauty Bar building, is the town's newest business. Owner Wilma Hogan, a newcomer to Munday, specializes in men's and women's cuts and styles.

Mrs. Hogan and her husband, Bud, who is manager of Riverside Terra, Inc., in Knox City, recently moved to Munday from Lamesa. They are living in the former Barry Therwanger residence south of town. The couple has two grown daughters and two grandchildren.

Mrs. Hogan said she has been styling hair for 25 years but did not receive her license until after her younger daughter graduated from high school. She chose to attend barber college to get a broader education in the field.

The Hogans have lived all over the country, she said, and don't think they've ever met any friendlier people than those right here in Munday. "Everyone has been so helpful and welcomed us with open arms," she said.

The shop is open 9 a.m. to 6 p.m. Tuesday through Friday and from 9 a.m. until noon on Saturdays.

Anyone who enjoys music is invited to the Munday Senior Citizens' monthly singing night set for 7 p.m. Thursday, September 25. Several out-of-town singers have been invited.

Singers and listeners are welcome.

Sub-Regional Council Of Governments Meeting Held Here

Representatives of several cities, counties and special districts were in Munday on Wednesday, September 17, for a luncheon meeting of the West Texas Council of Governments' sub-region III. Knox, Haskell, Kent, Stonewall and Throckmorton counties are included in the region.

The West Central Texas COG contains 19 counties, 48 cities, 53 school districts and 13 special districts. Brad Davis, executive director of WTCOG, presided over the business meeting.

Heads of various departments in the COG system explained their functions and how government cuts will affect their departments in the future. The aging service, which

Munday Throttles Wildcats

After a slow start in the first half, the Munday Moguls exploded for 20 points in the third quarter to take a 33-0 shutout victory over the host Archer City Wildcats in the third game of the 1986 grid season. The Moguls have now posted two wins and a tie, while the Wildcats have yet to win a game.

Archer City took the opening kickoff and began marching from their 14. Three first downs, aided by a Mogul penalty and a long run by Matt McLemore, took the Wildcats to midfield, where the drive stalled. J.B. Jones returned the ensuing punt to the Archer City 33, and three plays later Munday quarterback Anthony Stinnett tucked the ball under his arm and swept around the left end for 15 yards and the first score. The kick was unsuccessful, so Munday led 6-0 halfway through the first quarter.

The Wildcats were again able to make a little headway against the Mogul defense, but penalties pushed them back until they were forced to punt. Munday's forward progress took the ball to the Archer City 24, then it was the Moguls' turn to get flagged with a ten-yard penalty and the team came up short on fourth and nine.

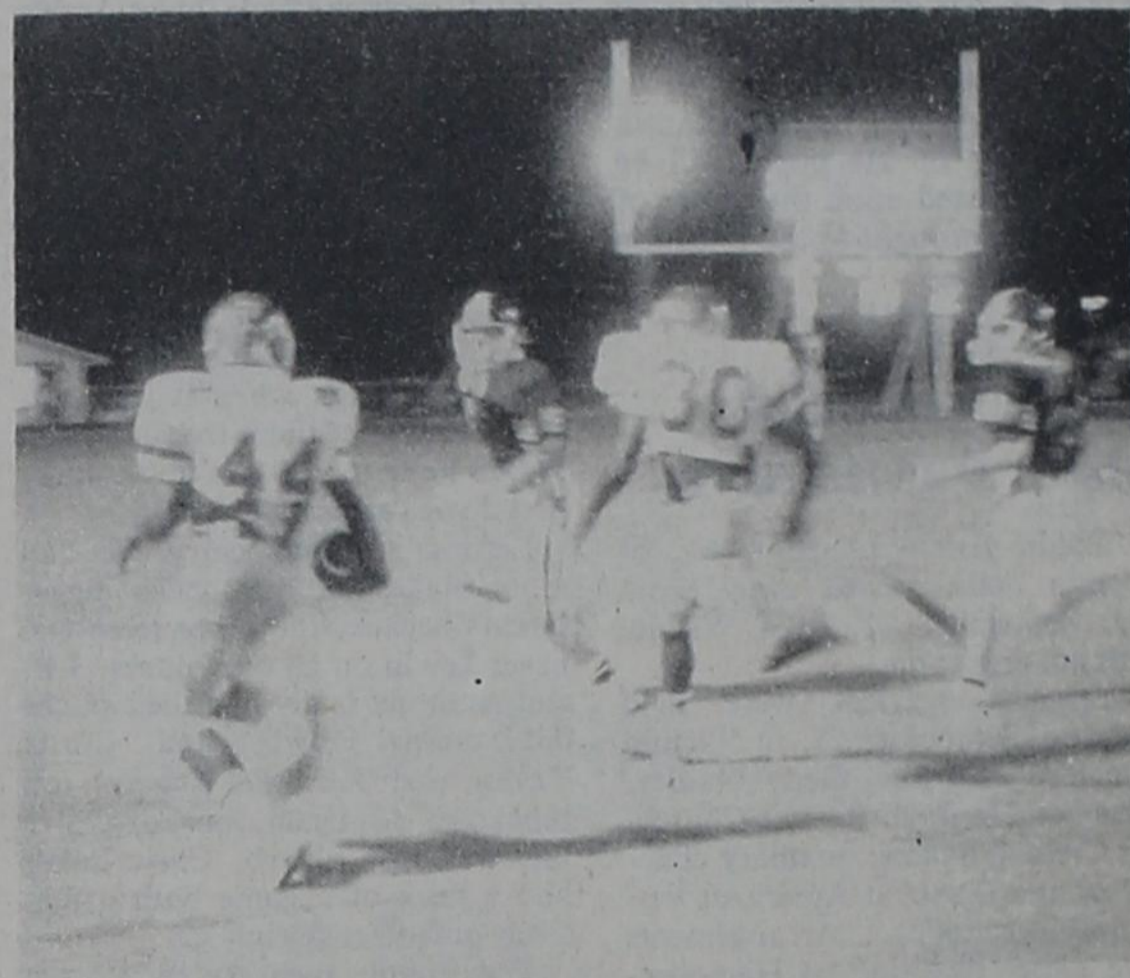

The Mogul defense came on strong on the next series, forcing Archer City to punt after three plays. It took Munday only two plays to find the end zone. J.B. Jones took the pitch from Stinnett and found running room on the left side of the line, taking it 49 yards for the score, then kicking the extra point. An exchange of punts followed, and the half ended with the score 13-0.

But it didn't take long for that score to change after intermission. Starting from scrimmage at the Mogul 16, Ricky Taylor ran for 12 yards and a first down, then Stinnett went around the left side again and raced 72 yards for six points. Archer City took the kickoff, moved 35 yards in ten plays and came up short on a fourth down gamble, and Munday had the ball again. A 19-yard run by Stinnett and a 14-yard pass to Jimmy Sosa kept their six-play march alive, and Jones did the scoring honors with a 24-yard scamper.

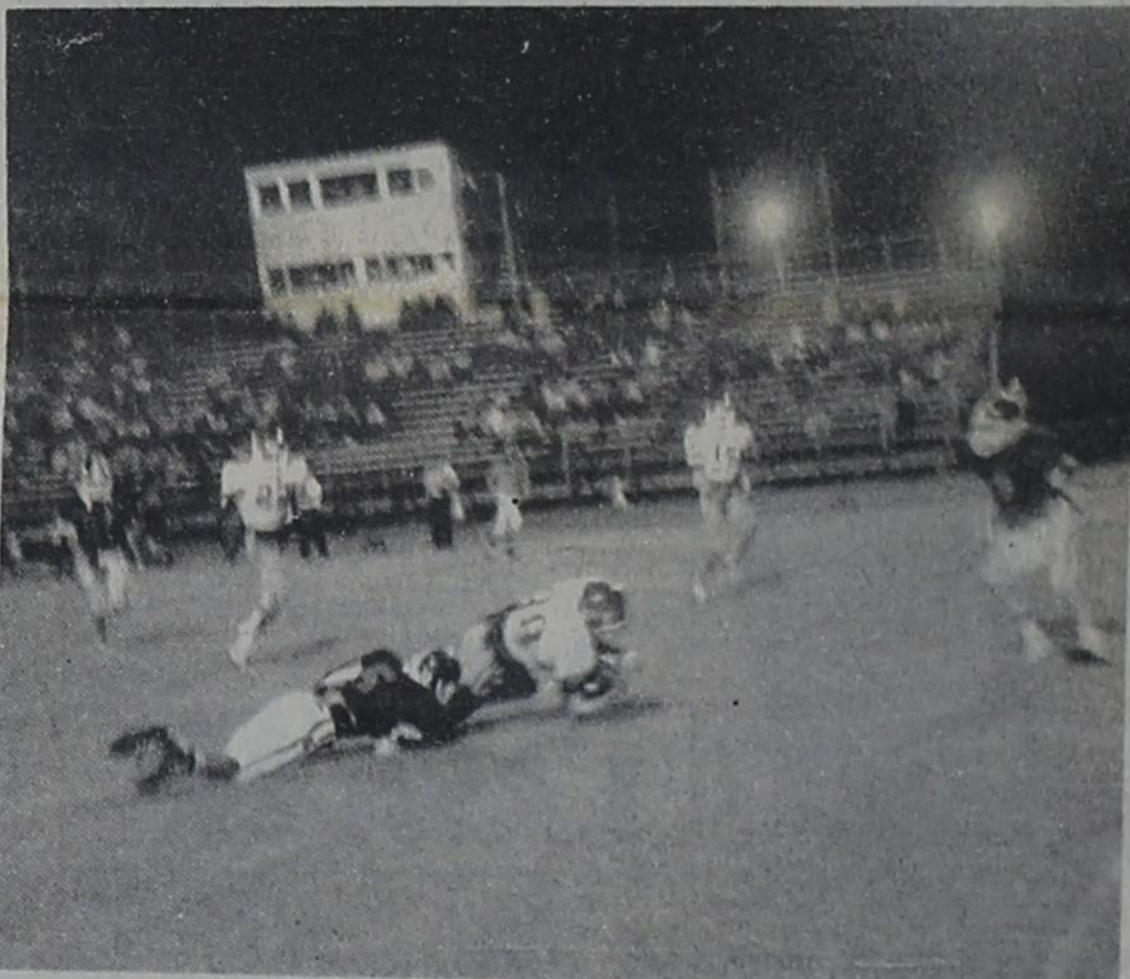

Curtis Taylor ran the ball in for the two-point conversion, making the score 27-0. Less than a minute later, the Moguls blitzed Wildcat quarterback Nicky McCorkle and John Paul Browning knocked the ball loose. It fell right into the hands of Munday, tackle Russell Reddell, who stepped off 34 yards for the final touchdown.

The Wildcats mounted one final drive in an effort to put some points on the scoreboard. But after marching 56 yards in eight plays, a tough Mogul defensive effort stopped McCorkle and fullback Jimmy Miller for no gain on third and fourth downs at the Munday seven yard line. Neither team was able to put any substantial yardage together for the remainder of the game.

Stinnett was the game's leading rusher with 135 yards on ten carries, followed by 107 yards on six carries by J.B. Jones, Jones, Trey Thompson, Jay Donoho and Jimmy Sosa

OUTTA MY WAY, WILDCATS! J.B. Jones, Number 44, takes the pitch from quarterback Anthony Stinnett, Number 30, and looks for running room on the left side of the Archer City line during the Mogul-Wildcat football game Friday night. Jones and Stinnett were the leading ball carriers for the Moguls, accounting for more than 200 yards and two touchdowns each. This shot was taken during the second quarter of the Moguls' 33-0 shutout win.

JIMMY SOSA, Number 88 on the ground, gathers in a pass as the Moguls drive for another score during the third quarter of their game with the Archer City Wildcats Friday night. This 14-yard throw was good for a first down in Wildcat territory, and the Moguls crossed the goal a couple of plays later. Munday posted its second win of the year with a 33-0 shutout of the Wildcats. The Moguls are in for a tough game this week as the Electra Tigers bring their 2-1 record to town.

all caught one pass each. The Moguls only had two more first downs than Archer City, but in the total yardage statistics, Munday had 366 and the Wildcats were held to 165.

All Munday fans who enjoy good football should be sure to attend this Friday night's game. The Electra Tigers will be in town for an 8 p.m. kickoff with the Moguls, and prognosticators say the Tigers will probably be the favorites. Congressman Boulter To Visit Knox City

Republican congressman Beau Boulter of Amarillo, who represents the 13th Congressional District of Texas in the U.S. House of Representatives, will attend a coffee scheduled for 12:15 p.m. Saturday, September 27, at the Knox County Aging Services Center in Knox City.

All area residents are urged to come meet and listen to Congressman Boulter during his brief visit in the county.

Munday EMT's Deserve Special Recognition

Perhaps no other factor is as important following a serious injury or sudden illness as the time it takes to begin medical treatment.

According to the Texas Department of Health (TDH), any delay between the onset of trauma and the start of competent treatment increases the severity of the emergency and can needlessly lead to disability or death of the victim. Also, studies show that as many as 25 percent of victims of accidents or sudden illness underestimate the seriousness of their situation—they do not recognize that an emergency exists.

Texas Commissioner of Health Dr. Robert Bernstein said, "It is always up to the victim or a witness to decide if an injury or illness is an emergency. But if there is any doubt, the victim should get medical help immediately." He added that the fastest way to receive medical attention is to call an emergency medical service (EMS).

"Thousands of Texans owe their lives and current health to EMS teams, which ensure speedy medical assistance and special transportation to trauma victims around the clock," Dr. Bernstein said.

To honor EMS personnel and the services they provide daily, Gov. Mark White has proclaimed September 21-27 Emergency Medical Service Week in Texas. The observance coincides with national EMS Week, sponsored by the American College of Emergency Physicians.

Munday is very fortunate to have the services of several well trained

and very competent emergency services personnel who volunteer for duty with the Munday Ambulance Service. By reading or listening to area news, local persons can easily understand how unusual it is for a small town to have ambulance personnel of the caliber of the Munday staff, and we at the Courier would like to take this opportunity to commend and thank them for their efforts.

Assisting Munday ambulance coordinator Bobby Hutchinson are Emergency Medical Technicians Jeanie Carden, Reba Redder, Pat Hutchinson, Mickie Hutchinson, Betty Hamilton, Mickey Jackson and Melvin Cypert. Also trained in emergency services procedures are Carol Cottingham, Sherry Baker and Pam Reed.

Our hats are off to all of you. Your services are vital to our community and you are greatly appreciated.

Screening Clinic Set For Thursday

An adult health risk assessment clinic has been set for Thursday, September 25, at the Munday Community Center, according to Patsy Smith, public health nurse for Knox County. This free screening clinic is planned from 10 a.m. to 2 p.m.

Screening tests for blood pressure, anemia and diabetes will be held. Persons whose test results are abnormal will be referred to the physician of their choice.

Local Resident's Sister Passes Away

Juanita Estell Johnson, 61, of Wichita Falls, passed away Monday, September 22, in a Wichita Falls nursing home.

Graveside services were held Tuesday, September 23, in Wichita Cemetery with Rev. Gerry Nunley, pastor of Heritage Baptist Church, and Clea Williams, auxiliary chaplain of the Disabled American Veterans, officiating. Arrangements were under direction of Hampton-Vaughan Funeral Home.

Born October 17, 1924, in White-wright, Texas, she was a member of the Baptist Church.

Survivors include her mother, Emma Davlin of Muskogee, Okla., three sisters, Opal Hendricks of Denton, Frances Riley of Hobbs, N.M., and Mary K. Pickins of Muskogee, Okla.; and three brothers, Richard Luster of Goree, Marvin Luster of Muskogee, and James Luster of Munday.

The first woman elected governor of a state was Nellie Taylor Ross of Wyoming, elected in 1925.

ART LAWLER

There was a domestic dispute in the area the other day. Things sort of got out of control.

He went for his gun and she started running for shelter. The closest place was an elementary school.

Even as she was being wheeled past the merry-go-round and see-saws to the ambulance, observers were criticizing her for endangering the lives of small children.

The woman probably figured if she ran into the school her husband would come to his senses.

She was wrong.

The man chased her into the building, shot her in the shoulder, then went back to the house and turned the gun on himself. Three shots to the chest would end his misery and drive home his final point.

But he was wrong, too.

After a couple of days on the critical list, he has now been upgraded to stable, the same as his wife.

Police say the wife is refusing to press charges, and it makes you wonder about a possible reconciliation. It's happened before under similar circumstances.

I know a woman with an explosive disposition who got angry at her boy friend for making fun of her driving one night.

She buried a knife two inches deep in his abdomen.

He didn't press charges, either. After he got out of the hospital, he just laid on her living room couch and made her feel guilty until he felt well enough to go back to work.

A few weeks later they got married, and recently they celebrated their first wedding anniversary.

He does seem to have a better idea now about when to back off.

Everyone doesn't feel compelled to resort to gunfire in order to settle things, of course. It only seems that way.

I used to have a friend whose wife emptied the cupboard periodically. Some of the dishes went straight to the floor. The ones that sailed better, like the plates, were sent spinning in the direction of his head. He only made things

quarterback Rodney Bell, a very talented athlete who has guided his team to two wins this season after an opening night loss to Frederick, Oklahoma.

This game will undoubtedly be the Moguls' toughest so far in the season and everyone is urged to come out and support the home team. Munday begins a series of three big games with the Electra contest, after which the team will travel to Seymour for a game with the state-ranked Panthers, then the district contests open with Munday hosting Rotan.

Coach Steele Comments

I felt we were a little flat at Archer City - the intensity was not what it should have been. But it is nice to know that you can be flat and still score 33 points to shut out your opponent.

Archer City really did a super job of blocking. We were proud of our defense; even though we gave up more first downs than we'd like, the boys held tough when it was necessary and kept them from scoring. We do hope to not give up so many first downs after this, though.

Letting Anthony carry the ball more makes all our backs bigger threats because the other team can never key in on all our runners. J.B. and Anthony really had their pitch-out timing down, and Curtis Taylor and J.B. did a good job blocking. As usual, our offensive line was just superb; Chris Baker had a heck of a game both offensively and defensively.

The fumble recovery by Russell Reddell was really a team effort - John Paul came in on the corner blitz and hit the quarterback from behind, knocking the ball loose and it just flew into Russell's chest. Curtis Taylor threw a key block to allow Russell to run it in.

We will have to play our best ball of the year by far to beat Electra. They play hard and have a lot of quickness. Their quarterback is as good an athlete as I've seen. He throws the ball a lot, but he can hurt you running just as fast as he can throwing. Our secondary has been prone to making mistakes in our past games, and if they make mis-

takes against Electra we will be in trouble.

The fact that Electra will be the favorite is to our advantage, as will the fact that we are playing at home. I'm sure glad we're not playing Electra and Seymour away. The next two games are going to test what kind of team we have both mentally and physically.

We will have no room for mental letdowns with these two big games, and we can't allow ourselves to make mistakes. I know Electra won't take us lightly, so we really have to be prepared. But we're not going to lay down and give them the game, so they better be ready for a tough battle. This is what we're here for - big time, high pressure football.

Jeff Bruce will work out with us for the first time this week, although the doctor has not released him to play yet. Lowell Hutchens is questionable for the Electra game with a nerve injury in his shoulder. Other than that, we just have some minor bumps and bruises that shouldn't bother us.

MEETING OFFERS FARMERS, FAMILIES

OPTIONS FOR BETTER FUTURE

Options to help agricultural producers and families of Knox County extend their income will be explained at the annual meeting Wednesday, October 1, of the Rolling Plains Economic Program.

The meeting will be in the Wilbarger County Auditorium, 2100 Yamparika St., Vernon. Registration will begin at 9 a.m. The meeting is free and preregistration isn't required, but persons planning to attend are asked to call the County Extension office.

In one of the two concurrent sessions beginning at 9:30 a.m., John Ireland, director of the education department of the Chicago Board of Trade, will discuss ways producers can make best use of futures and options markets.

In the other session, ways to supplement and extend family income will be explained by Nancy Granovsky, family economics specialist with the Texas Agricultural Extension Service, College Station.

In a concluding session, Delton Gerloff, Extension management economist at Vernon, will discuss what the Extension Service is doing and can do to expand the future for

the farm and family.
The Rolling Plains Economic Program is a regional organization

sponsored by the Texas Agricultural Extension Service to promote economic growth and development in a 30-county area. Jim Schur, Seymour agribusinessman, is R-PEP chairman. The Extension Service is an arm of the Texas A&M University System.

We would like to express our appreciation to our many friends and loyal customers who allowed us to serve them for over 30 years and who honored us so lovingly at our retirement party. We were touched by the good wishes we received from those who attended, sent letters or called during the reception.

You made our years of business pleasant and our first days of retirement ones of happy memories, and for that we thank you from the bottom of our hearts.

Rhineland Couple Celebrates Golden Wedding Anniversary

Mr. and Mrs. C.H. Herring of Rhineland celebrated their fiftieth wedding anniversary with a special Mass at St. Joseph's Catholic Church on Saturday, September 6. Father Bart Landwermeyer of Windhorst, former pastor of St. Joseph's, and Father Bob Strittmatter, present pastor, officiated at the ceremony, during which the Harrings renewed their wedding vows.

To conclude the ceremony, the honored couple held an anniversary candle from which each of their children lighted candles and in turn illuminated flames for their own spouses and children, signifying the strength of family unity and heri-

tage.

A buffet and reception was held at the Knights of Columbus Hall in Rhineland. A meal of brisket, ham and the trimmings was served to approximately 375 family members and guests. Granddaughters registered guests and served cake and punch.

Mrs. Herring's table was covered with mauve satin overlaid in pink lace and held a tiered anniversary cake accented in gold. Crystal appointments and candleholders, which were used in weddings of the Harrings' children and grandchildren, completed the table decor.

A grey cloth with an off-white overlay covered the groom's table. Brass candleholders decorated the table, and German chocolate cake and coffee were served from brass appointments.

Clarence Herring and Clara Jungman were married September 15, 1936, in Rhineland and have lived there since their marriage. He has been engaged in farming and is the local representative for Germania Farm Mutual Insurance. They have 11 children, 28 grandchildren and 15 great-grandchildren, all of whom were present except one granddaughter and her children. In addition, the couples' brothers and sisters from New Mexico, Tennessee and Arkansas, as well as from various points in Texas, were here for the occasion.

Hosts for the affair were their children, Shirley Holub of Wichita Falls, Janice Albus and Betty Albus, both of Knox City, Clarence Herring Jr., of Breckenridge, Glynda Bergus of Grapevine, Dwayne Herring of Amarillo, Jeanette Thewhanger of Lorenzo and Rickie Herring, Glenn Herring, Ray Herring and Kevin Herring, all of Munday.

Visiting Mr. and Mrs. Tommie Harper over the weekend was their granddaughter, Dawn Moeller, who is a student at Abilene Christian University. They all attended the Archer City-Munday football game last Friday night.

Visiting Mr. and Mrs. Earl McNeill last Saturday were her sister and husband, Mr. and Mrs. T.A. Miller of Arlington.

Eighth Grade And Junior Varsity Win

Munday football squads only lost one game out of four last week, as the eighth grade, junior varsity and varsity teams all posted victories against Knox City.

The seventh grade team, which according to Coach Bill Kingston is made up mostly of sixth graders, is still very inexperienced. Although they have not won a game this year, they are showing improvement and should start showing some strength when they have built their confidence and gained more playing experience.

The eighth grade team won its second game of the year Thursday. "They played very well in the first half," Coach Kingston said, "but let down quite a bit in the second half. That is because they are not in good physical shape yet."

The Mogul JV notched its first win against one loss. Kerry King and Marc Andrade scored for Munday. "This team played a good game," Coach Kingston commented. "They were very much improved from last week. We were real pleased with the efforts of our running backs, Kerry King, Donald Edrington, David Owens and Michael Waggoner, and Marc Andrade did an exceptional job of running the wishbone offense. Bryan Latham, Kent Sanders, Doug Tidwell, David Leija and Donald Edrington had good defensive games."

The freshman players who were very tentative at the beginning of the season have come a long way, Kingston concluded.

Junior high and junior varsity teams will play at Electra Thursday, September 25, with the first game beginning at 5:30 p.m.

KNOX CITY WINS BIG AT PETROLIA

The Knox City Greyhounds won their first game of the year with an overwhelming 78-20 victory over Petrolia. The Hounds scored 33 points in the third quarter to overcome a 20-14 Pirate lead and put the game out of reach.

Anthony Oudems led the Greyhounds with 210 yards on 18 carries and four touchdowns, two of which came on passes from David Gonzales. Also catching a scoring pass for Knox City was Brian Correll, and Trent Driver added 155 yards rushing on 18 carries and one touchdown. The Greyhounds amassed 705 total yards in the game and 33 first downs to Petrolia's six.

Scoring for Petrolia were Michael Askew and Nelson Broussard on runs and Bryan Pharris on a 64-yard pass from Broussard.

Area Teams Continue Road To District

TIGERS CLAW HASKELL INDIANS

With senior quarterback Rodney Bell at the helm, the defending Class AA state champion Electra Tigers roared past Haskell 34-13 at Tiger Stadium Friday night. Electra is now 2-1 on the year and Haskell drops to 0-2-1.

The Tigers scored twice in the first period, with Bell directing a nine-play drive on their first possession and tossing a six-yard pass to Greg Rice for the score. Haskell immediately fumbled the ball, and Electra sophomore Leonard Leviston controlled the second drive, running 31 yards for the touchdown.

On Haskell's second possession, quarterback Mark Young lost the snap and Electra recovered. Ten plays later, wingback Mark Graves found paydirt on a second and goal from the 20. The Indians finally came alive, scoring just before the half on a 44-yard bomb from Young to Johnny Castillo. On their first possession of the second half, Haskell super sophomore Stephen Brockington romped 65 yards through the heart of the Tiger defense to bring the game to within one touchdown.

But Bell intercepted a Young pass in Haskell territory and scored from six yards out, then hit Leviston with an eight-yard scoring pass on the next possession to ice things for the Tigers.

Electra will be in Munday this week to face the 2-0-1 Moguls.

IOWA PARK DEFENSE UPSETS SEYMOUR

A fourth quarter touchdown by Iowa Park guard Robert Adams broke up a scoreless defensive battle, and the Hawks went on to hold the Seymour Panthers for a 7-0 win in Seymour. The Panthers were rated sixth in Class AA after two big wins.

The Panthers started several drives, but were unable to complete any of them due to mistakes, turnovers and the Hawk defense, which has allowed only 13 points in three games. Seymour's Mark Peters ran for 115 yards on 26 carries, and Panthers Matt Stewart, Monty Worthington, Reed Slaggle, Mike Griffin, Greg Blankenship, Royce Woods and Joe Pribyla turned in stellar defensive performances.

Top defenders for Iowa Park were Dennis Phillips, Charlie Stamm, Wayne Oltman, David Meissner, Jeff Huff and Robert

Adams. Both teams lost several opportunities to score.

YELLOWHAMMERS BEAT SPUR

A quarterback sneak by Steve McLain and a 70-yard run by Brad Long put two fourth-quarter scores on the board for Rotan to seal a 35-19 victory over Spur Friday night. Rotan is unbeaten this season, and will face Munday in district competition.

After a scoreless first quarter, Vincente Ortega and Todd Gruber scored points for Rotan before half-time. Spur also put six points on the scoreboard in the second quarter, then added two touchdowns in the third to come within two points of tying the game.

But Long and McLain accounted for three second-half Rotan touchdowns to preserve the victory.

ROSCOE OUTSCORED BY RED DEVILS

The Rankin Red Devils scored once in each quarter and piled up 305 yards of offense to defeat Roscoe Friday night. The Plowboys drop to 1-2 for the year as Rankin moves to 2-1.

Rankin fullback Chris Beman put the Red Devils 12 points up before Roscoe got on the scoreboard on a nine-yard touchdown pass from Sammy Herrera to Lee McFaul. Rankin's defense blanked Roscoe the rest of the night, and the Red Devils added points on a 30-yard run by Doug Braden and a 33-yard pass from Bruce Hooker to Ray Salinas.

Weinert Bulldogs Get Second Blowout

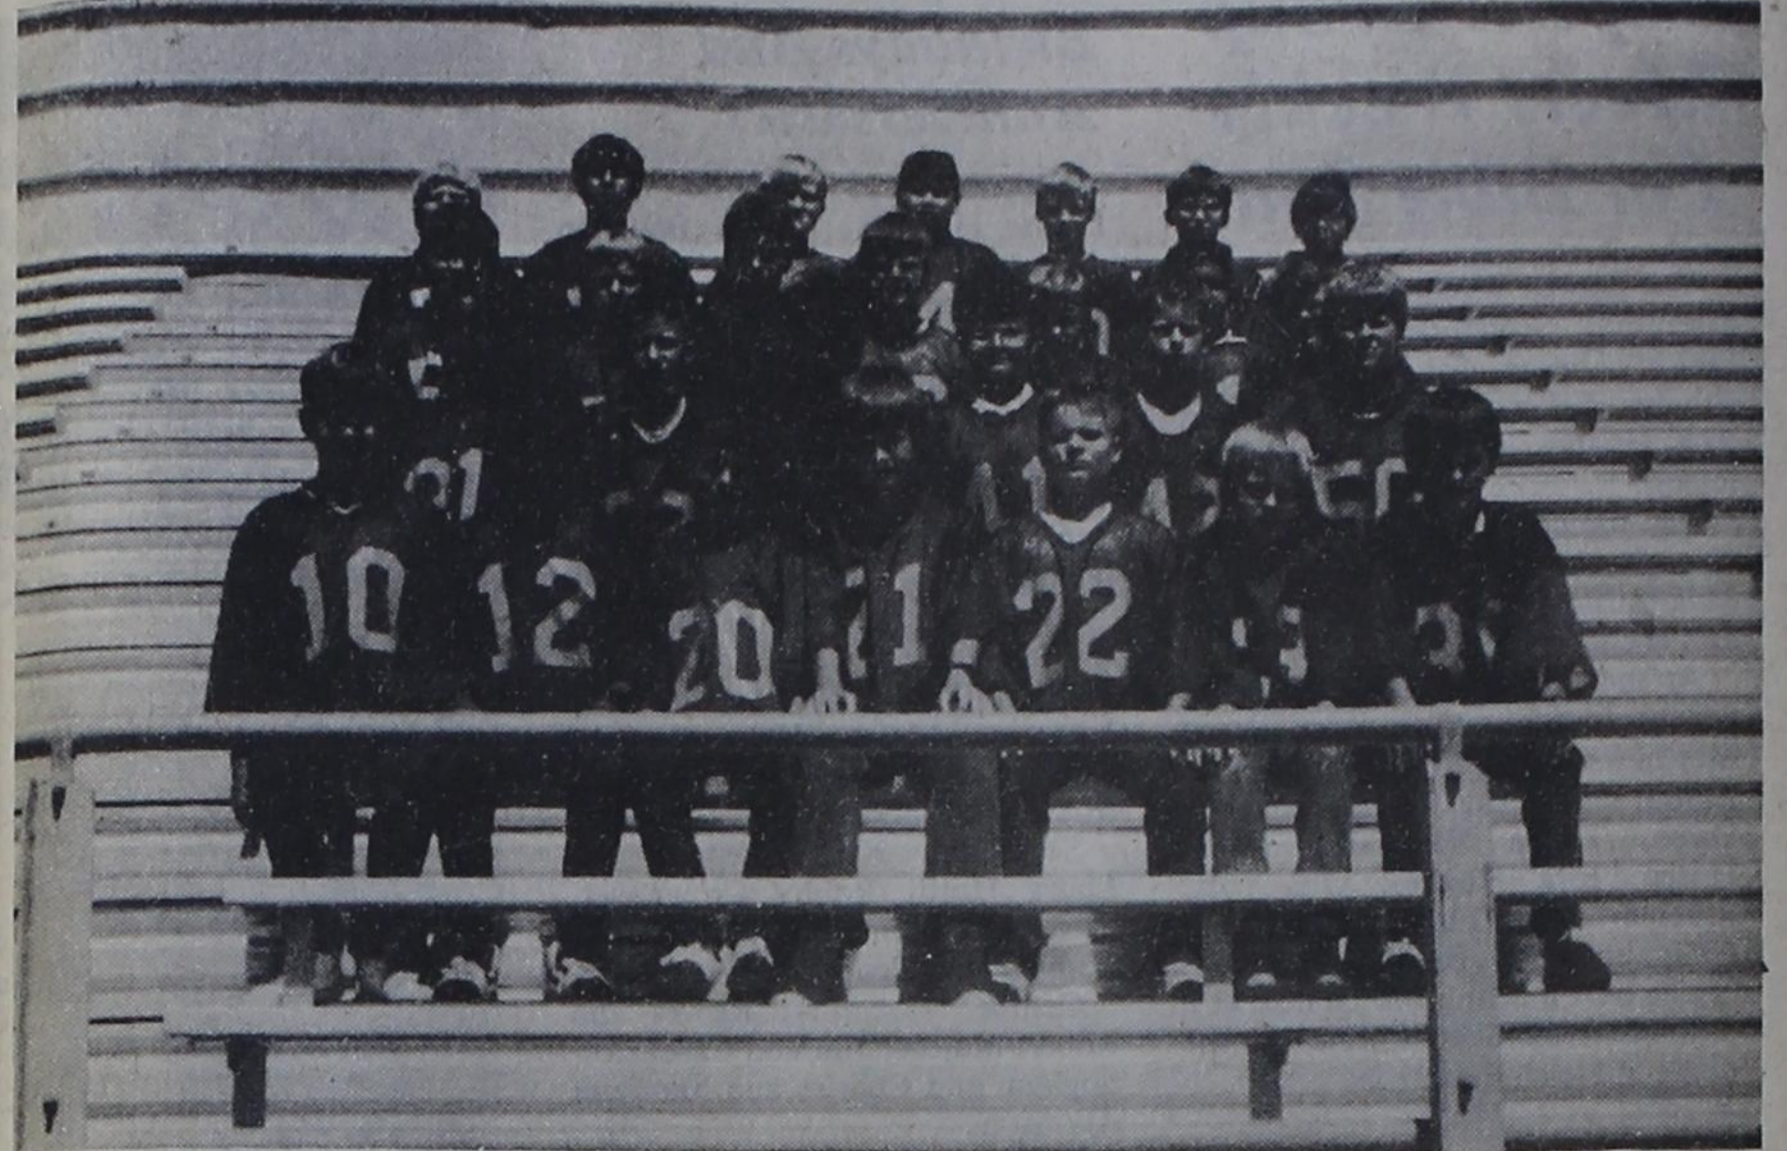

The Weinert Bulldogs are 2-0 in their 1986 football season after defeating McCauley 48-7 in the season opener and outscoring the Paint Creek Pirates 52-6 in the first district game for both teams Friday night. The game was called at half-time on the 45-point ruling.

Kevin White is the leading scorer after two games with six touchdowns and seven extra points. Leading the Bulldogs on offense is quarterback Louis Perez, who has hit All-State end Ricky Perez with four touchdown passes. Running backs Robin Raynes and Shane Stout have added to the touchdown total.

All-district end Johnny Perez and linebacker Robin Raynes are leading the Bulldog defense with 18 tackles each. Louis Perez, who has not seen defensive action yet, will be needed this week against Newcastle. Barry Walker has been lost for the season, suffering a third shoulder dislocation in as many months. He is being replaced by the stout Mondy Mayfield at center and defensive end.

Robert Estrada has the best average in yards per carry with 17, and Ruben Castillo has also looked sharp with quarterbacking chores, according to coach Chet Forehand. Alfred and Andrew Garcia are playing their first football this year and both have seen considerable action.

The Bulldogs are the defending district champion in six-man District 5-A.

THESE YOUNG MEN are the sixth and seventh grade Munday Braves. Only a few of the boys played football last year, so their first two games have been real learning experiences. Players include Kent Latham, Kevin Oustad, Serjio Nunez, Chris Clem, Darren Williams, Jeremy Wilson, Chris Scott, Matt Angerer, Benjy Way,

Chad King, Noel Campos, Kevin Myers, David Tidwell, Phillip Bowen, Junior Masias, Jai Reed, Jay Nuckols, Freddie Sosa, Jason Zeissel, Brandon Cottingham, Ray Martinez, Jay Kingston, Shannon Saffel, Mike Bunton, Lance McWhorter, Eugene Shields, Daniel Serrato and John Michels.

ALBANY SHUTS OUT ASPERMONT HORNETS

Steven Hise threw two touchdown passes and ran for another score enroute to handing the Aspermont Hornets a 42-0 shellacking in Aspermont Friday night. Albany rolled up over 450 yards offense and managed 18 first downs to only eight for Aspermont.

Aspermont, one of Munday's district opponents, is 1-2 this season.

OTHER SCORES...

Rochester beat Rule 48-0, Hawley defeated Throckmorton 14-2, Goldthwait skunked Marble Falls 20-0; Holliday outscored Bowie 28-7, Windthorst won 37-14 over Notre Dame, Olney blasted Stamford 49-7 and Merkel took a 32-13 homecoming victory over Anson.

STEALING ELECTRICITY IS AGAINST THE LAW

Stealing Energy is a Felony

Some people tamper with their electric meters to avoid paying for the energy they use. Stealing electricity is a felony offense in the state of Texas and violators will be prosecuted. West Texas Utilities' Current Diversion Department is working hard to help combat the growing problem of energy theft.

Energy Theft is Dangerous

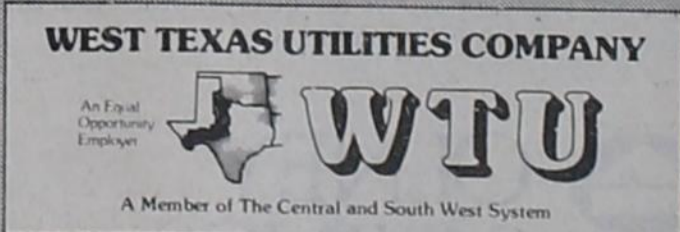

Not only is service theft a crime, but it is also very dangerous. Serious injuries can result from meter tampering.

A Crime Against You

When someone steals electricity, they are not only stealing from WTU — they are also stealing from you, as a ratepayer. Just as shoplifting increases the cost of items you buy in the store, power theft increases the cost of your electric service.

WTU Will Prosecute

Because we are concerned about the dangers and costs resulting from meter tampering, West Texas Utilities will prosecute energy thieves.

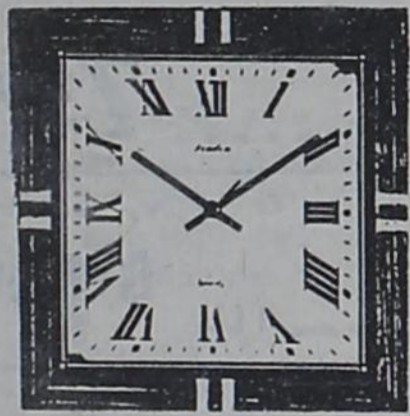

Serving you with dependable electrical energy from the Red River to the Rio Grande.

Haskell Hospital Provides Area Home Health Services

The Haskell Memorial Hospital Home Health Agency is now actively meeting the needs of residents in Haskell, Knox, Stonewall, Jones, Throckmorton and Baylor counties. Established in April, 1986, this non-profit agency is designed to help the elderly and disabled in the area.

Registered nurses and licensed vocational nurses go into patients' homes under order of a physician and render nursing care on an intermittent basis. Skilled nursing care may involve such things as monitoring vital signs, diabetic teaching including administration of insulin, IM injections, intermittent breathing treatments for the emphysema patient, catheterization with catheter maintenance and family instruction, decubitu care, ostomy care and teaching, applications of sterile dressings and other skilled procedures. Nurses work closely with the physician, the patient and the family in management of the patient's health condition and meeting nutritional needs in the home.

Home health aides assist with the hygienic care of patients and teach patients techniques in basic health care. The agency also offers respiratory therapy and diet consultation by licensed personnel. They will assist the patient and family in securing durable medical equipment in meeting the patient's home needs. Home Health Agency employees not only offer skilled care, but all facets of the patient's needs are explored. Working with the Texas Department of Human Resources, churches, clubs and civic groups, the staff attempts to place the patient with the appropriate service. Home Health Agency nurses also speak upon request at various organizational meetings.

This service is not in competition with nursing homes or hospitals, but is provided to maintain the patient in his home as long as possible with good care and optimum function so

the patient may remain in a familiar setting.

The major program through which home health and related services is delivered is Medicare. This program for the aid of the aged and homebound is selective for those persons generally age 65 and older. Medicaid, a state welfare program which is almost a carbon copy of Medicare, carries no age restriction, and benefits are determined on the recipient's annual income. Under Medicaid, skilled nursing visits are limited to 50 per person. In addition to Medicare and Medicaid, additional third party payers include the Veterans Administration, CHAMPUS or private insurance benefits.

Haskell Memorial Hospital Home Health Agency is certified annually by the Texas Department of Health and must comply with state and federal criteria, quality standards and regulations and must follow all Medicare guidelines.

The agency is located at the hospital. Emergency assistance is provided 24 hours daily, seven days per week. For more information call the Haskell Memorial Hospital Home Health office at 817-864-2621, Ext. 43, or contact the nurses in the agency, who are Jane McAdoo, R.N., 864-3441, Martha Richardson, R.N., 864-3785, or Florene Larned, L.V.N., 864-2855.

★ BENJAMIN NEWS ★

By Mrs. Gladene Green

The Sorosis Club of Benjamin met Saturday morning, September 13, at 10:00 for an International Brunch, with each member bringing an International dish. This was their first meeting of the new year, and the club was honored to have as their special guest, the Mesquite District president, Mrs. Maurine Nichols, of Baird.

Mrs. Nichols spoke to the group concerning Federation work and their involvement in the largest women's club in the world. She pointed out that the volunteer work accomplished by the Federated Clubs do many things for our community and county that social clubs do not, and stressed that the gift of ourselves is the most precious gift of all.

Mrs. Jessie Roberts gave a very interesting program on Religions of the World.

Hostesses for the occasion were the executive committee. **HOME DEMONSTRATION CLUB MEETS**

The Senior Ladies of Benjamin have re-organized the Extension Homemakers Club. The first meeting was held September 19 in the home of Pearl Ryder to elect club officers. Elected were Virginia Griffith, president; Ruth Ressel, vice-president; Jimmie Klutts, council delegate; and Julia Trepanier, secretary-treasurer.

Other members present were Pearl Ryder, Ozelle Kilgore and Luella Tolson. Members not present were Louise Hall and Nell Hudson.

The next meeting will be October 10 at 2:30 p.m. in the home of Jimmie Klutts.

ABOUT OUR SICK
Henry Rogers is a patient in the Knox County Hospital. He is feeling better and it is hoped he can be out and around before long.

Audrey Nolan is also in the Knox County Hospital at this time. According to her family, she also is feeling better and should be out in a few days.

Juanita Burnett spent several days in the Wichita General Hospital recently. She is home and feeling pretty good but will have to take it easy for a while.

HERE AND THERE
Among the out-of-town relatives attending the funeral of Gene Hamilton last Monday were Juanita Dikes, David and Dolores Dikes, Anita Dikes, Jerry Basham, Joan Elaine Rooney, "Pine" Duke, Leslie Houston, and Loeta Creamen of Ft. Worth, Dean and Mary Dikes of Crowley, Gary Hamilton of Azle, Peggy and Walter Hertel, Tom Hamilton and Debbie Taylor of Munday, Burns Ray of Seymour, and Leota Stockton and Cathy Penman of Knox City.

Bobby Frank and Wendy Feemster of Brownwood visited his sister, Philomae Roberson, recently. Bobby Frank had a severe heart attack recently but has recovered nicely and is feeling pretty good most of the time.

Leo Hickman of Childress was a visitor in the home of Homer T. and Kathleen Melton last Wednesday.

Lori Griffith, a student at Baylor University at Waco, was a weekend visitor of her parents, Charles and Linda Griffith.

Betty Bohannon and girls and

Brandi Jones spent the weekend with Lonnie Bohannon, a student at South Plains Junior College in Levelland.

Bud and Debbie Clower and young son, Michael, who have been living in Duncanville, are in the process of moving back to Benjamin. They have purchased the home of his grandparents, Clarence and Maudie Clower, and Bud plans to go into the plumbing business.

J.D. and Annie Brown were Wichita Falls visitors on Saturday.

Ruby Pierce of Knox City attended the funeral of Gene Hamilton Monday.

Visiting the Leroy Wests Sunday were Betty Parker of Aspermont and Cathy Tomlinson and family of Goree.

Dutch and Imogean Young visited the Jack Youngs in Lubbock during the weekend.

NEW ARRIVAL

There's a new baby boy who has come to live at Ashley Cartwright's house. He's Matthew Steele and he arrived on Thursday, September 11, at Haskell Memorial Hospital. He weighed 7 lbs. and was 19 inches long. His parents are Susan and Tracy Cartwright.

Grandparents are W.T. and Joetta Cartwright of Benjamin and E.D. and Mary Welch of Gilliland. Great-grandparents are Ruth Ressel of Benjamin and Mrs. Elmer D. Welch of Gilliland.

A NEAT, UNCLUTTERED LOOK is the first thing that appeals to the viewer of this year at 811 N. Munday Avenue. Welton and Jean Leflar's gracious rock home with its matching fence is a perfect example of "less is more." A few blooming flowers and low greenery set this Yard of the Week off to perfection.

FINDING THE RIGHT PLACE FOR YOUR MICROWAVE OVEN

Before you pick a spot for a microwave oven, ask yourself who will use the microwave? How often? And for what type of cooking will it be used?

The answers to those questions will help you find a location that fits your needs.

Keep in mind that there will be some pros and cons to almost anywhere you decide to put it.

The food preparation and mixing center area of the kitchen is the most common place to put the microwave oven. Usually it goes between the refrigerator and sink so the oven's use will fit with other nearby activities. That frees up space near the conventional oven to make two separate cooking areas for two cooks. But it also means that cabinet or counter space must be sacrificed.

Placing the microwave at eye level above a conventional oven is the most efficient use of space. It concentrates cooking in one area if there is only one cook. But this placement can cause a traffic jam if more than one person is involved in meal preparation.

Putting the microwave in a serving area away from the kitchen is a good choice if it is used primarily for heating and reheating. The breakfast area is often selected in this case.

When the kitchen is small, placing a microwave which incorporates a range hood above the cook top may be the only option. However, the oven may be too high for many cooks and has the disadvantage of being above a hot surface.

Never place a microwave oven behind closed doors or in a pantry. Remember that air circulation is required around the sides and back of most microwaves.

Place the oven at the height that's easy for you to reach—usually the cooking shelf should be from two inches below to ten inches above the elbow height. The shelf shouldn't be any higher than your shoulder.

Open the door fully before installing to make sure the location is workable and position the microwave so you have sufficient work space below or beside the oven.

Now that you have your microwave oven located you will be ready to try out some new recipes.

BREAKFAST BARS

- 1/2 cup light corn syrup
- 1/4 cup packed brown sugar
- 1/2 cup peanut butter
- 1/2 cup nonfat dry milk granules
- 3 cups high-protein cereal flakes
- 1 pkg. (6 oz.) diced dried fruit and raisin mixture
- 1/2 cup sliced almonds
- 1/2 cup flaked coconut

Combine corn syrup and brown sugar in 2-quart glass mix-n-pour bowl.

Microwave (high), uncovered, 2 to 2 1/2 minutes or until mixture just comes to a boil, stirring once. Add peanut butter and dry milk; stir until smooth. Add remaining ingredients; mix just until evenly coated. Transfer mixture to greased 8-inch square baking dish; press evenly into dish. Cool slightly. Cut into squares.

Yield - about 16 bars - 185 calories

TIP - For an orange flavor, add 1/4 cup instant orange breakfast drink powder with peanut butter.

OLD FASHIONED MACARONI AND CHEESE

- 1 1/2 cups uncooked elbow macaroni
- 2 tbsp. butter or margarine
- 2 tbsp. flour
- 1/2 tsp. salt
- 1/8 tsp. dry mustard
- 1 1/2 cups hot water
- 1 can (12 oz.) evaporated milk

1 cup (4 oz.) cubed American or Cheddar cheese.

Combine all ingredients except cheese in 2-quart microwave-safe casserole; mix well until flour is dissolved. Cover with casserole lid.

Microwave (high) 16 to 18 minutes or until macaroni is tender, stirring 2 or 3 times. Stir in cheese until melted.

Yield - About 5 servings - 390 calories each.

Tips - When reheating, add a little milk or water to maintain a smooth, creamy texture.

Other favorite cheeses can be used. Processed cheese will give a creamier texture than natural cheese. However, natural cheese often has a better flavor. Or, use a combination of processed and natural cheese for the best of both.

Sister of Area Residents Is Buried

Joveta Louise Austin, 81, of Paducah, sister of several area residents, died Friday, September 19, in a Lubbock hospital. Services were at 2 p.m. Monday, September 22, at the Fundamental Followers of Christ Church in Paducah with Fred Stice, pastor, officiating. Burial was in Garden of Memories Cemetery under direction of Mynatt Funeral Home.

She was born April 7, 1905, in Oklahoma and was a member of Fundamental Followers of Christ Church.

Survivors include four daughters, Neoma Leslie of Paducah, Lenora Smith of Chino Valley, Ariz., Bettie Dearing of Fort Worth and Jewel Hall of Kiefer, Okla.; six sisters, Bessie Spracher of Republic, Wash., Nocona Jetton of Munday, Josephine Williams of Jacksonville, Fla., Loys Gordon of Crowell, Grace Welch of Knox City and Mary Hunter of Hess, Okla.; a brother, Bill Bell of Trenton, Neb.; 11 grandchildren, 22 great-grandchildren and two great-great-grandchildren.

Award To Be Given To Area Winner

Edward D. Jones & Co., a national investment firm with an office in Stamford, has begun its search for a person in area communities whose generous acts have significantly bettered the lives of others, announced Don Book, the local Edward D. Jones & Co. representative.

"The Heart of Gold Award will recognize one of our unsung heroes who has donated his or her time and talent to help others," Book said, "and I hope that anyone knowing a person with a heart of gold will nominate him or her for this honor."

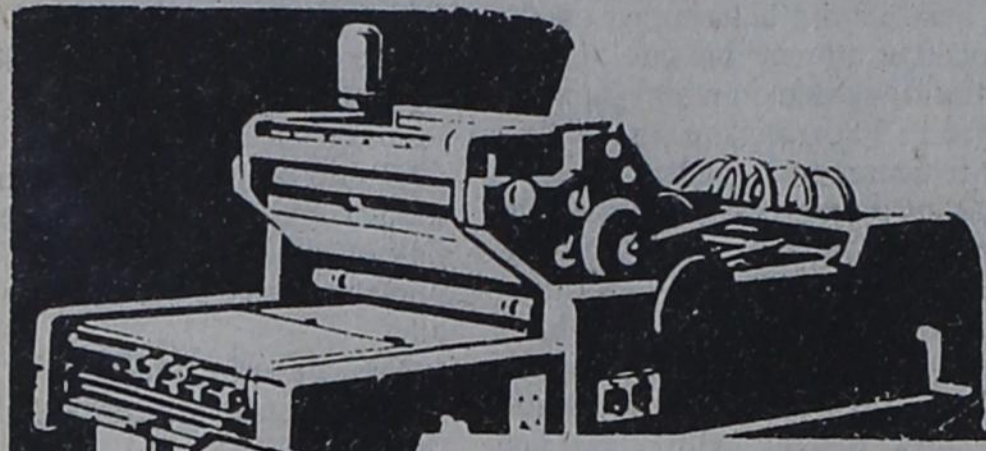

Nominations for the Heart of Gold can be made by anyone from the surrounding communities by filling out a brief entry form available at the Edward D. Jones & Co. office or at West Texas Utilities offices in Haskell, Hamlin, and Knox City; Smith Drug in Munday, or Anson Plaza Pharmacy in Anson. Nominations must be made by October 17.

The Heart of Gold winner will be selected on October 22 by a panel of judges made up of community representatives yet to be named. The winner will join candidates from other communities throughout the nation and be eligible to win the national Edward D. Jones, Sr. Heart of Gold Award.

Edward D. Jones & Co., a member of the New York Stock Exchange with 1,000 offices nationwide, provides conservative, reliable financial products for individual investors.

BIRD HUNTERS RETURN TO GOREE FOR ANOTHER GOOD SEASON
Jim Roberts of Arlington, a native of Goree and son of Mrs. Ina Roberts and the late Cannon Roberts,

is a member of the Dallas Fire Department. He has been bringing members of the fire department to Goree for the past fourteen years to hunt birds during dove season. Thanks to the farmers here who let them hunt, they always get their quota of birds.

There were eleven men with Jim this year, the largest number that has ever been here, including two of Jim's sons-in-law. These men visited in the Wallace Roberts home and with Mrs. Ina Roberts while here. They were Jim Roberts, his two sons-in-law, Ken Alles of Ft. Worth and Steve Zubriska of Arlington, Reuben Millsap and Barry Parks of Grand Prairie, Dan Dooley of Carrollton, Gary Fox of Rowlett, Terry May of Dallas, Robert Vaughn and Ray Gordon of Garland and Edd Levell of Farmers Branch.

Simpson Rites Held Saturday In Graham

Mildred Alice Simpson, 62, a relative of two Goree residents, died Wednesday, September 17, in a Wichita Falls hospital. Services were at 2 p.m. Saturday, September 20, at Morrison Funeral Home in Graham with Rev. Johnny Barrett officiating. Burial was in the Pioneer Cemetery in Graham.

She was born July 4, 1924, in Emory and moved to Graham in 1947 from Newcastle. A member of the Baptist Church, she married J.W. Simpson April 15, 1947, in Graham.

Survivors include her husband; a daughter, Janice Davis of Newcastle; her mother, Hallie Campbell of Goree; her stepfather, Roy Campbell of Graham; a sister, Marion Lee Green of Goree; and a grandchild.

WE MISSED RUNNING this picture in last week's paper, so we're rectifying our mistake this week. W.O. and Brenda Smith at 681 S. 11th received Yard of the Week honors last week. Their yard heralds the approach of fall with lots of ivy trim and ground cover accented with beds of caladiums and scarlet blossoms. As is often the case, a newspaper photo just can't do justice to a colorful yard.

Household Inventory Helps When Filing Insurance Claims

Having an inventory of household items can save the stressful and frustrating job of having to piece together what was stolen or destroyed in a natural disaster.

"People tend to remember conspicuous items, such as a chair, television or videotape recorder," says family economics specialist Dr. Marjorie Marman. "But most homes also have dozens of small items whose value adds up to a considerable loss."

After a fire or theft, it may also be difficult to think clearly enough to remember everything that was lost or stolen, adds the Texas Agricultural Extension Service home economist.
