Armed Robbery Suspects Arrested

Two persons were arrested at about 4:30 p.m. on Tuesday, October 27 one-half mile north of Knox City for armed robbery of the Munday Medical Clinic and possession of illegal firearms (sawed off shotgun).

Arresting officers were Knox County deputy Gene Nix, Brian Williams of the DPS and Knox City police chief Leon Leonard.

The suspects were arraigned before Justice of Peace B. B. Benson of Precinct 2 in Knox County and charged with aggravated robbery which is a first degree felony. Bond was set at \$25,000. on each suspect.

It was reported the pair entered Munday Medical Clinic at about 3:15 p.m., tied the receptionist to a chair, and took diamond rings valued at \$500.00 to \$700.00, approximately \$30.00 in cash, and prescription pads. The victim managed to get to the telephone and called the police immediately. She saw the direction the pair took when they left the clinic on foot and gave police a good description.

The suspects apparently purchased \$5.00 worth of gas at a local service station preceding the robbery and at Allsup's in Knox City after-

wards.

All items taken were found in the subjects car after their arrest. Before being apprehended, they had changed clothes. Clothing worn in the robbery was still in the vehicle which was a 1965 Chevrolet. The gun used was also recovered. It was identified as a 20 gauge sawed off shotgun.

The 21 year old male suspect was reported to be from Hereford and his female companion was 18 years old from Knox City. They were reported to be man and wife.

The suspects have been identified by the robbery victim and service station attendant, where gas was bought.

Subjects were transported to Benjamin by Munday police chief Gerald Saffel, Gene Nix and Leon Leonard. Assisting police was J. W. Foy, District Attorney investigator of Seymour.

Chief of police Gerald Saffel would like to thank all citizens who assisted in the apprehension of the suspects. He stated that two witnesses were effective because they had police scanners, were alert, and took fast action in calling police and offering vehicle identification.

The investigation is continuing.

Goree Homecoming Crew Working Toward Big Day

Workers, including the Goree Homecoming officers and a number of volunteers, are wrapping up preparations for the ninth Goree school Homecoming to be held Saturday, November 7, at the school building.

Activities will actually begin at the school gym on Friday evening, November 6, at 7 p.m. A night of entertainment is planned with local adults and school children, kindergarten through sixth grade, participating in skits which are designed to bring back school memories for the former students of

Lions Club Plans Pancake Supper

Members of the Munday Lions Club are completing plans this week for another delicious pancake supper, which will be held on Friday, November 6, from 5 to 7 p.m. at the Munday high school cafeteria.

This will be just ahead of the Munday Mogul-Seymour Panther district 7-AA football game, so you may come and enjoy the feed, then amble over to the game.

A corps of Lions have been designated for kitchen chores, and they will be preparing the sausage and pancakes as long as necessary. The "asking price" is \$2.50 for adults and \$2.00 for children 12 years of age and under. Sounds like a bargain, doesn't it?

Spooks, Goblins To Roam Saturday

Just a reminder that spooks and goblins will be on the prowl Saturday night in observance of Halloween!

Many of them, however, will be "corralled" at the Munday elementary school gymnasium, where the eighth annual Halloween carnival, sponsored by the Munday Chamber of Commerce, will be holding forth. But the carnival is not just for kids--there will be entertainment for mother and dad, too.

It's for everyone, and those who miss it will rob themselves of this annual treat. Be there at 6:30 p.m., when the doors open!

Whet Your Appetite For Rhineland Dinner

The annual dinner sponsored by Knights of Columbus of Rhineland is planned for Sunday, November 8, 1981. It will be held in the Columbus Hall with serving time from 11:30 a.m. to 1:30 p.m. This is always a delicious meal of your choice, German sausage or fried chicken. Tickets are now on sale by members of Knights of Columbus at \$4.00 for adults and \$2.50 for children 12 years of age and under.

Bulk sausage will again be available at \$2.50 per pound. To order call 422-4880, 422-4890 or 422-5344 in Munday, or 658-3926 in Knox City. The sausage can be picked up at Brown's Store on November 7.

St. Ann's Christian Mother's Society will have a bazaar during the dinner.

CHEERING FOR THE MOGULS' winning football team this year are this group of hard-working pep squad members. Officers in the center are from left, Dawn Parker, reporter; Deedee Kuehler, president; Kathy Pennartz, vice-president; and Marisela Bejar, secretary-treasurer. This year's members, not in order as pictured, include Pam Blalock, Cynthia Johnson,

Gwen Jones, Norma Taylor, Jeanette Kuehler, Irene Sepeda, Tammy Porter, Liz Dena, Rosa Fernandez, Charlotte Hernandez, Eva Andrade, Cheryl Wilde, Janet Myers, Jolanda Ramirez, Carol Pennartz and Mary Jane Kuehler. A new member, Aurora Garcia, has joined the group recently has is not pictured.

Mogul Attack Swamps Paducah Dragons 23-8

An effective aerial attack, plus a stubborn defense and being on the right side of officials' flags, spelled doom for the Paducah Dragons when they invaded Scruggs Field in Munday last Friday night. The score was a convincing result of Mogul power--23-8.

With several key players on the injured list, the Moguls started a converted wide receiver to "commanding general", who threw touchdown passes to receivers who had not scored thus far in the season. He is Stephen Schumacher, who proved his worth to the team.

Munday completely dominated the first half, allowing the Dragons to run only 15 plays to pick up a mere 23 yards total offense. The Moguls had 104 yards rushing and controlled the ball for 27 snaps.

Paducah quarterback, Burt House, battled the Mogul defense by throwing the ball 12 times in the first half, but completed only two of them for 45 yards. Another toss was good for 58 yards to Munday's 12-yard line, but the official's yellow flag voided the play. Numerous other penalties (13 in all for 98 yards) kept the Munday drives going, or hampered Paducah's activities.

Stubborn defense of the Moguls held Paducah's stellar running back, Verice Walker, to just 45 yards on 14 carries. Walker went to the locker room at half-time with minus 18 yards on 4 carries.

All of Munday's running backs did yeoman work during the night. Lawrence Collier gained 92 yards on 13 carries, scored a touchdown and kicked a 26-yard field goal. Moses Dena racked up 79 yards in 16 carries, and Robert Murray was called on 13 times and responded with 68 yards.

Munday took the opening kickoff and advanced 53 yards in 14 plays, when the Dragons bowed their necks, and the locals had to settle for Collier's field goal. Minutes later, the Moguls were inside the Dragon 15, but lost the ball on a fumble to Steve Martin.

On their third possession, the

Moguls advanced 52 yards in 11 plays for their first six-pointer. The Moguls faced fourth down situations twice, once on the 12-yard line, when Paducah drew a penalty to move the ball to the 7-yard line. Schumacher then hit Stan Decker with a pass, and Decker made a sensational one-handed catch to score.

Munday scored again as the minutes ran out on the second quarter clock. This time it was Schumacher to Quinn Smith in a maneuver that dazzled the Paducah defense.

Trailing 16-0 at halftime, the Dragons avoided penalties in the third period and produced their only consistent offensive drive of the evening. They took the opening kickoff and moved 81 yards in 11 plays for a touchdown, adding the two-point conversion and cutting the Mogul lead to 16-8.

In this drive, Paducah faced a fourth down situation, as Munday had done, at the 30-yard line. Walker picked up nine yards on a sweep for the crucial first down. Two plays later, Walker scored from 24 yards out, faking an option from the wishbone and outrunning the

defense around right end. He added the two-point conversion, as the Dragons seemed to come to life.

The Moguls showed some offensive action again, as they staged a 65-yard gain in 13 plays to get back into control.

Collier capped the drive with a 9-yard run up the middle, as Schumacher handed to him while being downed by Paducah's defense. Munday had another fourth-down play in this drive at the 18-yard line, and entertained the fans by overcoming four third-down situations.

Paducah's final opportunity to get back in the game was foiled by another yellow flag early in the final period. A 53-yard punt by House had placed Munday in a bad situation with just nine yards between them and the goal. Then came a Dragon face-mask penalty that brought the Moguls out of a tight.

Munday's fine defense continued in the fourth quarter, forcing Paducah to punt once, fumble once and give the ball up on downs twice--and a Mogul victory was secured.

More Contacts Are Needed In Drive For United Fund

During the last two weeks volunteers have been calling on the people of Munday and surrounding area to receive contributions for the Munday United Fund. The United Fund supports and provides funds for eleven agencies. As of Tuesday, we have reached 50% of the 1982 goal which is \$7265.00. This means we have a way to go if we are to reach our goal.

The board of directors hoped that all workers would have completed their contacts in the two-week period following the kick-off on Tuesday, October 13. Several have made their reports and we thank these for their diligent work.

Reports should be made to Mrs. Jerry King, executive secretary of the United Fund, as soon as possible. Workers who have not completed their contacts are encouraged to complete them as soon as they can, and turn in reports to the Chamber of Commerce office.

As the time of our Fund Drive begins to come to a close, we appreciate all who have worked in the drive and thank them for being faithful volunteers. We also appreciate all who have contributed to the United Fund in Munday and pledge to you faithful administration of the funds you have contributed.

Moguls Journey To Haskell Friday

The Munday Moguls will take a trip to Haskell next Friday night for their annual tilt with the Haskell Indians. This is an all-important game that will have a bearing on District 7-AA standings.

The Indians will be battling to "get on the board" in the district, since they are presently 0-2 on the roster. In the meantime, the Moguls--2-0 in district--will be trying to go for a win from the Indians to maintain their district standing.

Mogul fans are expected to make the trek to Haskell with a "win, team win" attitude, as they encourage the Moguls on the further achievements.

Local FFA Members Taking Orders For Fruit And Sausage

Munday FFA members began their annual fruit sale on Monday with a special added item this year, smoked sausage. The members will be busy contacting everyone to take orders. Delivery date will be between December 11 and December 18, in plenty of time for Christmas.

Fruit can be purchased in a variety of box sizes. Small boxes of oranges and grapefruit are \$7.00. Large boxes of oranges and grapefruit are \$11.00. Apples are \$10.00 for 1/2 bushel. For the first time, a box of mixed fruit, including oranges, grapefruit and apples, can be ordered.

Greg Rawdon and Casey Clark, FFA advisors, and the members will appreciate your purchases very much. If you are not contacted and want to order, please call 422-4229. The deadline for ordering is November 17.

Halloween Carnival At Benjamin School Saturday, October 31

The Benjamin schools have planned a Halloween Carnival for this Saturday night, October 31, beginning at 6 p.m.

Booths by each class and a cake walk have been planned for entertainment, and there will be a food booth. The program and coronation will be at 8 p.m.

There will be fun for everyone and lots of prizes. Everyone is invited to attend.

SS Representative Here November 5

A representative of the Vernon Social Security office will be in Munday at the City Hall on Thursday, November 5, from 9:30 a.m. until 11:30 a.m.

There's a break in our friendship circle!

It is as if a link from a chain that holds a mass of material together has been broken--only it is different.

Chances are that a chain link can be replaced, but our break cannot. It can only be supplanted in a measure by fond memories of the past.

This break came about in the passing of our very dear friend, Herman Jungman, who departed this life at 10:07 a.m. Tuesday, October 20, 1981, at the General Hospital in Wichita Falls.

He had suffered a broken hip some three weeks earlier in a fall at his home, and was taken to the hospital for repair surgery and treatment. The remainder of his body was just too weak to overcome the shock.

As we learned the news, we immediately began sharing with Ida Jungman and her family their sorrow in the loss of their loved one. You see, we loved him, too!

Our thoughts went back through the years to the time when Bridge and I moved into the little house built by Lorena Mahan "in the shadow of the Church of Christ", as one member of the church stated, and within a stone's throw of the Jungman's new brick home.

It was then that a friendship started--one that has weathered the storms of many years. We learned that Herman and Ida were like we were in one respect. They believed in cultivating friendships, not in destroying them.

Ida has remarked a number of times since: "I don't count my friends by the money they have, or by what church they belong to. After all, we're all trying to get to the same place."

We became travelling companions, and many enjoyable journeys we've had in the 40-odd years following our first acquaintance.

The State Fair of Texas became an annual pilgrimage for the Edgars and Jungmans. Opening day of the fair was then "press day", and members of the news media were always honored with free passes to various events.

There was the Texas-Oklahoma football game, too. Sometimes the game was scheduled on opening day; on other occasions, a week later. It didn't matter! We made the return trip, rather than miss the game.

Finally, we became worn out, as we realized that all the celebrating for two consecutive nights was not by the college students, but by what we termed "riff-raff" of the Dallas area who took advantage of the occasion.

Many press conventions we attended together. We were in the Rice Hotel in Houston one time when we were privileged to meet and shake hands with then Vice-President Richard M. Nixon and his wife, Pat. We went to the dock at the dirty waters of the Houston ship channel and boarded a boat down the channel to the San Jacinto monument, the old Battleship Texas, in dry dock, and a gourmet seafood dinner at San Jacinto Inn.

We've been to Alpine and side trips to old Fort Davis and the Big Bend Park, where we spent the night in a cabin of one room and two beds, a coal-oil lamp for light, and a walk of some distance up an incline to a "comfort station" as a substitute for a bathroom. We took a peek at the heavens through the giant telescope at McDonald Observatory.

We've been to El Paso, with side trips to Mexico for sightseeing, the dog races, and a convention dinner. Before crossing the river to re-enter Texas soil, our bus was stopped and we were searched for almost everything but head lice!

We've been to Dallas, where the popular Baker Hotel was convention headquarters. This site has been demolished, giving way to progress!

These and other trips have taken us many miles. Sometimes we were joined by Elizabeth and Bill Hertel to make the crowd bigger and the trip more enjoyable.

Home From California

Mr. and Mrs. C. L. McAfee have recently returned from a trip to several points in California. They visited their daughters, Polly McAfee of Orange and Shirley McLendon of San Diego; their son, Marvin McAfee, in Sacramento; and two sisters of Mrs. McAfee, Oma Gaines and Ola Price of Bisalia.

Mrs. Stodghill Dies Sunday At Plainview

Lucille B. Stodghill, 82, longtime former resident of Munday, passed away at 10 a.m. Sunday at Central Plains Regional Hospital in Plainview.

She was born June 8, 1899, in Jones County and was reared in the Munday area, where she attended the local schools. She lived at Silverton from 1925 to 1930, when she returned to Munday. She worked as a laboratory technician for Dr. D. C. Eiland and Dr. David Eiland from 1943 to 1968, and for Dr. R. L. Newsom until 1972, when she retired.

She was a member of the First Baptist Church and of the Munday Study Club while in Munday.

Funeral services were held at 2 p.m. Wednesday from the First United Methodist Church in Munday with Dr. H. B. Graves of Graham, former Baptist pastor here, and the present pastor, Rev. Jim Way, officiating. Burial was in Johnson Memorial Cemetery under direction of McCauley-Smith Funeral Home.

Surviving her are five daughters, Mrs. Jane Sparkman of Kingman, Ariz., Mrs. Sue Groce of Carson, Calif., Mrs. Marie Williams of Plainview, Mrs. Ruth Giraud of Plays del Rey, Calif., and Mrs. Betty LeMaster of Ironton, Ohio; a son, Herbert Stodghill of Torrance, Calif.; a sister, Mrs. Maud Reagan of Munday; 17 grandchildren and 27 great-grandchildren.

Pallbearers were Raymond

Carden, Gaylon Hord, Dorse Collins, Charles Baker, Gene Brown and Harold Partridge.

Mrs. Dutton Dies Tuesday

Mrs. W. A. (Thelma Oman) Dutton, 55, a lifelong resident of Weinert and nurse at Haskell Clinic, died at 3 p.m. Tuesday, October 20, 1981, at St. Vincent's Hospital in Santa Fe, N. M. She and her husband were vacationing in the area.

She was born September 16, 1926 in Weinert. She married W. A. Dutton on May 25, 1946 in Weinert. She was a member of First United Methodist Church.

Funeral services were held at 2 p.m., Thursday at the First Baptist Church in Weinert. Rev. Temple Lewis, Baptist minister from Tye, and Rev. Jimmy Griffith of First Baptist Church in Paducah officiated. Interment was in Willow Cemetery under the direction of Holden-McCauley Funeral Home of Haskell.

Pallbearers were Don Nanny, Twain Mickler, Buddy Bruton, Gerald Kuehler, Ronnie Alexander and Billy Joe Robertson. Honorary pallbearers were Dr. Frank Cadenhead, Dr. Joe Thigpen, Dr. R. E. Colbert, Dr. Wayne Cadenhead and Donnie Skiles.

Survivors include her husband; four daughters, Sandra Guinn of Midland, Sheila Hester of Rochester, Lisa Homes of Brownwood and Ruthie Watson of Snyder; two sons, Frank of Munday and Rodney of Odessa; her father and step-mother, Mr. and Mrs. Frank Oman of Haskell; a sister, Mrs. Etta Jean Searcey of Munday; three brothers, Billie F. of West Germany, Charles W. of Wichita Falls, and Scottie D. of Lubbock; and eleven grandchildren.

It's A Fact

It's not a kidding matter. When female (doe) goats give birth to young, it's called "kidding". A demonstration conducted by the Texas Agricultural Extension Service has shown that female goats held in confinement during the kidding period gave birth to 46 percent more kids than their sister left to kid out on the range. This new kidding practice can mean greater profits for goat producers.

H. F. Jungman, Last Survivor Of Pioneer Knox County Family, Dies

Funeral services for H. F. (Herman) Jungman, 84, of Seymour, were held at 10 a.m. Thursday, October 22, 1981, from the Sacred Heart Catholic Church in Seymour. Rev. James A. Boyle, pastor, officiated. He was assisted by Rev. Brandon McGuire of St. Joseph's Catholic Church in Rhineland. Rosary was read at 7 p.m. Wednesday at the funeral home.

Mr. Jungman passed away at the General Hospital in Wichita Falls at 10:07 a.m. Tuesday, October 20, following a long period of illness. He was the last remaining survivor of a pioneer Knox County family, the late Mr. and Mrs. John Jungman, who settled on a farm five miles southwest of Rhineland in December of 1901. Eleven children were born to this union.

Herman Jungman was born on November 2, 1896, in Buckholts, and was only five years old when the family came to Knox County. He grew up in this area and married Ida Michels, member of another pioneer family, on February 6, 1923, in Rhineland.

The couple were engaged in farming and lived for a time in the old Jungman family home. In the 1940's,

Niece Of Local Women Dies At Saginaw Saturday

Miss Trae Lynne Newton, 16, daughter of Mr. and Mrs. Weldon Newton of Saginaw, died in a two-car accident last Saturday. She was a niece of Mrs. Ida Oustad and Mrs. Zelma Harper of Munday.

Funeral services were held at 1 p.m. Sunday from the Saginaw Church of Christ with Roger Price officiating. Graveside services and interment were at 4:30 p.m. at Eastview Cemetery in Hamilton.

Other survivors include sister, Vonne Powell of Peoria, Ill.; a brother, Mac Newton of Denton; her grandparents, Mr. and Mrs. O. C. McDermott of Abilene; great-grandmother, Mrs. Cora Wade of Roseville, Calif., and a number of aunts and uncles.

H. F. JUNGMAN

about the time Mr. Jungman retired, they built a new brick home in Munday, where they lived until moving to Seymour over 15 years ago. The home now belongs to

Nolan and Ursel Phillips. Mr. Jungman was a member of Sacred Heart Catholic Church in Seymour, having transferred membership from St. Joseph's Catholic Church in Rhineland. He was a veteran of World War I, a member of the Knights of Columbus Lodge, and the Sons of Hermann Lodge. He was a former member of the Munday Chamber of Commerce.

Burial was in St. Joseph's Cemetery in Rhineland under direction of Seymour Funeral Home. Nephews who served as pallbearers are Chris Styles, Kurt Adams, Jeff Styles, Mark Hertel, J. W. Michels, Ray Herring, Greg Hertel and Kevin Herring.

Surviving him are his wife, Ida, of the home; numerous nephews and nieces, and a host of friends who join the family in mourning his passing.

If you're concerned about rising grocery costs, here's something you can do about it.

On November 3, you can make a positive step toward helping hold the line on rising grocery costs. Proposition 5, one of seven proposed Constitutional Amendments which will be offered on the ballot, would include livestock and poultry with all other farm products as exempt from property (ad valorem) taxes. The effect of passage of this amendment will be to lower production costs for livestock and poultry. In the long run, this will be a positive step we can take to help hold the line on grocery price increases. For you and for your family, both now and especially in the future, this may be one of the most important votes you'll ever cast.

Ruth Hammons visited Aunt Kate Glasgow on Monday morning.

Gary and Marsha Hale and girls of Abilene and Dennis and Jeanie Watson and Johnny visited their grandmother, Oma Watson, on Saturday. J. C. and Elizabeth Watson visited several days during the week.

Helen Allen came for reading and discussion on Monday afternoon. They are still enjoying the book, "Cheaper by the Dozen".

Brenda Smith conducted the Tuesday morning devotional for the residents.

Mildred Graves of Graham visited Bessie Hendrix on Wednesday.

Visiting Anna Homer during the weekend were her grandchildren, Donna and Doug Michalik, of Lubbock. Other visitors were her daughter, Sr. Immaculata, and friend, Sr. Josella, of Nazareth; daughter Rita Milton from Tacoma, Washington; granddaughter Cathy, and great-grandson, Brandon, of Saint Jo.

Jerry and Viola Vandever

of California visited Grandma Birdie Vandever several days last week.

Edith Hobert, librarian, showed the movie, "The Great Gatsby", on Wednesday afternoon. Everyone enjoyed hot popcorn with the movie.

Dr. Fidelia Moylette and Mrs. Alice Reneau called bingo on Thursday afternoon and gave out prizes to all the winners.

Cindy Thompson played games and exercises with the residents on Friday morning.

Ruth and Tony Hammons visited Aunt Kate Glasgow on Saturday afternoon.

Rev. K. E. Woolley conducted Bible Study on Friday afternoon. Jeanie Ward played the piano while Dovey Partridge conducted singing.

Ulric Lee of Knox City visited his longtime friend, Anna Homer, on Monday.

St. Joseph's Catholic Church of Rhineland conducted Sunday afternoon church services for the residents. Around 30 residents enjoyed the singing of the choir and the service.

Thanks so much to all the volunteers for giving of their time to be with the residents.

Munday 4-H Club Meets

by April Offutt

Twenty-eight members of the Munday 4-H Club, with Mrs. Jean Reneau, adult leader, met in the First United Methodist Church at 3:45 p.m. Tuesday, October 20. April Stamps, Knox County Extension agent, was also present.

Angie Partridge, president, presided at the meeting. Amy Parker led in prayer and led the 4-H motto. Discussion was held on fund raising projects and requirements for the Junior 4-H Gold Star award.

Christy Morgan furnished refreshments. Robin, Missy and Jae Jae Reneau and Glen Reid were responsible for the program and gave a report on attending the 4-H camp.

The next meeting is planned for Tuesday, November 17.

THE REASON FOR the Bowden get-together last Sunday is the family pictured here: Bera Faye Boyd of Hereford, Janie Link of Brownfield, Bera Spann of Munday, and O. H. Spann of Irving. A son, George Spann of Ennis, is not pictured.

Bera Spann Brings Bowden Clan Together!

Bera Spann was instrumental in bringing the Bowden clan together once again. And all she did was to have a birthday; which, she said, "makes me one day older than I was yesterday!" Her birthday was Saturday, and Bowdens from near and far began converging on Munday that day for an observance and family dinner on Sunday. This was held at the Community Center at the noon hour.

Bera had most of her kin, and her immediate family, to sit together as a group at Sunday morning's service at the First United Methodist Church. One exception was her son, George Spann, and family of Ennis, who were unable to attend because of serious illness in the family.

It was a Bowden gathering, too, for the delicious meal at noon, with around 55 relatives in attendance. A brief reception followed, with invited guests boosting attendance to 65 or better, before the group began breaking up to return to their homes.

Cameras flashed over the assembly room, as several desired pictures in memory of the occasion.

An inspirational event just prior to departure was a vocal rendition of Bobby and Bera Faye Boyd as they

blended their voices in the religious favorite, "He Touched Me".

Bera's children and their families present for the occasion were: Janie Link of Brownfield, O. H. Spann of Irving and Bera Faye Boyd of Hereford, with only George being needed to complete the family circle.

Other Bowdens in attendance were from Albany, Dallas, Denver City, May, Abilene, Rising Star, Ennis, Garland, Dumas, Dimmitt, Olton, Fort Worth, Hurst and Lubbock, and, of course, those of the Munday area.

Letter To The Editor

To The Munday Courier:

I am sending a check early for The Munday Courier. I just enjoy my home town paper so much. We have been gone from Munday a long time but still like to keep up on news from there. We have friends and relatives living there.

Thank you,

Local Couple Celebrates 60th Wedding Anniversary

Mr. and Mrs. Carl Green celebrated their 60th wedding anniversary in their home on Sunday, October 25, 1981. The couple was married October 26, 1921 at Haskell.

All their children were present for the occasion: Gilbert of Del Rio, Nell Gore of Wichita Falls, and Harold of Chino, California. They

have nine grandchildren and five great-grandchildren. Grandchildren present included Pam Uttz of Chino, Calif., Wayman Gore of Houston and LaTreace Gore of Dallas. Two great-grandchildren, Jonithan and Ryan Uttz of Chino, Calif., were also in attendance.

Approximately twenty nieces and nephews joined the couple in celebrating this very special occasion. Mrs. J. E. Tomlinson, sister of Mrs. Green, was also present.

Local Churches Host High School Students

During the football season local churches have invited the entire student body of Munday High School to after-game fellowships following the home games of the Moguls.

The students were guests

of the First United Methodist Church on September 4 following the Munday-Anson game. The group gathered in the fellowship hall and enjoyed nachos, cookies and lemonade. Mrs. Pansy Koenig and Mrs. Nell Sloan prepared the nachos and lemonade, with mothers of the young people of the congregation baking the cookies.

Following the game with Electra, the high school students were treated to ham and chicken salad sandwiches, chips, pickles, iced tea and homemade cookies by members of Saint Joseph Catholic Church in Rhineland.

Hosts for a fellowship following the game with Paducah on October 23 were members of the Munday Church of Christ. The students were served a variety of sandwiches, chips and dips, and finger deserts.

Recent visitors in the home of Mr. and Mrs. Doris Dickerson were Terry and DeAnne Cartwright of Denver, Colorado.

Guar Is Cause Of Their Travels, With A Little Vacation Time, Too

"This world is not my home; I'm just a-passing through . . ."

This opening phrase of an old religious hymn might well apply to people who have flown over, or touched soil in, many countries of this old world.

Take Herb and Alice Partridge, for instance!

And the four letter word, "guar", was the principal cause of it all. Add a kinda rich mixture of vacation time and you have a trip that is rich in experience and memories. And most of it was expense free, so far as digging down into the jeans pocket is concerned.

Herb is employed by the Henkel Corporation, which is a German-owned chemical company that bought out the General Mills chemical division. Headquarters: Minneapolis, Minn.

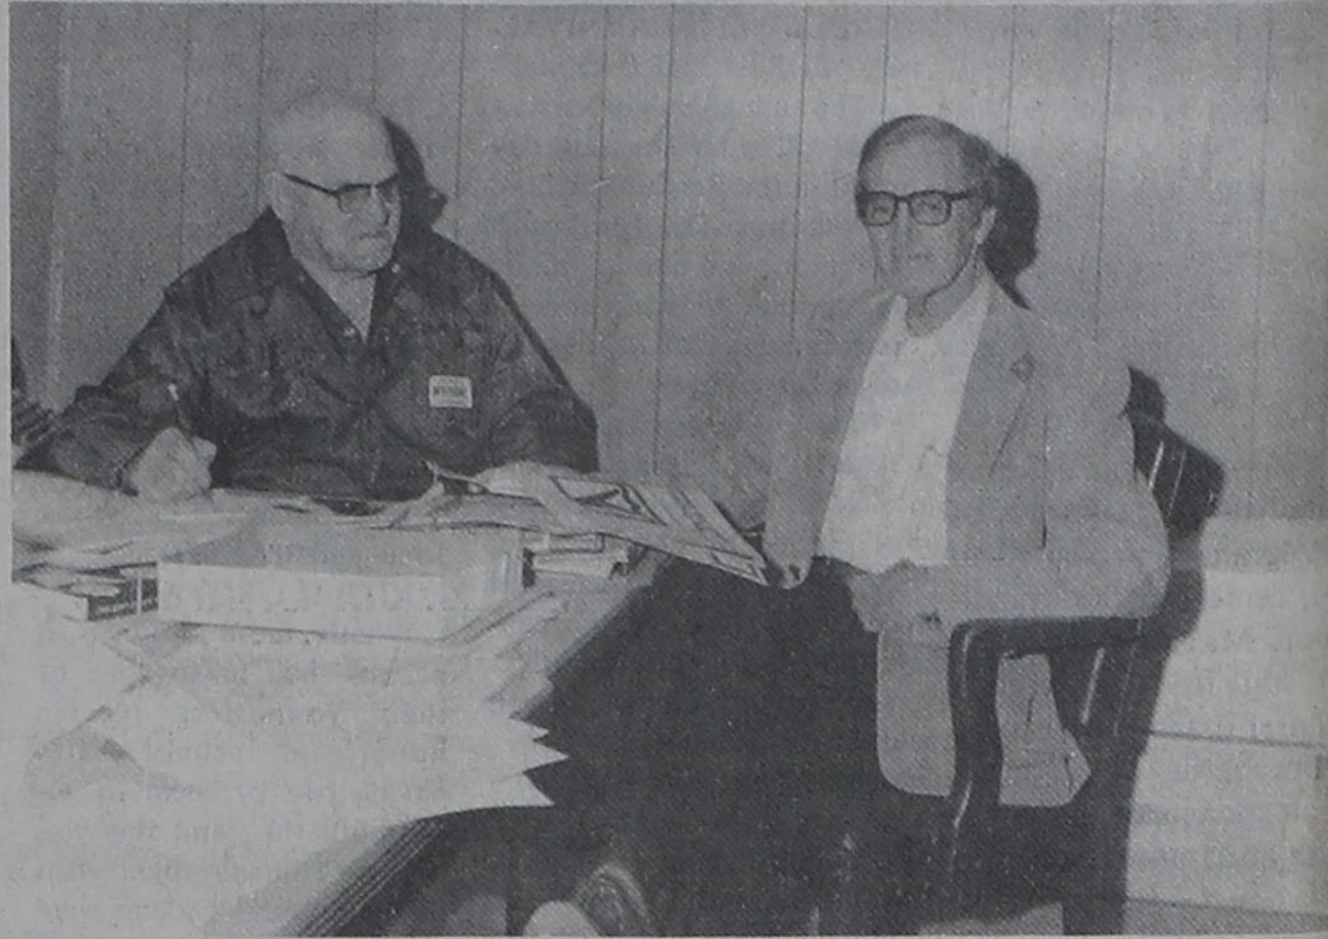

Partridge was designated for the third time in as many years to make a journey into India and Pakistan to evaluate the guar crop and bring his "findings" back to home base. This being the first trip since retirement of Herb's wife, Alice, from the teaching profession, it was decided to combine vacation time and business to make the journey most enjoyable to both.

But first, let's talk about guar . . .

This is a raw material for manufacturing guar gum, which is a water soluble flour that will hydrate in cold water and is used primarily as a stabilizer, or modifier, for a number of industrial processes.

Guar was introduced to the Munday area a number of years ago, but it was at first considered more of a legume than a money crop. Now that it's uses are multiplied, the guar bean can be marketed at \$20 per cwt. this year. It has, in reality, become a money crop, and in 1981 the biggest acreage was planted to guar in both Texas and Oklahoma since 1957.

But this is "peanuts" to India and Pakistan. India alone has 8 million acres devoted to guar production, with an additional million in Pakistan. Research in the production of guar and other crops in these countries is

TELLS THE STORY: Herb Partridge, the traveller (right), is telling Aaron Edgar, the writer, the story of guar and of the recent trip made by Herb and his wife, Alice.

financed by the USDA; hence, the crop is important to America and particularly to the Henkel Corp.

Guar is used primarily as a stabilizer, or modifier, for a number of industrial processes, such as food-sausages, lunch meats, ice cream, salad dressings, the egg substitute "Egg Beaters", and other products.

It is used as a fiber-binder in the manufacture of paper, as a sizing agent for textiles, in textile printing to prevent colors from running, and such. Emphasis on the guar gum market is its use in oil well drilling and fracturing, etc.

Adding guar-time to vacation time, Herb and Alice went to Houston, then to San Francisco, where they became airborne for Tokyo, Japan. They spent a few days there, since guar has sales connections there.

Herb made an interesting side remark here regarding hotel accommodations. Room rates in Japan ran as high as \$123 per day; whereas, in India they found lodging at the low rate of \$3.50!

Delhi, India was their next

destination, where Herb always checks with the U. S. Embassy upon arrival and gets "clearance", etc. Importance is attached to this act, as on this trip it was found that some 500 Indians had gathered to protest against U. S. arms being supplied to Pakistan.

Next stop was at Jaipur, capital of the state of Rajasthan, where the Partridges were fortunate to secure the same driver who served Herb on his other two trips.

At Agra, they visited the famous Taj Mahal shrine, one of the several wonders of the world. This Alice really enjoyed as a contrast to guar business!

The great desert of India (primarily in Rajasthan) is the principal area for guar production. Rainfall there, Herb said, is very little different from the Ft. Stockton-Pecos area. Trouble is that it comes from July 1 to August 1, with 10 to 15 inches falling in a short period. Then it's over!

Most of the irrigation for guar production is from canals and tube-type pump activity, in the states of Haryana and Punjab. Other principal crops in the irrigation belt are millet, mungbeans, cotton, rice and sugar cane.

"We traveled about 3,000 miles in three states of India, and in vehicles without air-conditioning. The primary foods were bread, bananas and apples; but, within a few days we'd reach a place where better foods are available. We could sustain ourselves on this food, but we lost weight! Water was our biggest problem. As in many countries, we didn't dare drink raw water, and we always carried a supply of pure water.

"From Delhi, we went to Karachi, Pakistan, where there's another guar processing plant. Here, we found the downtown area little different from downtown Houston.

"At Lahore, (in northeast Pakistan) there was a U. S. financed research station, and personnel from the station served as guides to all projects of the area. Bear in mind that we travelled

through guar fields most of the way.

"Much of the time, we were within 150 miles of Kabul, Afghanistan, where better than three million refugees were seeking refuge after fleeing Pakistan."

With business completed, Herb and Alice added a few more days of vacation time and flew to London, where one of the highlights was enjoying the lovely countryside.

"Actually, we pretty well circled the globe," Herb said, "although we didn't touch down in the countries of Europe. This was Alice's first trip, but she vows she's going along on next year's jaunt!"

So, they're back home in dear old Knox County, where they can get plenty of pure water for drinking and cooking purposes, and get all the good food their budget will allow! They brought back memories of many things—some enjoyable, some pathetic—that will always occupy space in their storage of memories.

The Sweepstakes Award was won by Janet Conner of the Spring Chickens Extension Homemaker Club.

Runner-up was Karen Patterson, also of the Spring Chickens Club.

The Club Woman of the Year Award was presented to Geneva Navratil of the Gilliland Extension Homemaker Club.

Mrs. Navratil has been a member of this organization for 38 years. She is presently serving as vice-chairman of the County Council, and is treasurer and council delegate for the Gilliland E. H. Club. She has also served this year as Texas Extension Homemakers Association Chairman, and has been re-elected for this office for the 1982 year.

FOR OUTSTANDING SERVICE - A plaque saluting her service as chairman of the family living task force of the Rolling Plains Economic Program is presented to Mrs. Kathy Carroll of Gilliland, center, at the organization's annual meeting in Vernon. Making the presentation are Dr. Judy Sanders, left, state leader for county programs with the Texas Agricultural Extension Service, College Station, and Floyd Borchardt of Crowell, RPEP is a 30-county organization sponsored by Extension to promote economic growth and improved family living.

4-H Food Show Set For Saturday

4-H'ers will match foods and nutrition expertise against each other in the Knox County 4-H Food Show, Oct. 31, 1981. About 25 youth will compete in Sr. and Jr. divisions, according to April Stamps, County Extension Agent.

Entries will be on public display at approximately 12:00 noon at the Benjamin Memorial Building in Benjamin.

Senior division entrants are ages 14-19, while junior division youth are ages 9-13. Pre 4-H'ers are ages 6-8.

A feature of the show will be a "tasting tea" event, with a charge of \$1.50 being made for those tasting.

For the contest, each 4-H entrant will compete in one of four classes, including main dish, fruits and vegetables, breads and cereals, or nutritious snacks and desserts. Set up will begin at 9:00 a.m. and judging will start promptly at 9:30 a.m.

"Because the foods and nutrition program focuses on nutrition, each contestant will have to demonstrate what she or he knows about nutrition, meal planning, food buying and meal service, as well as preparation techniques," Mrs. Stamps explained.

The Knox County 4-H Food Show is sponsored by the Texas Agricultural Extension Service.

HALLOWEEN CARNIVAL SET FOR SATURDAY

The annual Halloween carnival will be held on Saturday night in the Benjamin school gymnasium. The fun begins at 6 p.m., and booths will be set up to provide fun and entertainment for everyone, regardless of age.

The program and coronation will begin at eight o'clock. School royalty will be elected by popular vote, so be sure to be there and cast your vote for the candidate of your choice. Representatives from each class are as follows.

First grade - Joy Lynn Lyles and Matt Kizzia.

Second grade - Kristin Simmons and Daniel Westmoreland.

Third grade - Rebekah Duke and Tres Pierce.

Fourth grade - Ivy Kizzia and Bryan Busby.

Fifth grade - Kelly Westmoreland and Shane Simmons.

Sixth grade - Kim Cash and Kemp Jones.

Seventh grade - Sue Gideon and Shane Spinks.

Eighth grade - Amy Griffith and Junior Barrientez.

Ninth grade - Kim Trep-anier and Steve White.

Tenth grade - Debbie Bufkin and Troy Pratt.

Eleventh grade - Tami Bates and James Propps.

Twelfth grade - Sheila Jones and Mike Bufkin.

FOOTBALL ROYALTY

What's more thrilling to parents than having one of their youngsters receive honors at school? It's having two of them to accomplish this, and this was the case Thursday night when Sue and Oscar Gideon were named junior high football royalty. Oscar, an eighth grade student, was elected hero; and Sue, who is a seventh grader and cheerleader, is this year's sweetheart. They are children of Jane and Weldon Gideon, and we congratulate them!

A REMINDER

A bonfire will be held Thursday night to get everyone's spirits up and ready for that game Friday night with Goree. The time had not

been decided Monday-but watch for the smoke and listen for the cheers! Then you can't miss it. The slogan this week is: "Get a Wildcat!" HERE 'N THERE

Mr. and Mrs. Jim Harris of Houston were weekend guests of Clodell Duke and Jim and Ila Bohannon. The group enjoyed lunch Saturday at Clodell's. Present were the Sammy Bohannons and the Roger Bohannons of Earth, Mary Tom and Rex Bohannon and Brandi, and Jonnie Williams of Benjamin, the Harrises and the Jim Bohannons.

Saturday guests of Mr. and Mrs. Van Green were Ron and Sue Glenn and family of Wichita Falls and Ruby Wynn and Diane Green of Munday.

Sunday guests of the Bobby Robersons were Jackie Hance of Lubbock, Bill Timberlake of Levelland, Robbie Sullivan of Woodson and J. Winston Feemster of Vera.

Guests of Edith West during the weekend were Mr. and Mrs. Ricky Abbott and children of Cisco.

Weekend guests of the Fred Carvers were Mr. and Mrs. Fred Warren, Mr. and Mrs. Odell Carver and Craig Carver of Knox City, Mr. and Mrs. Gary Antilley of Guthrie and Mr. and Mrs. Mark Collins and Jacy of Benjamin.

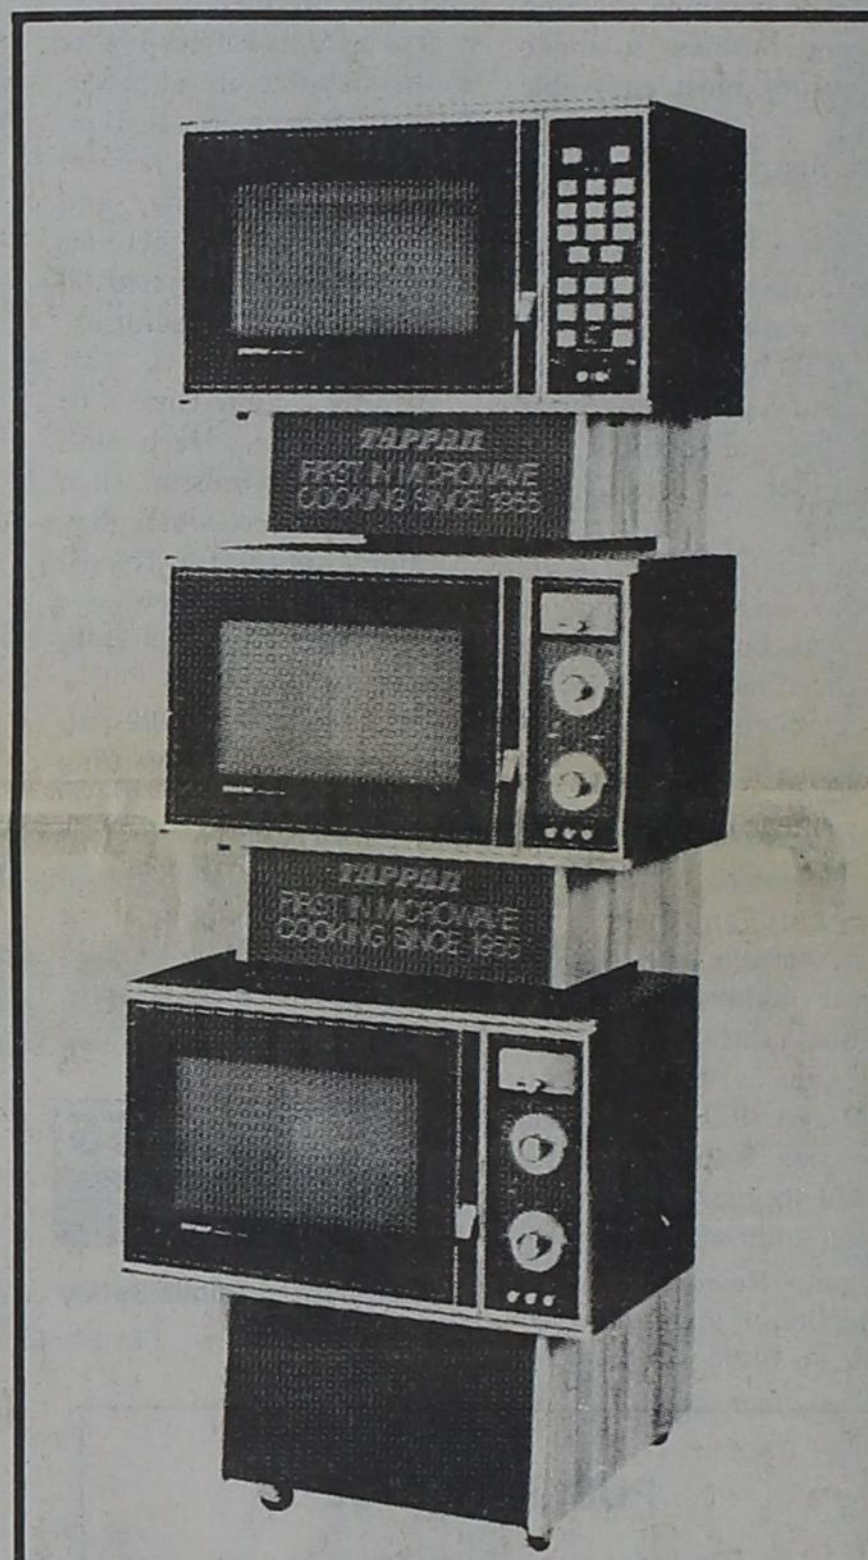

Joint Venture Events Continue To Aid WTRC

Gifts of more than \$1000 in cash, equipment or production to the Joint Venture for Crippled Children will be recognized by placement of the individual's name or business trademark on the wall at the West Texas Rehabilitation Center.

The Joint Venture for Crippled Children, a partnership between the petroleum industry and the Rehabilitation Center, was planned to honor the contributors to the Center from the oil industry.

JVCC activities scheduled for November include the International Petroleum Exhibition for Public Education, Nov. 7-9, in the Round Building at the West Texas Fairgrounds, Abilene, and the third annual JVCC Oilfield Equipment and Service Sale, Nov. 9.

To become a part of the JVCC, contributions to the sale or cash donations to the West Texas Rehabilitation Center are needed.

LET'S KEEP THE WATER RUNNING IN TEXAS!

In cities and towns all across Texas, local water problems are threatening to erupt into one enormous statewide crisis. Countless communities are facing growing water supply, water treatment, sewage treatment and flood control problems estimated to cost a staggering \$50 billion over the next 25 years. To make matters worse, federal funds for water projects have recently been slashed.

But on November 3, Texans have the opportunity to adopt a plan, already passed by two-thirds of the Legislature, which would harness a portion of our state's budget surplus to help shoulder that heavy local burden.

The plan is proposed Constitutional Amendment No. 4.

Passage of Amendment No. 4 would:

- Make possible the sale of more than \$200 million in authorized and urgently needed state bonds to address a backlog of needed projects.
- Create a loan guaranty program to enable local communities to save millions of dollars in issuing future bonds.
- Begin to build a "nest egg" for the future from a part of the state's budget surplus to assist local governments in financing future water and sewage projects.

Texas' water needs *must* be met, either now or in the future. We can act now, and save money... or pay the higher price later for our neglect, with possible increased taxes. Sensible action now makes much more sense for Texas.

Before you buy any irrigation system, see us for a ValCom energy analysis.

A sure way to avoid a devastating irrigation fuel cost mistake.

The simple fact is that energy costs determine the economics of center pivot and linear irrigation.

It's been proven that the most energy-efficient system will often pay back its initial price difference over an inefficient system 10 to 50 times.

Maximum energy economics involves more than the choice of a fuel source. It results from matching the right pipe diameters, water pressure, sprinkler package and other advanced technology.

To analyze and compare systems on paper takes time. A ValCom energy analysis will do it in minutes.

ValCom is a nationwide computer service that will analyze and compare any system you're considering to other systems for maximum energy efficiency.

Before you buy, call us for a ValCom analysis, and join the list of ValCom growers who are saving thousands in energy costs.

A Little Frost, A Little Ice On Two Mornings

Chilly weather followed recent rains, resulting in a visitation of frost and a light freeze on two mornings.

Early risers found what was thought to be frost on their windshields on Friday morning; yet the thermometer reading was 35 degrees that morning. The same phenomenon occurred again last Monday morning, with water being dashed on windshields to melt the ice. A low of 34 degrees was reported at Wichita Falls.

Explanations of how it can freeze with temperatures above the freezing mark seem unsatisfactory.

The MOGUL

Ads for the yearbook have been sold, and the staff is having meetings to organize for the work-year. School pictures were taken at the first of the year, and those have been received. It is these pictures for which pages will now be set up. Retakes were October 22, and the same day group pictures were taken, as were the ones for class officers and favorites and the Mr. and Miss MHS nominees.

Watch for further news of the yearbook, and get prepared to order your 1982 MOGUL.

Pep Squad Report

by Dawn Parker

The Pep Squad, sponsored by Mrs. Welch, met September 2 to elect the officers for the 1981-82 school year. Those elected were Deede Kuehler, president; Kathy Pennartz, vice-president; Marisela Bejar, secretary-treasurer, and Dawn Parker, reporter. Other members include Pam Blalock, Cynthia Johnson, Gwen Jones, Norma Taylor, Jeanette Kuehler, Irene Sepeda, Tammy Porter, Liz Dena, Rosa Fernandez, Charlotte Hernandez, Eva Andrade, Cheryl Wilde, Janet Myers, Jolanda Ramirez, Carol Pennartz, Mary Jane Kuehler and our newcomer, Aurora Garcia.

At this meeting, the new members received uniforms and pom-poms. To help pay for these items, we sold Munday Mogul note pads and ribbons which are sold during the week of a game to help contribute to the Pep Squad fund. The sale of these ribbons, and especially the homecoming ribbons, have made it great this year.

In preparation for the 1981 homecoming activities, the Pep Squad members made football name tags for the exes. At halftime, the band performed an honor formation, flanked by the Pep Squad members and the officers. Pep Squad members presented roses to the exes and the 1981 Queens and their courts.

The Pep Squad members welcome you to all the games and help cheer our Mighty Moguls on the victory.

Munday Future Homemakers News

by Elaine Brown

The Munday FHA Chapter has held two meetings since school started. The officers and members have been busy planning an interesting and rewarding program for all members.

President Elaine Brown presided at the executive luncheon. She introduced materials for the money-making projects, and discussed items of business to be brought before the membership on September 30.

The FHA members elected Stan Decker as chapter Beau for the year. Chapter Mothers for the year are Mrs. Rosemary Brown, Mrs. Betsy Zeissel, Mrs. Leona Elliott and Mrs. Mary Cartwright.

Chapter projects chairman, Darla Myers, discussed the current chapter project, secret Dads. Each chapter member selected her Pa the week of October 12.

FHA members voted to honor residents of Leisure Lodge by sending them cards for Grandparents' Day. This project was very rewarding.

FHA's working on Level II Encounter have been to kindergarten and first grade classes to tell stories and sing songs. This was in preparation for the play school which is held annually in the department. This year there

were 19 children participating. Again, it was one of the highlights of our activities.

The members have sold smoked turkeys for Thanksgiving. The sales ended October 19, and the turkeys will be delivered on November 19. We wish to express our thanks to all who bought one from our members.

FTA's Busy At Work

by Mona Choucair

The Munday FTA Chapter began projects this year by helping out with the Jerry Lewis Muscular Dystrophy Telethon, in conjunction with the FFA chapter and the Jaycees. Thanks to many hard-working people, the grand total for Munday was over \$1,300.00. The FTA's were happy to have been a part of this worthwhile cause.

Newly elected officers are: president, Mona Choucair; vice-president, Kevin Kuehler; secretary-treasurer, Elaine Jones; reporter, Kristi Smith; and historian, Cindy Maston.

The FTA assisted in making a giant poster for homecoming. Also, the concession stand at the homecoming game was conducted by the FTA. As an extra measure, members of the chapter baked cookies and brought them to the homecoming committee as they worked the night before homecoming.

National Honor Society News

by DeeDee Kuehler

The National Honor Society of secondary schools began in 1921 and is still active today. The Munday chapter of the national Honor Society met on October 1 to elect officers for the coming year, and to assign workers for the concession stand. Membership in this organization is based upon scholarship, service, leadership and character; also, candidates must be members of the sophomore, junior or senior classes and must maintain a minimum scholarship average of "A".

This year's members include Cathy Cartwright, secretary-treasurer; Mona Choucair, vice-president; DeeDee Kuehler, reporter; Kevin Kuehler, president; and Tena Myers, all third-year members. The second-year members are Elaine Brown, Sheryll Elliott, Danny Hertel, Darla Myers, Danny Sloan, Kristi Smith and James Tidwell. Jeanette Kuehler, Julie Partridge, Wilda Smith, Paula Waggoner and Cindy Maston are first-year members. This organization is sponsored by Mrs. Nahwana Donoho.

This week we will have another big district game when we face the Haskell Indians on their field. They are 0-2 in district, but always play inspired football against Munday. We will need to maintain our intensity in order to win Friday night.

Jr. High Football Results

by Coach Dennis

Our seventh grade boys did not play Thursday due to the fact that Paducah has only one Jr. High team. Boys on the seventh grade Braves team this year are Jeff Bruce, David Hertel, J. B. Jones, Lino Hernandez, Curtis Taylor, Chris Baker, Ricky Taylor, James Gass, Jimmy Sosa, Johnny Castillo, Brandon Saffel, Joe Bejar, Richard Toliver, Jay Donoho, Reggie Tucker, Douglas Schumacher and Isar Garcia.

They will return to action this week against Haskell at Munday, Thursday (today) at 5 p.m.

The eighth grade played one of the sloppiest games they have played all year. The kids and I both felt our execution was not as sharp and crisp as in the past.

The fortunate thing for us was we were playing a very young Paducah team consisting of only three eighth graders. Even though we did not execute to perfection, we were able to score 44 points and keep them off the scoreboard. One of our touchdowns was set up by an interception and one by a punt return.

Scoring for the Braves were Todd Thompson, Isaias Dena, Tim Collier, Scotty Jackson and Ryan Wright.

I will say that I feel like our lackluster performance was due to a possible letdown after playing Quanah and the caliber of competition. The eighth grade will face Haskell Thursday (today) for their last home game.

BREAKING THROUGH the Dragon defense is Lawrence Collier, No. 33, as he burns up the yardage for another good gain in the 23-8 victory for the Moguls last Friday night.

IN ACTION FRIDAY NIGHT . . .

Area Results

CROWELL WILDCATS DEFEAT HASKELL

Crowell's Wildcats used two long runs, a safety and a fullback pass Friday night to get past their visitors, the Haskell Indians, by a 21-13 score in a District 7-AA game.

The win raised Crowell's district record to 1-1, while Haskell is 0-2 in district. Both teams are 3-4 for the season.

Haskell scored on a five-yard run by Albert Sherman the game. Players who deserve a lot of credit for the victory are Lester Adams, Bryan Kuehler, Johnny Collier, Gary Adams, Victor Shields and Danny Ramirez. Stephen Schumacher did an outstanding job of quarterbacking his first full game at that position.

Sparkling defensive performances were turned in by Robert Murray, Quincy Adams, Gary Adams, Junior Andrade, Lester Adams and Victor Shields.

This week we will have another big district game when we face the Haskell Indians on their field. They are 0-2 in district, but always play inspired football against Munday. We will need to maintain our intensity in order to win Friday night.

in the second quarter and a four-yard run by Joe Benvides in the third.

KNOX CITY DROPS GAME TO HORNETS

The Knox City Greyhounds suffered a blocked punt and another turnover which seemed to do the trick for Aspermont's Hornets Friday night in a District 4-A game at Knox City.

Aspermont was on top of a heavy 42-22 scoring spree that kept the fans awake and boisterous. The Hornets got the scores in the first three quarters, while Knox City scored in every quarter except the first.

BENJAMIN GAINS WIN OVER GUTHRIE

Bunjamin's Mustangs journeyed to Guthrie Friday night and had seven of their players score touchdowns in a 57-13 riot over the Guthrie Jaguars. The Mustangs are now 3-0 in the district and 5-1 for the year.

Scoring for Benjamin were Jim Mancille, three; and Kent Hertel, Troy Oxford,

Randy Engbrock, James Propps, Allen Heard and Alan Baty, all one each.

Scoring for the Jaguars were Brent Rankin and Lacy Colwell, one each.

SEYMOUR BESTS QUANAH INDIANS

The Seymour Panthers put their rushing attack to good use against Quanah's Indians last Friday night in a 15-8 decision as the two teams played on Panther Field.

Seymour is now 2-0 in district play and 3-4 for the season. Quanah is still winless, being 0-2 and 0-7.

Both teams scored on their first plays from scrimmage, then it was a defensive battle for most of the night.

RULE BOBCATS BEAT GREYHOUNDS

The Rule Bobcats had to come from behind with 2:12 left in the game to overcome a stubborn Throckmorton team in a 15-8 final tally. The game was at Throckmorton.

The Bobcats trailed 8-7 when Leon Greason hit Otis Lockhart with a 68-yard pass for the final score. Rule scored first in the first quarter of the 4-A district game, but Throckmorton bounced back quickly and went ahead before the first quarter ended.

Local Girl Wins District FTA Honor

For the second consecutive year, Mona Choucair captured the title of Miss District FTA of District Nine, a very honored position in the organization of Future Teachers of America. The election was held at the district convention in Jacksboro on Saturday, October 24. Mona will represent the district at the state convention in Houston. She and Mr. FTA, from Wichita Falls Hirschi High School, will be competing for a \$1,000.00 college scholarship. Mona was runner-up for State Miss FTA last year. The selection of Mr. and Miss FTA is the highlight of the district convention.

MONA CHUCAIR, Munday senior, elected Miss FTA of District IX.

by running for these offices and presenting their speeches.

A "Name Tag Contest" was held this

Twenty-one members from the Munday chapter attended the convention. Mrs. Karen Longan, sponsor, and Mr. and Mrs. Boyd Baker accompanied the group. Attending were Mona Choucair, Alyson Fisher, Angela Meers, Julie Partridge, Donna Welch, Ron Redder, Mary Jane Kuehler, Cindy Berryhill, Beverly Brown, Terri Adams, Lola Shields, Elaine Jones, Paul Wright, Cherie Welch, Pam Welch, Charlotte Hernandez, Juana Castillo, Rosa Fernandez, Kelli Smith, Holly Hutchinson and Liz Dena.

Angela Meers and Julie Partridge served as voting delegates during the convention. Paul Wright, Donna Welch and Angela Meers ran for district offices, and although none were elected, the count was very close in each instance. These young people should be commended for their participation. They gained much experience and confidence

WTU Asks For Change In Rates

West Texas Utilities Company has filed for a change in wholesale rates for electric service it supplies to 14 rural electric cooperatives, one municipality and one investor-owned distribution company.

In its filing Friday, October 16, with the Federal Energy Regulatory Commission in Washington, WTU estimated that the new rates will produce about \$4.3 million in additional revenue for the company during the 1982 calendar year. This amounts to an increase of approximately 10 percent from those wholesale customers.

WTU requested that the new rates become effective on December 15. The present rates have been in effect since June, 1980. WTU also proposes to change to a fuel adjustment clause similar to the one applied to its retail customers. No other major changes were proposed.

WTU officials said the rate change is necessary to bring the Company's earnings on

sales to wholesale customers to a level that will help WTU maintain a sound financial condition and attract new capital for growth required to meet future needs of electric customers. The previous wholesale rate increase proved insufficient because of inflation, higher than anticipated interest rates, and the delay in making the rates effective.

The following wholesale customers will be affected by the filing:

Coleman County Electric Cooperative, Inc., Concho Valley Electric Cooperative, Inc., Dickens Electric Cooperative, Inc., Gate City Electric Cooperative, Inc., Greenbelt Electric Cooperative, Inc., Lighthouse Electric Cooperative, Inc., McCulloch Electric Cooperative, Inc., Midwest Electric Cooperative, Inc., Rio Grande Electric Cooperative, Inc., Stamford Electric Cooperative, Inc., Taylor Electric Cooperative, Inc., Western Farmers Electric Cooperative, Inc. (which supplies Southwest Rural Electric Assoc.) Brazos Electric Power Cooperative, Inc. (which supplies B-K Electric Cooperative, Inc., Comanche County electric Cooperative, Inc. and Ft. Belknap Electric Coopera-

tive, Inc.) City of Sonora and Texas-New Mexico Power Company.

year, with a sample name tag from each school being judged by a panel of judges. They were judged on originality, neatness, creativity, application to theme and quality. Trophies were awarded, and the Munday group won first place. Jacksboro placed second and Graham was third.

The group left Munday at 6:30 a.m. Saturday morning and returned around 6:00 that evening. They were very tired but pleased with the day's accomplishments.

Lone Star Files Rate Increase

Lone Star Gas Co. manager, Leon Ivey, recently filed an application for a rate increase which would raise the average residential customer's monthly bill in Munday about \$2.84 in the winter and \$4.42 in the summer.

Based on Lone Star's rate application, a residential customer who uses an average of eight thousand cubic feet of gas a month paid \$29.11 for gas service in the winter. Under the requested rate, that same customer would pay \$31.95.

Commercial gas customers' rates would also increase under the requested rate schedule.

"Our customers are accustomed to dependable natural gas service," says Ivey. "This rate increase is necessary to continue a high performance level and for other necessary expenses, such as maintaining and improving the local pipeline distribution system, which are vital to dependable service."

Lone Star's last rate increase in Munday became effective in December, 1979.

"Since that time, every business, including Lone Star, has experienced increased operating expenses," says Ivey. "And, of course, unlike other businesses that can raise their prices as expenses go up, we must apply to the city council for a rate increase. No one likes rising prices, but any business must earn enough money to meet operating expenses and still achieve a reasonable profit. Even though our expenses have gone up, Lone Star still has one of the lowest average operating costs per customer when compared to any of the other major gas utilities in Texas."

JV Game Report

by Coach Kingston and Coach Redden

Paducah kept us off the scoreboard in the Junior Varsity game there Thursday night, the final score being Paducah 56, Munday 0.

The first half of the game proved to be a real trying time with Munday dropping the ball and Paducah scoring. Our boys held them better in the second half with our opponents making only seven points in that period of play. We will play Haskell here Thursday (today).

FINISHING TOUCHES are being placed on the band instrument trailer by this group of senior boys and their teacher, Greg Rawdon, standing at right. Standing at left is Victor Shields. Seated, from left, are Moses Dena, Robert Murray, Stephen Schumacher and Stan Decker. These are the morning Ag III class members, with the exception of Junior Andrade, who worked to repair the trailer and design and paint the Mogul on the sides. The afternoon class members of Ag III who helped with the project include Lori Kimmel, Brand Cude, Lester Adams, John Myers, Gary Adams, Don Awalt and Kelly Allred. When this photo was taken the group only lacked some outlining on the Mogul to have a finished product. The band is very grateful for their work and will enjoy making use of the trailer to carry their instruments.

The Troy Moores Host Birthday Celebration

When Troy Moore turned 50 years old fifteen years ago, Margaret began a celebration for her sisters, brother, and their mates on the day of their 50th birthday. Through the years they have enjoyed this special celebration, and the tradition ended during this past weekend with the youngest sister, Dumpy (Mrs. Charles Pruitt), experiencing this happy occasion.

Visiting in the Moore home and helping celebrate the birthday were Mr. and Mrs. Tommy Lany, Crystal and Danny of Henrietta; Brenda and Chuck Pruitt of Nocona; Mrs. Bill Hudson, Mrs. Judy Johnson, Mrs. Charles Hudson, Deanna and Robbie Hudson, all of Lewisville; Mr. and Mrs. Lawrence Wenzel and Wanda of Ft. Worth; Mrs. Connie Steward, Plainview; Mrs. Jason Tiner and friend of Hale Center, Mrs. Patsy

Lansford of Knox City; Mr. and Mrs. Lowry Wilson, Sr., Mr. and Mrs. Lowry Wilson Jr., and children, Mrs. Edith Runnels, Mr. and Mrs. Floyd Reed Sr. and Mark Reed, all of Munday; Charles Pruitt and the honoree of Nocona.

Extension Homemakers Council To Meet

The Knox County Extension Homemakers Council will meet Monday, Nov. 2, 1981 at 2 p.m. in the assembly room of the Knox County Courthouse in Benjamin.

Plans will be made for the annual Christmas party and standing committees will be announced.

The president and council delegates from each Extension Homemaker Club are encouraged to attend. For more information contact the County Extension Office, 454-2651, or April Stamps, County Extension Agent.

Gill Wyatt Celebrates 90th Birthday

Gill Wyatt, long-time resident of Munday, celebrated his 90th birthday on Sunday, October 25. His wife, Mrs. Ina Wyatt, baked him a beautiful birthday cake. They both reported a wonderful day and Mr. Wyatt said, "I stayed up all day long - didn't even have to lie down and rest. It was a great day."

Out of town guests in the Wyatt's home included Ed and Claudia Lee Shulz and Becky Rodgers, all of Ft. Worth. The ladies are nieces of the Wyatts. Several neighbors and friends also came by for cake, ice cream and punch. He received a number of gifts and flowers.

Senior Citizens Meet To Sing

The Senior Citizens held their singing on October 22 in the Munday Community Center. The entire group sang for an hour or so and refreshments were served. The remaining time was spent listening to trio's and quartets. Guest singers were from Knox City and Red Springs. We wish to thank Mrs. Christ for her work at the piano and also the one who lead the songs.

Watch the next AARP report for the next singing date.

Everyone had a most enjoyable evening. Anyone who likes to sing or listen, please feel free to attend. You will be welcomed.

Environment Has Impact On Families

Environment has such a major impact on families that it actually affects family behavior, says a family life education specialist with the Texas A&M University System. Environment literally sets the state for how children and families live, grow and change. It forms the larger world of each child and adult--confronting them with pervasive forces and pressures that individual families have no control over, including various socioeconomic, physical and man-made elements. Meeting these various environmental challenges depends on coping skills--of families as groups and as individuals.

CARD OF THANKS
God in His wisdom provided us with friends to help us over the rough spots of life. The ministry of these wonderful friends in our trying hours during Herman's illness and at the time of his death were a blessing to us.

We are truly grateful for all words of sympathy, deeds of kindness, the visits at the hospital, floral offerings and memorials, food, cards and letters which brightened our days. We appreciate you all so much!

Our special thanks to Father Boyle and Father McGuire for their comforting service, the funeral director, and everyone who helped during our great loss and time of bereavement. Our prayer is that God will richly bless you all, individually.

Ida Jungman,
Mr. and Mrs. W. C. Hertel
and all those so dear to

Texas Farms Increasing

While the total number of farms in the United States continues to decline, Texas is bucking the trend. While more farms in West Texas are consolidating to form bigger, more profitable units, farms in eastern areas are being sub-divided into smaller units to be used as weekend retreats by folks who have to live and work in the city during the week. Texas boasted 194,253 farms in 1978 compared to 174,000 in 1974. The U. S. Census Bureau defines a farm as "any place from which \$1000 or more worth of agricultural products were sold or normally would have been sold in the previous year." However, a relatively small portion of the total number of farms produce the lion's share of agricultural products, notes an economist with the Texas A&M University System. In Texas 2.8 percent of the farms produce 60 percent of the value of farm cash receipts.

Vera Happenings

By MRS. THELMA COULSTON

Mrs. Willie Jennings of Rule spent last week in the home of her daughter, Mr. and Mrs. George McKinney. Mrs. McKinney returned home with her Monday and visited Tuesday until George came for her late in the evening. George and Bertha Faye are boasting a new great-grandson. David Michael, born October 11, 1981 to Mr. and Mrs. Jerry McCarty of Houston. Maternal grandparents are Mr. and Mrs. Bill Odom of Houston and maternal great-grandmother is Mrs. Willie Jennings of Rule.

Mr. and Mrs. Paul Weiss returned home Friday after spending a few weeks at their ranch near Davis, Oklahoma.

Visitors with Mrs. Henry Patterson were Mr. and Mrs. Alton Lee Patterson, Mike and Ricky, of Wichita Falls and Mr. and Mrs. Robert Nix of Munday.

Mrs. Finis Bratcher and Daughter, Shannon, of Bowie were Saturday visitors with her sister, Mr. and Mrs. Claudell Bratcher.

Mr. and Mrs. Olen Coffman and Pud Coffman were in Wichita Falls Monday to be with a grandson, Jud Lane of Archer City, who underwent knee surgery in Wichita General Hospital Monday afternoon.

IN GENERAL ELECTION . . .

Seven Amendments Up For Vote Next Tuesday

The 1981 General Election will demand the attention of all voters in the nation next Tuesday, Nov. 3. The fact that no political parties, or names, will appear on the ballot may be a reason for a light vote.

However, there are seven amendments to the Texas constitution that should attract attention of all voters of Texas. These are varied in nature—being opposed by some and recommended by others—and should require study by voters. They are as follows:

No. 1 - An amendment that would allow the legislature to authorize cities, towns and other taxing units to grant exemptions from ad valorem taxes on unproductive, under-developed or blighted areas in order to encourage development.

No. 2 - An amendment that would authorize a person to receive a patent to land from the Commissioner of the General Land Office under certain conditions.

No. 3 - An amendment that would enable the legislature to grant to a state finance management committee the authority to manage state funds.

No. 4 - An amendment that would provide that one-half of the surplus tax revenues would be placed in a Water Assistance Fund to be used as provided by law, including projects for water development and conservation, flood control, etc. This amendment is pushed by West Texas Chamber of Commerce and opposed by Gov. Bill Clements.

No. 5 - An amendment that would exempt livestock and poultry from taxation.

No. 6 - An amendment authorizing the governing body of county, city, school district or other political subdivisions to exempt from taxation a portion of the market value of a residence homestead.

No. 7 - An amendment that would authorize the Veterans' Land Board to issue and sell an additional \$250,000,000 in bonds increasing the Veterans' Land Fund from \$700,000,000 to \$950,000,000.

Mr. and Mrs. Royce Young of Plano brought her mother, Mrs. Sabra Rice, home Saturday after she had spent a few days in their home. They also visited Mrs. Young's sister, Mr. and Mrs. Jerrell Trainham and family.

Mr. and Mrs. Jim Coulston, Michelle and Jonathan, of Tahoka spent the weekend with their parents, Mr. and Mrs. Ferman Dowd and the Carl Coulstons.

Mr. and Mrs. K. B. Ritchie visited two of their children, Mr. and Mrs. LaMoine Ritchie and family in Lubbock and the Bill Parham family in Idalou, during the weekend.

Mr. and Mrs. Robert Coffman and son, Hardy, of Wichita Falls were visitors with his parents, Mr. and Mrs. Olen Coffman Sr.

Mr. and Mrs. Cecil Cleveland were recent visitors with their children, Mr. and Mrs. Mitchell Cleveland and family in Bowie, and Mr. and Mrs. A. C. Miller and family in Rhome.

Mr. and Mrs. Wayne Sutton visited his father, Mr. and Mrs. George Sutton, in Jacksboro.

Mr. and Mrs. Cecil Cleveland were in Wichita Falls Saturday where she attended a baby shower for their granddaughter, Mrs. Deanna Jackson, Saturday afternoon.
