IS IT DONE YET? Byron Gass, left, and Freddie Caram inspect the meat cooking at a barbecue held Saturday night to celebrate the completion of a weight room for Munday athletes. The room was built by members of the Munday Booster Club, who enjoyed a good meal and a tour of the new facility.

Athletes Using New Weight Room

The completion of Munday High School's new addition to its athletic complex was celebrated Saturday night with a cookout at the facility.

The weight room, which is now in use by local athletes, was built entirely from donations, with Mogul Booster Club members contributing their time and labor. Everyone connected with the new building was invited to the cookout in apprecia-

tion of their work. Larry Thompson donated a goat, which was cooked by several local men, including Freddie Caram, Jessie Andrade, Ray Lynn Hardin, Daniel Ramirez and Byron Gass. Several wives cooked and brought other items for the meal, such as beans, homemade tortillas and sauce. A good crowd enjoyed the delicious food and toured the weight room.

Moore, Winchester Win Trustee Race

Maynard (Sonny) Moore garnered 177 votes to win a seat on the Munday Independent School District board of trustees, and he was followed closely by B. R. Winchester, who received 169 votes for the other board vacancy. A total of 303 persons cast ballots in the election Saturday, according to judge Winters Mathews.

Incumbent Larry Thompson was third in the vote-getting, but failed to retain his trustee spot. Thompson received 149 votes, Bill Williams had 87 and Gifford Wilde received

Timely Film To Be Shown At First Baptist Church

At a time when grave financial pressure threatens the stability of our families and the ministry of our churches, Evangelical Films releases a timely new motion picture, "Two Masters".

Not since the days of the "great depression" has the church and its people been so gravely threatened by widespread financial failures! In response to this dire threat, Evangelical Films has produced a motion picture to help every Christian with their financial stewardship. Designed to challenge its viewers in this important area of their spiritual life, "Two Masters" dramatically addresses the topics of family budgeting, the setting of financial priorities, and the biblical basis for stewardship.

"Two Masters", an exciting film for every church and every Christian, will be shown Sunday, April 15, at 7:00 p.m. at First Baptist Church in Munday.

The pastor and members extend a cordial welcome to anyone who would like to attend. There will be a nursery available.

Rhineland Water Group Applies For FHA Grant

Efforts are underway to obtain a water system for the community of Rhineland and surrounding area.

In May, 1983, the Rhineland Water Supply Corporation was chartered as a non-profit corporation. The corporation was formed for the purpose of furnishing water for general farm use and domestic purposes to individuals residing in the rural community of Rhineland, Texas and the surrounding rural areas.

Bernard M. Brown, president of the corporation, announced Friday that a grant has been applied for from the Farmers Home Administration. In order to be eligible for the grant, the median income of the people in the area to be served cannot exceed the median income for the non-metropolitan rural areas of the State of Texas.

Brown stated that the Community Resource Group of Springdale, Arkansas will conduct an income survey of the Rhineland community and surrounding area. This organi-

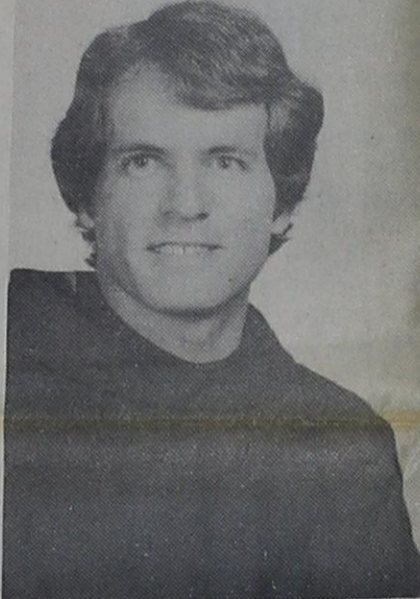

zation assists rural areas in obtaining water and sewer facilities and is financed by the Federal government. There will be no charge to the participants in the survey.

Within the next few days, each prospective household will receive a survey form to be filled out, along with a postpaid envelope addressed to Community Resource Group in Springdale, Arkansas.

Brown said, "We need as many persons as possible to participate in this survey in order to have a reasonable chance of obtaining the grant. We can assure each and every person who participates in the survey that the information as to their incomes will be completely confidential. No one involved in the Rhineland Water Supply Corporation will ever see the information which is furnished because the form will be mailed directly to Arkansas and evaluated there by the staff of Community Resource Group. I strongly urge everyone's participation in order to accomplish what we believe is a very worthwhile purpose."

Brown reported that a large number of residents of the Rhineland area have expressed a great deal of interest in the project. There is also a strong possibility that the Vera area will be included in this project, and a number of Vera residents have met with the board of directors of the Rhineland Water Supply Corporation.

In addition to Brown, the other members of the board of directors of the corporation are Marvin Zeissel, Dayle Kuehler, Bobby Moore and Francis Birkenfeld.

JEREMY MYERS, O.S.B.

Myers To Become Priest

Brother Jeremy Myers, now a deacon at Subiaco Abbey in Subiaco, Arkansas, will be ordained to the priesthood at Subiaco on April 28, 1984, by Bishop Andrew J. McDonald of Little Rock, Ark.

The son of Mr. and Mrs. Billie Jake Myers of Rhineland, Brother Jeremy was born in Rhineland on July 15, 1956, and attended the St. Joseph Parish elementary school there. He did his high school studies at Subiaco Academy, graduating in 1974, and attended St. Joseph's Seminary in St. Benedict, Louisiana, receiving his bachelor's degree in psychology from that institution in 1978.

He entered the novitiate of the abbey in the fall of 1978 and made his first profession of religious vows September 14, 1979, and final vows three years later. In 1980, he entered the St. Meinrad School of Theology at St. Meinrad, Indiana, completing his theology studies there. The degree of Master of Divinity will be awarded on May 3.

Last spring he was ordained to the diaconate and served in that capacity at St. Boniface Church in Fort Smith, Ark., during the summer. He returned to St. Boniface in January, and will continue to serve there until Easter, just before his ordination to the priesthood.

The ordinand has been a frequent contributor to the *Abbey Message* and has written for other publications. He was a leader in activities at both seminaries and has been active in Camp Subiaco.

The new priest will celebrate a Mass of Thanksgiving at St. Joseph's Catholic Church in Rhineland at 4 p.m. Saturday, May 5. A parish dinner will follow. After family and parish celebrations, he will return to the abbey for assignments.

Mr. and Mrs. Myers and their family plan to travel to Arkansas to be a part of their son's ordination.

IN HOSPITAL ELECTION

County Voters Pick Zeissel, Mrs. Reeder

Vernal Zeissel of Munday and Maurine Reeder of Knox City were elected to the Knox County Hospital District board of directors in a county-wide election Saturday. Zeissel, an incumbent, won 587 votes to Mrs. Reeder's 513.

The other incumbent, Richie Smith of Munday, received 487 votes for third place but lost his seat on the board of directors. Ernie Eaton of Benjamin had 227 votes. Write-in votes went to Dr. Newton Neufeld, Gaylon Scott and Weston Parris, each of whom got one vote.

Results of other city and school elections in Knox County follow.

Goree School Trustees Elected

Incumbents Leroy Russell and Tommy Decker were returned to the Goree Independent School District board of trustees by voters in Saturday's election. Russell led the race with 62 votes while Decker followed with 41. Darrell Patterson received 36 votes out of the total 74 ballots cast.

Margie Allen and W. D. Robinson, incumbents, and Bob Presnall won seats on the Goree City Council with 61, 55 and 60 votes, respectively. 67 persons voted in the city contest.

Benjamin Voters Pass Ordinance

An ordinance to abolish junked or abandoned vehicles in the City of Benjamin was passed by voters by a 31-23 margin. This proposition was voted on in conjunction with the city and school election.

Homer Rolston led the ticket in the school board race with 110 votes. Others winning trustee spots were Trenna Patterson with 95 votes and Steve Wilson with 77. Janice Tolson received 74 votes and Raul Barrientez had 66. Felix Westmoreland, not an announced candidate, had 22 write-in votes, and W. T. Cartwright and Kenneth Carroll had one each.

THEY'RE REGIONAL BOUND! These members of the Munday Mogulettes track team qualified for regional competition at last week's district track meet at Hamlin. In back row are Eva Escamilla, mile relay; Regina Jones, 200 meter dash and mile relay; and Erlinda Escamilla, alternate. From left in front are Kelli Smith, high jump and mile relay; Gwen Stinnett, mile relay; and Janet Myers, shot put. To qualify for regional, athletes had to place first or second in their event at the district meet.

Munday Mogulettes Head For Regional

Munday High School will have five young ladies participating in four different events at the regional track meet in Lubbock this year. The girls' track team did not place very high at the district contest held in Hamlin on Thursday, April 5, but several of the girls turned in their

best performance of the year at just the right time.

Qualifying for the regional meet were Regina Jones in the 200 meter dash, Janet Myers in the shot put, Kelli Smith in the high jump, and the mile relay team, consisting of Eva Escamilla, Kelli Smith, Gwen Stinnett and Regina Jones. Erlinda Escamilla will also travel with the team as alternate.

Coach Randy Burks was extremely pleased with the results. "The mile relay team, especially, has done a great job," he said. "These girls have only run as a team on two occasions, but it looks as though we hit the right combination with them, as they have been beating some real good competition. We expected Regina to win her event, and she ran well, but Janet and Kelli really came through when it was needed." The team will go to Wall this Friday to a regional qualifiers meet. Field events begin at 2:30 p.m., running preliminaries start at 4 and finals will be at 6:30.

Junior high teams performed well at the district meet also.

VARSIITY

Shot put - Janet Myers, first, 34'11 3/4".
High jump - Kelli Smith, first, 5'0".
200 meter dash - Regina Jones, first, 26.38; Gwen Stinnett, fifth, 26.73.
1600 meter relay - Eva, Kelli, Gwen, Regina, second, 4:18.2.
Long jump - Regina Jones, third, 15'3".
100 meter dash - Kelli Smith, fourth, 13.4
800 meter relay - Ann Kuehler, Erlinda Escamilla, Eva Escamilla and Janet Myers, fifth, 2:00.97.
400 meter run - Eva Escamilla, fifth, 69.0.
800 meter run - Erlinda Escamilla, fifth, 2:59.1
400 meter relay - Ann Kuehler, Kelli Smith, Regina Jones and Gwen Stinnett, fifth, 52.08.

Garden Club Hears Program On Flowers

Member of the Munday Garden Club met at 2 p.m. Tuesday, April 3, for their monthly meeting at the home of Mrs. Sam Stone. Mrs. Joe Roberts, president, presided over the business session.

The program, given by Mrs. Ruddy Latham, featured slides of various flowers with Mrs. Latham giving descriptions of each. She gave interesting information and growing and planting tips on mums, osaka, dahlias, cactus, iris, Dutch iris, roses, amaryllis, day lilies, elephant ears, gumba daisies, penny plant, angel trumpet, cockscomb, hibiscus, candle-

bush and tulips.

Flower arrangements for the meeting were made by Cordell Offutt and Frankie Ponder.

Refreshments of cheese tidbits, cookies, hot punch and coffee were served to Mmes. Ralph Adams, Hal Amerson, Chester Bowden, Weldon Floyd, G. W. Hawkins, Wes Kirschner, Ruddy Latham, E. H. Nelson, Lonnie Offutt, Nolan Phillips, Frankie Ponder, Joe Roberts, Sam Stone, Goodson Sellers, O. H. Spann and Bill Smith.

Band Receives Good Ratings

Munday band students from seventh graders through seniors traveled to Vernon Wednesday, April 4, for UIL concert and sightreading examinations. The Purple Cloud received a II, or excellent, rating in concert and a III, which is good, in sight-reading.

Band director Rodney Bennett said the band performed very well. "We certainly have nothing to be ashamed of or to complain about. The sightreading could have been a little better, but I'm pleased overall with the scores. This band has improved tremendously during the year."

Plans are now underway for the annual Musicade, and the date for this will be announced soon.

Don't Give Up Freeze Damaged Plants Yet

Lately a popular topic of discussion around the courthouse has been last winter's freeze damaged plants. With spring in the air, it's easy to get over-anxious about these dead looking plants.

Don't give up on freeze damaged plants yet. It is still a little early to write off most plants. The next two to three weeks will enable you to better evaluate your landscape plants.

Blood Drive Successful At Weinert

A blood drive held March 20 at the Weinert school gym netted 51 units of blood from Weinert, Munday and Haskell donors.

Units used during the illness of the late Alice Briscoe were replaced, and Hendrick Blood Bank officials stated that extra units donated will be on credit for one year. Any Weinert citizen hospitalized at Hendrick Medical Center may use these blood credits.

Sponsors of the drive want to extend special thanks to all the donors. The gift of your time and effort, as well as your blood donations, were greatly appreciated. It was wonderful to see how local residents turned out to help a neighbor in need.

Refreshments in lieu of donations were furnished by Mary Murphy, Kathi Hutchinson, Margie Stewart, Brenda Hager and Sarah Guess. Seven donors were unable to give blood.

wax-leaf ligustrums and nandinas which received severe freeze damage last winter. Each plant I examined has started putting out new growth. The new growth is located usually close to the ground near the center of the plant. New growth is often hard to locate.

If your damaged plants have started to put out new growth, then pruning of dead wood is necessary. Careful pruning is encouraged to avoid removing too much un-injured wood. Be sure to remove just dead or damaged wood by pruning to good, sound tissue.

Landscape plants which were damaged by the hard freeze will require extra care this summer. Stress from excessive heat or lack of water during the summer growing

Seniors Honored At Rhineland

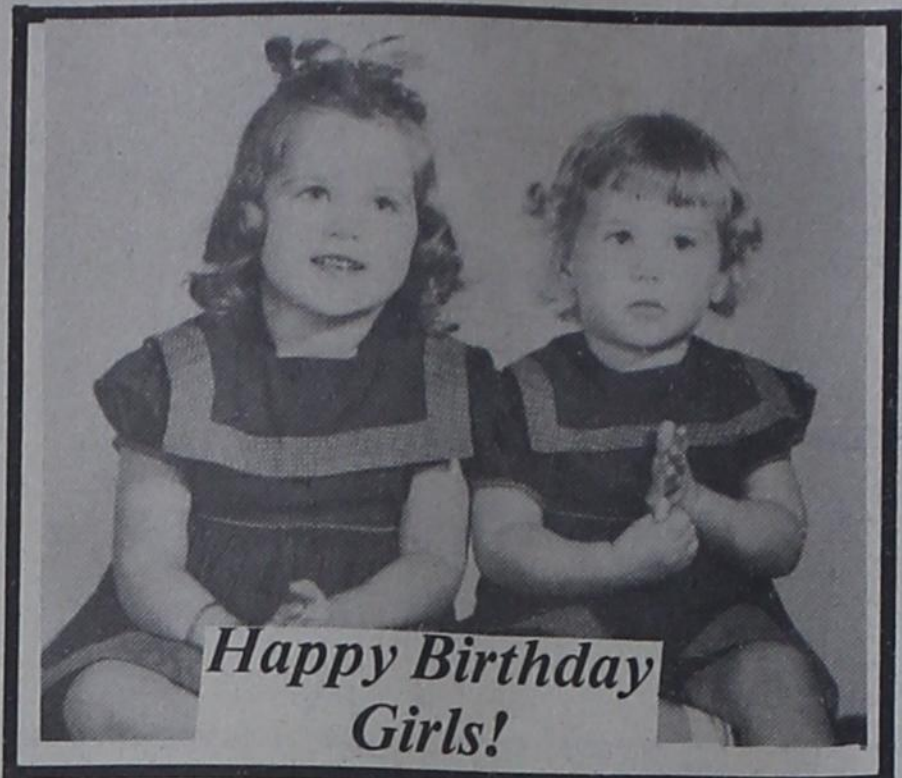

St. Joseph's Catholic Church hosted a supper Monday night for the 1984 senior class at MHS.

"April Showers bring May flowers" was the theme for the supper, and decorations were arrangements of spring flowers and pastel candles. Favors were colorful miniature umbrellas stuck in gumdrops.

Menu items were fried chicken, potato salad, green beans, fruit salad, pickles, homemade bread and pecan and peach pies, which were prepared by ladies of the parish. As they were enjoying the meal the seniors listened to country and western music.

Ruth Brown, LuRose Schumacher, Frances Brown and Valera Hertel were in charge of the supper and decorations. Beverly Brown and Mary Jane Kuehler helped serve the meal.

Mr. and Mrs. Doyle Lowrance, Mr. and Mrs. Doug Donoho and Mr. and Mrs. W. O. Ratliff were special guests.

Parallel Terraces Control Erosion In Cropland Soil

According to Clint Jones, conservation technician with the Soil Conservation Service in Knox City, erosion may reduce soil productivity if it occurs faster than the top soil can be replenished through natural processes. Many cropland soils, including some of the most productive, have been severely eroded in this country.

As a rule of thumb, on deep soils commonly used for cropland, five tons of soil per acre can be lost annually without damaging the soil's productive potential. Holding erosion within these rates permits indefinite use of the soils. If you can see erosion taking place on your cropland under normal rainfalls, then more than five tons of soil are being lost. In most cases it would take terraces to cut soil erosion down to an acceptable level.

Terracing the land is a practice that gained popularity back in the late 1930's when soil erosion first came to the attention of farmers. Terraces in those days in this area were run on the contour. This meant that you could not farm with the terraces because they were not parallel. This made terrace maintenance a problem and farming more difficult (especially

when planting row crops). Today, equipment is bigger than ever, labor costs are much higher and fuel cost is always going up. This means that you, the farmer, want to get over the land as quickly as you can to keep cost per acre to as low a figure as possible. Today the Soil Conservation Service recommends parallel terraces for ease of farming and for production

of the soil by keeping soil loss to an acceptable level. This means that terraces will be designed to fit your equipment so you can farm with the terraces rather than farming over them. There will be some land that will be too rough to parallel and there will be some odd areas on some fields that cannot be paralleled. Nevertheless, having an S.C.S. technician make a contour map of your field will result in a good terrace design that you can live with and still control erosion.

BUILDING YOUR RETIREMENT IS AS SIMPLE AS A.B.C.

OPEN A TAX-DEFERRED, MONEY-MAKING INDIVIDUAL RETIREMENT ACCOUNT TODAY AT COMMODORE SAVINGS.

Retirement used to be a taxing situation. But not any longer. Because now, you can open an Individual Retirement Account (IRA) at Commodore Savings — the simple-to-understand retirement account that will save you money today so you can enjoy better tomorrows.

Just add up the benefits for yourself:

- All contributions are tax-deferred and 100 percent deductible. You pay no taxes on the money you invest in your IRA or on the interest it earns until you begin taking distribution as early as age 59½.

- Save as little or as much as you want each month. Up to \$2,000 a year if you are single and employed. Up to \$2,250 a year for a couple where one spouse is employed and the other is not. And up to \$4,000 a year for a working couple. Save as little as \$10 a month. Even skip a whole year's contributions if you prefer.

- Pay much less tax on your retirement income. By retirement age, you'll probably be in a lower tax bracket, so the taxes you'll pay on your IRA retirement income could be much less than you pay now.

- Almost everyone can qualify. If you are under age 70½ and are earning an income, you qualify for a Commodore IRA, even if you are already participating in another retirement program.

Best of all, the money you put into your IRA earns a guaranteed high compound interest rate. Save \$2,000 a year for just 20 years, and your IRA investment could amount to well over \$100,000!

Seven different retirement plans are available, including Regular IRA, Spousal IRA, Employer IRA, Rollover IRA, Payroll Deduction IRA, IRA/SEPP and Keogh Plan. Find out which plan is right for you. Call Commodore today, and build yourself a better retirement at Commodore Savings. It's as simple as A.B.C.

Vera Happenings

By MRS. THELMA COULSTON

Mr. and Mrs. D. N. Mobley visited her sister, Mrs. Ola Mae Nichols and family, Monday through Thursday. The couple was enroute to their home in Hartsville, Missouri from a visit with his sister in Modesto, Calif. Other visitors in the Nichols home during the weekend were Mr. and Mrs. Bruce Sutton and boys of Loving.

Gregory and Jason Marek of Wichita Falls recently visited their grandparents, Mr. and Mrs. Clyde Beck and Russell.

Mr. and Mrs. Clifford Boone were in Fort Stockton recently, where they visited a daughter, Mr. and Mrs. John Sims, and little daughter, Erin, and helped Erin celebrate her second birthday. They also visited another daughter, Mr. and Mrs. Gary Kennedy, in Fort Stockton. Enroute home they stopped to visit Clifford's brother, Mr. and Mrs. Ernest Boone, in Odessa.

Seven couples, Mr. and Mrs. Paul Weiss, Mr. and Mrs. Carl Coulston, Mr. and

Mrs. Billy Kinnibruth, Mr. and Mrs. Wayne Sutton, Mr. and Mrs. Claudell Bratcher, and Mr. and Mrs. Jerrell Trainham, all of Vera, and Mr. and Mrs. Ruben Richard of Seymour, pulled their travel trailers to Canton, Texas, recently where they enjoyed two days at "First Monday Trades Day". The Kinnibruths, Coulstons, Richards, Bratchers and Trainhams left Canton and toured points of interest in Marshall, attended "Louisiana Hayride" in Shreveport, spent the night at Cypress Lake near Benton, La., then drove south from Shreveport, crossed Toledo Bend Bayou and enjoyed historical interests in Nacogdoches.

Mr. and Mrs. George Sutton of Jacksboro spent Thursday night with his son, Mr. and Mrs. Wayne Sutton. Both Mr. and Mrs. Sutton are patients in the Jacksboro hospital. Wayne and Jane visited them Saturday and the Coulstons spent Sunday with them.

Mr. and Mrs. Doyce

Clouse of Abilene visited his sisters, Mrs. Frances Kuchan and Mr. and Mrs. Clifford Boone, Wednesday.

Mr. and Mrs. Jerrell Trainham and Minka attended the Air Show at Sheppard Air Force Base in Wichita Falls, Sunday.

Mr. and Mrs. Claudell Bratcher and Mr. and Mrs. Billy Kinnibruth were in Bowie Saturday, where the men were business visitors and the ladies visited Mrs. Bratcher's mother, Mrs. Ruth Ellis.

Mr. and Mrs. John Sims and little daughter of Fort Stockton are spending this week with her parents, the Clifford Boones.

Mrs. Mary Lou Gore is recuperating at home after spending the week with a son, Mr. and Mrs. Douglas Gore and family, in Rochester, following knee surgery in the Seymour hospital. Visiting her Sunday was another son, Wallace Gore of Midland.

Larry Dan Gore of Wichita Falls visited his parents, Mr. and Mrs. Dalton Gore, Sunday.

Mr. and Mrs. Bruce Sutton and boys of Loving visited his parents, Mr. and Mrs. Wayne Sutton, Saturday.

WEINERT STUDENTS qualifying for regional UIL literary contests were, from left, Donna Griffis, Kim Stewart, Kelly McGuire, Darla Griffis, Stacia Adams and Kelly Earp. The girls placed in their respective events at district level at a meet held at Vernon Regional Junior College.

Knox Cancer Volunteers Meet Tuesday

April is Cancer month and the Knox County Unit of the American Cancer Society began their crusade kick-off with a salad supper as they met at the Munday First United Methodist Church Tuesday evening.

Katherine Smith, president, called the meeting to order and presented Mrs. Myrtle Everett, who is serving as County Crusade chairman for 1984.

The purpose of this crusade is to inform the public of what they can do to help themselves. "Half of those who die from cancer could and should be saved," stated Mrs. Everett. "Our goal is to save as many lives as possible by telling the people what they can do about cancer prevention and early detection. This year trained volunteers will be distributing information on the two most common and deadly forms of cancer. A quick test on cancer risk for lung and colon and rectum will be given to all residents."

Serving as chairmen are: Lillian Moorhouse, Benjamin; Wilma Beck, Vera; Beverly McGaughey, Munday; Grace Welch, Knox City; Valera Hertel, Rhineland; Margie Allen, Goree; and Sheryl Simmons, Gilliland and Truscott.

Shirley Amerson is serving as Memorial chairman. You may mail your memorials to P. O. Box 507, Munday, Texas 76371.

According to statistics, this year 450,000 people will die of the dreaded disease and of that number, 148,000 might have been saved by earlier diagnosis and prompt treatment. The battle isn't over yet. The crusade in Knox County is part of statewide and national efforts involving thousands of volunteers.

Plans were made for a county special event in June. Attending were Katherine Smith, Frances Coffman and

Bertha McKinney, Vera; Shirley Amerson, Ruby Roden and Myrtle Everett, Munday; Valera Hertel and Loretta Albus, Rhineland; and Lucille Moorhouse, Ruth Ressel, Veta Campbell and Pearl Ryder, Benjamin.

America purchased Alaska from Russia for about two cents an acre.

Dye Easter Eggs - Naturally

The first Easter trail Peter Cottontail hopped down was in Pennsylvania, and that first trip took place in 1728, long before commercial egg dyes became popular. Back then many Pennsylvania Dutch children used natural dyes from herbs and foods to dye the eggs which were then exchanged as tokens of good times to come.

This Easter your children might enjoy making their own dye (with your help) as well as coloring the eggs. They might even learn something about the many uses of foodstuffs along the way.

For softer, lighter shades, prepare the dye and strain it to remove the herbs, roots or foodstuff used to obtain the color. Then, dip and turn pre-cooked eggs in the dye until you get a pretty shade. To create a deeper shade, simply make the dye and cook the eggs at the same time, allowing the eggs to simmer for as long as 20 minutes to reach the deepest hues.

Another method of dyeing eggs is to wrap raw eggs in bits of the dye-making plant

or food, and then tie them in cheesecloth. When the eggs are boiled the dye is transferred directly to the eggshell, leaving a unique mottled effect.

Adding vinegar or alum to the dyeing mixture will increase the strength of the dye.

Here are some "recipes" for various colors:

For yellow dye use chamomile tea or dandelion blossoms, pour boiling water over the tea or blossoms, cover and let stand for half an hour. Strain the liquid and add a teaspoon of vinegar and the dye is ready.

Make gold dye by simmering two tablespoons of turmeric for 20 minutes. Add a teaspoon of vinegar before dyeing eggs. Since turmeric does not dissolve, the coloring will be slightly marbled.

A brass-brown shade results from onion skins, even red onion skins. Place the skins in a pan of water and simmer until the desired shade is obtained. Strain the liquid and add a teaspoon of vinegar and the dye is ready.

Lavender-blue eggs can be made with blueberries or grapes. Crush the berries or grapes by hand or in a blender. Add water and simmer for a few minutes. Strain the mixture and add a teaspoon of vinegar to complete the dye. Use a similar method to make robins-egg blue from cabbage.

Mint leaves will make pale green Easter eggs. Pour boiling water over mint leaves, cover and let simmer for half an hour. Strain the mixture and add a teaspoon of vinegar to complete the dye.

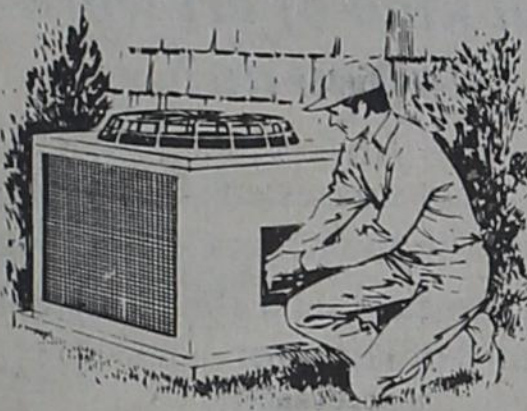

Any of the dye-stuffs can be wrapped around or folded against a raw egg and enclosed in cheesecloth and then boiled to obtain unusual patterns of color on the egg.

You are only limited by your imagination! I hope you will try some of these.

Marie French of Garland visited her father, Earl McNeill, during the weekend.

Visiting Mrs. Ruth McKennon several days last week was her niece, Mrs. June Bowen of Lubbock.

NOW'S THE TIME TO CALL YOUR AIR CONDITIONING SERVICEMAN

(Get a checkup before the heat's on.)

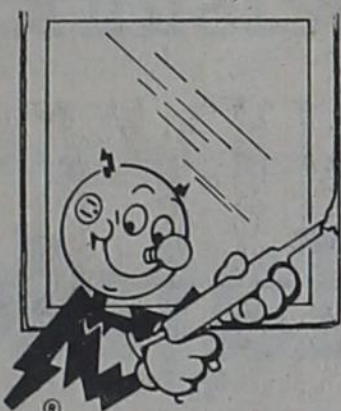

Right now your air conditioning serviceman can easily work your call into his schedule and get your unit ready to deliver dependable cooling through the summer ahead. We know that many people wait until the heat's on to install electric air conditioning or have their units serviced. Later on, your dealer or serviceman may have a waiting list.

PROPER INSULATION... Keeps in the Cool Air You've Paid For

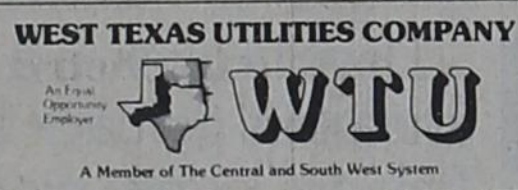

Insulation comes in rolls, loose-fill or batts. Insulation is labeled with a R value showing its ability to resist heat. The better its insulating value, the higher the number. R values up to R 30 in the ceiling and R 18 in the walls are recommended for this area.

Check Caulking and Weatherstripping!

Check all windows and doors, install weatherstripping and caulking where needed. It will save on both heating and cooling costs. An almost invisible 1/4" gap at the base of a standard 36" outside door is equal to a nine-square-inch hole in the side of your house. There are a number of easy-to-install felt and foam rubber products on the market to draft-proof doorways.

Munday Represented At PCA Celebration

Rex Allen, TV and movie star, helped Rolling Plains PCA celebrate their 50th birthday with laugh-filled programs at both sections of the annual stockholders meeting held April 6 in Childress and April 7 in Stamford. Allen, whose ranching family has had a long affiliation with PCA in Arizona, recalled hard times on their "starvation ranch" during drought and the Depression. Interspersed with reminiscences of his boyhood and life now in Palm Springs,

California, he entertained the large crowds with renditions of such favorites as "Up A Lazy River" and "Tumblin Tumbleweeds."

B. H. DeBusk, board member from Anson, gave the report from the board which cited the strength the association has attained in its 50-year history and especially the growth since the merging of the Memphis and Stamford PCAs, creating Rolling Plains Production Credit Association in 1965.

The nominating committee report was presented by Darrell Richards of Avoca, chairman. Elected to serve on the 1985 nominating committee were Ben Teague of the Childress office, Stewart Dixon of the Matador office, James Albus of the Munday office, Bill Young of the Spur office and Jack Young of the Stamford office.

Reelected to the board of directors were W. J. Boykin of Northfield and B. H. DeBusk. Also serving on the board are W. H. Williams of Spur, Garon B. Tidwell of Munday and Dan Henard Jr. of Wellington.

Cobb introduced many former directors, officers and personnel as well as numerous guests in attendance and discussed the association's financial report.

The board of directors met immediately following the annual meeting. For the upcoming year, W. J. Boykin and W. H. Williams will continue as board chairman and vice chairman, respectively. Action of the board resulted in Matador office manager Allen Bingham's appointment as vice president and Bobby Sosolik of Munday and Jay Morris of Childress being named assistant vice presidents, with each to continue in the office to which they are currently assigned.

Approximately 250 attended the Childress session with over 500 in attendance in Stamford. The association maintains offices in Childress, Matador, Munday, Spur and Stamford.

Mrs. Ladd Dies At Nursing Home

Onie Lee Ladd, 82, of Munday, a former Wichita Falls resident, died at 12:10 p.m. Thursday, April 5, at the Munday Nursing Center.

Graveside services were held at 10 a.m. Friday, April 6, at Crestview Memorial Park in Wichita Falls under the direction of McCauley-Smith Funeral Home of Munday. Rev. Don Travis, pastor of the Munday First United Methodist Church, officiated.

Mrs. Ladd was born November 3, 1901, in Vashti, Texas, and married Asa H. Ladd May 3, 1921 in Seymour. He preceded her in death in 1959. She moved from Wichita Falls to Munday in 1965. A retired housewife, she was a member of the First United Methodist Church and the Munday Garden Club.

Survivors include a brother, Boyd Meers of Munday; and several nieces and nephews.

Weekend visitors in the home of Mrs. Frankie Ponder included Mr. and Mrs. Loy Dutton of Lubbock, Mr. and Mrs. Wade Haskin and Britni of Sweetwater, Mr. and Mrs. Pete Beecher of Goree, Mr. and Mrs. Charles Yost and Chad and Mrs. Tracee Herring and Kristin, all of Munday.

HELEN MYERS and HOWARD SCHEFFLER Engagement Announcement

Mr. and Mrs. Douglas Myers of Munday are announcing the engagement and approaching marriage of their daughter, Helen, to Howard Scheffler, son of Mr. and Mrs. John Scheffler of Floresville.

The bride-elect received a masters degree in education from North Texas State University. She is presently employed by Arlington Independent School District. The prospective groom received a B.S. in nuclear engineering at Texas A&M University and is currently employed by The Western Company of North America in Fort Worth.

The wedding will be held July 14, 1984, at 3:00 p.m. in the First United Methodist Church in Munday.
