Play Ball!

This cry is seldom heard, if ever, within the realms of pro football.

And if it should have been made during the past six or seven weeks, nobody would have been around to have heard it.

You see, the players are on strike.

We thought the baseball strike of a season or two ago was foolish. In our opinion, the football strike goes beyond that - it's plumb ridiculous!

It's hard on the players, although they voted to go on strike. It's hard on fans, who were so accustomed to football weekends that their mode of living has been disrupted. It's hard on those cities that are scenes of regular football activities - they receive no income from empty stadium seats.

It's hard on almost everybody!

Butch Johnson, wide receiver for the Cowboys, said recently: "I could care less about the fans' opinions of the strike. I'm putting my livelihood on the line. Somebody (the fans) are just losing entertainment in their lives . . . I'm in danger of losing everything I've worked for."

He's losing - and so are many (or all) players; yet, their organization, the players association, and management cannot agree, whatever the trouble is.

Some players have said they "have a little money stashed away" and can make it a while with no income. Many are in the "come easy, go easy" category and are living from hand to mouth regardless of what their income amounts to.

Make them a millionaire - and they're after at least two million. That's what it seems to us.

Players have scattered to different places for interim jobs. Robert Newhouse reportedly left for San Antonio for a job to make ends meet.

The players union and management have seemingly reached no agreements at the bargaining table other than to agree to meet again.

Their mediator from California got tired of "spinning his wheels" finally, called the sessions off and returned home. Sessions opened again Saturday, and a settlement might be in the making while we're writing!

Maybe so, maybe not!

Meanwhile, there are rumors that the 1982 football season is about over. The so-called deadline for resuming the season, if the 12-game limit is an acceptable minimum, is the weekend of November 7-8.

Games of October 31-November 1 were called off on Tuesday, October 26.

Union chief Ed Garvey said at the time that he still feels the season will be played in its entirety, despite the long strike.

"No games have been cancelled," he said. "No season ticket money had been returned and every indication we have from the management people we have contacted is that they fully expect to play all the games, and that includes delaying the Super Bowl game . . ."

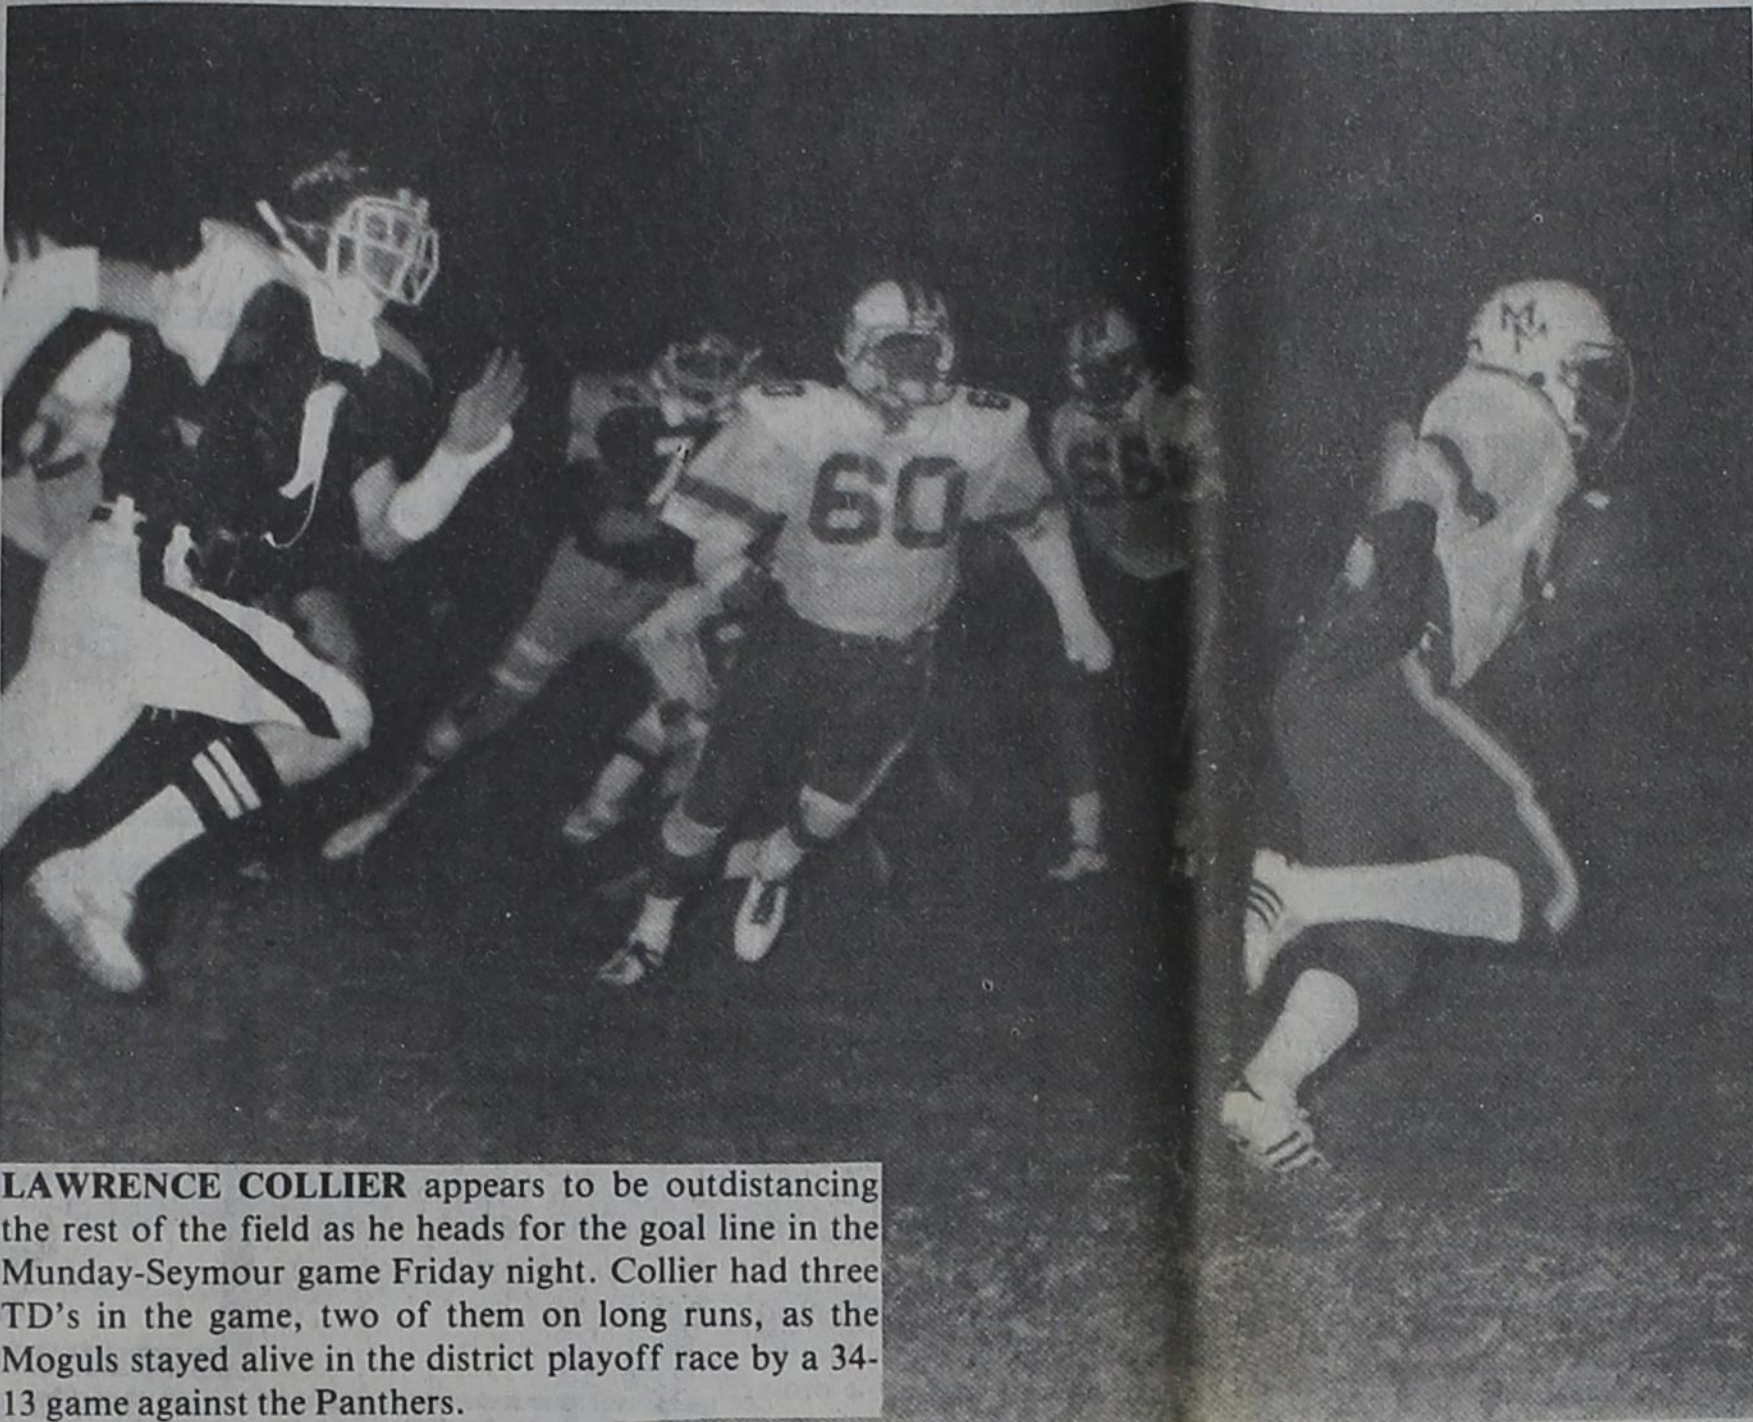

If that should happen, we'll probably be seeing football games until way into spring. We may have to postpone the Easter Bunny's trip, giving way to a Cowboy game!

Fans have lost some entertainment, to be sure. There may be wives who revel in the fact. Personally, we find it difficult to remain "glued to the tube" while watching reruns, second rate movies and programs which should have long ago been cancelled.

We've lost more than entertainment! We've lost respect for players and management, who are determined to lose millions upon millions before deciding how to distribute the millions they've been making.

We just had an interesting thought: When games are resumed, why not have fans go on a strike. Personally, it wouldn't cost us anything more than entertainment, since our funds have never been channeled into pro football stadiums.

We wonder how players would feel performing to empty stadiums!

LAWRENCE COLLIER appears to be outdistancing the rest of the field as he heads for the goal line in the Munday-Seymour game Friday night. Collier had three TD's in the game, two of them on long runs, as the Moguls stayed alive in the district playoff race by a 34-13 game against the Panthers.

EVEN DEFENSE GOT IN THE ACT! . . .

Munday Moguls Smother Panthers At Seymour

Lawrence Collier, Munday's leading ground-gainer, set the pace for his Moguls last Friday night in defeating the Seymour Panthers 34-13 on Panther Field. Munday's quick jump to a 13-0 lead placed the Panthers' game in jeopardy for them.

Collier's first score came on a spectacular 74-yard run early in the first quarter. His extra-point kick failed, but he made amends a few minutes later by running 85 yards for his second tally, then adding the extra point.

Seymour hit pay dirt in the second period with a nine-yard run by Billy Beamon, Vincent Casillas' extra-point kick was good.

Following halftime, Seymour continued momentum, as Beamon again scored on a two-yard run. Casillas failed at this extra-point opportunity.

Munday again took control of the contest, as Collier again scored on a three-yard run midway in the third quarter. His extra point kick sailed through the uprights to give the Moguls a 20-13 lead.

It was in the final stanza when the Mogul defensive players decided they'd have a try at scoring. Monty Morris of the Panthers fumbled in the end zone,

and wide-awake Kent Josselet recovered for a quickie six points. The extra point was good.

Only minutes later, the desperate Panthers took a try at passing, but Munday's alert Jim Earl Dockins intercepted a pass and ran like scared for the goal marker and another six points. Josselet's PAT was good, and there they were on top end of a 34-13 score.

Collier rushed for 209 yards on 18 carries, while Beamon led the Panthers

with 101 yards on 12 carries.

Stats showed Seymour ahead on first downs, 11 to 10; Munday gaining 234 yards rushing to Seymour's 96; the hosts gained 76 yards passing to 45 for the Moguls. Munday completed 3 of 12 passes, while the Panthers had seven completions out of 19 tries. Munday intercepted one pass and gave up none. Both teams lost two fumbles. Munday was penalized for 65 yards, and Seymour followed with 60.

OF CABBAGES AND KINGS . . .

Cabbage Crop Is Being Harvested

Several farmers of the Munday-Goree-Knox City area have ventured into the production of cabbage as a fall crop this year, after some acreage was planted in a spring crop earlier in 1982.

This vegetable was tried several years ago by some vegetable growers, but the crop was ruined, or severely damaged, by heavy spring rains, making the ven-

ture unprofitable.

One group - Garon Tidwell and son, Gary, and Gaylon Hord and son, Mike - have worked together this year in the production of cabbage on some 47 acres just north of Goree. The Tidwells have 25 acres devoted to this crop, while Gaylon Hord and son, Mike, are farming 22 acres in the same area.

Cutting of the cabbage heads started last Saturday on the Tidwell acreage. Mr. Hord stated Monday that his crop was planted a few days later and was not quite ready for harvest. In the case of the Tidwell venture, cabbage followed potatoes on the same land.

Robert Ruiz, representing a brokerage firm of Harlingen and Muleshoe, and his crew are harvesting this crop. Planting, harvesting and marketing are done by the same firm.

Another group venturing into cabbage production is composed of the Herring Brothers - Kevin, Glenn and Ray - who have operations at Rhineland, just east of Munday, and near Knox City. Associated with the Herrings are their brothers-in-law, David Albus and Barry Therwhanger.

This group also had spring cabbage this year, and are devoting about 100 acres to the fall crop. They did their own planting, cultivating and harvesting, but are marketing their product through R./B. Todd of Lubbock. Harvest was started several days ago.

All together, there are about 150 acres planted in cabbage for fall harvesting. It was a disappointment to local growers that the market price took a pretty big drop right at harvest time.

Adult Education Classes Progress

Adult education classes are now under way at Munday High School, being held each Tuesday night from 6 to 9 o'clock. Classes in adult education leading to GED, and classes in English as a second language are being taught by Mrs. Ruth

Ishmael and Mrs. Martha Andrade. There is no charge to students, and materials are furnished.

For further information, contact Mrs. Ishmael, 422-4456, or Mrs. Andrade, 422-4756.

Voter Turnout In Knox County Is 48%

Knox County had 1427 total votes cast in the general election. This represents 48 percent of the 2972 registered voters in the county, a much better turnout than most years.

As polls closed and the returns began to come in Tuesday night, the Democratic Party held the lead in the races in Knox County.

In his bid for re-election, U. S. Senator Lloyd Bentsen led his Republican opponent 1087 to 337 in Knox County.

Jack Hightower took an impressive lead over his opponent, Ron Slover, 1214 to 182.

In the governor's race, Democrat

Mark White took the lead 974 to 438 over incumbent William P. Clements Jr. Clements carried three boxes in Knox County, Truscott, Gilliland and Munday 6W.

In the race for Lt. Governor, Bill Hobby led by 1114 to 288 over his Republican opponent, George Strake Jr.

Jim Mattox received 1112 votes and Bill Meier had 272 votes in the race for attorney general.

Comptroller Bob Bullock won over Mike Richards 1023 to 367.

Pancake Supper Is Slated For Friday

The pancake supper sponsored by the Munday Lions Club will be held on Friday, November 5, at the Munday High School cafeteria, just ahead of the Munday Mogul-Hamlin football game.

Serving time will begin at 5:30 p.m., giving everyone time to enjoy the supper and then attend the game.

Bob Brown is serving as "master of ceremonies" of this supper, and he will have a bunch of cohorts in the kitchen to help him prepare and dish out the pancakes and sausage. The Lions Club just recently purchased a large grill, since plans are to make this an annual affair.

Each member of the club was issued a batch of tickets to the banquet on Tuesday, November 1. Those desiring tickets in advance may contact any member of the club. Prices are: \$2.50 for adults and \$2.00 for children under 12 years of age.

Area Grid Results

CROWELL LOSES TO THROCKMORTON

Crowell's Wildcats were blanked by the visiting Throckmorton Greyhounds to the tune of 27-0 last Friday night. Quarterback Danny Davis led the attack for the 'Hounds, rushing 125 yards on 23 carries and scoring two counters.

Buddy Husted scored once on a 10-yard run, and halfback Richard Menard scored on a one-yard plunge, also kicking four extra points.

RULE BOBCATS

Claw Jaybirds

Mike Rhoads scored three times Friday night to lead his Rule Bobcats to a 24-6 victory over the Jayton Jaybirds. He got the game's first two scores, on a 12-yard run midway through the first period and on a 10-yard run on the first play of the second quarter.

Jayton's lone score came on a pass from Timmy Bryant to Monty Sartain in the second quarter.

WEINERT BULLDOGS DEFEAT GUTHRIE

The Weinert Bulldogs journeyed to Guthrie Friday night to take a close 58-54 victory over their hosts, the

Jaguars, in a District 3-A six-man game.

The Bulldogs led 52-34 at the beginning of the last quarter, which became furious with both teams scoring repeatedly.

Janelle Smith, a senior, was named Guthrie's homecoming queen.

HARROLD DEFEATS ROCHESTER STEERS

Harrold's Hornets went to Rochester and defeated the Steers 54-18 to remain undefeated for the season in District 3-A six-man play.

Wesley Gates scored 44 points on six touchdowns and five conversion kicks. His plays included 65, 36 and 77 yards.

Joe Paul Flores scored two TDs for the Steers.

KNOX CITY ADDS ANOTHER VICTORY

Knox City's Greyhounds showed the Aspermont Hornets it wasn't safe to buzz their territory Friday night by defeating their visitors to the tune of 41-6. The 'Hounds remain undefeated in district play.

The Hornets couldn't get on the board until the fourth quarter, while the Greyhounds scored three touch-

downs before the half, and added two more in the third.

Knox City is now 5-0 in district play and 6-2 overall, while Aspermont is 4-1 and 7-2.

HASKELL BLANKS PADUCAH DRAGONS

The Haskell Indians remained undefeated, untied and unscored-on in district play Friday night in a 13-0 raid on the Paducah Dragons in Dragon territory.

Even though they clinched a playoff spot in the district, this one wasn't an easy victory. With a 10-0 lead in the fourth period, Haskell had to stand off the Dragons at their own one-yard line with only four minutes remaining. A score at that time might have set fire to the Dragons.

All scoring was in the second half; two field goals by Steve Bird, a one-yard touchdown run by tailback Albert Sherman and an extra point kick by Bird.

Haskell is 6-3 for the year and holds an enviable 4-0 record in district. Paducah is 2-2 in district and 5-4 for the season.

JV's Lose Tough Game To Seymour

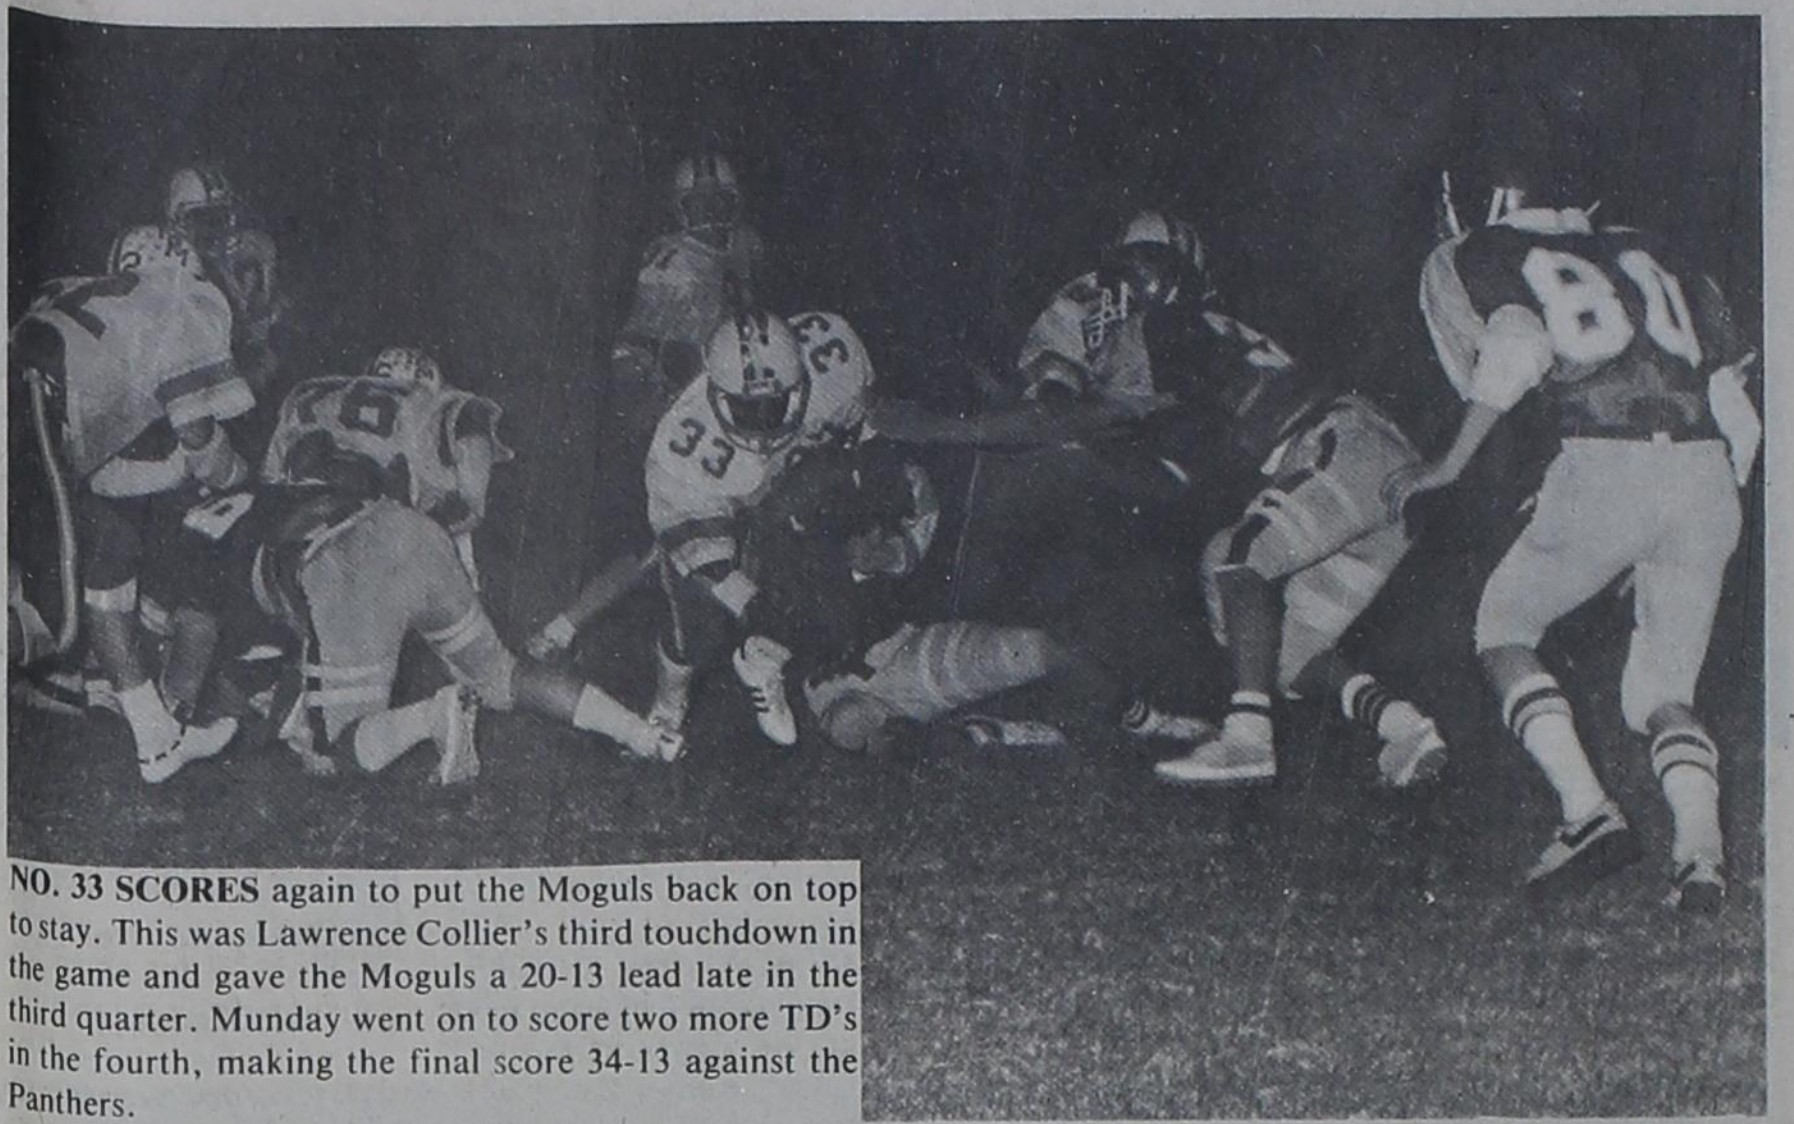

by Coach Robert Redden

The Junior Varsity played an excellent game against Seymour. The only thing wrong with this game was that we lost, 26-20. Maybe we should have won the game, but we certainly don't have anything to be ashamed of. Seymour had the best team we have faced all year, and we played very well.

Timmy Collier had his best game of the year on offense. Hollis Adams played very well defensively, and Gregg Sanders had an excellent defensive game. Scotty Jackson and Neil Waggoner also had good defensive efforts.

Overall, we played a real good game, but we just cannot expect freshmen to defeat older and more experienced players in every game. They have had to rise to the occasion so many times this year, and although we're not happy about our defeat, we are real proud of the team.

This was a game of inches. We nearly ran back two punts and a kickoff, and we fumbled on the five yard line. A

NO. 33 SCORES again to put the Moguls back on top to stay. This was Lawrence Collier's third touchdown in the game and gave the Moguls a 20-13 lead late in the third quarter. Munday went on to score two more TD's in the fourth, making the final score 34-13 against the Panthers.

change in our favor on any of these plays would have probably given us the win, but it does no good to second guess now.

Dent Offutt made our first touchdown on a five-yard quarterback sneak and the extra point failed. Seymour came back and scored, completing the try for two points, and the score was 8-6. On our next possession, we used our

most reliable play for this year, the pass play that goes from Dent to Ryan Wright to Todd Thompson, and this time it was good for another touchdown. We tried for two points, and Dent was successful with a three-yard run, so we went in at the half with a 14-8 lead.

Early in the fourth quarter, Tim Collier had a 35-yard run for our third touch-

down, making the score 20-14 when the extra point try failed again.

From that point, Seymour came on real strong and scored two unanswered touchdowns to win the game.

Turnovers hurt us offensively; however, we moved the ball well. Our season record is now six wins, one loss and one tie.

We will play Hamlin on

Thursday (today), November 4, there. Our bus will leave approximately 4:30 p.m., and we will return between 11:30 and midnight.

Hamlin will be another tough team, and we expect a good game. We've appreciated our fans who have come to our games this year, and we hope to see them again at Hamlin, since this is our final football game for 1982.

HALLOWEEN COSTUMES FOR the dress-up contest sponsored by Plants, Etc., ranged from the beautiful, the beastly, and the comic, as portrayed by these pictures of contest winners. Above are winners in the tots and pre-school age division. Left to right are Kandis Longan, third place; Haley Hutchinson, second place; and Jeremy Harlan, first prize winner.

THE HALLOWEEN BUNNY, who looks suspiciously like Amanda Gulley, is flanked by a witch and a princess at the costume contest sponsored by Plants, Etc. Amanda was the first prize winner in the 1-3 grade division. Michelle Wilde, who is hiding behind the scary face on the left, was second in this group, and Mandi Moore, at right, captured third place.

THESE ODD LOOKING CREATURES were the winners for the 4-6 grade division at the costume contest at Plants, Etc., on Saturday afternoon. Bryan Latham is inside the fuzzy costume at left and looks the part of a first place winner. Third place went to Jamie Peek, center, and Kacy Longan, at right, took second place.

Halloween Costume Contest Enjoyed By "Kids" Of All Ages

The traditional Halloween ghosts and goblins were joined by cowboys and clowns, witches and fairies, and other assorted unusual creatures at the costume contest sponsored by Plants, Etc., of Munday. The contest, which was held at 3 p.m., Saturday afternoon, was well attended and thoroughly enjoyed by those entering the contest and by the several spectators.

The judges, who were Imogene Brockett of Weinert, Sue Clayton of Knox City, and Dulah Lambeth of Goree, had their jobs cut out for them. Over 30 children from the very young to those in the upper elementary grades, entered the contest, and choosing only nine winners out of the group was a difficult task. But after much debating and viewing each contestant several times, the decisions were finally made. The judges' only regret was that they could not award a prize to each child, as they were all deserving.

In the tots and pre-schoolers, Jeremy Harlan, son of Mr. and Mrs. Ricky Harlan of Weinert, was first with his orange pumpkin outfit. Haley Hutchinson, daughter of Mickie Hutchinson, took second place, and third was Kandis Longan, daughter of the Bill Longans.

Amanda Gulley, daughter of Danny Gulley and Nancy Gulley, was first prize winner in the grade 1-3 division. Second was Michelle Wilde, daughter of Mr. and Mrs. Gary Wilde, and Mandi Moore, daughter of the Ray Moores, was in third place.

First place in the 4-6 grade division was Bryan Latham, son of Mr. and Mrs. Ruddy Latham. Kacy Longan, daughter of Mr. and Mrs. Bill Longan, was second, and Jamie Peek, daughter of the James Peeks of Goree, was third.

Plants Etc. personnel, Shirley Welch, Glenda Decker and Pat Smith, served refreshments to all the contestants and visitors, and expressed their pleasure at the good turnout. Mrs. Welch stated, "We're real pleased at the number of kids who came to the contest, and we will think about making this an annual event, since

everyone seemed to enjoy it so much. Next year, maybe we can have more involvement from high school students and adults. This was a lot of work for us, but we're all in agreement that it was worth the trouble."

Milsteads Find The Road Back Home!

Persons who noticed over the weekend that activity was resumed at the O. V. Milstead residence probably decided the home had been sold. But not so!

It's occupied, all right, but the Milsteads are making themselves comfortable in their old residence and amid surroundings that they love. They're glad they found the road back home, after residing in Buffalo Gap for several weeks.

Commenting on their return to Munday, O. V. said: "We just didn't burn any bridges behind us when we left," and they were able to cross all the bridges they came to on their return home.

Their friends are welcoming them back home!

100 Years Old, He'll Celebrate His Birthday!

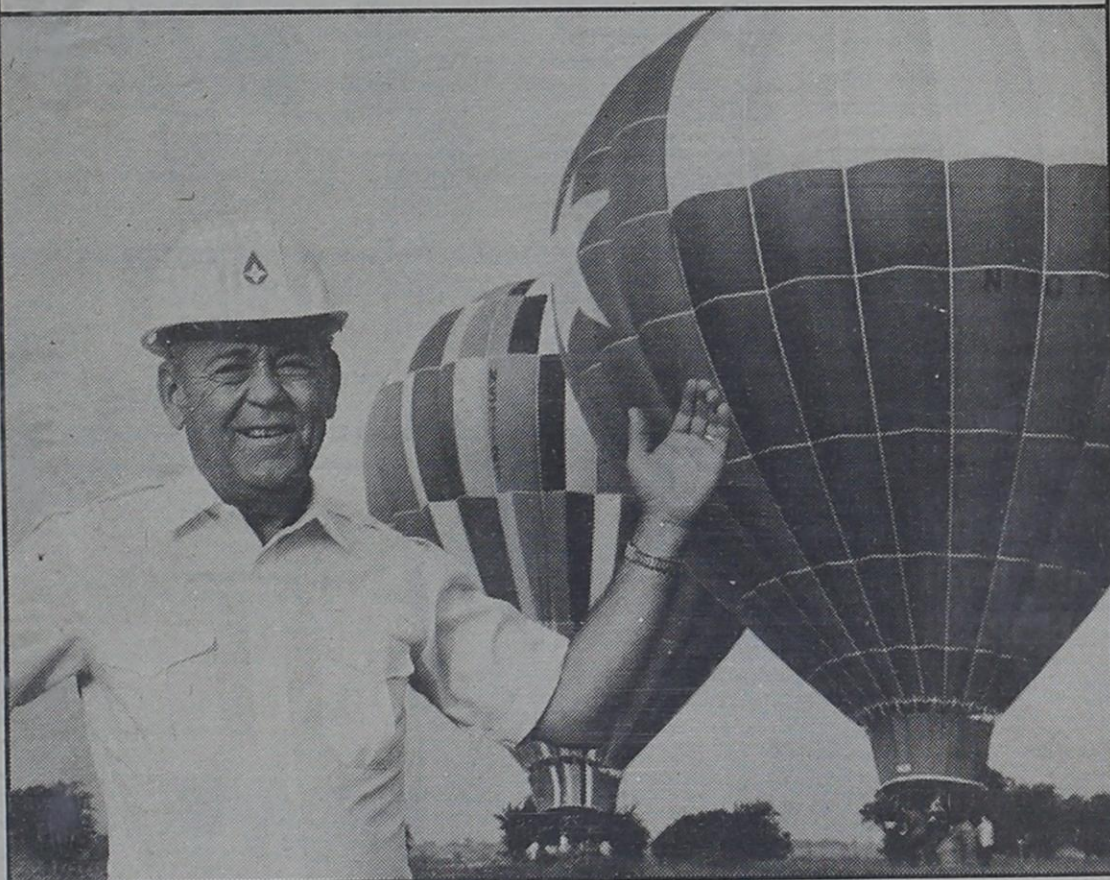

Old-time friends of a former Munday resident, George Reynolds, will be glad to learn that he will observe his 100th birthday on Monday, November 8.

A birthday party for this centenarian is planned for Sunday, November 7, 1982, at the Denton Community Center, N. Bell Street, Denton, Texas.

Mr. Reynolds, longtime resident of Munday, will be remembered as the father of Ernie Reynolds (deceased), Mrs. Lillie Wardlaw of Denton and Ezell Reynolds of Munday.

Those wishing to send congratulatory messages may mail them to him at Good Samaritan Village, 2500 Hinkle Drive, Denton, Texas 76201.

Lone Star Specialist Pete Evans uses two balloons to explain an important home-heating message. The message is that a new high-efficiency* gas furnace can help you stretch your energy dollars.

A high-efficiency gas furnace makes a difference you can see.

The larger balloon could hold 104,000 cubic feet of natural gas; enough to heat an average home for more than a year.

The smaller balloon can also hold enough natural gas to heat the same home for the same amount of time.

Why the difference in size? The larger balloon represents the gas capacity you'd need to operate a gas furnace built 10 or more years ago.

The smaller balloon represents the gas capacity you'd need with a new high-efficiency gas furnace.

Yes, it's quite a difference. Especially when you add up annual savings over the lifetime of the new furnace.

Gas has always been your most efficient fuel. A high-efficiency furnace makes gas go even further.

FINAL GAME

The Benjamin Mustangs will travel to Harrold on Friday night for a game with the Harrold Hornets. This game will probably decide the six-man district championship. Game time is 7:30 p.m.

SCHOOL NEWS

Last week was "School Royalty" week in Benjamin. Both junior high and high school football teams crowned their sweethearts and heroes, and the carnival royalty was presented at the Halloween carnival Saturday night.

Thursday night, Stacia Ryder, eighth grader and daughter of Donnie and Jimmie Kay Ryder, was crowned junior high football sweetheart. Kemp Jones, son of Ned and Susan Jones, was elected football hero. Kemp is a seventh grade student.

On Friday night, during halftime of the Benjamin-Miami football game, Wendy Pollock was crowned football sweetheart. Wendy is a senior, and the daughter of Jan Pollock and Jay Pollock.

The senior football players were crowned heroes, as the pep squad agreed they could not select just one. These students are as follows:

Doug Brown, son of the Stanton Browns; Louis Estrada, son of the Apollonio Estradas, Sr.; Ancel Redder, son of the Herman Redders; Alan Baty, son of the Louis Batys; Alan Heard, son of the Lloyd Heards; James Propps, son of the Herb Propps; and Randy Engbrock, son of the Joe Tennisons. These are a real deserving group of young men.

On Saturday night, following the Halloween carnival, Kim Conner and Doug Brown were crowned high school queen and king. These seniors' parents are Bud and Von Conner and Stanton and Shirley Brown. Congratulations to all these young people.

SEVERAL MUNDAY and Seymour players are shown in a tangle during Munday's game at Seymour Friday night. Moguls came away with the victory, 34-13.

JIM EARL DOCKINS, No. 24, is on the ground with the ball during Friday night's game against the Seymour Panthers. Moguls took the win, 34-13, to up their season record to 7-2.

BENJAMIN, GOREE KEEP PACE . . .

Four Teams Of County Add Victories Friday

Four football teams of Knox County battled on their home fields Friday night, with each coming away from the battlefields waving victory flags. Six-man teams remained on their high perches at the end of play.

BENJAMIN DOWNS MIAMI WARRIORS

The Benjamin Mustangs racked up a halftime score of 26-6 against the Miami Warriors on Mustang Field, and they were never threatened, as they came out on the top end of a 32-13 score.

Troy Oxford led the Mustangs offense, scoring two touchdowns and figur-

ing in others, as the Mustangs saw victory in sight in this District 3-A game. Also scoring for the Mustangs were Randy Engbrock and Doug Brown, one each and Troy Pratt, one extra point.

The Mustang defense played an outstanding game, holding the Warriors scoreless in the first and third quarters. T. Y. Greenhouse scored both Miami touchdowns.

The Mustangs have improved their record to 7-1 for the season.

GOREE WILDCATS GET JUMP ON PATTON SPRINGS

The Goree Wildcats welcomed the Patton Springs Rangers last Friday night

with a sudden demonstration of power that never played out in their 46-14 rout over their visitors.

The Wildcats kept the game going in their direction with James Steward with four touchdown passes, Kent Urbanczyk with two and Kipp Cotton with five extra point kicks.

The Rangers had two longshots for their two counters, with Chad Mullins completing a 21-yard pass to Brian Keith and another to Sammy Kautz for 42 yards and a Td.

Goree scored 24 points in the first period and 22 in the second.

Junior High Game Report

by Coach Ed Pugliese

Our seventh grade Braves fought the Seymour team to a 14-14 tie. I am extremely proud of the boys as they were going up against a much larger team. Seymour brought 34 seventh graders to Munday and we only have 13 on our team. When the same boys are having to play on defense and offense with very little rest, it is extremely hard to play with a high level of concentration against opponents with plenty of fresh players. I think the boys did a great job.

Anthony Stinnett made our touchdowns. He has played consistently well all year.

Our eighth graders lost to the Seymour team 34-0. In eighth grade game, we faced the same problem as the seventh graders. Seymour had about 35 players suited up, and we had 14. Our boys played a good game, they were just outmanned. I was grateful to the Seymour coach for not running the score up on our team. We just do not have the manpower to play the larger teams in this district.

We will face essentially the same situation against Hamlin, who we will play there beginning at 5 p.m. Thursday (today). They will be much larger than we are, and we will have to play very hard and not let up at all to be successful.

Variety Show Is Hit Of Carnival Evening

The 9th annual Halloween carnival sponsored jointly by the Munday Jaycees and the Chamber of Commerce and Agriculture was held Saturday night in the elementary school. Sixteen booths brightly decorated with black cats, ghosts, witches and goblins provided games of skill and fun for all ages. The spook house created frightful noises as imaginary ghosts "spooked" everyone as they entered, and upon leaving, chills remained from the scary experiences.

Trick arrow-heads, plush bears, jumbo hot dogs, finger puppets, horns, and many other prizes delighted the busy youngsters who tried to win at every booth. Consolation prizes were also awarded.

The variety show was a well planned musical in which the famous Oak Ridge Boys performed along with Dolly Parton and many other country "stars". Each show was repeated for three performances during the evening and was certainly worth the admission as Coach Robert Redden portrayed Mel Tillis as emcee. The crowd responded with delight as Principal Doug Donoho

received special attention from some members of the cast. It was a hand-clapping hour, and those who did not attend this event missed a real treat.

The attendance was very good this year and provided three hours of fun that left many too tired to make their regular trick or treat visits to the residential parts of town.

Special thanks are expressed to all who worked to provide the evening's entertainment and to those who baked cakes, cup cakes, brownies, hot dogs and other homemade goods served at the concession stand. Every precaution was taken in the food planning this year as everyone tried to lend a hand to provide safe edibles for the children.

Special recognition is expressed to Don and Shirley Welch and their cast of players for the variety show, to Mrs. Penny Winchester and the FHA girls who decorated their own booth and worked at it, to Eddy Nelson and the FFA students who worked very hard on the Spook House, to Mr. Martin and Superintendent Lowrance for their help, and to the many volunteers who worked and cleaned out the booths after the carnival closed. Certainly not to be forgotten is the willing participation of the Munday merchants and businessmen who contributed money and prizes for the carnival.

Proceeds from the carnival will be divided between both sponsoring organizations and shall be used for special projects benefitting the community.

Basketball Scrimmages To Begin Tuesday

Coach Dan Sloan and his girls' varsity and junior varsity basketball teams will travel to Rule on Tuesday, November 9, for scrimmage games beginning at 7 p.m.

On Friday, November 19, Munday will host the Megargel Mustangs in scrimmage games tentatively scheduled for both boys' and girls' teams, although the boys' game will depend on whether the Moguls advance in football district playoffs.

The Mogulettes' first regular season game will be at home against Aspermont on Monday, November 22.

Coach Sloan has 30 girls out for basketball this year, and will depend on five returning starters from last year's team to provide both leadership and ability.

While relying on the experience of Darla Myers, Kristi Smith and Lisa Zeissel Myers, Sloan can also look to Janet Myers and Kathy Pennartz, who alternated starting duties last year after Darla was injured, for assistance in the lineup.

Other players for the varsity this year are Sharla Bryan, Jeannette Kuehler, Holly Hutchinson, Beverly Brown, Kelli Smith, Norma Taylor, Cherie Welch, Karen Beaty and Paula Waggoner.

Screening Clinic To Be Offered

The Texas Department of Health will conduct a screening clinic at the Munday Community Center on Wednesday, November 10, 1982, from 9:00 a.m. till 12:00 noon.

The following screening tests will be offered: blood pressure, diabetes, anemia, height, weight, and skin disorders. If an abnormality is found the person will be referred to the physician of their choice.

Coach Lankford Comments

by Coach Rogers Lankford

For the first time in four games, we had 300 yards offense against Seymour. We needed the win, and we needed the offense to play well to get the win.

We also won the battle of field position and did not wind up being stuck in our own end of the field most of the night.

Lawrence Collier had an excellent game, with 228 yards on 18 carries and three touchdowns.

Our defense also came up with two timely touchdowns, one on a fumble recovery in Seymour's end zone by Johnny Collier, and the second on a great pass interception by Jim Earl Dockins on their 35-yard line. He ran the ball in for the score, which gave us our 34-13 lead in the fourth quarter. Jim Earl almost had another interception during the game.

THIS IS ALABAMA? A convincing performance is being presented by a group of MHS students at the annual Halloween variety show held Saturday night. Left to right are Cindy Berryhill on drums, Ronny Lowrance, Dent Offutt, and Todd Thompson. Odd how facial decorations can improve a guy's singing!

can already tell by the title which man I have in mind. There probably was no more silver-tongued than this Alexandrian Jew. Not being an apostle commissioned by Jesus Christ in the manner of Peter and Paul, it is really quite a commentary on this man that some of the people in Corinth prided themselves in being "of Apollos." And Apollos was a fervent preacher (Acts 18:25). Admirable though it may be, Apollos' fervor does not strike me as his greatest trait.

Apollos is described in Acts 18:24 as having a thorough knowledge of Scriptures. Certainly, I do not wish to diminish the importance of this characteristic in the life of a Godly man, but that is still not what I consider most commendable about him.

The thing that really strikes me about the greatness of the preacher Apollos

is this: inspite of all his greatness, his eloquence, his fervor, his understanding of Scripture and power of persuasion, Apollos was still correctable!

Apollos was preaching incorrect doctrine about baptism. He only proclaimed the baptism of repentance preached by John. Aquila and Priscilla took him to their home and taught him the way of the Lord more correctly. He listened, and he changed!

Why should a successful preacher listen to these tent-makers?

Why should a Jewish man receive instruction from a woman?

He was teachable. Hats off to Apollos, and may God make us all as teachable as he was.

Let's build into our lives the correctable, teachable heart of Apollos.
