## NEW OIL WELL IS COMPLETED IN FOARD

### Construction on New Elevator Is Completed in Crowell

#### CAPACITY OF LOCAL PLANT IS INCREASED

Work was completed this week on the new re-enforced concrete elevator at T. P. Duncan & Son. The new plant is now in operation. The work of enlarging the elevator was started on March 15. H. P. Roberts of Springtown, Mo., as the contractor. His company has specialized in concrete elevator construction for many years and has built many of the largest grain elevators in the west. H. E. Henly of Fort Worth was superintendent of construction.

The new construction tripled the storage capacity of the old elevator and at present over six thousand bushels can be stored in the plant. Four 15-foot tanks, 10 feet in height and with 6-inch reinforced concrete walls were added in the new construction, together with a 41-foot concrete structure on top of the old elevator, bringing the plant's total height to 90 feet.

Each of the four new storage tanks has a capacity of about 19,000 bushels. Beneath the row of tanks is a conveyor tunnel, 10 feet in depth. A concrete structure across the top of the tanks, known as the "Texas house," allows a person to work in safety on top of the elevator and also to house another conveyor. There are four floors to the new 40-house, which is 14 feet high. From the first floor, spouts lead to storage bins in the old elevator and the tank adjoining. Just above is the distributing floor. Automatic scales are located on the second floor and on the fourth is a "head" floor, to which extends a conveyor from the four new tanks.

A new conveyor belt and steel using extending from the base of the elevator to the fourth floor of the head-house, a distance of 87 feet, is capable of handling 200 bushels of wheat per hour. An 80-foot counter-balanced shaft extends from the first floor of the elevator to the top of the head-house.

New machinery has been installed throughout the plant, making it one of the most modern to be found anywhere. New equipment will make it possible to handle wheat through the elevator at the same time that wheat is being loaded.

#### Mrs. N. J. Roberts Re-Elected Head of Cemetery Association

The annual meeting of the Crowell Cemetery Association was held Tuesday afternoon at which time the following officers were re-elected: Mrs. N. J. Roberts, president; Mrs. Claude Adams, vice president; Mrs. George Hinds, secretary; Lee Black, treasurer; Mrs. M. O'Connell, J. H. Self and J. T. Gribble, executive committee.

#### MEETING WILL START SUN. AT LOCAL CHURCH

The annual revival meeting at the local Christian Church will begin Sunday and will last two weeks. Much interest is already being shown in the meeting and a number of committees have been completed and are now at work on details of the meeting.

Rev. Paul J. Merrill, pastor of the Crowell and Henrietta Christian churches, will do the preaching throughout the revival. This will be the seventh meeting in which he has preached here, all preceding ones having been among the most successful and constructive ever conducted here. Rev. Merrill recently led in a revival at the Highland Heights Christian Church in Wichita Falls, with fine results.

Mrs. Merrill will also be here and will have charge of the singing. This part of the meeting is to receive special attention and every singer in town is cordially invited to assist both in the choir and in special music. Some kind of special song is being planned for each service.

The messages for the opening services Sunday are: Morning—"The Source of Spiritual Power;" evening—"The Stewardship of Myself."

The office building is to be rebuilt in the future. Considerable employment was furnished as a result of this new and major improvement. Except for foremen, local labor was used almost entirely.

During the peak of construction work, over sixty men were employed day and night for about two weeks. Due to the slide forms used in pouring the concrete for the walls, it was necessary for construction to continue without interruption until they were completed. As a result work of pouring the concrete for the four tanks continued one night throughout a hard rain and electrical storm.

The large amount of equipment brought here for the construction work was returned to Fort Worth this week by the Clint White Motor Freight Line.

#### VACATION BIBLE SCHOOL TO OPEN FOR ENROLLMENT IN CROWELL FRIDAY MORNING

Four Crowell churches, Methodist, Christian, Baptist and Presbyterian, are co-operating in the daily vacation Bible school that is to open for enrollment tomorrow morning, Friday, at 8 o'clock at the Methodist Church.

An invitation is extended to every boy and girl in the Crowell area, from the ages of 4 to 15, to attend this school, which will come to an end on June 15. Actual school sessions will start Monday morning at 8 o'clock with the beginner and primary divisions at the Methodist Church and the junior and intermediate divisions at the Baptist Church. No provision has been made for children under 4 years of age.

Parents are welcome at all times to visit any class or department and are urged to co-operate in enrolling their children of eligible ages and to assist in their regular and prompt attendance at the school sessions.

Fine fellowship, fun, inspiration and the acquirement of Bible truth to fit the children for daily Christian living will be provided by this annual school.

The school officials are: Rev. O. L. Savage, general superintendent; Kathryn Crowell, general secretary.

#### Dodge and Plymouth Agency Is Opened in Crowell by Griffith

A new Dodge and Plymouth agency for Crowell has been opened in the Russell building next to the post office by W. W. Griffith. The new firm, known as the Griffith Motor Company, opened for business Saturday.

Improvements were made in the building prior to the opening of the new firm, including the removal of the back walls to the show windows, in order to provide a view from the sidewalk of the autos on display. A partition was also added from wall to wall at about the center of the building.

#### C. B. Yancey Died At Black Wednesday

C. B. Yancey, 84, died suddenly Wednesday morning at about 7 o'clock at the home of Mr. and Mrs. T. D. Sparks in the Black community. Just six days prior to his death he had arrived in Foard County from Mission, Texas, with his son, D. B. Yancey, and family, all of whom had spent the winter in the Rio Grande valley.

He had been in the home of his granddaughter, Mrs. Sparks, since coming to Foard. The family of D. B. Yancey is living in this home temporarily. Funeral services were held at the Crowell Cemetery Wednesday afternoon with Rev. O. L. Savage, local Baptist pastor, officiating. Mr. Yancey was born in Mississippi on June 14, 1849. Surviving are one son, D. B. Yancey, and two daughters, Mrs. Mattie Ridgeway of O'Donnell, Texas, and Mrs. Mattie Humphreys of Daugherty, Okla.

#### "Dri-Sheen" Process Equipment Installed By Wright Cleaners

New equipment and supplies for the "Dri-Sheen" process of cleaning have been secured by the Wright Cleaners and are now being used. The equipment, representing an investment of over \$300, includes a high pressure filter tank with a pump which sends 500 gallons of water-white naphtha per hour over clothes in the cleaner.

The flow of naphtha is kept passing through the filter at all times with the result that lint, fats, grease, moisture and other elements are removed that should not be in the naphtha for best cleaning results. It also eliminates the danger of shrinking or stretching the most delicate material. Filter powder, sweetening powder and liquid "dri-sheen" are used in the process.

#### No Special Trades Day Features Due to Extra Busy Season

Due to the fact that this is one of the busiest times of the year for the farmers of this section, no special entertainment features have been arranged for the regular monthly Trades Day in Crowell, however, a number of excellent first Monday bargains are being provided by local merchants and the day will provide the usual opportunity for the people of this section to conduct trades of their own.

#### NAME WINNERS IN 4-H GIRLS ROOM CONTEST

Geraldine Rhey of the West Rayland 4-H Club was judged first place winner Wednesday in the bedroom improvement contest for 4-H girls of Foard County. Other winners were:

Melba Lee Blair of Vivian, second; Lorene Washburn of Margaret, third; and Maurice Bagley of Ayrersville, fourth. Each girl was bedroom demonstrator for her club.

Mrs. Gus Hooks of Crowell, former home demonstration agent of Baylor County, served as judge for the contest.

A trip to the A. & M. Short Course is the prize won by Mrs. Rhey. It was promised the first place winner by the county home demonstration council. Appropriate prizes will also be given each of the other three winners by the council.

The winning entry will be judged in the district contest within the next few weeks. The district winner will then compete in the state contest.

Muzette Hendrix of Foard City won first place in the contest last year and Mary Wanda Lewis of Vivian won second, the place won by another Vivian girl this year.

Judging of the eight rooms entered in the women's bedroom contest will take place on June 9 and June 11.

#### TEX. CENTENNIAL ADVISORY BOARD COMPLETED IN FOARD

Mrs. N. J. Roberts and John S. Ray have been appointed by Ben G. Oneal of Wichita Falls, state senator from this district, as members of the Texas Centennial Advisory Board. Four members from each county, instead of two as reported in The News last week, will compose the advisory board for the Texas Centennial that is to be held in 1936.

Each state senator and representative are allowed to appoint two committee members in each county. Last week George Moffett of Chillicothe, representative from this district, notified Mrs. R. L. Kaneaid and Mack Boswell of their appointment to Foard County advisory board.

Prior to the election in which the Centennial amendment carried, Mrs. Roberts served as the Centennial chairman in Foard County.

#### HOSPITAL NOTES

Bonita French was dismissed Tuesday following an operation for appendicitis.

E. J. Solomon has sufficiently recovered from an operation to be dismissed from the hospital on Sunday.

Mrs. Edith Bell submitted to a major operation last Thursday and is reported to be improving nicely.

Herman Blevins, son of Mr. and Mrs. Wm. Blevins, of Margaret was operated on Saturday for appendicitis.

#### C. H. S. Graduate to Get M. A. Degree Mon.

Mrs. Edith Graham Waechter, daughter of Mr. and Mrs. C. B. Graham, of Crowell will receive her master of arts degree at graduation exercises of the University of Texas on Monday, June 4. Mrs. Waechter graduated from Crowell High School in 1926 and received her bachelor of science degree from the university in 1930.

#### FIRST PRODUCTION FROM NEW WELL WEST OF HERE TURNED INTO GAS PLANT LAST NIGHT

##### COUNTY EQUALIZATION BOARD COMPLETES WORK

The commissioners' court of Foard County met Monday to complete its work as an equalization board. It conducted a public hearing Monday to hear protests of valuation raises made by the board on May 14.

##### SUMMER SCHOOL TO OPEN IN CROWELL MON. MORNING

The regular summer school term of six weeks in Crowell will open Monday morning. I. T. Graves, superintendent of the local system, will conduct the school. He conducted it last year also.

##### CANDIDATE SPEAKING

All candidates are invited to the pie supper and candidate speaking that will be held at the Black school house on Friday night, June 8, at 8 o'clock.

#### Pyle Withdraws From Foard Sheriff's Race

Vernon Pyle has authorized The News to announce that he has withdrawn his candidacy for the combined offices of sheriff, tax collector and assessor. In making this announcement he stated:

"I wish to thank all who have been responsible for the splendid encouragement I have had in this race and in dropping out of it I am doing so in order that I may give first consideration to my home. I, alone, am responsible for this action and have taken it with the belief that it is for the best interests of my family."

#### JOE ROBERTS RECEIVES APPOINTMENT AS FLYING CADET AT RANDOLPH FIELD

Joe Roberts received notification last Saturday of his appointment as a U. S. flying cadet and to report on June 30 to Randolph Field, San Antonio, for assignment to the July, 1934, class, of this government flying school.

After application for enrollment at Randolph Field, Roberts successfully stood a strict physical examination at Barksdale Field, near Shreveport, last Dec. 12.

In entering this service, a cadet signs for three years of service. The course of instruction for cadets was recently changed from one to two years.

#### MISS LUCILE WELCH IS GRADUATE IN NURSING AT DALLAS SANITARIUM

Mr. and Mrs. J. Y. Welch attended graduation exercises at Dallas on May 22 for their daughter, Lucile, a graduate of the nurses school at St. Paul's Sanitarium of Dallas. Miss Aric Fleta Beidleman accompanied Mr. and Mrs. Welch to Dallas and attended the exercises. Miss Jim Lois Gafford of Crowell, a student in T. W. C. at Fort Worth, was also present.

Mrs. Harry Wellow of Terrell, an aunt of Mrs. J. Y. Welch, attended the exercises and accompanied Mr. and Mrs. Welch to Crowell and is now visiting here.

#### Crowell Football Captain Appeals to Candidates for '34 Team to Keep in Good Condition During Summer Months

With the conclusion of the 1933-34 school term and with only about three months until football practice starts for the 1934 season, Capt. Lester Patton is asking the co-operation of all the prospects for the coming season to do everything possible to keep in the best possible shape during vacation by following the advice given them by Coach Grady Graves before he left last week for Stephenville.

Boys who have not reported for football before, but who expect to do so in September, are also urged to start preparing for the season now.

"By being in the best of physical condition when practice starts, we will be just that far ahead," said Capt. Patton, "and no matter what our prospects are now, they will be much better if everybody will not wait until about the time practice starts to get in shape."

The present outlook indicates that the Crowell Wildcats will have one of the strongest football teams in their history next fall, however, the club is also faced with a very tough schedule since

The Texas Company completed its Johnson No. 4 oil well Wednesday of this week at a depth of around 3,500 feet and connected it with the company's natural gasoline plant Wednesday night to process a portion of its production into natural gasoline.

The production of the new well is estimated at between 2,500 and 3,000 barrels of oil daily, which is about the same production in the Johnson No. 3, about 2,000 feet east. The natural gasoline plant is midway between these two wells, the No. 3 well having furnished its source of supply since the plant was put into operation on March 5 of this year. The Johnson No. 3 was brought in last July at a depth of 3,571 feet. Early in October of 1933 drilling proceeded 5 feet deeper and on Oct. 9 the well flowed 2,776 barrels in 24 hours.

While the oil production in the new well is estimated to be as much or more than in the No. 3, it does not have as much gas. Drilling was started on it with an all electric rotary rig on March 13.

On May 8 a gas sand gauging eighteen million cubic feet was brought in at this test when a depth of 3,222 feet was reached. The well is about 18 miles airline distance west of Crowell, but is slightly over 22 miles over the road to it.

It is on the L. K. Johnson ranch in Foard County and is 1,695 feet east and 145 feet south of the northwest corner of Section 26, Block "L," S. E. Railway Survey and was drilled for the purpose of securing additional production for the Texas Company's new gas processing plant nearby.

An oil showing in a lime formation was encountered in this well at a depth of 3,533 feet last week.

#### MISS INEZ SLOAN IS GRADUATE OF BAYLOR SCHOOL OF NURSING

Miss Inez Sloan, daughter of Mr. and Mrs. A. L. Sloan of Crowell, graduated from the Baylor University School of Nursing in Dallas at commencement exercises at the First Baptist Church in Dallas Monday evening of this week.

#### BIRTHS

To Mr. and Mrs. Loyd Curlee, Crowell, May 28, a boy, Murlin.  
To Mr. and Mrs. Roy J. Martin, Crowell, May 27, a girl, Peggy Joan.  
To Mr. and Mrs. George Truett Neill, Thalia, May 30, a boy, William George.

#### SINGING AT RAYLAND

The public is invited to a singing that will be held at the Methodist Church in Rayland Sunday afternoon at 2:30 o'clock.

an aunt of Mrs. J. Y. Welch, attended the exercises and accompanied Mr. and Mrs. Welch to Crowell and is now visiting here.

press reports from other teams in the district state that their squads will be stronger than ever before.

To Play Vernon Besides competition with teams of its own district, Crowell will also play Vernon at the opening of the season. The Wildcats will open the season with Knox City here on Sept. 14. The following Friday night, Sept. 21, they will play under Vernon's new lights in a tough contest with the Vernon Lions, a team that is predicted to go far in its own Class A district race.

The thirteen lettermen that will be back from the bi-district championship squad of the past season are: Capt. Patton, Bill Dunn, Dick Todd, Jim Riley Gafford, Edward Jones, W. F. Brisco, George Owens, Raymond Gibson, Paul McEvers, Stanley Womack and John Cogdell. Frank Meason and Oscar Nichols are two members of the '33 squad who will help the 1934 team.

New talent was also uncovered during the spring training season that will be of great benefit to the 1934 squad.

#### CROWELL SCHOOL TERM FOR 1933-34 COMPLETED WITH PROGRAMS LAST WEEK-END

The 1933-34 term of the Crowell schools came to a formal close with commencement exercises for high school graduates at the school auditorium Friday night. A large crowd was present for the occasion.

As the procession was played by Mrs. Arnold Rucker, the 19 boys and 18 girls making up the graduating class, marched to their places in the front rows of seats in the auditorium. After invocation by Rev. O. L. Savage and a vocal duet, "Dreams of Eve," by Geraldine Carter and Doris Oswald, the commencement address was delivered by Rev. Geo. E. Turrentine, pastor of the local Methodist Church.

"Uses of Imagination" was the subject of the address. Mentioning that he did not mean a lively imagination that usually came to mind when this subject was mentioned, Rev. Turrentine stated that he meant the imagination of (Continued on Page 4)

Seventh Grade The Crowell High School gymnasium was filled last Thursday night for a unique and entertaining Indian operetta given in connection with the seventh grade graduation exercises.

The first of a series of historical programs in connection with the grammar school graduation exercises was given last year with pageant depicting important local and state historical events.

This year's operetta, "Dawn Boy," also related to Texas history and was in keeping with the Texas Centennial to be celebrated in 1936.

Through the use of the gymnasium, instead of the auditorium which has always been used in the past, the graduation program was more effectively presented. The floor was made to represent an Indian village and the excellent manner in which trees, wigwags, campfires and other outdoor objects were placed helped to give a (Continued on Page 4)

Mrs. Joe H. Anderson and little son and Mrs. Joe Chambers and daughter, Eva Joe, of Chillicothe visited John Kerley and family Friday.

Fred Wilson returned to his home at Dallas Saturday after attending school here the past term.

Sam Wright and wife of Colorado are visiting Mr. and Mrs. J. D. Wright this week.

Fifteen Years Ago in The News

The items below were taken in whole or in part from the issues of The Foard County News of May 9-16-23-30, June 6, 1919.

Four Airplane Accidents

It seems that Crowell has become a dangerous place for airplanes. Four have either been wrecked or damaged in the last two weeks. The first one hit the top of Frank Crews' house. A second one struck a post at the M. L. Bird farm when it came to look after the first one. The next machine met a similar fate when it brought a propeller for the disabled plane, when it was turned into a fence with avoid running into a fence with the result that it lost its own propeller.

The first machine was shipped out on a flat car. Repairs came for the other two and they were prepared to sail. The last one to leave the ground did not make a good rise and landed in L. I. Saunders' lot in the north part of town. It turned turtle and had to be shipped out on account of its damage.

Nelson-Schlagal

After church services last Sunday night, Mr. Harvey D. Nelson

and Miss Gayle Schlagal were married at the Baptist parsonage. These young people have the hearty congratulations of their host of friends. The bride is the daughter of Mr. and Mrs. C. T. Schlagal. Mr. Nelson was recently in the army.

Glynn Shults has returned from Fort Worth and is employed at the Edwards & Allison Grocery.

Ray-Mussetter

Mr. John S. Ray and Miss Mary B. Mussetter were quietly married at the home of Mrs. Ora Hunter Saturday evening by Rev. J. H. Hamblen. Mrs. Ray has been employed in the Crowell High School during the term just closed, however, her home is in LaGrange, Mo.

Roberts-Flesher

On last Sunday afternoon Mr. T. D. Roberts and Miss Ethel Flesher were married at the Methodist parsonage, Rev. Hamblen performing the ceremony. The bride is the daughter of Mr. and Mrs. J. R. Flesher. The groom was recently discharged from the Navy.

Let your next car be a "Texan."

A girl has been born to Mr. and Mrs. W. C. McKown.

New Elevator

T. L. Hughston left Wednesday for Dallas to buy the machinery equipment for a new elevator he is putting up south of the Bell Mill & Elevator.

J. F. Steele of Dallas County has purchased through J. R. Allee the old Pigg place near Thalia consisting of nearly 865 acres. Mr. Steele's sons, Earl and Roy, were here last week and are preparing to move to the place.

Prohibition Favored

The vote on the amendments in Foard Saturday results as follows: for prohibition 264, against prohibition 80; for woman suffrage 239, against woman suffrage 129.

J. H. McLain of Collin County has bought the John Coffey farm south of town.

One of the heaviest rains in years fell last Friday. Some folks say that the creeks became higher than ever before known.

In "Train" Wreck

Little Allison, daughter of Mr. and Mrs. B. W. Self happened to the misfortune of getting one of her arms fractured one day this

week when she fell from a closet. She and some of her little girl friends were playing they were traveling on the using the closet as a Pullman. Little Allison was sleeping in upper berth when in some way she fell out with the above result.

WHEAT PRICE

Our exact words in June, 1932, when wheat was selling in the low thirties: "Use your own opinion, we might be wrong, however, we firmly believe wheat stored under 35 cents will bring 50 within the year and with winter wheat almost half, perhaps more."

The wheat did bring more than 50 cents. Our exact words in June, 1933, when wheat was selling in the low forties: "Should spot wheat go down in the low forties, we believe it a safer hold than last year. With crops much less than half in the Southwest, we firmly believe that wheat will sell for 75 cents within the year."

Within 60 days from this time, wheat did sell for 75c and more.

Alright, what about 1934? With a severe drouth in the Northwest and no sub-soil moisture, we firmly believe should wheat go down, during the movement, in the forties that it should be held for better prices and would show an excellent profit.

We rather doubt that wheat will go as high this year as the high mark last year, but wheat should sell within the year for 80 or 85 cents, perhaps more.

And— If We Handle Your Wheat, Like We Handle Our Own Wheat, You Will Make Money.

Individual Responsibility. When you place your wheat with us we feel individually responsible to you to help you in every way possible to handle the wheat to the very best advantage.

Our advice to you at all times will be honest advice, regardless of how it may affect our business. Of course you can do as you please as to when you may sell your wheat when placed with us for storage, but if you are placing your wheat on storage with the idea of carrying it indefinitely, or expecting to make a huge profit, we prefer not to store it for you.

We do not want your wheat for storage if you are going to continue to hold it and let the storage eat up the profit. We are here to make you some money and remember—

If We Handle Your Wheat, Like We Handle Our Own Wheat, You Will Make Money.

Equipment. Fairbanks ten-ton scales at all plants. All scales recently inspected by State Bureau of Weights.

Experienced weighers at all scales. All testers inspected recently by Federal Bureau.

All wheat tested according to Federal specifications. Globe air dump, the safest in Crowell. All elevators in A-1 condition for the fast handling of wheat.

Plenty of room to handle any kind of wheat properly and efficiently.

Things to Remember. Quick unloading, quick getaway. Water for your truck. Globe, the safest dump. Ice water, plenty of it. Correct weights, correct test. Money, 6 per cent. Storage charges by the day only. Interest charges only exact number of days.

Settlements now—not tomorrow. Highest bids for wheat, day or night. Always room for one more load. Wheat is worth a dollar, but market seldom lets us pay it.

The very best scales in the best condition. Careful to see that your name is on the scale ticket. Experienced man to weigh and test your wheat. All errors gladly corrected.

And— If We Handle Your Wheat, Like We Handle Our Own Wheat, You Will Make Money.

Bookkeeping. We make triplicate tickets on every load.

Capacity of Elevators. Crowell plant, 16 bins ..... 72,000 bushels. Margaret plant, 7 bins ..... 12,500 bushels. Foard City plant, 2 bins ..... 2,500 bushels.

Total capacity, Self Grain Company ..... 87,000 bushels.

THANKS AND APPRECIATION

We want to thank every customer and every person who contributed to our success this past year.

We appreciate very much your business and we want to tell you now that there is nothing too good for our customers. We are more determined to be of service and help this year and we can because we are in better shape to do it.

Some of you boys out there know that in times past we have done everything we possibly could for you and we are glad and happy that it was working together that made you some money.

And— If We Handle Your Wheat, Like We Handle Our Own Wheat, You Will Make Money.

Exact Rate. —On 1,000 bushels of wheat stored in Fort Worth for 30 days:

Storage ..... 1 cent. Unloading ..... 1 cent. Running ..... 1 cent. Inspection and weighing ..... 1 cent. Insurance and exchange ..... 1 cent. Shrinkage ..... 1 cent. Interest on freight money advanced ..... 1 cent. Total charges for 30 days ..... 2 1/2 cents.

After the first 30 days you pay as follows: Storage ..... 1 cent. Running ..... 1 cent. Interest on freight money ..... 1 cent. Shrinkage and insurance ..... 1 cent. Total per month ..... 1 1/2 cents.

In addition, wheat shipped to Fort Worth for storage will lose an average of one-half of a cent on account of grades.

On all new wheat after June 1, 1934, stored with us, if you prefer that we figure the rates on storage on Fort Worth rates, we will do so.

Flat Billing. —Means the first billing on wheat, and wheat shipped to Fort Worth for storage when loaded out must be billed the second time.

So many times wheat can be sold from Crowell on flat billing to a much better advantage than when under billing on storage in Fort Worth.

Also, with the severe drouth on in the Northwest, we may be shipping wheat North from Crowell to a much better advantage than wheat billed from Crowell to Ft. Worth on account of the billing, back hauls, etc.

We have actually sold wheat from Crowell to go north for three cents a bushel more than wheat shipped out of Fort Worth.

Also wheat stored with us in our elevators, you can have your wheat if you want it at any time.

Our Policy. To give the best of service at all times. To secure the highest market price for your wheat every day.

Correct weights by experienced weighers. Correct test, settlements now, and errors gladly corrected.

Financial Statement. We believe anyone storing wheat should know the financial condition of the company and the responsibility of the person managing the business.

Our statement in full will be gladly furnished you at any time.

The Burrus Interest. We work with the Burrus Interest over at Fort Worth and Dallas. The Burrus Interest has 15 flour mills grinding about 75,000 bushels of wheat per day. It gives us a good outlet every minute for wheat. They are always in the market for good milling wheat at any point in Texas.

Their elevators at Dallas, Fort Worth, Amarillo and Lubbock have a capacity of seven million, six hundred thousand bushels of grain and we would be glad to arrange for storage, should markets be down during the movement.

Expense money advanced at 6 per cent interest.

Their management is the best, their service is unexcelled and their financial responsibility is the highest rating made.

Call at our expense from any point in Texas. Crowell phones, 36 or 128, or Long Distance 387, Dallas.

Let us help you with your wheat.

To Our New Competitor. —The Farmers Co-Operative Elevators: Please be assured that it is our sincere desire to co-operate with you in every way possible, every day in trying to do something of a constructive nature that will be of benefit to the wheat growers of Foard County.

Why Doctors Favor a Liquid Laxative. A doctor will tell you that the careless use of strong laxatives may do more harm than good. Harsh laxatives often drain the system, weaken the bowel muscles, and even affect the liver and kidneys. Fortunately, the public is fast returning to laxatives in liquid form. The dose of a liquid laxative can be regulated to suit individual need. It forms no habit; you needn't take a "double dose" a day or two later. Dr. Caldwell's Syrup Pepsin gently helps the average person's bowels back to regularity. Why not try it? Some pill or tablet may be more convenient to carry. But there is little "convenience" in any cathartic which is taken so frequently, you must carry it with you, wherever you go! Its very taste tells you Dr. Caldwell's Syrup Pepsin is wholesome. A delightful taste, and delightful action. Safe for expectant mothers, and children. All druggists, ready for use, in big bottles. Member N. R. A.

WORLD'S LOWEST-PRICED SIX CHEVROLET

A group of additional new models for the 1934 Chevrolet line - four full-size cars - 100% Chevrolet in quality and reliability

Right at the peak of Chevrolet popularity - with nationwide demand sending production to new all-time "highs" - Chevrolet dealers are displaying an additional group of four new models. These cars are identical in quality with all 1934 Chevrolets. And the prices have been set at such incredibly low figures that you can now buy a Chevrolet for \$490! "A Chevrolet for \$490!" That's the world's lowest price for a six-cylinder car. The lowest price, also, for a car of this size, wheelbase and power! And a figure that sounds even more impressive after you find out what it buys: A great big, full-size, long-wheelbase car, 169 inches from bumper to bumper. A cushion-balanced SIX of surprising smoothness, power, snap and dash. The most economical full-size car that money can buy - a record-breaker for gas and oil mileage, as well as long, dependable service. And every closed model has a Body by Fisher. Nobody interested in motor cars can afford to let another day slip by, without seeing this "Chevrolet for \$490."

CROWELL WINS OVER VERNON GOLFERS HERE

Crowell's golf team defeated Vernon 14 to 11 here Sunday for its first victory in the Texas-Oklahoma Golf Association.

The three victories were won by Crowell in the five ranking matches. Whitney Anderson of Vernon, who has been undefeated in association matches so far, kept his perfect record in the No. 1 match of the day by defeating T. S. Haney, however, play on an extra hole was required to settle the close contest.

Gordon Bell, No. 2 performer for Crowell, beat R. B. Gibson, 5 and 3. Bell was also medalist for the day with a 73, one over par.

Roy Farrell of Vernon, former champion of the West Texas Invitation tournament, was defeated 4 and 3 by R. D. Oswalt. Grady Magee handed another prominent golfer of this section, Joe Tom Nuckles, a 2 and 1 defeat. In the other ranking match, Cole Gibson of Vernon beat M. L. Hughtson 5 and 4.

Results of other matches:
Saxon Judd, Vernon, defeated Guy Crews, Crowell, 1 up, 19 holes; A. Bell, Crowell, beat W. B. Howell, Vernon, 7 and 6; A. Spencer, Crowell, defeated L. J. Nuckles, Vernon, 1 up, 19 holes; R. Burrow, Crowell, beat Walter McCaleb, Vernon, 4 and 3; W. W. Anderson, Crowell, defeated J. T. Billington, Crowell, 3 and 2; E. G. Spears, Crowell, beat E. A. Vernon, Vernon, 2 and 1; Lee Black, Crowell, defeated Roy Foster, Vernon, 6 and 5; V. T. Adrian, Vernon, beat R. J. Thomas, Crowell, 4 and 3; Fred Bennett, Crowell, defeated C. F. Swartwood, Vernon, 1 up; H. K. Edwards, Crowell, beat T. Edgar Johnson, Vernon, 3 and 2; C. J. Farrell, Vernon, defeated B. Elliott, Crowell, 6 and 5; R. J. Roberts, Crowell, beat D. D. Bourland, Vernon, 5 and 4; G. V. Walden, Crowell, beat D. D. Bourland, Vernon, 3 and 1; W. Hy Rogers, Vernon, defeated Merrill Alice, Crowell, 1 up; Luther Gaudin, Vernon, beat Earnest King, Crowell, 6 and 5; J. O. Ross, Crowell, defeated Geo. Slauchhop, Vernon, 3 and 2; M. O. Pickett, Vernon, beat B. D. Miller, Crowell, 4 and 3; M. C. Culbertson, Vernon, beat Fred Spears, Crowell, 2 and 1; Eli Smith, Crowell, defeated George Slauchhop, Jr., Vernon, 4 and 3; and C. P. McDonald, Vernon, beat T. F. Hill, Crowell, 8 and 6.

Several others played, but points were counted only on the first 25 matches.

Crowell and Vernon Are Tied for Bottom Position in A s' n.

Crowell and Vernon are now tied for the cellar position in the Texas-Oklahoma Golf Association as a result of Crowell's victory over Vernon here Sunday.

The two Oklahoma entries, Frederick and Altus, are tied for the top position with one loss each in four matches. Electra and Paducah are tied for second place.

The standing follows:
Teams M. W. L. Pct.
Frederick 4 3 1 .750

Senior Class--

(Continued from Page 1)
truth—an imagination that enabled one to have the power of picturing visions of the past and future and one which permitted a person to enter into the thoughts of others.

Speaking of imagination from a retrospective standpoint, the speaker mentioned the power that it gave to emulate others who had been successful.

"Not all of us can enjoy all of the good things of life," Rev. Turrentine said, "but it is possible for most everyone to enrich their lives by finding new friendships and journeys to distant and interesting points by the power of imagination rather than through reading the proper literature."

The importance of imagination in giving people a deeper appreciation of events, such as the Texas Centennial, was mentioned. It was also stated that a deeper appreciation of other countries and their people could be gained by entering into the lives of these people through imagination.

In mentioning that one must learn of others to make themselves better, the speaker said: "A person is foolish who learns only by experience."

The power of imagination was said to be the mightiest instrument known to mankind. In mentioning this, the speaker referred to Aladdin and the wonders he worked with his lamp, stating that those wonders were no greater than those resulting from the imagination of Edison and other great people of science.

The value of imagination to the occupations to be chosen by the graduates was mentioned. "Remember, chance favors the trained mind," Rev. Turrentine said. He told the graduates to choose a life in depth and power before choosing their occupation and to use their imagination in thinking God's thoughts.

Warning that imagination could be as destructive as it could be constructive, the speaker urged the dismissal of wrong views from the mind whenever they appeared. Ambitions coming from Clyde Barrow's imagination were mentioned in this respect.

Rev. Turrentine stated that it was of the utmost importance for anyone to have a senior partner in helping to accomplish the best things resulting from the imagination. God, he said, should be this partner. "God has chosen the fool to confound the wise and the weak to overwhelm the strong," he stated.

"When shall these dreams come true?" the speaker asked. He added that if their success were to be realized that they must be more than just air castles and that much mental and physical effort would have to accompany them. "You

K-A'S LEADING IN LOCAL SOFT BALL LEAGUE

The Knee-Actions team in Crowell's soft ball league is undefeated so far this season, having maintained its position as leader with a 4 to 2 victory over the Short-Circuits Tuesday.

The Sports now occupy second position in the standing, having registered a 12 to 5 victory over the Sandies during the past week. The Short-Circuits are third. Their 8 to 6 victory over the Sandies last Friday did not count as both teams used ineligible players.

The standing:
Team G. W. L. Pct.
Knee-Actions 4 4 0 1.000
Sports 5 3 2 .600
Short-Circuits 5 2 3 .400
Sandies 5 0 5 .000

Games for the week:
Today—Sports vs. Short Circuits.
Friday—Sandies vs. Knee Actions.

Monday—Knee Actions vs. Sports.
Tuesday—Short Circuits vs. Sandies.

Thursday—Sports vs. Sandies.

Seventh Grade--

(Continued from Page 1)
touch of realism, as did the lighting effects.

A large number of pupils of both the primary and intermediate departments participated in the operetta. The chorus of villagers was composed of members from the grades of the intermediate department, directed by Miss Mildred Cogdell, Mrs. E. C. King and Miss Frances Hill.

The rainbow spirits were from Miss Florence Black's room and were directed by her. Miss Barbara Cryer directed the wind spirits and chorus from the primary department.

Ted Burrow, seventh grade sponsor and principal of the intermediate department, was general director of the program.

The principal characters were: "Dawn Boy," John Lee Orr; "Storm Dancer," Wanda Rose Liles; "Silver Dew," Thelma Lois Moore; "See-All," J. C. Rader; "Rain God," Gordon Thomson.

Pianists were Miss Frances Hill, Mrs. Esca Brown and Mrs. Sidney Miller.

Preceding the program, the graduates marched to their places on a raised platform at the north end of the gymnasium. At the conclusion, Jeff Bell, Senior class valedictorian, presented the diplomas. He was dressed as an Indian.

The 23 graduates are: Cleo Allen, Bettye Brown, Billie Brown, Juanita Brown, Virginia Mae Coffey, Geraldine Logan, Camille Graves, Dorothy Mapp, Fern Pearce, Thelma Jo Ross, Marjorie Spencer, Mary Jane Turrentine, Lionel Bostic, Humphrey Dockins, H. K. Edwards, James Erwin, Vernon Gibson, Riley Griffin, James Everett Long, Lawrence Lovelady, Dee Adams, Junior Nelson and Jim Whitfield.

Honor Students
Camille Graves, the class valedictorian, was unable to be present due to the fact that she was in a Dallas hospital receiving treatment for injuries recently received in an auto accident in Crowell. Virginia Mae Coffey was salutatorian. Less than a tenth of a point separated her average with that of Riley Griffin, third place honor student, who made the highest average of the class in the "Comprehensive Test" given last week. The class as a whole made considerably above the State average in this test.

must put heart, mind and effort with them," he said.
The speaker advised that it was highly probable that many great dreams could be realized in the graduates' own community, but that if it were necessary for them to go elsewhere to realize their best to do so, but if not to do their best in making their community a better place than it was when they found it.

"I am not advising you what to do," the speaker said, "for you should use your own imagination along this line." In concluding, he told the graduates that if they were true to their dreams and connected them with effort, that they could not be stopped. "Use this power and you will find what you need" he concluded.

Diplomas Presented

Before presenting diplomas and announcing scholarships, Supt. I. T. Graves mentioned the recovery that had taken place in schools during the past year. He also brought out the fact that the nation was spending about the same amount upon 300,000 criminals as it was upon 26,000,000 students.

He paid a high compliment to the 1934 graduating class, stating that he hoped others would follow the fine example of conduct that had been set by this class.

Jeff Bell and Sue Gorrell were announced as valedictorian and salutatorian, respectively, and that scholarships awaited them at any higher institution of learning in the state. Lona Johnson and John Allen Fish were announced as second honor students for the boys and girls, and Elsie Mae Cook as the honor student in home economics.

The following 37 graduates were presented diplomas: Bill Baker, Curtis Barker, Darwin Bell, Jeff Bell, Lorene Roman, Margaret Cates, R. B. Cates, Bernice Collins, Melton Connell, Elsie Mae Cook, Allison Denton, Cathyrne Ferguson, Anita May Fish, John Allen Fish, Lida Sue Gorrell, Alice Hunter, Frances Ivie, Lona Johnson, Melvin Joy, Willard Kerley, Mozelle Lilly, Berl Lovelady, Elvira Marr, Donna McLain, Mozetta

WE EXTEND AN INVITATION TO THE PUBLIC TO VISIT OUR New Elevator
Construction has just been completed on our new concrete, fire-proof grain elevator and the plant with its new and up-to-date machinery is now in operation. We extend you an urgent invitation to let us show you our new improvements that have been made in order that we may give better and faster service to the wheat growers of this section.
BONDED WAREHOUSE
We will qualify under the Texas State Warehouse Act and in accordance with the Grain Code. Our elevator will be operated as a Bonded Warehouse under the laws of the State of Texas for the purpose of storing Farmers' wheat.
WHEAT GROWERS
Now that harvest is about here, we trust that you will give us due consideration in the matter of selling and storing your wheat at our elevator.
We are ready to give you flour in exchange for your wheat at any time you desire it. Our exchange rate has not been changed.
We pledge our best efforts to give you complete satisfaction on every deal you have with us and to conduct our business at all times in such manner as to make your business with us of mutual benefit.

Southland, Texas, and Miss Beulah  
Patton, Paducah teacher, have re-  
turned to the home of their par-  
ents, Mr. and Mrs. G. H. Patton,  
to spend the vacation.

Misses Violet and Pansy Atche-  
son, students in A. C. C. at Abi-  
lene for the past season, have re-  
turned to Crowell. Their parents,  
Mr. and Mrs. J. E. Atcheson, went  
after them Monday.

For sale or trade—A good used  
8-tube Aircell battery radio.—M.  
S. Henry & Co.

Mr. and Mrs. Leo Spencer and  
daughter, Marjorie, left Tuesday  
for Austin. They will return with-  
in a few days with Markham Spen-  
cer, a student in the State School  
for the Deaf in that city. Miss  
Mary Byrd Bell accompanied the  
Spencers as far as Austin. She  
will spend the summer with relatives  
in San Antonio.

Evelyn and Robert Steele ar-  
rived this week from New Mexico  
to spend the summer with their  
father, Earl Steele. Robert has  
been attending New Mexico A. &  
M. at Mesilla Park and Evelyn has  
completed her high school course  
at Hot Springs. Tollie Steele will  
remain at Mesilla Park during the  
summer.

R. W. McFarlane of Graham,  
father of Congressman W. D. Mc-  
Farlane, and Glynn Stegall, Mr.  
McFarlane's secretary, both of  
Graham, were here Friday in the  
interest of Mr. Farlane's candidacy  
for a second term as representa-  
tive for the 13th congressional  
district composed of fifteen coun-  
ties.

L. T. Graves and family plan to  
return Saturday from Dallas  
where Camille Graves has been to  
receive treatment for the broken  
leg that she received in an auto  
accident in Crowell a few weeks  
ago. J. E. Harwell, who visited her  
in Dallas this week, reported that  
she was getting along very nicely.

Mrs. Eli Smith and two small  
daughters are visiting relatives in  
Dublin this week.

Leslie Thomas has returned  
from Dallas, where he has been at-  
tending the law school of Jeffers-  
on University.

Miss Fay Callaway, who has  
been attending Junior College at  
Amarillo, has returned to her  
home here.

Mr. and Mrs. W. R. Womack  
went to Mineral Wells Wednesday  
to attend the State Undertakers'  
convention.

Miss Edith Jones of Roanoke, a  
former resident of Crowell, is here  
this week visiting relatives and  
friends.

For Sale—Two second hand 8-  
foot McCormick-Deering binders  
in good condition.—Egbert Fish,  
Vivian.

Mrs. A. H. Clark of Oklahoma  
City is here this week visiting her  
mother, Mrs. Fannie Thacker, and  
relatives and friends. She and her  
mother visited their sister and  
daughter, Mrs. A. E. Propps, and  
family in Knox City Sunday.

Mr. and Mrs. Irvin Fisch of  
Floydada visited Sunday with Mrs.  
Fisch's parents, Mr. and Mrs. R.  
J. Thomas. Mrs. Fisch remained  
over for the week.

Will Bost, a member of the po-  
lice force of Los Angeles, and wife  
spent Sunday night and Monday  
in Crowell, leaving Tuesday morn-  
ing for New York.

Mrs. G. W. Walthall and Grover  
Cole spent the week-end in Breck-  
enridge and Abilene visiting rela-  
tives. They were accompanied  
home by Mr. Cole's brother, Kin-  
loch Cole, and 3 daughters, who  
had been visiting relatives in Abi-  
lene and other Texas points.

Mr. and Mrs. Dempsey Wright  
of Oklahoma City spent the week-  
end with Mr. Wright's mother,  
Mrs. G. W. Harrell, who has been  
seriously ill for about three weeks  
but her condition is reported to  
be improved. Mr. Wright was  
reared in this county but left here  
in 1896 for Oklahoma where he  
has since resided.

C. W. Thompson went to Can-  
yon Saturday. He, accompanied  
by Mrs. Thompson, Misses Mary  
Ragland and Peggy and Charlie,  
Jr., returned home Wednesday.  
Miss Jo Roark also returned with  
them. Misses Thompson and Miss  
Roark have been attending West  
Texas State Teachers' College at  
Canyon. Mrs. Thompson and son  
have been with them for about  
three weeks.

HEARS OF CYNTHIA ANN'S  
RECAPTURE DIRECT FROM  
ONE WHO WAS IN BATTLE

J. C. Spears, one of the many  
paying compliments to The News  
about its Cynthia Ann Parker  
story last week, states that it ap-  
peared very accurate, since he  
heard the account of the recapture  
of Cynthia Ann over 50 years ago  
direct from a Texas Ranger who  
participated in the Battle of Pease  
River. He was Bill Cathey, a  
brother of Mrs. J. C. Spears.

BIG PURCHASE OF HATS  
MADE BY J. E. HARWELL

Fifteen dozen, 180, ladies and  
misses hats of all colors and latest  
styles were purchased in Dallas  
this week by J. E. Harwell and  
are now on sale at Harwell's Va-  
riety.

Information concerning these  
hats and other merchandise appear  
in the store's regular ad.

## McCormick-Deering No. 34 .. the last word in Disk Plows

### A Plow That Holds to Its Work

All plowing facts the Harvester Company has learned in pioneering tractor farming have been kept in mind while designing this wonderful new disk plow. And it is wonderful the way this plow performs. It will hold right to its work in harsh, gritty clays or sticky soils and will always scour cleanly. For instance, in tests in the Imperial Valley of California and in the Salt River Valley of Arizona, this McCormick-Deering No. 34 plowed smoothly and the disks held to their work as

## SHE LOST FAT High Blood Pressure

Here's Today's Live News  
For Fat Women—And Men, Too  
Read It—Please.

"I have been taking Kruschen Salts for nearly a year for my health, and for high blood pressure and rheumatism and it helped both. My blood pressure was as high as 290 when I started to take Kruschen. I weighed 255 and now I weigh 214, that is losing 41 lbs. in about nine months and I feel fine. Wouldn't go without Kruschen Salts in the house." Mrs. W. Eckoff, Saginaw, Mich.

Besides melting away ugly, excess fat Kruschen constantly keeps the bowels regular and free from waste that is always apt to poison the system.

Fat folks should give Kruschen a month's trial—it never disappoints—you'll feel so much better after taking one inexpensive jar which you can get at any drugstore in the world—keeps you cooler in hot weather.

### CARD OF THANKS

We wish to express our sincere thanks to each and every one who gave a helping hand during the illness and death of our mother and grandmother.

Mr. and Mrs. John Greening,  
W. Y. Greening,  
and Grandchildren.

Paternity can now be disproved, although not proved, by blood tests.

### No Trespassing

NOTICE—No hunting, fishing or trespassing of any kind allowed on my land.—Furd Haisell. 48p

## SUNDAY SCHOOL LESSON

by Charles E. Dunn

Jesus in the Shadow of the Cross.

Lesson for June 3rd. Matthew 26.

Golden Text: Matt. 26:39.

Our Golden Text pierces to the heart of the lesson in its vivid picture of the prostrate Master, in agony of spirit, praying fervently that He might be spared from the ordeal of the Cross, and yet willing to yield to God's Will.

Rev. Chas. E. Dunn

That natural desire of Jesus to be saved from an untimely end was not destined to be realized. The forces arrayed against Him pushed Him swiftly toward the dreadful way of the crucifixion. As we watch the impending drama we are reminded that the Cross is the most convincing revelation in history of the reality and solidarity of sin. Here we have indeed, as Pres. Coffin points out, "the exposure of a murderous world."

Now who were the crucifiers of Christ. As we think of the scene in the Garden we at once see Judas, the unfaithful cynic, whose kiss of betrayal led to the Master's arrest. Then we picture those soldiers.

We remember, too, the Sadducees, wealthy, priestly, aristocratic, favorable to Rome. Conservative in temper, they make us think of the Victorians in nineteenth century England, who upheld the Bible and the throne. Jesus to them was a dangerous agitator.

And we recall the Pharisees, those pillars of orthodoxy who disliked Jesus because He broke the Sabbath, associated with undesirable folk, upset people.

Then we turn to Pilate, that skillful politician who was so eager to keep on good terms with Caesar. And we encounter Herod, that sophisticated product of the smart set.

And now we see the frenzied, irresponsible crowd, passionate with the lust of blood, shouting, "Crucify Him!" Finally we note the apathetic, indifferent public.

All these hurled the Master to His doom. And remember they were not unusually corrupt. They cherished the conventional ideals, and so were like you and me.

Each member of the Bachelors' Club of High Wycombe, Eng., is put under oath to pay a fine of 6 cents every time he kisses, dances with a girl, or takes a girl out for a ride in a car.

## CHURCHES

### Christian Science

Sunday, June 3, 1934. Subject: "Science and Health with Key to the Scriptures" by Mary Baker Eddy. "Christian Science goes to the bottom of mental action, and reveals the theodicy which indicates the rightness of all divine action, as the emanation of divine Mind, and the consequent wrongness of the opposite so-called action—evil, occultism, necromancy, mesmerism, animal magnetism, hypnotism" (page 104.)

Sunday School at 9:45.  
Reading Room open Monday, Thursday and Saturday 2 to 5 p.

Wednesday evening service at 8 o'clock.  
The public is cordially invited.

### Baptist Church

9:45 Sunday School.  
11:00 Christ's Memorial Observation of the Lord's Supper.  
7:30 Training Service.  
8:30 The Adequacy of the Cross.

Some have lost confidence in a better future, Christ promises a better future.

O. L. SAVAGE.

### Christian Church

Our annual meeting begins next Sunday to last until Sunday, June 17th. Our pastor, Rev. Paul J. Merrill, will do the preaching and Mrs. Merrill will have charge of the singing. Committees are at work on advertising, evangelism, finance, entertainment, etc. The special emphasis of the meeting is the re-enlistment of the church membership in active service. Everyone is urged to come and take part, to tell others and to assist every one of these committees in their work. Let's look forward and plan our schedule of life so as to attend every one of these fine services. For once may we put into this effort of the church all that we have so often meant to put into the Master's work.

There will be no morning services, on account of the vacation Bible school, in which Rev. and Mrs. Merrill are to teach.

All who love the Master's work and enjoy good gospel preaching will be amply paid in coming to hear the messages delivered during this meeting.

Come in time for Sunday school next Sunday, which begins at 10 o'clock.

C. V. ALLEN, Elder.

### Methodist Church

The Lord's Supper will be celebrated and a sermon appropriate to the occasion will be preached Sunday morning. We will dismiss the evening service and worship with our Christian brethren at the beginning of their meeting Sunday evening.

Don't forget to have your children ready for the Daily Vacation Bible School opening, enrollment and parade Friday morning. Again we are looking forward with great expectancy to the school and the promise of a fine fellowship, fun, inspiration and the acquirement of Bible truth to fit the children for daily Christian living. The assembly will be at the Methodist Church, on Sunday, June 3.

The Golden Text is: "Oh let the wickedness of the wicked come to an end; but establish the just; for the righteous God trieth the hearts and reins" (Psalms 7:9.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Regard not them that have familiar spirits, neither seek after wizards, to be defiled by them: I am the Lord your God" (Leviticus 19:31.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Christian Science goes to the bottom of mental action, and reveals the theodicy which indicates the rightness of all divine action, as the emanation of divine Mind, and the consequent wrongness of the opposite so-called action—evil, occultism, necromancy, mesmerism, animal magnetism, hypnotism" (page 104.)

cludes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Christian Science goes to the bottom of mental action, and reveals the theodicy which indicates the rightness of all divine action, as the emanation of divine Mind, and the consequent wrongness of the opposite so-called action—evil, occultism, necromancy, mesmerism, animal magnetism, hypnotism" (page 104.)

of news have reached the importance in our modern scheme of things where they must not be interrupted, the distribution of daily newspapers gets a clear right-of-way.

G. B. Smalley, who handles the rural distribution of the Houston Chronicle down in the southeastern corner of Texas has a record of

uninterrupted mileage on the Pontiac cars he is using that is like a trip to the moon. Smalley's 1931 Pontiac has covered 146,000 miles, his 1932 did 93,613 miles in 12 months during the first six weeks of the year. He has owned his new 1934 Pontiac 10,314 miles on it.

## WHY WORRY

—about who you are to get to do your washing next week? You can always depend on us. Our service is regular, dependable, and of the highest quality.

## VERNON STEAM LAUNDRY

## Nerves

Do they torture you by day? Keep you awake at night? What is it that keeps hospitals open and doctors busy? NERVES. What is it that makes your face wrinkled and makes you feel old? NERVES. Nine times out of ten it's NERVES that makes you restless, worried, haggard.

## Nerves

Do they make you Cranky Blue—give you Nervous Indigestion, Nervous Headaches? When nerves are over-taxed, you worry over trifles, find it hard to concentrate, can't sit still. Nerve Strain brings on Headache. Nervous people often suffer from Indigestion. There may be absolutely nothing wrong with the organs of digestion, but the Nerves are not on the job to make the organs do their work properly.

## Nerves

Do they interfere with your work; ruin your pleasure; drive away your friends? You're cheating yourself and the man who pays you if you work when your NERVES are not normal. You can't have a good time when you are nervous. You can't make or keep friends when you are keyed up and irritable. You may excuse yourself, but to others you are just a plain crank.

Quiet your nerves with

## This Electric Laundering Equipment

**ECONOMIZE**

Will Save MONEY for You

—In fact, the Electric Washer and Ironer will save enough to pay their entire cost in a very short time . . . and then go on saving you money year after year.

Clothes laundered this way last longer, look better, and are cleaner than when washed by oil-fashioned methods. Statistics compiled by a leading woman's magazine prove that the Modern Electric Washer lengthens by three times the average life of garments and linens. Just think what the savings in this one factor alone will mean . . . besides the saving in cash, time and labor.

Ask for a complete demonstration of our Home Laundry Equipment. Prices and terms are sure to please you.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

#### THE STORY SO FAR

Gordon trades herself in with Dr. Richard Morgan for fifteen thousand dollars—her family from the dis-her brother, Roddy's, that amount for a woman, loves penniless young Page, and Richard is loved by Haddon, a sophisticated married woman. Kingdom, Helena's husband, sees the ceremony, Nancy re-her parents' home, and to her husband, Mr. Gordon, to release his daughter what he considers her shame-her house to his Major Lomax, who rents it of Richard's interest in although she knows nothing marriage, and tries to make. Once Page comes to Nan-ome and makes love to her, is frantic—she loves Page refuses to go back on her with Richard by divorcing

#### GO ON WITH THE STORY

"I love you and we it isn't true. But there's about you; to fight it, to put us, we've got to know the truth. Will you trust an old Will you tell me?"

"I seemed to grow limp. What is the story, Major?" she

"I'm an old man, forgive me—Angie wouldn't it. I had to. You've got to me the truth so I can put it

"I can't!" she said in a

"The old man stood staring in surprise.

"I can't say anything," she said only. "I—a woman can't save myself—I can't tell you, Major—then Morgan must!" said the

"Oh, no, no! Not that—never!" she whined, clinging to his "promise me—never that!"

"He had only one horrible thought. Richard had cast her out left her to this! She would not al to him again!

"Major Lomax drew her hand through his arm; he said nothing. He led her, against her will, to his own house and opened the

### WEST RAYLAND

(By Bonnie Schroeder)

Mrs. L. L. Leeth of Alvord spent from Monday until Wednesday with her daughter, Mrs. E. M. Key, in a Vernon hospital. She was accompanied by Mr. and Mrs. L. A. Leeth and daughter and Albert Leeth of Alvord, who returned home Monday night.

Commencement exercises Friday night marked the closing event for this term of West Rayland school. Aaron Garrett gave the salutatory address, Douglas Adkins gave the valedictory address, and Rev. W. A. Reed of Thalia delivered the principal address of the evening. J. Bailey Rennels awarded tenth grade diplomas to Aaron Garrett, Douglas Adkins, Claude Carr and E. C. Wheeler. Mrs. Rennels awarded seventh grade diplomas to Ernest Gloyna, Cecil Garrett, Paul Richter and Leona Taylor. Ernest and Herman Gloyna were awarded certificates for regular attendance and punctuality. The high school students presented a three-act play, "My Dixie Rose," Thursday night and the P. T. A. presented a three-act play, "George in a Jam," Wednesday night. The proceeds from the latter were \$12.60.

Frank Farrar and Thomas Curry of Lubbock spent from Thursday until Monday with friends here.

Miss Hazel Key, who has been teaching school at Vivian, returned to her home here Saturday.

Mr. and Mrs. J. B. Rennels' pupils were entertained with an ice cream social at the school house Saturday night.

Mrs. S. C. Starr and son, J. M., of White City spent the week-end with Mr. and Mrs. R. G. Whitten. Mr. and Mrs. Odis Claxton of Abilene spent Saturday and Sunday with Mr. and Mrs. Ben Bradford. They were accompanied home by Mrs. Bradford.

Mrs. Alie White of Electra and Mrs. Jessie Sheppard of Vernon visited Mr. and Mrs. R. G. Whitten Thursday.

Dr. and Mrs. Olen Key of Lubbock, Mr. and Mrs. J. B. Rennels, Mrs. J. E. Young and Mrs. H. W. Young visited Mrs. E. M. Key, who is in a Vernon hospital, Sunday.

Mr. and Mrs. Emmett Powell of Vivian visited Mr. and Mrs. J. L. Rennels Saturday while en route to Denton for a visit.

Mrs. W. W. Barnes of Vernon and W. A. Walker of Mission visited here Sunday.

A. F. Derrington and family of

stayed heavily at first, but toward midnight, he became violently ill and Richard fought a hard battle with a touch of delirium in it.

"Must have been soaking himself and got some wood alcohol, too," Richard thought, sitting up.

At two o'clock in the morning, Roddy was really very ill; it took all Richard's time and skill to turn the tide in his favor.

It was five o'clock now and broad day. Richard went downstairs and made some strong coffee. When he went back to his patient, Roddy was awake and terribly sober. He choked down the hot coffee and wanted to kill himself.

"How did I get here?" he asked blankly.

Richard told him, feeling his pulse. "You're better. Keep quiet, old man. No one knows but your mother."

"My mother?" Roddy groaned turning his face to the wall.

Richard quieted him. He was using almost all his power as a doctor and an older man to keep him quiet when old Sam called him from the stairs.

"Somebody down heah, Mist' Richard!"

In the hall stood Nancy. She was bareheaded and she still wore the frock in which she had gone to the Lomaxes.

"Richard, where's Roddy? I must see my brother!"

Then, as he hesitated, she broke out angrily.

"He hasn't diphtheria! Mama told me—I must see him, I've got a right to see him—where is he?"

Richard turned to the stairs.

"He's up here—he's sober. You may see him."

That was all; he did not even look at her as he led the way upstairs.

At the door of Roddy's room Richard stepped back for Nancy to enter. The girl stood still an instant, her hand pressed against her breast.

"Don't let Roddy frighten you," Richard managed stiffly, his voice sounded harsh. "He's been under the influence of too much liquor. He's come out of it with a headache and the blue devils. Don't let it frighten you."

Nancy's head went up; she thought he felt that he heaped their troubles on him—she and her brother.

Richard opened the door and she went in. She heard him close it behind her and she seemed to hear, too, his footsteps going downstairs. They sounded heavy, final, like the footsteps of a man who had too much to do to bear other people's burdens! Then her eyes cleared of the mist in them and she saw Roddy, half dressed, sitting on the edge of his bed, reaching for one of his boots.

"I don't want to make a mess here for Richard—he's been pretty white to me," he said bitterly. "I'm going out to kill myself."

Nancy went over and sat down on the edge of the bed beside him.

### H. D. and 4-H CLUB ACTIVITIES

### Canning Time Is Here So "Know Your Cans"

Canning time is here again, so "know your cans." There are three types of cans in ordinary use and one needs to know which to use for

Crowell and Dave Alston and family of Gamberville visited Mr. and Mrs. W. P. Derrington Sunday.

Mrs. Estelle Turner, who has been teaching school here, left for her home at Sanger Sunday.

Luther Ward and daughter, Minnie, left Sunday for a visit with relatives at Paducah.

Herman Gloyna and family visited Mr. and Mrs. George Reithmayer of Margaret Sunday.

Lloyd Rhea and family spent Sunday with Mr. and Mrs. Wylie Sweatmont of Fargo.

Ona Fay Derrington is spending this week with Mr. and Mrs. A. F. Derrington of Crowell.

Ward Kuehn, son of Mr. and Mrs. Sam Kuehn, is ill, and Barney Tucker is very ill. Mrs. E. M. Key, who is in a Vernon hospital, is unimproved at this writing.

Winston Simmonds of Perry, Okla., is visiting Mr. and Mrs. R. G. Whitten.

Several from this community attended the baccalaureate sermon and commencement exercises at Vernon Sunday and Monday nights, respectively.

Kenneth and Evelyn Bradford are staying with their sister, Mrs. David Lee Owens, and husband of Margaret.

John Bradford and family spent Sunday afternoon with Ralph Bradford and family of Margaret.

Mrs. Ralph Gregg was carried to Wichita Falls Saturday where she will enter a sanitarium.

what. The three types of cans are the plain tin, the C enamel, and the Standard enamel. The standard enamel can also goes by the name of sanitary enamel or sanitary R, or R enamel. The C enamel can is a dull copper color inside and the standard enamel a bright gold color, looking darker and more lustrous when compared with the C enamel.

Standard enamel cans should be used for all red colored vegetables and fruits and for things containing acid. This would include all berries, plums, tomato products, kraut and mince-meat.

The C enamel can is always used for corn, lima beans, hominy, and both white and sweet potatoes. The plain tin is used for most other vegetables including all types of greens. It is also used for the fruits other than those mentioned and for all kinds of meat except mince-meat and pickled pigs feet.

Asparagus, green beans, beans with pork, wax beans, carrots and peas may be placed in either the plain or the C enamel can.

Canned foods found to have turned dark, those having dark spots on them, red vegetables that have lost their color, or enamel peeling from the can, are usual signs that the food has been placed in the wrong type of can.

### New H. D. Club Is Organized at Black

A new home demonstration club for Foard County was organized Monday at Black, at which time the home demonstration agent, Miss Holman, met with ladies of the Black community.

Officers of the new club were elected as follows: Mrs. Lynn Mc-

Known, president; Mrs. Oscar Gentry, vice president; Mrs. Clint Simmonds, secretary, and Mrs. Claude Nichols, reporter.

The next meeting will be at the school house Monday afternoon, June 11, at 3 o'clock.

All women of the community are invited to become members.

### THREE ROOMS IMPROVED AT JNO. L. HUNTER HOME

Three rooms in the home of Mrs. John L. Hunter, Jr., of the Margaret Club have been recently re-finished with sheet rock and paper. Two of the rooms were ceiled with sheet rock and then papered. The other room was already sheet rocked, but new paper was added. The new paper makes the rooms look much lighter and more attractive than before. The kitchen was further improved by the addition of a new linoleum rug and the refinishing of the cabinet. New curtains of theatrical gauze were added in one bedroom. The other rooms of the house and some of the furniture is to be redone later.

### MAURICE BAGLEY ADDS TO ROOM APPEARANCE

White paint has added much to the appearance of the room of Maurice Bagley, bedroom demonstrator for the Ayersville 4-H Club. Before work was started on the room, the walls and ceiling were very dark. This made the room darker than desirable. The walls have been painted white and the ceiling redone with white oil-cloth. These changes make the room a much lighter and more cheerful place. A closet to replace the rod across the corner will also add much to the improvement and usefulness of the room.

### WEST RAYLAND H. D. CLUB

Plans were made to raise funds to send a delegate to the A. & M. short course at a meeting of the West Rayland H. D. Club with Mrs. Sam Kuehn, May 22.

Ice cream, cake, peanuts, popcorn and candy were sold at the closing exercises of the West Rayland school house Wednesday and Thursday nights. A total of \$9.30

was realized.

The club members decided to entertain their families with a social once each month.

Thirteen members were present. The club will meet with Mrs. Luther Marlow June 12.

### GIRLS 4-H CLUB

The girls of Black community met at the Black school house with Miss Holman, Monday, May 28.

Miss Holman explained the canning contest, which was very interesting.

The club will meet again June 25th at the Black school house at 3 o'clock.

Our government permits Japanese makers to ship 125,000 gross of pencils into this country annually.

Uncle Sam proposes to build an embassy in Moscow, Russia, costing \$1,165,000, the money already having been appropriated.

More than 20,000 kinds of fish are known to science and new specimens are discovered each year.

Although Australia is almost as large as the United States, it has less population than New York City.

## A DOLLAR AND A HALF WORTH OF OIL PROTECTED THIS MOTOR FOR OVER FOUR THOUSAND MILES!

**Low Consumption and Motor Protection proved in the most daring and convincing Motor Oil Test ever made . . .**

WHEN New and Improved Conoco Germ Processed Motor Oil was perfected, it had lubrication values so great that a mere statement of them would seem absurd. Could you believe that any strictly stock motor could run 4,729 miles on just five quarts of oil before wrecking itself? It did—and Conoco proved it in competition with five widely known, nationally advertised, quality brands of motor oil!

The competition was held at the Indianapolis Motor Speedway, under the supervision of the Contest Board, American

Automobile Association. Six new, strictly stock cars were used—a different oil of the same S. A. E. grade in each.

After the cars were broken in for 2,500 miles, they were drained, examined and a fresh fill of five quarts put in each crankcase. No more oil was added. Then the crankcases were sealed by an AAA official. The real test began. It was ordered that they be driven at an average of 500 miles a day at 50 miles an hour until their motors failed to operate. Oil No. 4 was first to fail at 1,713.2 miles. Oil No. 6 failed at 1,764.4 miles. Oil No. 5 ruined its motor at 1,815.9 miles; three of them were out of the running. The next day Oil No. 1 failed to lubricate and, its motor wrecked, stopped at 2,266.8 miles.

Two cars—two oils—still left in the test. Oil No. 3, after a remarkable run of 3,318.8 miles, came to a shuddering stop,

and the last competitor of New and Improved Conoco Germ Processed Oil, was out. The lone car, with this tremendously vital oil, labeled No. 2, went on and on. On the tenth day, at an almost unbelievable total of 4,729 miles, it failed—an all-time record mileage on a total of five quarts!

The "Hidden Quart" of new oil penetrates more readily than the greater film strength and higher resistance to the effects of dilution—the absence of carbon and sludge—all aided in this great achievement. It firmly supported Conoco's patented principle of added oiliness—it proved every claim. Conoco alone can make oil this way. It is covered by recent United States patents.

You can have this oil in your car, for it costs no more than other quality oils. Drive into a Conoco Station or dealer, marked by the Red Triangle. Fill and know the satisfaction, the freedom from repairs, the economy of low consumption that only Conoco gives.

Here in the winner!—the car that covered 4,729 miles at fifty miles an hour, lubricated with New and Improved Conoco Germ Processed Motor Oil.

Automobile Association. Six new, strictly stock cars were used—a different oil of the same S. A. E. grade in each.

After the cars were broken in for 2,500 miles, they were drained, examined and a fresh fill of five quarts put in each crankcase. No more oil was added. Then the crankcases were sealed by an AAA official. The real test began. It was ordered that they be driven at an average of 500 miles a day at 50 miles an hour until their motors failed to operate. Oil No. 4 was first to fail at 1,713.2 miles. Oil No. 6 failed at 1,764.4 miles. Oil No. 5 ruined its motor at 1,815.9 miles; three of them were out of the running. The next day Oil No. 1 failed to lubricate and, its motor wrecked, stopped at 2,266.8 miles.

Two cars—two oils—still left in the test. Oil No. 3, after a remarkable run of 3,318.8 miles, came to a shuddering stop,

Five quarts of each brand of oil were carefully put in the cars by AAA officials.

Here are the Representatives of the Contest Board of the American Automobile Association who supervised every detail of the test and attested to the records made.

The official sealing of crankcases after fill of five quarts was put in. No addition of oil was permitted in this "destruction" test.

Warning to new car owners . . .

Some car manufacturers are using new types of bearings which will stand greater pressures and temperatures, resulting from increased power and speed. New and Improved Conoco Germ Processed Motor Oil has been exhaustively tested on these new bearings. The results show that it gives them greater protection against damage than many straight mineral oils now on the market. Protect your new car by using the motor oil you can be sure of.

—Phone 163J—

## Marriage of Miss Maggie Meason and Fred Dennis May 16

Announcement of the marriage of Miss Maggie Meason and Fred Dennis which took place in Frederick, Okla., May 16, was made in Crowell this week.

Mrs. Dennis is the daughter of B. T. Meason of this city and was reared here. She graduated from Crowell High School in 1931, then attended Texas Woman's College in Fort Worth for a year. For the past year she has been a teacher in the Foard City school.

## Miss Mattie Russell Married Sun. to Cone Green of Levelland

Miss Mattie Russell of Crowell and Cone Green of Levelland were married Sunday morning by Dr. O. L. Powers, pastor of the First Baptist Church of Wichita Falls, at his parsonage in that city. They were accompanied by Clyde L. Fincher of Medicine Mound and Miss Vera Matthews of Thalia, all of whom were teachers at Thalia during the past term.

Mrs. Green is the daughter of Mr. and Mrs. W. S. J. Russell of this city and is a native here. After graduation from Crowell High School she received her B. A. degree from Texas Tech. She also attended Clarendon College and teachers' colleges at Alpine and

Denton. Mr. Green is the son of Mr. and Mrs. W. A. Green of Levelland and is a graduate of the North Texas State Teachers' College at Denton. He has a B. S. degree.

Both have been employed as teachers at Thalia for the past few years. After a short visit in Mineral Wells and Fort Worth, they will make their home at Levelland for the summer. They plan to teach at Thalia again during the 1934-35 term.

## Birthday Parties in 3 Different Cities For 3-Year Old Boy

The third birthday of Connie Thardo, son of Mr. and Mrs. Paul Thardo who are here with the Hefner-Howell Players this week, was celebrated last Thursday in the tent theatre at Knox City following the company's evening performance.

This was the third birthday party for Connie in as many cities. The first was at Austin and the second at San Antonio while Mr. and Mrs. Thardo were with the Harley Sadler Company, each party taking place after evening performances.

At the party given last week by Mr. and Mrs. Thardo, members of the show, and their families were guests. Cake and ice cream were served.

Little Connie was born in Galveston on May 24, 1931, and two months later received his first stage experience when he was used to fill a baby part. His father is the drummer and xylophonist in the company band and orchestra and also serves as an actor.

## Marriage of Miss Hallie Mae Johnson At Chillicothe Mon.

Miss Hallie Mae Johnson, daughter of A. L. Johnson, of this city was married to Ben F. Witt, son of Mr. and Mrs. C. F. Witt of Denton at 10:30 o'clock Monday morning in the home of the bride's uncle, W. W. Johnson, of Chillicothe.

The ring ceremony was said by Rev. Ira A. Parrick, pastor of the First Baptist Church at Chillicothe before an altar of delphiniums, roses and ferns. The altar was lighted by candles.

Mrs. Joe D. McClellan sang "At Dawning," accompanied by Miss Mary Alice Thompson. The "Lohengrin Wedding March" was the party entered. During the ceremony "The Flower Song" was played softly.

Miss Susie Johnson, sister of the bride, was her only attendant. She was dressed in pink and brown crepe, with harmonizing accessories. The bride, wearing an ensemble of navy blue crepe pique, entered on the arm of her father, Mr. Witt's attendant was W. W. Johnson of Chillicothe.

Mrs. Witt graduated from Crowell High School. She attended

## PIANO PUPILS IN RECITAL

Mrs. Sam Crews presented her music pupils in recital at the High School auditorium on the evening of May 21. The stage of the auditorium was attractively decorated with flowers and greens.

The following program was presented to a large audience: "Fire and Drum" by the Rhythm Band—Miss White, supervisor; "The Muffin Man" and "My Bonnie" by Mary Katherine McMillan; "Our Boys Will Shine Tonight," "The Old Oaken Bucket," harmonica, by Lois Evelyn Flesher, Ralph Flesher, Bettie Joe Zeibig, Kathleen Johnson and Wanda Bee Cobb; "My Bonnie" and a waltz by Jean Orr; "Come to School" and "Mr. B Flat" by Miriam Turrentine; "Ju-Ju Polka" by Margaret and John Clark Long; "Minuet in G" by Edward Turrentine; "The Noble Duke of York" by Virginia Thomas; "The Beautiful Swan" by Ann Mabe; "Marche Militaire" by the Rhythm Band with Miss Schlagal, supervisor; "Festival March" by Joyce White; "The Mockingbird," "Battle Hymn of the Republic" and "Dixie," harmonica, by Ray Bell, Joe Dodd, Virginia and Geraldine Mosley; "To the Dinner" by Billie Brown and Mrs. Crews; "Old Black Joe" and "Merry Shipmates" by James Victor Allen; "Turkey in the Straw" and "The Spinning Wheel" by Laura Belle Whitfield; "Taps" by Helen Harwell; "Guar" by Mary Housouer; "Troups on Parade" by Hazel Gamble; "Camp of Glory" by Mary Jane Turrentine; "Grand Gallop Brilliant," trio, by Mary Elizabeth Hughston, Lois Evelyn Norris and Mrs. Crews. Mrs. Crews was accompanist for the rhythm band numbers.

The following guests were present: Mr. and Mrs. B. F. Witt and daughter, Pauline, of Denton; A. L. Johnson, Miss Susie Johnson, Mr. and Mrs. Homer Johnson, Miss Bernice Coffey and Miss Annie Mae Ellis, all of Crowell; Mrs. W. R. Ferguson of Foard City; Richard Bowers of Beaumont; Mrs. C. G. Thompson of Odell; Mrs. Joe D. McClellan and son, Joel Dean II, of Pueblo, Colo.; Mr. and Mrs. R. D. Thompson and children, R. D., Vance and Patsy Ruth, Rev. and Mrs. Ira A. Parrick, and Mr. and Mrs. W. W. Johnson, all of Chillicothe.

## YOUNG RADIO SINGER WAS VISITOR HERE LAST YEAR

Tommy Cannon, 5, who a number of local people heard on the program of "Bewley's Chuck Wagon Gang" last Saturday during the noon hour, was a visitor in Crowell last summer with his mother Mrs. M. C. Cannon of Denison, a niece of Mrs. W. R. Womack.

The talented youngster was accompanied by his mother at the piano in singing "The Last Round-Up."

## Parties Honoring Mrs. Bill Elliott

Mrs. Dow Miller entertained with a bridge dinner party on the evening of May 14, in honor of Mr. and Mrs. Bill Elliott, who were married early in May.

Place cards featuring a bride and groom marked places at three quartet tables. Each table was centered with a lighted candle.

A delicious three-course dinner was served to Mr. and Mrs. Elliott, Mr. and Mrs. Merl Kincaid, Misses Corinne Haney, Lorene Shultz, Allison Self and Harriet Swaim and Messrs. Lee Black, B. K. Garrett, Jack Thomas and Lebert Swaim.

The honor guests were given guest prizes while high score prize went to Lee Black, who presented it to Mr. Elliott.

Mrs. Gordon Bell complimented Mrs. Bill Elliott at a meeting of the Bridge Club in her home on May 24.

Tallies were attached to attractive old-fashioned buttonnieres, the one which went to the bride being centered with a lighted candle. The colors of pink and white were used in various other ways.

Each guest wrote her favorite recipe in an attractive recipe book which was presented to the bride. The hostess' guest prize was ice-cream glasses and coasters. Miss Harriet Swaim won high score favor. Cheese salad, crackers, potato flakes, strawberry ice cream, wafers and iced tea were served to the members and Mrs. H. Schindler and Miss Harriet Swaim.

## HANDKERCHIEF SHOWER

Mrs. Bill Elliott was hostess to the Thursday Bridge Club on May 17 at the home of her mother, Mrs. H. Schindler.

Mrs. Gordon Bell was high scorer in the games. Immediately after the games, the guests completely surprised the hostess by giving her a handkerchief shower.

Assisted by her mother, Mrs. Elliott served chicken salad, crackers, iced tea and butter-scotch parfait.

Aside from the members, the guest list included Mrs. L. T. Edwards and Miss Harriet Swaim.

## Bride-Elect Honored With Breakfast and Linen Shower Sat.

Mrs. Vern Walden and Miss Annie Mae Ellis were hostesses at a delightful breakfast and linen shower in honor of Miss Hallie Mae Johnson, bride-elect, at their home on Saturday morning.

Places were marked with silver wedding bells tied with pink and the pink and silver color scheme was further accentuated in other appointments of the party. Plate favors were maline bags, filled with rice and tied with pink and silver ribbons.

Preceding the cocktail, Miss Martha Schlagal gave a clever toast to the bride, to which each guest responded. Miss Mary Ennis Carter read a rhyme story of the life of the honor guest which was written by Miss Dorothy Hinds, who was unable to be present.

At the conclusion of the breakfast, Frances Davis, niece of the hostesses, presented Miss Johnson with a beautiful hower bouquet and attached to the end of each pendant ribbon was a red heart with directions for finding the linen gifts which were hidden throughout the rooms.

The following guests were present on this pleasing occasion: Miss Johnson, Miss Susie Johnson, Miss Martha Schlagal, Miss Ola Carter, Miss Mary Ennis Carter, Mrs. B. F. Hinds, Mrs. Earl Davis, Mrs. Julian Wright, Mrs. Byron Davis, Mrs. J. E. Harwell, Mrs. M. J. Girsch and Mrs. Mason Brown.

## Many Local Teachers Will Attend College During Summer Term

With the ending of school in Crowell Friday, many members of the faculty started preparations to attend college for at least six weeks this summer.

The North Texas State Teachers College at Denton will claim the largest number with the following planning to attend that school: Miss Barbara Cryer, Miss Martha Schlagal, Mrs. Sidney Miller and Ted Burrow.

Miss Florence and Henry Black and Miss Thelma White will attend the Sul Ross State Teachers College at Alpine. The following colleges will also be attended by members of the Crowell faculty: Iowa State, Ames—Miss Ruth Patterson; University of Colorado, Boulder—Miss Mildred Cogdell; Texas Tech; Lubbock—Miss Frances Hill; John Tarleton, Stephenville—Mrs. Grady Graves. Correspondence from State institutions will be taken during the summer by Mrs. Jimmy Self, Mrs. Ernest King and Mrs. Esca Brown.

The State Department of Education now requires that all teachers in both grammar and high school grades, without degrees, to complete 18 semester hours of college work every three years. This is equal to three terms of six weeks each. All of the teachers in Crowell High School have degrees.

Miss Louise Ball will spend the summer in her home at Merton, Texas. Grady Graves will spend several weeks with relatives at Stephenville while his wife is in college there.

## WEST RAYLAND P. T. A. HELPS TREASURY WITH PLAY MAY 23

About \$13.00 was added to the West Rayland P. T. A. treasury at the final play of the year Wednesday night, May 23rd. The play, "George in a Jam," was presented by members of the P. T. A., assisted by the young people of the community. The parts were assigned with care and each actor acquitted himself with credit. The parts were as follows: George—Elijah Young; Jack—Frank Gregg; Jim Gray—Jim Whitten; Pop Larkens—Lloyd Rhey; Cyrus Perkins—Aubrey Simmons; Missy—Mrs. Bailey Rennels; Nellie—Mrs. Roy Hoffman; Ma Larkens—Mrs. Herman Gloyna; Sarah Larkens—Mrs. Preston Turner; Odessa, the colored cook—Mrs. Lloyd Rhey.

The plot centers around the ingenious way George and Jack arrange for George to pay off his debts. It was a hilarious comedy from start to finish, and came to a fitting conclusion by having all the love affairs reach a satisfactory culmination and even poor henpecked Pop Larkens asserted himself enough to tell Ma to "Set there!" and she did.

## Thalia Faculty for 1934-35 Term Will Remain About Same

The faculty for the Thalia school will remain practically the same next year, except for Mrs. G. A. Shultz, who asked the Thalia board to not consider her as an applicant for a position on the faculty.

A number of the teachers plan to attend college during the summer months. Supt. W. M. Bralley and Mrs. Bralley and Miss Opal Randolph will attend the teachers college at Canyon. Clyde L. Fincher will enroll in the University of Texas and Miss Vera Matthews will attend the teachers college at Denton.

Miss Ina Smith will spend the first six weeks of the summer in her home at Wichita Falls and will attend college the last six weeks. She has not selected a college to attend yet. Mr. and Mrs. Cone Green will spend the summer at their home in Levelland.

## ENTERTAIN BAND MEMBERS

Ten members of the Crowell High School band and their director, L. T. Edwards, and Mr. and Mrs. N. J. Roberts were entertained in Quannah Wednesday night on the lawn of Mr. and Mrs. J. M. Edwards. Members of the Paducah, Childress and Quannah bands were also present for the occasion.

## MRS. M. E. WELCH OF ANNA SENDS LETTER TO NEWS COMPLIMENTING SCHOOLS

The News was pleased to receive the following letter this week from Mrs. M. E. Welch of Anna, Texas:

Editors, Foard County News, Crowell, Texas. Dear Sirs: I want to send my congratulations to the seventh grade pupils of Crowell for their splendid work in winning first place in our grand old State; also to Supt. I. T. Graves and other teachers of the school. I read with interest the doings of C. H. S. not only because I feel a vital interest in your schools, but an interest in all school work. I want to compliment the editors of this newspaper in getting out such a fine Graduation Edition on May 17.

Very respectfully, Mrs. M. E. Welch.

Mrs. Welch is the mother of Mrs. Henry Ross and J. Y. Welch of Crowell and T. F. Welch of Foard City.

## RUTH BURNS MEMBER OF CHAMPIONSHIP GLEE CLUB IN

Ruth Burns, former pupil of Crowell schools, has been a member of the Rev. J. H. Burns Glee Club during the past year. She was placed at Little Rock, later to Conway, a college town. The club won state honors. Burns has also been doing work in a manual training school. They will be here some June.

T. M. HANEY TO ATTEND REUNION SUNDAY; GOVERNOR BILL MURRAY TO SPEAK

T. M. Haney of Thalia will attend a reunion of his old classmates Sunday at Springtown, at which time Gov. Murray of Alabama will be the principal speaker. In the 80's Springtown had good schools, however, they since been abandoned. Gov. Murray was a student in one of the schools.

## DRI-SHEEN PROCESS

New and costly "Dri-Sheen" equipment has been installed at our plant and is now in operation. We invite you to come in and personally inspect this new equipment and the details of this remarkable new cleaning process.

You Should Use the "Dri-Sheen" Process because—

- It produces a beautiful sheen on silk work.
- Turns out snow white, white work.
- Leather goods are left soft and pliable.
- Its high moisture content thoroughly cleans felt hats.
- Fur work carries a high gloss, the hair being well lubricated and the pelt remaining soft and pliable.
- Dri-Sheen Detergent replaces the natural oils in animal fibre, partially lost in dry cleaning.
- Eliminates odors.
