Crowell Beats Olney 33-12 To Capture Second District Football Championship

CROWD OF 4,500 ATTENDS TITLE GAME AT OLNEY

A game played before the crowd that ever attended a football game in North Texas, the Crowell High Wildcats smashed the perfect record of the Olney Cubs at last Friday night with a 33-12 victory which gave Crowell the second district football championship in Class B of the Texas Scholastic League.

Crowell beat Olney for the second time in bringing their five-year reign in the championship to an end. This made the second consecutive year for these teams to meet with undefeated records and the annual rivalry between these strong rivals has been looked forward to all over the district.

As a result of the great crowd of between 4,300 and 4,500 people was on hand, representing practically every portion of Northwest Texas. The two teams were jammed and the grounds overflowed the grounds, and around the end zones.

Plenty of Action

The game was particularly interesting from a spectator's standpoint, and for those who like plenty of action on the gridiron, this was truly a masterpiece. With a total of 7 touchdowns, 46 passes, 17 punts, together with numerous long runs, the ball was usually on the "go" and it required close attention to keep up with it.

Crowell took a two-point lead in the first minute of play when Jim Gafford of Crowell blocked Olney's punt, causing the ball to go behind the Cubs' goal line. An Olney player was downed and recovered the ball, thus giving Crowell 2 points.

The first touchdown of the game was in the first quarter with Dick Gafford going across from the one-yard line in completing a 55-yard pass. The second quarter was a close and the half ended 8 to 0. The only score of the third quarter came on a 7-yard run for a touchdown by Todd, giving the Wilds a 14-point lead.

Olney's initial scoring drive occurred near the end of the third period and continued with an interception in the early part of the last period, featuring a 37-yard pass, St. John to Tinker, which put the ball in scoring position. Kelly finally going across from the 2-yard line.

Four more touchdowns were accounted for by the two squads, 3 by Crowell and one by Olney, because of the wildest fourth quarter known to Northwest Texas football came to an end.

Two of the Wildcat markers came in rapid succession, one by Gafford who ran 47 yards after intercepting a pass, and the other by Gafford on a 34-yard run just after Mark Saunders had intercepted the second pass of the evening.

The Cubs showed over the next touchdown with St. John scoring from the 6-yard line after a 64-yard drive, featuring a 25-yard run by St. John and two long passes that were ruled complete on account of interference with the pass receiver.

Frank Meason intercepted an Olney pass.

Crowell High Awaits Results of Game at Nocona Thanksgiving

The Crowell Wildcats will be idle this week awaiting the results of the Graham-Nocona game at Nocona Thanksgiving for the championship of District 6-B. Crowell school officials plan to confer with officials of the school which wins that game immediately following the contest in deciding upon a site for the bi-district game.

The bi-district winner will then play another bi-district winner, which will likely be one of the following four teams: Rockwall, Plano, and Vocational and Diamond Hill high schools, both of Ft. Worth, for the regional championship.

ALL-DISTRICT '34 FOOTBALL TEAM NAMED BY NEWS

With sincerest apologies to any player of District 5, Class B to whom an injustice may be done, The Foard County News conscientiously names the "mythical" team below as the one that it believes to be the best that can be selected from the district's 1934 squads, including eight high schools and over 150 football players.

Our "All-District"

- L. E.—Lester Patton Crowell
- L. T.—Elmer Tinker Olney
- L. G. Wayland Gilliam Seymour
- C.—Mark Saunders Crowell
- R. G.—Hoyet Williams Olney
- R. T.—Bill Dunn Crowell
- R. E.—Jim Riley Gafford Crowell
- Q.—Ryan Kelly Olney
- L. H.—Lewis Sims Burk Burnett
- R. H.—Dick Todd Crowell
- F. B.—Paul McKown Crowell

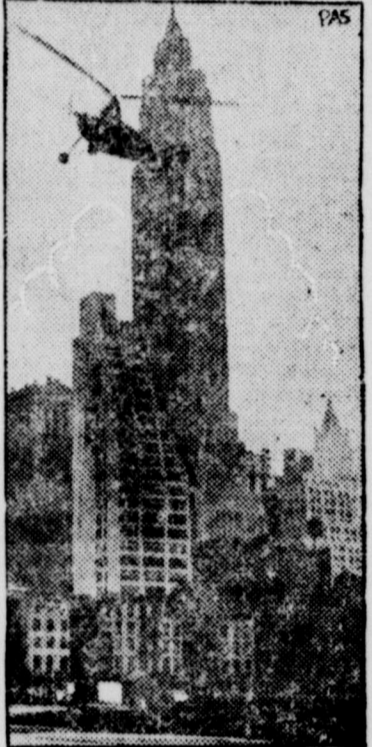

On this team are six Crowell players, 3 Olney Cubs and one each from Burk Burnett and Seymour, Chillicothe, Throckmorton, Archer City and Iowa Park fall to place.

We have seen every district team in action; have kept a fairly close watch on the individual records of players in the district and have discussed the qualities of various candidates with players who have performed with and against them in arriving at our selection for the all-district team.

Five of those named were members of the "Official" all-district team.

THALIA CHURCH DEDICATION TO BE HELD SUNDAY

The Thalia Baptist Church building will be formally dedicated Sunday, at which time an all-day program will be conducted. Dinner will be served in the church basement at noon.

Following the recent report of the treasurer that the church building was free of debt, it was decided to hold the formal dedication the first Sunday in December. A cordial invitation is extended to all to be present.

The fine brick church at Thalia was completed over six years ago. Its pastor, Rev. W. A. Reed, has served in this capacity a number of years.

Victim of Blow at Wichita Falls Was Well Known Locally

Percival G. Graves, 34, of Vernon, who is well known to many Crowell people, died in Wichita Falls early last Saturday from a blow over his left eye, according to an autopsy conducted at the request of Sam B. Spence, district attorney. Part of the skull was crushed by the blow.

Wichita Falls officers reported that Graves had been arrested while in his automobile at the Country Club estates with a bottle of whiskey near him. He was placed in the Wichita County jail.

The Wichita jailer stated that he was summoned to a cell early Saturday morning and found Graves dead. Upon evidence presented by other prisoners in the jail, murder charges have been filed against Ed Ebers, a prisoner sentenced to 18 years in the penitentiary on a charge of robbery at Henrietta.

Rayland Farmer Is Taken by Death at Vernon Last Week

R. B. Prescott, 50, Foard County farmer in the Rayland community, died Saturday morning in a Vernon hospital after illness of three weeks. He recently underwent an appendicitis operation and complications developed.

Mr. Prescott was born in Hill County, Texas. He moved to Vernon from Sweetwater in 1917 and in 1918 moved to a farm three miles southwest of Rayland where he had since resided.

Surviving are his wife; four children, Mrs. Edith Kate Gregg and Mrs. Delbert Johnson of Rayland, Mrs. Christine Higgs of Crowell, and Miss Mickey Prescott of St. Louis, Mo.; two grandchildren; and three step-children, Mrs. Myrtle Crews of Harrold and Miss Mae Flynn and Melvin Flynn of Rayland.

Funeral services were held at the First Baptist Church in Vernon at 2:30 o'clock Sunday afternoon with Rev. W. A. Reed, pastor of the Thalia Baptist Church, officiating. Interment was in the East View Cemetery of Vernon. The Masonic Lodge was in charge of services.

Leading Scorer

In Dick Todd, fullback, Crowell high school claims the leading football scorer of Texas for 1934. On Nov. 24, Todd had scored 273 points and averaged 26.2 yards on each of his touchdown runs. Todd has scored 619 points in his four years of playing for Crowell high school—another record. He is also a fine punter, blocker and passer. Crowell, a class "B" team, has lost only one game this year. Vernon, a class "A" team, beat them. (Texas News Photos.)

Completing Plans for Odd Fellow and Rebekah Meet Here

Arrangements for the quarterly meeting in Crowell Wednesday night, Dec. 12, of the Hardeman-Foard Association of Odd Fellows and Rebekahs are being completed by local committees.

Frank M. Locke of Stamford, prominent in Texas I. O. O. F. circles, is to be the principal speaker at the program, which will take place in the high school auditorium, beginning at 7:30 o'clock.

Committees planning for the meeting are: program—Mrs. R. D. Oswald, Mrs. E. W. Burrow, O. O. Hollingsworth, Nellie Brisco and Mrs. J. E. McClure; refreshments—Mrs. S. E. Tate, Mrs. O. O. Hollingsworth, Mrs. Maggie French, Ed. Manard, Claude Dodd, T. F. Welch and Clyde King.

DONKEY POLO AND RACES TO FEATURE DAY

Donkey polo games and races will feature the program of entertainment for the December Trades Day in Crowell Monday. This will be the final Trades Day of 1934 and the last event of this nature before Christmas.

In connection with the entertaining features, local merchants are offering a wide variety of bargains in helping to make the day worthwhile for those wishing to save money on everyday needs.

It is also hoped that the people of this territory will come prepared to do some trading among themselves for Trades Day was originated for this purpose and with the co-operation of everybody, this monthly event can be made of mutual benefit to all.

The entertaining features Monday will be under the general supervision of a committee composed of W. R. Womack, W. F. Kirkpatrick, Garnet Jones and Dave Solis. The donkey polo events will be directed by Geo. D. Self.

Four precinct captains have been appointed who are to select players from their precincts for their donkey polo teams. They are: Precinct 1—George Cates. Precinct 2—Luther Tamplin. Precinct 3—Floyd Borchardt. Precinct 4—Hub Fish.

The winners of the Cates vs. Tamplin and Fish vs. Borchardt matches will play one match for the championship. Worthwhile prizes will be given members of the winning team.

The donkey events are to start early in the afternoon.

John Rasor, president of the local "horse traders union," states that several donkeys have already been located, but that a few more are needed for the events and any co-operation in securing them will be appreciated.

ACCIDENT FATAL TO WORKER ON TEXAS CO. TEST

Tom Holbert, 32, was instantly killed in an accident last Friday night at about 11:30 o'clock at the Texas Company's L. K. Johnson No. 6 oil test on the Leslie McAdams ranch, 18 miles airline distance west of Crowell in Foard County.

He was caught in the belt of the big mud pump of the all-electric rotary rig.

Mr. Holbert had worked as a derrick man in the Texas Company's Foard County oil field for the past several months, during which time he had lived in Paducah, where his body was carried following the accident. Later it was shipped to his former home in Eldorado, Ark., for burial.

This was the first accident in the Foard field to take a life.

Editor's Note—The above cut, including the wording under it, is being used this week by over one hundred daily and weekly newspapers in every nook and corner of Texas that are clients of "Texas News Photos," a newspaper picture service produced each week in Dallas.

EX-SERVICE MEN, FAMILIES WILL ENJOY BIG FEED

A big feed and program, free to all ex-service men and their families, will be held in the American Legion hall on the first floor of the Masonic building on Thursday night, Dec. 6, at 7 o'clock.

This occasion will also serve as the first public introduction of the Legion's hall since the completion of numerous improvements in it. It has been repainted and papered inside, a piano and desk have been added, and other improvements made in recent weeks.

An interesting program is being completed for the event by a committee composed of Ebb Scalls, Clyde Cobb and A. Y. Beverly. Clint White, commander of the local G. A. R. Post of the American Legion, will preside at the meeting.

Local Legion officials urge all ex-service men and their families to make every effort to be present for this outstanding occasion.

PRE-CHRISTMAS PROGRAM NIGHT OF DEC. 11 HERE

Plans for a big-pre-Christmas event in Crowell on Tuesday night, Dec. 11, are being completed by a committee composed of J. E. Harwell, A. Y. Beverly and H. K. Edwards, who were appointed at the banquet Monday night of the Farmers and Business Men's Association.

A Christmas window shopping contest, a visit from Santa Claus with gifts for children, and other features are being planned for the event. The town is to be appropriately decorated with Christmas lights and trees for the occasion.

Full details of the event will be announced in The News next week.

Health Dept. Needs To Emphasize Five Types of Activity

Austin, Texas, Nov. 22.—"What the average community needs is a well organized health department which emphasizes five types of activities," says the American Public Health Association. These activities are: (1) The safeguarding of child health and motherhood; (2) the control of contagion; (3) accurate recording of births and deaths; (4) support of public health laboratories; and (5) sanitary control of diseases spread from human waste and by vermin and insects.

The Texas State Department of Health provides that due emphasis be given to each of the above mentioned activities. To illustrate how these five essential functions are inter-related, the interest of the various bureaus in the new born baby, preschool and school child may be cited as an example. Child health is safeguarded by providing information and instruction of the mother. Through the Bureau of Vital Statistics, complete and accurate birth registration is kept, as well as records indicating deaths which occur among children from preventable diseases.

Contagion is prevented or controlled against further spread through the encouragement of immunization early in life, through the prompt reporting of infectious disease. Public health laboratories and sanitary engineers provide additional bulwarks of protection about child life.

Oil at Electra A two-hundred barrel oil well was brought in at Electra last Saturday, Nov. 25, on land belonging to W. T. Waggoner about one-half miles west of Electra. Erlinger and Green are the parties who took the contract from Mr. Waggoner to put down the well. There is also considerable gas flowing from the well.

If oil in paying quantities is found around Electra Mr. Waggoner may establish a refinery there. There is considerable oil and gas excitement at Electra and there seems to be an attempt to keep the discovery as much of a secret as possible. The well has been sealed and the drillers will give out no definite information. —Wichita Times.

Edison's Predictions Thomas A. Edison predicts that within the next twenty years the art of moulding concrete will reach a marvelous degree of perfection in architecture. Twenty years hence the poor will have more beautiful homes than the rich can now aspire to.

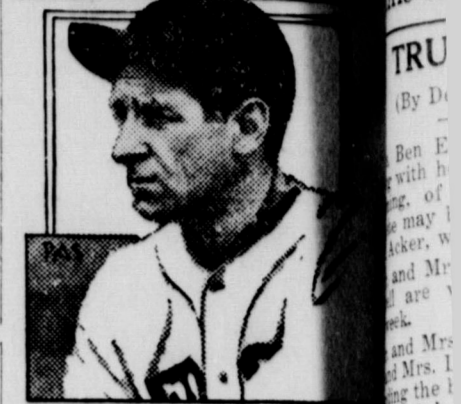

Mr. Edison predicts that moving picture machines will be so perfected that the characters will move and speak, and other stage accessories will make the illusion perfect. Such entertainments, he says, can be provided for 5 cents and will give millions of working people a chance to be amused and improved. The result will be a hard blow to the saloon.

Locomotives will pass out of existence and all railroads will be operated by electricity. Already electricity operates all roads running into New York proper.

A new fertilizer will spring into existence containing nitrogen in large quantities. Electricity will draw this from the air and will greatly increase the arability of our land.

Aerial navigation will be firmly established and will be on a sound, practical working basis in twenty years.

When the Thermometer Drops in Crowell Use the Right Winter Oil...

Use the Right Winter Oil... to get positive starting, improved gasoline mileage and utmost motor protection!

You save money the year 'round by using New and Improved Conoco Germ Processed Motor Oil. But, during the cold months, especially, the low cost operation of your motor car demands the proper Winter grade. You'll get—

- 1. POSITIVE STARTING. These lighter grades permit your motor to reach higher "cranking speed." You save your battery. You choke less—waste no gasoline. 2. DEFINITELY MORE MILES PER GALLON OF GASOLINE. This free-flowing oil never thickens and "drags." 3. UTMOST MOTOR PROTECTION. Conoco's "Hidden Quart that never drains away" protects vital parts from starting wear.

New and Improved Conoco Germ Processed Motor Oil in all grades, including 10W and 20W—in refinery-sealed cans or in bulk. Drive into a Conoco Red Triangle Station today and get ready for Winter.

THE BOOK

the first line of which reads, "The Holy Bible," and which contains Four Great Treasures

by **BRUCE BARTON**

AN OLD MAN SETS OUT

Paul left Ephesus after the riot, but not to return to Jerusalem; he was going across into Europe again. We may imagine the conversation that took place, for we get a wonderful glimpse into his mind in the letters, to the Corinthians.

"You are going over the same ground again, Paul?"

"Yes, but every time widening the circle. This is my third time out, and each time I make a little larger swing, and see the work growing."

"When do you get back to Jerusalem?"

"Next spring at Easter. I am going to take back the biggest collection that the Jerusalem church ever received."

"Are you going to stay there?"

"Stay there? Do you think I could ever be content to settle down and stay in Jerusalem?"

"But you are getting to be an old man, and travel is hard on you and dangerous."

"Yes, I have been in dangers of many kinds. It has been my privilege to travel farther than any of the apostles, in labours more abundant, in stripes above measure, in prisons more frequent, in deaths oft.

Of the Jews five times received I forty stripes save one.

Thrice was I beaten with rods, once was I stoned, thrice I suffered shipwreck, a night and a day I have been in the deep; in journeyings often, in perils of waters, in perils of robbers, in perils by mine own countrymen, in perils by the heathen, in perils in the city, in perils in the wilderness, in perils in the sea, in perils among false brethren;

In weariness and painfulness, in watchings often, in hunger and thirst, in fastings often, in cold and nakedness."

"That is a long list of perils, Paul. It must nearly have broken you down."

"I have still a heavier burden, my anxiety for all the churches I have established."

"Do you carry them on your mind and feel responsible for them?"

"Who is weak and I am not weak? Who is caused to stumble and I burn not?"

"You have done a great work and have much to be proud of."

"I am proud of it, and have been criticized as being vain about it. I have sometimes been ashamed of myself for letting people know my pride and joy in all this. Yet, while I have sometimes made myself a fool by seeming to boast, I really am not boastful. God forbid that I should glory, save in the cross of Christ and in the joy of service."

"When you go out again where shall you go?"

"Back again over the same ground, but more widely, to all the Roman sub-capitals in Asia Minor and Greece, and then to Rome."

Please note time has been moved up 30 minutes for the evening services.
Attend Church Sunday, O. L. SAVAGE.

Methodist Church
A comfortable building awaits you Sunday. May we show our spirit of Thanksgiving by worshipping together. The young people will have charge of the service at 6:45, the new church hour.
GEO. E. TURENTINE.

Christian Church
It looks like Rev. Pickering will not come, but he will likely go to Midland. We therefore are investigating other ministers and expect to announce something definite a week from Sunday.
Until a full time minister is secured, we are to continue under the present arrangements. May we press forward with steady vigor, not neglecting the Bible school and communion service, when Rev. Merrill is not with us.
I will preach at the Vivian school Sunday evening.
C. V. ALLEN, Elder.

Thalia Church of Christ
We had another fine day last Lord's Day with good crowds for all services. The interest seems to be growing with each service. We still have several Christians around Thalia, however, who are not attending. Read Acts 20:7 and Heb. 10:25. Every Christian is obligated to be at the Lord's house of worship every Lord's Day. May we see you next Sunday?
We announce the following services for the week:
10:00 a. m.—Bible Study.
10:45 a. m.—Preaching service.
11:45 a. m.—Communion service.
6:15 p. m.—Young people's class.
7:00 p. m.—Preaching service.
2:30 p. m., Tuesday—Ladies' Bible class.
7:00 p. m., Wednesday—Mid-Week service.
Don't forget that the Tipton Orphan's Home truck will be at Thalia Dec. 3, to collect a supply of provisions for the home. Bring what you have to give next Sunday so that it will be here when the truck arrives.
Come to church next Sunday. You are always welcome to any and all of our services. We have nothing to offer but the plain, unadorned word of God, preached without fear or favor. If you are interested in your soul salvation, come.
J. D. ROTHWELL, Minister.

Truscott Methodist Church
The following are the services announced for Sunday, Dec. 2:
Sunday school at 10 a. m., Guynn Hickman, Supt. We had 50 per cent increase in attendance. We have Sunday over the attendance of the Sunday before. Let's meet each other at Sunday school and church Sunday. This is the first preaching service of the new year. Let's begin right by going to Sunday school and church. Preaching at 11 a. m. and 7 p. m. by the pastor.
O. C. STAPLETON.

Christian Science Services
"Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, Denounced," is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, Dec. 2.
The Golden Text is: "Beloved, follow not that which is evil, but that which is good. He that doeth good is of God; but he that doeth evil hath not seen God." (III John 1:11.)
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Watch ye, stand fast in the faith, quit you like men, be strong." (I Corinthians 16:13.)
The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In a world of sin and sensuality hastening to a greater development of power, it is wise earnestly to consider whether it is the human mind or the divine Mind which is influencing one. . . Mortals must find refuge in Truth in order to escape the error of these latter days." (page 82.)
YOU ARE THE LOSER— if you did not read "They Had Eyes But Saw Not," a beautiful editorial the other week in the Pathfinder. The Family DOCTOR

By JOHN JOSEPH GAINES, M.D.

PLURAL BIRTHS

Of course, for a mother to give birth to five babies, startled by the community, but the newspaper press services. It's news, page dimensions. . . It even attracts international attention—of that kind. And, so many, you know, look inquiringly at the he is supposed to know why, if anybody does.

Not so very long ago, the old stork left five new babies family—you read about it in the papers. With so many of the share the minute spark of life, there could not be an overplus of for each little mite. The family doctor bestirred himself to save midgets—bids fair to do it, as I write these words. Hope he do

They talked of taking these babies to the World-Exposition Chicago—it would have enriched the poor family. The doctor "No." A rural humorist, thinking to spring a wise-crack said the should be exhibited as the real curiosity. Which brings me to my

The mother accomplished the miracle—not the father—his secondary part, nothing out of the ordinary.

The mother furnishes the ova—the egg; be it one or a dozen, seldom is it more than one—though it would seem this year has remarkable for its plural births. Even twin births are comparatively seldom. Until 1934.

The mother produces the ova, periodically, one or—several, ova are fertilized—impregnated—by spermatozoa, the male element. It must be a remarkably fertile mother who discharges in health a dozen ova, each one capable of fertilization. The lower animals to have a monopoly in multiple pregnancies.

So, the old doctor explains. Don't blame Pa too severely.

Increasing use is being made of the fathometer, an instrument whereby the depth of water under a ship may be determined at any instant by echoes.
