## PE FOR SECURING DAM ON PEASE RIVER THROUGH P.W.A. PROJECT REVIVED AT MEETING

Plans for securing a dam on Pease River at a point about nine miles northwest of Crowell was revived Monday at a meeting of the Pease Valley Development Association.

Dr. Hines Clark, director, Pease Valley Development Association, and Foard County Commissioner, J. C. Thompson, presided at the meeting. Reports regarding the possibility of the Public Works Administration project were heard. J. H. Allison of Wichita Falls, member of the board of directors, who had been in Washington for the past several weeks, reported on the project.

The proposed dam would be one mile long and over 100 feet high at the center. It is estimated that 15 months would be required for construction. Besides supplying water for irrigation of several hundred acres, the dam would also provide a great supply of water for the area.

A committee composed of E. R. Thompson, president; L. A. Vernon, secretary; and J. H. Allison, engineer, are in Austin this week to clear up several legal matters connected with the project.

## ANY PRESENT FOR MARGARET HOME - COMING

Margaret Methodists Church in Foard County before the death of the mother church of these two counties. In 1907 Margaret and Crowell were served by the same preacher.

### Tax-Paying Season Opened Tues., Oct. 1

Tuesday, Oct. 1, marked the opening of another tax-paying season locally and over the state. City, county and school collectors report that so far they haven't found it necessary to work over-time in receiving payments.

### FRANK MOORE SELLS SCHOOL BUS INTEREST

Ernest Spears assumed duties Monday as operator of the school bus which covers the northwestern portion of the Crowell Independent School District. He purchased Frank Moore's interest in the school bus after the school board had approved the change. Mr. Moore was the veteran bus operator of the local system, having served eight consecutive school terms before this year.

### Mrs. Lee Rhodes of Thalia Died Mon.

Mrs. Lee Rhodes, 50, died Monday at Thalia only a few days after moving there with her husband and family. The body was taken to Sappington Chapel, Okla., where funeral services were held Tuesday.

Annie Fletcher, maiden name of the deceased, was born June 8, 1885, in Montague County, Texas. She was married to Lee Rhodes Jan. 29, 1903, in Washita, Okla. Eleven children were born to this union, seven of whom are living. They are: Mrs. Gracie Scott of Weatherford, Okla.; Houston Rhodes and Mrs. Winnie Whitney of Indianola, Okla.; Mrs. Alta Brewer of Lockett, Texas, and Roy and Nellie Rhodes of Thalia. Also surviving are five grandchildren; three brothers, Dave and Harrison Fletcher of Mountain View, Okla.; Ernest Fletcher of Colony, Okla., and two sisters, Mrs. Sallie King of Eastland and Mrs. Lucy Carbaugh of Mountain View, Okla.

### Crowell "B" Squad and Vernon Marines Will Clash Today

The Crowell Wildkittens, "B" football squad of Crowell High School, will play their second game of the season this afternoon at Vernon with the Vernon Marines. "B" squad of the high school there. Last week Crowell beat the Marines 7 to 6 at the local stadium. The game this afternoon will begin at 4 o'clock on the City Park field in Vernon.

Crowell will also play games with the Quannah and Childress "B" squads, according to the following schedule: Oct. 9—Quannah, here. Oct. 17—Quannah, there. Oct. 24—Childress, there. Oct. 31—Childress, here.

### British Navy Head

Sir B. I. E. Monsell, first lord of the admiralty, who ordered Great Britain's Mediterranean fleet to be concentrated in the "Key" positions, mainly off the Suez canal and Malta.

### No Features for Trades Day Since Farmers Too Busy

No special Trades Day features will take place in Crowell on First Monday. The local Trades Day committee considered that due to the extra busy season with farmers throughout the county, it would be useless to attempt the usual monthly Trades Day program.

### FORMER RESIDENT DIES

According to information received by J. L. Kinchloe in a letter last Saturday, the death of Tom Parker, a former resident of Foard County, occurred at his home at Bellingham, Washington, on August 18. His death occurred suddenly, being attributed to heart failure.

### NEW MOTOR VEHICLES

New motor vehicles registered in Crowell during the past week follow: Falls Refining Co., Ford truck; R. M. Gregg, Diamond T truck.

### Foard Transferred to New Dist. Oct. 1

Foard County has been transferred from District No. 1 to District No. 3 in A. & M. Extension Service work and is now in the "Wichita Falls" district instead of the "Amarillo" district. The seventeen counties in District 3 are: Cottle, King, Stone, Haskell, Wilbarger, Baylor, Wichita, Throckmorton, Archer, Young, Clay, Jack, Montague and Wise. Due to expansion of Extension work during the past two years, it was necessary to increase the districts from nine to twelve. The new district agents for No. 3 are B. F. Vance, county agent work, and Miss Bessie Lee Sikes, county home demonstration work. Miss Sikes was recently H. D. agent in Wichita County and Mr. Vance was formerly Young County agent. Parker D. Hanna and Miss Ruby Wehbar of District 1, served Foard as district agents before the new set-up took effect Tuesday.

### Two Speed Record Breakers of the Air

Howard Hughes, formerly of Houston, Texas, left, young millionaire film producer, photographed just before he set a new land plane speed record of 253 miles an hour. Major Alexander P. De Seversky, at right, war-time pilot and airplane designer, set a new mark at Detroit for amphibians making 230.03 miles an hour.

## FOARD COTTON MEN ASKED TO KEEP RECORDS

Cotton farmers are urged to keep a complete record of their sales, in order that they may be able to make application for the cotton adjustment price, which the government proposes to make.

This record should include the date of sale, to whom sold, the weight and the price received, according to information coming from the county agent's office.

The question as to the necessity for grades on cotton sold, has been asked. The explanation given below is quoted from a statement made by A. L. Smith, chairman of the State Cotton Allotment Board.

"It makes no difference what the producer gets for his cotton, the cotton adjustment price will be the difference between the average of the ten spot markets on the date he sold his cotton and twelve cents per pound. If he had extra good cotton and received eleven cents for it today and the average of the ten spot markets is 10.40, his claim for adjustment payment will be at the rate of 1.60, or the difference between 10.40 and twelve cents. The producer must, of course, participate in the 1936 program."

### Glenn Roberts Hurt Tues. by Mule Kick

Glenn Roberts was painfully injured at about one o'clock Tuesday afternoon when kicked by a mule after becoming cornered in a stall in the barnyard of his home southwest of Crowell.

A few ribs on the right side were broken and his right lung was punctured. He is recovering at his home.

### Haney-Razor Grocery to Re-open Saturday

The Haney-Razor Grocery will re-open Saturday at the same location on the north side of the square that it occupied for over eleven years. About two months ago the stock of the store was combined with the Cash-Way Grocery.

### Wildcat Grid Star Is Ineligible for Any Future Competition

W. F. Brisco, regular lineman with the Crowell Wildcats for the past two seasons and prospective regular this year, has been ruled ineligible for further athletic competition.

The outstanding blocking guard is a victim of the eight semester rule. Last week it was discovered that Brisco attended Crowell High School ten days in the fall of 1931.

If a student is enrolled for a period of three weeks, one semester is counted against him. While Brisco did not attend school three weeks that fall, yet the ten days he attended were spread out for a period of over three weeks.

As a result of the loss of the valuable Wildcat, Coach Grady Graves plans a change in the local line-up. John Cogdell, 1934 guard and regular tackle this year, will replace Brisco at guard and Austin Wiggins or Oliver Brisco will replace Cogdell at tackle, according to present indications.

### Alcohol Controller

Franklin Chase Hoyt of New York City, who has been appointed head of the alcohol control unit of the Treasury department by President Roosevelt.

### Location for New Oil Test in Foard Made by Texas Co.

The Texas Company has made a location for a new oil test in its field in the western part of Foard County. The new test will be on the Les K. Johnson ranch and is to be east of the living quarters at the natural gasoline plant. The new test will be about 1,500 feet east and 100 feet south of the discovery well, No. 3, which is located in Section 36.

### High School Pupils Have Opportunity to Get Part-Time Jobs

Austin, Texas, Oct. 1.—Eight thousand five hundred and forty-seven part-time jobs will be given Texas high school students if school officials take immediate steps in presenting applications to the National Youth Administration. Lyndon B. Johnson, State Director, stated this week.

The National Youth Administration will provide jobs for 33 high school students in Foard County at the rate of \$2.00 per month, or a total of \$198.00. In securing funds allocated to each county in Texas participating in the \$6 per month high school aid program, the student, the Principal and the County Superintendent must follow certain necessary and definitely outlined steps.

"An eligible student, that is, one who is between the ages of 16 and 25, now in high school, single, whose family is certified for relief, who has ability to do high grade work in school, and who without financial assistance could not attend school, files application with the Principal of the school he wishes to attend," Johnson pointed out.

"The Principal, whose duty it is to place all applications received by him, also submits a list, in duplicate, of the eligible applicants to the Social Service Department in the county for verification of the relief status of the students' families. After jobs have been proffered among schools throughout the county, the Principal of each school submits to the County Superintendent a project application in affidavit form asking for his quota of jobs at \$6 per job, together with the students' applications properly executed," Johnson said.

The County Superintendent, who will be responsible for this program in each county, will upon receiving these applications from the Principal and submit to Lyndon B. Johnson, State Director, National Youth Administration, Austin, Texas, all project applications in triplicate with students' applications attached, the total amount of funds asked for in all his applications not to exceed the total allotment to his county.

A Placement Committee, composed of the County Superintendent, the Case Worker in charge of that county and the City School Superintendent in school districts having a scholastic population of 500 or more, will determine the amount of funds that each school in that county shall receive.

Part-time jobs assigned to students are designed to provide socially desirable work, such as clerical, library, campus improvement, playground supervision, assistance to high school nurses in giving physical examinations and in rendering first aid, acting as traffic officers at nearby elementary school as safety measures, assistance in laboratories, and similar worthwhile capacities.

### HOSPITAL NEWS

Mrs. Sam Wood of Gilliland, who underwent a major operation last Thursday, is doing satisfactorily.

## HUNDREDS OF PADUCAH FANS PLAN TO ATTEND WILDCAT AND DRAGON TILT TOMORROW NIGHT

The largest crowd that has ever followed a Paducah High School football team to an out-of-town game will be in Crowell tomorrow night, Friday, if weather continues clear. From the Cottle County capital comes rumors of the strong-est grid squad in many years and one that Paducah fans believe will break the habit of Dragon teams in losing to Wildcat football and basketball aggregations.

Crowell will be outweighed slightly more than five pounds to the player by the visiting Dragons, according to the probable starting line-up, shown elsewhere in this issue.

With a rugged and hard-charging line, plus a fast and shifty backfield the Dragons have a combination that promises much work for their opponents this season. The squad has an extra liberal representation of Dragon players of the past two seasons. Capable reserve material is one of Paducah's strong points this season and Coach Rufus Hyde will no doubt see fit to send in fresh material at several stages of the game tomorrow night.

Paducah fans are backing their Dragons to the very limit this year. A brand new athletic field with bleacher seats and a fine lighting system have been provided.

The Dragons are in top condition for their battle here, since they were idle last week after losing their first game 7 to 0 to a 1934 bi-district champion, Memphis. Except for a fumble that gave Memphis its only touchdown, the Dragons outplayed their visitors and served definite notice to opponents that the Dragons would be "plenty tough" this season.

This will be Crowell's last game before entering conference competition next Thursday night in a game here with the Burk Burnett Bulldogs.

Ineligibility and injury will take two Wildcat regulars from the starting line-up. W. F. Brisco, regular guard, is ineligible for further competition because of the 8-semester rule, and Sam Cross Jr. has not fully recovered from a knee injury suffered in practice last week before the Quannah game.

The Wildcat starting backfield will be the same as last week, with Bill Dunn at quarter; Frank and Goodloe Meason at halfbacks; and Paul M-Kown at fullback.

Because of Brisco's loss, John Cogdell, regular tackle this season, will be shifted to guard and Austin Wiggins or Oliver Brisco will replace him at tackle. The other linemen will be Mark Saunders and Albert Dunagan, ends; Oscar Nichols, tackle; Aldon Horn, guard, and Bob Lilly, center.

The game will begin promptly at 8 o'clock.

### Burk Burnett Game Here Changed to Thurs. Night, Oct. 10

Crowell and Burk Burnett will play in Crowell Thursday night, Oct. 10, instead of Oct. 11 as originally scheduled. Officials of the two schools agreed to the change in order to avoid conflicts with other games in this area on Friday night, especially the Wichita Falls-Vernon game at Wichita Falls, which would likely attract many Burk fans who would otherwise come to Crowell.

The clash with Volney Hill's Bulldogs next Thursday night will be Crowell's first conference game of the year. It will also be Burk's first conference tilt.

### Elmer Wins League Championship With Win Over Crowell

The baseball team of Elmer, Okla., became the champion of the Cotton Belt League for 1935 by defeating Crowell 11 to 2 here Sunday in the third and final game of the championship series. Previously Elmer had beaten Crowell 9 to 8 and then Crowell took the next game 8 to 7.

Lefty Wyatt, Elmer pitcher, had the Crowell batters at his mercy. He allowed only three scratch hits and struck out eight men. Crowell's two runs were unearned.

The Crowell club had its most successful season in years. The local nine finished at the top of the standing in the regular season, but lost the championship in the Shaughnessy play-off plan that was used.

Through this plan, the first and fourth place teams, and the second and third place teams were matched in play-off games. Crowell eliminated Truscott and Elmer disposed of Quannah. Crowell and Elmer then met in a three-game series for the championship.

### Lower Age Limit for C. C. C. Enrollment During This Month

Austin, Oct. 1.—(Special.)—Minimum age limit for CCC enrollees has been lowered from 18 to 17. State Enrollment Supervisor Neal E. Guy announced Saturday.

The ruling will apply for the October enrollment, when every eligible person in the state is expected to be given a chance to enlist in the CCC.

Enrollment will be open for all unmarried men between 17 and 28 whose families are on relief rolls. The dates are inclusive, and a person who has passed his seventeenth birthday is eligible, as is one who has not reached his twenty-ninth.

Mandatory discharges have been discontinued, and enrollees may stay in camps indefinitely. Also, persons honorably discharged may re-enlist, provided their previous service was not less than four months. Eligible enrollees, however, honorably discharged prior to October 21, 1933, may be re-selected without regard to length of previous service.

Guy advised persons in the lower-age bracket, particularly the 17-year-olds who are in school, to continue their schooling as long as possible, with the hope of enlisting later. For those who cannot continue in school, the CCC conducts an educational program in each camp, he pointed out.

### MARRIAGE LICENSE

A marriage license was issued last Thursday to Ernest M. Cox and Miss Clara Phillips of the Good Creek community. They were married here the same day and are now living on the farm of A. L. Cox, brother of the groom.

Only two marriage licenses were issued during September. Two were also issued in August, July was a banner month with 9 licenses. A total of 31 licenses have been issued from the office of the Foard clerk, Grady Magee, so far in 1935.

### BIG PROBLEMS BEFORE TEXAS LEGISLATURE

The News received the following letter Monday from George Moffett of Chillicothe, representative in the Texas Legislature from Foard, Hardeman, Knox and King counties:

"There is no telling how long we will be down here, as it seems impossible for us to finish properly within thirty days.

"Liquor control and the payment of old age pensions both call for considerable deliberation, and besides there are several minor subjects that must be dealt with, including a revision of the suspended sentence law and a change in the method of incarcerating the insane.

"There is also another subject which I hope the Governor will submit for our consideration and that is the question of remission of interest and penalties on 1934 taxes which became delinquent February 1, 1935. Everybody knows that West Texas had the worst drought on record in 1934 and that there was nothing at hand with which to pay taxes last winter when the dead line came. In my judgment, there is more justification for the remission of interest and penalties on 1934 taxes than there has ever been for any of the other remission laws, and I have had more people to ask me about this particular subject than I have had some of the other matters that get wide-spread newspaper publicity.

"So I hope that we will be able to do something about it at this session, but as yet the Governor has not submitted it to us for consideration, although he may do so soon.

"I was one of those who voted for the old age pension amendment, and since it carried by such an unusually heavy majority, it seems that the Legislature ought to provide liberally in the matter.

"I am always glad to hear from the folks back home on the many matters that come up down here at Austin, and welcome comment at any time on the various bills before the Legislature.

"Yours very truly,  
George Moffett."

### Information for Distressed Farm Home Owners

Farm debt adjustment work throughout the nation has been reorganized and taken over by the Resettlement Administration and greatly strengthened by recent legislative enactment providing an effective legal procedure to meet foreclosure on farms in the recent Amendment to the Bankruptcy

law taking the place of the Frazier-Lemke Act ruled unconstitutional. To Distressed Farm Home Owners in Foard County:

This is to advise you if you are in debt distress, a committee of three men, with whom you are personally acquainted, have been carefully selected because of their known public spirit and worthiness, and appointed by the Governor of the State of Texas to assist you as arbitrators or conciliators, call on them for advice and help.

In Foard County they are as follows: C. P. Sandifer, chairman; H. C. Brown and C. E. Gafford. Their office will be with the Rural County Supervisor, Bruce Reed, of Quanah.

The Foard office for this work is open two days each week.

If your case assumes the seriousness of foreclosure and all efforts to settle through the Committee fail, then you should meet this legal action by filing your case with the Conciliation Commissioner, appointed by the Federal Judge for your county.

The Conciliation Commissioner of your county is J. E. Atcheson.

The objective of the whole procedure is to stop wholesale foreclosure of farm homes and to help worthy debt-distressed farmers. Many hundreds of cases have been settled by the procuring of extension of time and composition agreements, and many worthy farmers now in need of this service do not know how to obtain it or do not know that such service is available.

The Resettlement Administration have set up a Divisional office in Lubbock, to which distressed farmers may appeal, if in doubt what to do and this Divisional office is in charge of what is known as a Regional F. D. A. Specialist, who will maintain an "Advisory Board" to give information to both distressed debtors and attorneys concerning what is commonly known as the "Frazier-Lemke Act" and the procedure in Conciliation Commissioners' Courts.

Letters addressed to the Divisional Office, Lubbock, Texas, will have immediate attention and your case will be referred to the proper parties for settlement.

There is also provided two District Supervisors in the Lubbock Division, same being Hugh Weaver, of Lubbock, who has under his supervision A. & M. Extension Districts Nos. 2 and 3, and J. S. Fisher, of Amarillo, who has under his supervision A. & M. Extension Districts Nos. 4 and 10.

Remember, if in debt trouble either contact your local conciliator, your rural supervisor, your local county agent, who will advise you; or address a letter direct to the District Supervisor to Guion Gregg, Regional F. D. A. Specialist, Divisional Office, Lubbock, Texas.

FORTIETH BIRTHDAY

We extend congratulations to the publishers of the Baylor County Banner, O. C. Harrison Sr., and O. C. Harrison Jr., of Seymour on the excellent 22-page edition of that newspaper celebrating its 40th anniversary.

In connection with the celebration the publishers gave a party at mess time Thursday afternoon to its patrons to which newspaper publishers of this section were invited. Visitors were welcomed at the Banner office to witness the printing of a part of the special edition when all the machinery was in operation.

The Banner is one of the best weekly newspapers in West Tex-

QUANAH BEATS CROWELL HIGH IN GAME HERE

Playing the Quanah High Indians on even terms in the first half, the lighter Crowell Wildcats put up a courageous but losing fight in the final two periods and the visitors went home with a 31 to 6 victory following Crowell's second game of the season here last Thursday night.

At half-time the score was tied 6 and 6. The Wildcats trailed only 12 to 6 as the final quarter opened. An intercepted pass, a fumbled punt and a blocked punt paved the way for three successful Indian attacks on the Crowell goal line in this final period.

Marvin Whited, 196-pound fullback, accounted for every Quanah point. First touchdown of the game came in the latter part of the first period when the "Big Chief" of the Indian depredations cut through tackle for ten yards in barely crossing the goal line. Only three plays were necessary to account for the necessary 59 yards in this touchdown drive. A gain of 34 yards was made on the first play when Lehman completed a pass after the ball had bounced from the hands of first a Quanah player and then a Wildcat. On the next play a forward and lateral pass were combined in enabling A. Edmondson to put the ball on Crowell's 10-yard stripe, from which Whited scored. Tate's place kick for extra point failed and the score was Quanah 6, Crowell 0.

The Wildcats had the situation pretty well in hand in the second quarter, scoring a touchdown and making 6 first downs to one for the Indians. Crowell came within 9 yards of a touchdown following their only counter, but lost the ball on downs.

Paul McKown, who shared honors with Whited in the ball carrying department, scored for Crowell and in general played a brilliant game until removed in the final quarter with a rib injury.

Crowell started a 36-yard power drive at the opening of the second quarter that netted the touchdown. Just as the first period ended, W. Brisco recovered C. Edmondson's fumble on the Quanah 36. From that point McKown featured in a series of running plays that brought the ball to rest on the Indian 7. One 5-yard pass to Dunagan and a 9-yard sprint by Goodloe Meason aided in the drive, which was concluded when McKown started around the left end and then cut back through left tackle for 7 yards and a touchdown. His pass for the extra point was short and the score was 6 and 6.

The only touchdown of the third quarter came when Whited concluded a 58-yard Indian drive with a one-yard crash through center across the goal line.

A pass at the end of the third quarter that was ruled an interception for Quanah, paved the way for the initial counter of the last quarter. Taking the ball in mid-field, the Indian march to the goal line was aided by a 19-yard pass to Tate. Line plays put the ball on the 10, from which Whited went through tackle for a touchdown.

The Indian ace again cut inside tackle for 4 yards and another touchdown and then took a pass from A. Edmondson for the only extra point of the game. Quanah 25, Crowell 6. G. Meason's fumble of the Quanah punt on his own 18 opened the way for this touchdown. Paul McKown was injured and left the game at the time of the fumble.

The final touchdown came when Taylor blocked F. Meason's punt, Quanah recovering the ball on Crowell's 16. A 9-yard run by A. Edmondson put the ball on the 7. After losing yardage on a few plays, Whited plowed through to the 3 and on the next play took the ball across for a touchdown. Quanah 31, Crowell 6.

Crowell received the kickoff and had the ball on their own 32-yard line as the game ended. Despite the loss, local fans are pleased with the performance given by the Wildcats in this test against probably the strongest opponent to face them this year.

Sam Crews, regular Wildcat halfback, was unable to play in the game on account of a knee injury and Goodloe Meason took his place, making a creditable showing in his first participation throughout a regular game.

The blocking of the Crowell team was improved over last week and was instrumental in paving the way for a number of good gains by Wildcat ball carriers. Effectiveness of Crowell blocking asserted itself on the opening kick-off. Receiving the ball on his own 10-yard line, McKown's ball totin' skill plus blocking aid from teammates enabled him to make a return of 48 yards. In the last quarter McKown returned another Quanah kick-off 40 yards.

The longest punt return of the night was provided by Goodloe Meason early in the opening quarter when he stepped around and through opposing tacklers for 27 yards.

In the last quarter McKown passed to Frank Meason who apparently was loose for a touchdown when he stumbled and fell on the 15, however, the

ball was called back and Crowell penalized 5 yards when it was ruled that the passer was not five yards behind the line of scrimmage.

Bill Dunn, playing for the first time in the backfield, did fine work in calling plays and was on the receiving end of two of the three passes completed by Crowell. He played his usual fine defensive game.

Bob Lilly, Crowell center and smallest man on the field, turned in a mighty fine performance in handling the ball at center and in smearing numerous Quanah plays from his position on the defense at right guard.

## INTERESTING RACE PROMISED THIS SEASON IN FIGHT FOR DISTRICT 9-B FOOTBALL TILT

A far more interesting race in District 9-B (formerly 5-B) is promised this year with Olney, Crowell and Seymour as the teams favored to win the title. Despite losses to two Class A teams, Chillicothe is much stronger this year and may upset the odds and climb to a position near the top in the district standing.

The Chillicothe Valley News and Eagle fans are predicting nothing less than third place for their team this year. While doubt is expressed as to their winning over Olney and Crowell, Eagle fans believe that Chillicothe will beat Seymour and other teams of the district.

In games last week the Olney Cubs beat the Class A Eastland Mavericks 13 to 0 at Olney, after losing their first game of the season to Vernon, 33 to 6.

Seymour opened the season and dedicated its new lighted stadium with a 7 to 0 victory over the Stamford Bulldogs.

Two of the 9-B teams suffered defeats at the hands of Class A opponents, Burk Burnett losing 31 to 12 to Electra, and Quanah beating Crowell 31 to 0. In their first games, Crowell tied Matador 0-0, and Burk beat Tipton, Okla., 31 to 9.

Iowa Park opened the season last week, losing 7 to 0 to Bellevue.

Throckmorton of Dist. 9-B defeated Knox City 19 to 7.

Archer City and Chillicothe had open dates last week.

In previous games, Chillicothe lost to Childress and Quanah. For two quarters in each game, the Eagles made good showings against their Class A opponents.

### Schedule This Week

First conference games will be played this week. Chillicothe will invade Archer City and Olney will journey to Throckmorton.

Other 9-B teams will take on tough opponents in non-conference tilts. Nocona, a favored team in the district that competes with 9-B for bi-district honors each year, will play at Burk Burnett.

In home games, Crowell will play Paducah and Seymour will tangle with Haskell. Iowa Park will play at Henrietta.

### Class A Games

Conference warfare in District 5-A started last week when Wichita Falls beat Childress 28 to 0. The only conference game this week takes Quanah to Electra Friday night.

In non-conference games, Vernon is host to Hollis, Okla., tonight; Pampa plays at Childress Friday night and Temple, Okla., at Wichita Falls the same night.

Vernon's 33 to 0 loss to Breckenridge provided one of the surprises of last week.

## Jack Hoxie Coming

## Riverside Election to Be Held Again

An election will be held in the Riverside school district Tuesday, Oct. 22, to determine whether or not bonds of the district shall be issued in the amount of \$10,000 for the purpose of building a combination auditorium and gymnasium with class rooms; remodeling the existing school building and constructing a teacherage.

An election in regard to this matter carried 41 to 25 on Aug. 26. Due to a slight technicality, it was found necessary to hold the election over again.

C. L. Adkins has been appointed presiding officer for the election, the official notice of which appears elsewhere in this issue of The News.

## Rotary Luncheon

Because of the World Series baseball broadcast during the noon hour, the program Wednesday in connection with the Rotary Club luncheon was dismissed.

E. T. Evans and Dan Goldfeder, Vernon Rotarians, and Bob Swinney and C. Vestal, Quanah Rotarians, were visitors at the luncheon.

## Carl Worsham Dies at Henrietta Home

Carl M. Worsham, 55, widely known Clay County ranchman and banker, died Sunday morning at his home in Henrietta following a stroke of paralysis. Mr. Worsham was the son of the late W. B. Worsham, Clay County pioneer and cattleman. He was a native of Clay County.

Business in connection with extensive ranch holdings in Foard and Clay counties and the W. B. Worsham & Co. Bank at Henrietta was carried on by Carl Worsham following his father's death. The bank was liquidated in 1933.

Survivors are Mrs. Worsham, one daughter, Miss Carla Mae Worsham, and a sister, Mrs. K. N. Hapgood of Dallas.

## MEMBER OF EXPEDITION TO LITTLE AMERICA TO LECTURE IN CROWELL

The P. T. A. will sponsor, in the near future, a lecture with slides by Joe Hill of Canyon, son of Dr. J. A. Hill, president of W. T. S. T. C.

Mr. Hill was a member of the last Byrd Expedition to Little America and his lecture will be concerning and illustrative of his experiences in that capacity.

The date for the lecture is not certain but will be made known soon.

CHAPTER VIII.—With him returned to Marm Pierce, told him of Huldy's death, as he recalled, Zeke Dace had said. Will has to go to his farm to feed the cat, and goes with him, having the idea that she is in a man's hands.

CHAPTER IX.—Saladine informs Sobier, by phone, of Huldy's death. The sheriff comes to her farm. Bart explains to her that Huldy, after her fall, was supposed to be dead, and returning, find the sheriff and Jenny's heart sinks. She tells him of her husband's death, and the fact that she had accused Will of causing it, but she knows, in her own mind, that she is innocent.

CHAPTER X.—Saladine's disclosure for a moment, Marm Pierce first to speak. "What was that?" she exclaimed. "I don't know what you're talking about," she said. "I don't know what you're talking about," she said. "I don't know what you're talking about," she said.

CHAPTER XI.—Marm Pierce, silent long; but now she spoke, in sharp and angry tones. "Will, you're a fool!" she exclaimed. "I guess most men are, where a woman's concerned; but you're a bigger fool than most. You know as well as anyone that Huldy was no good!"

## SHERIFF'S NOTICE OF ELECTION

The State of Texas, County of Foard.

Notice is hereby given that an election will be held on the 22nd day of October, 1935, at Public Free School House in Riverside Common School District, No. 12, of this county to determine whether a majority of the legally qualified resident property taxpayers of said district, who own taxable property in said district and who have duly rendered the same for taxation, desire the issuance of bonds on the faith and credit of said Riverside Common School District, No. 12, in the amount of \$10,000, payable in serial annual installments as follows: \$300 one year from the date of the bonds and \$300 each year thereafter up to and including the year 1939, and \$100 each year thereafter during the years 1940 to 1943, inclusive, and \$500 each year thereafter during the years 1944 to 1947, inclusive, and \$600 during 1948 to 1951, inclusive, and \$700 each year thereafter during the years 1952 to 1956, inclusive, and bearing 4 per cent interest per annum, for the purpose of constructing a public free school building, and remodeling the existing public free school building, and constructing a teachers' home, and equipping all of such buildings, and to determine whether the commissioners' court of this county shall be authorized to levy, assess, and collect annually while said bonds, or any of them, are outstanding, a tax upon all taxable property within said district sufficient to pay the current interest on said bonds, and to provide a sinking fund sufficient to pay the principal at maturity.

All persons who are legally qualified voters of this state and county and who are resident property taxpayers in said district, who own taxable property in said district, and who have duly rendered the same for taxation, shall be entitled to vote at said election. The ballot for said election shall have written or printed thereon the following:

"For the issuance of bonds and the levying of the tax in payment thereof."

"Against the issuance of bonds and the levying of the tax in payment thereof."

C. L. Adkins has been appointed presiding officer for said election and he shall select two judges and two clerks to assist him in holding the same, and he shall within five days after said election has been held make due return thereof to the commissioners' court of this county as is required by law for holding a general election.

Said election was ordered by the County Judge of this county by order made on the 26th day of September, 1935, and this notice is given in pursuance of said order.

Dated the 26th day of September, 1935.

## Find Out

From Your Doctor if the "Pain" Remedy You Take Is Safe.

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

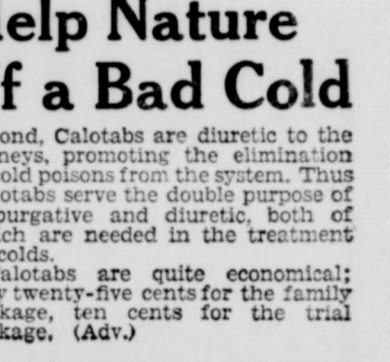

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains... and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.

## How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed.

How do Calotabs help Nature throw off a cold? First, Calotabs is one of the most thorough and dependable of all intestinal eliminators, thus cleansing the intestinal tract of the germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

## State Officials at County Federation Meeting Sept. 6th

Wednesday, Sept. 6, was more than just another County Federation meeting to the club women of Foard County, for at that time they had as honored guests the State president and Seventh district president of Texas Federation of Women's Clubs. This was also the first of the all-day sessions which will be held every two months throughout the club year. Representatives of the eight federated clubs which comprise the county federation, and which include the literary organizations in Crowell and the county demonstration clubs, assembled at the Baptist Church at 10:30 a. m.

Mrs. E. V. Halbert of Foard City is the new president, and after formal opening ceremonies, the business was taken up, that of the most importance being a discussion of means to secure funds for the County Library. This has been the outstanding project of the Federation since the library was instituted several years ago. It was decided that each Crowell club subscribe \$10 and each demonstration club \$5 each.

Mrs. M. S. Henry was leader for the day. Mrs. Raymond Burrow, in giving the news bulletin, interested her hearers with a description of Ethiopia and its inhabitants.

Following Mrs. Burrow, Mrs. Jno. S. Ray talked on "Civil Service," and she quoted, from the Fortune Magazine, many things on this subject which were of special interest to club women. At the noon hour the women adjourned to the dining room of the church where a delicious luncheon was served. A committee from the Columbian Club, hostess club, served the tables, each guest having brought a covered dish.

In the afternoon, Mrs. R. L. Kincaid was presented on the program with the subject "What would happen if the two million club women of America would cooperate?"

At 2 o'clock the State president,

Mrs. Volney Taylor, of Brownsville and the District president, Mrs. W. P. Avriett, of Lamesa, arrived. Following a vocal solo by Mrs. Adolphus Wright, who was accompanied by Mrs. Arnold Rucker, Mrs. Halbert introduced Mrs. Avriett who, in turn, introduced Mrs. Taylor.

Mrs. Taylor said that, since women represent the buying power of the state they should use Texas-made products just as far as is possible, thus helping to realize the slogan "What Texas Makes, Makes Texas." She also talked of international affairs, urging the women to keep themselves informed and to always declare themselves as opposed to war. She told of the many attractive features of the coming State convention which will be held at Austin in November.

## SURPRISE BIRTHDAY PARTY

Mrs. S. E. Tate was honored with a surprise birthday party at her home last Saturday evening. The surprises began earlier in the day, when announcement was heard over radio station KGKO that she would find a birthday gift if she would call at M. S. Henry & Co.'s store. Following instructions, she found a beautiful gift there and was content to believe that the birthday celebration was over.

Later in the evening, she was not surprised to see car lights approaching her home for she had casually asked one of the neighbors over for some games. But when the cars kept coming and the house was filled with friends, she was literally "surprised."

Games of 42 had been planned by the friends as well as refreshments. Miss Mary Byrl Bell had made a beautiful birthday cake and after wishes were given and the candles extinguished, it was served with punch to the following: Mr. and Mrs. Tate, Ed Manard, Earl Manard, Mr. and Mrs. Tom King, Herbert King, Mr. and Mrs. Gus Patton, Mr. and Mrs. Tom Patton, Mr. and Mrs. F. A. Davis, Mr. and Mrs. Roscoe Eubanks, Louise Eubanks, Mr. and Mrs. Roy Archer and three children, Mr. and Mrs. Roy Steele, Le-

roy Steele, Mr. and Mrs. Charlie Bryson, Mr. and Mrs. Ed Norris, Mr. and Mrs. Donald Norris, Miss Myrna Holman and Mrs. W. H. Bell. Attractive glassware and a game table were the birthday gifts.

## RITA JO BRUCE'S 11TH BIRTHDAY CELEBRATED

Mrs. Jeff Bruce entertained a number of little girls on last Thursday afternoon in celebration of the 11th birthday of her daughter, Rita Jo.

Many games were played and enjoyed. Rita Jo was the recipient of nice birthday gifts.

Refreshments of ice cream, cakes and punch were served to the honoree, Mary Katherine McMillan, June Billington, Clonita Russell, Evelyn Jean Seales, Geraldine Moseley, Margaret Claire Shirley, Bonita Liles, Virginia Thomas and Joyzelle Tysinger.

## MRS. T. S. HANEY HONORS MRS. R. C. CAMPBELL

Mrs. R. C. Campbell was complimented last Saturday afternoon when Mrs. T. S. Haney entertained three tables of guests with a 42 party at her home. Yard flowers were tastefully used in the house decoration. After two hours spent in the game, beautiful linen handkerchiefs were given to Mrs. Paul Shirley and Mrs. Chas. Thompson, high and second high scorers. The honor guest was also given a pretty handkerchief.

The guests were invited into the dining room where they found attractive refreshment plates and where the hostess poured coffee. The plate held salmon mold, wafers, apricot mousse and devil's food cake.

Guests were Mesdames Campbell, W. B. Johnson, M. S. Henry, A. Y. Beverly, R. L. Kincaid, C. R. Ferguson, P. W. Shirley, C. W. Thompson, T. B. Klepper, S. S. Bell, T. L. Hughtson, T. M. Beverly and J. A. Johnson.

## THEATRE PARTY ENJOYED BY B. AND P. W. MEMBERS

Members of the Business and Professional Women's Club were entertained last Thursday night with a party at the Rialto Theatre. Following the theatre party, refreshments were served at Ferguson Bros. with Mrs. Henry Borchardt, president, as hostess.

Those present were Mrs. M. O'Connell, Mrs. H. Schindler, Mrs. W. H. Bell, Mrs. Julian Wright, Mrs. Leon Solomon and Misses Gusta Davis, Lottie Russell, Mayme Lee Collins, Gussie Todd, Blanche Hays, Myrna Holman and Lennis Woods and the hostess.

## THALIA IDLE HOUR CLUB

The Idle Hour Club of Thalia met in the home of Mrs. Lewis Webb Thursday afternoon. A very pleasant afternoon was spent in doing "fancy work." A business meeting was called by Mrs. C. C. Battenfield, vice president. The committee to nominate a new president being unable to report, the club was adjourned to meet on Oct. 10th with Mrs. G. A. Shultz. Dainty refreshments were served by the hostess to one visitor, Mrs. Burl Capeheart, of Robstown, and the following members: Mesdames Lee Cox, Clyde Bray, Bob Abston, Andy Thompson, C. H. Wood, T. H. Matthews, G. A. Shultz, Raymond Grimm, C. C. Battenfield, Joe Johnson, Willie Cato, C. C. Lindsey, Royce Cato and Miss Minnie Wood and Mrs. Webb.

## BIRTHDAY DINNER

A birthday dinner was given by Mrs. J. L. Harber last week honoring her son, Beryl, Homer Stewart and Floyd Curlee.

Games were enjoyed by C. J. Roberts and family; Mrs. Ollie Allen and son; Floyd Curlee and family; Mrs. Cliff Patton and daughters; Mrs. Cleo Spears and daughter; Mr. and Mrs. C. L. Grey and son; Mr. and Mrs. W. F. Draper, son and grand-son; C. H. Groomer and family; Homer Stewart; Dorothy, Robbie Lee and J. H. Stewart of Thalia; Mr. and Mrs. Allen Patton of Lingville, Texas; Mr. and Mrs. Vernon Weathers, Mrs. Mary Sevier and son, and Elmer Porter.

## WEST RAYLAND H. D. CLUB

The correct way to organize a pantry was learned at a meeting of the West Rayland H. D. Club at the home of Mrs. J. S. Ray, September 24.

Canned goods should be arranged as follows: (2) top shelf, fruits and fruit juices; (3) preserves and jellies; (3) pickles and relishes; (4) leafy vegetables; (5) starchy vegetables; (6) other vegetables; (7) miscellaneous; (8) meats.

The next meeting will be at the home of Mrs. Shirley McLarty Oct. 8 at which time Miss Myrna Holman, county home demonstration agent, will give a demonstration on "Appetizing dishes from left-overs."

## VISITOR HONORED WITH LUNCHEON WEDNESDAY

Mrs. R. L. Kincaid was hostess at a lovely luncheon at her home on Wednesday to compliment Mrs. Harry Colley of Vernon, who was the guest speaker at the meeting of the Columbian Club Wednesday afternoon, and Mrs. Jno. Carmichael of Odell, Mrs. Carmichael is a sister of Mrs. Kincaid. The dining table, with lace cover, was enhanced by a centerpiece of a long, low arrangement of roses on a mirror base. A three-course luncheon was served at 1 o'clock to Mesdames Colley, Carmichael, S. S. Bell, M. S. Henry, Vance

## Chillicothe Comment

General comment about the district football race in the Chillicothe Valley News last week was mighty interesting. The writer predicted that it would again be Crowell and Olney to fight it out for the championship. He picked his own Eagles to land in third place by defeating the highly touted Seymour Panthers and the other teams of the district.

In speaking of the Crowell team, the Chillicothe writer also had the following to say about the local coach. "Grady Graves is a good coach. Some have accused him of being 'lucky,' but luck doesn't ride along forever. There must be something else causing him to be successful. Let's just give him credit for being a good football leader, and bear in mind, too, that his team this year will be right in the running—just as his other teams have been doing in the past."

Some of the "experts" down Wichita way seem to feel that at last Crowell and Graham, defenders of district titles, are "defending" and may be counted "out" in their district races this season, according to summaries and comment appearing in the Wichita papers. It's Olney and Seymour in this district, and Newcastle and Nocona in the adjoining district, so they believe.

Counting Crowell out of the district race this year is about as wise as it would be to tell Joe Louis to retire—that he doesn't have a chance to take the world championship from Braddock.

It seems that the scoreless tie with Matador furnishes the "experts" their main reason for lowering the estimate of Crowell this season. They probably feel about Matador the way we do about Matargel, so far as competent athletic teams are concerned. Therefore, the big mistake to begin with is the ignorance of Matador's strength, which is nothing to be sneezed at in anybody's district. And after Matador's battle with the Class A Electra High team later this season, we imagine that lots of folks will awake to the fact that it took a mighty good team to play those Bullfighters as Crowell did.

## Fancy Formations

We didn't have any pep squad drills during the half-time period in connection with the Quannah game last Thursday night, however, that flock of birds really provided some unique and artistic formations as a substitute. And incidentally, with that big bunch of birds hovering above the lights and the stadium as they did, we appreciated that press box and its roof more than ever.

Speaking of the press box, we herewith publicly express our sincerest appreciation to those responsible for the stadium in extending this courtesy to the press. Visiting newspaper men have certainly been impressed with it. No longer will apologies be necessary when newspaper men from Wichita Falls, Fort Worth and other cities are here to cover games, as has been the case in the past.

It's certainly a lot different, and more pleasant, to be able to sit up there and keep a record of the game on the typewriter than it is to have to chase down the sideline in recording the plays, as was necessary in past years. And maybe you think that a sports scribe didn't have plenty of running to do.

## MRS. A. Y. BEVERLY HOSTESS AT BREAKFAST

Mrs. A. Y. Beverly was hostess at a delightful breakfast at her home last Thursday morning at 9 o'clock to honor Mrs. R. C. Campbell, who has been visiting her daughter, Mrs. W. B. Johnson and friends here for the past two weeks.

Autumn cut flowers furnished attractive decoration for the rooms.

Covers were laid at quartet tables for sixteen guests. A delicious breakfast menu was served by the hostess to the following guests, Mrs. Campbell, Mrs. Johnson, Mrs. P. W. Shirley, Mrs. M. S. Henry, Mrs. T. M. Beverly, Mrs. S. S. Bell, Mrs. J. E. Harwell, Mrs. Jno. Long, Mrs. R. L. Kincaid, Mrs. A. F. McMillan, Mrs. W. R. Womack, Mrs. Geo. Self, Mrs. J. A. Johnson, Mrs. Fannie Thacker and Mrs. T. B. Klepper.

Following the breakfast games of 42 were indulged in. Mrs. Campbell was presented with an attractive package of cosmetic accessories as a guest present.

do to keep up with the quick kicks, passes and the thousands of yards gained in four years by one who is now an A. & M. "Fish." Those 334 points that the Wildcats scored in home games alone last season practically developed Typo into a 10-second man — not by choice, but by necessity.

Someone remarked at the stadium last week that it would sure be nice to have a loudspeaker system installed. One sitting nearby replied: "Why go to that expense so long as Charlie Thompson lives in Crowell?" We don't know just how to interpret that reply. Maybe the person meant that Thompson might be influenced in personally announcing the games — and then again he may have felt that if the stadium had a public address system, its effectiveness might be lost through Charlie's vocal competition.

## Plenty of Talent

Our private spy down at A. & M. reports that Dick Todd was the sensation of the freshman team's first scrimmage with the varsity squad last week. "While carrying the ball, he was knocked off his feet only one time. The rest of the time he got loose from as many as five varsity tacklers," so stated the message from College Station. It was also added that the

"Fish" had many outstanding players and that they "block harder than ever when Dick is carrying the ball."

Speaking of Freshman talent, the Aggies have plenty of it this year. Sunday's Star-Telegram listed the Freshman candidates, 23 of whom were out for backfield posts. Three of this group, Bill Audish of Brenham, Owens Rogers of Mart and Todd of Crowell were named on the "All-State" Class B team selected by Jinx Tucker, Waco sports writer, after he had written every Class B coach in Texas. Milton Merka of Bryan, who was named fullback on the third All-State team, is another Aggie Freshman.

Among other prominent Freshman candidates reporting are: Eual Brim of Grove, Okla., all-state Oklahoma backfield man; A. R. Britt of Ranger, Zed Coston of Dallas and M. Hinrant of Corpus Christi, top-notch Class A linemen in Texas last year; Maurice Henry of Bryan, all-state (first team) Class B end; Sentel Caffrey of Cisco, one of the best Class A backs of the state.

The article stated that about 80 Freshmen had been issued uniforms and that another 80 awaited their chance at equipment, supplies of which had been ex-

hausted. The first game for the Aggies is tonight. It will be played by Bryan with the Allen Aggies. Nov. 15, they play the "Slices" at Houston and the "Texas Freshmen" at College Station on Nov. 27, the day of the Thanksgiving game between the Varsity squads of the high schools.
