\$2.00 A YEAR

## Oil Activity is Continuing Steadily Here

### of Oil Leases and Royalty Reported in Various Parts of County

Although there have been no start-up developments in the Foard County situation during the last week, the apparent drift of oil interest to Foard County has continued steadily.

There are reports of some sales of oil in the southeastern part of the county, especially in the vicinity of the ten thousand acre block of land owned by the California Company. This block is about two and one-half miles wide and extends from the south of Thalia about seven miles west. Geological surveys of the area have been very sanguine and it is expected that the territory will receive much attention from the oil industry.

There are also reported a few scattered sales of oil leases in the northern part of the county. Most of these sales are extensions of old leases which will expire in the early part of next year. Owing to the unsatisfactory condition of the mineral lands to parts of the land in this section of the county, development has been somewhat delayed but, due to the consummation of compromise settlements, these titles are being cleared and those major companies having holdings in the vicinity are evincing confidence in the territory by obtaining their protection leases in order to have a share in whatever development may materialize. For many years this section has been favored by geologists and, with the hampering influence of defective titles removed, it is probable that it will receive its share of attention and development.

### Johnson Down 4100 Feet

In the western part of the county the Humble Oil and Refining Company's Les K Johnson No. 1, is drilling below 4100 feet but is being hampered by difficulties with casing and water. Sulphur water encountered at about 390 feet has broken into the hole and efforts to shut it off have failed so far. It is planned to carry this well to a depth of 4000 feet, if possible, in order to test at the deep sands.

### In the Thalia Field Activity

Continues without any new locations being made. The Wich-Tex Johnson No. 1 failed to make a well in the Tarver line and was drilled to 2300 feet where it encountered the granite wash. The well was then cased back to approximately 1400 feet and shot. After being shot it began to make gas and after flowing for some time began to spray oil. The well differs as to what depth the oil is coming from but it is thought probable that it is coming from the producing sand encountered in the J. F. Matthews No. 1, one-half mile east of the Wich-Tex lease. The well is engaged in plugging the well to the desired depth and as soon as the plugging is satisfactorily completed the well will be tested. It is considered highly probable that it will make a commercial producer, but probably not so good a well as the Tarver and Shultz wells. However, should the Wich-Tex make a good well it will go far toward accelerating development of the new field, since it will definitely locate an extension of the Matthews sand, which was not encountered in the Tarver discovery well.

### Thalia Tests

Drilling is progressing rapidly in the J. G. Thompson No. 1, and the well is expected to drill into the pay zone any day. When the oil bearing formation is reached casing is set in cement and 48 hours is allowed for the cement to harden, after which the well is drilled in and tested.

The T. L. Ward No. 1 is also drilling ahead at an unknown depth, probably around 700 feet. The well is being drilled very rapidly and should be at the production horizon by the first part of next week.

### At the present time the John

Matias No. 1, being drilled by the Humble Oil and Refining Company about one mile southeast of the Tarver well, holds most of the attention of those interested in Foard County oil. The well drilled into a gas sand to a depth of 845 feet, which is shallower than the gas has been encountered in any other well in that vicinity. After drilling through 105 feet where salt water was found in a sandy shale, drilling was then continued to a depth of 1330 feet where casing was set. Those concerned with the drilling of this well are very optimistic and should their hopes materialize it would undoubtedly cause a great increase in the tempo of development of the Thalia field.

### New Blocks

Titles have been practically approved on several other blocks connected for operators some sixty days ago, and drilling will probably begin on these blocks. These blocks were donated to operators for tests and are located in various parts of the county.

The G. K. Harris test on the Middlebrook farm north of Margaret and the Phillips test on the Mrs. R. T. Owens farm southeast of Margaret have suspended operations temporarily but expect to resume drilling soon.

Mrs. C. A. Adams and son, Station, of Austin are here visiting friends. They arrived Tuesday.

## Lower Panhandle Meet Generally Declared as An Outstanding Success

The two-day session of the Lower Panhandle Association of Odd Fellows and Rebekahs came to a close in Crowell Thursday night with a program at the Methodist Church by the glee club and orchestra from the Odd Fellows Home at Corsicana.

The auditorium of the church was packed to capacity and a great many people were turned away due to inadequate capacity for the large number that wished to attend.

An excellent program, including orchestra numbers, songs by the glee club, readings, vocal and whistling solos and other numbers, were rendered. O. O. Hollingsworth had charge of the program and introduced each of the 29 girls, their leaders, Miss Emily Roberts and W. O. Barlow, and the superintendent and matron of the Corsicana home, Mr. and Mrs. Ross, G. Harris. Mr. Harris made a short talk.

In a conversation with a News reporter, Mr. Harris stated that he and the glee club had attended a number of meetings like the one here and had rendered programs in various parts of the state, but had never yet received greater hospitality as was shown them here.

"I wish that you would express through your paper our most sincere thanks to the people of Crowell for the wonderful treatment shown us," Mr. Harris stated. He also expressed his appreciation of the issue of the News that was given to the visiting Odd Fellows and Rebekahs.

On every hand Crowell and its citizens were praised for the hospitality shown the visitors. High lodge officials were frank to state that the meeting here was one of the best that they had yet attended.

Local officials of the Odd Fellows and Rebekahs deserve a great amount of credit for the success of the occasion for a number of these were burdened with great responsibilities in making the two-day session the outstanding success that it was.

Many Crowell homes were thrown open for the visitors and for taking care of the girls from the Odd Fellows Home.

Letters have arrived from Barry Miller and Mr. Harris in which they further express their appreciation for the royal treatment afforded the girls of the Odd Fellows home and the visitors to the meeting. In his letter to O. O. Hollingsworth Mr. Harris said, "The kids are still talking about what a good time they had. You have a fine little city and wonderful people and we hope to be invited out your way again."

In Mr. Miller's letter to the News, he said: "I wish to express my sincere thanks for the write-up which you gave our children and the Lower Panhandle meeting. I enjoyed my first trip to Crowell very much and hope to have the pleasure of meeting with your good citizenship again."

## New Age Limit Not In Effect For This Year

J. E. Atcheson, county school superintendent, states that there is considerable misunderstanding concerning the law that was recently passed by the legislature to admit children who are only six years of age. This law does not go into effect until September, 1930, (next fiscal year). For the coming year, those under age will be admitted to school under the same conditions as formerly made.

Mr. Atcheson stated that there seemed to be a general impression over the county that this year, children who are six years old will be admitted to the schools without the payment of tuition.

Another wrong impression that is prevalent is that a child who is not seven on or before September 1 becomes a scholastic on the date that he becomes seven during the school year. This is not the case. A child is a scholastic if he is seven, or over on or before September 1, 1929. Otherwise he is an under for the entire school year. He does not become a scholastic until the beginning of the next year. In other words, the child's age on September 1 is what, under the law, determines whether or not he is a scholastic for that school year.

### Tuition Rates

L. A. Andrews, secretary of the board of trustees of the Crowell Independent School district states that underers will be admitted to the Crowell schools under the same conditions as formerly. The tuition rate for a child under seven is \$3.50 per month. This is also the tuition rate for children in the primary grades from out of the school district.

The tuition for the intermediate grades is \$4.50 per month and for the high school the state allowance has been raised to \$7.50 per month and that rate has been adopted by the local board.

### ATTEND BAPTIST MEET

Rev. Woodie W. Smith, pastor of the local Baptist Church, has been in Oklahoma three days since Tuesday for a meeting of the Wilbarger-Foard Baptist Association. He has taken a prominent part in the program of the meet.

Others from here who have attended are Mrs. W. R. Womack and daughter, Mrs. E. A. Duna-daughter, Bertha, Mrs. E. A. Duna-daughter, Mrs. Daniels, Mrs. Arnold-gan, Mrs. Daniels, Mrs. Arnold-gan, Rucker, and Mr. and Mrs. Dave Sollis.

## LADIES NIGHT PROGRAM HELD WED. EVENING

### About Sixty Present at Semi-Annual Affair; District Governor Bryant Speaks

One of the most interesting events yet held by the Crowell Rotary Club took place Wednesday night when the semi-annual ladies night program was held in the dining room of the Griffith Hotel with about sixty people present from Crowell, Quanah and Vernon.

After all arrived the group adjourned from the lobby to the dining room and before taking the places at the tables, Rev. Woodie W. Smith led the crowd in a number of songs after which Rev. W. R. McCarter gave the invocation.

During the early part of the banquet, Miss Josephine Griffith gave two vocal solos that were greatly enjoyed. She was accompanied at the piano by Miss Evelyn Sloan.

As soon as the eating had been completed Miss Mary Sam Crews and Charles Ferguson gave a beautiful Spanish dance with Miss Inez Sloan as accompanist, after which Tom Bell, toastmaster, made a unique introduction of the first speaker of the evening, Ray Nichols of Vernon, past president of the Vernon Rotary Club and editor of the Vernon Record.

Mr. Bell made the remark that Ray helped Vernon to claim the Crowell oil wells but left off claiming the big still in the same area. Mr. Nichols replied that Vernon had learned that trick from Wichita Falls, who had for 15 years claimed Vernon wells. He said that when Cottle County struck oil, Crowell could claim their wells. Mr. Nichols brought greetings from the Vernon club and made a general interesting talk.

A quartet composed of John Raser, Woodie W. Smith, Eli Smith and Frank Kirkpatrick was next on the program and surprised everyone by splendidly rendering their numbers. They were accompanied at the piano by Mrs. Arnold Rucker.

### Bryant Speaks

The feature of the evening followed with an address by Bernard Bryant of Stamford, governor of the 41st district of Rotary International. He outlined the various phases of Rotary work and offered a great deal of helpful advice along various lines. He also gave a short history of rotary, how it originated and how it had clubs in 52 nations of the world. He pointed out by putting "service above self" everyone would make a real contribution to this world and that the greatest thing a person could give to the world was a "good life." He concluded his address by asking "When the great umpire calls you out, what will your batting average be?"

The program for the evening came to a close after short remarks from the following: Carl Gallagher, new editor of the Quanah Tribune-Chief; Carl Guin, Frank Kennerly, Bill Wallace and Dr. J. J. Hanna of Quanah; George Wilson, president of the Vernon Rotary Club; Wallace Huggins and E. W. Hampton of Vernon; Mrs. Guin, Mrs. Hanna, Mrs. Gallagher and little daughter, Helen; Mary Lee Huntley of Tulsa; Mrs. Hampton, Rev. W. R. McCarter, Mr. and Mrs. I. T. Graves, M. S. Henry and Mack Boswell.

This was the first evening banquet that has been held in the new hotel and a number of speakers complimented the new hotel and the fine food that was served.

Previous to the banquet, Mr. Bryant held a special conference with officers of the club at the Bank of Crowell.

### HOSPITAL NOTES

R. H. Cooper III, who was brought to the hospital last Wednesday after receiving serious burns, is getting along nicely and will soon be moved to his home.

Mrs. Charles Myers of Truscott had a major operation Wednesday.

Mrs. Carl Davis was operated on for appendicitis at the hospital Sunday night.

Mrs. C. H. Sollis is in the hospital for treatment.

Tonsils were removed from the following Tuesday: Charles Stuart Clark, Reggie Pittillo, Thelma Jo Ross, Juanita Hunter of Margaret, and Miss Eva Todd.

### SECURES DEGREE

Mrs. S. O. Woods and daughter, Lottie, returned last week from Denton where they have been for most of the summer. Miss Lottie Woods has been attending the Teachers college there and secured her B. S. degree at the graduation exercises held last week in which 221 graduated. This is said to be the largest class in the history of the school.

### SELLS INTEREST

Sam Mills has sold his interest in the Wallace and Mills Barber Shop to Duke Wallace and is now employed in the Schlagal Barber Shop.

## Crowell Watched For Graf Zeppelin All Day Tuesday

It seemed that the greater part of the towns in Northwest Texas held high hopes Tuesday that the Graf Zeppelin would pass in their vicinity. The first indication that the large ship might pass over Crowell was received Tuesday morning when the Wichita Times wired its correspondent here that the Zeppelin might pass over Crowell during the day.

According to dispatches from Los Angeles it was announced that the ship would fly from there to El Paso and then over Midland, heading from there to Oklahoma City. A line from Midland to Oklahoma City ran directly over Crowell. It seemed that the greater part of the conversation on the streets of Crowell Tuesday concerned the Zep and its possibilities of passing over this city.

The same condition existed in Vernon, Wichita Falls, Burkburnett, Electra, Iowa Park and various other cities. Radio station KGKO tried to get in touch with the Zeppelin most of Tuesday asking it to come over Wichita Falls.

However, the German dirigible did not pass over West Texas until about midnight due to the fact that its speed was decreased by storms over Arizona. Due to the stormy conditions Dr. Hugo Eckener announced before reaching El Paso that it would likely go from there to Fort Worth and on to Little Rock but after reaching there it changed its course and headed in a northwesterly direction from El Paso to avoid stormy conditions in this area and passed over Lovelland and Abertnathy around midnight and then near Childress at about one o'clock.

Upon reaching Lakehurst, New Jersey, the giant ship had completed a trip around the world in about 12 days of flying with 52 passengers aboard, although the entire trip, counting stops required less than 29 days.

## Crowell Schools Ready to Start New Term Sept. 9

Superintendent I. T. Graves has returned to Crowell from Austin where he has been attending school at Texas University this summer and is now completing final details preparatory to starting school September 9th, Monday.

Practically all details have been completed and everything is now in shape to open the doors of the school for another successful term. Work on painting and renovating in the buildings is rapidly nearing completion.

### Teachers

The teachers for the Crowell schools this year are: primary, Miss Lottie Woods, principal; Mrs. Esca Brown, high first; Miss Thelma White, low second; Miss Martha Schlagal, high second; Mrs. Jimmie Self, third; Mrs. Ernest King, low fourth; Mrs. Howard Bursey, high fourth and Miss Woods, first.

Miss Thelma Shaw is principal and arithmetic instructor of the intermediate department. The other teachers are: Miss Florence Black, fifth grade; Miss Lucile Ellis, civics; Teddy Burrow, history and geography; and Miss Frances Hill, English.

The following teachers make up the high school faculty: C. G. Graves, history, mathematics and athletic coach; Walker Todd, science; Miss Winnie Self, English; Henry Black, Spanish; Miss Ruth Patterson, mathematics and home economics; Miss Louise Ball, Latin and history; and I. T. Graves, general superintendent. Miss Self will be unable to teach for the first few months of school and her substitute will soon be selected.

### Early Registration

Mr. Graves has announced a schedule of the registration of the students of the high school before the school officially opens on September 9th. Eighth grade students have been asked to assemble at the high school on Thursday at 9 a. m., September 5th; 9th grade, Thursday afternoon at 1 p. m.; 10th grade on Friday, September 6th, at 9 a. m.; and seniors on Friday afternoon at 1 p. m. The grammar grade pupils do not need to come until September 9th. Mr. Graves stated that all high school pupils who have not attended the Crowell schools before, should also be present when their class is required to register.

### Large Attendance Expected

Mr. Graves stated that he was expecting a larger attendance than last year in the Crowell schools. He expressed the hope that there would be the best of co-operation among pupils, parents and teachers for the promotion of the schools.

### GROWS FINE CORN

Milton Adkins brought in the proof to the News office Tuesday that Foard County could raise as good corn as other sections. He had two of the most perfectly developed ears of corn that he has yet seen.

He said that he had a number of strangers remark as to whether this county could grow corn and that he wished to do all he could to prove to them that he could. Mr. Adkins stated that he had about ten acres on his farm, about 14 miles east of here, planted to corn and that he expected it to make between 30 and 35 bushels of shelled corn per acre. It is the sure-cropper variety.

## SEPT. TERM OF DISTRICT COURT JURORS CHOSEN

### Twelve Criminal Cases and 141 Tax Suits on Docket for This Term

Mrs. Ida Reavis, clerk of the district court of Foard County, has submitted a list of the names selected by the jury commissioners as grand jurors for the September term of court which opens September 23. The following have been summoned by the sheriff to appear on that date: C. V. Allen, J. H. Ayers, A. T. Beazley, J. G. Benham, J. R. Beverly, I. W. Middlebrook, T. R. Cates, W. A. Chatfield, A. H. Fish, C. E. Gafford, W. F. Wood, A. G. Bell, C. W. Thompson, J. H. Whitley, G. C. Phillips and H. W. Grey.

The following petit jurors for the first week of court, beginning September 25th, have been summoned: H. R. Randolph, F. W. Weatherall, J. T. Gribble, A. C. Crisp, Paul Shirley, J. J. Choat, O. B. Boman, R. S. Roy, H. C. Roark, T. M. Haney, R. N. Beatty, Jr., F. H. Crews, A. Y. Beverly, J. J. McCoy, J. C. Taylor, A. C. Phillips, R. L. Taylor, G. H. Patton, W. A. Johnson, H. L. Hlavaty, J. C. Jones, T. L. Hayes, H. K. Edwards, B. D. Miller, Clyde Self, E. M. Manard, John Rasor, G. L. Cole, W. A. Dunn, E. F. Durham, George D. Self, L. A. Goodman, A. J. Whitley, Ray Hysinger, F. W. Mabe and T. F. Hill.

### Second Week

The jurors for the second week which is to open September 30th are: Melvin Moore, G. C. Owens, Elmer Key, T. V. Rascoe, T. F. Hughston, G. A. Neill, H. L. Kimsey, L. H. Williams, Luther Tamplin, L. Kempf, D. E. Todd, C. C. Nichols, R. G. Whitte, R. B. Lilly, J. T. King, A. L. Davis, R. C. Huntley, Vernon Pyle, J. H. Lanier, C. W. Roberts, L. A. Andrews, S. E. Tate, B. D. Cannon, E. V. Cato, E. W. Brown, Ray Whitley, J. A. Ward, W. M. Hord, Joe Brown, C. C. McLaughlin, T. E. Womack, W. F. Kirkpatrick, Fred Kennel, W. A. Patton, M. L. Hughston, and R. G. Nichols.

### Heavy Docket

There are twelve criminal cases and over one hundred and fifty civil cases on the docket for this term of court. One hundred and forty-one of the civil cases are against property that is on the tax rolls as delinquent. The property included in this list is mostly made up of lots in Foard City, Thalia and Margaret. At the term of district court following this one there will likely be around one thousand such suits. O. D. Beauchamp, county attorney, is very busy working on these suits now.

These suits are being filed by Que Miller, tax collector of Foard County, and Mr. Beauchamp in conjunction with the city and school officials in order that the tax rolls can be compiled and brought up to date. The city lots that are being sued on, have been on average delinquent for a number of years and in order to clear up the rolls suit has been brought and a sale ordered.

The plan now being worked out for bringing the tax rolls up to date will mean a great saving to the city, county and schools.

## Wichita Falls Presbytery Meets Here Sept. 17-18

The Wichita Falls Presbytery, comprising a number of counties in this section of Texas, will meet in Crowell on September 17 and 18. All of the Presbyterian Churches of this section will be represented.

Rev. Lewis Crafton of Electra will deliver the opening sermon, according to Rev. J. T. Bryant, local Presbyterian pastor. Other sermons will also be delivered and everybody is invited to attend the sessions.

### FOOT SEVERELY INJURED

Jimmy LaRue received a severe injury to his right foot last Thursday night at the Santa Fe depot when a heavy box fell on it as he was loading express.

He has not been able to place a shoe on the foot since it was injured and is now walking on crutches.

### IMPROVING COURTHOUSE ROOF

O. O. Hollingsworth, contractor, and workmen are now at work tearing off the old roof of the courthouse and are putting a special tin roof in its place.

There is a great amount of surface to be covered and the work will require considerable time for completion. Work is going forward at a rapid rate and the statue of justice will be removed from the dome after the roof has been completed.

### JIMMY DOOLEEN RETURNS

Jimmy Doolen and family have returned to Crowell from Quanah where they have resided for over a year.

Mr. Doolen will begin duties September 1st as pharmacist for Reeder Drug Company, where he worked before going to Quanah.

Mr. and Mrs. John Davis of Paducah were here Friday afternoon of last week visiting in the home of her sister, Mrs. T. N. Bell.

## Successful Revival Conducted by Church of Christ at Thalia

Excellent services have been held at the revival meeting of the Church of Christ at Thalia that will end Thursday night, August 29. Rev. U. R. Beeson of Cordell, Oklahoma, who is conducting the revival was in the News office and stated that he was greatly pleased with the progress of the meeting.

He stated that attendance was averaging around five and six hundred people in the tabernacle which was packed practically every night. Arthur Phillips of Thalia has been in charge of music during the meeting which started Sunday, August 18th.

Rev. Beeson is president of the Oklahoma Christian College which is located at Cordell. Last year he was head of the department of education at Harding College in Morrilton, Arkansas. He received his A. B. and A. M. degrees from Oklahoma University where he was formerly an instructor in the department of education.

Rev. Beeson said that he was impressed with this county and thought that it had great prospects for the future.

## Schools Voted \$17.50 Per Capita State Aid

The state tax rate was definitely set at 68 cents when the automatic tax board set the school tax at 31 cents last week. The board had previously decided to levy a 30 cent ad valorem tax for general fund purposes and a 7 cent confederate pension tax.

The new rate is four cents higher than that which has been in effect during the past year. During the past year the rate was divided as follows: ad valorem 22 cents; pensions 7 cents; and schools 35 cents.

The school tax is based on the recently completed scholastic census of the state department of education showing that there were 1,340,000 children of school age in Texas. In reducing the school tax the board brought the figure under the 35 cent constitutional limit for the first time since 1918 when the maximum for school purposes was raised from 29 cents.

### \$17.50 Per Capita

Last week the state board of education voted to apportion \$17.50 per capita as state aid to schools.

The apportionment will mean the distribution of \$25,095,000 to the schools. The apportionment that has just been set is an increase over that of last year.

All local and state taxes have now been set. The local county tax has been set at \$1.60 and a special road and bridge tax of 15 cents brings this to a total of \$1.75. In Crowell the city tax is \$1.50 and the school tax, \$1.00 bringing the total tax on the \$100 in Crowell to \$4.93 for this city. The school tax in other parts of the county is generally lower.

## Club Encampment Started Thursday; Will End Friday

The two-day encampment for the 4-H club boys and girls of Foard County opened Thursday morning on the Beverly place, north of the county club with over 60 boys and girls present.

Fred Rennels and Miss Virginia Freeman, county agents, assisted by Miss Mattie Russell and Miss Viola Taylor, are in charge of the encampment.

The program for the first day called for an address from J. E. Atcheson and a demonstration on judging dairy cows by L. T. Hunter, county agent of Hardeman County. R. E. L. Patillo, Wilbarger county agent, was also scheduled for a talk on club work.

In the afternoon the Crowell Country Club was host to the group at the lake where all were allowed to take a swim. The Crowell Rotary Club is to be host to the members Thursday night when they will be admitted to a picture show at the Rialto Theatre.

The program for Friday is about the same from an entertainment standpoint as that of Thursday. Mrs. R. L. Kincaid will make an address in the morning followed by a poultry talk by W. M. Cantrell, Cottle County agent. Dr. J. M. Hill is to make a health talk and in the afternoon, Miss Webb, home demonstration agent of Wichita County will make an address followed by a talk by T. N. Bell.

After a number of games and a final meeting, camp will be broken.

Shirley and Offield, who have the Beverly place leased, granted permission for the clubs to have their encampment there. Charlie Carroll loaned a large stove for use in cooking meals and it was carried to the camp by the Crews-Long Hardware truck. George Self looked after the matter of furnishing water and transported a water tank to the camp. Reeder Drug Company and Ferguson Brothers, each, donated five gallons of ice cream for the occasion.

The attendance was cut down considerably due to the fact that school started at Vivian Monday and there was a heavy club membership in that section.

C. E. Gibbs will move from Crowell the first of the week to Paducah where he has accepted a position.

**THALIA**

(By Special Correspondent)

Charles McGlothlin and family of Wichita Falls, and Mr. and Mrs. Ray McGlothlin of Dallas visited in the C. H. Wood home here Friday night and Saturday.

Edward Jones left Thursday of last week for a visit with his grandmother in Sweetwater.

Mrs. Donia Wheeler of Vernon visited her son, Eric Wheeler and family here Sunday.

Lee Shultz purchased a new Chevrolet sedan one day last week.

Jack and Mrs. T. J. Wood visited in the Lee Ryan home near Talmage Sunday.

Miss Anna May Neill returned to her home Sunday from Denton where she attended the Teachers College the summer term.

Mrs. O. E. Hodges and children of Burk Burnett visited Mr. Hodges here

Monday. Jack Moore visited relatives in Burk Burnett last week.

Mr. and Mrs. W. B. Durham left Tuesday for Anson where they will be several days for medical treatment.

C. B. Morris and family returned home Monday from Clarendon where they have been for several weeks visiting.

Hugh Thompson and family of Levelland are here this week visiting relatives.

Mr. and Mrs. O. L. Darris of Abilene visited her sister, Mrs. W. C. Jones, here last week-end. They were accompanied home by their little daughter, Edwena, who has been visiting Mrs. Jones for the past month.

Rev. W. A. Reed and family and W. S. Tarver and family left Monday for a visit on the Plains.

Dr. Clark of Crowell was called out to see little Mary Jo Hogan Tuesday.

Edd and Clyde Self were business visitors in Wichita Falls Tuesday.

C. J. Fox and G. A. Shultz made a business trip to Justiceburg one day last week.

J. S. Smith and family of Margaret visited in the Eric Wheeler home here Sunday.

J. A. Stovall and children, Modena and Leland, visited relatives in Ranger and Mineral Wells from Sunday till Tuesday.

Mr. and Mrs. W. L. Ricks and Mr. Mrs. Bill Norman of Crowell and Mr. and Mrs. Austin Wiggins of Holiday visited Mr. and Mrs. Roy Ricks here Sunday.

Mr. and Mrs. G. C. Phillips and son, Raymond, went to Merkel Monday. They were accompanied home Tuesday by Mrs. E. L. Barry, and daughter, who will visit here a few days.

Gotchie Mints and Aubrey Mason went to Estelline Monday.

Mr. and Mrs. O. N. Baker of Foard City attended the Christian meeting here Sunday.

Mrs. L. H. Hammonds entertained the Methodist W. M. S. at her home Monday afternoon.

John and Marguerite Morris came home Wednesday from Denton, where they have been attending Teachers College.

Tucker Matthews and family attended church services at Wesley Chapel Sunday.

Elbert Matthews left Tuesday for Graham. Mr. Matthews will teach in the Graham High school this year.

Cecil Matthews came Monday from S. M. U. to visit his parents, Mr. and Mrs. Frank Matthews, far a few days.

C. L. Adkins and family returned from a trip to West Texas and New Mexico Tuesday.

Buck Hudgen's little daughter fell from the car Sunday as they were returning from the ball game and sustained a fractured shoulder.

Mr. and Mrs. Ed Peacock of Crowell visited Mr. and Mrs. Ben Hogan Sunday.

Frank Maine came home Tuesday from Sonora, where he has been attending college.

Mr. and Mrs. Fred Brown visited relatives in Vernon Sunday afternoon.

Dee Roberts and family of Crowell visited in the C. W. Roberts home here Sunday.

**GAMBLEVILLE**

(By Special Correspondent)

Mrs. C. M. Carroll was brought home from the Crowell Hospital Tuesday morning.

Mrs. Francis Trigg of Grapevine is visiting her sister, Mrs. D. M. Shultz, since Friday of last week. She visited Tuesday with Mr. and Mrs. Dave Shultz.

Misses Agnes Shultz and Gertie Milling of Hess, Oklahoma, are visiting Mr. and Mrs. T. D. Edwards this week.

Sam Shultz and family of Hess, Oklahoma, spent Sunday with T. D. Edwards and family. Mrs. Shultz is a sister of Mrs. Edwards.

Mrs. H. S. Scales of Olney, and son, Walter, visited Mr. and Mrs. Burrow last week.

R. L. Pyle, Jr., of Vernon visited Mr. and Mrs. Burrow last week.

Mr. and Mrs. W. L. Johnson, daughter, Estelle, and sons, Clarence and Charlie, of Tolbert, took dinner Sunday with R. C. Johnson and family.

Mr. Langston of Margaret, was a dinner guest also.

Mr. and Mrs. Eudale Oliver of Thalia, Dave Shultz and wife and Mrs. Francis Trigg took dinner Sunday with Mr. and Mrs. D. M. Shultz.

Ted Burrow returned home from Abilene Friday. He has been a student there this summer.

Mrs. T. M. Haney and Mrs. C. D. Haney and others of Thalia spent a while with Mr. and Mrs. D. M. Shultz Sunday afternoon.

Mr. and Mrs. Dave Shultz and little Lewis Pyle attended the association meeting at Oklaunion Wednesday.

**BLACK**

(By Special Correspondent)

Willie Andress and George Andress and wife of Wheeler County spent the week-end in our community.

Mr. and Mrs. Offie Pearce of Plainview spent the week-end with Mr. Pierce's sister, Mrs. S. W. Gentry.

Mr. and Mrs. J. P. Hall of Lubbock, Mr. and Mrs. E. D. Hall of Decatur and Mr. and Mrs. Charlie McCoy of Bowie visited over Saturday night with Mr. and Mrs. C. D. Hall.

Mr. and Mrs. Grover Cole of Crowell spent Sunday afternoon with Mrs. Cole's mother, Mrs. G. W. McKown.

Mr. and Mrs. Menningshall of Quanah spent Sunday with Mr. and Mrs. S. W. Gentry.

Mr. and Mrs. W. D. Stubblefield have returned from a visit with her daughter, Mrs. John Nichols, of Thrift and while there they attended the wedding of her son, Clint Parker, of Burk Burnett.

Mrs. Joe Pechacek returned Sunday after spending the past two weeks at the bedside of her daughter-in-law, Mrs. Rudolph Pechacek, of near Crowell.

A man called his socks golf socks the other day, because they had nine holes.

For your next bill of Furniture, or Floorcovering, Rugs, Window Shades, Wall Paper, Gas or Oil Stoves and Ranges.

Our 22 years of continuous business in Crowell, we think has qualified us in many ways to serve you to both your and our advantage. In 22 years we have learned to weed out the goods that are shoddy and unfairly made, that are made to sell at a price without aiming to give fair service. There are many goods made and sold without any thought of giving dependable service—just sold at a price, the buyer is loser.

We buy only of reputable houses, and have made a study of the best goods that we can hope to sell in this community. We have always made fair and equitable adjustments because we know when a piece of goods fails to make good just where to go for redress.

We still have an interest in the goods after they are sold and paid for, in that we see that the goods do give entire satisfaction. OUR SERVICE will equal at least any one who is giving a like service. We aim to make our service equal to any service rendered.

We hope it will be a long time before you need it, but we want you to know that we have for your service a splendid Ambulance to take you anywhere easily and comfortably if you get sick or hurt.

There are many occasions when people want flowers, especially for Funerals. We will be glad to place your order for these flowers and see after them from the time they are ordered until they are properly left in position in the home or the grave. We furnish beautiful flower racks to display them and the solid walnut carrying rack beautifully displays them also.

**VIVIAN**

(By Special Correspondent)

Mrs. Casey Gage and children of Wichita Falls are here visiting her sister, Mrs. George Gallup.

Mr. and Mrs. C. W. Beatty and children returned home Wednesday night after visiting relatives in Wood County.

Miss Rosalie Fish returned home Sunday from visiting Miss Bernice Walling of Vernon.

Mr. and Mrs. J. W. Wooley and son, Levin, of Clovis, New Mexico, are here visiting their daughter and sister, Mrs. C. W. Beatty.

Mr. and Mrs. A. T. Fish returned home Friday after visiting Mrs. Fish's sister, Miss Permilia Frazier, of Abilene.

Miss Bessie Fish returned to her home Friday after attending West Texas State Teachers College.

The Vivian school opened Monday morning with L. L. Nixon as principal, Mrs. L. L. Nixon and Miss Fern Nicholson, intermediate; and Miss Irene Patton, primary.

Miss Dollie Fish is visiting her aunt, Mrs. Permilia Frazier.

WHAT'S DOING IN WEST TEXAS

By West Texas Cham. of Com.)

The Lubbock Hilton a \$1,400,000 structure is now up six stories. A restory addition to Hotel Lubbock totaling \$222,650 comes next in line. Work on this hotel is almost complete and the addition is expected to be complete during October.

San Angelo building permits for a year have already exceeded a million and a half dollars. The Western Reserve Life Insurance building, for \$185,000, the new Texas Theatre for \$135,000, the Baker-Hemphill building for \$121,000 and other buildings of like kind at similar prices are nearing completion.

An Amarillo farmer, J. R. Durrett, uses a unique method to make his more than 7000 acre farm pay. Renters are allowed to keep cows, hogs and chickens during the slack months for an income and are relieved of their care during harvest time on a profit sharing basis.

Decatur Baptist College, the property of the Baptists of the state is under the supervision of the Baptist General Convention, a junior college, correlated with Baylor University, and affiliated with the state department of Education. It is the oldest junior college west of the Mississippi river.

Seymour's growth and development over the last half century will be chronicled in the Half-Century Anniversary Number put out by O. J. Harrison, editor of the Baylor County Banner this month. Prosperous business concerns, permanent homes, progressive citizens and plenty of modern improvements are Seymour's.

Marfa is coming to the front as a western town with a western outlook on life. Sixty thousand dollars worth of paving, a white way, \$35,000 telephone system, her Highland Fair, grazing land, building program, marble quarry, quick silver mine, and other enterprises are getting her headlines in the daily newspapers.

Plainview, the home of Wayland College, is a staunch supporter of the school. The school has enjoyed an unparalleled growth since it was founded by the Staked Plains Baptist Association in 1908. In 1917 it was recognized as a standard junior college and has kept that rank ever since.

Goree's first bale of cotton for the season was brought to town by W. C. Coon who lives north of Goree across the Brazos River. The bale was ginned by the Goree Gin Company and bought by G. W. Moore for 18 cents per pound. A premium of \$27.75 was given Coon by business men.

Munday is the home of the boy who was awarded second place in the individual judging of dairy cows at the short course at College Station. He is Gilbert Myers, and competed with 153 entries. Tenth place in dairy judging and fifth place in poultry judging was won by the Knox County Club boys.

McLean's \$65,000 fire truck is now installed and ready for any emergency. The truck is of the pumper type and has a maximum capacity of 5000 gallons of water per minute delivered through the hose nozzle. It is powered by a heavy duty six-cylinder engine capable of making 45 miles per hour on runs.

Hereford has one hundred blocks of paved streets, a fine courthouse built of Georgia marble, a modern \$30,000 city hall, the very best of fire fighting equipment, \$200,000 worth of churches, a population of 5000, natural gas, modern telephone system, and a fine water system.

Abernathy is the home of Elton Beene, the youngest cornet champion in the United States. The boy is twelve years old and has played the cornet half his life. He is the son of C. W. Beene, band master at Abernathy.

THE AIM OF DEFINITE GOALS

Qualifications that go into the making of better men, are many, and the world today is making a call for those who are willing to acquit themselves like men and hold fast.

The first essential in any life, is a purpose or a goal. After a goal has been decided upon, the necessary financial means are required to attain that goal, and in our modern age of civilization there are many ways in which a financial goal can be reached. An advertisement appeared the other day, as signed by over 500 life insurance agencies, in which it was stressed that business insurance provides the certain way for success. Insurance, as it is handled today, is the way of projecting today's brain power of a business concern into the successes of years that follow.

Insurance a few years ago was just a matter of protection in case of death. Today, policies for young men with definite goals to attain, are available, and are cashable within certain periods, which also includes protection in case of death. Insurance policies at one time were looked upon as a poor investment, but today a young man can set a goal for future years, and live to reap the benefit of his undertaking.

The accelerator is one disease that contributes to the high death rate, but is not recognized by medical science.

Search is being made in Bolivia for a treasure believed to have been hidden in 1773 and valued at about \$60,000,000.

TEXON TATTLER

Well, I notice they been giving licker a pretty hard blow up there. We had a right smart of fun here too capturing three bootleggers and forty-four fruit jars of corn. Shot the fruit off the licker car and one of the guys took out on foot but he got cold feet when the lead got too close. They ain't none of them what won't begin to notice things when you get to shooting pretty close. We're about to dry this part of the country up though. One guy says the only way you can get full at Best now is to put a funnel in your mouth and run against the wind.

According to the papers everybody who raises cows and chickens make money. Funny you never see an account of how much some guy lost on a bunch of old hens or something. Well, we're going to start the thing turkey raising business down here this year. He says he bought a dozen turkey hens and a few things that way and never saw turkeys lay more eggs. He had a bunch of regular old chicken hens doing the setting which can be done alright but just before the eggs were ready to hatch why the snakes would rob the nests. They got them all down to one old hen and he made a good coop so the snakes couldn't get in until the turkeys were hatched but they got to them after all and ate all but one lone turkey. Well, the old hen went crazy and killed it so that wined up his turkey business this year. He says the only relief is that he won't have to worry about fattening any turkeys for market.

Wish we had known about that cauding contest up there. We have an old driller I would liked to of entered. He has hired and fired more men than most fellows have ever seen. He has "canned" lots of guys.

Well, you've got the taxes raised up there already this year. That's one thing you can always raise on a dry year.

TEXON TATTLER.

Relatives Hardly Know Him Now, Says Mrs. James

Wichita Woman Says Orgatone Is Doing Her Husband More Good Than Anything He Has Used in Twelve Years

"People and relatives who have known my husband for some time and know about the awful condition his health was in for twelve years hardly know him since he started taking Orgatone," said Mrs. J. A. James, residing at 512 Austin Street, Wichita Falls, Texas.

"I don't think I ever saw anybody suffer any more than my husband during all that time, and when he started taking Orgatone he was in such a condition that he had been unable to work for over two years and had about given up all hope of ever seeing a well day again. All the medicine he had tried during these twelve years had failed to actually do him any good. He had suffered so much with a disordered stomach that finally his eyes went back on him and he could hardly see. He was bothered with indigestion and gas, too, and unless he ate the very lightest kind of food, he would be in perfect misery for two or three hours after meals. He was very nervous and it was impossible for him to get a good night's rest.

"Orgatone has made such a wonderful improvement in his condition that all the folks feel sure he will be able to go back to work if he continues to improve like he has in the past three weeks. His eyes are some better and he eats and sleeps now, and really as I have jokingly stated to him 'he can eat more than I can cook.' He isn't near as nervous as he was and we are both glad to take this chance to recommend Orgatone to everybody."

Genuine Orgatone may be bought in Crowell at Reeder Drug Co. (Adv.)

FOARD CITY W. M. S.

Program for September 2, at 4 p. m. Leader—Mrs. A. D. Hord. Devotional—Matt. 8:5-13. Subject—Oriental Homes—China. Tapes of Homes in China—Mrs. Welch, Mrs. Jenkins, Mrs. Mills, and Mrs. Owen Rader. Prayer—Mrs. Claude Callaway—Reporter.

THE STATE OF TEXAS

Whereas W. J. Ayers of Foard County, Texas, did on the 23rd day of February, A. D. 1929, execute and deliver to me deed of Assignment, for

the benefit of such creditors that may accept said assignment, as provided by Title 12 of the Revised Statutes of 1925; said deed of assignment being recorded in the Deed Records of Foard County, Texas.

Therefore, I, J. F. Caldwell, assignee, will sell said property described in said deed of assignment at public outcry for cash on the 3rd day of September, A. D. 1929, at 10 o'clock, a. m., to the highest and best bidder, at Rayland, Texas.

Witness my hand this 23rd day of August, A. D. 1929.

J. F. CALDWELL, Assignee.

Through improved consumption methods American railroads effected a saving of 36,915,000 tons of fuel in 1928, as compared with the rate of consumption in 1920. And this reduction in fuel consumption was accomplished in spite of the fact that over a hundred million tons more revenue freight was carried in 1929 than in 1920. Carloadings in 1920 totalled 45,118,472 and 51,576,731 in 1928, an increase of 6,458,259 cars.

Card of Thanks

To the good people of Crowell, we wish to express our utmost thanks for the wonderful co-operation that you furnished us during the meeting of the Lower Panhandle Association of Odd Fellows and Rebekahs.

Without your financial assistance and your general hospitality in opening your homes for the glee club girls and visitors, this meeting could not have been a success. It is impossible for us to really express to you our sincere appreciation for all of your many favors.

**Cotton Growers Get Loan From Board**

Financial advances equal to 90 per cent of the fixed value of the crop will be available to cotton cooperative associations of the South to assist in the movement of the year's crop, the Federal Farm Board has announced. The cooperative associations, the announcement explained, now are able to obtain loans from the Federal intermediate credit banks to the amount of 65 per cent of the value of cotton. The Farm Board proposes to make an additional loan of 25 per cent, or an aggregate loan of 90 per cent, on cotton on which a definite value has been fixed by hedging in the future market. The loans will be from the \$150,000,000 revolving fund placed at the disposal of the board.

Carl Williams, member of the board, declared that the board will "go as far as they (the cotton growers) want to go on the basis agreed upon." He said that if they could get cotton enough to use \$25,000,000 of the board's funds, it will be available.

"The arrangement will meet the needs of the growers and at the same time permit the associations to market the cotton as spinners and consumers need it," he declared. "It is just exactly what the cotton growers wanted."

**Texas Leads Nation In Highway Building**

During 1928 the 48 states improved a total of 29,252 miles of their highway systems, according to figures

received from the states and compiled by the Bureau of Public Roads. This is an increase of 2,530 miles over the 1927 figure of 26,722 miles. Texas heads the states in the year's improvement with 2,356 miles. Kansas with 1,785 miles, ranks second; Arkansas, with 1,673, is third. Iowa improved 1,345 miles and Illinois, 1,341, ranking fourth and fifth, respectively. Minnesota, with 1,243 miles is sixth; North Dakota, with 1,230, is seventh; New Mexico, with 1,052, is eighth; Kentucky, with 1,021, is ninth, and Ohio, with 928 miles is tenth.

The state systems at the end of 1928 had 306,442 miles of highways, according to figures given to the bureau. Of this total, 193,138 miles were surfaced roads, 31,755 miles graded and drained and 81,549 miles were unimproved and partly graded highways.

**"It's the Hot Stuff," Crowell Man Says**

"That classified column is sure the hot stuff," said A. W. Lilly, used car salesman for Self Motor Company, as he came into the News office Wednesday with another list of "Used Cars For Sale."

"Talk about results, that little ad we had in the classified column last week sure brought in the people. We are sure proud of the results from it," he said.

Without a doubt, the classified column is one of the most thoroughly read sections of the News and is already recognized as the outstanding medium for Foard County people to rent their vacant space, sell what they don't need, secure what they want, recover lost articles and to accomplish any number of other things.

**SCHOOL NOTICE**

I am asking all of the freshmen class to meet in the study hall of the high school building on Thursday morning of September 5th, at nine o'clock to register. The sophomores will register on Thursday afternoon at one o'clock. On Friday morning, the 6th of September, at nine o'clock the juniors will register. The seniors are to report Friday afternoon at one o'clock. All high school pupils that

have not attended the Crowell schools before should also be present when their class is required to register.

The grammar grade pupils need not come until September 9th, the official day for school to open.

We are expecting a larger attendance than last year and teachers are assuming their increasing responsibility, but as serious as it may be some boy or girl may be misunderstood, and in order that this may be reduced to the minimum, we are asking that there be the best of cooperation among pupils, parents and teachers for the promotion of our schools. Let us make our school a democratic institution striving at all times to do the most good to the greatest number.

I. T. GRAVES, Supt.

**Crowell Wins Second Game From Truscott**

After losing the first game to Truscott by a score of 15 to 6 here last Wednesday, Crowell made a strong comeback to win the second game Thursday by a score of five to four in a good game at the ball park.

Jimmy LaRue was the star at the bat, getting two home runs and a double.

**Prison Congestion to Be Relieved by Hoover**

President Hoover expects to make use of Army prisons and Army post prisons as a solution to the problem of overcrowding in Federal penitentiaries, notably those at Atlanta, Ga., and Leavenworth, Kans., according to an announcement by him.

It is proposed to make the Leavenworth military prison available to the Department of Justice as a temporary measure pending construction of further accommodations, it was explained. The Army prison at Leavenworth is said to have a capacity of about 1,600 prisoners and at present contains only 600 inmates.

**POULTRY NOTES**

A red, large comb, prominent eyes, white thin shanks, wide long back, these things indicate the layers in your flock and the ones that will make you money. In every flock there is the deadbeat, says the midsummer number of the Poultryman in reminding the poultryman that he should cull his flock during August and September.

"Separating the short time layers from the long time layers is easy if the flock has been properly fed," the magazine says in telling the poultryman of his obligation.

"The low egg producer can be very easily detected by a few outward signs such as a pale, small shriveled comb; yellow, dry vent; dull sunken eyes; yellow, round shanks. Pelvic bones that close together, hard and rigid, also indicate the low egg producer. The hen's body that is shallow and light from the pelvic bone to the breast bone and that has a narrow short back in most cases is not a heavy layer."

"Getting rid of those non layers will be one of the biggest steps you ever took toward getting more money from chickens. Your county agent will be glad to help you with your culling. August and September are the ideal months for culling the flock," the Poultryman concludes.

**Bigger Cream Checks When You Use a NEW DeLaval Separator**

In more than 1000 public tests, in which De Laval Separators "skimmed the skim-milk" from some separator in use in each community, held during the past two years in various parts of the country, De Laval Separators never failed to recover some butter-fat from the skim-milk.

The average yearly loss of butter-fat from these separators, as proved by the amount of butter-fat recovered from their skim-milk when run through a new De Laval, was \$78.80. That is a lot of money to lose because of a poor separator, and there are hundreds of thousands of separators now in use which are losing as much or more.

Is your separator wasting money for you? A good way to find out is to try a new De Laval — it usually brings bigger cream checks.

Two complete lines — the De Laval "Golden" Series and the De Laval "Utility" Series, among which will be found one that will suit your needs and purse. Call on us.

**Foard County Mutual Aid Ass'n. Is Revived**

C. T. Spangler and wife of Wichita Falls have moved to Crowell and are occupying a residence next to the home of T. D. Roberts.

Mr. Spangler has taken over the old Foard County Mutual Aid Association for which a permit was received from the state insurance commission several years ago by an association of which Leo Spencer was president. However, due to the heavy duties of Mr. Spencer the matter was dropped.

Mr. Spangler is going to devote his entire time to the promotion of the association which he believes will be a great asset to Foard County. He is now attending to preliminary details in regard to the association and will start taking applications soon.

**Man Wanted in Still Raid Has Given Up**

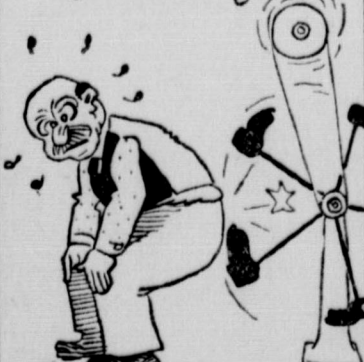

Furnie Johnson, one of the men wanted in connection with the raid on the large still in the Rayland community last week, has given up to the sheriff and is out on bond. He is charged with operating a still.

The husband of Mrs. W. T. Myers, who is in the Foard County jail in connection with the raid, is still missing. He escaped during the raid on the still at the time his wife was captured.

**Watermelon Rind Sweet Pickles**  
7 pounds prepared water melon rind  
3 pints vinegar  
4 pounds sugar  
3-4 ounces cloves (whole)  
1 1/2 ounces ginger root

Prepare 7 pounds of rind. Remove all pink and green of rind. Cut these pieces into uniform strips. Combine vinegar, sugar and spices, and cook until sugar is dissolved. Add the strips of rind and cook until clear and tender. Seal in sterilized standard containers of 5 and 8 ounce sizes. Fill jars to overflowing. Pack rind firmly in jars and use a small bit of stick bark for garnish. Clean jar and label. Store in cool dark place.

**ADVERTS**  
By Charles Sughroe

THE MERCHANT IS ENJOYING THE SERVICES OF A KICKING MACHINE = WHY HE HAS A FINE BUSINESS AND IS MAKING WAGON LOADS OF MONEY = YES, BUT IT MAKES HIM MAD TO THINK OF THE WASTED YEARS WHEN HE DID NOT ADVERTISE

**ENJOY Labor Day on Safe New DUNLOPS**

WHAT can be sadder than a flat tire on a holiday trip? And it's unnecessary! Come into the store...let us check your present tires for cuts and bruises... replace any that are not safe with new, sturdy Dunlops. This is an honest offer. We want your permanent good will... not just one sale... we'll advise you as conscientiously and fairly as though the tires were our own.

Sometimes people ask us why we recommend Dunlops so strongly. Here is our answer:

**A 41-year reputation to protect...**

Dunlop founded the pneumatic tire industry...in fact, has had 41 years of actual tire-building experience... possesses vast resources totalling over \$195,000,000...owns over 100,000 acres of land... employs 45,000 skilled craftsmen. Add to this the fact that only the finest and best materials... special long staple Egyptian cotton... the highest grade raw rubber from Malaya and Ceylon...go into each Dunlop Tire. Isn't it easy to understand why Dunlop tires will stand even abuse. Come in...let us check your tires...show you Dunlops.

E. F. Stephens of Wichita Falls, chief scout for the Texas Company, was a visitor here Saturday. Mr. and Mrs. Walker Todd have returned from Lubbock where they have been attending school at Texas Tech. Teddy Burrow arrived in Crowell Friday from Abilene after attending the summer school at Abilene Christian College. Henry Black returned to Crowell Saturday from Denton after attending the summer school at the teachers college there. Miss Lucille Ellis returned Saturday from Denton where she has been attending the North Texas State Teachers College.

Miss Irene Patton returned Friday from Alpine. She has been a student in the Sul Ross Teachers College for most of the summer. Vance Swain left Wednesday morning for Lebanon, Tennessee, where he will attend Cumberland University. He is going to take a law course. Mr. and Mrs. A. T. Schooley and two youngest children spent last Sunday in Eric, Oklahoma, visiting Mrs. Schooley's sister, Mrs. E. E. Parker, and family.

Mrs. Lena Sanderson of Kansas City left Wednesday night for San Angelo after a visit here for a few days with her brother-in-law, W. F. Kirkpatrick. Mrs. W. W. Smith and children, Charles Ray, Merle Barden and Ada Evelyn, will return to Crowell Saturday from Chicago where they have been visiting for the past month.

Mr. J. P. Cornelius and Mr. and Mrs. Edgar Hoover, all of Commerce, visited Mrs. Byron Reese here this week. Mrs. Cornelius is Mrs. Reese's mother and Mrs. Hoover is her sister. Clayton Strickland, who got his hand cut Sunday morning while operating the milk bottle washer at the Ricks Dairy when a bottle broke in his hand, is reported to be getting along well.

H. D. Nelson is erecting a five-room house for Mr. and Mrs. H. E. Schlagal on their farm northeast of town. When the building is completed Mr. and Mrs. Schlagal will move to the farm.

Miss Mary Lois Kincaid of Abilene left Friday for Memphis after visiting here at the R. L. Kincaid home. She is to teach in the Memphis schools this year. She is the niece of R. L. Kincaid. Mrs. Willie Dykes visited her daughter, Mrs. E. D. Edwards, in Vernon Sunday. She was accompanied home by Mrs. Edwards and small daughter, Nona Gale, who are spending the week here.

Grady Roberts, editor and owner of the Chillicothe Valley News, spent a short time visiting the News force Saturday afternoon. He was enroute to Haskell to get Mrs. Roberts who had been visiting in that city. Mr. and Mrs. C. R. Kendrick of Sweetwater and little son, James, were visitors at the home of W. F. Kirkpatrick this week. Mrs. Kendrick was a classmate of Miss Frankie Kirkpatrick in the graduating class of Trinity University.

Mr. and Mrs. Austin Wiggins returned home Sunday to Holiday after spending the week with her parents, Mr. and Mrs. W. L. Ricks. They were accompanied home by their son, Austin, Jr., who had been here for several months. Mrs. R. C. Seavers and daughters, Ada and Virginia, and granddaughter, Catherine Denny, all of Albuquerque, New Mexico, visited Miss Inez Sloan Saturday and Sunday. Miss Sloan formerly roomed with Virginia Seavers at college.

Mr. and Mrs. M. S. Henry, Mrs. Joe Johnson and Edward Huffman left Thursday morning for Santa Fe, New Mexico. They will be joined there by Mrs. W. S. Douglas of San Angelo, who has been spending the summer in California and they will attend the annual Indian Festival.

Mr. and Mrs. A. S. Hart and son, Jim Allee, and Mrs. J. M. Allee arrived Saturday from Rockwood. Mr. and Mrs. Hart, Mrs. J. M. Allee and Mrs. J. R. Allee left Sunday morning for a visit to points in New Mexico. Jim Allee Hart remained in Crowell for a visit with relatives.

Mr. and Mrs. T. J. Foreman of Brownsville are here visiting their daughter, Mrs. A. T. Schooley, and family. They are on their way to Sayre, Oklahoma, to look after property there. They will also visit another daughter, Mrs. E. E. Parker, at Eric, Oklahoma. Mr. Foreman says he made three-quarters of a bale of cotton to the acre and the crop is already gathered.

For Sale.—Second hand row binder.—M. S. Henry & Co. Mrs. John Rider of Dallas was a visitor here last week. Mr. and Mrs. George Andress and William Andress of Wheeler County visited here this week. Mr. and Mrs. C. A. Stearns of Matador visited at the home of Mr. and Mrs. Byron Reese Monday. Cream tested every day. Provide a weekly income of your own. We will help you.—Ketchersid Bros. Mrs. J. R. Beverly returned Thursday night from Los Angeles, Cal., where she has been visiting for the past two months. She was met in Quanah by her husband.

Mr. and Mrs. C. E. Gatlin of Martin, Tennessee, visited at the home of H. K. Edwards this week. They left Thursday morning in company with Mrs. Edwards and daughter, Mary Evelyn, for a visit with Mrs. Gatlin's and Mrs. Edwards' relatives. A. A. Wise and family returned Tuesday from a visit with relatives and friends at Cornersville, Tenn., their old home. Mr. Wise is a nephew of Fergeson Bros. and lives on their farm east of Margaret. He says the best crops he saw on the trip were between Vernon and his home.

BRINGS TWO FAMILIES Silas Moore returned from Tennessee last week with two new families that are to be employed by him this fall. They also plan to make Foard County their permanent home. Avery Northcutt, one of the men has worked for Mr. Moore before. Mr. Moore drove to Tennessee in his Ford truck after the Northcutt family and upon arriving there, the family of Arrie Smart also expressed the desire to come to Foard County. After loading some household furnishings on the truck, twenty-two persons, including the two families and Mr. Moore, rode it on the return to Crowell.

VIVIAN SCHOOL OPENS Another school year opened at Vivian Monday, August 26. This is the earliest that any school has opened in Foard County this year. Several other schools will open September 2nd and practically all will be opened by September 9th. Four Corners will open later in the month. ROAD IMPROVEMENT W. F. Thomson, commissioner of Precinct 4, now has both engines and graders of the county at work in his precinct and is about to complete an extensive improvement program. One new road a mile long running north from the Dishman place was completed Saturday. While work on another road about one mile long in the Vivian Community is also taking place.

Renew Your Health By Purification Any physician will tell you that "Perfect Purification of the System is Nature's Foundation of Perfect Health." Why not rid yourself of chronic ailments that are undermining your vitality? Purify your entire system by taking a thorough course of Calotabs, —once or twice a week for several weeks—and see how Nature rewards you with health. Calotabs are the greatest of all system purifiers. Get a family package with full directions. Only 35 cts. at drugstores. (Adv.)

**Sudan Is Great Aid To Milk Production**

Navasota—Twenty acres of Sudan grass pasture has been paying \$4.30 a day this summer to J. J. Johnson, dairy farmer of Lynn Grove community.

Until this year the production of his cows had slumped in the summer when the demand for sweet cream at the local ice cream factory was greatest. But this season his 40 cows increased their milk flow two gallons a day as soon as they were turned into the Sudan grass pasture, and in eight days had increased 25 gallons daily. The milk averages four percent and sells for 50 cents per pound butterfat, making the pasture yield \$4.30 per day, not counting the value of the skim milk. At the end of eleven days the grass was eaten down and the cows had to be removed for a few days to get another start. He intends to plant one acre of Sudan grass for every cow next year, the county agent reports.

Only one person out of 8,679,000 who rode on passenger trains in 1928 was killed, according to last year's railroad accident record.

**CHURCHES**

**Christian Science**

Sunday, 11 A. M. Subject for Sunday, September 1, "Christ Jesus." Sunday School at 9:30. Wednesday evening service at 8:00. The public is cordially invited.

**Methodist Church**

Had a good day last Sunday at the Methodist church. The services were not so well attended, except the Sunday School, there being more than 200 present. Each of the services were very interesting and we think helpful.

We are expecting a big day next Sunday, it being the first of September and our attendance should be large.

Sunday School at 9:45 under capable management. Bring your visiting friends to this Bible school. The Sunday school and church services are fine places to meet your friends and visit with them.

Worship at 11 a. m. and 8 p. m. Junior church at 11 o'clock.

A Hi-League was organized last Sunday evening. Young people in the high school compose its membership. They will meet at 6:45. Senior League at 7:45. Woman's Missionary Society will meet at 4 o'clock Monday afternoon.

W. R. McCARTER.

**Christian Church**

Attendance at the Christian Church last Sunday was very fine. It exceeded the first attendance mark set during the revival. The pastor is very happy over the interest shown and expects to see it continue.

The revival which was in progress here continued at Claytonville last week with fine results. The meeting was closed here Sunday night with Bro. Paul J. Merrill preaching to a full house. At the close of the service one fine man came to Christ, making the total at 32.

There will be a baptismal service at Claytonville Sunday afternoon. Sunday School at ten o'clock. Preaching services at 11 o'clock and 8 p. m. C. E. at 7 p. m. Choir practice and prayer meeting

Wednesday night at 8:00. It is hoped that all will attend.  
JOHN G. CLARK.

**Baptist Church**

Both morning and evening services will be held Sunday at the Baptist Church with the Sunday School and Union meetings taking place at the regular hours.

Dr. A. C. Gettis, dean of Baylor College at Belton, will preach at the morning services and it is hoped that a good crowd will be out to hear him. Dr. Gettis was the Baptist pastor here about 15 years ago.

Baptismal services were held at the church last Sunday night and one person that joined in the morning was baptized.

**Epworth Hi-League**

3. Cooperation  
4. Sportsmanship — Clinton Ball.

League Benediction.

**Methodist W. M. S.**

The Woman's Missionary Society of the Methodist Church met at the parsonage Monday afternoon, August 26, with Mesdames W. R. McCarter, W. H. Bell and J. J. Brown as hostesses. Mrs. T. L. Hughston was leader for the afternoon and the Bible lesson on "Faith" was taken from a portion of the 9th chapter of Matthew.

The subject for discussion was the "Primitive Homes and the Missionary Task."

Mrs. H. K. Edwards gave some positive values and some limitations of the African home. Miss Emily Purcell gave the threatening peril of the African home today and the Christian approach to the problems. During the social hour a dainty ice course was served.—Pub. Supt.

**Senior Epworth League**

Subject—Where Does Christ Come in Friendship?  
Scripture—John 15:14; Acts 19: lege.

20-31.  
Leader—Jewel Smith  
Prayer  
Where Does Christ Come In?—Catherine Clark.  
Talk—Zell Saunders.  
Piano Solo—Dorothy Hinds.  
League Benediction.

**Epworth Hi-League Organized**

With the assistance of Mildred Cogdell as counselor for the Senior League, an Epworth Hi-League was organized Sunday afternoon. The following officers were elected: President, Harold Hinds; Vice-President, Leslie Thomas; Secretary, Mary Eva Meason; Treasurer, Frances Allison.

The four department superintendents will be appointed by the president soon. There is the promise of a very active League, for the following were present as charter members: Mary Eva Meason, Louise McKown, Evelyn Tarvin, Mildred Johnson, Lillian Gene Bell, Clinton Ball, Mamilee Teague, Catherine Ferguson, Jim Lois Gafford, Clara Pearce, Harold Hinds, Leslie Thomas and Bernice Collins.

There were two visitors, Jim Allee Hart and Arie Fleeta Biedleman. All boys and girls from 12 through 17 years of age are invited to come and join Sunday evening at 6:30 in the basement of the Methodist Church. It was at first announced that the age would start with 13, but since there is no Junior League in Crowell, all those who are twelve years of age and want to join are welcome to do so. Let's have a League we will be proud of!—Contributed.

**Club Girl Sees No Bad Luck in Thirteen**

Dallas.—A 4-H club girl in Dallas County has sold \$63 worth of eggs and chicks from 13 Rhode Island Red hens in a little less than six month's time. She is Bertha Thompson of the Coppel home demonstration club.

Keeping them in houses built of scrap lumber and wire, she gathered an average of 95 eggs from each hen during this period. This was her demonstration flock, and from this and a small flock of English White Leghorns she has made a profit of \$78.79 this year. She is a junior in high school and plans to make enough from poultry to put her through college.

FOARD CITY  
Special Correspondent

Mildred Owens returned home from Denton where she has been attending the North Texas State College.  
Bessie Dollar of Truscott visited the home of Mr. and Mrs. Aydelott last Friday evening.  
Mrs. John Dixon and children spent last Saturday with Mr. H. A. Bare and family.  
Brother of Truscott is holding a party here which started last night a week ago. Every-

one is invited to attend.  
Ed Bailey and Jim Bailey of Gambleville made a business trip to Jones County.  
Mrs. E. T. Munger and daughters, Opal, Nadine and Leota, visited in the home of Mr. and Mrs. W. O. McDaniel Saturday.  
Jack Welch spent the week-end at Electra visiting friends.  
Abbie Dollar spent the week-end with his grandparents, Mr. and Mrs. A. T. Aydelott.  
W. C. Aydelott spent the week-end at home.  
Mr. and Mrs. H. A. Bare spent Sunday visiting relatives of Rayland.  
Mrs. Earnest Aydelott and children visited in the home of Mrs. Amos Lilly of Crowell last Saturday.  
Miss Virgie Callaway left for Dallas Sunday morning where she will attend school.  
Mr. and Mrs. S. H. Boyd of Truscott spent last Saturday night with Mrs. Ed Bailey and children.  
Dr. and Mrs. R. L. Kincaid visited Mr. and Mrs. E. T. Munger Sunday afternoon.  
Mr. and Mrs. John Atchley and

children of Quanah are visiting relatives and friends of this community. Remember Sunday School every Sunday morning. Every one is invited to attend.

Quanah To Hold  
Golf Tournament  
September 9-11

Quanah, Texas, Aug. 29.—The Quanah Country Club is sending out this week invitations to their First Annual Invitation Tournament which will be held September 9th to 11th. The qualifying round of 18 holes will be played Monday the 9th, and match play will begin Tuesday morning. In order that all players may compete for trophies and prizes, flights will be made up of 16 players each. Handsome trophies have been purchased for the winner and runner-up of the Championship Flight and for the medalist in the qualifying round. Appropriate prizes will be given in all other flights and consolation flights.  
This tournament is being held as a sort of dedication ceremony account the opening for play of the new 18 hole course which the Quanah Country Club has just completed. The length of the course is now 6344 yards and presents hazards and length of holes calling for every kind of shot. No. 13 hole is 579 yards and is one of the few holes in the state calling for two full wood shots and an iron to reach home. No. 15 tee is 50 feet above the green which is 142 yards away and looks easy—but just try and play it. No. 9 is only 120 yards long but 100 yards of it is water. There are many tee shots requiring 125 to 150 yards carry to reach the fairway. There are short holes and long holes—dog legs and blind holes and just as you are ready to give it up you'll have a fairly easy hole, put there just to keep you going.

The Quanah Country Club was organized in 1922 and now owns 320 acres of land on which is located a splendid club house, well furnished, an 18 hole golf course and a 30 acre lake, well stocked with fish. By the way a 7-pound and a 5-pound bass were pulled out of this same lake just yesterday morning.

This Club sponsored the organization of the Green Belt Golf Association and the First Annual Tournament was held here in the spring of 1926. L. S. Walker, a member of the Quanah Country Club, won the championship in 1926 and 1927 and in a play off with Budley Raines, champion of the West Texas Golf Association, won the unofficial championship of West Texas in 1927. The Association championship was won in 1928 by Raines West of Memphis, and the 1929 championship by F. W. Foxhall of Memphis.

The course is being put in the best possible condition for the Invitation Tournament and invitations will be sent to all West Texas Clubs. It is the hope of the Tournament Committee that this annual affair will become one of the high lights in golf-dom for this section of the state.

FOARD CITY CLUB

The club met in the home of Mrs. Russell with Mrs. M. L. Owens as hostess.

There were 15 members present and 8 visitors.

A most interesting meeting was held. Mrs. Mel Gover gave us an interesting report on her trip to the A. and M. Short Course.

After brick ice cream and cake were served we adjourned to meet with Mrs. Joe Owens on the second Tuesday in September.—Reporter.

Sargon Proved A  
Blessing To Her

"Sargon has done more for me in a few weeks than all the other medicines I took put together during the ten years I suffered.

"I had awful attacks of nervous indigestion and my stomach was in such a disordered condition I could not eat a good meal. I couldn't even drink a glass of buttermilk without suffering. In fact, for the ten days before I started Sargon I had not swallowed one mouthful of solid food; I had lived on orange juice. I had sharp pains in stomach and was so weak I had to give up and go to bed. My nerves just went all to pieces and I never got a good night's rest.

"Sargon has surely proved a blessing to me. I can now eat most anything I want without bad after effects. My nerves are normal, I sleep fine and never have to use a laxative any more like I did before I started taking the Sargon Soft Mass Pills.

"This remarkable treatment has given me back my health and I feel like telling everybody about it."—Mrs. Lonie Nelms, 3227 Pine Street, Dallas.

Reeder Drug Co., Agents. (Adv.)

THE STATE OF TEXAS  
To the Sheriff or any Constable of Foard County—Greeting:

You are hereby commanded to summon C. H. McMillan, by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Foard County, to be holden at the court house thereof, in Crowell, Texas, on the 4th Monday in September, A. D. 1929, the same being the 23rd

## Honor Mrs. Campbell With Morning Party

Mrs. R. C. Campbell was complimented with a pretty morning party on last Friday at the home of Mrs. M. S. Henry with Mrs. Henry and Mrs. A. Y. Beverly hostesses. The guests arrived at 8:30 and found all appointments in readiness for the game of "600." Bouquets of pink verbenas were artistically arranged throughout the reception suite. The coolness of the early morning hour added zest to the players and much pleasure was had for several hours. Mrs. Baxter Johnson received high score favor, a wall vase, while Mrs. Campbell was presented with a silver flower bowl as the guest of honor. Favors were also given Mrs. Spruill, Miss Huntley and Miss Campbell.

The tables were made very attractive for refreshments with a centerpiece of pink verbenas. The hostesses served a delicious plate containing chicken sandwiches, fig sandwiches, gelatin fruit salad in rosebud cups and iced tea to Mesdames R. C. Campbell, D. G. Spruill, H. Schindler, H. E. Ferguson, H. Clark, T. L. Hughston, John Williamson, George Self, Baxter Johnson, J. E. Harwell, Ed McDaniel, S. S. Bell, W. C. McKown, Joe Johnson, Esca Brown, P. W. Shirley, Jack Brian, M. M. Hart, T. B. Klepper, Misses Frances Campbell, Mary Lee Huntley, Lella Ben Alice, Mildred Ballow of Seymour and Frankie Kirkpatrick.

### SUNRISE BREAKFAST

A sunrise breakfast was enjoyed Monday morning at the country club by the following: Misses Harriet Evelyn Swaim, Elizabeth O'Connell, Elsie Schindler, Frances Schlagal, Alene Lanier, Elizabeth Kincaid, Mary Ragland Thompson, Laddell Green, Mary Lee Huntley and Frances Hill.

After a swim in the country club lake the group, with the exception of Miss Hill, made an auto trip to Vernon, Quannah, and Chillicothe. While in Vernon they attended a picture show and then returned to Crowell in the afternoon by way of Chillicothe and Quannah in O'Connell's sedan.

### WATERMELON CUTTING

The water melon cutting at the F. A. Davis farm on Pease River was quite a success. There were about one hundred and fifty folks present and everyone in fine spirits. While waiting for the crowd to gather and the time of feasting to arrive they engaged in a game of rope jumping which was a means of working up quite an appetite before the feast. This game was quite popular with everyone, even the men and women joining in. It was quite a treat to see the men and women jumping 'hot pepper.'

Thirty-six melons were spread at the feast, each melon being cut into four parts, thus giving each individual quite a large piece and the opportunity to be young again and eat melon in the old fashioned way. After the eating was over Mr. and Mrs. Grady Walker, newlyweds, were showered with a large array of gifts. Mrs. R. L. Kincaid making the speech of presentation. The bride was overcome with joy at receiving so many beautiful gifts.

This feast was arranged for the benefit of those who had joined the Christian Church during the recent evangelistic campaign, for Bro. Merrill, the evangelist, and Bro and Mrs. Clark, the new Christian pastor and his wife.—Contributed.

### CLINT PARKER MARRIES

A wedding of much interest to the people of Milburn was that of Miss Irene Gann and Clint Parker, which was solemnized Saturday evening at 7:30 at Tishomingo with Rev. Williams, Methodist minister, officiating. The bride was becomingly dressed in a navy blue crepe, the large cape-collar being held in place on her shoulder by a rhinestone pin, her small felt hat was also navy blue, and slippers were black satin; she carried a small mesh bag that harmonized with her costume. Arthur Parker, brother of the groom, stood up as best man. The bride is the oldest daughter of Mr. and Mrs. Rufus Gann and was graduated from the Milburn high school in 1928, and has been holding a position in her grandfather's store here. She was very popular with the younger set and took part in many church and school programs. The groom is the son of Mrs. Dal Stubblefield of Crowell, Tex., and a grandson of S. N. Sparks of this town. The couple left Sunday morning for Texas, where they will make their home and where Mr. Parker has a position with an oil company. They were accompanied by Arthur Parker, who came to attend the wedding.—Ardmore Ardmore.

The young couple arrived in Burk Burnett Sunday afternoon about 5:30 where they were surprised with a bountiful dinner prepared by the groom's sisters, Mrs. A. A. Bishop, Mrs. John Nichols and Mrs. Abbie Powell. Those to enjoy the occasion from Crowell were Mr. and Mrs. W. D. Stubblefield and son, Sam; Mr. and Mrs. Walter Nichols; Tom Nichols, Mr. and Mrs. Frank Moore and daughter, Thelma Lois; also Mr. Moore's brother, Walter, and son, J. D. of Dallas.

Mr. Parker is well known in Crowell, having been reared in this county.

### SWASTIKA CLUB

The last two meetings of the Swastika Club have been held at the homes of Mrs. Pete Bell and Mrs. T. S. Haney. The first meeting was held August 8th with Mrs. Bell. Games of bridge were played and refreshments were served to members and the following

## Fashionettes

NOTES OF FASHION and Store News

School days are just around the corner. September, with a bit of fall and the back-to-school anticipation in the air, calls for new clothes from head to foot.

Whether it be the young adventurer who is starting out on his first days of school—or the sophisticated collegiate going "back to college"—we are prepared to outfit them completely.

Most of you already know the preferred colors for millady's fall wardrobe, black, brown, blue, wine and bottle green—but not all of you know the charming creations we are showing right here in Crowell, in all the new shades and styles. Of course black is always in the majority for winter—but brown is the outstanding color for this season. The accessories are the most striking we have ever seen. Jet, with or without colored stone combinations are worn with black and carved wooden jewelry and bag handles complement brown very smartly.

"Sailor Blue" is lighter than navy blue and as equally good.

The large georgette and chiffon handkerchiefs continue good this season. Hallie Newton of Hollywood is the creator of the most charming hand painted ones we have seen and we represent her with a most versatile array.

Don't forget Dollar Days next Friday and Saturday, the 30 and 31st. Extra values for your dollars these two days.

guests: Mrs. William Bell, Mrs. Sydney Miller, Mrs. Oscar Boman, Misses Mary Sam Crews, Litha Crews and Winnie Weaver of Clarksville.

High score was won by Mrs. H. Schindler with Mrs. M. M. Hart, Jr., second.

The last meeting was held on August 22, at the home of Mrs. Haney with Mrs. Glynn Shults winning high score in bridge and Mrs. Hartley Easley, second. Refreshments were served to the members and the following guests: Mrs. Bert Bain, Mrs. Everette Bell, Mrs. Hartley Easley, Mrs. Jimmie Cotten, Mrs. Glynn Shults and Mrs. Cricket Lemmons.

## Forty-Three Attend Family Reunion Sun.

An enjoyable family reunion was held at the home of Mrs. B. F. Hallmark Sunday with forty-three present. All of her children with the exception of Mrs. Lon Robertson of Brunson, Colorado, were present. A big dinner was served at noon.

Those present were Mrs. W. W. Hyde, Knox City; Mr. and Mrs. M. F. Abbott, Abilene; Mr. and Mrs. J. A. Hallmark, Abilene; Mr. and Mrs. W. L. Hallmark, Amarillo; Mr. and Mrs. Karl J. Meyer, Amarillo; W. E. Hallmark, Crowell; Mr. and Mrs. H. H. Hallmark, Crowell; Mr. and Mrs. Paul Bishop, Crowell; Mr. and Mrs. M. F. Bowley, neighbors, and J. M. Powell, a brother of Mrs. Hallmark, whom she had not seen in 15 years.

The grandchildren present were Mr. and Mrs. Sam Hallmark, Tuscola; Mrs. Curry, Abilene; Mrs. Frank Herring, Knox City; Mr. and Mrs. George Montandon, Knox City; Mr. and Mrs. J. H. Hallmark, Wichita Falls; James, Irene, Bernice and Cecil Abbott, Abilene; John, Joe and Spurgeon Hyde, Knox City; Howell, Raymond and B. F. Hallmark, Crowell; Juanita, Eva Nell and Merle Hallmark, Amarillo. Five great grandchildren were also present.

J. M. Powell, who Mrs. Hallmark had not seen for 15 years, lives at Hereford.

### WIMODAUSIS

There have been three meetings of the Wimodausis since the last report. The first was with Mrs. Henry Johnson on July 3. Mrs. Jim Moody led the lesson on Food Preservation. The second meeting in July was with Mrs. Troy Erwin with Mrs. Roy Jones leading the program on the subject of Home Nursing. The August meeting was held at the home of Mrs. Kell Erwin on Wednesday, 14. Mrs. Jim Cates conducted the lesson which was on Gardening.

The programs have been well planned and instructive, offering practical helps to home making. The attendance at these meetings has been below par, however, with cooler days ahead it is hoped that renewed interest will put the old club spirit and loyalty to work.—Reporter.

### TAX EXEMPT BONDS

A man worth more than \$50,000,000 who died last year has paid no federal income taxes since 1916, settlement of his estate revealed. He didn't defraud the government out of one cent. He bought tax exempt state and municipal bonds yielding four and one-half percent.

Had he invested his money in tangible property that could be taxed, he would have done his share toward bearing the tax burden of his city, state and nation. And he would have paid the government alone \$850,000, not counting the local and state taxes that could have been collected from him.

We complain about high taxes and still permit such things as this to occur every day in every community. The taxpayers who own the money that makes the business of the country, keep paying taxes and keep on kicking.

Some day they will awaken to the fact that complaining is not accomplishing anything—that the wealth that should be doing its part will have to be put on the assessors' books before taxes for the average person can be reduced.

### WILD WEST MOVES TO CITIES

During recent years a new occupation has become popular among certain young men, that of gunmen. Formerly the desperadoes were to be found largely on the wild plains of the west. But now these plains have become civilized, and the desperadoes have migrated to the big cities, where they handle firearms as children do toy pistols and commit the most villainous crimes with them. They value human life no more than that of a worm. All pity seems left out of their natures.

Our civilization is a very defective thing, so long as it produces these vicious and dangerous creatures. We call our country superior to the old world, yet we produce far more of these miscreants than they do. We consider ourselves far superior to the nations of Asia, yet life is probably safer in China, Japan or India, than it is in our larger cities. Our people must wake up and end this intolerable state of affairs.

Mrs. N. K. Cotten and Viola and Lloyd, all of Van Alstyne and T. C. Cotten of Sherman Saturday morning after a visit their son and brother, Jimmie ten, of this city.

John Black and family have moved to Crowell from Quitaque where they had been living for some

## CICERO SMITH LUMBER CO.

"THE HOME OF SPLINTERS"  
R. J. ROBERTS, Local Manager

Dear Friends:

We are of the opinion that no one would kick very much if it should come a good rain.

When you sell a carload of cattle or hogs or when you take wagon or truck load of wheat or corn to the elevator, you get a big check. But that does not happen every week of the year. Mrs. Hen is busy every day and although the weekly checks are large, remember there is one of them nearly every week in the year. She provides a constant income. Give her a good, warm, comfortable, easily cleaned home and she will show her appreciation by increasing the egg production. We are sure she would approve any of the designs you might select from our poultry house plans.

(To prospective maid)—and why did you quit your last place?  
(From prospective maid)—Well, I am not asking you why your last maid quit.

Now is a good time to build that cotton-picker shack. Come in and let us give you an estimate on it.

"Why do you always scratch yourself?"  
"Cause I'm the only one who knows where I itch."

Yours truly,  
SPLINTERS.
