AND CROWELL INDEX

VOLUME XL NO. 36

CROWELL, FOARD COUNTY, TEXAS, FRIDAY, FEBRUARY 27, 1931

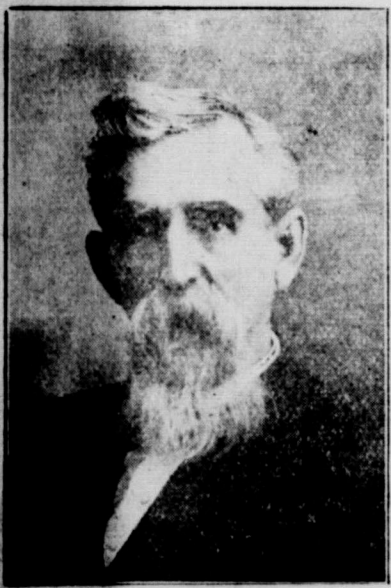

8 PAGES \$2.00 A YEAR

FOARD COUNTY ORGANIZER IS LAID TO REST

Foard County lost one of its most prominent and best loved citizens Sunday morning, Feb. 22, when death suddenly claimed J. A. Wright, 76. Mr. Wright had just dressed for Sunday School and was sitting in a chair when he suffered a heart attack. A few minutes later he was dead.

Mr. Wright was one of the earliest settlers of this section of Texas, coming here in 1886 in a covered wagon from Denton County. At that time he and his family settled on a farm two miles north of what is now Crowell. The Wrights arrived here five years before Crowell and Foard County were organized.

The name of J. A. Wright will be forever linked with the history of Foard County and his remarkable church and funeral work will be everlastingly remembered by hundreds of friends. It is said of this man that he led the singing at fully

J. A. WRIGHT

three-fourths of the funeral services conducted in Crowell since the organization of this city forty years ago. In all of this time Mr. Wright was choir director at the local Methodist Church and in the five years before this church was organized he was leading the singing in churches over this section. Exactly one week before his death he led the singing at the Methodist Church and for the funeral services of P. L. Gibson on the afternoon of the same day.

He was one of the three men appointed by the Texas Legislature in (Continued on Page 4)

FIRE INJURES MAN AND WIFE AT HOME WED.

Mr. and Mrs. R. H. Copeland received serious burns in a fire here Wednesday at noon which badly damaged the small frame residence of Mrs. E. C. Bennett, one block south of Crowell High School. Mrs. Copeland is the daughter of Mrs. Bennett and has been living with her.

Mr. Copeland was seriously burned about the hands and face. His hands were soaked with gasoline at the time of the fire. Mrs. Copeland was burned about the arms and back and is now confined to a bed in the home of D. C. Greer. Minor burns below the knee were suffered by Mrs. Reuben Brisco and little daughter, Mildred.

The fire occurred when Mr. Copeland was putting some gasoline and grease soaked clothing into a boiler on a wood stove. The fire broke out before the clothing reached the boiler and the explosive manner in which it occurred caused it to quickly spread over the entire house.

The local fire department saved the house from complete loss, however, all furnishings were practically ruined. No insurance was carried.

Mrs. Bennett, who had been ill, was sitting up at the time of the fire, but was able to leave the house without suffering injury.

In spite of the flames which practically burned the flesh from his hands and arms, Mr. Copeland returned to the blazing house to rescue the small baby of Mr. and Mrs. Reuben Brisco.

A subscription for the unfortunate people in this fire was raised among the business firms Thursday by Bob Belsher. Anyone else wishing to contribute in any way may see Mr. Belsher or either of the lumber yards.

FREE SHOW

On Friday, March 6, the Rialto is giving a free show to all women and children coming to that theatre between 4 and 5 o'clock.

The Rialto has booked a line of pictures that any theatre would be proud to show and movie fans will do well to look over the list of pictures, elsewhere in this issue, that are coming to the Rialto.

Judgment for \$31,800 Awarded Cooper in Pierce Pet. Co. Case

Judgment for \$31,800 for R. H. Cooper III was secured in his suit for damages against Pierce Petroleum Corporation, et al., in district court this week. The case came on for trial Feb. 19 and the jury returned its verdict on Feb. 24, after answering twenty-five special issues submitted to them by the court.

In passing judgment on the case Judge W. N. Stokes decreed that S. H. Ross, local agent for the Pierce Company at the time Cooper was burned, should recover all costs from the Pierce Petroleum Corporation that he had incurred in the case.

Attorneys for the plaintiff were Gore, Ouel and Auen of Fort Worth, and D. J. Brookerson of Benjamin. Thompson and Rembert of Dallas represented the defendant.

Katherine Wheeler and Loyd Fox Married Sun.

Miss Katherine Wheeler of Thalia, daughter of Mr. and Mrs. C. C. Wheeler, became the wife of Loyd D. Fox of Knox City, son of Mr. and Mrs. L. D. Fox of Crowell, in a wedding at the home of Mr. Fox's brother, Herman Fox, in Crowell Sunday afternoon. Rev. Woodie W. Smith officiated.

Mr. and Mrs. Fox were reared in Foard County and both are well known here. Mr. Fox is a member of the firm of Fox Brothers and is manager of this firm's store at Knox City, where the young couple is now living. Their many friends wish them much happiness in their married life.

VAST CROWD EXPECTED AT GAME FRIDAY

For the convenience of those attending the bi-district championship basketball game here Friday night, The News is printing a list of the players on each team, their positions and the numbers appearing on their sweaters.

- The Crowell basketball team:
- Ragsdale Lanier (3)—Forward.
 - Bill Middleton (8)—Forward.
 - Ralph Burrow (4)—Center.
 - Guy Todd (2)—Guard.
 - Capt. John Todd (11)—Guard.
- The above will likely start the game for Crowell.
- Venson Hall (6)—Guard.
 - Dick Todd (7)—Forward.
 - Harold Hinds (10)—Center.
 - J. M. Crowell (9)—Forward.
 - Lorain Carter (5)—Guard.
- Seven boys who are most likely to play for Nocona are:
- Capt. Zachary (17)—Forward.
 - Corado (7)—Forward.
 - Fenoglio (12)—Forward.
 - Cunningham (6)—Center.
 - Evans (5)—Guard.
 - Raynolds (2)—Guard.
 - Walls (1)—Guard.

The largest crowd ever present at a basketball game in Crowell is expected when the two district winners clash at 7:30 o'clock Friday night.

Through the voluntary efforts of a number of Crowell men the capacity of the gymnasium has been doubled and it is estimated that five hundred people can now be cared for. This will be the first time that a bi-district, or even a district game, has ever been played in Crowell. Crowell and Nocona are representing 18 counties of this section of Texas and either Crowell or Nocona will be one of the thirteen teams to take part in the state meet at Austin on March 6 and 7.

The admission of his game will be fifty cents for adults and twenty-five cents for children. The admission charge for this game is higher for several reasons. Crowell's expenses for the bi-district series are around sixty-five dollars and these must be taken care of.

In case the Crowell boys get to go to Austin, finances will be needed to take care of their expenses. The State Interscholastic League will pay the railroad fare for seven boys and a coach, however, it is hoped that the entire squad of ten men can be taken along with their coach, Grady Graves. Through the gate receipts it is hoped that these expenses can be met. Ordinarily a heavier charge than fifty cents is made for a game of this importance.

Nocona has one of the fastest teams that Crowell has played and those at the gymnasium Friday night are bound to receive plenty of thrills.

Local men who have been doing considerable work on increasing the capacity of the gymnasium, through voluntary efforts, are: L. I. Saunders, L. A. Beverly, W. W. Boyd, Geo. D. Self and Gordon Bell. Coach Graves and the basketball boys have also assisted in furnishing considerable material for the work.

The frame building owned by T. D. Roberts and formerly occupied by the Robertson Studio, has been torn down this week.

CROWELL WILDCATS WIN FIRST GAME OF BI-DISTRICT SERIES OVER NOCONA TUESDAY NIGHT

The Crowell High School Wildcats established themselves as outstanding favorites to represent this section of Texas in the state basketball meet at Austin as a result of their 48 to 27 victory over the Nocona Indians in the first game of the bi-district series at Nocona Tuesday night. Crowell is champion of District 3 and Nocona is the winner in District 4.

The second game will be played in the Crowell gymnasium Friday night, Feb. 27, at 7:30 o'clock and if Nocona should win this game a third contest will be played at Wichita Falls, Electra or Vernon, however, if Crowell wins, the Wildcats will take part in the state finals at Austin on March 6 and 7, at which time thirteen leading teams of the state will match skill to determine the championship of Texas.

The game Tuesday night was an unusually fast one and although Crowell won by a safe margin, Nocona has a real scoring machine and still presents a real threat in the bi-district. The Indians have made a practice of upsetting the dope all season and have won over teams after losing previous games to them. Nocona came from way behind to defeat Jackboro 26 to 23 in the final game of District 4 at Wichita Falls Saturday night. The Indians missed shot after shot against Crowell and with slightly more accuracy on their shooting the game would have been a very close affair.

First Quarter
The first quarter was a very close affair. Crowell scored first with a field goal by Ralph Burrow. For a few minutes the score was tied, 5 and 5. Crowell led at the end of the period 9 to 7, with three free goals representing the difference in the score.

The Wildcats' defense functioned almost perfectly in the third quarter, which ended 30 to 16, the Indians scoring only four points.

With a safe lead the Wildcats began taking their time with the ball in the last quarter. In a desperate effort to overcome Crowell's lead

the Indians broke up their five-man defense to rush the Wildcats. In doing so Bill Middleton slipped away a number of times to receive the ball right under the goal and ring up another two points.

Middleton was the sensation of the entire game, but it was in this last quarter that his brilliance on the court was particularly noticeable. In this one period he scored thirteen points, with a total of twenty-five points for the entire game. Out of five free shots he scored five points. So accurate was his work in this respect that the ball seldom touched the basket on the free throws. As usual the wonderful guarding and offensive work of the Todd brothers was a major factor in the Crowell victory.

Local fans will have the opportunity of seeing two excellent basketball players here Friday night in Captain Zachary, forward, and Cunningham, center of the Nocona team. Zachary scored 12 of his team's points and was all over the court to break up Crowell's plays.

To Celebrate 60th Wedding Anniversary

Mr. and Mrs. G. W. Wallen, who are pictured above, will celebrate their sixtieth wedding anniversary at their farm home, six miles south of Crowell, Sunday, March 1, and are inviting all who know them to call at their home some time during that day.

Mr. and Mrs. Wallen have lived in Foard County since 1910. Further information about their 60th wedding anniversary will be given next week.

Revival Will Start Sunday at Methodist Church in Margaret

A revival meeting is to be begun Sunday morning at the Margaret Methodist Church at 11 o'clock and will continue for an indefinite length of time. It will be conducted by Rev. R. T. Breedlove, pastor of the Methodist Church at Paducah.

Services will be held at both the morning and evening hours and the public in general has a cordial invitation to attend the services, according to Rev. A. O. Hood, pastor of the church.

Income Tax Man Will Be in Crowell Mar. 10

For the convenience of those who are required by law to file Federal Income Tax returns, a deputy collector of Internal Revenue will be at the Bank of Crowell on Tuesday, March 10, to assist taxpayers in filing their returns. No charge will be made for this service. The matter of filing income tax returns should be given immediate attention in order to avoid penalty and interest.

Income tax returns for the calendar year 1930 shall be filed not later than March 15, 1931, with the collector of Internal Revenue for the district in which the taxpayer resides or has his principal place of business.

Foard Co. Men Bring Victory to Augusta, Georgia, Polo Team

Four Foard County men, Glen Offield, Bill Barry, J. H. Minnick and Jimmy Minnick, Jr., as members of the Augusta, Georgia polo team, have made themselves famous in that section of the nation. In two games last week the Augusta team defeated the Army team from Fort MePherson, and large articles, with pictures of the players were carried in Augusta paper about the games.

Jim Minnick Sr. led the Augusta team to victory in the first game on February 16 with a score of 7 to 3. The game was played before 7,000 people. In the second game on Feb. 19 Augusta won 4 to 2. Glen Offield was the star of this game, scoring two of his team's goals. Jimmy Minnick Jr. scored one of the goals. Charlie Stanley, who played with Oklahoma University in the tournament south of Crowell a few years ago, was also a member of the Augusta team.

ATTEND DISTRICT MEETING

The following from Crowell Epworth League attended the Vernon district meeting of this organization at Childress Saturday and Sunday: Misses Jimmy Lois Gafford, Thelma White, Mildred Cogdell, Lillian Gene Bell, Bonnie Cogdell, Clara Pearce, Virgie Callaway, Ila Lovelady and Messrs. Vance Swaim, Edward Huffman and Granville Lanier. Miss Cogdell was on the program Saturday.

Funeral Held Sunday at Crowell Cemetery for Good Creek Man

Funeral services were held at the Crowell Cemetery Sunday afternoon for W. M. Usrey, 85, with Rev. C. V. Allen officiating. He died at the home of his oldest daughter, Mrs. W. A. Love, in the Good Creek Community, Saturday, February 21.

Mr. Usrey was born on Christmas day, 1845, in Tennessee. He married fifty-three years ago in Carroll county, Arkansas. His wife died eleven years after their marriage. Four daughters having been born to this union, all of whom are still living. They are: Mrs. Pearl Love, Foard County, Ark.; Mrs. Annie Drake, Keyfor, Okla.; and Mrs. Maggie Gattlin, Carroll County, Ark. He is also survived by fifteen grandchildren and one great-grandchild.

He first moved to Texas sixty years ago, living in this state for a short time. Forty years later he moved to Texas and remained in this state until his death. He came to Foard County two years ago.

Mr. Usrey confessed Christ and united with the Baptist Church at Enterprise, Fannin County, Texas, twelve years ago.

PLAYS POSTPONED

The home talent plays that were to have been presented on Friday, Feb. 27, by the Young Peoples Class of the Methodist Church, have been postponed until Thursday evening, March 5, on account of the basketball game.

CROWELL HIGH WINS OVER ALL-STAR QUINTET

In the most closely fought game on the local gymnasium this season, the Crowell High School Wildcats barely defeated the Thalia all-stars by the score of 23 to 22 here Friday night.

Thalia led for the greater part of the contest and the Wildcats nosed into the lead in the very last stages of the game. Soon after the game started Crowell drew first blood with Lanier scoring a field goal.

Crowell had scored seven points before Thalia was able to make a point, however, when the visitors did get their machine working, they held Crowell scoreless while ringing up 11 points and the quarter ended with Thalia leading 11 to 7.

Lanier was the sensation of the second quarter, scoring two field goals and one free toss. Thalia led by one point as the half ended, with the score 15 to 14. The third quarter was a hard fought affair with each team playing an ir-tight defense. Just as the second half opened Guy Todd scored a field goal to place Crowell one point in the lead. Thalia again took the lead when Clyde Fincher sunk a long shot through the basket. Crowell scored a free toss to tie the score at 17 and 17 as the third quarter ended.

The final period was one of the most exciting ever played on a local court and the large number of rooters for each team were in a constant uproar.

Ragsdale Lanier put Crowell two points in the lead with a field goal. Crowell did not hold this lead long, as Gotchie Mints made two free tosses good to tie the score. Thalia went two points ahead when Roy Mints made two more free tosses count. John Todd scored a free toss and Guy Todd followed with a free toss which won the game. Thalia made but one field goal in the second half. This was Fincher's toss in the third quarter. Thalia scored five field goals in the first quarter and two in the second. Crowell scored three in the first, two in the second, one in the third and two in the last.

Regular Weekly Rain Received Here Monday

Monday and Monday night another general rain fell over Foard County, amounting to .61 inches at Crowell. This brought the total for the year at Crowell to 3.21 inches and for February alone to 2.31 inches.

Most every week since January 1, rain has fallen in Foard County.

DAILY EVENTS FOR 29 YEARS KEPT BY LILLY

Since 1902 S. T. Lilly of the Foard City community has kept a daily record of the weather, the happenings in his family, crop news, the prices paid and received for various items, visitors at his home, major events of the community and many other items that occur during the day.

He now has at hand eight books of interesting historical data that has been compiled in daily form since 1911. From 1902 to 1911 he jotted the day's happenings in little note books and during the course of the years these were misplaced.

"I write some very foolish things in the books," Mr. Lilly said, "but I keep them mainly for my own personal use so I guess that is all right."

Accurate data on the weather is kept. The annual average rainfall at the Lilly place for the past eighteen years, since 1913, is 23.35 inches, according to Mr. Lilly's records. The (Continued on Last Page)

Reported Dying

Andrew J. Volstead, former Congressman from Minnesota, whose name is attached to the Prohibition law, failed to rally after an appendicitis operation.

TRAIN OF TRACTORS

A solid train load of Farmall tractors stopped in Crowell Wednesday for a short time while on the way from Chicago to the International Harvester Co. branch at Sweetwater. There were 34 cars containing 204 tractors.

Two carloads, 12 machines, were left here for Self Truck and Tractor Co.

DISTRICT PLAY TOURNAMENT TO BE HELD HERE

For the third consecutive year Crowell has been selected as the location for the one-act play tournament of District 14 of the Texas Interscholastic League, according to a letter received by Superintendent I. T. Graves from Roy Bedichek, chief of the Interscholastic League bureau of extension at Austin. The tournament is to be held on March 20 and 21, a week earlier than it was held last year.

Crowell was selected due to its central location in the district and the fact that in the past two years this city as the location for the tournament has met with the popular approval of the visiting contestants.

At least ten casts of players are expected to be here for the meet. Schools that have already intimated that they will take part in the tournament are: Childress, Munday, Gilliland, Paducah, Benjamin, Thalia, Chillicothe, Oklaunion and Crowell.

Mrs. R. L. Kincaid has been named chairman of the local committee to house the visiting contestants while in Crowell during the tournament.

Crowell won the tournament here last year and then won third place in the regional tournament at Abilene. Ragsdale Lanier was chosen as the outstanding individual player of the tournament. Mrs. I. T. Graves, who directed the Crowell players last year, will be the director again.

Chillicothe won the tournament here in 1929.

HEAR PADEREWSKI

The following heard Paderewski, the great pianist, at his performance in Wichita Falls last Thursday: Mrs. S. T. Crews, Mr. and Mrs. George Self, Mr. and Mrs. Miessee and son, Jerry, Misses Frankie Kirkpartick, Martha Sehlagal, Frances Allison, Lella Ben Allee, Anabel Carter, Aylene Lanier and Evelyn Sloan.

Mr. and Mrs. Clyde Cobb and children have moved to Paducah to make their home. Mr. Cobb has a position with Roy Fox who has recently opened a grocery store in that city.

Mr. and Mrs. S. C. Starr of White City visited R. G. Whitten and family Sunday.

MI 31- and Healthful Cleanliness

Since germs thrive where there is a lack of cleanliness, it logically follows that cleanliness and health are closely allied. By keeping your mouth and throat clean by frequent use of Mi-31 Solution, the popular cleansing deodorant, you will go a long way towards preserving normal health. Moreover, your pure, wholesome breath will tell your friends that you are careful in this respect.

MARGARET

(By Special Correspondent)

Mr. and Mrs. Carl Roberts of Thalia visited relatives and friends here Wednesday.

Mr. and Mrs. Melvin Moore and Mr. and Mrs. S. B. Middlebrook visited Mr. and Mrs. Bax Middlebrook of Vernon one day last week.

W. J. Buis of Vernon was a business visitor here Wednesday.

The Ayersville girls were winners in the ball game with Gambleville Thursday, the score being 18 to 8.

Mrs. J. C. Starnes and little son and Mrs. Cecil Starnes and little son of Gambleville visited Mrs. T. D. Boyd Friday. Miss Audria Starnes returned with them and spent the week-end.

Miss Corine Crocker, who has been attending school at Dallas, returned to her home here Saturday, entering school here Monday. She was accompanied home by Mr. and Mrs. J. C. Crawford of Dallas, who visited relatives here a few hours.

Rev. Buel Bradford of Abilene is visiting relatives here.

Misses Russie Rasberry of Vivian and Ola Carter spent from Friday till Monday in Oklahoma City visiting relatives and friends. They were accompanied by Fred Taylor who also visited relatives there.

Rev. and Mrs. R. Y. Bradford and little daughter, Willie Dean, of Stinnett arrived Wednesday for a visit with relatives here. Bro. Bradford returned to Stinnett and filled his appointment Sunday, returning here Monday.

Little Henry Bradford, who was critically ill last week is improving. His condition last week was very alarming but with the aid of two Crowell doctors, one from Vernon and one from Quannah it is hoped he will soon recover.

Glannon Crocker is visiting Edgar Henderson and family of Medicine Mound this week.

Jack Roden and Ed Taylor were business visitors in Quannah Monday.

L. A. Goodman and Ben Stokes attended court in Crowell Monday.

Mr. and Mrs. W. T. Lamb and family and C. C. Mills and family of Medicine Mound visited in the home of Oliver Henderson Sunday.

Mr. and Mrs. Ray Thomas of Odell visited her sister, Mrs. T. D. Boyd, and family Sunday. Mrs. J. C. Bradford, who had spent several days with relatives here, returned home Sunday.

Mr. and Mrs. Jim Cook, Mr. and Mrs. John Long and children, C. R. and Leslie Moore of Crowell

TEXON TALES

Many a self-made man doesn't
have enough to brag about. Most
of us are self-made but just the
luckier ones think its smart.

We have taken up music and
learned to play on the neighbor's
nerves. The neighbors tell the wife
I just took up music so I could play
around. I always heard a violin had
a soul but mine sounds like a lost
soul. We hear there is a new in-
strument that is a cross between
the violin and the saxophone. I was
afraid of that all the time. A gut-
tar picker can get a dollar an hour
and that is easy pickings.

When the home town merchant
quits paying the preacher, quits pay-
ing taxes, refuses to donate to any
and all charitable causes and all
those innumerable and necessary
things, then it is time to start trad-
ing with Monkey Ward. Unless it
is one of them dry years and then,
of course, we will need to buy things
on credit.

It takes money to make money
which wouldn't be so bad if the
money that makes money didn't also
make work.

I got a nice suit of clothes this
winter dirt cheap. They said it
would wear like iron and not it's the
rustiest thing you ever saw.

The place where all my clothes
are wearing out is the laundry.
The very latest Scotch joke: Two
Scotchmen, half brothers, trying to
get in on one ticket.

Married women make the best
wives. Half the married people are
wives. Other women find the best
husbands are hard to make. While
there is only one thing a married
woman will admit and that is that
she doesn't know why she married
her husband.

The wife thinks we lead a double
life since we bought a two-pants
suit. The only time she will listen
to us is when we talk in our sleep.
The secret of success is a secret.

TEXON TATTLER.

Childress Is Pulling
for Crowell Wildcats
in Basketball Race

The Childress News had the follow-
ing to say about Crowell High
School's basketball team:

"The two best basketball teams
in District 3 met in the finals of the
district tournament here Saturday
night, but no doubt was left in the
minds of the spectators as to which
was the better team of the two when
the game ended Crowell 32, Child-
dress 23. The Childress lads tried
gamely to upset the dope and beat
a better team, but the fast Crowell
boys were not to be denied.

"They have one of the most stub-
born defenses ever seen in high
school circles and the fastest break-
ing offense in the district. Time
and again in the latter stages of the
game the Foard County boys were
all in the clear for easy shots un-
derneath the basket with no one to
molest them, due to the speed with
which they covered the court.

"Childress fans are pulling for
Crowell to go places in the state
race."

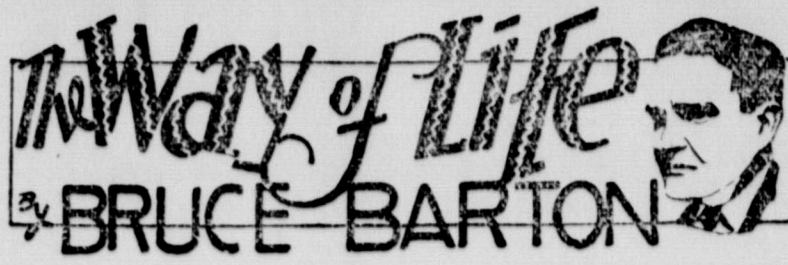

Graves and Stokes
Speak at Luncheon

I. T. Graves made a very inter-
esting talk on George Washington at
the Rotary luncheon Wednesday. He
stressed the fact that Washington
put into practice what he learned
and that there was no greater life
for children to model after than that
of Washington.

District Judge W. N. Stokes of
Vernon was also present and made
an interesting talk. Mack Boswell
gave a brief discussion concerning
the 26th anniversary of Rotary. H.
E. Ferguson was in charge of the
program.

M. S. Henry, H. K. Edwards and
Byron Reese were appointed the on-
to-Plainview committee. The con-
ference for the 41st District of Ro-
tary is in Plainview on April 20 and
21.

John Myers of Vernon was a vis-
itor at the luncheon.

Martyrs

It was once my privilege to witness the establishment of a new
religion.

The founder was John Alexander Dowie, who first appeared in
Chicago newspapers as an obscure exhorter with a talent for strong
language. Though he went through the city and suburbs holding
outdoor meetings, he attracted comparatively little attention until
one night a hoodlum hit him in the eye with a rotten egg.

At once he assumed a new character and importance. Instead
of being merely a sensational denouncer he became an incipient
martyr—a prophet persecuted for his faith. Converts flocked to
his banner, money poured in, he founded his own city, and finally
proclaimed himself the reincarnation of Elijah.

He had undoubted talent, but it was the stupidity of his opo-
nents which persecuted him into success.

The fiery old doctor, with his picturesque white whiskers, has
long since passed across the river, but I think about him whenever
the newspapers begin to talk about the danger of "Red Riots" and
police break up a harmless mass meeting with their clubs.

England, older and wiser than we in many respects, manages
these things much better. She knows that an agitator is harmless
unless you try to suppress him. Only then does he become a men-
ace. She sets aside one end of Hyde Park for the exclusive use of
agitators. There, every afternoon, and especially on Sundays,
they meet and shoot off their faces against the government, the
church and whatever else they dislike.

One of the wisest things President Hoover has done was to
release the foolish young men who were arrested for picketing the
White House. He said that he did not propose to let any silly folks
achieve "cheap martyrdom" at the government's expense.

A wise man of an earlier day was a Pharisee named Gamaliel.
When the first persecution of the Christians began he protested.

"Refrain from these men and let them alone, for if this coun-
sel or this work be of men, it will come to naught. But if it be of
God, ye cannot overthrow it, lest haply ye be found even to fight
against God."

If the Pharisees had taken his advice the new and struggling
little sect might conceivably have passed out in obscurity. But they
went on with their persecutions and "the blood of the martyrs be-
came the seed of the church."

Twenty Years

Pioneer Passes

Last Saturday night T. M. Green-
ing, one of Foard County's pioneers,
passed away. He had been confined
for more than a week with a severe
attack of pneumonia.

School Bonds Carry

The school bond election carried
Friday by the vote of 126 to 5.
That the patrons of this district did
the proper thing there is no ques-
tion. It means that we are to have
a school building to supply our
needs for many years to come. The
action is highly commendable and
speaks well for the town, besides it
is news received with delight by
the children of the school. This means
Crowell will have a \$20,000 school
building.

Call for Prohibition

We the undersigned citizens of
Foard County urgently call the
friends of prohibition and all friends
of temperance, to meet at the coun-
ty court room in the court house on
Saturday, March 11, at 2 o'clock p.
m.—T. L. Hughston, R. L. Kincaid,
B. J. Smith, S. O. Woods, T. W.
Staton.

FIFTEEN YEARS AGO
Feb. 18, 1916

Rader-Franklin

Owen D. Rader and Miss Sara
Franklin were married last week at
the home of the bride's parents south
of Crowell. The bridegroom is the
son of Mr. and Mrs. U. C. Rader of
the Foard City locality and the
bride is the daughter of Mr. and
Mrs. E. C. Franklin, who live south
of Crowell. They are both popular
in their respective communities and
enter upon married life under the
most favorable circumstances.

A. L. Sloan was here Tuesday for
the first time for three weeks. He
is still hobbling about on crutches
from having one of his feet badly
scalded by stepping into a vat of hot
water.

Propps-Thacker

A. E. Propps of Benjamin and
Miss Birdie Thacker, daughter of
Mrs. Fannie Thacker of this city,
were married at Sweetwater Sunday
by Rev. G. S. Hardy. The bride-
groom is a stranger to the people of
Crowell, but Miss Thacker was reared
at Crowell and is one of Foard
County's most popular and lovable
young ladies.

Grady Thacker has sold his 17
acres at the north edge of the city
to Bob Banister and has gone to
California where he intends to lo-
cate permanently.

M. E. MISSIONARY SOCIETY

A social meeting of the M. E. Mis-
sionary Society was held at the home
of Mrs. S. S. Bell last Tuesday after-
noon with Mrs. Bell and Miss Emily
Purcell joint hostesses. The devo-
tional was led by Miss Purcell from
Luke 15:11-24. Mrs. Jeff Bruce
was in charge of the program with
Mrs. Ben Hinds, Mrs. T. L. Hughston
and Mrs. R. R. Magee assisting.
The Missionary Bulletin was pre-
sented by Mrs. B. J. Osborn. Mrs.
W. B. Johnson had charge of the
social hour with games and contests
which were enjoyed by all. Mrs. A.

Y. Beverly gave the high points in
the lives of famous men born in
February, Dickens, Edison, Lincoln,
Longfellow and Washington.

Refreshments of sandwiches, pick-
les, cake and tea were served to 12
members and one visitor.

The next meeting will be a business
meeting and will be held at the
church next Monday afternoon.

Kentucky Man
Says Crazy Crystals
Are Wonderful

Feels Better Than He Has in 40
Years

I have been a sufferer with nerv-
ous indigestion and stomach trouble
for the past twenty years, and have

tried almost everything recommend-
ed by physicians and friends with
but very little relief.

I heard of this wonderful water
at Mineral Wells and concluded to
try it out some two months ago.
Words will not express my sincere
pleasure with this wonderful crystal-
lized water that has helped me so
much in this very short period of
time, and I can most heartily recom-
mend it to anyone suffering from
indigestion and stomach trouble.

C. D. BARBER, Manager
Dry Goods Department,
J. A. Ruby & Sons,
Paducah, Kentucky.

The new, million dollar, Crazy
Water Hotel at Mineral Wells, Texas,
covers an entire block of ground. It

is natural to think it would be
pensive to stop at this magnifi-
cent hotel; yet, you can enjoy its
hospitality, pleasing service and
receive the benefits of the Crazy
Water Treatment at very
reasonable rates. If you have rheu-
matism, stomach trouble, diabetes,
itis, kidney trouble or any dis-
easement brought on by faulty di-
etion, we urge you to write
Crazy Water Hotel, Mineral
Wells, Texas, for full and complete
information about their treatment.

A fungus developed in a Cal-
ifornia laboratory is expected to eradi-
cate the cut worm pest from New
England wick farms.

**"You can bet your
Bottom Dollar
Germ-Processed Oil
won't fail you
these cold days"**

The multitude of motorists who have switched to Conoco Germ-Processed Motor Oil know what a great oil it is for summer use. Maybe they are wondering how it will act in cold weather at zero and below. The makers of Conoco know. Better still, thousands of users know, from their experiences of last winter. In Canada, Montana, the Dakotas... in Denver... with temperatures far under zero, Conoco Germ-Processed did not congeal. It remained fluid and continued to furnish efficient lubrication.

This accomplishment is no surprise. Conoco Germ-Processed is easy starting, non-congealing at sub-zero temperatures, because it is a thoroughly de-waxed paraffin base oil. The Penetrative Lubricity of Germ Process makes certain an ever-present lubricating film in your motor, even after long periods of idleness... particularly valuable at starting time, when 40% to 60% of motor wear occurs.

Save this wear on your motor... your battery... your nerves. Drain and refill now with the proper grade of Conoco Germ-Processed oil at the sign of the Conoco Red Triangle. All grades, 35¢ per quart.

CONOCO GERM PROCESSED PARAFFIN BASE MOTOR OIL

Tune in on Conoco Listener's Hour... On 16 leading stations across the country... a program somewhere every day from Monday to Friday. Your nearest Conoco station will give you a log of stations, days and time. Here is a unique radio program... built upon the preference of the listeners.

Fish and oysters every Friday and Saturday.—Meason Meat Market.

Night service until 9 a. m. every night but Sunday.—Allen Chev. Co.

Bring your family to Crowell Friday, March 6th. Free show for wives and children.—Rialto.

Mr. and Mrs. John Boswell and little son of Wichita Falls visited Mr. Boswell's brother, Mack Boswell, here Sunday.

Come to Crowell and trade Friday, March 6th, and send the women and children to the movie free, from 4 until 5 p. m.—Rialto.

A boy, Robert Alex, was born to Mr. and Mrs. Herbert Edwards Thursday morning. Mother and child are doing nicely.

Mr. and Mrs. Grayson Brown and son, Billie Harlowe, of Brownwood are here visiting in the home of Mrs. Brown's uncle, S. T. Knox.

Faye Beidleman is now managing the Whiteway Service Station for Magnolia Petroleum Co. George Hinds is owner of the station.

Mr. and Mrs. Glynn Shultz and children of Davidson, Oklahoma, were here over the week-end visiting Mr. Shultz's mother, Mrs. J. H. Shultz.

Mrs. T. M. Beverly returned Wednesday from a visit of several months with her sister in McKinney. She was met in Vernon by Mr. and Mrs. Russell Beverly.

Mr. and Mrs. John Woodbine, formerly of Littlefield, are now making their home in the residence recently vacated by Jesse Owens and family. Mr. Woodbine was recently transferred as bookkeeper to the Wm. Cameron Co. here.

Mr. and Mrs. Geo. Johnson and son, Wayne, and daughter, Helen, of Canyon and Misses Mary Ragland Thompson and Elsie Faye Roark, who are attending school there came down Sunday to attend the funeral of J. A. Wright. They returned to Canyon Tuesday.

Funeral services were held Monday afternoon at 3 o'clock in the Methodist Church with a great crowd filling the church building. Rev. R. A. Stewart of Vernon, presiding elder for the Vernon district and a former pastor of the Crowell church, read the obituary and scripture. Rev. B. J. Osborn, pastor of the church, delivered a very appropriate sermon.

A quartet composed of R. H. Cooper, Chas. Thompson, Duke Wallace and A. Y. Beverly, accompanied by Mrs. Arnold Rucker at the piano, gave a special number. Mr. Wallace led the choir with Mrs. Sam Crews as accompanist.

Pall bearers were: John Ray, N. J. Roberts, Chas. Thompson, J. R. A. Y. and L. A. Beverly. Honorary pall bearers were Curtis Ribble, Doyle Kenner, D. R. Magee, Ed Maynard and Grady Thacker.

Flowerbearers were Mrs. J. R. Beverly, Mrs. Clyde McKown, Mrs. A. Y. Beverly, Mrs. L. A. Beverly, Mrs. W. B. Johnson and Mrs. H. C. Roark. The floral offerings were beautiful and numerous.

Interment was made in the Crowell cemetery.

Mr. Wright dressed himself for burial as no change was made in his clothing after his death. This was particularly appropriate inasmuch as he had dressed himself for church services, where his many friends were accustomed to seeing him during all the years. He died as he had lived—ready to do his part in a

worthy service. Always disregarding his own feelings and weather conditions, Mr. Wright assisted in great numbers of church and funeral services no matter how badly he felt or how bad the weather was. Truly, his death was emblematic of the beautiful life he had lived.

Friends from out of the county that came to Crowell for the funeral were: K. A. Wells, Dalhart; Mr. and Mrs. George Johnson, Canyon; Mr. and Mrs. M. M. Harkins, Quanah; Mrs. Lee Shirley and son, Ray, of Vernon, and Rev. and Mrs. R. A. Stewart, Vernon.

One bottle of Kruschen Salts (lasts 4 weeks) costs but 85 cents and one bottle will prove of vast benefit to people who have constipation, headaches, indigestion, nervousness, rheumatism, depression, acidity and auto-intoxication.

Not only that but one bottle will bring about body activity—increased energy, vigor and ambition, sparkling eyes and freedom from pimples.

Funeral services were held Monday afternoon at 3 o'clock in the Methodist Church with a great crowd filling the church building. Rev. R. A. Stewart of Vernon, presiding elder for the Vernon district and a former pastor of the Crowell church, read the obituary and scripture. Rev. B. J. Osborn, pastor of the church, delivered a very appropriate sermon.

A quartet composed of R. H. Cooper, Chas. Thompson, Duke Wallace and A. Y. Beverly, accompanied by Mrs. Arnold Rucker at the piano, gave a special number. Mr. Wallace led the choir with Mrs. Sam Crews as accompanist.

Pall bearers were: John Ray, N. J. Roberts, Chas. Thompson, J. R. A. Y. and L. A. Beverly. Honorary pall bearers were Curtis Ribble, Doyle Kenner, D. R. Magee, Ed Maynard and Grady Thacker.

Flowerbearers were Mrs. J. R. Beverly, Mrs. Clyde McKown, Mrs. A. Y. Beverly, Mrs. L. A. Beverly, Mrs. W. B. Johnson and Mrs. H. C. Roark. The floral offerings were beautiful and numerous.

Interment was made in the Crowell cemetery.

Mr. Wright dressed himself for burial as no change was made in his clothing after his death. This was particularly appropriate inasmuch as he had dressed himself for church services, where his many friends were accustomed to seeing him during all the years. He died as he had lived—ready to do his part in a

worthy service. Always disregarding his own feelings and weather conditions, Mr. Wright assisted in great numbers of church and funeral services no matter how badly he felt or how bad the weather was. Truly, his death was emblematic of the beautiful life he had lived.

Friends from out of the county that came to Crowell for the funeral were: K. A. Wells, Dalhart; Mr. and Mrs. George Johnson, Canyon; Mr. and Mrs. M. M. Harkins, Quanah; Mrs. Lee Shirley and son, Ray, of Vernon, and Rev. and Mrs. R. A. Stewart, Vernon.

One bottle of Kruschen Salts (lasts 4 weeks) costs but 85 cents and one bottle will prove of vast benefit to people who have constipation, headaches, indigestion, nervousness, rheumatism, depression, acidity and auto-intoxication.

Not only that but one bottle will bring about body activity—increased energy, vigor and ambition, sparkling eyes and freedom from pimples.

J. A. Wright

(Continued from Page 1)

1891 as a commission to organize Foard County, J. H. Self of this city and J. C. Sanders, deceased, were the other members of this commission.

Mr. Wright was also Foard County's first tax assessor. He served in this office for six years and followed with six years service as county clerk. He served two years as deputy sheriff. Beginning in 1905 he served for ten consecutive years as postmaster of Crowell. In 1917 he again became postmaster and after two more years in this position he concluded his service in this work in 1918.

As a church worker he had served as Sunday school superintendent, steward, trustee and choir director. He was converted during a revival conducted in 1891 by Rev. Gibson and Rev. G. S. Hardy and united with the Methodist Church.

Jacob Alexander Wright was born on August 6, 1854, near Woodstock, Virginia. His mother died when he was 7 years of age and his father died 7 years later. He had but a meager chance for an education as his early years were spent during the Civil War and the Reconstruction period.

After the war he lived with his brother and went to school two years. He then went to Ohio where he lived four years, working in the summer and going to school in the winter. In 1872 he came to Fort Worth and later moved to Denton County, where he married Miss Nannie Elizabeth Julian on Sept. 26, 1882. They came to Foard County in the fall of 1886 and settled on the farm near Crowell, where they resided along with the home in this city during their life here. Mrs. Wright died on Feb. 21, 1929, almost exactly two years previous to her husband's death.

Five children were born to this union. They were: Maggie, Myrtle, Josie, Bennie and Julian. Bennie, who is now Mrs. Paul Shirley, was the first child born in Foard County after its organization. Two of the children, Maggie and Myrtle, died a number of years ago and those now surviving are Miss Josie Wright, Mrs. Shirley and Julian Wright, all of this city. A granddaughter, Margaret Claire Shirley, also survives.

Funeral services were held Monday afternoon at 3 o'clock in the Methodist Church with a great crowd filling the church building. Rev. R. A. Stewart of Vernon, presiding elder for the Vernon district and a former pastor of the Crowell church, read the obituary and scripture. Rev. B. J. THALIA JUMBO 4-H CLUB

The Thalia 4-H Jumbo Club met Tuesday night, February 24. They met in the Thalia School building where a short program was rendered. The following program was given: several jokes were read by Rowland Whatley, a discussion on "How to Care for Poultry" by Herman Whatley. "How to Cultivate Your Land" by Erwin Reed, "How to Care for Dairy Stock" by William Wisdom, "How to Build and How to Keep a Chicken House" by Artie Cato and A. B. McElroy, and a talk by A. L. Fincher, who is our local leader. The program was enjoyed very much. After the program Charlie B. Wisdom appointed a program committee of Rowland Whatley, William Wisdom and A. B. McElroy. A social committee was then appointed of Arlie Cato, Sim V. Gamble and Jessie Grimm. The club will meet again the second Tuesday night in March.—Reporter.

CHURCHES

Christian Science Sunday, 11 a. m. Subject for Sunday, March 1, "Christ Jesus." Sunday School at 9:30. Wednesday evening service at 8:00. The public is cordially invited.

At the Methodist Church Sunday School, 9:45 a. m. Preaching, 11 a. m. and 7:15 p. m. League, 6:15 p. m. Woman's Missionary Society, Monday, 3 p. m. Prayermeeting, Wednesday 7:30 p. m.

Attendance at all services was splendid last Sunday. The message at the morning hour closed the "Cultivation Period for Kingdom Extension," which has been the program of the whole church for January and February.

Jesus began his earthly ministry by "Preaching the Gospel of the Kingdom." He announced emphatically that "The Kingdom of Heaven is at hand." He bade men to enter it. He said that "It is your Father's good pleasure to give you the Kingdom." He taught his disciples to pray, "Thy Kingdom come." He said that, "Many shall come from the east and from the west, and shall sit down with Abraham, and Isaac, and Jacob, in the Kingdom of Heaven."

Before he left the earth to ascend the throne of the Kingdom as the King of Kings, he commanded the church to "Go ye into all the world, and preach the gospel to every creature."

Therefore, the big task of the church is to "Extend the Kingdom" into every field, both in territory, and in conditions.

Come to our services, get the spirit of the Kingdom, and help us extend it into every place and condition in Crowell, in an especial manner.

Meet us at the Methodist church next Sunday morning. B. J. OSBORN.

Baptist Church News

There were two additions to our church last Sunday, Mr. and Mrs. Woodbine. Mr. Woodbine has a position with Cameron Lumber Co. All of the services were of the best we have ever had. The attendance at preaching was marvelous. Surely no revival ever held in Crowell produced a better after effect than the Grimm-Cohen revival.

The Sunday School and B. Y. P. U.'s were fine also. The Juniors delighted those who were early at church Sunday evening with a fine program just before the church hour. Next Sunday the Seniors will give us a treat. Remember, just fifteen minutes before the preaching service in the evening.

The prayermeeting and teachers' meeting is growing weekly. We had the best prayermeeting last Wednesday night that we have had since the revival.

The pastor preached at Black school house Sunday at 3 p. m. The house was full and running over. We had a great time. Their Sunday School, under the direction of Charlie Gaffard, is growing and one can but feel very happy to be there.

Notice change—Sunday School 9:45; preaching at 11 a. m. and 7:15 p. m., B. Y. P. U. at 6:15 p. m., teachers meeting 6:45 p. m., prayermeeting at 7:30 p. m., choir practice at 8:15 p. m. Wednesday, W. M. S. 3:00 p. m. Monday. A good place to serve and worship. Come and Welcome. WOODIE W. SMITH, Pastor.

Christian Church

One hundred in attendance yesterday, though an improvement over the last two Sundays, still lacks several being enough to insure our average attendance of 102 for the year. Our average to date is 91.

In order to bring our average up to 102 by April 1st, we should have at least 125 every Lord's Day until that time. Let's do it.

The Gospel Team (Men's Class), had its picture made Sunday. Come next Sunday and see it. The Gospel Team is doing the best work of its history. Don't forget the meeting at Vivian March 8th to March 15th. "The Ordinances of the Lord" will be the subject of the sermon next Sunday morning. We believe you will enjoy this message.

Mid-week services are interesting. Come and help us make them better. Bro. Leslie Moore will bring the evening message next Sunday. If you have not heard him, you have missed something good. We were pleased with our increased attendance last Sunday evening. Surely this is a good sign of improvement.

Gambleville and Black at 3 o'clock in the afternoon, and Vivian at 7:15 in the evening are the three appointments of the Gospel team for next Sunday. The Gospel team goes to Black on first and third Sundays.

We assisted in the funeral services of Bro. W. M. Usrey, father of Mrs. W. A. Love of Foard City, last Sunday evening at 3 o'clock. We extend to Mrs. Love and her family our kindest sympathy and pray that in her Lord she may find comfort for a sorrowful heart.

Don't forget the C. E. Convention at Quanah Feb. 27, 28 and March 1. For 25 cents you can receive the Christian Standard for three months, by seeing the writer. He received them in bundles of 15 for distribution and has several copies untaken. Visit your best friend in His house next Sunday by attending the services at the Church. C. V. ALLEN, Pastor.

Presbyterian Church

Rev. Bryant will be with us Sunday to preach at both the morning and evening hour. Sunday School starts at 10 a. m. Your presence at all of these services will be appreciated. A warm welcome awaits you.—Reporter.

The G. A. Some of the girls have asked what is the purpose of the Girls' Auxiliary and why is it being organized?

The aim of the G. A. is to be awake to conditions about us, to guard our minds against evil, to keep our bodies as temples of God, to cast out selfishness of our hearts, and the greatest of all, to broaden the Kingdom of God.

The Girls' Auxiliary will meet again at the First Baptist Church at Crowell Saturday afternoon. All girls from 9 to 16 years of age are invited to be present. Come and join the happy throng

and bring others with you.—Reporter.

Christian Science Churches "MIND" was the lesson-sermon in all Churches of Christ, Scientist, Sunday, February 22.

Isaiah 11:9 furnished the golden text: "The earth shall be full of the knowledge of the Lord, as the waters cover the sea."

The lesson-sermon included the following passages from the Bible: "O the depth of the riches of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways are past finding out! For who hath known the mind of the Lord? or who hath been his counsellor? For of him, and through him, and to him, are all things: to whom be glory forever"—Romans 11:33, 34, 36.

The following citations from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, were also included: "Mind is God, and God is not seen by material sense, because Mind is Spirit, which material sense cannot discern. Mind is the I AM, or infinity. Mind never enters the finite. Intelligence never passes into non-intelligence, or matter. The divine Ego, or individuality, is reflected in all spiritual individuality from the infinitesimal to the infinite."

FORD COMFORT

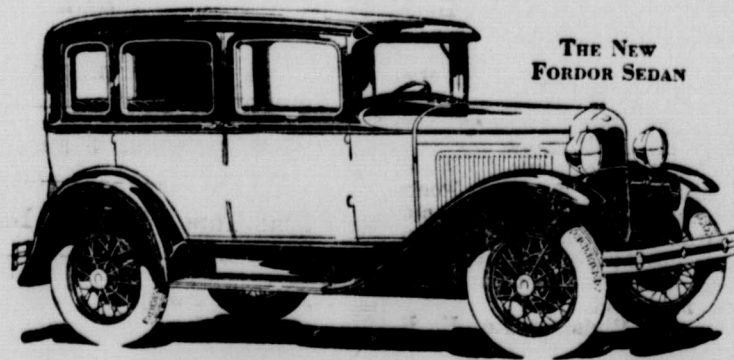

Every new Ford is equipped with four Houdaille double-acting hydraulic shock absorbers

ONE of the fine things about driving the new Ford is the way it takes you over the miles without strain or fatigue. No matter how long the trip, you know it will bring you safely, quickly, comfortably to the journey's end.

The seats are generously wide, deeply cushioned and carefully designed to conform to the curves of the body. Every new Ford has specially designed springs and four Houdaille double-acting hydraulic shock absorbers. These work both ways — up and down. They absorb the force of road shocks and also provide a cushion against the rebound of the springs.

Other features that make the new Ford a value far above the price are the Triplex shatter-proof glass windshield, silent, fully enclosed four-wheel brakes, more than twenty ball and roller bearings, extensive use of fine steel forgings, aluminum pistons, chrome silicon alloy valves, torque-tube drive, Rustless Steel and unusual accuracy in manufacturing.

In addition, you save many dollars because of the low first cost of the new Ford, low cost of operation and up-keep, and low yearly depreciation.

LOW PRICES OF FORD CARS

\$430 to \$630

F. O. B. Detroit, plus freight and delivery. Bumpers and spare tire extra at small cost. You can purchase a Ford on economical terms through the Authorized Ford Finance Plans of the Universal Credit Company.

Tractor Time Is Here

Money is scarce and you are going to want to operate your tractor in the most economical manner possible.

At the same time you are going to want to secure the best service from your machine and naturally it takes the best fuel and oil to accomplish this.

So, if you want to save money and cure the best results from your tractor, FALLS PRODUCTS.

ORCHESTRA PLAYS AT ASSEMBLY

The Juniors sponsored one of the most clever programs of the year Monday morning. The Crowell orchestra presented several musical numbers, and Marion Crowell read musical tragedy which fit in the program. The tragedy was entitled "Sweet Trust a Woman." The program opened with "Sweet Jenny" which Marion then stated that she had written. Marion asked him to be a coach. Marion said that "they're going me crazy." Then Marion read the play. Wanda Rose Liles presented two things which were greatly enjoyed.

able to stay in one place. When the crowd was fully a quarter of a mile away, supper was called. Everyone was more than pleased with fried potatoes, eggs, bacon, oranges and coffee with very little cream.

Question baseball, skip and various other outdoor games were played. The belt-line proved to be the best form of amusement, for the leather belts proved to be good weapons for revenge. Not only this game, but the whole social was a howling success.

FIRE PREVENTIONS

Theme of the Week Peggy Thompson, Sophomore

Fire prevention has become a national movement. It has been the means of decreasing fire loss to a great extent. This has been brought about by the united efforts of the people, not only adults, but school children.

Carelessness is, perhaps, the outstanding cause of fires in this modern age. In this class may come the common habit of throwing down lighted matches, cigarettes, and cigars. These often fall upon substances which are easily ignited, and cause disastrous fires.

Gasoline is highly inflammable and should be handled with great care. Never strike a match near an open gas container. Probably you have all read in newspapers of the most horrible accidents caused by gasoline explosions, which should impress upon your minds the necessity of being more careful and cautious in handling gasoline.

Electricity causes more fires than we seem to be able to realize. Defective wiring is the most outstanding one. This is often unsuspected and, therefore, it is well to have the wiring inspected at stated intervals. Electric irons cause great fires. This week in our school we came very near to having a most terrible fire, which would have been caused by one's carelessness with an electric iron.

Spontaneous combustion, though not so common, is a well-known origin of a great many fires. This is also a secret foe and must be carefully safe-guarded.

There is still another cause of fire which should be mentioned. This one is the incendiary fires, where a person deliberately sets fire to property. This is often done to collect insurance, and some people have become very proficient in causing these fires.

It is to avoid loss of lives and property through fires that the fire prevention movement has been launched. It has already accomplished great things in our nation, and in the future we hope to see avoidable fires completely outlawed.

GRAMMAR SCHOOL

The children from the high second and low third grades from Mrs. Danny Graves' room gave a program for the grade school assembly last Wednesday morning.

They presented a program of the months. Father Time called each of his children, the months of the year, and a dance, game or skit representative of that month was given. The children gave a happy presentation of their program and it was enjoyed by the children and teachers of all grades together with a number of visitors. Mrs. Sidney Miller furnished piano accompaniments for the program. Visitors are always welcome at the grade-school assemblies which are held each Wednesday morning at 8:50.

WHAT IS A GOOD SPORT?

Some of the following are the answers given by students: Rags Lanier states—"A good sport is one who receives 13 horrible Christmas ties, or graduation ones, thanks each giver, and wears every tie.

Guy Todd relates—a good sport is a person who refrains from interfering with another's game.

Crews Cooper says a good sport wins without crowing and loses without crying. (No slams intended)

John Todd says—Good sportsmanship consists in never whining or griping at the referee's fate.

Jimmie Lois believes that a really good sport carries on uncomplainingly through all difficulties and spreads a little sunshine on others' paths.

Alyne and Anabel believe good sports are generous. (Don't get the wrong impression, they're not conceited, really.)

Ralph Burrow's idea is the person who will play the game even when the winnings are the other fellow's.

Leslie Thomas says that Rudyard Kipling's "If" sums up a good sport.

WHAT WOULD HAPPEN IF—

Miss Ball lost her temper? Henry Black failed to give a test every day?

Winnie Self were to flunk the Seniors? Some boy tried to flirt with Juanita Sanders?

The Junior didn't give the Seniors a banquet? Orville Orr were to lose his glasses?

Clinton's Ball birthday hadn't come on Sunday?

GIRLS' BASKETBALL GAME AT FOARD CITY

The girls' basketball team played Foard City girls Friday at Foard City after school. It was quite an interesting game, for at the end of the last quarter, the schools were tied 8 to 8. The girls were allowed five minutes to play off the tie and Crowell, scoring two more points, won the game.

YOU DON'T HAVE TO BELIEVE THESE EITHER

Startling Facts A. L. Sloan, the great mail carrier never had any hair on his head when he was two weeks old or when he was fifty years old.

Although the store of W. R. Womack has been open for 20 years, he has never sold a pair of shoes. (It is a furniture store.)

Although troubled with asthma for 15 years, Alyne has never missed a day of school. (It was Rags' asthma that troubled her.)

William Ricks has lived on a farm all his life but he has never milked a goat. (He milked cows.)

STRANGE AS IT SEEMS

The district champs can not be given enough praise. Too much would still be too little.

Some boys and girls just have to fall in and out of love.

Coach cannot keep from saying "Now get studying," no matter how

SAME PRESCRIPTION HE WROTE IN 1892

When Dr. Caldwell started to practice medicine, back in 1875, the needs for a laxative were not as great as today. People lived normal lives, ate plain, wholesome food, and got plenty of fresh air. But even that early there were drastic physics and purges for the relief of constipation which Dr. Caldwell did not believe were good for human beings. The prescription for constipation that he used early in his practice, and which he put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid vegetable remedy, intended for women, children and elderly people, and they need just such a mild, safe bowel stimulant.

This prescription has proven its worth and is now the largest selling liquid laxative. It has won the confidence of people who needed it to get relief from headaches, biliousness, flatulence, indigestion, loss of appetite and sleep, bad breath, dyspepsia, colds, fevers. At your druggist, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois, for free trial bottle.

vexed it makes the students.

Some things will always be run into the ground. For instance, Miss Ball and Mr. Black's personal affairs.

All of the boys gold basketballs are still being worn by the rightful owner.

Olney beat Crowell. The Juniors' program was thoroughly enjoyed. The credit due belongs to the orchestra and its leader.

ANSWERS

1. It was invented in 1866 by Alfred Noble. He received a fortune for this invention; and he is the donor of the "Noble Prize" given for the greatest achievements made in literature each year.

2. It is made out of nitroglycerine held by an absorbent called the "dope." Nitro-glycerine is made by treating common glycerine with nitric acid which forms a light, yellow liquid. This liquid is absorbed by the "dope."

3. Fifty percent.

4. French, Italian, Spanish.

5. Alfred the Great.

6. The rhythmical creation of beauty.

7. Early man counted on his fingers and since we have ten fingers, this number was used as a multiple of the numerical system that we have.

8. No. However, this story was told because he was a very truthful boy.

9. It was the one-armed soldier, hero of the battle of Lepanto, Miguel de Cervantes Saavedra. The author of Don Quixote.

10. She produced the "Poems del Cid," one of the three great epics of the world.

BLACK

(By Special Correspondent)

You Get "Comfortable" Glasses Here

A large degree of the benefit you derive from glasses comes of their fitting accurately, securely and comfortably.

There are no two faces in the wide world exactly alike, therefore it is a matter of impossibility for a person to get a proper fitting from "stock" glasses.

We have made a special study of frame measurements and frame bending and we understand how to fit glasses that give satisfaction from a standpoint of seeing, and also from the standpoint of ease and comfort to the wearer.
