THE "GOOD OLD DAYS"

When you hear an old-timer sigh for the days of his youth, when many of the conveniences of this age were unknown, smile to yourself and think of this:

The ancients got along without automobiles, radios, soap, stoves, toothbrushes, window glass, railroads, telephones—without practically all of the things we now regard as the bare essentials of life.

There never has been a time when life bettered itself so rapidly and so consistently as now. New conveniences and new comforts are continually being thought out and brought out for your benefit.

In order to reap the advantages that are yours today, you must read the advertisements. They bring you news of all that the world of invention and discovery is doing to make your work easier, your home life more pleasant, your clothing and food problems less difficult. They keep you informed of all that is new in the market and stores. They tell you not only about the things, the styles, the varieties and prices, but also where and when these things are to be had.

The first trans-Atlantic cable was laid in 1866.

Student of Abilene Christian College Endorses It

Argotane Has Straightened Me Out and I Know from Experience It is a Good Medicine

Argotane has straightened me out and I am in fine shape now," said T. D. Travis of 242 Graham St., Abilene, Texas. Mr. Travis does the distribution for all the local advertising firms and is a very popular student of A. C. C.

"I suffered terribly from stomach disorders. The things I ate wouldn't agree with me and I would have pains in my back and in my abdomen that would be quite severe and at times I suffered greatly from headaches and would often get so bilious and dizzy every time I stooped over I would nearly fall.

"I read so much about Argotane and heard so many people talking about it I decided that it would help in my case as it has proven. Argotane has got me in fine shape and I am not bothered with stomach disorders any more and my food doesn't bother me as it did and I'm not bilious or dizzy any more. I don't have headache any more. I am, in fact, feeling splendid. Argotane began helping me right from the start and I have only taken one bottle and feel like a new person. My health is restored and I know Argotane to be a fine medicine from my own experience."

Genuine Argotane may be bought in Crowell at the Reeder Drug Co.

"Tin" Uniforms

Election day is approaching in Poland so the Warsaw police are being outfitted with bullet-proof steel jackets and helmets.

ABANDONS "WET" CARGO

San Benito, Texas, Oct. 23 (UP).—Officers searched in vain last week for the driver of an automobile who abandoned his machine and a cargo of liquor after a wreck on a highway curve near here.

The driver did not give his name when he ordered a wrecker to come and tow the car in.

CAVERN IS POPULAR

Carlsbad, N. M., Oct. 23 (UP).—Cavern visitors during this month are expected to exceed in number the total of 8,532 who went beneath the ground during the same month in 1929. By the middle of the month over 7,000 had visited the cave.

There are some 7,000,000 dogs in the United States.

Three-fourths of Iceland is uninhabitable.

CROWELL SERVICE STATION

When PAIN Comes

WHAT many people call indigestion very often means excess acid in the stomach. The stomach nerves have been over-stimulated, and food sours. The corrective is an alkali, which quickly neutralizes acids. And the best alkali known to medical science is Phillips Milk of Magnesia.

One spoonful of this harmless, tasteless alkali neutralizes instantly many times as much harmful acid, and then the symptoms disappear at once. You will never use crude methods when once you learn the efficiency of this. Go get a small bottle to try.

Get the genuine Phillips Milk of Magnesia, the kind physicians have prescribed for 50 years in correcting excess acids. 25c and 50c a bottle—any drugstore.

Mrs. Herrington's father, Mr. White, of Chilchoat is visiting here.

MANY YEARS UNITE DAD AND DAUGHTER

Ladonia, Texas, Oct. 30 (UP).—Two score years and one after he last gazed on his child, an infant of two years, J. E. McGimpsey was reunited with her here.

At the age of 66 he came here to join the daughter he had long since given up for dead.

In casual conversation with Mr. and Mrs. A. J. Johnson, an inquiry concerning her relatives in Georgia was put by John Craig. He informed her that her father was still living and she established communication.

McGimpsey came from Resaca, Ga., as the guest of his daughter. He and his first wife were separated when the daughter was two years old. Their ways separated and he had never heard of the child until she, Mrs. Johnson, wrote to him.

Baylon had its jewel market in 4,000 B. C.

MINUTE MEN OF THE OLD FRONTIER

By AUSTIN CALLAN

The Texas Ranger of the Frontier days was a deadly foe to the red man. He could ride faster and shoot straighter than the average soldier of Uncle Sam's. His place in the history of the frontier is unique and his reputation as a fighting man will live forever along with that of Kipling's "Fuzzy-Wuzzy."

But there were men who rode the range in that far distant day more dreaded by savages than the rangers. They were the old-fashioned cowboys—those minute men of the frontier with cap-and-ball six-shooter and trusty pony. They helped to make the cattle country safe and blazed a pathway through the wilds for the covered wagon.

The above story of adventure entitled, "Minute Men of the Old Frontier," by the well known writer, Austin Callan, will be published in the Monthly Magazine Section of The Foard County News, November 7.

NOVEL RESTAURANT OPERATES IN PARIS

Paris—At an ultra-modern restaurant here, you do not receive a menu. All you receive are penetrating looks from what appears to be the head waiter. After he has looked at you for some time he call two assistants and they look at you, after which all three go into consultation. Then, without a word from you, they bring you in a meal. They are "Food

diagnosers," and they don't bring you what you want, but what they think is your food affinity.

DISPLAY RARE FRUIT

San Angelo, Texas, Oct. 23 (UP).—The jujube, a rare fruit in Texas, featured one of the exhibits of the West Texas Exposition last week. The fruit is a native of Mediterranean regions, and was grown by Mrs. J. Hymans of Del Rio.

Let a Classified Ad in The News Make You a Profit

Whether times are hard or prosperous, classified ads will give results. When times are hard people are looking for bargains and the classified column offers a person the best and most economical method of telling the public about something that you have for sale.

Also if you want something, have a room or house for rent, a little ad in the classified column will work wonders. If you have something for which you have no further use, why not dispose of it by running a classified ad which will be read by hundreds of local people.

Cold weather is motor-punishing weather... Now, more than ever, you need the extra protection of this DE-WAXED, EASY-STARTING OIL

CONOCO

In cold weather motors usually are hard to start, but Conoco Germ-Processed oil actually makes starting easier!

There are two good reasons for this.

First: Germ-Processed oil is thoroughly de-waxed and does not congeal at low temperatures. Second: Germ-Processed oil does not drain away during periods of motor idleness.

The initial "turning over" process is made easier by the protective lubricating film which is on duty before you touch the starter. The usual 40% to 60% of motor wear occurring during the starting period is greatly reduced. Conoco Germ-Processed Motor Oil gives you safe starting—and quick starting, even at zero temperatures.

Change now to this new oil. Use it all winter for motor safety and economy. You always will find Germ-Processed Motor Oil at stations bearing the Conoco Red Triangle.

CONOCO GERM PROCESSED PARAFFIN BASE MOTOR OIL

SAVE AT LEAST ONE-TENTH OF WHAT YOU EARN

You should put one dollar out of every ten in your thrift and opportunity account and more if you possibly can, out of each week's salary. Then add to this your surplus dollars—money that you would otherwise spend foolishly and watch the total of your savings grow.

You will soon have enough to begin to realize your ambitions in life.

This Is The Bank You Need

Not just because it is a home bank and possibly managed by your friends, but because of its excellent points of service.

Dolls for kiddies.—Self's.

Leo Spencer was a business visitor in Wheeler Monday.

Garland Burns and family of Paducah were visitors here Sunday.

Remember the County Federation meeting at Thalia, Wednesday, Nov. 5.

Gordon Gribble attended the S. M. U. Indiana football game at the Dallas Fair Saturday.

Be sure and be at Thalia at 10:30 a. m., Wednesday, Nov. 5, for the County Federation meeting.

Mrs. R. P. Boman of Margaret spent the week-end visiting in the home of her son, Oscar Boman.

FOR RENT—2 furnished rooms for light house-keeping or one bed room.—Mrs. W. R. Tuttle, Phone 52. 20

Mrs. Lona T. Shawver, Edward Huffman and M. S. Henry returned Sunday after a visit of a few days at the Dallas Fair.

Glen Fox of Knox City, former resident of this city, was one of the visitors at the Crowell-Knox City football game Friday.

Miss Kate White was the official representative of the Crowell chapter of the Eastern Star at the meeting of the grand chapter in San Angelo this week.

A. E. Dumont, postmaster of Paducah, was a visitor in Crowell Wednesday. He accompanied Pat Howe of Dallas, who spoke here Wednesday to this city.

Owing to the stress of the times it is possible that there are children who are unable to attend school on account of lack of clothing or supplies. If there are any such, provision will be made for them if they or their parents will see Supt. I. T. Graves at the High School building or at his home.

Mr. and Mrs. H. K. Jackson and children of Seymour, Mrs. J. M. Dawson, a teacher in the Seymour schools, were visitors in the home of J. H. Self Sunday. Mrs. Dawson is the wife of the pastor of the First Baptist Church at Waco and spoke at the local Baptist Church Sunday evening. She was the Sunday School teacher of Miss Winnie Self while she was attending Baylor University.

New shoes this week.—Self's.

Ladies coats, the newest.—Self's.

Mr. and Mrs. H. K. Edwards and children and Bert Self returned Sunday from a visit to the Dallas Fair.

W. R. Womack and son, Recie, Grady Graves, John Todd, Ragsdale Lanier and Guy Todd attended the S. M. U. Indiana football game at the Dallas Fair Saturday.

Miss Lozelle Kincaid, Chillicothe High School teacher, spent the week-end visiting at her home here. She had as her week-end guest, Miss Lola Marie Drew, a Paducah school teacher.

Vance Swain is attending a law school at the University of Texas. Mr. Chatman of Haskell and Mr. Barker of Canyon, classmates of Vance at Cumberland University in Lebanon, Tennessee, last year, recently left here with him to attend the law school.

J. E. Atcheson was among the county judges and probation officers of the state in attendance at an inspection of the State Girls Training School at Gainsville Saturday. Mr. Atcheson stated that he was exceptionally impressed with the work being done by that school.

Owing to the stress of the times it is possible that there are children who are unable to attend school on account of lack of clothing or supplies. If there are any such, provision will be made for them if they or their parents will see Supt. I. T. Graves at the High School building or at his home.

Mr. and Mrs. Frank Hill spent the week-end visiting in Fort Worth. They were accompanied to Fort Worth by Mrs. J. C. Montgomery, sister of Mrs. Hill, who has been visiting here. She lives in Fort Worth. Miss Susie Tye also accompanied them on the short trip.

Mrs. Sidney Miller returned Sunday from a short visit with Mrs. Claude Brooks in Abilene. Mr. Miller drove to Abilene for her and was accompanied by Miss Louise Ball, who visited her brother, who is a student in Simmons University. On their return they visited Miss Barbara Cryer at the Knox City Hospital and reported her condition as improved.

Perspiring at a dance and over the kitchen stove are entirely different things.

Ladies coats, the best.—Self's.

House dresses, Nofades.—Self's.

Large shipment new shoes this week.—Self's.

J. E. Blakemore of Hereford was here a few days the first of the week.

Miss Marion Cheek of Wichita Falls was here to spend the week-end with homefolks.

Mr. and Mrs. Bill Norman of McAdoo were here for the week-end visiting relatives and friends.

L. Kamstra returned Wednesday from Galveston, where he visited his father, who is dangerously ill.

Mrs. G. T. Crowell, M. F. Crowell and Miss Kathryn Crowell visited relatives in Wichita Falls Sunday.

Mr. and Mrs. Walter Hoffman of Vernon were visitors Sunday at the home of Mrs. Hoffman's sister, Mrs. R. L. Kincaid.

Mrs. Frank Hofus of Fort Worth returned to her home Thursday after visiting her parents, Mr. and Mrs. J. C. Thompson.

R. L. Kendall of Kingfisher, Oklahoma, visited his nieces, Mrs. C. W. Thompson and Mrs. T. B. Klepper, here Tuesday and Wednesday.

Mrs. Raymond Bell returned to her home in Abilene Thursday after a visit for the past week in the home of her parents, Mr. and Mrs. J. C. Thompson.

Mrs. G. T. Crowell, Mrs. I. T. Graves, Miss Ludell Green and Miss Kathryn Crowell visited in the home of Mrs. Crowell's daughter, Mrs. Garland Burns, at Paducah Monday.

Governor Moody Comments As to Special Session

Austin, Texas, Oct. 30. (UP).—A special session of the state legislature may be the last resort for drouth relief, Governor Dan Moody said here, if better and more immediate relief cannot be obtained in some other way. He now believes it can. "I am not going to refuse to call a session at this time," Governor Moody said. "Neither am I going to say that I will call one."

Objections that Governor Moody sees to calling a special session are:

1. Expense, which he estimates at \$100,000.
2. Uncertainty that a quorum of the 41st legislature would answer a call.
3. Uncertainty of the action the legislature would take if convened.
4. Difficulties of financing state aid with the general fund exhausted.
5. Hesitancy about calling a session of the 42nd legislature, as he considers it part of the next administration.

In lieu of a special session, Governor Moody suggests that counties meet immediate needs by issuing warrants. This will provide securities which the banks can advance money upon. The counties can then use those funds just as they would a state appropriation. For permanent relief, the governor looks to federal action.

"I believe that federal aid will be quickly extended when congress meets in December," Governor Moody said. He frankly bases this belief more on political expediency than upon statesmanship. "The Republicans are in power," Governor Moody said. "The drouth has extended into West Virginia, Kentucky, Kansas, Ohio and states that the Republicans need in the next campaign. They are going to act promptly to keep those states in line." Texas will get relief with them, he believes.

He said that he bases his opinion that it will be difficult to get a quorum of the 41st legislature on the reported expression of legislators attending the recent legislative fraternity meeting at Dallas. Most of the members there opposed the session.

The legislative relief being proposed is enactment of a law similar to one passed in 1918. Under it the state would lend money to counties that applied. The counties would take the funds and dispense it locally. The state cannot lend direct to individuals, Governor Moody believes, even in cases of calamity. The federal government may do so, which adds to his feeling that federal relief is more desirable.

Proposed Patches to State Constitution Explained by Witt

Austin, Texas, Oct. 30. (UP).—A short statement of the gist of amendments to the state constitution upon which voters will ballot Nov. 4 has been made by State Senator Edgar Witt of Waco, chairman of a legislative committee named to present the amendments to the people.

Senator Witt said: "One amendment provides that the supreme court shall be in session throughout the year. Under the present constitution the supreme court must be in session only nine months. The amendment will not prevent the judges, one at a time, to have a vacation period, but will require that the court be open for business at all times.

"Another amendment provides for the taxation for county purposes of lands belonging to the University of Texas. These lands are located in some 17 West Texas counties; in some of the counties they form a large portion of the county, the building of its roads and public buildings, etc., contribute to the enhanced value of all the lands in the county and it seems reasonable to require that the university lands should pay its portion of these taxes as they are enhanced in value by the expenditures.

"Another amendment enlarges the field for the investment of the permanent university funds. Under the existing law these funds can only be invested in state or national bonds.

"The remaining two amendments are those dealing with the length of the regular sessions of the legislature and with compensation of its members. One of these amendments increases the length of the present 60 days regular session of the legislature to 120 days and provides that the first 30 days of this session shall be given over to the introduction of bills, the second 30 days to the consideration of these bills by committees and the remainder of the session to the consideration of the legislature in open session. It is provided, however, that this order of procedure can be changed as desired by a four-fifths vote of the members.

"The other legislative amendments increases the compensation of legislators from \$5 a day to the magnificent sum of \$10 per day and decrease the mileage now allowed members of 20 cents per mile in going and returning from the seat of government to 10 cents per mile. This amendment has been represented as 'doubling' the pay of legislators. It will have a very far different effect by reason of the 'halving' of the mileage allowance only one for a 120-day session, while under the present system 120 days would involve three

sessions and there would be paid mileage on each session at the rate of 20 cents a mile or a total of 60 cents per mile going and coming of each member from his home to the capitol, while under the amendment he would get this mileage for once and that would be 10 cents. In other words, under the amendment a member for a session of 120 days would get a mileage allowance of just one-sixth the amount that he would get under the present constitution."

would get under the present constitution."

A description of such warrants and plans and specifications may be had upon application to the County Judge, Crowell, Texas, or C. S. Leinbach, Central Bank Building, Dallas, Texas. 22

PINKY DINKY Everybody Makes Mistakes By Terry Gilkison

CHURCHES

Christian Science

Sunday, 11 a. m. Subject for Sunday, Nov. 2, "Everlasting Punishment."
Death.
Sunday School at 9:30. Wednesday evening service at 8:00.
The public is cordially invited.

Presbyterian Church

Rev. J. T. Bryant will be present Sunday to conduct services at both the morning and evening hours. Sunday School begins at 10 o'clock; morning services at 11 and evening services at 7 o'clock. You are cordially invited to attend.

At the Methodist Church

Sunday School, 9:45 a. m.
Preaching, 11 a. m. and 7 p. m.
Leagues, 6 p. m.
Song service, 6:45 p. m.
The place to find a hearty welcome, the place where you are wanted, the place where you may worship God, the place where, when you come, you gladden our hearts, as well as honor our blessed Lord Jesus Christ.

Come next Sunday morning and help us to increase the attendance at Sunday School to what we are trying to make it. Also, to fill the splendid auditorium to its capacity, thereby giving inspiration to the services.
The attendance was fine last Sunday compared to the several previous Sundays.

"I was glad when they said unto me, let us go into the house of the Lord."
B. J. OSBORN.

Senior B. Y. P. U.

Subject—Growing through church and denominational loyalty.
Scripture reading—Mabel Ivie.
Introduction—Herbert King.
Why should we be loyal?—Bill Middleton.
How may we be loyal to our denomination?—Maye Andrews.
Silent prayer.

Baptist Church News

Pastor's Study, Crowell, Texas
Good Sunday School, fair B. Y. P. U. and good attendance at the preaching services were the characteristics of last Sunday at the Baptist church.

The pastor spoke on the theme: "The Bible God's Missionary Message to the world." Mrs. J. M. Dawson, that gifted speaker of Waco thrilled us with her stirring message Sunday evening. She spoke at Lockett Sunday afternoon. Mrs. C. C. McLaughlin accompanied her to Lockett. The pastor and wife accompanied her to Vernon after the night services, where she caught the train for Dallas.

The Workers Council Tuesday was well attended, being the largest crowd, we are told, ever attending the Council in Crowell. The program was of a high order. Each speaker seemed to be at his best. The sermon would have been creditable at any religious gathering in the state, regardless of size. Bro. Frank McNair spread himself. Mrs. Tanner of Electra was with us and spoke twice during the day. Bro. and Sister Billington of Paducah were also with us. Mrs. Billington brought a fine message to our women and Bro. Billington offered thanks at noon and gave the closing benediction. Bro. H. N. Vaughan, a new preacher in our midst, was also with us. We were happy to have these and all other visitors.

The training school now in progress meets each evening at 6:30. A goodly number are in attendance. We are offering a number of fine courses in Religious Education. The school embraces 5 intensive nights, 6:30 to 8:30 p. m. Each member of the church should be taking advantage of this training.

Next Sunday, teachers and officers at 9:30, Sunday School at 9:45, preaching at 11 and 7. B. Y. P. U. at 6. All are invited to come. The pastor will speak at the morning hour on "Heavenly Comforts for Earthly Pilgrims" and at the evening hour on "The Wages of Sin Is Death." Bro. E. A. Dunagan will have charge of the choir. May our singers back him up in his work. Our ladies trio will favor us with special music.

The pastor will preach at Vivian

at 3 p. m. We hope to have a large crowd of the Vivian people out to hear. We will have some special music during the service.
WOODIE W. SMITH.

Preaching at Margaret Baptist Church

Rev. H. N. Vaughan will preach at Margaret Baptist church next Sunday morning at 11. All are invited to hear him.

Intermediate B. F. P. U. Program

Subject—Jesus, My Savior and My Friend.
Leader—Frances Ivie.
The greatest discovery—Leader. Jesus, a personal savior:
1. Andrew Calvin.
2. Frances Ivie.
How Jesus saves—Lewis Brown. Jesus is more than a Savior.
Frances Ivie.
An understanding friend—Mary L. Adams.
An ever-present friend—Ruth Fox. A friend worthy of our best love.—Jo Roark.
Our greatest privilege—Bernice Poland.
Everyone come and bring some one with you.—Reporter.

Christian Endeavor Program

Subject—Why support the Eighteenth Amendment? How?
Reasons:
Part of Constitution—Margaret Cates.
Economic standpoint—Coy Ward.
Athletic directors' viewpoint—Irene Nichols.
Effect on foreign trade—Lillie Mae Edgin.
Increase of efficiency of workmen—Frances Cook.
How to support the amendment.—Evel Mullins.
From the lips of famous folk.—Beatrice Mullins.
General discussion by all Endeavorers expected.
Endeavor benediction.

Christian Science Churches

The lesson-subject was "Probation after Death" in all Churches of Christ, Scientist, Sunday, October 26. "It shall be said in that day, Lo, this is our God; we have waited for him, we will be glad and rejoice in his salvation," was the golden text.

The Scriptural passages included the following from 1 Corinthians 15: 19, 20: "If in this life only we have hope in Christ, we are of all men most miserable. But now is Christ risen from the dead, and become the first fruits of them that slept."

The correlative citations read from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, included the following from page 219: "Universal salvation rests on progression and probation, and is unattainable without them. Heaven is not a locality, but a divine state of mind in which all the manifestations of mind are harmonious and immortal because sin is not there and man is found having no righteousness of his own, but in possession of 'the mind of the Lord,' as the Scripture says."

M. E. Missionary Society

Twenty-four members of the Woman's Missionary Society were delightfully entertained in the home of Mrs. H. E. Ferguson Monday afternoon, Oct. 27, with Mesdames J. J. Brown and H. K. Edwards assistant hostesses. Mrs. A. Y. Beverly presided during a short business session after which Miss Emily Purcell conducted the devotional on the "Golden Rule," reading from the Gospels of Matthew and Luke. Mrs. W. H. Bell very interestingly presented the Missionary topic: "The home as a school of international brotherhood." In the items taken from the Bulletin of Missionary News, presented by Mrs. T. L. Hughton, we find that the missionary work is being carried on very extensively in Belgium and Czechoslovakia, and that the mission hospitals in China are doing a wonderful work for the sick and suffering.

Mrs. J. R. Beverly, our mission study leader, then gave in a very interesting manner, the introductory to the mission study book "Trailing the Conquistadores." This book is a study of the Caribbean Islands and the theme which it develops is the dealings the United States has with these little outlying nations. The needs of these beautiful islands were presented in dramatic form by Mesdames R. R. Magee representing Cuba, J. F. Doolen, Porto Rico, J. C. Brian, Santo Domingo and Jeff Bruce, Haiti. With Mrs. Sam Crews at the piano the society sang "In Christ There Is No East or West," after which we were dismissed with prayer by Mrs. M. S. Henry. During the social hour the hostesses, assisted by Mrs. T. J. Ferguson and Ruth Ferguson, passed a dainty refreshment plate.—Pub. Supt.

Christian Church

Better weather and better attendance last Sunday. With the refreshing rains, pretty weather and increased prospects for better things in the future we will be able to enter into our church work with a renewed interest.

The young people's service last Sunday evening was very fine. We hope to have more such services. Special song service next Sunday evening is to be conducted under the direction of Bro. Ward. Old songs will be sung by about four leaders. Talks on great song writers will be given and Mrs. Kincaid will address us on the subject: "How singing may be made to contribute to our church services." Come and tell others to come. Older people have a special invitation.

"What's the Use?" was the subject of the sermon last Sunday. Next Sunday this question will be answered from the pulpit. Come and hear the message for we feel it will be helpful.

C. V. ALLEN, Elder.

Epworth League Program

Subject—Obedience and Intuition of Right and Wrong.
Leader—Edward Huffman.
Song.
Scripture Reading—Rom. 1:5-8; Acts 5:30-32.
Prayer.
Thought Provokers—Annie Rettig. Intuition and Right and Wrong—Granville Lanier.
Obedience and Intuitions—Mildred Johnson.
Sensitive to Sin—Dorothy Hinds.
What do you Think?—Lillian Gene Bell.
Talk.
Song.
Benediction.

OUR OUTSTANDING TELEPHONE SYSTEM

The increase in number of telephones in use in this country has far outstripped the growth in population during the past decade. The new census figures give our population as 122,698,000—16.1 per cent more than in 1920. There are now more than 20,000,000 telephones in use, as compared with 12,000,000 in 1920—representing an increase of 59.2 per cent in ten years, or almost four times the rate of increase in population.

As industrial and social standards rise, the telephone becomes increasingly necessary. Modern "high speed" civilization is largely dependent on quick vocal communication, whether with someone in the next room or someone on another continent.

Hallowe'en Party Given for Seniors Last Friday Night

Friday evening, October 23, Henry Black and Miss Winnie Self entertained the Seniors with a masquerade Hallowe'en party at the home of Miss Self. On the arrival of the guests at 7:45, they were met at the door by a ghost-like figure with a clammy hand who escorted them into the attractively decorated rooms; then one by one they were ushered into a dimly lighted fortune telling booth where each one received the shock of his life. Alyne and Elbert seemed to receive the greatest shock. Next the Seniors lined up for a promenade through several rooms and were judged as to which one was most originally dressed. All the costumes were very clever. Can you imagine Alyne in a toby suit, Dessa and Elbert in rompers, Recie as a Hungarian, and Ida Pearl in a Colonial dress? Although it was very difficult for the judges to decide which costume would take first place, Recie was finally declared the winner in his brilliantly colored Hungarian suit. The guests then enjoyed several games of 600. After this each one wrote his fortune, as answers to the questions were read by the hostess. This proved to be quite complicated. Dessa and Lella Ben entertained the guests with a weird Hallowe'en song. Mr. Black showed his skill in mind reading, and showed to the Seniors just what their fortune would be. Miss Ball, dressed as a witch, passed out slips which told each Senior what to do in order to win a prize. Each in turn performed his stunt, after which followed horn blowing contest led by George Self and Elbert Griffith. Delicious refreshments, which consisted of Hallowe'en sandwiches, potato chips, olives, pumpkin pie and tea were served. After several songs were sung and yells given, the guests bade their efficient host and hostess good night. Miss Self was a Holland girl, even to the wooden shoes. Mr. Black represented a Spanish Senior. All declared that they had one of the gayest times of the season. Those present were:

Catherine Crowell, Alyne Lanier, Johnnie Mae Short, Cecil Short, Melba Connel, Addie Lorene Baker, Irene Allen, Maggie Meason, Margaret Calvin, Florence Bell, Florene Bell, Lella Ben Allee, Ralph Burrow, Frances Allison, Recie Womack, Anabel Carter, Harold Hinds, Mary Frances Self, Henry Teague, Evelyn Sloan, Crews Cooper, Dessa Housner, Elbert Griffith, Dale Jones, Ragsdale Lanier, Wayland Griffith, J. D. Todd, Guy Todd, Mildred Calloway, Mae Randolph, Ida Pearl Harris, Marion Crowell, Miss Ball, Miss Patterson, Mr. and Mrs. George Self, and the host and hostess.

This is why Recie Womack won first prize at the Senior Masquerade Party Friday night.

Musings of The Owl

Mr. Black, "I think that I shall buy one of the most terrible false faces that I can find for Hallowe'en." Miss Ball, "Just like you, always trying to make bad matters worse." Hallowe'en is the time of ghosts, and quiet and stealthy moving objects. One can't tell who or what shall creep up behind one. Coach Graves says, "Hallowe'en isn't what it used to be, I just can't slip up on anyone." The Owl wonders why.

"Every dog has his day," says someone. Hallowe'en is the Owl's day. What with so many owls flitting here and there on this memorable night, the Owl might be tempted to indulge in a few mild flirtations itself.

At first, it seemed that winning football games was only an avocation with Coach's Wildcats, but now it seems to be a hobby.

Since the appearance of this column there seems to be an increasing interest of Columnists. We are glad that there are a few who are making an effort to express them-

selves in some way or other. We have very little use for the person who never tries to do anything.

Some people wonder why the Owl wishes to keep his identity a secret. Take the secrecy out of this column and there would be very little left. Think that over.

The Seniors gave their party a week before Hallowe'en. You just can't get ahead of a Senior.

About the only way some people can get in the limelight is to start a fight at a football game.

Says Ragsdale Lanier, in poetic mood, "All that is beautiful shall endure forever." Says Mary Francis Self, in the same trance, "Oh, what shall I ever do with so much time."

Dan Cupid draw your bow; after eating some of the soup and sandwiches, and drinking some of the hot chocolate of our Home Economics girls' making, we decide that it would be foolish to look in other fields for our better half.

We know that our English is poor, but we have heard so much Scotch Talk in the last year that it has warped our style.

At first we thought that we were humorists, then we decided that we were philosophers. Today a young gentleman tells us that we are nuts.

Last Saturday Captain Womack took some of his charges to Fort Worth to give them some first hand information on this Cy Leland style of football. We are looking forward to seeing some of this style duplicated at Matador this week.

All of which goes to prove that after all it is merely a matter of opinion.

Ta-Hoot, Ta-Hoot, Ta-Hoo, THE OWL.

APPRECIATION

We are indeed glad to know that so much interest is being taken in the High School News Section. We appreciate very much the encouragement that everyone gives.

We notice too that some definite results have been attained. One of our want ads from last week's issue was answered by a C. H. S. alumni, who is now away at college.

Thanks again to the Owl. We surely want you to continue contributing to the News. We agree with you that the secrecy of the Owl is interesting enough.

We should like also to thank others who have contributed. If your news item is not published, don't be discouraged, but try again next week. We only want to get the best material possible from high school writers.

HIGH SEVENTH PRESENTS CHAPEL PROGRAM WED.

Wednesday of last week the pupils of the high seventh grade presented the chapel program for the grammar school chapel exercises.

The program consisted of three humorous stunts.

The first was a mock announcement, made in duet by Stanley Womack and D. S. Todd.

The second was The Rejuvenator. This was presented by the following pupils; Frank Hofues, Doris Oswalt, Lester Patton, Elsie Mae Cook, Lida Sue Gorrell, Frances Ivie, Mattie Bell Greening, and James Joy.

The third was a song by a girl's quartet, consisting of Frances Ivie, Lida Sue Gorrell, Elizabeth Hrabel and Mattie Bell Greening.

We were pleased to see so many visitors. We hope to have many more from time to time.

Let a Classified Ad in The News Make You a Profit

Whether times are hard or prosperous, classified ads will give results. When times are hard people are looking for bargains and the classified column offers a person the best and most economical method of telling the public about something that you have for sale.

Also if you want something, have a room or house for rent, a little ad in the classified column will work wonders. If you have something for which you have no further use, why not dispose of it by running a classified ad which will be read by hundreds of local people.

CHAPEL PROGRAM

The students met in regular assembly Monday morning. Miss Self led in some peppy pep songs. Rev. Woodie W. Smith gave a very interesting talk on the value of young life. He emphasized the fact that one should prepare in youth for the future.

Football Boys Make Good in School Work

Football boys always receive credit for every performance on the field, but rarely do they receive the proper credit for their work in the classroom. The grades for the past six weeks of the C. H. S. football boys averaged 77. When one considers that a football player works out two hours every day and has to do extra work for the time that he misses on Friday afternoon and then makes an average of 77 he has made a very creditable record.

There are some students in high school who have a tendency to discredit the ability as a scholar, but this is a fallacy. Many high school and college athletes are often the honor students.

Mr. Todd as he grades his "dumb-bell" chemistry class papers. Mr. Todd remarks that this is the dumbest class in history.

PUBLIC PRIDE IN THE ALLEY

A town and all of its people should take a great pride in the alley. Of course it is not in front, but the back should be noticed the same as the front. A town that takes pride

in the cleanliness of its alleys and atmosphere to be neat and healthy in. Crowell's alleys are not as neat as they should be. There is improvement being made, but there is enough room for a great deal more of it. A public pride should be taken in the alleys, because they benefit the town as a whole, as well as each individual.

A town that is clean is a great deal more healthy than one that is dirty. A town will progress very, very slowly if it is not a desirable place to live in. If the alley has been dirty and dilapidated for a long time, it is sometimes hard to clean and straighten it so as to make it look exactly as it should. It should be kept clean from the very start. A child who has grown up dirty and without manners cannot suddenly change to a princely child with elegant manners. It must be accustomed to it by long usage. This is like an alley. A dirty alley can originate all kinds of terrible diseases. The people of a town will be happier if the streets are clean.

The town as a whole is benefitted a great deal by cleanliness in the alleys. Business men cannot build up a flourishing business in an unprogressive town. People from other towns will not come to a dirty town to trade. A town is always neater and healthier if it has the right at-

attended the S. M. U.-Indiana game. They returned late Sunday afternoon and all reported an exciting time.

CROWELL HIGH'S IDEAL BOY

- Eyes like Archie Campbell.
- Figure like Venson Hall.
- Smile like Orville Orr.
- Hair like Clinton Ball.
- Popular like Ralph McCoy.
- Beautiful like Mr. Black.
- Sweet disposition like Mr. Todd.
- Smart like William Ricks.
- Witty like Hubert Smith.
- Good sport like Cotton Griffith.
- Good Dancer like J. D. Todd.

PERSONALS

Margaret Calvin is seen hobbling around on crutches. She received a severe cut on the leg. Coach Graves, Mr. Womack, Recie, Ragsdale, J. D. and Guy left early Saturday morning for Dallas. They

WHAT DR. CALDWELL LEARNED IN 47 YEARS PRACTICE

A physician watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the system and is not habit forming. Syrup Pepsin is pleasant-tasting, and youngsters love it.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for anybody's system. In a practice of 47 years he never saw any reason for their use when Syrup Pepsin will empty the bowels just as promptly.

Do not let a day go by without a bowel movement. Do not sit and hope, but go to the nearest druggist and get one of the generous bottles of Dr. Caldwell's Syrup Pepsin, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois, for free trial bottle.

DR. G. CHARLES KNAUF

Chiropractor

—is conducting a FREE CLINIC the remainder of the week, using the NEW MASTER GRAND RADIONIC INSTRUMENT for analyzing cases with Dr. C. E. Whittenburg, a specialist at Radionics, at the instrument. Reservations can be made in person (so preferred) but can be made by phoning or writing.

The Electric Man Shows You a Delightful New Breakfast Method

"Through the use of electric toasters, waffle irons, percolators, egg boilers, electric grills and many other small appliances, the task of cooking breakfast has been made thoroughly enjoyable.

"And now, with the new Home Comfort rate, the low cost of operation adds another advantage to the electrically-prepared breakfast.

"You see, this new schedule of rates makes all service over the first 45 kilowatt-hours, for a five-room house, cost only 4c per kilowatt-hour—3c where service is also used for heating or cooking.

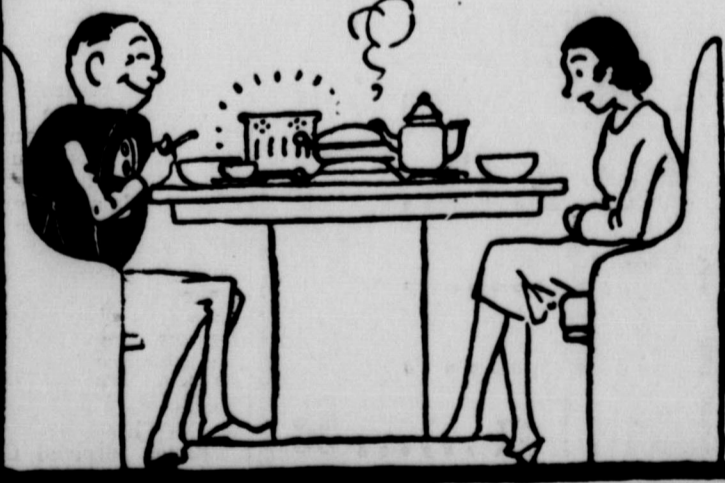

"Just think of the possibilities of this new rate. All the service you want to use, and yet your bill will always be quite moderate, compared with other necessities of the home.

"Next week I'm going to tell you about the advantages of this new schedule in connection with your lighting problems, and I'm sure you'll get some ideas from my suggestions."

And Remember—You Can Make Your Own Average Rate

Initial rate 12¢

2nd rate 7¢

Low rate 4c-3c

FORTY-TWO TOURNAMENT SPONSORED BY P. T. A.

A "42" tournament, sponsored by the Crowell Parent-Teachers Association, was held in the domestic science room and corridors of the local high school last Friday evening with eighteen tables of players.

The rooms were attractively decorated with Halloween motifs, made by students in the grammar school. Table markers, score pads, and tallies carrying out the Halloween spirit decorated each table and were also made by the children.

Following several games of "42" refreshments of pumpkin pie with whipped cream, coffee and candy, in attractive Halloween baskets, made by primary students, were served to all present.

N. J. Roberts was the high score winner of the evening and was presented with a Halloween horn.

This is the first social function of the P. T. A. year and much credit for its success is due to the splendid work of the various committees in charge.

COLUMBIAN CLUB

Mrs. R. L. Kincaid was hostess to the members of the Columbian Club at their regular meeting on Wednesday, October 15.

During the business session the resignation of Mrs. M. M. Hart, who has recently moved to Corsicana, Texas, was submitted. She was serving her second year as vice president of the club and Mrs. T. B. Klepper was

elected to succeed her.

The program was a one act play, directed by Mrs. I. T. Graves, and was a feature number of the many entertainments the club has scheduled during the months ahead.

Mrs. Jack Brian, Mrs. Rosenthal, Miss Winnie Self and Mrs. Jimmy Self represented the characters in the skit entitled "Overtones," which was very cleverly presented. On Thursday following this was given as the club's contribution to the County Federation program.

A delicious refreshment plate suggesting the approach of Halloween was served by Mrs. Kincaid, assisted by Misses Louella Green and Frances Allison, to the members and following guests: Mesdames T. M. Beverly, J. R. Beverly, H. Schindler, C. V. Allen, Jim Cook, Edgar Womack and John McAnear.—Reporter.

FOARD CITY CLUB

The Foard City Club met at the home of Mrs. G. M. Canup, Oct. 21.

There were seventeen members, four visitors and one new member present.

The subject for the afternoon was "Know Yourself." Mrs. C. J. Marts being leader with Misses Lina Weatherall and Virgie Calloway assisting.

Mrs. Roy Barker and Miss Opal Canup served cold drinks.

Our next meeting will be at the home of Mrs. C. M. McLain, Nov. 4.—Reporter.

REBEKAHS SEND BOX

The local Rebekah Lodge sent a box of supplies to the Odd Fellow and Rebekah Home at Corsicana this week. The box consisted of three quilts, made by the lodge members, one table linen and nine hand towels.

This was more than the amount set as the quota for the lodge. Each year the various lodges contribute items that are most needed by the home.

FOOTBALL

(Continued from Page 1)

a 7 yard run by Cooper and 4 yards by Lanier, Todd again circled left-end for 15 yards and a touchdown. Lanier smashed the line to make the score 14 to 0.

Cooper sent his kick-off rolling along the ground but with a few good bounces it managed to reach the 30-yard line where Cooper also downed the receiver, who returned a few yards. Unable to gain Knox City punted to Lanier, Crowell safety, who took the ball on his own 40-yard line and made a short return. After a series of line plays Lanier and Todd advanced the ball 20 yards where Cooper took a lateral pass from Lanier to run the remaining 30 yards for a touchdown. Lanier again added the extra point through the line to make the score 21 to 0.

McBeath received Cooper's kick-off on his 20-yard line and returned 15 yards. Ralph Burrow, Crowell end, knocked down a lateral pass on the first play and Crowell recovered on Knox City's 12-yard line, from which Cooper raced around right end for a touchdown and Todd added the extra point making the score 28 to 0.

Just as the kick-off was about to be made, Crowell was penalized 15 yards as the result of a substitute talking. McBeath received Guy Todd's kick-off on his own 30-yard line and returned 10 yards. A pass was completed to Stephens for a short gain and on the next play Freeman punted to the 30-yard line with Lanier returning five yards.

The quarter ended just as Todd took the ball for a ride of 64 yards before he was stopped within 1 yard of a touchdown by Decker. Score, Crowell 28, Knox City 0.

Second Quarter

On the first play of the second period, Lanier went over for a touchdown and also added the extra point through the line to make the score 35 to 0.

McBeath again received the kick-off for Knox City on his 35-yard line and returned 9 yards. After Stephens lost 8 yards and a gain of 5 yards by Denton, Freeman punted to Crowell's 30-yard line. After a series of line plays, featured by 19 yard run by Todd, the ball was taken to the 5-yard line from where Todd carried it across for a touchdown. Burrow dropped Todd's pass for the extra point to make the score 41 to 0.

After taking the ball on the kick-off Knox City started its only impressive drive of the game. Stephens completed a first down to place the ball on his own 30-yard line. After failing to gain Freeman punted to Lanier who fumbled and Knox City recovered the ball on Crowell's 40-yard line. A pass was completed to Stephens to place the ball on the Crowell 31-yard line as the half ended. Score, Crowell 41, Knox City 0.

Second Half

The second half started with McBeath receiving Crowell's kick-off on his 25-yard line and returning 15 yards. Cooper intercepted a pass on the second play on the 34-yard line and returned 11 yards. Todd raced around right-end for 25 yards and a touchdown. Lanier failed to go through the line for the extra point and the score was 47 to 0.

As usual McBeath received Todd's kick-off on his 15 yard line and returned 13 yards. Failing to gain Knox City punted to Crowell's 40-yard line. On a series of line plays Crowell again took the ball down the field with Todd going over for a touchdown after Knox City had put up a stubborn defense close to the goal line. J. M. Crowell took Todd's pass for the extra point which made the score 54 to 0.

And again McBeath received Crowell's kick-off and returned 15 yards after receiving the ball on his 22-yard line. After a line play and punt had failed Freeman punted to Crowell's 40-yard line and Lanier returned 4 yards. In the next play Cooper made one of the outstanding runs of the game and carried the ball 44 yards before he was downed on the 12-yard line by Favor. After three line plays, Todd again crossed the goal line and a pass from Lanier to Cooper netted the extra point, making the score 61 to 0.

Denton returned Todd's kick-off 16 yards to place the ball on the 28 yard line. A pass and a line play netted a first down, but the short drive was halted when John Todd recovered a fumble and Crowell took the ball on the 40-yard line. Crowell failed on a pass. Resorting to straight football Crowell took the ball to the 9-yard line from where Todd again gave it a wide across the goal line. Burrow completed a pass from Todd for the extra point to raise the score, 68 to 0. (We're above with the Paducah score now, so now let's shoot at the Throckmorton massacre.)

Favor received Crowell's kick-off and returned 12 yards to place the ball on the 42-yard line. Two passes were completed for short gains. Mullins broke up the aerial game for Knox City by intercepting a pass on his 40-yard line and he ran 31 yards before he was stopped on Knox City's 29-yard line. A pass failed to gain and on the next play Cooper completed a 20-yard pass from Todd that was good for a touchdown. Todd made the extra point and the score is now 75 to 0. Just another touchdown and an extra point is all that is needed to equal the Throckmorton massacre.

Crowell kicked off to Knox City's 40-yard line and 4 yard return was made. A pass failed, followed by a fumble which was recovered by Crowell on the 40-yard line. After no gain on two line plays Mullins made 8 yards and on the last play of the game Todd completed a pass to J. M. Crowell, who was stopped

within two yards of a touchdown. Just one more play would no doubt have been enough for another touchdown, but the final whistle spoiled the chance to equal the Throckmorton record, and 75 to 0 isn't such a bad score at that.

The Starting Line-Up

CROWELL	KNOX CITY	
J. Todd	Left End	Freeman
Gibson	Left Tackle	Moody
Middleton	Left Guard	Warren
Ricks	Center	Decker
Womack, Capt.	Right Guard	Houston
Burrow	Right Tackle	Huntsman
G. Todd	Right End	Armstrong
Mullins	Quarterback	McBeath
Lanier	Left Half	Stephens
Cooper	Right Half	Denton
	Fullback	

Coach Graves used his entire squad during the game.

Referee—Ernest Patton; Head linesman—Raymond Burrow.

First Downs: Crowell 26; Knox City 5. Passes: Knox City tried 12, completed 3 and had two intercepted. Crowell tried 6, completed 2 and had none intercepted.

Scoring touchdowns: Todd—7; Cooper—3; Lanier—1.

Scoring points after touchdown—Lanier—3; Todd—2; Burrow—2; J. M. Crowell—1; Cooper—1.

Among the outstanding features of the game were Crowell's line work and the fact that the Wildcats did not have to punt once during the game. Lanier did some wonderful work at running interference and is no doubt one of the best blockers to ever play on a Crowell High School team.

It is difficult to name any outstanding stars on the Crowell team for an effort is made by all of the boys to play together as a team and not as individuals. Without the aid of good line work and the aid of other backfield men, very little gains could be made by any ball carrier.

Professor at T. C. U. Tramps in Mexico For History Material

Fort Worth, Texas, Oct. 30.—Attired as a hobo, Prof. W. J. Hammond of the history department of Texas Christian University, tramps in Old Mexico during the summers in order to gather material for a course in "History of Our Southern Borderlands."

On a recent tramp through the hill country of northern Mexico, Prof. Hammond and an American traveling companion made a special trip into territory that was said to be infested with hostile bandits. The professor wanted to test his contention that Mexico is now a safe place in which to travel.

"We did not have to look long for the bandits," Prof. Hammond relates. "In fact, they saw us first. How-

ever, instead of being shot at sunrise, or held for ransom, we were given food and sent on our way by the 'bad men.' We merely sang some of their folk songs," the professor explained.

"I believe that President Rubio is doing much toward the betterment of the Mexican people," Prof. Hammond says. "The casual visitor to Mexico City thinks, from looking at some of the unfinished and abandoned public buildings, that progress is not being made. But many of these projects were begun by other presidents, and were designed more for ornamentation than for practical use. President Rubio is devoting much time to the rebuilding of Mexican commerce by improving roads and canals."

PIKE'S PEAK FIREWORKS READY FOR NEW YEAR'S

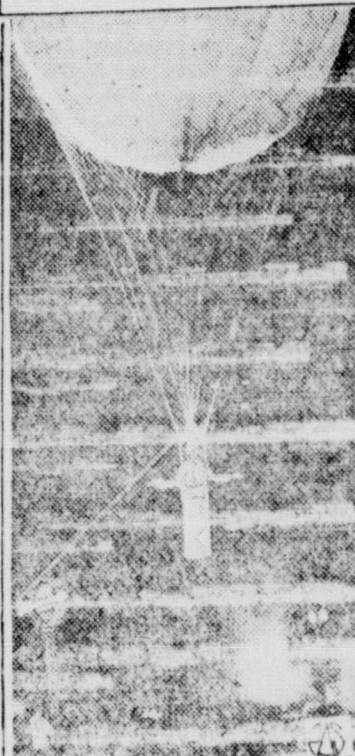

Colorado Springs, Colo.—Fred Morath, president of the AdAmA club, has announced that the New Year's eve fireworks for Pike's Peak are packed and ready to be placed in position.

Morath said the fireworks would be taken up the mountain on the last cog train to leave before the company ceases operations for the winter, probably early this month.

Some folks never vary the regularity of their church attendance by not attending.

A busy man is troubled with only one devil; the idle man with many.

Where Your Trade Is Appreciated

Advertising, Like Business, Must Be CONTINUOUS

It is superfluous to say that commercial enterprises must be open every business day to be successful. Still many merchants who keep their doors open figuratively close them to a vast group of customers, whose index to buying is the The Foard County News columns. Without advertising that merchant's business is closed for the day to a number of potential buyers.

John Wanamaker once said, "continuous advertising like continuous work, is most effective. If there is any enterprise in the world that a quitter should leave alone it is advertising. Advertising does not jerk, it pulls. It begins very gently at first, but the pull is steady. It increases day by day, year by year, until it exerts an irresistible power. To discontinue your advertisement is the same as taking down your sign. If you want to do business you must let the public know it. I would as soon think of doing business without clerks as without advertising."
