WOMEN ARE STAINED BY 11 SAT. NIGHT

Persons were injured, two as the result of a head-on collision of two light coupes on the highway five miles east of Crowell Saturday night at about 9 o'clock.

Dovie Spears, 18, daughter of Mrs. J. C. Spears of this city, had her right eye as a result of the accident and suffered severe lacerations.

James Craig, 18, negro of Kaufman County, was injured on Monday with head injuries. All of those injured are getting along nicely and have been dismissed from hospital.

Spears was riding in a Model coupe, driven by Carlton and in which Mr. and Mrs. Speary and baby were also riding. They were heading east. Six from Gastonia who were going to Roaring Springs were in the coupe. The accident occurred when Ribble suddenly turned left to avoid hitting a parked car on the highway which was worked on by Virgil Lyons and his boys. In doing so the car was slightly struck and the collision with the other car resulted in a terrific impact.

A portable phonograph was thrown from the negroes' car and passed through the other auto, striking a piece of glass into Miss Speary's eye. Craig, the negro who was severely injured, was sitting in the rear of the coupe and was completely over both cars. He and two other victims immediately rushed to the local hospital where they were treated by Dr. J. C. Ribble.

Miss Speary received a broken arm and a badly sprained arm. Slight eye injuries were suffered by her 6-months old baby. Mr. Speary escaped with very slight injuries to his head, body and leg injuries suffered by the six negroes.

Their names were Jesse Craig, Martin Hubbard, Myrtle Colbert Munson, Johnnie and a negro, Sam.

Twenty-Six Girls to Present Free Program Here Saturday Night

A free program is to be presented at the Methodist Church in Crowell Saturday night of this week by twenty-six girls from the Methodist Orphans Home at Waco. Musical numbers, readings and other features will be presented by these young ladies at this program and the public is invited to attend it.

This group of girls will be in Vernon Saturday afternoon for the Northwest Texas Conference of the Methodist Church. After presenting the program here they will spend the night in this city. They will go to Breckenridge Sunday.

The program here is to begin at 7 o'clock.

CROWELL'S UNDEFEATED RECORD IS BROKEN BY OLNEY; WILDCATS LOSE CLOSE GAME BY SCORE 7-0

The Crowell High School goal line has been crossed but one time this season, however, that one event which was performed by the Olney Cubs here last Friday afternoon was enough to give the Wildcats the only defeat they have suffered this season and their only defeat on their own home grounds in three years. As the gun sounded marking the end of the game the score stood 7 to 0 in favor of Olney and thus it seems that the Cubs are headed for their fourth straight championship of District 3, Class B.

The contest was truly a gridiron classic and it should be a long time before anyone will see a high school game that will be so hard-fought and so full of thrills as this one was. The largest crowd in the history of Crowell football was present, with the attendance estimated at around 1,500 to 2,000 people. Fully half of the crowd was from outside of Foard County. Olney had an extra large delegation as did Quanah, Chillicothe, Vernon and many other towns of this section. Olney brought its band and pep squad along with its hundreds of citizens. Quanah also brought its band and joined the Crowell band in assisting the local pep squad.

After the game was over Albert Acker, Olney coach, stated that this was the hardest game the Cubs had played in four years that he had coached at Olney. Great numbers remarked that the contest was the best high school game they had ever seen.

The lone touchdown of the game came on the first play of the last quarter with Graves, brilliant Cub quarterback, carrying the ball across from the four yard line. With Graves holding the ball, Duckworth place kicked for the extra point. The Cubs had threatened to score in the latter part of the third quarter, but the Wildcat line held like a brick wall for four downs and on the fifth attempt a field goal was tried but was blocked by Womack. Both teams were offside to account for one of the downs. Crowell took the

ball on its 9-yard line and on the first play D. Todd got off a nice punt, but the ball was called back and Olney was penalized 5 yards for offside. A punt was again tried but went out-of-bounds on the 18-yard line and it was from this point that Olney started its drive that resulted in a touchdown.

The Crowell line lived up to everything that has been claimed for it and it was on two long passes that Olney was able to put the ball in scoring distance in the latter part of the third quarter. Very few good gains were made through the Wildcat line.

First Quarter
Olney won the toss and elected to defend the east goal. Crowell kicked to receive. Duckworth kicked off to D. Todd who was stopped on his 30-yard line. On the first play Crowell took to the air, Mullins pass to D. Carter being incomplete. Mullins gained four and took the ball out of bounds. D. Todd punted to Duckworth who fumbled but recovered on his 34-yard line. Two basket passes Duckworth to Rue and Duckworth to Elmore gained six yards. Duckworth failed to gain through the line on the next play and he then punted to Cooper, who returned 30 yards to the 50-yard line.

Mullins picked up 2 yds. and Olney was offside. L. Carter fumbled on the next play but J. Todd recovered for no gain. Elmore broke up Mullins' pass to D. Carter. Cooper gained about three yards off right tackle, and D. Todd punted out of bounds on Olney's 12-yard line. Duckworth called around end for a 20-yard sprint and Olney first down on the 32-yard line.

Two tries at the line failed to gain, but another basket pass, Duckworth to Rue was good for 10 yards and a first down on the 42-yard line.

On the first down Graves fumbled, but managed to take the ball out of bounds after losing a yard. Graves could get but two yards. (Continued on Page 4)

Legion Officers to Be Installed Nov. 20 By Chillicothe Team

A team from the American Legion post at Chillicothe will install officers of the Gordon J. Ford post of the American Legion of Crowell at a meeting at the Odd Fellow hall on Friday night, Nov. 20, at 7:30 o'clock.

Officers to be installed are: Geo. Self, commander; H. L. Hiavaty, vice commander; Curtis Ribble, second vice commander; John Long, adjutant; A. Y. Beverly, service officer; Clint White, liaison officer.

Crowell and Megargel Play Here Next Friday

Crowell will play its final conference game of the year here Friday, Nov. 20, beginning at 3 o'clock. This game will give local fans their last opportunity to see the greatest football team in Crowell history in action on the local field, since the last game of the season is now scheduled to be played at Paducah.

SHOWER TO BE HELD TUESDAY FOR HOSPITAL

On Tuesday, Nov. 17, from 10 a. m. till 6 p. m., the Foard County Hospital will be open for a shower. This is a cause in which everybody in the county should be interested. Sheets, pillow-cases, dresser scarfs, towels—anything of use in a kitchen or dining room in the home—is needed in the hospital.

The people are not asked to buy new articles unless they so desire, but a small portion from their own store will be much appreciated by everyone connected with or interested in the hospital. Soft rags, worn out linens, sheets or blankets can also be used to great advantage.

If it is impossible to visit the hospital on that day with gifts they can be left any day at the Foard County News office and will be turned over to the hospital authorities.

Olney People Hear Broadcast of Game

Olney fans who were unable to make the trip to Crowell last Friday were privileged to hear a broadcast of the game from the field through the work of the Olney Chamber of Commerce in sponsoring this event.

A tower was erected on the sidelines on which Jack Williams of Olney telephoned the game play by play into a loud speaker at Olney. Through this method his voice was able to carry for nearly a block in Olney.

Thalia High School Junior Class Elects

The Junior class of Thalia High School organized last week and the following officers were elected: A. B. McKelroy, president; Mary Grace Shultz, vice president; Jeanette Bratcher, secretary-treasurer; Roland Whitley, reporter; Willie Lindsey, Anna Mark Adkins and Tommie Grimsley, social committee; Roland Whitley, Anna Mark Adkins, Willie Lindsey, Juanita Huntley and Mary Grace Shultz, program committee.

A three-act comedy, "Moon Shy," has been decided upon as the annual play. Alfred Green was elected class sponsor.

ANNUAL RED CROSS ROLL CALL OPENED IN FOARD COUNTY ON ARMISTICE DAY; ENDS NOV. 26

Annual Red Cross roll call in Foard County opened here Armistice day and will end on Nov. 26, following. Foard County's quota has been set at \$250 and in view of great service that this organization has been to this county as well as the rest of the world it is hoped that the full quota will be raised here.

The minimum amount for membership in the Red Cross is one dollar. Amount above that may be given for a membership. Fifty cents for each membership goes to headquarters and the remainder with the local chapter, of Claude Callaway is the chairman.

Mr. J. Roberts is the Crowell chairman. Other community chairmen in the county are: G. A. Shultz, Mrs. T. E. Lawson, Rayland, E. V. Halbert, Foard City; Lonman, Margaret, and Mrs. T. W. Vivian.

CLUB BOYS OF THALIA WIN GRAIN PRIZES

ward Gamble and J. D. Miller, club boys of Thalia, were awarded here Ford calf each at the live-show here Saturday in connection with "Achievement Day." The prize came as a result of these boys winning the grain sorghum contest. This was started this year by Fred D. Miller, county agent, in order to show more interest in finishing out calves for market.

Two calves were furnished by Y Ranch of Foard County, owned by L. K. Johnson, owner, and Waggoner Estate, through R. D. Sparks won a Duroc Jersey result of winning third place in contest. The pig was presented by H. Cunningham of Rochester, county agents R. E. L. Patillo of On and L. T. Hunter of Quanah and the reports of the boys that the grain sorghum contest was on which the winners were as follows: Exhibit, 35 points; story or history of demonstration, 30 points.

ward Gamble won 89 points out possible 100. His exhibit was 27 points, production 32 points story 30 points. The Gamble was black hull kaffir. D. Miller's exhibit was given 27

B. Y. P. U. TO PRESENT PLAY

A play, "The Trial of the Robber," will be presented by the B. Y. P. U. at the Baptist Church Sunday night at 7 o'clock. Everybody is invited to attend.

Members of American Legion and Families Enjoy Program Tues.

Members of the local Gordon J. Ford Post of the American Legion and their families gathered at the basement of the Methodist Church at 7:30 o'clock Tuesday evening for a covered dish dinner and program. About one hundred persons were present.

The program consisted of musical numbers by Eb Scales and his string band, including Tommy Stewart and Howard Carroll; a vocal solo by Peggy Thompson, accompanied by Evelyn Sloan; readings by Jim Lois Gafford and Joe Wallace Beverly; and talks by George Self and A. Y. Beverly. Mr. Beverly was in charge of the program.

Another interesting feature of the program was the part in which those present told of where they were when they first heard of the Armistice.

Quanah Band Backed Wildcats Last Week

A warm place for Quanah was left in the hearts of hundreds of Crowell people last Friday as a result of the efforts on the part of the citizenship of that city in supporting Crowell during the Olney game here.

Besides a large number of citizens, Quanah brought its band and joined the local band in assisting the Crowell pep squad. Following the game the band gave a concert on the Crowell streets.

A number of Crowell musicians joined the Quanah band to assist it in the Vernon-Quanah game at Vernon Armistice Day, which ended in a scoreless tie.

IMPORTANT I. O. O. F. MEETING

An important meeting of the local Odd Fellows lodge is to be held here on Thursday evening, Nov. 19, according to Byron Davis, noble grand. All members are urged to be present as important business is to be transacted.

Mr. Davis and O. O. Hollingsworth attended a district Odd Fellow meeting in Wichita Falls Monday.

Wichita Falls Sports Editor Covers Game

Fred Thompson, sports editor of the Wichita Falls Record-News and more commonly known as "The Rambler," was here to cover the Olney-Crowell game Friday. He kept two messengers busy carrying copy to the Western Union office at the depot in order that a play by play account of the game might appear in the Record-News the next day.

The Wichita Falls papers, Record-News and Times, have been unusually liberal and fair in giving space to the Class B football of this district and headlines clear across their sport pages have been given Crowell and other teams of this district in a number of instances this year. This consideration is deeply appreciated in Crowell and no doubt the district as a whole feels the same as Crowell in this matter.

ROTARY LUNCHEON

An interesting Armistice Day talk was given by Rev. B. J. Osborn at the luncheon of the Rotary Club Wednesday. Two vocal numbers, a solo by Mrs. Adolphus Wright and a duet by Mrs. Wright and Mrs. T. B. Klepper, with Mrs. Klepper accompanying at the piano in each case, were enjoyed.

All present gave brief descriptions of their experiences on Armistice Day 13 years ago. T. B. Klepper had charge of the program. President Eli Smith announced plans concerning the annual Red Cross roll call in Foard County.

MANY PRODUCTS REPRESENTED IN EXCELLENT CLUB EXHIBITS HERE ON "ACHIEVEMENT DAY" SATURDAY

Hundreds of people viewed the interesting exhibits that were shown in Crowell Saturday in connection with "Achievement Day," a day which was observed all over the nation by 4-H and home demonstration clubs. The Russell building, next to the post office, was headquarters for the day in Crowell.

Various forms of achievement by the club women, club girls and club boys of Foard County were reflected in the exhibits. The first exhibit to be seen as one entered the building was that of Gambierville Club, which was located in a show window. It represented 4-H pantry work and contained hundreds of items in this respect prepared by women of the county. While each club was responsible for one exhibit, the contents of each represented work from all parts of the county.

Inside the building the first exhibit to the right was that of the Wimodausis Club. It contained displays of many kinds of vegetables and meats, fresh and canned. The Vivian exhibit followed with displays of relishes, pickles, jams, jellies, preserves, fruit juices and canned fruits.

The Aversville exhibit was next and featured a beautiful assortment of quilts and linens. Another interesting exhibit of mats and rugs was in the adjoining Foard City display. Old gunny sacks, old silk hose and scrap clothing were used in making these attractive items.

A poultry exhibit in charge of West Rayland followed. Live poultry, balanced and unbalanced rations, a miniature poultry house, furnished by Wm. Cameron Co., and poultry reports were shown in this exhibit.

The Margaret Club was responsible for a home improvement exhibit and the handiwork of the women of the county displayed in it was exceptionally interesting. Household items made from "nothing" were the features and included such items as racks made from scrap lumber; comfortable and attractive chair bottoms from old sacks; the use of old stove legs for a stool; baskets from waste material; a wall vase from an old phonograph record; candle holders from bottles; a door stop from a metal piece of a farm implement and many other interesting items to show the proper method of yard improvement. Model homes and yards were also exhibited.

The Two-in-One club exhibit which followed was another shining example of what club work means to economical living. This was the (Continued on Page 4)

CROWELL DOWNS MUNDAY 91 TO 0 ARMISTICE DAY

Crowell made a race track out of the local ball park Armistice Day in defeating Munday 91 to 0. This is the greatest score ever made by a Crowell football team and with the largest crowd in Crowell football history at the Olney game here last Friday, two local football records have been broken within a week.

Dick Todd led the Wildcat attack with six touchdowns; Crews Cooper was next with five; Lorraine Carter followed with two and George Fox made one. Munday failed to make a first down and gained only six yards from scrimmage and lost 23 yards from scrimmage. Munday tried 15 passes, had 3 intercepted and completed two for 11 yards and completed another for a loss of 16 yards.

Crowell tried 21 passes, had two intercepted, and completed 12 for a total of 381 yards. Crowell made 296 yards from scrimmage and lost 5 yards. Crowell punted once for 36 yards. Munday punted 8 times for an average of 17 yards. The only weakness that Crowell showed in the game was on its kick-offs. Since most of Crowell's plays resulted in touchdowns, only 7 first downs were (Continued on Last Page)

WHAT'S BECOME OF THAT PROSPERITY THAT WAS GOING TO COME FROM LENDING THE BOYS MONEY ON THEIR WAR CERTIFICATES?

Disasters Hit 38 States in Past Year

In a year of unusual weather conditions all over the world, the United States was especially hard hit, and in the twelve months ending June 30, 1931, the American Red Cross had given disaster relief in thirty-eight of the forty-eight states.

With the exception of a mine explosion, an epidemic of typhoid fever, a mine cave-in and a railroad accident, these disasters were all due to the elements. They were forest fires, tornadoes, floods, storms, cloudbursts and drought.

The drought, which spread over twenty-three states in the summer and fall of 1930, and has again wrought

untold havoc in northwestern states in 1931, accounted for Red Cross relief in twenty-three states. The other disasters were, without exception, carried on simultaneously with the drought relief, and placed a heavy burden, not alone upon the funds of the national Red Cross, but upon its trained personnel of disaster relief workers.

At the peak of the drought relief, more than two million persons were being fed, clothed or given other help, and in all of the work more than 2,750,000 men, women and children were cared for by the Red Cross.

Funds for the drought relief were obtained, in part, through public contributions, because of the magnitude

of the numbers affected. They gave more than \$10,000,000 to the American Red Cross, and \$5,000,000 from its treasury. The other disaster relief was borne from the Red Cross, and local funds contributed by stricken communities.

This disaster work of the Red Cross is supported, in part, from the roll call for members which is held each year between Armistice Day and Thanksgiving Day. Each person who joins as a member of the Red Cross is contributing toward this important emergency relief work. Calamities occur anywhere and at any time, and the lives of their fellow citizens

CARFIELD ANNIVERSARY

November 19 marks the 100th anniversary of the birth of James A. Garfield, twentieth President of the United States...

Garfield's early life was spent on a farm in Ohio, where the poverty of his family and lack of opportunities in that day prevented his obtaining much schooling as a boy.

He was made a lieutenant colonel of volunteers at the outbreak of the Civil War and rose to the rank of major general.

On July 2, 1881, after less than four months in the White House, President Garfield was shot at a railroad station in Washington by Charles J. Guiteau...

While a Congressman, Garfield was accused with others of accepting a bribe in connection with the Credit Mobilier, a financial enterprise...

Garfield's short time as President was marked by a bitter controversy over appointments with leaders of his own party...

Olney Game

(Continued from Page 1) through center, so Duckworth made a basket pass to Elmore that came in a yard of making a first down.

Graves and Duckworth hit the line for seven yards, and Graves on a cut back picked up six for a first down on Crowell's 26-yard line.

Cooper failed to gain, but Mullins and D. Todd tore through the Olney line for a first down on Crowell's 44-yard line.

Middleton of Crowell threw Elmore of Olney for a yard loss and Graves, trying to skirt his right end was thrown for about a 10-yard loss.

Duckworth dropped back to his six-yard line and punted out of bounds on his 12-yard line.

ter on the 50-yard line, but the ball was called back, both sides being off side.

Cooper lost a yard on a line buck. A basket pass and a weird triple lateral pass failed to gain and Crowell drew a 5-yard penalty.

Duckworth and Graves on three line bucks made a first down on Olney's 30-yard line.

Duckworth's pass over the line of scrimmage was intercepted by J. Todd and Crowell took the ball on the 50-yard line.

On the first play Graves got off his first good run of the game, gaining 13 yards around his right end for a first down on Olney's 43-yard line.

clothing was also featured. Attractive and stylish children's suits that were made from their period of usefulness were shown.

The West Side Club was in charge of the next exhibit which featured dairy products. Inside of a large glass show case about fifteen kinds of dairy products, including cheese, butter and milk, were shown.

The Home demonstration club displays. It occupied a closet in the building, which was appropriate for the practical sewing and wardrobe exhibit.

In the extreme rear of the building, the 4-H Club boys had an interesting display. It included various farm products, such as milk, kaffir, sorghums, potatoes, sorghum syrup, cotton, pumpkins, corn, kershaw, etc.

A full size self feeder for hogs was shown along with a miniature one and toy hog. The best kind of feed for hogs was named and a placard contained the statement that Clois Orr of Margaret secured 213 pounds of pork from one pig at six months of age at a cost of five cents per pound through the use of a self-feeder and proper ration.

Another portion of the 4-H Club boys exhibit concerned their dairy work. One sign stated that 1,500 calves had been sired from the 4-H club bulls that were imported in 1928.

Miss Nell Newport of Matador, Motley County Home Demonstration Agent, and Miss Ruth Patterson, Crowell Home Economics teacher, judged the women's exhibits.

Otis Ross and Gabe Sanders won first and second places respectively in last week's predictions and in doing so they also scored a victory for the proprietor of this column, who had picked them to win in this order. We also made the statement that William Bell had apparently spoiled his fine record of two successive victories and this was also correct for he won last place. Marion Crowell won third; Grady Graves, fourth, and Lee Allen Beverly, fifth.

Ross' guesses as a whole came nearer being exactly correct than any set of guesses this year. His predictions and the actual scores, with the winning teams and actual scores coming first follow: T. C. U., 7-6, 7-0; S. M. U.-A. & M., 8-0, 7-0; Texas-Baylor, 25-0, 19-6; Chicago-Arkansas, 13-13 (tie), 13-9.

The only game that might have been considered an upset was Arkansas' tie with the University of Chicago.

Those predicting this week are: Otis Ross, 1; Byron Reese, 2; Boss Roark, 3; Raymond Burrow, 4; Tanner Billington, 5, and Hid Haney, 6. Their predictions for Saturday's games follow:

Table with 6 columns (1-6) and 6 rows of team names and scores.

In the above guesses Boss Roark is the only person to predict a victory for T. C. U. over Texas at Austin and Tanner Billington is the only one giving A. & M. a victory over Rice at Houston. These two games should be very hard ones but we believe that both Texas and Rice will come out victorious after closely fought battles. S. M. U. should have no great trouble in downing Baylor at S. M. U., however, everyone thought the same way last year and Baylor succeeded in tying the Mustangs 14 to 14.

It looks as if Byron Reese stands the best chance of winning this week. Some idea of how S. M. U. stands in national football strength should be gained within the next few days. Notre Dame, rated as about the strongest in the nation, plays the Naval academy this week and next week the Texans journey to Baltimore to play the same team.

It is going to be some time before another football game in Crowell creates so much excitement and thrills as did the Olney-Crowell tilt here last Friday. Never before had such a crowd attended a local football game and never before had such a hard-fought game been played here. The outside representation at the game was especially noticeable. Not counting the Olney people, there were hundreds of visitors from points all over this district. There were plenty of football players represented as visitors as could readily be determined by the many letter sweaters, which included about all of the letters of the alphabet and all of the colors of the rainbow.

But to get back to the game. It is such games as this one that make football such a popular sport and that game had about everything in it that a football fan could ask for. To begin with the setting and weather are just about perfect.

Two undefeated squads trot out on the field which is completely surrounded with supporters of both teams, many of whom have come great distances to witness a battle in which the district championship is at stake. The appearance of the warriors on the field of battle gives the great crowd its first opportunity to release part of its pent-up enthusiasm. Peppy yells and songs by the pep squads, and snappy tunes by the bands send a thrilling sensation up an down the spine.

Preliminaries are soon over and the officials call the two captains together. Special instructions are given, a coin is flipped and the friendly enemy wins the toss and chooses to defend the east goal. The local captain elects to receive the kick-off. The teams line up at their respective positions. The leaders announce that all is ready. The referee sounds his whistle and the battle is formally under way. The ball leaves the kicker's foot and as the oval figure sails over no-man's-land, this breathless moment brings the crowd to its feet—which would be an appropriate expression if it were not for the fact that through necessity fans may always be found on their feet at football games in the Crowell park.

Anyway the fight is on and what a fight it is! Twenty-two boys are out there battling as few teams have ever battled before. Rough and tough as the game may be, it is being fought on the fairest and squarest and most even kind of terms. A player is sent viciously into a horizontal collision with the Mother Earth, only to be helped to his feet after the play is completed by the opponent who was responsible for his temporary discomfort. Many instances of such sportsmanship as

this are exhibited by both teams.

The first quarter ends with the ball deep in the enemy's territory. Whoopie! The home boys deal their opponents plenty of misery in the second period and the first half ends scoreless, although the local team has kept the play in the visitors' territory most of the time.

After a short rest hostilities are again resumed. The weight handicap soon reveals itself, a few hard breaks for our side result and although the third quarter ends scoreless, the enemy was plainly superior in it. What a blow it was to lose our chief ground gainer of the game and our best passer as the result of an ankle injury.

First blood is drawn right at the opening of the last quarter and for the first time this year our goal line is crossed. The extra point is added and the score is 7 to 0. Our team puts up a valiant fight and is able to keep their opponents from scoring further but are unable to score themselves and thus the game ends with the home club leaving its own field on the small end of the score for the first time in over three years.

But there are no hard feelings for the game was cleanly played and the visitors' victory was well earned. Both teams had their hard breaks. No team yet has had anything but good breaks. The officiating of the game was as near perfect as could be asked for. No ugly situations or unfair tactics developed. In a moment of wrath two opponents did take a swing at each other, but seeing their error, they promptly shook hands and apologized.

Fans of both cities and members of each team parted with the highest regard for each other. Though it lost the game, the local team won the respect of its opponents and all who witnessed the gridiron classic. Local fans are just as proud of a loss by such a narrow score and to such a strong team as they are of a victory over a weaker team, even though a victory in this particular game was the most wished for event in years and years.

If we simply had to lose, we are glad that it was to such a team as Olney and justly proud may we be of the fact that Olney's coach admits that Crowell gave his team the hardest battle that it has had in the four years that he has coached it. If the Cubs win the championship of District 3 this year, and they seem almost certain to do so, this will make the fourth straight year that they have won the championship. Such a record is not an accident and we doubt if any Class B team in the state has a better record than Olney.

Crowell takes off its hat to Coach Grady Graves and his Wildcats for their record this year, which is the best in Crowell football history, and are looking forward more than ever to a victory over Olney. To Coach Albert Acker and his Cubs, we also take off our hat.

Since the Olney contest, the great game of "IF" has been played to death all over the town. "If" that punt hadn't gone bad; "if" Mullins hadn't been hurt; "if" somebody had blocked that man for Cooper when he apparently had a clear field and "if" the same had been done for Womack when he intercepted that pass, and "if" this and "if" that. The Olney Enterprise was certainly right when it said that IF was a big word sometimes. The paper remarked that IF Crowell beat Olney it would certainly have cinched the district championship.

But when we come to think about it the "ifs" have been about as much for us as they have been against us, so let's quit "ifing" so much. If the ball had been a few feet to one side on that field goal attempt, Olney would have beaten us 16 to 0, and over at Chillicothe "if" Wington hadn't dropped a pass when he had a clear field and a few yards to run for a touchdown, that game might have resulted in a tie. There are other cases where the "ifs" have been for us and we have come to the conclusion that the law of averages controls this little word and that it will do as much for us as it will against us, so long as we try to do our own part.

Local Institution Is Adjudged Bankrupt

Judge W. H. Atwell in federal district court at Wichita Falls Tuesday adjudged the Bank of Crowell, a private institution, and three partners in the concern bankrupt after a hearing which began Monday morning in a special session of the court.

Appointment of a receiver by the state court last July was held by the court to constitute an act of bankruptcy, finding for the plaintiff depositors on that issue. Notes, real estate and other assets of the partners were found to be insufficient to offset liabilities of the institution due to about 1,000 depositors.

W. S. J. Russell, one of the four partners, was not adjudged bankrupt by Judge Atwell.—Wichita Falls Record-News.

A Lesson in Art

By ED KRESSY

Following citations from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, (pp. 345,548):
"Anybody, who is able to perceive the incongruity between God's idea and poor humanity, ought to be able to discern the distinction (made by Christian Science) between God's man, made in His image, and the sinning race of Adam. . . . In this science, we discover man in the image and likeness of God. We see that man has never lost his spiritual estate and his eternal harmony."

PAUL AT JERUSALEM Acts 21:27-39

Really romantic incidents about the third missionary journey of Paul are found in Acts, chapters 20 and 21. Follow with him on his return from Corinth. You will not go to sleep as did the man at Troas who fell out of the window. A final good bye was said to the Ephesian elders at Miletus, for Paul was aware that he was advancing to his own death when he proceeded to Jerusalem. Keep track of the "we" passages, for then Dr. Luke, the author of Acts, was with Paul.

Plenty of trouble awaited Paul at Jerusalem. The people scarcely said "thank you" for the fine offering he brought for the poor saints there before they told him of the criticism scandal-mongers were delighting in.

To offset this Paul agreed to undertake a vow and pay the costs for others making a similar vow. While they were in the Temple courts the cry was raised that Paul had brought others than Jews into the sacred area. Then there was an uproar indeed and soldiers rushed down from the castle of Antonia to rescue Paul from the mob.

As the prisoner was being dragged up the stairs into the castle he saw the fine opportunity to speak once more in behalf of Jesus Christ. Here was the crowd surging about and the stairs furnished an ideal pulpit. Paul rehearsed his own conversion and the hissing broke out again and Paul was taken within to be examined by scourging. But just as the lash was about to descend on his bare back, Paul asked a question that had a startling effect. He asked: "Is it lawful for you to scourge a man that is a Roman and uncondemned?" 22:25. Read all of the record and especially about the vision of commendation, encouragement and promise that came the next night, 23:11.

FACTS NOT POPULAR

It is a strange trait of most humans that they care little for facts which would increase their store of real knowledge. We spend many hours reading trashy fiction, which, if devoted to the acquiring of useful information would make us really cultured.

With the greatest wonders of the universe overhead every night, few persons know the names of half a dozen stars. Few know or can distinguish the difference between a fixed star and a planet.

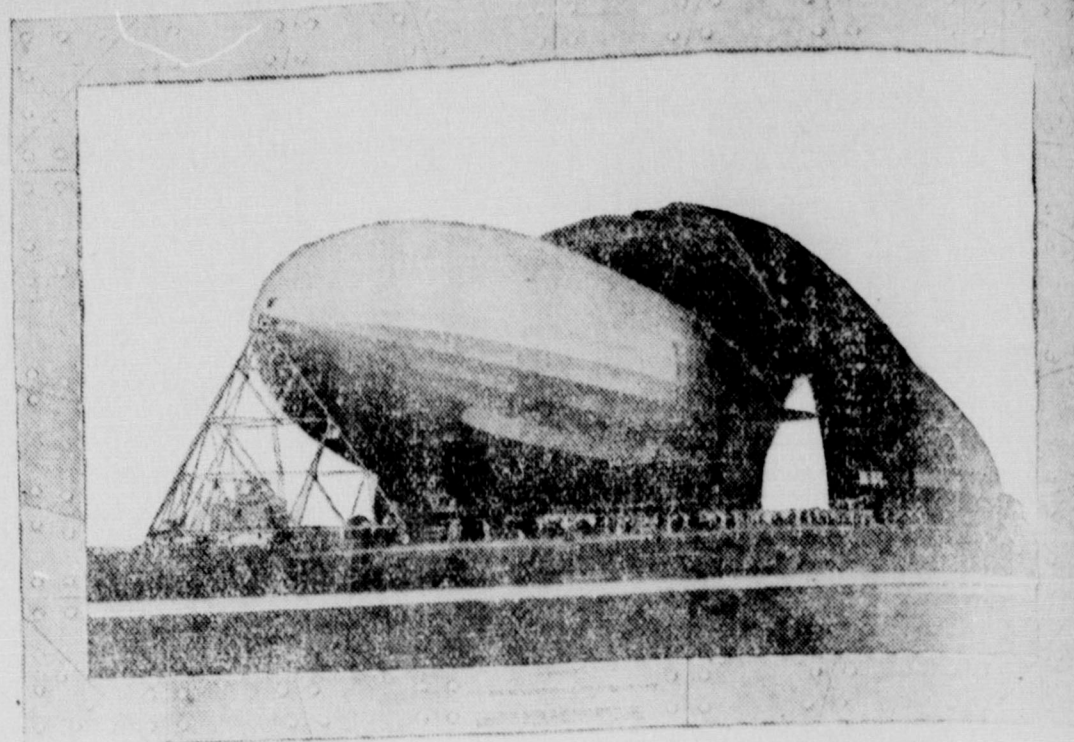

This is merely one illustration of how little interest is taken in the great facts of nature. Even with regard to current events, small attention is paid to new developments which mean so much to mankind. The greatest discoveries of science are hardly ever discussed, while details of the latest murder are on every tongue.

While a relatively few people in the world are giving thought to the marvelous developments of our wonderful age, the vast majority confine their reading and conversation to a narrow range of the most trivial subjects. Facts worth knowing are not popular.

A supposed imitation emerald ring Mrs. J. C. Griffin of St. Paul bought for 50 cents turned out to be worth \$7,000.

A woman using 10 different names is being sought for in St. Louis for robbing as many homes where she got a job as a domestic.

Her skirt inflated with air as she fell into Lake Michigan, kept Mrs. Madeline Brodrick of Evanston, Ill., afloat until she could be rescued.

"AKRON" PICTURE RECEIVED

An unusual picture of the giant Navy airship, "Akron" taken by Margaret Bourke White, famous photographer, and framed in duralumin, was received by the Crowell Service Station last week and is attracting considerable attention.

The picture showing the big dirigible emerging from the air dock at Akron, Ohio, was taken during the "walkout" of the ship, just before starting its trial flights. By a curious fore-shortening effect which Miss Bourke White caught, the dock or hangar, which is three full city blocks long is narrowed almost to an arch, the rear doors of the building being open at the time accom-

panying this effect.

Scrap duralumin from the ship itself was used in the frame of the picture and held into place by a hundred duralumin rivets.

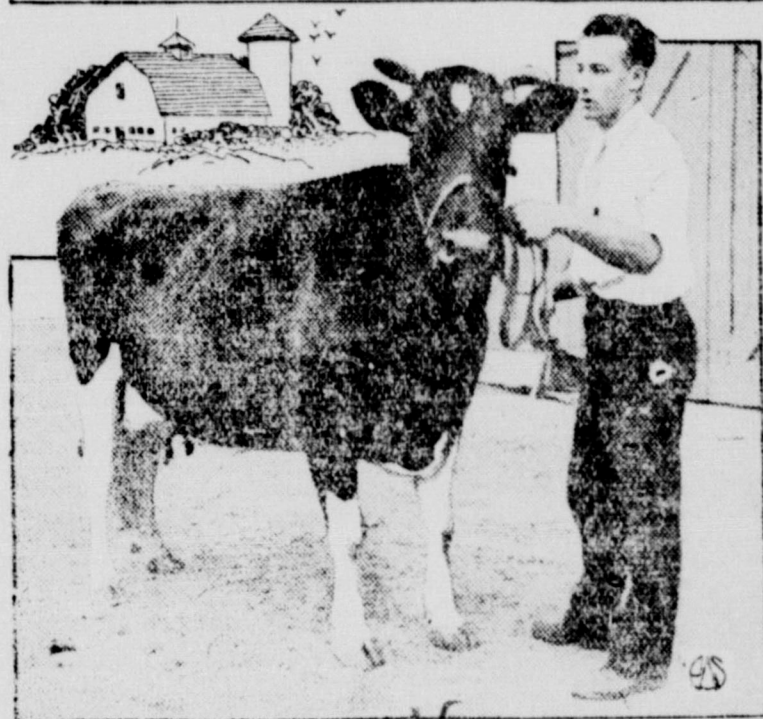

The picture was presented to M. F. Crowell, winner in a summer merchandising contest instituted by the Goodyear Tire & Rubber Co., constructor of the airship.

Presentation of the prize winning picture to the local man was made by E. A. Talmage, sales representative of the Goodyear company who congratulated the recipient on his aggressiveness and fine character of service that had won the award for him in a depression year.

Explaining the anomaly of a tire

manufacturer being in the same business of airship building, Mr. Talmage explained that some 21 years ago, President P. W. Litchfield of Goodyear, then superintendent of the company, was looking about for new products to manufacture for various reasons. The company was already experienced in impregnating fabrics with rubber in connection with making tire plies and belts. This is also the first step in building balloons. And as a more important reason, he was already impressed with the importance of transportation, whether by land, air, and felt that aircraft were destined for an important future in economic history.

When PAIN Comes

WHAT many people call indigestion very often means excess acid in the stomach. The stomach nerves have been over-stimulated, and food sours. The corrective is an alkali, which quickly neutralizes acids. Add the best alkali known to medical science is Phillips' Milk of Magnesia.

One spoonful of this harmless, tasteless alkali neutralizes instantly many times as much harmful acid, and then the symptoms disappear at once. You will never use crude methods when once you learn the efficiency of this. Go get a small bottle to try.

Get the genuine Phillips' Milk of Magnesia, the kind physicians have prescribed for 50 years in correcting excess acids. 25c and 50c a bottle—any drugstore.

NOT HAVE BOOK WEEK FOR THE LIBRARY?

The high school library, although contains many good books, has recently decreased in number of volumes, due partly to hard times and more important, to the fact that the average book will not last more than four years, and most of them have been through their fourth year.

ETIQUETTE FOR GIRLS

1. Never try to make yourself the center of attraction when in a crowd.
2. Be courteous to everybody at all times.
3. Girls should always speak first when meeting a boy friend.
4. A girl should remove her coat when dining in a public place.
5. Never try to monopolize the conversation. Make it general enough that every girl may have a chance to say something.
6. When you bring a friend to class, always introduce her (or him) to each teacher as you enter the class, provided this friend is a stranger, of course.
7. When you take a friend to a party always introduce her or him to the host and hostess first and then to as many of your class-mates as possible.

ETIQUETTE FOR BOYS

1. When a boy and a girl or a boy and two girls are walking, the boy should always walk on the outside.
2. A boy should never use rough or vulgar language before girls.
3. A boy should always take off his hat when talking to a girl or when he is introduced to one.
4. When a lady enters the room, boys should always stand until she is seated.
5. When going into a theater the boy should go in first unless there is an usher, but if there is an usher the girl should follow immediately behind him.
6. In a theater the boy should always sit on the outside, no matter how many girls are with him.
7. When dining a boy should always pull a chair out for a girl and then put it in as near the table as she desires.
8. When dining in a public eat-

ing place the boy should always turn in the menu for both.

PEP SQUAD NOTES

The C. H. S. pep squad's formations at the game Friday were able to rival those of Olney. Thanks to the leaders, Jim Lois Gafford and Peggy Thompson.

The pep squad wishes to take this means of thanking the Crowell and Quanah bands. They did some splendid work Friday. The delightful banquet given Saturday night by the fans makes the pep squad feel that the fans are with them in victory or defeat.

FUN AND KNOWLEDGE CLUB ORGANIZED

The honor roll students of grammar school met Monday for the first time, however, they will meet on Tuesday from now on. The officers elected were as follows: President, Banks Campbell; vice president, Ike Wilson; secretary, Claudine Touchstone; assistant secretary, Glendon Reeder, and reporter, Mary Elizabeth Hughston. The committee appointed to arrange the program for this six weeks were: Mary Lou Fudge, Sam Crews, Joe Hanna and Claudine Touchstone.

PERSONALS

Roland Whatley, former student of Crowell, is now attending school at Thalia.

The fire bell rang unexpectedly Thursday; the school house was cleared in a few seconds.

Coch Graves was absent from school Monday on account of illness of his wife.

FIRE PREVENTION THEME (By Jo Roark, Junior)

Average Boy and Carelessness. Average Boy awoke one morning in November and lay awake. He did not want to go to school because his teacher expected each pupil to write a fire prevention theme. Proud Parent came into the room and urged Average Boy to rise quickly lest he be late for school.

When Average Boy was on the way to school, he met a prosperous looking man who had on a red cloak with the word "Carelessness" printed on the back. Carelessness told Average Boy not to go to school but to come with him. Average Boy needed no persuasion, but went with him readily.

They traveled until they came to a great forest. Here a man was cooking. When he finished with the fire, he merely left it without extinguishing the flames. Soon the whole forest was on fire. Average Boy wanted to stay and see if the flames were extinguished, but Carelessness hurried him on.

This time they came to a large factory where the engines were being drained. The waste oil was run through large wooden troughs to a pool. A workman, hurrying home, lit his pipe and not noticing where the match went, flipped it into the pool. Instantly there was a great explosion. Rocks and uprooted trees were flung high in the air. Average Boy exclaimed, "The poor workmen! Let's stay and see the finish of this!" But again Carelessness hurried him on.

Bright lights shone in a window for ahead, and they hurried toward them. Looking into the window, they found this to be a Halloween party. Black and orange paper was strung from the ceiling and covered the furniture. Young people were gaily dancing. Suddenly one young man knocked a lack of lantern with a candle in it over, and the paper on the table burst into flames. The young people rushed out of the house screaming. Average Boy looked at Carelessness in disgust and said: "You are no fit companion for me. Begone! I had rather travel with Carefulness."

Average Boy awoke with the sun streaming in his face. He arose and started writing his fire prevention theme.

3 RULES big help to BOWELS

What a joy to have the bowels move like clockwork, every day! It's easy, if you mind these simple rules of a famous old doctor:

1. Drink a big tumblerful of water before breakfast, and several times a day.
2. Get plenty of outdoor exercise without unduly fatiguing yourself.
3. Try for a bowel movement at exactly the same hour every day.

Everyone's bowels need help at times, but the thing to use is Dr. Caldwell's Syrup Pepsin. You'll get a thorough cleansing-out, and it won't leave you insides weak and watery. This family doctor's prescription is just fresh laxative herbs, pure pepsin, and other helpful ingredients that couldn't hurt a child. But how it wakes up those lazy bowels! How good you feel with your system rid of all that poisonous waste matter.

Football Team and Pep Squad Honored With Banquet Sat.

The Crowell High School football team boys and pep squad girls were honored at a banquet given them at the home economics room of the high school Saturday night. The affair was arranged on very short notice by a number of local fans and proved to be a very interesting one.

Through the co-operation of the women of the town and business firms a delicious and plentiful feed was prepared. Those working on the details of the banquet stated that large numbers offered to aid in any way in showing their appreciation to the football team and the pep squad girls. In the short time that the event was arranged it was impossible for those assisting with it to see all of the football fans and since the banquet many expressions of willingness to have helped with it have been heard, for it seems that all of Crowell stands one hundred per cent behind the football team and pep squad and the banquet given these two clubs may truly be said to be an expression of appreciation from the entire citizenship.

Following the banquet, which included a number of interesting talks, the group adjourned to the gymnasium at the grammar school, where a number of games were played. Numerous expressions of appreciation for the kindness of the people of Crowell in giving them this banquet were made by the football players and pep squad girls.

MEXICANS MARRY

Marcelo Ramirez and Delfiria Ramirez, Mexicans of Margaret, were married Thursday afternoon, Nov. 5, by J. W. Klepper, justice of the peace of Precinct 1.

Munday Game

(Continued from Page 1)

made by the Wildcats. Crowell made a touchdown on its first offensive play of the game. Munday received the kick-off. Unable to gain they punted to their own 41-yard line from which Cooper took the ball and circled left end for a touchdown. Mullins passed to Cooper for the extra point. D. Todd carried the ball over from the 3-yard line for the next touchdown and then hit the line for the extra point to make the score 14 to 0, where it stood as the first quarter ended.

Loraine Carter took the ball across from the 4-yard line on the first play of the second quarter. D. Carter's drop kick for extra point failed. A pass, Cooper to D. Todd, netted 45 yards for the next touchdown. D. Carter drop kicked the extra point. Cooper passed to D. Todd for 55 yards and another touchdown. L. Carter went over the line for the extra point. Crowell 34, Munday 0.

The next touchdown also came on a pass, D. Todd to Cooper, which netted 66 yards. D. Carter's drop kick was wide for extra point. The final touchdown of the first half came with Cooper carrying the ball across from the 3-yard line, after he had made a 44-yard run. D. Carter's pass for extra point failed. Cooper took a triple pass and crossed the goal line after a 37-yard run but the touchdown did not count for Crowell's backfield was in motion and the half ended 46 to 0.

Second Half

Mullins passed to D. Todd for 65 yards and a touchdown and L. Carter hit the line for the extra point. The next touchdown of the last half came the same way, the pass and run being good for 61 yards. D. Todd passed to Cooper for the extra point. Cooper circled left end for 30 yards and the next touchdown.

Mullins' pass for extra point failed. The third quarter ended 66 to 0. J. Todd took a pass over the goal line for a gain of 27 yards in this quarter but the ball was called back on account of Crowell being offside.

Last Quarter

L. Carter went over from the 2-yard line for the next touchdown. D. Carter failed to go through the line for the extra point. Fox took the ball across from the 2-yard line for another touchdown. A drop kick for extra point was wide. Cooper made the next score with an 8-yard run. The extra point failed. The final touchdown of the game was made by a beautiful off-tackle run by D. Todd that was good for 51 yards. D. Carter drop kicked for the extra points and shortly afterward the game ended with the score 91 to 0.

Twelve-minute quarters were used in this game instead of 15-minute ones as was the case with the Olney game.
