## SAVING IF BACK SCHOOL TAXES ARE PAID NOW

Statements covering 1935 taxes will be mailed this week to taxpayers. A committee composed of J. A. Spears, Clyde Cobb, E. Nichols and J. E. Atchee, completed negotiations for building and directed work of the building committee. Classes will begin at 7:30. He will be minister of the church during the time between here and the first Sundays of each month.

## Local Church of Christ to Begin Regular Services

The new church of Christ that recently organized in Crowell, began regular services Sunday morning at the building north of Phillips "66" station. The former residence was purchased from Leo Spencer by the church. Walls separating rooms were removed and other work in converting it into a church building. A committee composed of J. A. Spears, Clyde Cobb, E. Nichols and J. E. Atchee, completed negotiations for building and directed work of the building committee. Classes will begin at 7:30. He will be minister of the church during the time between here and the first Sundays of each month.

## HOSPITAL NOTES

Thalia was removed to the hospital Wednesday morning. He is recovering from an infected arm, improving. Codell was able to be released to his home Wednesday, after an appendix operation. Lam Hargrove of Thalia is recovering satisfactorily after appendix operation. Bullard is improving. He is in the hospital several days.

## S. REED DIED FOARD CITY LAST THURSDAY

S. Reed, 61, suddenly dropped at Foard City last Thursday afternoon. Apparently he had been in good health and his death was unexpected. Mr. and Mrs. Reed moved from Foard City shortly before the opening of the Foard City school where two daughters of theirs are employed as teachers.

Smith Reed was born in Plains, Mo., Jan. 28, 1874. He received his education in Missouri and at an early age he moved to Oklahoma. Here he engaged in the dry goods business. He moved to Seymour, where he married Miss Nora Richerson on Feb. 24, 1908. After the marriage, Mr. Reed opened a grocery store at Bomarton which he operated until moving to Foard City.

Mr. Reed was converted to the Baptist Church at Crowell in 1907. He was a devoted Christian and tried to live by the principles of his faith. In 1918 he had the degree of Masonry conferred on him at Dallas. He was an active lodge member and the standards of Christianity and Masonry to rear his children.

Mr. Reed is survived by his three daughters, Miss Agnes, Miss T. S. Reed, and Miss Reed, all of Foard City, and Mrs. Reed. Other than his wife, he leaves a half sister, Grover Reed of Brawley, and a half sister, Mrs. W. H. Davis, of El Centro, Calif. Funeral services were held at the First Baptist Church in Crowell Saturday afternoon and were conducted by W. A. Reed of Thalia. Burial was in the cemetery.

## Rev. L. W. Bridges Becomes Pastor of Church in Dalhart

Rev. L. W. Bridges, pastor of the Crowell Christian Church since Jan. 1 of this year, will assume duties Sunday as pastor of the First Christian Church at Dalhart. He and Mrs. Bridges and their children, L. W. Jr., Homer Glenn, Dorothy Estelle and Maenell, will leave Crowell today for their new home. A farewell service for the family was held at the church last night.

The call of the board of the Dalhart church was unanimously ratified by members of the church at services last Sunday morning. The Dalhart church has a membership of 275 and four organizations of young people, having a total membership of 89.

In addition to his duties as pastor, Rev. Bridges served as scoutmaster for Crowell Boy Scouts. Last June he served as superintendent of the successful daily vacation Bible school that was conducted in Crowell.

## Wilbarger - Foard Baptists Met in Crowell Tuesday

The Workers Conference of the Wilbarger-Foard Baptist Association was held at the local Baptist Church Tuesday with a large attendance.

Beginning at 10 a. m., three 20-minute sermons were delivered as follows: "Sin," Rev. T. W. McNelly of Vernon; "Hell," Rev. D. E. Hogan of Lockett; "Heaven," Rev. S. J. May of Odell. The sermon at 11 o'clock was on "The Church" and was delivered by Rev. Noah Phillips of Fargo. Lunch was served at the noon hour. The early part of the afternoon was taken up with the board meeting and the W. M. U. program. Rev. W. A. Reed of Thalia and Rev. W. B. Fitzgerald of Crowell were elected by the board as messengers to the State convention which meets in Houston, Nov. 4-8. The inspirational address of the afternoon was given by Rev. Diggs of Oklawaha.

## Gov. Allred Asks Return of Miller

An Associated Press dispatch from Austin Monday stated that Governor Allred issued a requisition to the governor of Georgia asking the return of Que R. Miller, former Foard County sheriff and tax collector, when he is released from the Atlanta penitentiary on Nov. 12.

## Quanah to Be Scene of District Church Convention Nov. 22

Quanah will be the scene of the annual convention of District 12 of the Christian Churches of Texas on Nov. 22. This convention was to have been held in Crowell this year but was changed to Quanah after the decision to hold a district meeting of the United Christian Missionary Society in connection with the convention, which would have made it difficult for Crowell to handle the convention.

## ANNUAL STATE BAPTIST CONVENTIONS OPEN MON.

The annual State Baptist Convention will open in Houston Monday and continue to Nov. 8. Several from Crowell and Foard County are planning to attend.

## ACCIDENT KILLS RELATIVE OF FOARD COUNTY PEOPLE

Mrs. Joe Harris left Sunday for Georgetown in response to a message that a grand niece, Miss Jimmie May, 16, had been killed in an auto-truck collision which occurred early Sunday, which also took the lives of Earle Henderson Jr., 17, and Doyle Cline, 18, of Taylor. Besides Mrs. Harris, the deceased was also a grand niece of Mrs. C. C. Fox, Mrs. John Glover and Cal Rader of this county. She visited here several years ago. The grandmother of the girl, Mrs. Fannie Lyons, deceased, was known by many local people. Miss May is survived by her parents and a sister.

## PERFECT CONFERENCE RECORD FOR PANTHERS OR WILDCATS TO BE BROKEN FRIDAY NIGHT

### Seymour Panthers at Full Strength for Crowell Game

Special to The News. Seymour, Oct. 29.—With the team at full strength for the first time since the Haskell game, the Seymour Panthers are preparing to meet their hardest conference test to date next Friday night, when they entertain the Crowell Wildcats. Hogue and Stevens, backfield stars, will be in the line-up, and A. Henson, star guard of last season, will be ready to go. The Panthers have had a rather spotted season thus far, and local fans are hoping that Friday night will mark their start on some consistently good play in every department.

The Panthers have not been able to score a win over Crowell since the days of Dick Todd began, and are hoping to turn the trick, though not discounting the proven strength of the Wildcats for the 1935 edition. Indications are that the largest crowd of Seymour fans of the current season will be on hand, and the bleachers, with their seating capacity of 3,000, should be well filled.

### Archer City Game Moved to Crowell; Clash Here Nov. 8

Archer City's Wildcats, one of the strongest football teams of District 9-B, will play the Crowell Wildcats at the local stadium on Friday night of next week. The game was originally scheduled to be played in Archer City. Officials of the two schools reached an agreement this week to play the game in Crowell. Archer City has beaten Chillicothe 14-7 and last week invaded Burk Burnett and won 18-6 in spite of a very muddy field. Archer City was beaten only three touchdowns by Olney.

### LARGE SWEET POTATO

Wallace Scales of the Thalia community brought an extra large sweet potato to The News office Tuesday. It weighed 6 lbs. and was 12 inches in circumference. Mr. Scales says his sweet potato crop is good this year, however, he only had a small patch but produced more than he needed for home consumption. We appreciate Mr. Scales remembering us with this potato. It is not only large but it is good.

## CHILICOTHE LOSER IN 9-B TILT WITH CHS

Mark Saunders' long pass to Austin Wiggins in the last quarter gave Crowell a 6 to 0 victory over the Chillicothe Eagles last Saturday afternoon at Chillicothe. The game had been scheduled for Friday but was postponed a day on account of heavy rains. The heavy field Saturday afternoon was instrumental in slowing down play to a considerable extent.

The touchdown pass came just after a bad Chillicothe punt went out of bounds on the Eagle 36-yard line. Frank Meason hit the line for 2 yards. On the next play Saunders reversed from his end position and accurately heaved the ball to Wiggins who received on about the 5-yard line and then scampered across the goal line. Bill Dunn's line smash failed to produce the extra point.

Crowell threatened to score twice before reaching the two-yard line in the first quarter and the three-yard line in the third. A 5-yard penalty killed the first scoring opportunity. The Eagle line presented too powerful a defense in eliminating the other threat.

The Eagles never once threatened to score, although their passing attack presented cause for worry on the part of the Wildcats and their fans. Summary: First downs: Crowell 13, Chillicothe 6. Yardage: Crowell gained 246 yards on running plays and lost 4. Chillicothe gained 76 and lost 8. Crowell gained 97 on passes and Chillicothe gained 59. Net yardage on running plays and passes—Crowell 339, Chillicothe 127. Passes: Crowell tried 17, completed 5 and had 3 intercepted. Chillicothe tried 11, completed 3. (Continued on Page Four)

## Scoutmaster

HENRY BLACK

## Important Scout Meeting at 6:30 Here This Evening

Henry Black, a member of the Crowell High School faculty, has been selected as scoutmaster to succeed Rev. L. W. Bridges, who is leaving Crowell today to assume duties as pastor of the First Christian Church at Dalhart. Mr. Black was named to this position by Crowell Boy Scout committee. A. Y. Beverly, John Long, T. P. Reeder, Grady Graves, Rev. Geo. E. Turrentine and Ebb Scales.

A special meeting of Boy Scouts and committee members will be held at the scout hall this evening at 6:30 o'clock, at which time the new scoutmaster will take up his duties. The meeting is being held early so that it may be completed in time to permit attendance at the circus.

The new scoutmaster has been a member of the local Boy Scout committee and has also had charge of first aid instruction.

## New District Set-Up

The area served by the Wichita Council of Boy Scouts has been divided into six districts in order to better serve the Scout troops outside of Wichita Falls. Frank Creighton of Wichita Falls is the Council executive.

## NO TRADES DAY

The local Trades Day committee has announced that no special plans or events have been arranged for First Monday because of the extra busy cotton season and the fact that rains have thrown most farmers behind with their work.

## BIRTHS

To Mr. and Mrs. Joe H. Newton, Crowell, Oct. 26, a boy, Joe Junior.

To Mr. and Mrs. George Franklin Pruitt, Crowell, Oct. 18, a boy, Joe Miran.

To Mr. and Mrs. Virgil M. Bostic, Crowell, Oct. 25, a girl, Mary Pearl.

To Mr. and Mrs. Orvel Black, Crowell, Oct. 28, a girl, Ada.

## Contributions for Memorials to Will Rogers Begin Nov. 4

The birthday of Will Rogers, Monday, Nov. 4, will serve as the beginning of a period which will continue to Nov. 27 and during which contributions will be received by banks throughout the nation in providing funds for memorials to this great American.

Following the death of Will Rogers, many organizations were formed for the purpose of erecting memorials. These organizations were merged and the "Will Rogers Memorial Commission" was formed with Vice President John Garner as chairman. Jesse H. Jones of Houston is treasurer of the commission.

Jim Minnick of Norman, Okla., who is now on his Foard County ranch, was honored in being named as a member of this commission. He was one of Will Rogers' closest personal friends and it was this friendship that caused Will Rogers to display a personal interest in Foard County and Crowell on several occasions, including a visit here in 1932.

Every cent donated will be spent directly on memorials, since the aviation industry has agreed to bear all the cost of collection and administration.

If you appreciated Will Rogers as millions of Americans did, and are interested in properly perpetuating his memory, make a donation of any size you wish at your local bank between Nov. 4 and Nov. 27.

## Auction Plan Suggested

Mr. Minnick has suggested a plan concerning those unable to make cash donations and The News feels that the sentiment of the county as a whole should be sought on it. The plan is for donation of any thing that could be sold at an auction, thus making it possible for many to share in this "memorial" campaign who have a desire to do so and who are unable to contribute cash. The cash resulting from the auction would then be placed with the memorial fund.

## Army Engineers At Site Proposed Pease Dam Monday

Colonel Lunsford Oliver and Captain J. S. Seybold, United States Army Engineers of Vicksburg, Miss., were in Foard County Monday morning and visited the site for the proposed dam on Pease River at a point about 9 miles northwest of Crowell.

During the afternoon they attended a meeting in Vernon of directors of the Pease River Flood Control District. The directors passed a formal request that State WPA Administrator H. P. Drought consider the \$4,803,000 application of the Pease River Development Ass'n. as an application of the former body an official district recently authorized by the Legislature.

The Army officials explained that while the War Department could not sponsor the project due to the fact that all funds have been allocated, Army engineers could supervise and direct the project if the WPA will supply the funds. The visit of the engineers was arranged at the request of Senator Morris Sheppard and Congressman W. D. McFarlane.

Dr. Hines Clark and M. S. Henry, Foard directors of the new district, attended the Vernon meeting. Others attending were President E. R. Brown, Electra J. T. Taylor and Harry Koch, Quanah; C. E. Carlock, Chillicothe; W. O. Jones Sr., Paducah; R. H. Nichols, T. E. Johnson and L. A. Wilson, Vernon; Joe E. Ward, consulting engineer, Wichita Falls, and Congressman McFarlane of Graham.

## FOARD GINNINGS

A total of 3,623 bales had been turned out by Foard County's seven gins up to yesterday afternoon. Thalia's two gins had a total of 1,255. The total for Crowell's three gins was 1,199; 820 at Rayland and 372 at Margaret.

## LARGE COTTON BALE

A bale of cotton weighing 850 pounds was ginned at the Farmers Gin No. 2 in Crowell yesterday for Chas. Herring, who lives a few miles east of here. This is said to have been the largest bale ginned here in several seasons.

## Pease Bridge May Be Finished Dec. 1

Indications are now that the Highway 16 bridge across Pease River will be completed by Dec. 1 if weather conditions are favorable. The concrete floor has been poured for all but eight of the 50 spans and steel I beams are now lacking at only three spans. Railing for over 12 spans has been completed.

## TWO-INCH RAIN RECEIVED LAST WEEK IN FOARD

One of the best rains of the year fell in Foard County and this section of Texas last week. The slow downpour, beginning late Wednesday of last week and ending Friday, amounted to 2.07 inches at Crowell and was about the same over the entire county.

Another rain on Oct. 18 amounted to nine-tenths of an inch at Crowell, bringing the total for the month to 2.98 inches. Wheat prospects have been greatly brightened by the rains.

## Corn-Hog Plan Is Favored in Vote of U. S. Farmers

Foard County farmers joined other farmers of the nation Saturday in providing an overwhelming endorsement of the plan for the government to continue some form of corn-hog control. Fifty voted for the continuance and 13 against. Twenty-three contract signers voted on the plan, 23 of whom voted for, and 5 against. The vote of non-contract signers was 27 for, and 8 against.

Incomplete returns over the nation showed that 817,994 favored an adjustment program in 1936 and 55,178 opposed.

## NO TRADES DAY

The local Trades Day committee has announced that no special plans or events have been arranged for First Monday because of the extra busy cotton season and the fact that rains have thrown most farmers behind with their work.

The new set-up, Crowell is in the Vernon District, which will serve Wilbarger, Foard and Hardeman counties. It is planned to have jamborees at least once every six weeks with all Scouts and Scouters (men) of the district in attendance. The first one of these will be at Vernon on Nov. 19.

## PROCLAMATION

By the GOVERNOR OF THE STATE OF TEXAS

To All To Whom These Presents Shall Come: On Friday, August 1, 1935, Will Rogers died, idol of America, beloved by all who knew him, his untimely passing brought a greater sense of individual loss and sorrow to every American citizen than any man who has ever commanded the attention or affection of the people.

In the words of Reverend J. Whitcomb Brougher, Sr., who officiated at the Will Rogers memorial services in Glendale, "There are many hills, but only here and there a great towering Mt. Shasta; There are many streams, but only here and there a great Mississippi; There are many trees, but only here and there a Sequoia gigantea; There are many echoes, but only now and then an original voice; There are many musicians, but only now and then a Mendelssohn or a Mozart; There are many politicians, but only now and then a great statesman; There are many people, but only now and then an outstanding individual."

The nation still is stunned and sorrowful. It is impossible to realize that Will Rogers is really gone from us. Will Rogers needs no monument. He built his own monument, he wrote his own epitaph in the hearts and affections of people from every walk of life. He was the greatest apostle of sunshine, of joyous humor, of fellowship, the world has ever known. He still lives because his work lives. "To live in mankind is far, far more than to live in a name."

To perpetuate his memory, to fittingly attest a nation's love for the ideals Will Rogers represented, a nation-wide movement is under way. It is headed by outstanding citizens everywhere who have agreed to give unselfishly of their time and means, in order that a proper foundation for service to mankind may be permanently established. Every man, woman and child, from the highest to the lowest walks of life, will be given an opportunity to participate.

As but a small part of the program, on Monday, November 4th, every bank in the nation will open special "Will Rogers Memorial" accounts. Every man, woman or child who has ever chucked at the homely philosophy of Will Rogers, whose life has been made happier, who has been inspired by the cleanliness of his example, who has hungered for his daily news contribution, who has seen him on the screen, who has pressed forward in surging crowds for a personal glimpse of him, will be given an opportunity to make a deposit, quietly, without publicity of any kind, from a single dime to the limit of their means.

I think Will Rogers, if he knew that all who loved him are determined to establish a permanent foundation to his memory, would prefer contributions of twenty-five cents from fifteen million people to a few larger sized donations.

NOW, THEREFORE, I, JAMES V. ALLRED, Governor of the State of Texas, do hereby set aside and dedicate

MONDAY, NOVEMBER 4TH as WILL ROGERS DAY

I urge all Texans on this day to reflect upon the fine, clean manhood of Will Rogers, the life of service he lived, the good he did. I suggest that all of our schools and civic clubs conduct suitable programs and exercises in memory of our great philosopher humorist.

I especially urge that all of us contribute of our bit to the Will Rogers Memorial Fund.

WITNESS MY HAND under the Great Seal of the State of Texas, this 28th day of October, A. D., 1935.

(SEAL) JAMES V. ALLRED, Governor of Texas.

By the Governor: R. B. STANFORD, Secretary of State.

GIVE YOUR WIFE A BREAK

It is all right to keep her in training—but make her wash your car only half the time, and let us wash it the other half. You shouldn't trust her to lubricate it. She might overlook something, and you would be out a garage bill for a burnt-out bearing. We are specially equipped for washing and greasing, and like to do it. All Chevrolet Co. Plants in Operation

The Chevrolet Motor Company, preparing for the introduction of its 1936 models on November 2, has reopened all its manufacturing plants and its 10 assembly plants, and will have built more than 65,000 units by the end of October. Schedules for November and December call for a greatly increased production. The introductory day for the 1936 Master deluxe and Standard models, Chevrolet officials say, will find every one of the company's 10,000 dealers stocked with display cars and in a position to take orders for immediate deliveries. It is expected that sales in November and December, months that heretofore have been dull, will be brisk, under the impetus of the new model announcement, and the large automobile shows, formerly held after January 1. The former show dates were not conducive of large selling, coming as they did in

the coldest months of the year. This year's shows open with two months of pleasant weather raining, and it is the industry's belief that many motorists will buy new models at once. Employment is increasing rapidly in Chevrolet plants, as the supply of units and bodies for the new models increases daily. The change over from 1935 models to 1936 models was completed early in October, after a brief shut-down during which plants were realigned for increased production. According to W. E. Holler, vice president and general sales manager, Chevrolet dealers will have the advantage of an ample supply of new models from the very start of the new selling year. "There will be no shortage of models this year," said Mr. Holler. "We have not only got under full swing long in advance of the auto shows, but we have, in addition, the advantage of a 25 per cent increase in our production capacity, both in assembly plants and in our factories making engines, transmissions, axles, and other units."

Discovery of Electric Light

It is uncertain when electric light was first produced by artificial agencies. The first successful display occurred in 1810, when Sir Humphrey Davy with a battery of 2,000 elements entertained the Royal Institution by producing an electric light with an arc 3 inches long between carbon points. Stone, who has been sick for several months. School began Monday morning. It has been dismissed three weeks on account of cotton pulling. Mr. and Mrs. Mart Morris and family moved from Vernon Monday to C. G. McLain's farm. They were accompanied by Mr. Morris' brother, Alvord, of White Flats.

Celebrates

J. E. Harwell, owner and manager of Harwell's Variety, is celebrating the twelfth anniversary of this store in Crowell with a special "Anniversary Sale." Mr. Harwell established his store at its present location in the fall of 1923 when he moved here from Quanah. America has 64,000 blind persons.

The Arapahoes

The Arapahoes are one of the typical Plains Indian tribes, longling to the same language family as the Algonquins. Before coming of the white man, they appear to have migrated southward across the Missouri river from the region of the Red River valley in northern Minnesota where, according to their traditions, they lived a quiet agricultural life, in contrast to their roaming nomadic existence in historic times.—Washington Post.

Common Mole Must Have Food Every Few Hours

Some animals can exist for long periods without food. The badger and dormouse, when they hibernate, will have no meals for weeks at a time, and the latter have been known to sleep from November to March and then be in excellent condition to carry on.

Gamma Rays

Gamma rays are high-frequency vibrations, similar to those produced by an X-ray tube, though of shorter length. No other known ray approaches them in this particular.

Stevenson Wrote Jekyll-Hyde

The story of "Dr. Jekyll and Mr. Hyde" was written by Robert Louis Stevenson.

**Chillicothe—**

(Continued from Page One)

Fumbles: Crowell fumbled twice, recovering the ball each time. Chillicothe fumbled once, losing the ball.

Penalties: Crowell penalized 5 times for a total of 35 yards. No penalties for Chillicothe.

**First Quarter**  
Aulds of Chillicothe returned McKown's kick-off from the 18 to the 33. Six line plays gained 16 yards, putting the ball on the 49, from which Aulds punted. McKown returning 10 yards to his 33. McKown gained 8 and then 5. Crowell penalized 5. Two line plays gained 2, after which Saunders tossed a long pass to Frank Meason who was finally stopped on Chilli's 17, a gain of 40 yards. F. Meason next crashed through for 9 yards. McKown made 2 and F. Meason 1. McKown plowed the line for 3, putting the ball 2 yards short of a touchdown, however the play was called back and Crowell penalized 5 for offside. F. Meason gained 2. McKown's pass failed. Saunders' pass to Wiggins over the goal line was incomplete and the Eagles took the ball on their 20.

Making only short gains, Aulds punted to his 47. McKown made 11. G. Meason picked up 3 and F. Meason 2. McKown made 1. On 4th down, his pass failed, and Chilli took the ball on the 30. Chilli advanced the ball to their 36 as the quarter ended. Score 0-0.

**Second Quarter**  
On the first play Aulds punted to the Crowell 39. A series of line plays with the Measons and McKown carrying advanced the ball 20 yards. After being penalized 5 yards, McKown punted and the ball was downed on the Eagle 26. Keys circled right end for 13

yards. Further attempts to gain failed and Crowell took the ball on its 37. The remainder of the quarter consisted mainly of punt exchanges with the Wildcats making a few gains at the line.

Near the end of the quarter and just after Crowell was penalized 15 yards, Tidwell caught Aulds' pass but fumbled the ball when tackled and McKown recovered on his own 37. McKown gained 1 and then cut through left tackle for 18 yards as the half ended. Score 0-0.

**Third Quarter**

McKown returned Aulds' kick-off 25 yards to the 38. Gains by G. Meason and McKown put the ball on the Eagle 45 before the Chillicothe defense tightened. McKown punted out on the 28. Gaining only 2 yards in 3 tries, Chillicothe punted and McKown returned 6 to his 41.

On the next play he cut through left tackle for 38 yards before Ramsey brought him down from behind. G. Meason made 2. McKown added 4. He made it a first down on the 11 with 4 more. McKown's two line smashes netted only a yard. His pass to Dunn put the ball on the 4. McKown picked up 1 at the line and Chilli took the ball on downs on their 3.

Aulds' punt went out on the Eagle 28. Keys intercepted Wiggins' pass and was downed on the 23. Making only short gains, the Eagles punted and McKown returned 10 yards to the 50. McKown gained 3 and then punted out on the 24. Nichols downed Aulds for a 3-yard loss as the quarter ended. Score 0-0.

**Last Quarter**

After 2 short gains, Aulds punted and McKown returned 14 yards to the Eagle 43. McKown gained 3. Saunders' pass to F. Meason was good for 17 yards. F. Meason hit the line for 3, but Crowell was penalized 5. McKown picked up 4. A pass failed. Aulds intercepted another pass by McKown on his 20, where he was downed. Three line plays gained 6 yards. Aulds got off a bad punt which went out on the Eagle 36.

**Crowell Scores**

McKown failed to gain. F. Meason picked up 2. On the next play Saunders threw a beautiful pass of about 30 yards to Wiggins who received on the 4 or 5 and quickly stepped across the goal line for the only touchdown of the game. Dunn's line crash for the extra point was short. Crowell 6, Chillicothe 0.  
Tidmore returned F. Meason's kick-off from the 31 to the 39. Aulds to Tidmore, gained 9. F. Meason intercepted another pass and was downed on the 50. After a few short gains, McKown's 40-yard punt rolled out of bounds on Chilli's one-yard line. Aulds punted to the 34. McKown's pass to Dunn gained 9. McKown carried the ball 4 times, gaining 11 yards and putting the ball on the 14. A pass on 4th down failed and Chilli took the ball. Davis passed to Aulds for 16 yards. Three more passes failed and Aulds punted to the Crowell 44. On first down, McKown's punt rolled over the goal line and Chilli took the ball on the 20. A pass from Davis to Tidwell gained 19 yards. Dunagan intercepted Davis' pass on the 42. F. Meason made 2. McKown's pass failed. Another pass by McKown was intercepted by Francis on the 30 as the game ended. Crowell 6,

**CROWELL, OLNEY AND SEYMOUR CONTINUE AS "BIG THREE" IN DISTRICT 9-B FOOTBALL RACE**

Following conference games last week, Crowell, Seymour and Olney continued as the "Big Three" in District 9-B—all having perfect district records. Seymour beat Iowa Park 41-0 and Crowell downed Chillicothe 6-0. Olney played a non-conference game with Masonic Home, one of the strongest Class A teams of Texas and lost 27-0. Archer City's Wildcats proved that they may be counted upon to cause plenty of trouble for all opponents as a result of their powerful display at Burk Burnett when they beat the Bulldogs 18-0 on a very muddy field. Archer City also has a 14-7 victory to its credit over Chillicothe and were beaten only 18-0 by Olney's powerful Cubs. Herron, Burkett and Gressett were outstanding players for Archer City in the Bulldog game.

A game that was observed with particular interest by all North-west Texas was the battle in District 5-A between two undefeated teams in conference play—Quannah and Wichita Falls. The game at Quannah resulted in a 6-6 tie, although the Indians completely outplayed the visitors.  
 In District 10-B, which competes with 9-B for bi-district honors, Nocona maintained its perfect record in the east half with a 26-0 victory over Bowie. Weatherford continued as the No. 1 team in the western half by defeating Jacksboro 33-13. Graham remained in the running with a 32-0 victory over Beigoport.

The race west of here has pretty well settled down to a duel between Matador and Floydada, although Spur is still undefeated, but has not been very impressive in victory. A special train of about 400 Paducah fans saw their Dragons beaten 33-12 at Floydada. Matador was idle last week.

## Christian Science Services

"Everlasting Punishment" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 3.

The Golden Text is: "Create in me a clean heart, O God; and renew a right spirit within me" (Psalms 51:10).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Great and marvelous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints" (Revelation 15:3.)

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "At all times and under all circumstances, overcome evil with good. Know thyself, and God will supply the wisdom and the occasion for a victory over evil" (page 571.)

## Black Community Sunday School

## JUANITA TRAWEEK HAS GOOD CANNING RECORD

Four jars of pears were reported canned by Juanita Traweck, 10-year-old member of the Foard City 4-H Club since last club meeting. Together with her other work Juanita has now a total of 175 points in club work. Juanita started her work last year by entering a dress in the contest in the spring. This was before she reached her tenth birthday and could become a regular member of the club.

## WEST SIDE H. D. CLUB

Mrs. Lee Ribble was hostess to the West Side Club Wednesday, Oct. 23. Mrs. Curtis Ribble led the lesson on Production Control—voluntary and compulsory. She was assisted by Mrs. G. H. Patton and Mrs. Chas. Bryson.

The following officers were elected for the ensuing year: Mrs. F. A. Davis, president; Mrs. Chas. Bryson, vice president; Mrs. Garnet Jones, secretary and treasurer; Mrs. S. E. Tate, food supply demonstrator.

The club was glad to have Mrs. Marion Crowell as a new member, and Mrs. E. W. Burrow, who has been away since March, back on duty again.

Mrs. Burrow, Mrs. Crowell and Mrs. Eubank were appointed as a committee to attend training school on creole supper.

Everyone is invited to attend West Side Achievement Day Friday, Nov. 15, at the home of F. A. Davis.

## GOOD CREEK H. D. CLUB

If meals are planned one week ahead our left-overs can be used to a better advantage, stated Miss Myrna Holman at a meeting of the Good Creek H. D. Club, which met with Mrs. R. L. Thomas Tuesday, Oct. 21.

One advantage gained by planning our meals a week ahead is that new dishes can be used occasionally. When we order our groceries we will keep in mind that we need for our new dishes. Then plan to have some left-overs to use. In using left-overs con-

## CLASS MEETINGS

Regular class meetings were held by the Senior and Junior classes Monday afternoon, Oct. 28. Each class decided to have a class party Monday night of next week.

## PERSONALS

Thelma Jo Ross, who has been ill, came back to school Monday morning.

Roxie Robertson, who for a month has been unable to type on account of a dislocated wrist, is back in class.

Virginia Mae Coffey is back in school after an illness of four days.

Several C. H. S. fans attended the Quannah-Wichita Falls football game Friday night at Quannah.

## CLASSES PRESENT FLOWERS

The members of the senior class presented John Cogdell, who is in the local hospital, with a pot plant Monday afternoon.

Raymond Horn, who is also in

## THALIA 4-H CLUB

The Thalia 4-H Club girls met Oct. 18. Miss Holman gave us a program on canning. Beets should be pulled when they are about one and one-half inches in diameter in order to be of a good quality, said Miss Holman. She also told us some interesting things on beans, peaches and plums.

Miss Bessie Lee Sikes, the District Home Demonstration Agent, and Mrs. Hugh Shultz were visitors. Several games were then played.

and is 16 years of age. He has been on the Wildcat team for two years, and for the past year he has been a regular halfback.

Margaret's contribution to the student population of Crowell High School is none other than the towering 177-pounder Bill George (Cookie) Dunn. Playing the quarterback position, "Cookie" always plays hard and fast. He is 5 feet, 10 inches tall, weighs 177 pounds, and is 19. He will finish his high school career this year.

## HOME ECONOMICS CLASS GIVES DINNER

The Second Year Home Economics Class honored Miss Patton and Mr. Black with a three-course dinner Friday at noon. The dinner was prepared and served by the following: Elizabeth Hughston, Mary Lou Fudge, Marjorie Spencer, Billy Brown, Juanita Brown, Camille Graves, and Lois Evelyn Norris.

## Football Highlights

The "B" boys seem to think that what their big brothers do they are supposed to duplicate, so they beat their Paducah opponents the same score that the older boys handed Chillicothe. One thing that stood out in the Chillicothe game was the uniform playing of the boys. There wasn't any letting down on some of the boys playing and as is often the case in a football game. Even though the score was only six points, the fans had the satisfaction of knowing that Dunn and F. Meason would have had another touchdown each on a dry field, and too, the Wildcats continued their strong defensive work keeping the Eagles out of their 20 yard zone. It was like a story in a book to see Captain Horn trot out on the field just as the game was ready to start after Coach Graves and Manager Lankford had worked all morning trying to get word to him that the game was to be played Saturday afternoon. If it had not been for Chester Graham, a regular on last year's squad, and R. H. Cooper the game would have had to have been played without the captain.

After playing two games away from home on dirt fields, and finding other things not as nice as at home, the boys appreciate what has been provided for them here more than ever.

The Wildkittens provided plenty

## KNOW YOUR WILDCATS

Sam Crews, right halfback, is a native of this city. He has one more year in which to be with the Crowell Wildcats. Sam is 1 feet 11 inches tall, weighs 134 pounds,

of entertainment in their ending Monday night. Reeder's tery, Shook's defensive, Joy's ball carrying and the team's fighting was interesting any football fan. The Paducah boys and their coach went to trouble to inform Coach Traylor the game that they mean square things up at Paducah week.

Realizing that Seymour is a wrong kind of label on it, the Wildcats have been more determined than ever to another district championship. The Wichita Falls papers and Star-Telegram have said that district race lies between Seymour and Olney this year. As the cats have had two good last championship meet, they are determined to spill the bucket again.

## CRAZES OF OTHER DAYS

The send a dime chain craze is still fresh in the minds of the few who gathered in the city number of small coins. Many who labored in vain to fill that ever present bucket of getting something for nothing but were rewarded with disappointment only. We have compiled you a number of crazes of gone by:

1928—Cash and carry.

1929—Marathon dances.

1930—Tom Thumb golf.

1931—Tree sitters.

1932—Bonus marches.

1933—Jig-saw puzzles.

1934—Horse-calling contests.

1935—"Scratch out the name and send a dime."

## JOKES

Mrs. Sloan, in English:

J. M. Housouer: "A pig keep cows in."

Ruth Steele: "I'm afraid into that dark room."

Adolf Slovak: "Bet, I'm with you."

Ruth: "That's the trouble."

Mr. Smith: "So your school. How's he making?"

R. J. Thomas: "I'm making He's spending it."
