PRE-CHRISTMAS PROGRAM WILL USHER IN SANTA CLAUS AND FESTIVITIES DECEMBER 6

With the sounding of the fire whistle at 4:30 p. m. on December 6 Crowell's big pre-Christmas program will be officially opened. The whistle blows merchants' windows will be opened and contests and other attractions will begin.

A Yuletide parade featuring Santa Claus who will have sacks candy for all of the kiddies will lead off the festival. Crowds are expected to be in town from all over the county to take part in the pre-Christmas event. The Christmas spirit will ring the air as the various school chorals take part in the singing of carols on the court house steps. Streets will be gaily decorated in the Christmas colors and the atmosphere will be full of the holiday spirit. It will be a grand Christmas opening, announced George D. Self, general chairman of the festival committee.

Complete plans for the contest have not been announced yet but are expected to appear in next week's issue. The contest will be in the nature of a finding contest which will be held in the windows of the various merchants. The contest will be of great interest and the committee is anticipating a large number of entrants when the blanks are ready for the entries.

Parents are urged to bring the children to town and let them see Santa Claus who will be the feature of the parade and who will give a gift for all the children.

George D. Self, who is general chairman, will also have charge of the contest. A. Y. Beverly is in charge of the parade and will introduce Old Saint Nick. R. Magee and John Rasoar are in charge of the singing and have announced that Mrs. A. F. Wright will lead the singing of the carols. E. Smith is in charge of the lighting and it is planned to have lights strung across the intersections on the square, West Texas Utilities Co. doing the work. Other members of the committee are J. H. Lanier Jr., W. H. Moyer.

This promises to be one of the best festivals of its kind ever held in Crowell and it is being hoped that everyone take part in the event and make it a grand pre-Christmas opening.

VISIT AT A. & M.

Mack Boswell and Billie George left Sunday morning for Dallas. They were joined in Dallas by Mack's father, Geo. J. Boswell, of Plainview. After visiting in Dallas they went to College Station for a visit with Jim Boswell, Mack's brother, and Dick Boswell, students at A. & M. They attended the football games between the freshmen teams of Texas University and A. & M. College Wednesday afternoon and the city teams of these two colleges on Thursday afternoon. They also visit in Austin and will return to Fort Worth Saturday to attend the T. C. U.-S. M. U. game that city Saturday afternoon and will return home Sunday.

CROWELL'S PERFECT RECORD BROKEN BY OLNEY HIGH CUBS BEFORE CROWD OF OVER 2,500

The Olney High Cubs completely outplayed a lighter group of Crowell Wildcats and virtually won the championship of District B with a 26 to 7 victory on Friday night before a crowd of 2,500 to 3,000 people, the largest that has ever attended an athletic event in Crowell. Olney only to beat Seymour Thanksgiving to regain the district championship that the Cubs held for consecutive years before losing to Crowell in 1933 and again in 1934, the years that the Wildcats held the championship.

Outweighed nearly 20 pounds to player, the Crowell High boys fought gamely throughout the game. Bob Lilly, 134-pound center, out-fought, out-punched and out-threw several opponents weighing from 175 to 213 pounds in giving an outstanding exhibition. Bill Dunn, center, and Alton Horn were also standing. Mark Saunders and Hank Meason sparkled in halting Seymour's aerial program.

Paul McKown broke loose for several nice runs from scrimmage on a kick-off return. His punt was one of the highlights of the game and helped bring the crowd out of several difficult spots.

Reports From Roll Call Captains Are All Due Saturday

All Red Cross roll call captains are requested to have their reports turned in by Saturday, announced Mrs. H. Schindler, Roll Call chairman for Foard County, Tuesday.

The Roll Call for Crowell began Wednesday afternoon and it is hoped that when the reports of the various Roll Call captains are turned in it will be found that the Foard County quota of 250 memberships has been exceeded. Half of each dollar collected will be sent to the National chapter and the other half will remain with the Foard County chapter.

WORK ON CITY DAM IS BEGUN ON WEDNESDAY

Actual work started Wednesday on the WPA project which will raise the dam on the city lake five feet and the spillway three feet above the present level. It was announced Monday by Mayor C. T. Schlarf. The addition to the dam and to the spillway will be constructed of concrete and will involve an expenditure of \$5,100.

John Gamble is the United States engineer in charge of operations. A crew of 24 men will be used in the construction work which will last for three months, thus giving work to a number of men during the hardest months of the winter season. A number of trucks and fuses will be used in the removal of dirt and the transportation of supplies and equipment.

In addition to the increasing of the dam's capacity by raising it five feet the project calls for a general clean-up around the water's edge of such debris as wood, weeds, trash and any other foreign materials which might have collected there. This clean-up will further insure a purer supply of water.

An increase of one hundred million gallons of water will be added to the lake's capacity. This will greatly relieve the strain on the city's water supply during extremely dry seasons as was experienced two years ago. Officials state that a water supply is a great factor in any city's problems and that Crowell is benefited by this new project which will not only aid by employing men but will aid the whole citizenry by strengthening its water supply.

VISITING PARENTS

Recie Womack, employe of the Merkle Undertaking Co. in Wichita Falls, arrived Tuesday night for a visit with his parents, Mr. and Mrs. W. R. Womack. He returned to Wichita Falls Thursday afternoon.

From the President to Shirley

Shirley Temple, petite movie star, wears a big dimpled smile, caused by a letter which she received from President Roosevelt, appointing her his special messenger to deliver his autographed photograph to Bill Robinson, colored dancer, who appears with her in a current release. The President also included a personally signed photograph for Shirley.

TODD RAN WILD

Dick Todd, Crowell's star on the Texas Aggie Freshmen team, ran wild in the game between the Aggie Fish and the Texas University Freshmen yesterday afternoon at Kyle Field in College Station, according to a telegram from Mack Boswell stating that Todd playing little more than half the game scored three touchdowns and carrying the ball 27 times gained 198 yards, averaging nearly 7 1/2 yards a try. The score, 18-0 in favor of the Aggies.

Returns From P.T.A. Convention Held In El Paso Last Week

Mrs. R. L. Kincaid returned Saturday from El Paso where she had spent the week attending the 27th convention of the Texas Congress of Parents and Teachers. She reports the meetings full of interest and instruction.

Mrs. M. A. Taylor of Bonham was elected as president of the Texas Congress, to replace Mrs. A. F. Wood of Athens, who has served in that capacity for the past four years.

Mrs. J. C. Murphree of Iowa Park, who is president of 13th district, of which Foard County is a part, is by virtue of her office, a member of the State Board.

Mrs. J. H. Emmert of Wichita Falls, who has served as district Parent-Teacher chairman, was made fifth vice president and is also a member of the state board. Mrs. Kincaid, a recent president of 13th district, is now president of the Crowell unit and will make a report of the meeting at the earliest convenient date.

There were 27 delegates from 13th district in attendance and the trip was made in a bus which left from Wichita Falls on Monday morning, returning Saturday. Trips to Juarez, Mexico, and also to the famous Carlsbad Cavern in New Mexico were included in the itinerary.

Applications Are Not Necessary On 12 Cent Middling

Announcement has been made by County Agent Fred Rennis that on the dates which the average cotton prices of the ten Spot Markets reaches 12 cents and above for middling cotton, 7 1/2 inch staple, it is not necessary for farmers to make application for subsidy payments.

However, in the event that the cotton price should drop below the 12 cent level, certificates should be filed for subsidy payments, according to information given at the county agent's office.

First Quarter
Atchley's kick-off was taken by McKown of Crowell on his 15-yard line. McKown returned to the 34. Wiggins fumbled for a loss to the 25. McKown cut around left end to the 38. McKown picked up the ball on Olney's 28.

Report on Foard County's Cotton Reveals Increase

Latest census reports show that there were 4,578 bales of cotton ginned in Foard County from the crop of 1935 prior to November 14, as compared with 2,648 bales ginned to November 14, from the crop of 1934.

These statistics are from the U. S. Department of Commerce Bureau of the Census and were reported by Alton B. Bell, special agent.

DEEP TEST WELL TO BE DRILLED FOR HUMBLE CO.

Preliminary operations have begun on the drilling of a deep oil well west of Crowell, announcements received this week indicate. A crew of men were on location last week building a stock gap and making preparations for constructing of a road to the proposed site for the drilling, the probable location being 13 miles northwest of Crowell and about one-half mile south of the Paducah highway.

It has been revealed that the Humble Oil and Refining Company has secured the lease on four sections of land from T. L. Burnett and that the location will be in the southwest corner of Section 2, Block L, of the S. P. R. R. survey.

Drilling will start in the near future it is expected, as soon as equipment and preliminary operations are ready.

The location will be about six and one-half miles northeast of the Texas Company's field in the western part of the county.

Methodist Church Observes Day With Layman's Service

Something new in the way of a Thanksgiving service was presented at the Methodist Church today when a layman's service was held. Other churches did not hold services but were invited to attend the Methodist service. This is the first Thanksgiving such a program has been presented here.

The program which began at 10:30 this morning included numbers principally made up of laymen: Song, choir and congregation; scripture reading, Rev. Geo. E. Turrentine; duet, Mrs. C. W. Thompson and Miss Peggy Thompson; prayer, led by Rev. W. B. Fitzgerald, pastor of the Baptist Church; Spirit of Thanksgiving Among the Israelites, W. F. Kirkpatrick; solo, Mrs. Adolphus Wright; Spirit of Thanksgiving Instituted by Our Pilgrim Fathers, I. T. Graves; male quartet; Spirit of Thanksgiving in America Today, C. V. Allen; song, congregation followed by the benediction.

New material has been ordered by the athletic department for the basketball men and will be here soon. Everything will be done to again produce a winning team which will bring home the championship of this district as has been done for the past five years. As soon as practice gets under way Coach Graves will be in a better position to give out dope on the prospects for this season. A list of the cagers will be issued and the positions determined at a later date.

Thalia Pastor Moved to Post Last Week

J. D. Rothwell, Church of Christ pastor at Thalia for the past year, and Mrs. Rothwell moved their household goods to Post, Texas, last week. They are now located at Post where Mr. Rothwell is minister for the Church of Christ.

I. O. O. F. ROUND-UP

Plans are complete for the "round-up" of present and past members of the Crowell I. O. O. F. lodge which will be held at the local lodge hall Thursday night, Dec. 5.

A unique entertaining program will be rendered, according to officials in charge of the plans. Refreshments will be served following the program.

HOSPITAL NOTES

Ray Thomas, who submitted to an appendix operation, was removed to his home Tuesday.

Mrs. Frank Gillard of Truscott was sufficiently improved to be dismissed from the hospital Sunday.

Dorothy Butler, who fell on a knife last week and was seriously ill from loss of blood, has improved and been dismissed from the hospital.

Mrs. Ross Bevers of Foard City is in the hospital, having undergone an operation Monday.

Postponed Meeting of Co. Federation Will Be Held Sat.

The County Federation meeting which was to have been held at the Vivian school house on Tuesday of this week, was postponed on account of rain and will be held Saturday afternoon at 2 o'clock in the district court room.

The same program planned for Tuesday will be given on Saturday. A large attendance is desired at this meeting.

MEMORIAL DRIVE TO BE EXTENDED

Announcement was made by Amos G. Carter, state chairman of the Will Rogers Memorial Fund, November 25, that the drive will continue through December 14.

This extension of time was made at the request of county chairmen and other workers over the State in compliance with the decision of the National Commission. It was also announced that the funds will be used for the helping of crippled, sick and unfortunate children and for assisting worthy children to gain an education.

Demands for Pool Certificates Are Exceeding Supply

Latest information from the cotton certificate pool headquarters in Washington, D. C., indicate that the demand for pool certificates is far in excess of the available supply, according to word from the county agent's office.

All cotton producers who have surplus certificates may turn them in for pooling at the county agent's office at the price of four cents a pound, less the pro-rata share of the cost of operating the pool. The cost of the operation of the 1934 pool was less than 20c a bale.

A closing date for the receiving of certificates into the pool has not yet been announced but it is expected that announcement will come in the near future.

CROWELL WOMAN'S FATHER DIES SUDDENLY NOV. 19TH

Mr. and Mrs. Gus Hooks were called to Edgewood, Texas, last week on account of the sudden death of Mrs. Hooks' father, D. E. Wade, 56, who died Tuesday, Nov. 19. Mr. Wade and his wife had just returned home from Crowell where they had visited Mr. and Mrs. Hooks for several weeks.

LeDerer, Ford sedan; Henry and Herbert Fish, Plymouth sedan; J. B. Lockett, Chevrolet sedan, and W. C. Ross, Ford sedan.

AUCTION SALE HELD FOR WILL ROGERS MEMORIAL FUND HERE LAST SATURDAY BRINGS \$205

Due to threatening weather the crowd at Crowell's unique auction sale Saturday was not as large as had been anticipated. In spite of this fact and that many of the donors were unable to get their items to the committee in time for the sale the proceeds amounted to \$205.

A wide variety of articles were represented at this sale which has attracted attention all over the state as it is one of the most original ideas for the raising of funds for the Will Rogers Memorial. Jim Minnick, one of Rogers' old time friends, has been working earnestly on the fund for Foard and is largely responsible for the auction.

Dave Sollis, Foard County auctioneer, donated his services in selling the articles represented, teapots, canned goods, calves, horses, feed, flour and many other articles including 5,000 cubic feet of natural gas were on the list.

In order to give others a chance to donate to the auction the committee in charge has decided to again hold an auction this Saturday afternoon. All those who did not get their donations in for the sale last Saturday are urged to present them for this week's sale. No matter how small the gift may be it will be appreciated. It is explained that the memorial is not mainly a matter of money but is a matter of friendship in names for one whom everyone loved.

Again the list of those with whom articles may be left or list-

FARM GROUPS ARE TO HOLD ANNUAL MEET

Membership of the community farm associations of Foard County will hold their annual meetings for the purpose of election of officers and the adoption of a program of work for 1936 during the first week in December, according to Dave Sollis, chairman of the County Farm Association. The meetings are held at the various school houses in the county.

At the present time there are nine community farm associations in the county. The committees having organizations are Crowell, H. R. Zebig, chairman; Foard City, Floyd Borchardt, chairman; Good Creek, A. L. Davis, chairman; Vivian, G. J. Benham, chairman; Black S. W. Gentry, chairman; Margaret, W. S. Carter, chairman; Rayland, R. M. Gregg, chairman; Thalia, W. L. Hlavaty, chairman; Gambelville, C. E. Blevins, chairman.

The purpose of the organizations, according to Mr. Sollis, is to work co-operatively for the improvement of all phases of farm conditions within the county. Chairman Sollis further stated that all farm people should give their very best thought to farm conditions and community plans, because of changing conditions. The new wheat plan which is in operation now, and the new cotton program which is proposed and ready for adoption, will require study and consideration if all farmers benefit to the greatest extent.

GOOD RAIN MONDAY NIGHT

According to local information the rain which began Monday night amounted to one and one-half inches by Tuesday morning at 8 o'clock.

ED ARE: W. R. Womack, Raymond Burrow, Amos W. Lilly, Virgil Smith, Floyd Thomas, Jimmy Self, Clyde Ketchersid, J. R. Beverly, N. J. Roberts, H. E. Ferguson, J. H. Lanier Sr., T. P. Reeder.

A list of community chairmen were listed in last week's issue of The News and it is urged that every committeeman promote interest and do everything possible to make the campaign in Foard County equal to that of its neighbors. There is no definite goal set and no set cash amount but the Foard committee desires to get at least 3,000 names on the list. Fine co-operation is being shown in every respect in relation to the drive in Foard County. Schools all over the county are sending in their contributions and giving the list of contributors. In the mails every day come gifts and words for the fund.

In other localities different ideas are being used for raising funds. In Abilene the Hardin-Simmons Band gave a concert Sunday afternoon, playing the songs which Will Rogers loved so well. Rogers gave the first check to the Band which started them on their tours. Schools, service clubs, and women's organizations all over the county are responding to the call. It should be remembered that not one penny is being taken from the contributions for the purpose of advertising or for administrative expense. The expense is being carried by the aviation industry. It is one fund where every penny contributed will go into the actual memorial.

At Stamford Rodeo

"The first and only time I ever met Will Rogers was at Stamford last July.

"To get ahead of my story a little, my brother's wife and I were sitting in the grandstand and my brother came up and said to me, 'Will Rogers is sitting up yonder on those boxing planks. I've been up there 'gassin'' with him' (He used to know Will over in the Indian Territory 30 years ago). I looked up where he pointed and there could not have been more than twenty-five or thirty people up where he was. It is the hottest place at Stamford; no shade at all, not even anything to lean back against. Will had slipped in and parked up there, thinking he would not be seen. He sat there the entire morning but he didn't get by without notice long, folks soon began to crowd around him and he had already seen about all the show he was to enjoy before noon. In the afternoon he was in the arena on a good cowhorse; sure 'nough good one, and he really enjoyed the show.

"After the show my brother and another boy (both cowpunchers) and I went over to where they were unsaddling and when Will got rid of his horse he said: 'Let's go git sumpin' cold to drink.' We started over across the draw to the cold drink stands and the other two boys and Will were walking ahead. I was not dressed as they were and didn't butt in at all. I was some little bit behind. My brother turned around and said, 'Buck, would you like to shake hands with Will Rogers?' I said I sure would, so he introduced me to Will and Will turned around and shook hands with me but I don't think he said a word. I didn't swell up at that, however, the crowd was worrying him to death, it looked to me.

"He was as dirty as he ever got out of a grandstand pen. He stood there and drank orangeade by the glass and finally asked the boy what they cost. When the boy told him a nickel a piece he said: 'I believe I'll make me some.' 'I was told by a friend of mine who works in the postoffice at Stamford, who should know what he was talking about, that Will caught a ride to town from the rodeo grounds in an old Model T, without any top, with a man and his wife and six children.

"Back to his position up in the grandstand. He and my brother were sitting there watching the show and talking about every old-timer either could think to ask the other about, and Will made a remark that was not especially funny but I thought it covered a lot more country than just taking a throw at a cow. Somebody let a cow or maybe a calf go plumb through his loop and didn't even draw up on a hind foot. Will said to my brother: 'You know, most anybody can spread a great big loop, but it takes a real he-man to take up the slack.' I wished all day at Stamford that Jim Minnick would show up."

Mercer, Olney.

Williams ploughed over the middle for six yards, to Crowell's 30 as the quarter ended. Crowell 7, Olney 0.

Second Quarter

Williams continued his devastating work, splitting through the Crowell line for a first down on Crowell's 10, but on the next play Kelly fumbled and Meason of Crowell recovered. Crowell kicked out of the hole, Olney taking the ball on Crowell's 45. Williams picked up two. On the next play Kelly dashed off right tackle and ran 43 yards for a touchdown. Williams plunged over for the extra point. Crowell 7, Olney 7.

Atchley kicked off for Olney, McKown returning to their 38. McKown circled right end for 15 yards, to Olney's 47.

McKown was hurled for a huge loss and then had to kick, Atchley returning about 35 yards to Crowell's 46.

Kemp and Kelly picked up six. A pass failed and Olney drew a 15-yard penalty. Kelly's pass found no receiver and he then punted, Olney killing the ball on Crowell's 19.

McKown kicked on third down. Atchley returning about 15 yards to Crowell's 29.

Kelly and Williams made slight gains. Kelly's pass to Kemp failed and he then kicked out of bounds on Crowell's 10.

McKown kicked, Atchley of Olney, returning to Crowell's 32. Williams and Kelly pounded the left side of the Crowell line for a first down on Crowell's 22.

On third down a long pass by Kelly of Olney was intercepted by Meason of Crowell on his 11-yard line.

McKown got off a fine punt, good for about 55 yards, to Olney's 44. On third down Kelly shot a 25 yard pass to Kemp, to Crowell's 36.

Williams and Kelly made a first down on Crowell's 23 as the half ended.

Third Quarter

McKown kicked off for Crowell, Williams returning about 10

to Olney's 28.

Kelly picked up two. Williams lateraled to Kelly for six and Williams then made a first down on the Olney 40.

Kelly picked up nine and Williams made a first down on the 50. Kelly's long pass to McKinney was knocked down by G. Meason. Williams rammed through the left side of Crowell's line for nine yards and Kemp then made a first down on Crowell's 38.

Williams on two plunges made another first down, this time on Crowell's 25. On the next play Kelly skirted right end 25 yards for a touchdown. Williams' line plunge for the extra point failed. Olney 13, Crowell 7.

McKown of Crowell returned the kickoff to his own 49, running about 20 yards.

McKown couldn't gain on two tries and a pass failed. McKown punted over Olney's goal, and the Cubs took it on their 20.

Williams and Kelly made a first down on the 30, but then the Cubs were forced to kick. A Crowell player juggled the punt on receiving, and it was received by Olney on Crowell's 28.

Kelly and then Williams made huge gains, carrying to Crowell's 10, and then Crowell drew a penalty back to their five yard line. Williams on two tries made a touchdown. Kelly passed to McKinney for the extra point. Olney 20, Crowell 7.

Atchley kicked off for Olney. McKown of Crowell making a good return to Crowell's 38. Wiggins for G. Meason, Crowell.

The crowd spoiled Crowell's attempt to use the ancient hideout play. Two other passes failed and

Fourth Quarter Williams, Kelly and Atchley headed down the field and made a first down on Crowell's 27. Kelly picked up 12. Williams 5, and then Kelly shot around right end for 10 yards and a touchdown. A pass, Kelly to Atchley for the extra point failed. Olney 26, Crowell 7.

Crowell took the kickoff on its 30 yard line. G. Meason for F. Meason, Crowell.

McKown punted after two passes had failed. Crowell punted but Crowell drew a clipping penalty which gave the ball to Olney on Crowell's 34.

G. Meason of Crowell intercepted an Olney pass on his 25. Olney returned the favor. Kelly intercepted a Crowell pass on Crowell's 32.

After gaining over 15 yards, the Cubs drew a 15-yard holding penalty which placed them back on Crowell's 33. On fourth down Kelly kicked over the goal line and Crowell took the ball on their 20. McKown punted on first down, Atchley returning 10 to Crowell's 42.

The Cubs got as far as the 20 yard line and there lost the ball on downs.

McKown of the Wildcats skirted left end for about 16 yards. Two plays later, McKown punted deep into Olney territory as the game ended.

OLNEY MUST TROUNCE SEYMOUR PANTHERS BEFORE CLAIMING 9-B DISTRICT CHAMPIONSHIP HONOR

With the smashing attack of the Olney Cubs against the Crowell Wildcats ending in the 26-7 victory for the Cubs for the laurels for the championship of District 9-B practically rest with Olney. The Cubs have their eyes on the bi-district tilt hoping to contest in the regional encounter. Meanwhile the Cubs will have to trounce the Seymour Panthers on their own field this afternoon. The odds favor Olney for this game as the Panthers have already dropped two games this season while the Cubs have a clean slate.

Many games today will tell the tale of the district winners all over the country. Last week Burk Burnett smeared Iowa Park in a score 33-6. Seymour barely made a showing over Throckmorton with 7 to 6 at the end of the encounter. A non-conference game between Chillicothe and Tipton ended with a score of 26-0 in favor of Chillicothe.
Weatherford took the title of District 10 in a tilt with Nocona which ended with a score of 32-0, last Saturday. Matador again came to the front Saturday in the district west of here by defeating Spur.

Three teams are in the race for the title of District 5A. Electra plays Wichita Falls at Wichita, Quannah plays at Vernon, Wichita Falls and Vernon stand a chance of either tying or winning the

WPA to Have 3,000 Ready For Work In District By Dec. 1

District W. P. A. Director C. L. Martin of Wichita Falls announces that the Works Progress Administration will have approximately three thousand people requisitioned for work in District 12 by the 1st day of December, and have jobs ready and waiting for four thousand more. This work is offered on a monthly basis and will last until July 1, 1936. Workers will be permitted to take whatever jobs are offered outside of this program, for any length of time, and when same are finished, they may return to their regular jobs with W. P. A.
Those who may be employed are: First, people who were on relief May 30, 1935, and are on relief at present; second, those who have come on relief since May 30, 1935, prior to Nov. 1, and are still on relief. They are assigned to jobs by a T. E. S. or an N. R. S. office.

It has been said, and is still being said, that the people on relief will not work. This has been proven untrue on every job that is in progress in this district. Despite the unfavorable weather, all work is running ahead of schedule. You will not find a larger per cent of dead beats on the W. P. A. rolls than you will in any other class. As a rule, they are industrious and very appreciative of an opportunity to earn a living and get off of relief. They are not driven, abused nor bull-dozed. Only a reasonable day's work is expected. Any who do not comply with this requirement will be requested to quit and will not be given any more work.

The class of work undertaken is varied, but all worthwhile. Roads, streets, parks, school buildings, gymnasiums, market centers, cold storage plants, meat curing plants, sewing rooms, sanitation, sewer systems, water works and many other types of enterprises are included. President Roosevelt has already approved projects calling for the expenditure of more than three million dollars in the counties, cities and schools in District 12. With the co-operation of the various officials of these political units, we hope to better conditions of every community in which we are permitted to work, Mr. Martin states.

At this
Thanksgiving Season
we would be ungrateful indeed if we failed to offer our thanks. So from the depth of our hearts we say—
Thank You
We will be closed all day Thanksgiving.

Of course, every automotive engineer constantly seeks to improve economy of operation. That is, he has for his constant goal the achievement of maximum efficiency—and efficiency, after all, means economy.
Until very recently, automotive engineers sought increases of efficiency chiefly as a means of getting more power and more speed. The greatest advances were made with the coming of better fuel—gasoline that burns readily and completely, and without knocking. It was these new fuels that brought about the modern high-compression automobile engines. As fuels improved, engineers increased the compression ratios of their engines. That gave more power—and faster cars.
Chevrolet engineers sought and obtained efficiency by still other methods—notably by the development of the "blue flame" principle of combustion chamber design. The result was worth while, for we obtained increased power, with perfect smoothness, at no increase in fuel consumption.

CHURCHES

Christian Science Church Service Sunday at 11 a. m. Wednesday evening service at 8 o'clock. The public is cordially invited. Sunday, Dec. 1, 1935. Subject: "Ancient and Modern Necromancy, Alas Mesmerism and Hypnotism, Denounced."

Methodist Church This week has witnessed a splendid Brotherhood turkey supper with 22 men in attendance and again Thursday the first Thanksgiving service we have had in many years. The first Sunday of the conference year dawned cloudy so we hope to get a better start next Sunday. If the spoken resolutions made in many of the class meetings become deeds, this year will witness the very best service this church has seen rendered for a long time. The Young People's Christian Culture Institute will be conducted Monday, Tuesday and Wednesday evenings with Rev. Marvin Brotherton and the pastor teaching the classes. GEO. E. TURRENTINE.

Christian Science Services "Ancient and Modern Necromancy, Alas Mesmerism and Hypnotism, Denounced" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, Dec. 1. The Golden Text is: "Search me, O God, and know my heart: try me, and know my thoughts: and see if there be any wicked way in me and lead me in the way everlasting." (Psalms 139:23-24.) Among the citations which com-

prise the Lesson-Sermon is the following from the Bible: "I am the Lord, I change not; therefore ye sons of Jacob are not consumed." (Malachi 3:6.) The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Animal magnetism is the voluntary or involuntary action of error in all its forms; it is the human antipode of divine Science" (page 484.)

While Joe Wagner was working in a North Carolina factory the drive belt of a machine caught his coat and hurled him through a window. Joe was only bruised, but he had to buy a new coat.

Red Cross Wars on Carelessness In Home or While at Work on Farm

Left—Farm implements, carelessly placed, cripple thousands each year. Upper Right—Pressing irons left on cloth or paper are a dangerous fire hazard. Lower—Incorrect handling of a knife may mean serious injury.

THE American Red Cross is throwing the weight of its entire organization behind a continuing campaign to combat the negligence and lack of knowledge in the home and on the farm which last year claimed nearly 40,000 lives and injured millions.

According to safety experts most accidents can be prevented. Every Red Cross Chapter and Branch will play a part in this large-scale humanitarian operation, and have mobilized to meet the challenge. Through the cooperation of educational groups, the school child will take a specially prepared inspection form

Through an intensive educational program, the Red Cross will seek to explode the fallacy that the home is safe. Common and uncommon hazards will be pointed out; individual families will be shown how these hazards may be eliminated and instruction will be given in the avoidance of unsafe habits and practices apt to cause accidents.

Preparations have been made to inspect more than 30,000,000 homes, the inspection to be conducted by home dwellers themselves. Through the cooperation of educational groups, the school child will take a specially prepared inspection form

into the home and survey it for hazards with the help of parent or relative. Accidents in the homes of America kill more than 80 persons an hour each day, and run up a medical, nursing and insurance bill exceeding \$1,000 per minute. Farm work accidents last year took more than 4,000 lives and maimed many permanently.

Accident prevention is a natural outgrowth of Red Cross instruction in first aid, a service initiated 25 years ago and responsible annually for saving many lives and preventing minor accidents from having major consequences.

PEP SQUAD

The following girls will be given one grade point each for faithful pep squad service during the last six weeks: Bell, Mary Byrl; Brown, Billie; Brown, Irma; Borchardt, Jean; Opal; Bosley, Tommie Lou; Brown, Juanita; Bruce, Mary Frances; Canup, Hazel; Cooper, Peggy; Davis, Frances; Draper, Bobbie; Erwin, Dorothy; Erwin, Julia Bell; Eubanks, Louise; Flesher, Dorothy; De; Gamble, Therese; Graves, Camille; Green, Lenagene; Harwell, Helen; Hutcheson, Edith; Ketchersid, Myrthal; Lankford, Hallie Bear; Mabe, Ann; McKown, Dorothy; McKown, Myrtle; Norris, Lois Evelyn; Pearce, Fern; Rogers, Audrey; Ross, Thelma; Spencer, Marjorie; Todd, Hazel; Webb, Fay; Woods, Margaret; Zeibig, Oleta Fay.

APPRECIATION

Coach Grady Graves and the football boys, who were furnished transportation after each work-out, wish to thank the transportation committee composed of Mrs. T. V. Rasco, Vance Swaim, Henry Black, Grady Magee, Virgil Smith, Jack Roberts Jr., Gordon Bell, Oscar Boman, Brudge Anderson, W. B. Fitzgerald and all who may have helped them, for their many courtesies.

C. H. S. STADIUM COMPARED WITH OTHERS

The Crowell High School stadium is very large compared with the capacity of many large high school stadiums, and even college stadiums. Some of the college stadiums that are the same size or even smaller than Crowell's are: Monmouth 2,500, New Mexico 2,000, Minnesota Technological 2,000, Illinois State Normal 1,500, Colby College 2,500, Decatur Baptist College 2,000. The stadium of Trinity University has a seating capacity of only 4,000. You see then that the Crowell High school stadium with a capacity of 2,500 ranks very high.

BOY SCOUTS ATTEND JAMBOREE AT VERNON

On Tuesday night of last week the Boy Scout Troop of Crowell attended a District Jamboree in Vernon. Those attending were Clark Rennels, Robert Louis Saunders, Joe Mark Magee, Jimmy Williams, Sam Russell, Glendon Spencer, and Ted Crosnoe. A Court of Honor was also held under direction of Chief Creighton, Boy Scout Executive of Wichita Falls.

Clark Rennels appeared before the Court of Honor and received a Merit Badge for Book Binding. The Scouts were accompanied by Mr. and Mrs. F. L. Rennels, Johnny Long, Mrs. Sidney Miller and Henry Black.

AN APPRECIATION

The Pep Squad wishes to thank all who have done anything during the season to assist them in their projects, especially in raising money to help pay the bus fare to the Seymour game. (Signed) Peggy Cooper and Lois Evelyn Norris, Pep Squad Leaders.

WE WONDER

What Austin Wiggins' business was Saturday night? Why Garland Raspberry sent from school last Saturday? Who the little black-headed is Chub with Friday night? Why John Coppell's night worse Sunday night? Where a certain C. H. got her diamond? If Merrill Allee will be in S. next year to transport for the Wildcats? Why Raymond Gibson given a grade point for pep squad attendance?

PERSONALS

Irma Brown is ill of the enza. Daphn McClure has been absent from school a week because of illness. G. D. Reeder visited Worth Tuesday and Wednesday. Dorothy McKown visited non Monday. Co-Laborers' Have Class Home-Coming

A delightful day was spent by the Co-Laborers' Class of the Methodist Church last Thursday in what was designated as a home-coming, to which invitations had been extended to the ex-members of the class. Mrs. Claude Brooks of McLean, Mrs. Glynn Shultz of Davidson, Okla., Mrs. Parker Churchill of Wichita Falls and Mrs. Paul Clifford of Electra returned here to be present on this occasion.

have passed on was given, at which Mrs. J. H. Lanier Jr. read "Crossing the Bar" and the assembly sang "Beautiful Isle of Somewhere." A sumptuous meal was served at the noon hour. Hostesses included Mesdames T. F. Hughton, R. R. Magee, P. D. Mosley, Jno. Roberts, J. E. Harwell and Parlin McBeath. Mrs. Paul Shirley also assisted.

NO UPSETS

The proper treatment for a bilious child

ANY mother knows the reason when her child stops playing, cuts little, is hard to manage, Constipation. But what a pity so few know the sensible way to set things right!

The ordinary laxatives, of even ordinary strength, destroy all hopes of restoring regularity.

A liquid laxative is the answer, mothers. The answer to all your worries over constipation. A liquid can be measured. The dose can be exactly suited to any age or need. Just reduce the dose each time, until the bowels are moving of their own accord and need no help.

This treatment will succeed with any child and with any adult.

Doctors use a liquid laxative. Hospitals use the liquid form. If it is best for their use, it is best for home use. The liquid laxative they generally use is Dr. Caldwell's Syrup Pepsin. Any druggist has it.

Wesley Brotherhood Has Turkey Supper On Monday Evening

Featuring a turkey supper the Wesley Brotherhood of the Methodist Church met Monday night in the church basement. The program included a windjamming contest in the blowing up of toy balloons, Claude Callaway being the first to burst his balloon won the contest. Talks given by C. V. Allen and M. S. Henry were features on the program.

The supper was served by the following, Mrs. Claude Callaway, Mrs. Jeff Bruce, and Miss Minnie Ringgold. About 25 were present for the evening's affair.

JUNIOR COLUMBIAN CLUB

Members of the Junior Columbian Club met at the home of Mrs. Gordon Bell on Wednesday, Nov. 13. Roll call was answered by gleanings from "Come and Get It."

The program for the afternoon consisted of two book reviews. Mrs. Mason Brown gave an interesting review of "The Old Maid." The magazine review of "Come and Get It," was for open discussion by all members.

A very delicious refreshment plate was served to thirteen members and one visitor, Mrs. Lawrence Kinsey.

ELECT OFFICERS

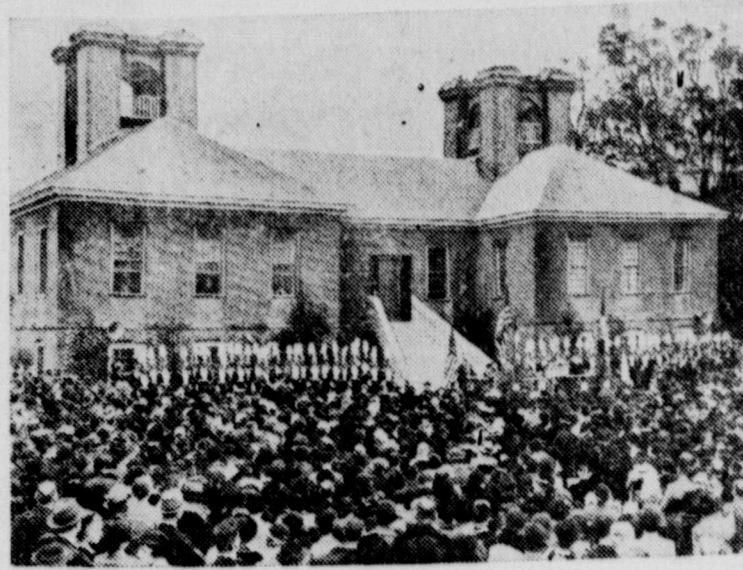

At the annual election of officers at a meeting held at the church on Monday afternoon, Nov. 13, the following officers were elected for the ensuing year: President, Mrs. M. S. Henry; vice president, Mrs. H. E. Ferguson; recording secretary, Mrs. T. L. Hughton; corresponding secretary, Mrs. A. Y. Beverly; financial secretary, Mrs. S. S. Bell; assistant treasurer, Mrs. Paul Shirley; superintendent of study, Mrs. John Roberts; superintendent Christian Social Relations, Mrs. Grover Cole; superintendent of supplies, Mrs. B. F. Zell Saunders, who has been in Carlsbad for the past three months, and Miss Pearl Saunders from Dallas, were present.

Crowell Coed Moves Into Practice House

Lubbock, Texas, Nov. 27.—Miss Mary Frances Self, senior at Texas Technological college from Crowell, was one of six home economics students to begin a residence of nine weeks at the campus home management house this week. Miss Self is the daughter of Mr. and Mrs. Bert W. Self.

The home management house, which has just been redecorated, is a laboratory for home economics students, who must live there a half-semester and test their knowledge before they may receive a degree.

Duties of management are divided and alternated between the residents. A faculty supervisor lives at the house and oversees the activities.

Brunk's Comedians Are Showing Here

Brunk's Comedians, who started a week's engagement in their own tent theatre in Crowell last Monday night, have been playing to good crowds in spite of the disagreeable weather. The company has a mighty good show this year and everybody attending agrees that it is the kind of a show that most people enjoy. The plays are clean, and contain lots of good, wholesome comedy; the actors and actresses are all pleasing to the eye, the vaudeville between acts is of a higher type than usually seen with such a company, and the music is good.

The show is being sponsored by the Crowell Fire Department, and will be here the rest of the week. A complete line-up of the plays for the balance of the week, including Merchants' matinee Saturday afternoon, and whoopee Jamboree show at 10:15 Saturday night, will be found elsewhere in this issue of The News.

Jack Oakie and Lydia Roberti Take Lead in "Big Broadcast of '36"

Featuring many stars of the screen, stage and radio, the "Big Broadcast of 1936," will be shown at the Rialto starting with the Saturday night preview and running through Sunday afternoon and Monday night and offers a big attraction to movie-goers.

This picture, rated as one of the best of the year, brings one of the greatest casts to the screen in years. Jack Oakie and Lydia Roberti take the lead being supported by a cast including Burns and Allen, Bing Crosby, Bill Robinson, Amos and Andy and a host of others.

Oakie who takes the part of a great radio lover and operator of a radio station gets into so many jams that you will laugh until your sides ache. The supporting cast is made up of stars with whom you are well familiar.

Dick Powell, Marion Davies, Frank McHugh and Allen Jenkins offer a variety of entertainment in "Page Miss Glory." This picture shows at the Rialto today and Friday.

Saturday's matinee program features Buck Jones in a thrilling picture, "When a Man Sees Red." For the third time to be shown here, Clark Gable and Claudette Colbert will appear in "It Happened One Night," featured Saturday night.

The picture for next Tuesday and Wednesday will be, "The Wedding Night" with Gary Cooper taking the lead.

Proved in '35- NOW BETTER THAN EVER FORD V-8 TRUCKS FOR 1936

TRUCK operators bought nearly 100,000 Ford V-8 Trucks and commercial cars the first 6 months of 1935—58% more than in the same period last year.

These operators found the 80 h. p. Ford V-8 engine ideal for modern trucking. It has exceptional power, flexibility, stamina—and their records prove that the V-8 is the most economical Ford Truck ever built.

And they prove far more—the Ford's ability to stay on the job, out of the repair shop—its rock-bottom upkeep costs—the tremendous strength of Ford's heavy-duty chassis and frame.

You get these proved qualities in the 1936 Ford V-8 Truck—plus new improvements for even greater efficiency and dependability. Read the features at the right. Think what value they mean at Ford's low prices.

Make Your Own "On-the-job" Test Ask your Ford Dealer to loan you a 1936 Ford Truck. Let your driver and load prove Ford V-8 value to you with the greatest truck Ford ever built. There's no obligation.
