RATIONED FOOD TO BE FROZEN IN FEB. 20TH

Consumer Declaration Of Inventory Explained In Second Series Of Articles

Registration for War Ration Book No. 2 will take place during a period of one week beginning February 22. Registration time and hours will be announced next week. Beginning midnight February 20 and continuing until March 1, all foods that are rationed will be frozen. One full member of a family should apply for all members of the family, except those who will be away from the household for more than thirty days. "Family unit" includes all persons related by blood, marriage or adoption, who regularly reside in the same household.

Registrars cannot issue Book No. 2 unless a Consumer Declaration Form has been turned in by the applicant. On this form the applicant certifies the number in the family, the serial number of each member's War Ration Book, and declares all indicated foods owned on February 22 by all persons included in the declaration. Included in this inventory must be the number of cans, bottles and jars of commercially packed fruits, vegetables, and juices, and the pounds of coffee owned on November 28, 1942, minus one pound for each person included in the Declaration whose age on War Ration Book One was fifteen years or older. Each person is reminded that the United States Criminal Code makes it a criminal offense, punishable by a maximum of ten years' imprisonment, \$10,000 fine, or both, to make a false statement or representation on this Declaration.

On February 22 each housewife should make an inventory of canned goods on hand. Included should be all commercially canned fruits (including speed); canned vegetables, canned fruit and vegetable juices; canned soups; chili sauce and catsup. Do not include canned olives, canned meat and fish; pickles, relish, jellies, jams and preserves; canned spaghetti, macaroni and noodles, or canned milk. Home canned goods will not have to be declared, and will not be counted in the listing of goods on hand. Cans, bottles or jars which are smaller than eight ounces are not to be counted. Each consumer regardless of age will be allowed a total of five cans, bottles or jars of any size. One eight-point blue coupon will be removed from Book Two for each can, bottle, or jar of rationed processed foods which a person owned on the first day of registration in addition to the five allowed him. Only eight-point blue coupons will be removed. In the case of family

4-H MOBILIZATION

The Department of Agriculture has announced plans for Mobilization of farm boys and girls behind the 1943 Food Production Program. The week of February 6-14 has been designated National 4-H Mobilization week. This is to be followed in three weeks by the "M Day" Mobilization of all farm boys to meet production goals.

Spurred on by a letter from President Roosevelt, the one and one-half million farm boys and girls in 4-H Clubs will pledge themselves in their demonstrations to produce more meat, eggs, milk, war crops and do other jobs to help win the war. These youngsters, club by club, will make a determined effort to get a million new members enrolled, by asking all farm boys and girls to join in their effort.

Any boy or girl of Garza county who wishes to become a 4-H Club member should contact a 4-H Club member or the County agent and enroll now. Boys and girls can do more at this time to help win the war by producing and feeding thru a 4-H Club demonstration.

Post Had First Scout Troop; Was Organized In 1913

The first Scout troop in Texas was the one organized in Post in May 1913. Due to the newness of the movement in the United States a charter was never secured but the significance of the movement kindled a spark that has grown into a tremendous undertaking. Marshall Mason was the scoutmaster of the first troop which had on its membership roll six boys. Members were: Rex Everett, Ernest Ritchie, Edwin May, Arthur Knight and Felix Dennis.

C. W. Post brought the idea of the Boy Scout movement to Post and with the aid of Mr. Mason organized the first troop. Inadequate facilities for communication with the national organization and lack of information caused the troop to disband. Mason, however, continued his efforts in behalf of the Scouts and holds today an outstanding place in this area for his scout activities. In 1934 he was awarded the Beaver Award and was instrumental in helping to secure for the South Plains Area Council a 400 acre tract for a permanent summer camp.

The camp came to the South Plains scouts from the C. W. Post estate with Sam Bardwell, manager of the estate holdings in this section, presenting the camp to this area.

WAAC Speaker To Talk In Post On Thursday, Feb. 18

A representative of the Woman's Army Auxiliary Corps will be in Post on Thursday night, Feb. 18, to talk to all persons who are interested either in joining the organization or in learning facts about the newly created Women's Army.

The meeting will be held in the High school auditorium at 8:30 o'clock. In addition to a WAAC speaker, entertainment will be presented from the stage. Mrs. B. J. Edwards, county recruiting officer informed the Dispatch.

South Plains Junior Fat Stock Show At Lubbock Cancelled

The 1943 South Plains Junior Fat Stock Show has been cancelled on account of the war conditions, officials of the Lubbock Chamber of Commerce, sponsors of the affair, have announced.

For the past several years the exhibition has been held in Lubbock during late March or early April, and large numbers of high-type calves, lambs and pigs have been entered by 4-H club members and Vocational Agriculture students from 27 West Texas and three New Mexico counties, and competed for the prizes and trophies which have been offered.

The Office of Defense Transportation has been urging, for several months, that all shows and other public presentations that would require people to travel any appreciable distances should be cancelled in order to conserve rubber and other transportation equipment items.

Lubbock Chamber of Commerce officials express regret that it has been necessary to call off the 1943 program and they state that it will be resumed just as soon as conditions will permit.

Cub Scouts Are Contributing To War Effort In Many Ways

First assistants to the scouts are the cubs. The scouts, along with the townspeople, salute the fine bunch of cubs for their untiring efforts in serving the community in hundreds of vital ways.

Cubs who are actively engaged in acting as messengers for civilian defense—that is, collecting scrap, selling and buying War Bonds and Stamps, putting up War Bond posters, etc. are:

Bobby Nease, J. G. Cash, Sterling Ammons, Ronnie Bouchier, N. W. Stone, Dalton Hardin, Wayne Thomas and James Barnes.

Shotguns Urgently Needed By U. S. Government

Guns are needed by April 1. This statement was made by Homer McCrary of the Greenfield Hardware Company last week. The Government needs the guns immediately to use for training purposes and people of this trade territory who have the guns described below are asked to sell them to Uncle Sam.

The Browning Arms Company is asking Greenfields to serve as a clearing house for the guns and those who have guns to sell are asked to contact Homer McCrary immediately.

The following information from the Browning Arms Company was sent to Greenfield Hardware Company last week and is self explanatory:

"As you are probably aware, we have sold our entire stock of 12 and 16 gauge guns to the War Department for the purpose of training military personnel. Since that time we have offered the services of our entire organization including trained Service Department to the War Department and they have now asked that we procure for them all the good used 12 gauge automatic, pump action repeaters, and double barrel shotguns possible. We have accepted this assignment from the Government on a strictly non-profit basis, and in order to expedite this work we expect to devote to it our undivided effort. It may be necessary to defer handling our regular commercial parts and repair orders until this job is completed. A movement as important as this is deserving of every effort you can give it.

"Guns needed: Good used 12 gauge guns in shooting condition. Double barrels, pump action repeaters, automatics.

"Prices: Top prices for used guns are \$30.00 for double barrel, \$42.50 for repeaters and automatics. If you will authorize us to agree on a price for your guns with the Government we will see that payment is made promptly. If, however, you wish to set a price on your guns please price them reasonably—not exceeding the limit stated above—and if this price cannot be paid we will write you.

"Time Limit: These guns are needed immediately. We are not authorized to accept guns for this purpose after April 1. Act now."

The St. Louis Ordnance District of the War Department is making arrangements to issue letters of acknowledgement and thanks to the owners of guns accepted for this purpose, said McCrary. The name and address of each person supplying a gun will be sent to the War Department.

Two Receipts Must Be Signed To Secure War Necessity Slips

Automotive dealers and service station operators were reminded today that the Certificate of War Necessity number must be listed on a receipt when any sale is made or service rendered which involves transfer of any part, to a commercial vehicle operator.

Richard E. Wood, Lubbock district manager, Office of Defense Transportation, division of motor transport, explained such sales for commercial vehicle use are lawful only to holders of valid Certificates of War Necessity and the seller should keep a receipt with the Certificate number for his own protection.

The purchaser should sign two receipts, endorsing the number of his Certificate on both, giving the original to the seller and keeping the copy. Such receipts should be available for examination at all reasonable times by accredited representatives of ODT.

If an order for parts or unrationed fuel is placed by mail, telephone or telegraph, the operator may simply furnish his name, address and Certificate number to the seller for his records, Mr. Wood said.

Resigns From USDA War Board

T. L. Jones has resigned from the Garza County USDA War Board, according to John L. Wallace chairman of the board. Jones was chairman of the advisory committee. He is taking over additional responsibilities in the county war effort. Replacing Jones is Wallace Kimbrough, county agent.

BOY SCOUTS MEAN BUSINESS

"Toughen up, Buckle down, and Carry on to Victory", is the Boy Scout major task this year. Their 1,570,000 members are in the conflict to the hilt on the home front, doing everything boys of Scout age can do to help win the war speedily and a just peace permanently.

Scouting Carries On American Ideals

This is Boy Scout Week. The whole nation pauses to salute the organization which has contributed so greatly, in this World War as in the last, to the winning of the War. But Scouting does not rest on its laurels. The praises which Scouts so justly have deserved for their countless services to their country only spur them on to greater endeavor.

It is hard to see how War Bonds and Stamps could be sold, or vital materials salvaged, or all the varied forms of printed information distributed, without the untiring help of these public servants. But there are higher services ahead. Almost 400,000 Scouts are 15 years old or older; they may change ranks to the armed forces before the conflict is over.

The soldier who has been a Boy Scout makes a better soldier, and former Sea Scouts are officer material for the Navy, Coast Guard and Merchant Marine. "The Toughen Up! Buckle Down! And Carry on to Victory" theme of Scouting until the war ends will save lives through consummate training—and will make better citizens in the process.

Scouting is training for a way of life, the kind of life America chooses to lead, the kind for which her sons are fighting across the seas. On those fronts, and on the front at home, the qualities which Scouting stands for—courage and character, assure us Victory and a lasting peace.

You have probably read of the marvelous record that our Scouts now in the Armed Forces have made. These young men are outstanding by reason of their skills, their abilities, and leadership qualifications and their attitude of mind. In the honor rolls of those who have received Distinguished Service Awards from the United States Government, there is a high percentage of former Scouts. Colin Kelly was a Scout. So were John James Powers, John Bulkeley and "Butch" O. Hare. Scouting's roll of honor lists countless more. "Be Prepared!" was their motto, when they were Scouts. We honor them, and their example, but we also honor and pay special tribute to Garza county's Scouts who are now serving their country. We share with today's Boy Scouts another birthday of their organization. May it live long and wax mightily, for the good of us all!

Funeral Rites For Mrs. J. W. Cowan Held Friday, Feb. 5

Post lost one of its most beloved women Thursday afternoon when Mrs. J. W. Cowan died in the West Texas hospital at 4 o'clock after an illness of several weeks. Funeral services were held in the Post First Methodist church at 11 o'clock Friday morning with the Rev. O. B. Herring, pastor, conducting the service. Burial was made in Fort Worth in the J. B. Slaughter mausoleum in the Oakwood cemetery at ten thirty o'clock Saturday morning.

"Sister Cowan, as she was affectionately called by all who knew her, had been in ill health for twelve weeks. She suffered a stroke and later developed pelagra. She was unconscious several days before her death and suffered severe pain. Her daughter, Mrs. Skeeter Slaughter, was constantly at her side.

Mrs. Cowan was a woman of unusual strength of character. She was quiet and kind but was like granite in her adherence to the highest and best in life. "Kind and gentle, yet a tower of strength in her devotion to what she believed to be right," were the words her pastor used in giving the obituary of one of the finest characters ever to live in our little town. She entered wholeheartedly into the work of the church to which she had given most of her life as a helpmate to her preacher-husband who preceded her in death about ten years ago. No sacrifice was too great for her church.

In closing the service Rev. Herring said, "We say that she is dead; but the memory of her lives; her influence abides; and she lives. She belongs to God, and God is not the God of the dead, but of the living."

"Sister" Cowan was born on October 16, 1869 in Gardoo, Alabama. Early in life she was converted and joined the Methodist church. On April 5, 1898, she was married to Rev. J. W. Cowan of the Alabama conference. He served churches in that conference for ten years before they moved to Texas. In Texas they served Cuero, Miles, Lampasas, the Lampasas district, Midland, Brady, Grand Prairie, Gorman, Italy, Killeen and McGregor. It was from the latter charge that Rev. Cowan superannuated and they moved to Fort Worth.

Survivors are one daughter, Mrs. Skeeter Slaughter, one sister, Mrs. Lula Langdon of Reform, Alabama, one brother, Bascom Howell also of Reform, one step-daughter, (Continued On Back Page, Col. 2)

Valentine Recital To Be Presented Saturday 4 p. m.

A Valentine recital will be given by the piano pupils of Mrs. Ashley Lawson in the basement of the Methodist church Saturday afternoon at 4 o'clock.

Special numbers will be furnished by the pupils of Mrs. Roy Mullins' personality singing class.

An explanation of the applied music for credit in the school will be given.

The public is cordially invited to attend.

Registrant Is Urged To Report To Draft Board

The following registrant of this board is requested to call immediately at the local board headquarters for important information:

Calvin Buddy Smith.

Registrants inducted last week were: Roy Eugene Orshon (Colored) and Melvin Miller.

Leland Lovelle Rankin was inducted from another county but is a registrant of Garza county.

Grade School Report On Paralysis Drive

In the "March of Dimes" drive for infantile paralysis, Post Grade school responded with a collection of \$13.16.

SCOUTS PLAY MAJOR ROLE ON HOME FRONT

Thirty-Third Birthday Pledge Is To Toughen Up! Buckle Down! and Carry On To Victory!

Accorded a major share of the credit for the fine record made by the War program in Post are the Boy Scouts who are this week observing their 33rd birthday. With the theme, Toughen Up! Buckle Down! And Carry On To Victory!, the scouts are dedicating the new year to helping carry on the home front.

On the heels of the new pledge taken Monday night at the regular scout meeting, when scout officers were elected to "take over the city," was the part the troop played in being of service to the volunteer fire boys of Post in fighting a fire at the Fred Robinson farm Tuesday. The fire originated in the huge feed stacks near the barns. Due to the fact that West Texas was being subjected to a severe sand storm, the fire formed a dangerous hazard for nearby buildings not only on the Robinson place but for those in that neighborhood. Scouts volunteered as firemen and assisted in fighting the smoldering feed from about one o'clock until five, according to Fire Chief Ira Greenfield. Squads of boys and firemen worked throughout the high wind storm.

Fitting indeed is the annual observance of Boy Scout Week in February—the month that gave two great men—Lincoln and Washington. Just as one gave America ideals that even the caustic criticism of modern critics cannot shake—and as the other gave us a principle which has survived the bitterness of civil conflict—the Boy Scouts are giving and shall continue to give America a foundation of clean living that will help this country endure through the ages. Their support to all drives designed toward preserving the country these two Americans helped to build is one of the finest.

The Scouts participated in the waste paper drive, and made a house-to-house canvass collecting paper for a period of several weeks. The same whole hearted spirit was shown in the scrap metal and iron drives. Records do not show how many pounds the troop collected but the County Salvage chairman declared it was a "sizeable figure."

The weekly purchase of stamps and bonds by a majority of the troop is very commendable. Many have bought bonds—some of large denominations. They assisted in selling bonds and participated in the Defense parade held here recently.

Scouts Take Over City Government Tuesday

To help scouts understand the privileges of citizenship, city officials and scout leaders encourage scout government. Scout members who took over in Post Tuesday were Mayor Marshall Mason, Jr., Chief of Police Hugh Templeton, Fire Chief W. L. Crider and Health Inspector Luther Bilberry. Each department head had a committee of scouts working in his department.

Officers of troop 16 are: Senior Patrol leader, Hugh Templeton; scribe, Marshall Mason, Jr.; treasurer, Robert Cash; Beaver patrol leader, Ed Robertson; Cedar Tree patrol leader, W. L. Crider; assistant leaders, Emmitt Shedd and Johnny Malouf.

Ford Shropshire, newly elected scout leader, declared that plans for the new year are expansive and all scouts are eagerly looking forward to the full activity calendar. One of the projects that will occupy immediate attention is the securing of Scout uniforms for every member of the troop. "We intend to put into practice the slogan for the year, 'Toughen Up! Buckle Down and Carry On to Victory!'" he said.

Membership Roll

1929—Leaders, Marshall Mason, J. T. Herd, Ira L. Duckworth, Ed Warren, Leo Walke, Leon Moses. Scouts—Robert Cox, Dan Cockrum, Raymond Denton, Harvey Herd, Charles Spencer, William Kelly, Arnold Pickett, Merl Shelnut, James Samson, J. G. Stacy. (Continued On Back Page, Col. 3)

With The Men In Service

In "Boots" At Great Lakes

E. A. Warren, publisher of the Post Dispatch, and who on January 21 enlisted in the Navy Air Corps with a specialist rating in photography, is now stationed at Great Lakes where he is going through "boot camp." Warren, petty officer second class, will be transferred from Green Bay Camp at Great Lakes to Pensacola, Florida, Feb. 24 to begin a course in photography at the Navy Air Base. His class is scheduled to begin March 1.

The Dispatch editor likes the Navy and is enthusiastic over the new field of work. Temperatures have ranged below the zero mark most of the time since he arrived at the Great Lakes training station.

His address is: Edward Allen Warren, Sp. (P) 2c, 29th Reg., 53 Btl., Co. 121, Green Bay Camp, Great Lakes, Ill.

Stationed At Fort Leonard Wood

Pvt. James N. Elchalberger, of Post who recently entered military service, has arrived at the Engineer Replacement Training Center at Fort Leonard Wood, Mo. for an intensive training program in preparation for combat engineer duty.

Training will include basic subjects like close and extended order drill, manual of arms, rifle marksmanship and combat principles as well as the functions of military engineering—use of tools and equipment, building of fixed and floating bridges, demolitions and construction of roads and obstacles. Soldiers go from there to tactical units or to special training or officer candidate schools.

Elchalberger is the husband of the former Nita Wright, daughter of Mr. and Mrs. Will Wright. Mrs. Elchalberger is teaching in the Lubbock school system.

Cody Lee Visiting Here

Corp. J. C. (Cody) Lee is home on a fifteen-day furlough visiting his parents, Mr. and Mrs. G. W. Lee, in the Graham community. J. C. is stationed in California at the present time.

Curtis Neal Stationed In Toledo, Ohio

Curtis Neal who volunteered into the Navy several months ago has completed his training at Great Lakes Naval Training station and is now studying at the Navy Armory in Toledo, Ohio. He is classed as storekeeper, second class, and has completed a course in general store keeping and in provisions. He is now enrolled in a class of disbursement. Before joining the Navy he was associated with Levine's in Wichita Falls. Until going to Wichita Falls he worked for Clint Herring Dry Goods and The Post Dispatch in Post.

His address is—Curtis Neal, S 2/c, Division 10, Naval Armory, Toledo, Ohio.

His wife, the former Martha Bishop, is living in Austin with her mother, Mrs. D. K. Allison.

Jack Hoover Overseas

Word was received here this week by Faydell Edwards that Jack Hoover is now in Australia. Hoover who took his primary training in California, left the United States after he completed work at Maxton Field, Alabama. He is now a flight officer. Word of his arrival in Australia was received here by V-mail.

Hoover is the son of Mr. and Mrs. O. H. Hoover of Graham.

Former Post Boy Taking Refresher Course

Charles Louis Pickett of New Orleans and formerly of Post is now in Fort Slocum, New York, where he is taking an officer's refresher course. He is a former student of Texas A and M college. Mrs. Pickett and son, Charles Louis Junior arrived here last Thursday to make their home for the duration. They will live for a month in the small cottage owned by Mrs. Surman while repairs are being completed on the Pickett homestead.

Farm Machinery Certificates Issued By Rationing Board

Farmers who have been issued certificates to purchase new farm equipment and machinery are listed below by the Farm Machinery Rationing Committee of Garza County:

G. W. Connell, certificate for one windmill and net wire.

E. W. Williams, and C. D. Morrel, certificates for windmills.

"Rusty" Dean Transferred

Word has been received here of the transfer of Rusty Dean from California to Florida Beach. He will be enrolled in a gummers school for six weeks. His mother, Mrs. Bettie Ammons was notified of his change in address this week.

Southland Boys In Service

The women of Southland, Hackberry, Pleasant Valley, Morgan and Gordon will meet at the Baptist church Monday, Feb. 22, to sew stars on the service flag. Thirty-five names have been turned in, and 100 stars are now sewn on.

Lieut. Garth Thomas and his bride arrived Monday for a visit with his parents, Mr. and Mrs. B. H. Thomas.

Second Class Seaman Billy Becker came home Thursday from San Diego for a surprise visit. His sister Helen of Seagraves happened to be here spending the week, and Dorothy, who is in training at West Texas Hospital came home with her brother. Other Sunday guests of the August Beckers were Mr. and Mrs. Walter Jachetz and children of Slaton.

Sgt. Billy Lester, son of the Clem Lesters of Hackberry, has recently transferred from Fort Leonard Wood, Mo., to a camp in Virginia.

Pvt. Novelle Denton is back in training at Camp Cullam, Calif., after hospitalization of one year and fourteen days. His brother, Roy, of Camp Haan, Calif., is visiting his sister in Santa Barbara, and will soon leave for desert maneuvers.

Pfc. Henry (Babe) King arrived home last Tuesday night. He jumps yet because of the piece of 75 mm. shell removed from his leg.

Howard Smith is now back in Service after spending three months in a hospital in New Guinea because of malarial fever and yellow jaundice.

Pfc. and Mrs. Bobbie Leake of Pampa were Wednesday visitors of the John Leakes. Bobbie is now supervisor of the cadet mess hall.

Kenneth Rackler was in foreign service when his shoulder was broken when thrown from a horse. He is now in San Francisco for an operation. His brother Carl, who is stationed at MacAllister, Oklahoma, is now home on a 12-day leave.

Pfcs. Milburn and Wilburn Cash are both in the post office department, stationed at San Bernardino, Calif. Milburn is employed in the distributing room and Wilburn in the sorting room at headquarters.

Carlos Wagener, who had not been heard from in several weeks, sent a letter Saturday to his sister and two on Monday to his mother.

Bruce Payton is in the radio division in San Diego.

Harold Pickens, another local graduate, is in the Navy at San Diego.

St. Sgt. Chalson Carson was transferred from SPSFS, Lubbock, to Victorville, California.

Engineers Needed At Once To Fill Officer Billets

The Navy just announced a new officer classification which gives the opportunity to become Naval Reserve officers to men whose experience could not formerly be used.

As outlined by the Branch Office of Naval Officer Procurement, the new classification requires that applicants be electrical or mechanical engineers over 30 years of age, with experience in either industrial engineering, marine engineering, ordnance or steam power.

Eight years' practical experience in any of these fields will be accepted as a substitute for a formal education.

Candidates should have a thorough knowledge of production organization methods, layout and machines, and be familiar with production problems peculiar to the manufacture of Diesel engines or radio or electrical machinery or castings and forgings.

Waste Fats Reported

Housewives in Texas, Oklahoma and Louisiana sent 305,124 pounds of waste fats from their kitchens to the Army lines during November, according to a report released by General John A. Hulen, WPB region salvage manager. The Southwest region ranked less than one per cent behind the leading region in the nation, General Hulen said. The November collections amounted to 3.9 per cent of the month's quota set by WPB. Texas collected 40.9 per cent of its monthly quota; Louisiana, 32.7 per cent, and Oklahoma, 16.8 per cent of its quota.

Texas Scrapbook Presented To President Roosevelt

The part Texas is playing in the war was presented in Scrap Book form to President Roosevelt last week. The book, a large handsomely bound volume with the picture of Mrs. Roosevelt on the face, was presented by Senator Tom Connally of Texas.

It contained data from 112 communities in West Texas in which are briefly described the activities in each community. Material for the book was compiled by the Chamber of Commerce.

ATTENTION OF THE MERCHANT

Forty-three will be a for the retail distributor will be short, clerks obtain margins will take into consideration the rising costs of doing business. The United States serves that, "It will be many casualties in this enterprise." There have been prophecies of doom uttered, spoken as if the merchant was a being whose welfare was irrelevant to the interests of consumers. As a fact, the merchant is a factor in the retail industry. The merchant is a sound operator on a sound basis that goes for the whip of the distribution system. The price ceiling were adopted in grocery stores were one of the greatest deterrents to inflation. Through distributor were instrumental in developing methods which consumer costs all along. They aided producers of commodities by broadening marketing channels. In times of emergency, they aided maintenance of surplus. In short, they did much to put the distribution on a scientific basis and in the days to come the retail industry will prove to be the consumers' best hope.

LIVING UP TO TRADITION

The medical profession hasn't done a lot of talking about the "sacrifices" its members are making. And yet doctors, perhaps more than any other group next to the service men, are making real sacrifices in this war.

Thousands of them have voluntarily given up their practices. They live in the fox holes with the soldiers. They fight and die with the navy and marines. They perform miracles amid blood and suffering. Gone is the business for which they spent so many years in preparation, often on a financial shoe string.

The doctors left at home are making sacrifices too. Men who should be enjoying the leisurely aftermath of useful careers are back in harness working at a killing pace. They are on duty 24 hours a day—and they don't yell for time-and-a-half when Mrs. Jones is having a baby at 3 a. m.

The doctors are carrying out the tradition of American medicine in every emergency. Their example might well be followed by workers in other fields.

"There are periods in a lifetime when it is more difficult to live for your country than it would be to risk your life for your country. You and I are living in such a time today. We must fight for our principles, our rights, and our convictions at home even if in that

Views of Neighboring Editors

The Scurry County Times— Announcement this week by the Office of Price Administration that each person in Snyder and Scurry county will be limited to five cans of canned fruits and vegetables on hand, when rationing of these goods goes into effect, is expected to triple home canning during 1943. In fact, the OPA order to limit purchases of canned fruits and vegetables is aimed primarily at making people can more foods at home this year than at any past time in history.

Home canning, with attendant savings in money and equipment, really results in better flavored and more wholesome foods, home economists declare, than canned goods purchased in retail establishments during war-time, anyway. War needs will make it impossible for canneries to secure enough high grade cans to handle all the fruits and vegetables civilians will need this year, and home canning, with glass jars, cans well fill the gap, government officials and extension service agents declare.

The Lynn County News— We believe that Rubber Boss William Jeffers is right in his efforts to speed up the making of synthetic rubber and in insisting that we should enter upon the manufacture of rubber as a permanent industry. With an abundance of materials all around us out of which synthetic rubber can be made he insists that never again should we be dependent upon far away islands of the sea for so important a commodity. That sounds like sense to us.

The Slaton Slatonite— There is an old boy in the Panhandle who says that his classification in the selective selecting is 5B, because of Baldness, Bridgework, Bifocals, Belly, and Bunions.

After a close inventory of my qualifications I find that 5B fits me like a grapefruit skin fits the grapefruit but I had hoped that by wearing my hat most of the time, by keeping my mouth closed as

TRANSFUSION IN NEW GUINEA JUNGLE

NEW GUINEA— Behind the fighting line in the Buna sector of New Guinea, a transfusion of Red Cross blood plasma is being given to a wounded fighter by Lt. Robert J. Gilardi, of Pittsburgh, and Captain Arnold Neustadter (right) of Flushing, N.Y., in a portable emergency hospital. The contents of sterile water and plasma in solution hangs from the tent roof. Many men badly wounded in battle have been saved through this method of transfusion practically on the spot. The army and navy have reconstituted the Red Cross to secure four million pints of blood in 1943.

KEEP THE EAGLE FLYING

An old fable tells how a mouse released a lion by gnawing the net that trapped him.

Millions of small taxpayers in this country, by their tax payments, must gnaw away the debt net that now ensnares their government.

The immediate passage of Congress of a pay-as-you-go tax measure to cover 1943 incomes will enable all the people to start right now nibbling at the debt.

Wars cost money and the people must pay for them. The sooner they begin to pay, the better. The smaller the installments can be made, the easier taxes are to pay. So let's face the facts and keep the Eagle flying high.

The Colorado Record— Blessings counted free department: The President's back in the White House! In every heart a thankful prayer!

There'd been 130,000,000 cases of insomnia, hysterics and jitters if we'd known he was the man who wasn't there.

The Rails Banner— The world is still grasping for its breath over the tremendous news of Roosevelt's African visit. Adolph Schickelgruber was plum disgusted with the whole thing. Two things made him feel that way no doubt. The meeting was so spectacularly daring beyond anything the ranting paperhanger ever dared to dream that certainly nobody with delusions of grandeur could even conceive it. Second the significance of the conference between the two men who are doing so well and so much to liquidate the swastika hero is so great that we could hardly expect any Nazi to approve of it. All of which adds up to the simple sum that anything that annoys Adolf and his little chum, Benito must be good for the world at large.

The Soviets have perfected a new drug to take the place of quinine.

Keep 'em rolling. Your scrap metal is needed now.

RUBBER BOOTS ARE AVAILABLE TO FARMERS

Farmers or stockmen who need rubber boots can get applications for obtaining these rationed articles from their local War Price and Rationing Boards. These same local boards issue certificates authorizing the purchase of rubber boots, explains Mrs. Dora R. Barnes, clothing specialist for the Texas Extension Service.

Each farmer, fisherman, or other worker who applies for certificates, should file two identical copies of his application. These applications may be filed with the board in person or by mail, according to OPA announcements. Additional information is available from local rationing boards or from county Extension Service agents.

Censorship Rules Put Into Effect

Consolidated regulations governing all communications entering or leaving the United States have been put into effect by the U. S. Office of Censorship. They replace separate sets of regulations for postal, cable and telephone censorship, and parallel the voluntary code of wartime practices for the American press. Prohibited subjects include troop movements, weather forecasts and rumors which might give aid and comfort to the enemy.

It is understood that Mrs. Doyle Justice and baby will return to Post with Mrs. Della Justice who is visiting in California. Captain Justice will be transferred to the East coast at an early date.

B. C. Manis transacted business in Fort Worth during the week end.

Mrs. M. Honecker of Fort Worth left for her home in Fort Worth after visiting here in the home of her sister, Mrs. Jake Webb, for two weeks.

ON THE HOME FRONT

By Office For Emergency Management

Thousands of volunteer civilian defense workers will have an opportunity within the next few weeks to help in a gigantic home front war program—point rationing. Plans are being laid to train many "explainers" who will assist in putting the program before the people. These "explainers," by making the rationing plan clear to store customers, can speed up the shopping service and relieve merchants and their clerks of the necessity for explaining, since they will have to give extra time to handling the food coupons and keeping records. Community service members of local war price and rationing boards will be responsible for determining where and how many "explainers" will be needed, and for the assignment of the volunteers to the various stores.

Since time is growing short, local civilian defense council chairmen are urged to get in touch with their local war price and rationing boards and work out plans for explaining the program. There are a few important things to remember about the point rationing system. They are:

1. All canned fruits, vegetables and soups; all frozen fruits and vegetables in containers under 10 pounds; all fruit juices in bottles or cans of one gallon or less; and all dried fruits will be rationed.
2. Retail sales of the foods to be rationed will be suspended as of midnight Saturday, Feb. 20.
3. Registration for War Ration Book Two will be conducted during the six days beginning Monday, February 22.
4. Any adult member of the family may make the application and receive the books for the entire family.
5. War Ration Book 1 of each member of the family must be presented at the registration.
6. Each applicant must file a declaration of goods on hand as of Feb. 21. The consumer declaration sheet simply asks for the amounts of coffee on hand as of Nov. 25—when coffee rationing started—and of canned goods on hand as of Feb. 21.
7. OPA is not requiring the use of official copies of the consumer declaration sheets and local boards are being instructed to accept any reproductions of the sheet that may appear in newspapers. Copies of the sheet are being made available to every newspaper in the United States for reproduction and release February 15 and after. Supplies of official sheets will be on hand at all registration points to take care of persons who do not clip copies from their newspaper.

A plan for stabilizing the cost of living and at the same time encouraging farmers to produce sufficient quantities of certain foods for military and civilian needs is being tried out with the four major crops—tomatoes, peas, sweet corn and snap beans. Under the new program growers of these crops will be assured a larger return than they received in 1942, but the difference in costs will be absorbed by the government through purchase of the output of certified processors or canners at prices allowing fixed minimum returns to growers. The government will then resell a portion of the pack to these canners at a discount for civilian use, so that the higher prices paid will not be passed on to the consumer. Thus, farmers will receive more for the four major crops, but the housewife will pay no more for canned products than she paid last year.

Although very little butter is shipped out of this country except for our men overseas, there has been a heavy drain on butter stocks, resulting in widespread local shortages. Butter production last year totaled more than two billion pounds, but men in the armed services on the average eat much more butter than civilians ordinarily consume, and an ample reserve must be maintained in order to assure their supplies. In addition, with civilian war incomes up, more people have been eating larger amounts of butter, and have been consuming more evaporated milk, ice cream, and dairy products—all made from fluid milk—thus cutting into butter manufacture. In 1943 we'll get less butter than usual—an average of about a quarter of a pound per week per person—but we'll know that our fighters are getting the butter fats they need to carry on to unconditional victory.

Mr. and Mrs. Bill Rackley of Dallas spent several days here visiting their parents. Bill is an employee of one of the large defense plants in that city.

BEST FINANCIAL REPORT IN HISTORY OF CHURCH MADE BY METHODISTS

The best financial report in the history of the Methodist church was made last Sunday during the quarterly conference. Dr. O. P. Clark, district superintendent from Lubbock, presided over the conference and discussed various phases of the church program with the pastor and laymen. Reports from all departments of the church were given by directors and officers. Dr. Clark preached at the morning worship hour.

Mrs. Glenn Kahler and daughter accompanied by Mrs. Charles Louis Pickett and son spent the week end in Crowell with Mrs. Foster Davis and family.

Mrs. Jake Webb returned from San Francisco Sunday. She visited Mr. Webb's mother and sister while in the West Coast city. Before going to San Francisco she attended the wedding of her son in Las Vegas, Nevada.

Mrs. Kate Davis and daughter, Vera Nell, were Post visitors Sunday.

Mrs. Pearl Elliott was called to Austin Friday on account of the serious illness of her sister, Mrs. D. K. Allison. Mrs. Allison, a former Post citizen, is showing some improvement at this time, members of the family reported.

REMEMBER THIS..

..if you're annoyed by "private blackouts"

Military blackouts are often necessary these days... but "private blackouts" aren't! You can save time and nervous strain... as well as the annoyance of an unnecessary blackout in your home by remembering two things: (1) Keep a supply of fuses... correct size... always handy. (2) Check your switch box fuses immediately if your lights go out... replace any "blown" fuses with your good ones.

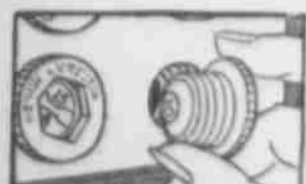

Here's How...

1. Go to the main switch at your meter box. Stand on a DRY SURFACE and turn off electricity.

2. Remove "blown" fuse, touching only its top. The fuse with the scorched spot in the "window" on top is the one to remove.

3. Replace "blown" fuse with new one, as you would a lamp bulb. Then turn on the main switch.

Red Cross Pena S. S. To e Pillow Cases

Response to a call made last week for pillowcases to cover hospital pillows, the Verbena School notified Mrs. T. S. Pena that they would make 100 cases. This gesture on the part of the Verbena School is one to be highly commended. The Woman's Production Club declared, as these pillows are needed immediately for hospital cases.

It is believed that other organizations will provide the additional cases.

These should be made from domestic and should be finished 10 1-2 x 11 1-2 and should have one end and hemmed.

It is a call also for a woman to operate the button hole at the sewing room.

Francis-Panter Wedding Held On February 4

Miss Alynne Francis, charming and attractive daughter of Mr. and Mrs. C. C. Francis of the Close City community, and Weldon Panter, Gunner's Mate Third Class of the U. S. Navy, and son of the late Joe Panter of Emory, Texas, were united in marriage on the night of February 4th in the home of Reverend A. C. Hardin.

The bride was beautifully attired in a victory blue dress with gold accessories. She was attended by Misses Jean Panter and Mozelle Rackley. Roger Hurt attended the groom as best man.

A dinner was given for the couple in the home of Mrs. John Coleman, and was attended by near relatives and friends.

Gunner's Mate Panter left Friday night for Norfolk, Virginia, where he is to be assigned to a new ship. Mrs. Panter will remain here indefinitely.

P-TA Conference Plans Announced For District 14

According to Mrs. A. C. Surman, State P-TA board member who recently returned from a meeting of the executive board in Austin, district conferences will be streamlined this year to meet wartime restrictions on travel and time.

April 29 and 30 were the dates set for the conference of this district and the meeting will be held in Plainview. A board meeting of fourteenth district officers was held in Lubbock Saturday to coordinate plans for the Plainview meeting. The streamlined program will only require one night away from home, and it is planned not to interfere with week end traveling on the buses and trains. It was announced through news releases to local chapter presidents.

Rayborn-Webb Wedding Vows Read In Las Vegas, Nev.

The chapel of the Las Vegas Gunnery school of Las Vegas, Nevada, was the scene of a simple but beautiful wedding ceremony on Saturday, January 30, when Alex Webb of this city and Miss Jo Rayborn of Wichita Falls exchanged vows in the presence of close friends. The impressive double ring ceremony was read at seven o'clock in the evening with Chaplain A. Franklin officiating. Candles and fern were used effectively to decorate the altar.

Pre-nuptial music was furnished by the chapel organist who also played the accompaniment for Staff Sergeant Bragget who sang "Because" and who gave a beautiful interpretation of "The Rosary" preceding the wedding. The traditional wedding marches were used for the processional and the recessional of the bridal party.

The groom, the son of Mr. and Mrs. Jake Webb, was attended by Staff Sgt. Herman Hillmeyer and the bride was attended by Miss Ruth Martin as maid of honor and Mrs. Webb, mother of the groom, a matron of honor.

The bride, the daughter of Mrs. Beulah Rayborn of Wichita Falls, wore a becoming soldier blue wool suit with a small veil trimmed beige hat with matching gloves. Her other accessories were black and white gardenias formed the attractive shoulder corsage. She followed the traditional bridal custom of wearing "something old, something new, something borrowed and something blue."

Miss Martin wore a blue dress with blue fox coat and small fur hat and wore a gardenia corsage. Mrs. Webb wore a black suit with aqua trim. Her corsage was fashioned from sweetheart roses.

The groom, who joined the army in San Antonio about two years ago, is now a member of the Headquarters Base operations office at the Las Vegas Gunnery school. He holds the rank of Staff Sergeant.

Prior to entering the army he was associated with his grandmother, Mrs. A. A. Allbright on the Elm Lodge Stock Farm near San Antonio. He took an active part in student affairs while in Texas Tech.

The bride is one of Wichita Falls most popular business girls. She attended business college there and at the time of her marriage was connected with the office force of Sheppard Field.

Lovely Reception Given In Famous Ramona Room of Last Frontier Hotel

Following the wedding, a reception honoring the couple was held in the Ramona room of the Last Frontier hotel. Miss Maxine Lewis was hostess for the lovely affair which was attended by a host of friends of the couple. Miss Lewis was assisted by a number of friends from the base headquarters. As the bridal couple and wedding party entered the popular entertainment center, the Miller Brothers band, feature entertainers, played "Here Comes the Bride" as the spot light was centered on the bride and groom. Other song hits that added to the introduction were "I Love You Truly," "Josephine," "Deep In the Heart of Texas." Following this feature, the couple, under the guidance of the master of ceremonies, made their debut from the stage of the Ramona room.

At the conclusion of the five course dinner which was served from a large table that centered the massive dining room, a spotlight was thrown on the chef as he entered and presented the couple with a beautifully decorated wedding cake. The cake was cut by the bride and served with an ice course.

Guests who attended the wedding dinner were: Misses Blanche Beckman and Ruth Martin, Master Sgt. and Mrs. Kenneth Rhudy, Staff Sgt. Herman Hillmeyer, Staff Sgt. Charles Casey, Sgt. Floyd E. Bersbers, Sgt. Edwin O. Eiserman, Warrant Officer and Mrs. H. Chancellor, Pfc. Charles Henry and Pfc. Harry E. Glass and Mrs. Jake Webb.

The couple spent their honeymoon at the Last Frontier hotel.

GRAHAM CHURCH OF CHRIST

Bro. Lofton will preach at the Graham Church of Christ at the morning hour. You are urged to come out and hear his gospel message at that time. —Rep

Mrs. Leroy McCarty and son Bill of Amarillo were visiting friends and relatives here last weekend.

Hackberry Women Busy In Red Cross Activities

Although all of them are busy farm women the Hackberry Red Cross unit is making its mark with city women. They meet at the club house two Thursdays per month to knit and sew. The other two Thursdays they go to Tahoka to roll bandages for our armed forces. Their small children stay with one or two women while their mothers work. This community which is divided by the Lynn-Garza county line, has more volunteers in the armed forces than the average group of people.

Those working in the Tahoka Red Cross room last Thursday were Mesdames R. R. Jones, Wm. Lester, Heywood Basinger, Clyde Haire, Hubert Taylor, Herman Jabbs, John Taylor, H. D. Hallman, Ussery, Peyton Crawford, John Fleming and Claude Cooper.

Fifth Birthday Observed By Billy Roy Williams

At the party on Billy Roy Williams' fifth birthday, Carolyn Lee Walker gave a reading "Horrors" and games were played. Refreshment plates contained valentines with suckers, banana cake, ice cream and peanuts. The guests were: Richard, Teddy and Dot Jackson, Ronald, Ross and E. L. Dunn, Le Royce Loveless, Mary Lou Field, Karen, Jerry and Donald Pennell, Jr., Shirley Ann Bedford, Shirley Taylor, Sue Lancaster, George and Donetta Ellis, Rodney and Carolyn Walker, Aaron McNeese, Carlton Davies, Joe Harmonson and Elton Truelock.

MERRY MAKERS CLUB

The Merry Makers Club will meet with Mrs. Taylor Cook on Feb. 23, instead of at the home of Mrs. C. J. Mangum as was previously reported.

Church Women Vote Monday To Sew For American Red Cross

Members of the Presbyterian aid met in the home of Mrs. Geo. Samsen on Monday with Mrs. J. A. Stallings as leader for the Prayer and Praise service.

It was voted to pack boxes for overseas boys and committees were appointed to attend to this project. It also was voted to spend the entire afternoon on Missionary days and work for the Red Cross. The group will make hospital pillows.

Delicious refreshment course was served in the Valentine motif.

PRISCILLA CLUB

The Priscilla club will meet with Mrs. W. L. Kitchen Friday, February 12 at 3:30 p. m.

Mrs. M. B. Ray is visiting her daughter, Mrs. P. V. Stevenson in Seagraves for several days.

A Tribute To Youth.... America's Men Of Tomorrow

TRUE AMERICANISM

Yes, even we have our "isms" . . . but ours is a peace loving type of "ism" . . . much of which is injected into America by the Boy Scouts. They are the leaders of tomorrow . . . the backbone of a mighty nation. Americanism is based upon the ideals of building a greater nation for a greater people . . . to live and think cleanly and clearly. We feel it an honor to pay tribute to these fine young men, their ideals and their whole hearted cooperation.

'The Major and the Minor' At Garza Sunday - Monday

When it comes time again to present that famous Academy Award "Oscar," the vivacious lady who won it once before with her work as "Kitty Foyle" ought to be very much in the running. We're talking about Ginger Rogers, and after you see her—with Ray Milland—in the very funny picture, "The Major and the Minor," you'll be talking about her, too!

The picture, which opens 11:30 Saturday night and runs thru Sunday and Monday at the Garza Theatre, is far and away the best comedy flashed on any screen in a long time. It sparkles with clever lines, unusual situations and a refreshingly different romance. Its originality is highlighted by especially outstanding performances from Ginger Rogers and Ray Milland, each of whom is an excellent comedian in his own right—as well as by fine work contributed by Rita Johnson, Robert Benchley, Diana Lynn and Ginger's own mother, Lela Rogers.

"The Major and the Minor" tells of Ginger, disillusioned with New York, who wants to return to her home town in Iowa. Much to her dismay she discovers that railroad rates have increased and that the going home will take five dollars more than she has in the world. She conceives the brilliant idea of transforming herself into a hafe-fare minor. Her masquerade buys her the ticket but arouses the suspicions of the conductors on board train.

She eludes them by crashing the compartment of Milland, a Major with a slight eye defect which keeps him at his teaching post in a military academy. Milland accepts her as the twelve-year old and lets her stay in his compartment.

Mrs. John B. Slaughter left today for Fort Worth where she expects to be gone for the next several months.

MEXICAN BAPTISTS PLAN TO BUILD NEW CHURCH

Plans are underway to build a Mexican Baptist church in Post according to evangelist, Rev. Silvano Laro who has moved his headquarters to Post. Rev. Laro is representative of the Mexican Baptist Association for West Texas and is authorized by the association, together with Rev. F. G. Olvera, pastor, to accept funds for the new church building.

The church now has a fund of \$250.00 and hopes to have at least \$700 to build a 20x40 frame building on the site of the old building when the drive is completed. Donations should be sent to Post Mexican Baptist church, Box 451, Post, Texas, or to either Rev. Laro or Rev. Olvera.

The church now has a membership roll of 40 active members. Many people have indicated that they will be willing and glad to help get the drive started.

COWAN RITES—

(Continued From Front Page) Mrs. L. S. Erwin of Birmingham, Ala., and one daughter-in-law, Mrs. Ethel Cowan.

Pall bearers were Giles Connell, Ollie Weakley, W. V. Roy, Tom Bouchier, Ashley Lawson, J. E. Parker and Dr. B. E. Young.

Those in charge of the beautiful floral offering were members of Sister Cowan's Sunday school class.

The J. W. Cowan Memorial Chimes which she presented to the church in honor of her husband were used effectively throughout the musical portion of the service. Favorite hymns were sung by the choir which her daughter organized.

Scripture reading, a brief talk and a benediction were used by the pastor at the burial service held in Fort Worth.

Among those accompanying the body to Fort Worth were her daughter and Mrs. I. H. Perhamus of Fort Worth, Mr. and Mrs. Doug Morrel, Mr. and Mrs. Ollie Weakley, Mrs. Jessie Voss, Mrs. John B. Slaughter, Mrs. Evelyn Baiety, Rev. and Mrs. O. B. Herring, Giles Connell, George Samson and Tom Bouchier.

FOOD TO BE FROZEN—

(Continued From Front Page) units, the total number of cans, bottles, or jars to which the group is entitled should be determined by multiplying by five the number of persons being registered in the family unit.

This newspaper will print forms for the declaration in order for housewives to check in advance and list their stock of rationed items. Time and work can be avoided if each person will fill in the forms in advance and take them with her when she goes to register for the new ration books.

Forty-eight points will be allowed for the first ration period beginning March 1. Only blue stamps will be used in this first period. The red stamps will be used at a later date for meat rationing.

America's Future Lies In Its Youth--

The future of this great country of ours lies in its youth... They are the business and industrial leaders of tomorrow. We believe in the Boy Scout movement and are proud of the fine work they are carrying on. The Post Rotary Club is happy to sponsor this fine group of boys and congratulate them on their 33rd birthday.
