HANCOCK

Mrs. Robert Head held open house Friday in connection with the H. D. Club's achievement day program. Vegetables and fruits canned by members and Mrs. Head's demonstration party were on exhibition. Mrs. Oscar McLendon, wardrobe demonstrator, also arranged an exhibit of her work. Punch and wafers were served to all the callers.

Mrs. W. H. Frith honored her husband with a birthday dinner Sunday. The guests, relatives and friends numbered about twenty. That day has long been an honored occasion in the family, but only two children, Thomas of Vernon, and J. C. of this community, were able to come. Other relatives

present were a nephew, Tommy Frith of Vernon, and niece, Mrs. Walter Roamey and husband of O'Donnell. Miss Beatrice Chapman and L. D. Fisher were ushers in the marriage in Lamesa Saturday afternoon at four o'clock. Rev. Robert Smith read the ceremony. Mrs. Fisher who was lovely in a dress of brown, crepe with accessories, is the daughter of Mrs. Julia Chapman. The groom is the son of Mrs. J. M. Fisher of Round-oke, Texas. For the present the couple will make their home in his community.

Miss Pauline Brown of Midway became the bride of Roy Pounds Friday night in a ceremony performed in Big Spring by Rev. Day of the First Baptist Church.

A number of Hancock residents spent the holidays visiting out of the community. Mr. and Mrs. Ralph Ranson and son and Victor Miller visited Mrs. Ranson's parents in Miles; Mr. and Mrs. W. G. Truitt spent Thanksgiving with Mrs. Truitt's mother, Cora, and son and Victor Miller visited Mrs. Ranson's parents in Miles; Mr. and Mrs. M. A. Knoble visited their sister, Mrs. Lawrence Baxter of Higginbotham; Mr. and Mrs. W. J. Beckham and sons and Hubert McLeer visited relatives at Trent; Mr. and Mrs. V. A. Bowles and family visited relatives of Mrs. Bowles in Hico.

Mr. and Mrs. Bill Miller and son, Lowell, and Mary Bob Harrell spent Thanksgiving day in Lubbock; Fred Bell and family went to Roby to visit Mrs. Bell's parents, Mr. and Mrs. W. P. Campbell, during the holidays. They returned home with the Bells.

Eugene McLendon visited his grandparents in Lubbock over the week end. Mr. and Mrs. Cal Sledge and family, Mr. and Mrs. John Nelson and son, Mr. and Mrs. Tate Weaver, Mr. and Mrs. Willie Miller, and Mr. and Mrs. Mac Nelson and Bonnie Faye Nelson spent Thanksgiving day with Mr. and Mrs. G. W. Nelson of McCarty. Mr. and Mrs. Cleveland Johnson and family visited their old home near Haskell during the holidays.

Miss Beaulieu Lisenbee and Willie Lisenbee of Hobbs spent Thanksgiving here with relatives. Other visitors in the community during Thanksgiving include the guests of Mr. and Mrs. R. Rials. They were Mr. and Mrs. Joe Scarborough of Antonio, Sam Scarborough of Petersburg, and Mr. and Mrs. Jim Bunch of Lenoah. Mr. and Mrs. B. J. Ward of Sweetwater visited their daughter, Mrs. Harold Duncan, Mr. and Mrs. John H. Williams were guests of his parents, Mr. and Mrs. W. T. Williams Thanksgiving Day.

Mr. and Mrs. Ellis Todd of Abilene visited Mrs. G. F. Ward over the week end.

Pegion Best and family of Sparenberg visited in the G. Stephens and Page Nelson home Sunday. O. L. McLendon has returned from a visit to Fort Worth and the Centennial.

T. E. Davis of Vernon and Levi Lennecum of Eldora, Oklahoma visited Mr. and Mrs. J. T. Davis Sunday.

Mr. and Mrs. Sam Hodges were serenaded by a group of friends and neighbors Friday night.

Mrs. W. F. Lisenbee has returned from Lubbock and Morton and reports her grandchildren are improving. Mrs. Julia Chapman and Francis Chapman and Mr. and Mrs. Jack Fisher returned Monday from Big Spring

Let's Talk of Clothes

Denton, Nov. 30.—Nothing equals a button for a flippancy bit of amusement on an otherwise plain dress. Buttons have taken all hours for originality and even zipper conscious shoppers waver and use them in excess. They rate top position for a combine of practical purposes and decoration.

Wood buttons in every conceivable shape and color are especially good on your knitted outfits and sports clothes. There are wood buttons of wood. Even miniature fir trees find letters in tiny discs of colored wood. Flat themselves carved from dark and light colored brown wood to decorate in-lady's frock. Girls at Texas State College for Women (CIA) are especially fond of amusing animal shapes, including the head of a mountain goat and others just as funny and as easy to use on knits and bright colored wood dresses.

Bow knot buttons in metals, flowers in metals and leaves fashioned in silver, gold or silver studded with rubies, coral or emeralds, are other bright ideas for dark winter woollen, velvet, or silks. Nearly all the buttons in the best collections are easily matched with belt buckles and clips, to satisfy the ensemble addict.

The very latest buttons, in keeping with the splendor of coronation year, show crown buttons of silver or gold metal. They will add much to your sheer wools, metallics, or satins. The filigree buttons in round, square, and odd shapes, are particularly new and effective for dull silk crepes and afternoon velvets.

Oil and Gas Leases And Assignments

J. L. Greene to Dr. C. L. Kerr mineral deed on East 1/2 and Northwest 1/4 of Section 29, Block M, Dawson county, November 13.

Monte Bridges Case Given To Jury

The case of the state vs. Monte Bridges, being tried in Lamessa this week on charge of venue from Garza County, went to the jury Wednesday evening after the defense had rested the case without placing any witnesses on the stand. The defendant is being tried on a charge of murder of Bertha Gordon on the night of July 1, 1934. He was tried for the murder of Jay Donaldson, who was murdered at the same time Miss Gordon was killed, in the spring term of court here and was given a sentence of 20 years in the state pen which he is now serving at Huntsville.

A special venire of 75 men was called Monday and the entire venire was required to select the necessary jury for trial, the 75th man examined qualifying as the twelfth juror. All day Monday and until afternoon on Tuesday was spent examining these prospective jurors. Those serving on the jury were Durwin Echols, J. B. Roberts, W. C. Miller, Curtis White, W. H. Moore, J. W. Driver, Ollie Smith, A. L. White, J. D. Banta, H. L. Slover, W. O. Reeves and J. D. Brown.

Prosecuting the case were District Attorney Truett Smith of Tahoka, and County Attorney Louis B. Reed of Lamessa. Defense counsel included V. O. Key, E. B. Warren and J. H. Atwood of Lamessa, and Brooks and McDaniel of Big Spring.

Some 12 or 13 witnesses were used by the state, the leading witness being Mrs. Charles Miller, living near Post, who testified that Bridges and the slain couple drank beer at her home the night of the killing and the Bridges threatened to "kill the whole bunch."

Mrs. Susie Gordon, mother of the slain woman, testified that Bridges and Donaldson accompanied by her daughter, Bertha Gordon, left Post about sundown the night of the murder.

Other witnesses testified to finding the bodies, identifying the weapon which the state claimed was used in the crime and concerning the finding of bullet holes and blood stains in Bridges' car.

After the state rested its case, the defense counsel sprung a surprise move and closed its case without calling any witnesses to testify. Arguments were begun at 2 p. m. Wednesday and the case was turned to the jury about 6 o'clock.

—Dawson County Courier.

vested as in the case of millet that automatically forfeits all rental payments. Sudan may be harvested or pastured and this will forfeit the one dollar per acre soil building practice. This is also true in case sudan is grazed. If sudan is harvested or grazed it does not forfeit the entire contract, only the soil building practice payment of one dollar per acre. The reason for the above statements are due to the fact that producers continually come in and ask if they may graze or cut the sudan grass after a certain date. Milo or cane that is used as a soil building crop must be left on the land and not grazed or harvested, because if such is done the entire payment is forfeited.

Approving Work Sheets
The work sheets are practically all ready to be sent to State headquarters and all who have not been in to the agent's office are requested to come in some time during the coming week and approve them as we are anxious to clear all work sheets out of the office as soon as possible to do so. There are only approximately one hundred producers who have not been into the office and approved the maps. In case you do not come in and approve your map the individual work sheet will be held in this office until you do come in and approve same.

Milk Cow Ration

FARM NOTES

Harvesting Crops On Retired Land
After a series of a letter received from C. A. Cobb, director of Southern Region, Washington, D. C.:
"It appears that some of the producers and the committeemen have the idea that if sorghum and millet have been left on the land until October 31 and performance has been certified that the producers may dispose of the crops as they see fit. In all such cases where the bulletins call for crops to be left on the land, these crops are to be left on the land and not to be used in any manner either before or after October 31st. Also sudan grass when used as a soil building practice is not to be harvested."

BETTER LIGHT—BETTER SIGHT

Essay Contest

for School Students
Closes Monday, Dec. 14
Only 10 days left to try for
37 PRIZES
Totaling \$525.00

If you already have an entry blank for this essay contest, be sure to finish your essay and turn it in at our office by Monday, December 14. If you have not yet decided to enter this essay contest, come by our office at once and get your free entry blank and reference material on **Better Light—Better Sight**, for you still have a chance to win a prize for a 250-word essay on the following subject:

"Why I Need Good Lighting At Home and at School"

This contest is open to all school students in towns served by the Texas Electric Service Company, except children of Company employes. The essays will be judged on the basis of excellence and neatness, according to age and grade of the contestant. The purpose of this plan is to give young students an equal opportunity with older students to win a prize.

Prizes: Grand Prize, \$100.00; Second Prize, \$75.00; Third Prize, \$50.00; Four next prizes, \$25.00 each; Ten next prizes, \$10.00 each; Twenty next prizes, \$5.00 each. Total 37 prizes, totaling \$525.00.

SOUTH PLAINS COACHES, INC.
Joe W. Bowman, Manager

**Boy Scout Circus
Held In Lubbock**

Members of the Lamesa Boy Scout troops No. 22 and No. 23 and Cubs from Pack No. 17 participated in the first annual Boy Scout circus which was held at the Tech gymnasium in Lubbock last Friday and Saturday evenings. Quite a few Lamesa people, friends and parents of the local boys attended the performances.

Every act from the grand entry, which was a parade of several hundred scouts from over the South Plains displaying American flags, troop flags, troop totem poles and plaques, dressed in scout uniforms, Indian costumes, and the dress of the trapper and early frontiersman, to the grand finale when the Scouts and cubs gathered around a lighted campfire, was entertaining and showed that the scouts had put much effort into the preparation for the circus.

One of the most colorful numbers of the program was the Indian "dog dance" presented by the scouts of troop 22 of Lamesa under the direction of Joe M. Spikes, scoutmaster of the troop. Troop 23, under the direction of Leslie Pratt, scoutmaster, led in the ceremony around the campfire in the grand finale. Members of these troops also participated in several of the other events.

Den No. 4 of the local Cub pack took part in the cubbing event, erecting an Indian teepee, which they had recently made with the assistance of their den mother, Mrs. Henry McQueen.

Those who attended from Lamesa were high in their praise of the performance of the scouts and cubs.

Miss Tina Hood visited her mother and father in Paducah over the week end.

**Boy Accidentally
Shot At Ackerly**

Jimmie Ward, 13 year old Ackerly youth who was brought to a Lamesa sanitarium last week suffering gunshot wounds, was able to be taken to his home this week and is reported to be on the road to recovery.

The accident happened at the Ward home when Jimmie and little Charles Smith, 10-year-old neighbor boy, were playing with a shot gun. The gun was discharged in some manner, about 30 No. 4 shots striking Jimmie in the face, chest and abdomen.

Postmaster J. Mac Noble Jr., and Mr. Howard Samuel, superintendent of construction on the new water system, returned Friday from a deer hunt in Mason County. They refuse to discuss their luck.

Miss Ruth Suddarth, who is a student in Canyon, spent the Thanksgiving holidays here with her parents, Mr. and Mrs. W. E. Suddarth.

Miss Dorothy Walls came home from Tech to spend the holidays with her parents, Mr. and Mrs. G. S. Walls.

Miss Christine Millwee returned to Abilene Sunday after spending the holidays here with her mother, Mrs. Belle Knight.

Mrs. Ruth Hall spent Thanksgiving with relatives and friends at Colorado.

BABY CHICKS: Place orders now; season opens in a few weeks.—MINOR FEED & COAL.

**Change In
Pension Set-Up**

Geo. G. White, district supervisor of the Old Age Assistance Commission in District 18, was in the city last Wednesday and made a visit to the Courier office. He announced that a change was being made in the way this department will function and asked that we inform our readers of this change so they might govern themselves accordingly.

Application blanks for pensioners have been available in the office of the county judge, but these have been taken up and a representative of the Old Age Assistance Commission will be in the court house the second Wednesday of each month and remain here all day to receive applications from those who are eligible for pensions and to hear any complaints and answer questions in regard to the pensions. Only on these days can you transact business regarding pensions in the courthouse so make arrangements to come to the court house on the second Wednesday of the month if you have any business with the State Old Age Assistance Commission.

About 1200 out of 2200 applicants in this district are receiving the pension. This is a higher percentage than over the state. The average pension in this district is about \$18.

Mr. and Mrs. Hoyt Burris of Midland spent the holidays here with his father, J. W. Burris.

Luke Huddleston of Abilene, was in town looking after his farming interests over the week end.

Miss J. Verna Street, who is a student at Texas Tech, spent the Thanksgiving holidays at home with her parents, Mr. and Mrs. Irvin Street.

Mr. and Mrs. Blanton Street and family attended the Centennial Exposition at Dallas last week.

Mr. and Mrs. G. W. Nelson of Lamesa were in O'Donnell on business Wednesday.

Mrs. Jesse White and children of Odessa spent Saturday in O'Donnell.

Mr. and Mrs. Raymond Debenport of Willdorado spent the Thanksgiving holidays with relatives and friends of this city.

Wayne Clayton, student at Tech, spent the holidays with his parents.

Aubra M. Cade, tax collector was in O'Donnell on business Monday.

Mr. and Mrs. Buddy Smith and little son of Lamesa spent Thanksgiving here with her parents, Mr. and Mrs. Bob Burdett.

Mr. and Mrs. B. J. Boyd and M. J. Whitsett made a business trip to Lubbock Tuesday morning.

Mr. and Mrs. Rufe Hardberger of Lubbock were in O'Donnell on business Wednesday.

Mrs. Fred Henderson is visiting relatives and friends in Quanah this week.

Miss Hope Shook was in Tech for the Thanksgiving holidays.

West Texas Gas Co.
Good Gas With Portable Heat

**Winter be blown!...
OIL-PLATE YOUR ENGINE**

This is exactly true: Oil-Plating supplies lubrication in LESS THAN NO TIME AT ALL!

Faster than "instantly"... faster than the fastest-flowing Winter oil might even begin to flow, Oil-Plating is ready to lubricate.

That's because a genuine Plating of Conoco Germ Processed oil is always left firmly bonded to every working part. Like any other real Plating, this Oil-Plating cannot run off. After hours or days of standing in the cold, Oil-Plating is still perfectly ready-to-go.

Now these days you read on every side, how poorly-oiled starting causes most engine wear, and how fast a Winter oil ought to flow. But you cannot have even a doubt of sure starting-lubrication, when it is always UP IN ADVANCE. That's Oil-Plating... a plain, straight, economic reason for changing to your correct free-flowing Winter grade of Conoco Germ Processed oil—patented. Costs no more than changing by hunch.
