Cotton Receipts Pass Last Year's Mark

The gins have been running night and day the past week and on Thursday night Weigher Busby reported that 8620 bales have been weighed at the yard. Of course, this does not represent all the cotton ginned in O'Donnell. Some of the cotton is taken back to the farms and about 1,000 bales have been handled to date by the farm bureau. On the same date last year the gins had turned out 8220 bales. It is estimated that the crop is one half in.

Curb and Gutter Work Nearing Completion

Resident Engineer L. H. Male reports that the curb and gutter work will be completed by the last of the week. The drainage ditches have been dug to carry the flood water to the northwest of town.

The grading of the streets in the residential section is being pushed rapidly and it is said that some good work is being done. With a little rain and dragging the streets will be in as good condition as it is possible to make them without paving or hard surfacing.

Now, that the city has spent a large sum of money on curbs and gutters in the business part of town, the work should not stop until the streets are paved. Without paving the streets the gutters will soon be filled with drifting sand and the work that has been done will be of no value. O'Donnell is deserving of the best and some means must be provided for paving the streets.

Rev. J. Wood Parker will fill his regular appointment at the Presbyterian church next Sunday. There will be special music at the morning service by Mrs. Ada Bufford. Sunday school at 10 a. m., Ben T. Brown, superintendent.

Marl in Arm at Girl

At the Henderson Thursday night, got his hand caught in the hand of a girl. The hand was horribly mangled and his arm was broken in three places. He was taken to the local hospital where he was given first aid treatment. Dr. Krueger was summoned from Lubbock and on his arrival amputated the arm above the elbow. At last reports Mr. Payne is getting along as well as could be expected under the circumstances. He has a family and lives near town.

Pastors Association Takes Census of Sunday Schools

The Pastors Association is taking a census each week of the attendance at the various Sunday schools in the city and no little rivalry has been created, each school trying to outdo the other schools in attendance. Last Sunday the attendance at the various churches in town were as follows:

Presbyterian	25
First Christian	16
Nazarene	76
Church of Christ	70
Baptist	122
Methodist	91

This gave a total of 368 who attended Sunday school last Sunday. According to the population of the town, twice this number should have been in Sunday school.

Carlisle & Company Putting on Big Sale

Carlisle & Company are putting on a big sale this week and according to manager, W. E. Dickinson, it is a sure enough sale where if prices mean anything, the public will have an opportunity of saving lots of money by buying while goods are cheap. The store was closed Thursday to arrange the goods for the bargain feast.

No, stranger, O'Donnell is not an oil town; it is a soil town. All the brick buildings you see going up on every street are not the children of gushers of liquid

gold. They are the products of the richest soil in the world—soil that only needs to be tickled with a little honest toil to make oil gushers look like fifteen cents.

O'Donnell offers many opportunities to the homeseeker and investor and a hearty welcome awaits all who may come. Follow the roads to O'Donnell.

Fritz-Petty Co. Secures Agency for Overlands

While the J. S. Fritz garage has handled the Overland cars and products for some time, it was only last week that a contract was made whereby O'Donnell was designated as a separate agency, heretofore the cars being secured from the Lubbock agency.

Immediately upon closing the contract, Mr. Fritz formed the Fritz-Petty Overland Company and received a car load of cars last Friday. The new company reports the sale of four cars this week. The demand is growing for this popular make of cars and this agency will be no small factor in helping to make this town an automobile distributing point.

R. J. Kibbe came down from Hereford the first of the week to visit his son, Mayor C. T. Kibbe and family.

THE INDEX STILL BEGGING FOR MONEY

An editor over in Illinois sent a letter to ten of his subscribers reminding them that their subscriptions were due. Five of them promptly paid up. One replied that he would pay "next week"—but he died the following Saturday. Another said he would pay the "next time he saw us." He went blind. Another telephoned that he would "run down and pay us some time." He has rheumatism and can't walk. The ninth said that he would "see us in h-l first." He got religion that night and will not be able to keep the appointment. He had not heard from the tenth.

The Index appealed to its fine family of subscribers last week to "kick in" and help raise the money to pay for that new building, and before the day was done the editor had been paid \$99.90 cents on subscriptions without further solicitation and the money is still coming in, showing that they appreciate the paper and are not in the class of those Illinois fellows. This shows that our subscribers are our friends and that is the sort of cooperation that makes us keep up such a racket in the Index office after the town is asleep trying to give service.

There is still a number who are in arrears for their paper and to these, we issue an earnest appeal that they help us pay Jack Caddel for that building which is going to be ready for occupancy the last of the week.

Mr. Coin announces the opening of the Popular Store on November, 28. On account of the slow arrival of goods the formal opening has been delayed later than planned. The Phillips building on the north side of Block A, has been remodeled and will be given a coat of stucco.

Union Thanksgiving Service to Be Held at State Theatre

The program for the union Thanksgiving service for O'Donnell is being worked out by the Pastors Association and it is expected that it will be a real interesting one. The services will be held at the State Theatre and Rev. Fred S. Rodgers will preach the sermon. The program will be participated in by the pastors of the various churches.

Mayor Kibbe has issued a proclamation setting aside Thursday, November 26, as a day of thanksgiving and asks that all business cease so far as practicable for the day.

Let us make next Thursday a day of thanksgiving for the blessings that have been bestowed upon us during the past year.

FEEDING BABY DURING SUMMER

Milk is recognized as the ideal food for young children. It should be carefully guarded during the warm summer months, to insure its freedom from germs or bacteria that might cause harm to the child. Because of its nature, it is, under certain conditions, a breeding and propagating ground for germ life and may soon become unfit for use unless it is handled with the utmost care and vigilance. Perhaps the ideal way to obviate this risk is through the use of evaporated milk. This milk is only pure milk with sixty per cent of the water removed from it and is absolutely sterile. It is of double richness but may be modified by the addition of water, which will return it to its original volume with a greatly enhanced food value.

Evaporated milk is sterilized and has a high nutritive content. This causes it to be a very excellent food for the young child and the infant. In fact, many of the leading pediatricians of the country advocate its use after the child is deprived of its mother's milk. A formula, evolved by these pediatricians, through experimentation, is as follows:

From Sixth Week to Third Month.
 Milk, evaporated 8 ounces
 Lime water 8 ounces
 Milk sugar 8 ounces
 Billed water 26 ounces
 Seven feedings in twenty-four hours: 4 to 5 ounces at three-hour intervals during the day and four-hour intervals at night

From Third Month to Fifth Month.
 Milk, evaporated 7 1/2 ounces
 Lime water 8 ounces
 Milk sugar 8 ounces
 Billed water 25 1/2 ounces
 Six feedings in twenty-four hours: 5 to 6 ounces at three-hour intervals during the day and a feeding at 10 p. m.

From Fifth to Seventh Month.
 Milk, evaporated 10 ounces
 Lime water 8 ounces
 Milk sugar 2 ounces
 Billed water 28 ounces
 Five feedings in twenty-four hours: 6 to 7 ounces at four-hour intervals the last feeding to be given at 10 p. m.

From Seventh to Ninth Month.
 Milk, evaporated 11 ounces
 Lime water 8 ounces
 Milk sugar 3 ounces
 Billed water 35 ounces
 7 to 8 ounces at four-hour intervals during the day. Last feeding at ten at night.

From Ninth to Twelfth Month.
 Milk, evaporated 12 ounces
 Lime water 8 ounces
 Milk sugar 3 ounces
 Barley water 24 ounces
 8 to 9 ounces at four-hour intervals during day. Last feeding at ten at night.

WHEN We Clean IT'S CLEAN BECAUSE

The Scherer System Recently Installed

THE people of O'Donnell are entitled to the best and Sisk & Clements have spent a large sum of money to see that they get it. They have recently installed a new Scherer Clarifying system which equips our shop equal to any in the United States. This sounds like a big assertion, but it's true, ask the fellow who knows. We do not mean to convey the idea that our shop is the biggest, but that it is equipped with the same machinery and systems that are used in the large cities. With the new clarifying system no dirty gasoline enters into the clothes. It enters the top of the revolving cleaning machine from our clarifying tanks and the dirt laden gasoline runs out at the bottom. A continual stream of pure filtered gasoline is pouring on the clothes leaving the dirt at the bottom.

We appreciate your business and are always looking for better ways and means of serving the public. If you are not a patron, give us a trial.

OBITUARY

The many friends of Mr. and Mrs. Robert Regan, of Joe Baily, Texas, near O'Donnell, deeply sympathize with them in the home going of their little daughter, Thana Ovilla. Thana was born April, 15 h, 1917. She passed away Nov 6th, 1925, age 8 years, 6 months, and 21 days. She seemed to realize during her illness of a few days that she could not get well. Everything was done for her that human hands and skill could do but to no avail. She seemed too pure and sweet and beautiful for this world. The dear Father above wanted her for His wonder garden in heaven, so he transplanted her gentle spirit to the land of immortal flowers.

We do not grieve for little Thana. She is immeasurably better off. Heaven is her immortal gain. But our hearts go out in loving sympathy to the bereaved parents. She was their only child. It is so hard to give her up. We know though, that God never makes a mistake. He knows best, and sometime, some where they will understand. Today from the battlement of those sinless, immortal shores, with beckoning hands she calls for father and mother to hasten on to the glory land. Children here are never safe. Ravaging disease and cankering sin are eternally seeking their ruin. But she is beyond all that. The dear Master is keeping her sweet and lovely for the great home coming in the by and by.

At the funeral, Brother Brazzel paid a beautiful tribute to her pure life and tenderly offered words of comfort to the sorrowing loved ones and friends. The little grave mound which shelters her sleeping body was banked with flowers, beautiful and fragrant, by kind friends.

"A precious one from us is gone,
A voice we loved is stilled;
A place is vacant in our home,
Which never can be filled.
God in His wisdom has recalled,
The boon His love had given;
And though the body slumbers here,
The soul is safe in heaven."

Mad Dog Runs Amuck

Quite a little excitement was caused Monday when it was reported that a mad dog was on the rampage in the residential part of town. City Marshall Wimberly was called and when he arrived he unlimbered his forty-something and opened fire on the brute which seemed to make him all the madder. It had been so long since the law had had any target practice that all the bullets went wild. Finally the dog was cornered in a box at the residence of J. N. Schooler and while Mr. Wimberly held him down with a hoe and he was beaten to death with a club and everybody returned to town and told his story of a mad dog scare that happened back in the seventies, or maybe it was the eighties.

Parker Buys Planing Mill from Phillips

A deal was closed this week whereby J. H. Parker became the sole owner of the O'Donnell Planing Mill building and equipment, the Phillips brothers selling their interest. Mr. Parker intends to add quite a lot of new machinery and will continue in the manufacturing of sash, doors and cabinet work. This industry is proving quite a convenience for the builders of O'Donnell and the factory has all the work it can turn out.

Mr. and Mrs. W. H. Crunk are spending the week in Dallas.

Ex-Cow Puncher Pleased with Change

Joe Stephens of Dallas, has been the guest of Mr. and Mrs. Joe T. Moore at their farm at Newmore this week. Mr. Stephens is a life insurance salesman but at one time was a cow puncher that roamed the Plains when it was covered with cattle. He was amazed at the great change that has taken place, but believes that the change is all for the better.

HIGH SCHOOL NEWS

SENIOR CLASS

A number of the seniors plan to go to Stanton Thanksgiving for the last football game of the season.

Miss Omah Fairley rendered an interesting reading in chapel last Tuesday morning.

At a class meeting last Friday afternoon we discussed staging a class play before the Christmas Holidays.

JUNIOR CLASS

Several of the juniors were absent last week.

The first meeting of the Washington Irving society was last Thursday afternoon. A delightful program was rendered. Purple and white were chosen for our society colors.

Our football boys are to play Stanton Thanksgiving. Let's all go and root for O'Donnell.

Mesdames L. and L. W. Sweet of Blackwell, spent the last week end with their husbands, who are contractors on the Dr Campbell building.

Takes the Place of "Drastic" Calomel

Never take another dose of the old style "raw" calomel. There is a newer and more improved kind known as Pepsinated Calomel. It does not tear through your system like a streak of lightning. People who are ill or suffering with biliousness, constipation, indigestion, and especially with backache, headache and torpid liver can secure immediate and complete relief with this new mild Calomel. Hereafter when you buy calomel, always demand the "pepsinated" kind. It is better for you, for it is purer, milder and more beneficial to your entire system. In 25c and 50c packages. For sale by

T. A. Ms. Entertained By Mrs. Campbell

Mrs. Dr. Campbell entertained the busy group of T. A. Ms. and their guests at her beautiful home on last Thursday. Upon entering the parlors one could not help but notice that the hostess was an enthusiastic lover of flowers, as the gorgeous fruits of her loving toil were displayed very effectively. Her culinary art was also well displayed when the refreshments of creamed chicken patties, pea salad, olives and delicious coffee were served.

Mesdames, Clara Goodger, D. A. Baggett, J. Wood Parker, A. W. Gibbs, V. Bonham, W. E. Dickenson, S. G. French, H. E. Gillespie, C. C. Jones, and E. S. Scirmshire were recipients of the hospitality of the hostess.

Armistice Party At White House

Mrs. A. A. House was hostess to a charming Armistice party given at the White House, Wednesday p. m. from 3 to 5 o'clock. The merriment started with the grand march and a number of interesting games of forty-two followed. Boxes of cracker jack were given as favors for what holiday is complete without cracker jack.

Mrs. Harvey Everett gave a toast to Peace and Courage on this Armistice Day. Each guest was requested to tell some anecdote relating to the World War, which telling, caused lots of jollity.

Refreshments were served to Mesdames, B. J. Boyd, T. C. Brown, Bert Baily, B. L. Cowden, W. H. Crunk, N. L. Jones, George Shumake, A. W. Gibbs, Harvey Everett, Albert Koeninger, M. H. Rodgers, E. L. Controversy Over Song

"Which shall it be? Which shall it be? 'My,' or 'the' 'my' or 'the'?" Isn't that silly? I agree with you, and yet it was the basis of a discussion that was carried on by several historical societies. The question was, did Stephen G. Foster write, in 1868, for the first time of his famous song, "The sun shines bright on my old Kentucky home," or was it: "The sun shines bright in the old Kentucky home?"
