Lynn County Men On Federal Jury

Among the 32 men who have been summoned for jury service in the Federal Court which convenes in Lubbock on Tuesday, November 26, are six Lynn county citizens. Judge T. Whitfield Davidson will be on the bench.

The prospective Lynn county jurors are: J. K. Applegate of Tahoka, Vernon Caswell of Draw, C. G. Hensley of Tahoka, Lloyd R. McCormick of New Home, J. L. Shoemaker of O'Donnell, and Byron West of Tahoka.

Cotton Allotments To Be Known

COLLEGE STATION, Nov. 18.—Barring unforeseen circumstances, every cotton farmer in Texas will be notified of his 1941 cotton allotment prior to the Southwide marketing quota referendum December 7.

The task of informing counties in the state of their allotments and the subsequent breakdown of the county allotments for the individual farms is well under way, E. N. Holmgreen, state AAA administrative officer in charge, has announced. In a series of district meetings over the state this month, the AAA official is urging the county committees to make every effort to notify producers of allotments.

In general allotments under the 1941 program are running about the same as under the 1940 program, Holmgreen said. In most cases the allotment for each farm in a county is a fixed percentage—uniform for the county or administrative area—of the farm's cropland. No allotment will be less than 50 percent of the 1937 planted plus divided acreage, provided that no allotment is thereby increased to more than 40 percent of the farm's cropland. No allotment, however, will be larger than the highest cotton acreage planted and diverted in any of the past three years.

Purpose of the referendum December 7 is to determine if marketing quotas for cotton will be in effect in 1941. To become effective, quotas must be approved by two-thirds of the cotton producers voting in the referendum. All persons who shared in a cotton crop in 1940, with a few exceptions, are eligible to vote.

MRS BRADLEY WAS CLUB HOSTESS

For the regular weekly party, Mrs. Guy Bradley was hostess Tuesday to members of her bridge club.

Mrs. Marshall Whitsett won high score prize and Mrs. William G. Porgy low and bingo.

Apple pie and coffee was served at the tea hour.

Present were Mesdames Campbell, Jordan, Hafer, Hughes, Henderson, Fargy, Noble, Robinson, Wells, Whitsett, Cabool and Miss Thelma Palmer.

Mrs. Campbell will be hostess next week.

ATTENDED GAME IN LUBBOCK

Mesdames Marshall Whitsett, Fay Westmoreland and Miss Thelma Palmer were among those attending the home-coming game in Lubbock Saturday.

Mrs. J. J. Davis and Mrs. J. D. Stewart of DeKalb arrived Wednesday to spend the holiday with Mr. and Mrs. Ora Blocker.

Eagles Lose In Hot Gridiron Battle Friday 18-13.

Fighting viciously throughout the last half of the game, a clawing flock of O'Donnell Eagles were nosed out by the Tahoka Bulldogs last Friday night by a score of 18 to 13.

Outweighed badly, the Eagles went into the game very much underdogs, but soon showed Tahoka futility they didn't intend to remain that way if it could be helped. And only a last minute, "bone" action on the part of the umpire may have been the factor which prevented the Eagles from being the winner.

With only a few minutes to play with the Eagles very much "hot", Teeter's uncorked a long pass to McLaurin in about 7 yards of the Bulldog goal line when, he crashed into the umpire, losing all chance to catch the ball. Not a single Tahoka player was anywhere close to McLaurin.

The Umpire, who probably hated it as much as anyone, was just in the wrong place for O'Donnell.

Local fandom accepted the accident philosophically, while Tahoka adherents admitted the play was inexcusable.

Others Volunteer For Army Service

In addition to the five volunteers for training under the Selective Service Act and one who was turned down by the Medical examiner, nine other registrants in Lynn county have volunteered for training during the last few days, according to Judge J. W. Elliott, chairman of the Board.

These are: Charles Philip Cloe, Arvel Dee Akin, Joe Alva White, David Hyron Willburn, William Albert Curry, George Wright, Clayton Weathersby, William Jackson Jones, and Wesley Daniel.

Jones and Daniel are colored. Jones is only 19 years of age. Therefore he had not registered for training, but he decided that he would like to go to a training camp and accordingly he came before the board here a few days ago and indicated his desire to volunteer. His parents live at Cooledge, Limestone county.

Daniel had registered but he gave his home as Washington county, and therefore his volunteer application will be referred to that board.

The seven white youths who have just volunteered are fine young fellows and are well known in their respective communities, most of whom reside near Tahoka.

Lynn county youths who recently enlisted in the National Guards but who will go into the service from or be accredited to other counties include Keith Connolly, now a student in the Texas Technological College; Joe Edwin Brown, who left Tuesday for Odessa where he had enlisted; and Robert Maddox, who is employed in Midland.

Postmaster and Mrs. J. Mack Noble and Eddie were in Tahoka Tuesday to attend the program given for the Army enlistees, one of which was Morgan Noble, nephew of Mr. Noble.

Mr. and Mrs. Bedford Caldwell and son Phillip spent the weekend in Farwell visiting Mr. Caldwell's parents.

Land Bought For 8 Lynn Farmers

TAHOKA, Texas, Nov. 18 (Sp).—Eight loans have been approved in the Regional office to purchase farms in Lynn county under the Bankhead-Jones Farm Tenant Act.

A tract of land consisting of 1040 acres to be divided into five farms located west of New Home has been approved by the county committee composed of B. J. Emanuel, R. J. Macker and S. L. Williams for purchase. The land was bought from "Dud" Arnett of Lamesa.

Claude Brown, Willie Nieman, Durwood Hancock, Bryan Milliken and Roy Williams are the families to occupy these farms. Three other farms have also been approved in the north part of the county to be occupied by Clarence Murray, James Parks and Sylvester Verkamp.

Seven sets of new improvements will be built on seven of the farms, according to the families' choice. One set of improvements will be remodeled and repaired.

The loans will be payable over a period of forty years at 3% interest. The total payments each year will be 4.326% of the total loan. These families have a choice of two ways to make their payments.

The fixed payment is merely making forty installments of a fixed amount each year, while the variable payment plan enables the borrower to get 3 years ahead or behind schedule. The amount to be paid each year is based on his net cash income. When he is behind schedule all of his net cash income shall be due and collectable each year. All eight families have chosen the variable payment plan.

THIRD ANNUAL NEEDLE WORK EXHIBIT HELD

Members of the Sew and Chatter Needle Club held open house Tuesday November 19 in the home of Mrs. S. F. Johnson on North Standifer Street.

Guests called between the hours of two and six and were greeted by Mrs. Johnson, Mesdames Olin Huff, Calvin Fritz and Hollis Hunt.

Mrs. O. L. Harris president at the guest register and Mrs. Harvey Line pinned a small turkey favor on each guest.

In the attractively decorated dining room Mesdames Claude Cheairs, W. E. Tredway and J. T. Middleton Jr. served punch, open face sandwiches and cookies from a lace covered table with Crystal Candelabra centering the table.

Mrs. Stansell Jones exhibited the

First O'Donnell Employee Called To Army Camp

First loss of an employee by a business firm in O'Donnell occurred this past week when Shag Garrett, National Guard corporal, was called to the colors.

Garrett was employed by Hoot Gibson in the trucking line, in the chemical division.

Red Cross Drive Meeting Success

TAHOKA, Texas, Nov. 18 (Sp).—Hon. Tom Garrard, Red Cross chairman, reports that contributions to the Roll Call drive are coming in satisfactorily. Partial reports indicate that \$189.00 have been contributed in four communities. A list of the contributors will be published next week.

Reports from O'Donnell, which had better than \$80.00 last week, and many other communities have not come in yet.

The following has been reported: Tahoka, \$124.00; Dixie, \$24.00; West Point, \$24.00; Wilson, \$17.00; total, \$189.00.

Mr. and Mrs. Hervey Gardenhire attended the football game in Lubbock Thursday.

Mr. and Mrs. Stansell Jones visited relatives in Quanah last weekend.

lovely prizes that were given by club members to those winning prizes on the needle work.

A lovely array of needle work of all kinds was exhibited in one room by Mrs. Roy Miles and Mrs. Loye Frazier, this included several pieces by Mrs. D. M. Conger of Farwell, formerly of this city.

Prizes were given to the best specimen of work.

About 85 guests called, several were from out of town.

Escaped Convict Is Arrested Here

An escaped Negro convict, who gave his name as Pete Jones but who had been going under the name of Oscar Williams in this county, was arrested in O'Donnell last Sunday by Deputy Sheriffs Ed Sanders of Tahoka and Con Burns of O'Donnell and placed in jail here to await the arrival of an agent of the penitentiary to transfer the Negro back to Hutsville.

The Negro had been sent to the Penitentiary from Wise county on charges of burglary and robbery for terms aggregating 25 years. He had escaped from the penitentiary on September 12. Recently he had been picking cotton near Draw.

A Mexican woman was arrested in O'Donnell last Saturday on a charge of bootlegging. She entered a plea of guilty and the fine and costs amounted to more than \$120.00, which, it is understood, she will pay.

Another bootlegger was also arrested there on the preceding Saturday and a similar fine was assessed against him.

DRAW COUPLE WAS MARRIED HERE TUESDAY

Marriage rites were read here Tuesday afternoon for Miss Fern Caswell and Mr. Boyd Barnes of Draw by Rev. Ben Hardy at the minister's home.

The couple were accompanied by two other couples, relatives of the contracting parties.

These are very fine young people and have the best wishes of hosts of friends. They will make their home at Draw.

C. L. Hafer was a business visitor in Tahoka Tuesday.

Golden Date Pudding

Broadcast by Mary Lee Taylor
December 19, 1940

2 tablespoons soft butter
2 tablespoons sugar
1/4 teaspoon salt
2 eggs, separated
1 package lemon-flavored gelatin
3/4 cup boiling water

1 cup Fat Milk
1 cup finely cut, pitted dates, or raisins, halved
1/4 cup finely cut nuts
6 graham crackers, 2 1/2 inches across

Cream together butter, sugar and salt. Beat in well beaten egg yolks. Dissolve gelatin in boiling water. Stir dissolved gelatin into egg mixture. Stir in milk. Add cut dates and nuts. Chill until mixture begins to thicken. Rub an 8-inch mold with vegetable oil. Roll graham crackers into fine crumbs. Garnish bottom of mold, if desired, with 6 pitted dates. Beat egg whites until stiff, but not dry. Fold into chilled gelatin mixture. Put in prepared mold. Sprinkle top with crumbs. Chill until firm. Serves 6.

SANTA FE RAILWAY'S NEW EQUIPMENT

Purchase by the Santa Fe Railway of 2,800 freight cars, 20 light-weight, stainless steel passenger cars and two 4,000 HP Diesel Electric passenger locomotives and 18,000 tons of 112-pound rail and fastenings, costing \$12,000,000, was announced today by President Edward J. Engel.

This is an important step in the Santa Fe's program of preparedness in connection with the National Defense program, as well as prospects for general traffic increase.

The order includes 2,000 box cars, 300 ballast cars, 250 gondola cars, 50 flat cars, and 200 hopper-bottom car.

The passenger train equipment ordered includes 20 stainless steel, lightweight passenger train cars, all to be equipped with the new Budd disc brake. The two Diesel Electric locomotives will be used in passenger service.

The Santa Fe also has on order ten steam locomotives adaptable for either high-speed passenger or

freight service and two 5400 HP Diesel-Electric freight locomotives, the first to be bought by any railroad.
The rail order, placed with the Colorado Fuel and Iron Co., Pueblo, Colorado, is the equivalent of approximately eighty track miles. This is only part of the Santa Fe's rail program, balance of which will be announced later.

MIDWAY H. D. CLUB STUDIES COOKING OF PORK

"Pork should always be cooked to the well-done stage because it may contain trichinae," stated Miss Maurine McNatt at the home of Mrs. T. M. Lockaby on November 14.
A temperature of 137 degrees F. is sufficient to destroy the trichinae, therefore an internal temperature high enough to cook the pork well done will always destroy the parasites.

The flavor is better when the pork is cooked thoroughly.

Fresh pork is well done if the meat thermometer reaches 185 F.; cured pork is well done when it reaches 170 degrees F.

If a meat thermometer is not available, fresh pork should be cooked thirty or forty minutes per pound and cured meat from thirty to thirty-five minutes per pound, depending on the cut.

Mrs. T. M. Lockaby, foods demonstrator, explained her demonstration for this year.

There were eleven members present.

The following officers for 1941 were elected: president, Mrs. Pete Curry; vice-president, Mrs. H. V. Everson; secretary and treasurer, Mrs. Rufus Slover; reporter, Mrs. H. C. Warren; council delegate, Mrs. Rufus Slover; clothing demonstrator, Mrs. Rufus Slover.

Next meeting will be at the home of Mrs. Ruth Draper.

Mrs. Jimmie Applewhite and son Jack returned home Sunday after visiting relatives in Tahoka last week.

Mr. and Mrs. Tom Brasher and son of Canyon were guests of Mr. and Mrs. John Andy Edwards Sunday.

Brownfield-Olton Game For Title

BROWNFIELD, Nov. 20. (Spl.)—Today, November 21, is a red letter day for Brownfield High School students, for today is not only the official Thanksgiving holiday in the local schools but also the day when the high school Cubs play the Olton Mustangs for the championship of District 5-A, on the Cub field.

Coaches Aubra Nooncaster and Curtis Barrett announced Wednesday that the entire squad, with the exception of James Bryan, star punter and passer, will be ready for the

Mustang game.
Throughout the 1940 season the Cubs have averaged 17 points per game, holding their opponents to an average of three points. The Cubs average for three years, since 1938, has been 20 points per game. Since the start of the 1938 season the Cubs have won 25 out of 23 games, amassing a total score of 555 points. The Cubs have been consistent winners of the south half of the district since 1927, and won the district titles in 1937 and 1938.
