Collier's Magazine Praises "Bill"—and Bill Bowled Here!

It didn't take a story in the current Collier's magazine to acquaint local bowlers with the fact that one Miss Billy Simon of San Antonio was an outstanding kegger because the lady in question appeared here one night last year and demonstrated her bowling skill.

Miss Simon (who just answered to the name of "Bill") visited here with a Big Spring contingent and rang up three games with over a 200 average.

The article in Collier's relating to the skill of women bowlers, gave much space to "Bill" and claimed she bowled in a cowboy hat and boots, but while here "Bill" wore regulation clothes and was concerned only with getting "strikes" and she chalked up plenty of those.

Eagle Cafe To Reopen Wednesday

The Eagle Cafe, formerly owned and operated by Maynard Eubanks for several years, was purchased by Loyd "Monty" Montgomery of Big Spring during the past week, and will be reopened by next Wednesday.

A number of changes in the interior of the cafe and operation will be made by Montgomery.

W. L. Maxwell, well-known throughout this section as a chef, will be in full charge of the kitchen, so Montgomery says. Maxwell was cook for Eubanks for several years.

Montgomery is no stranger in O'Donnell, having made this territory for years as salesman for "Monty's" coffee.

Local Citizens Sport New Cars

New Cars purchased recently by O'Donnell motorists include the following: L. E. Robinson, J. H. Jordan and Ralph Gary, Ford coupes; Jeff W. Lee and L. D. Jackson, Ford tudors; S. R. Schooler, Mercury tudor.

George Oates, special Chevrolet sedan; John R. Milliken, Chevrolet special coupe; W. A. Hinkle, Chevrolet special club sedan; C. H. Mansell, Chevrolet special sedan; S. M. Minton, Chevrolet special sedan.

Extensive land owner an cotton grower, W. L. Palmer, was a purchaser of a model U M-M tractor.

NEW READER FOR PRESS

The Press will go to Mr. and Mrs. Ed McKee, Star Route 1, Seagraves, this week.

The McKees formerly lived here.

Mr. and Mrs. Hal Singleton Sr. and Mr. and Mrs. Charles Hoffman and Helen Jean visited in the home of Dr. and Mrs. J. R. Singleton in Tahoka Sunday.

Dr. and Mrs. J. F. Campbell will depart this week for Rockport where they will spend several weeks.

Connally Favors Lease-Lend Bill

Senator Tom Connally in his speech in the Senate last week in favor of the Lease-Lend bill, called upon Congress to present a united front to those who would destroy democracy and free government, and a united front to those who are rallying and defending and fighting for their lives and for free governments.

Speaking as a majority representative of the powerful Foreign Relations Committee, Senator Connally said, "Powerful and militant forces now arrogantly decree the extinction of freedom and democracy wherever their armies of conquest and plunder can march, wherever their swarming fleets of the skies can fly.

"The dictators, Hitler and Mussolini, and their totalitarian governments, after conquering peaceful and neutral nations in Europe and enslaving their people, whose only crime was that they had possessions and they had freedom, have proclaimed their determination to establish a "new world order."

"The dictators speak of democracy and free government with scorn and arrogant contempt. That attitude reflects what they will do when and if they feel their arms strong enough to reach into the western world.

"Great Britain, with superb gallantry, is pouring out the blood not alone of her soldiery but of her civilian population in stemming the tide of world dominion and establishment of a new world order.

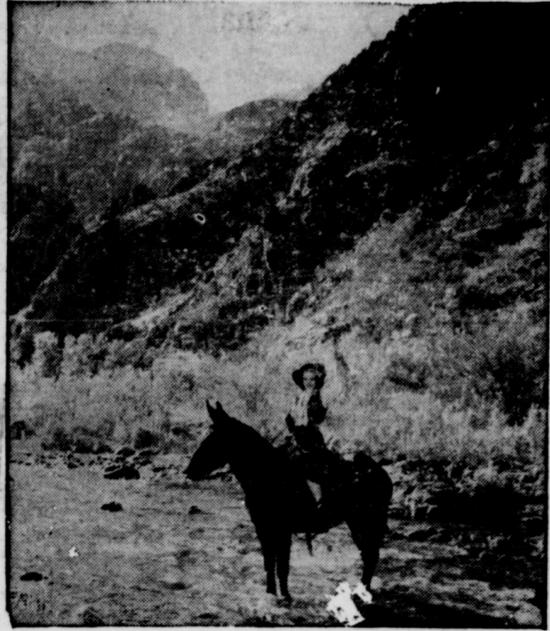

"The pending bill proposes to furnish supplies and munitions but not men, to Great Britain, and the other free governments which are resisting the aggressors."

Senator Connally in analyzing the bill disapproved the contention that the bill establishes a dictator. He pointed out that the bill (1) does not deprive any citizen of any of his American liberties, (2) it limits the actions of the President to defend the national defense of the United States, (3) it continues the control of the purse in the hands of Congress, and (4) it sets the termination date of the bill on June 30, 1943, or sooner if Congress so desires.

"We cannot be indifferent to the fate of other nations," continued Connally, "Every time a free nation goes down in ruins the repercussions cross the ocean and beat upon our own shores. Every time liberty in a nation is destroyed it weakens the fabric and the ability of every other free government to advance democracy and defend itself. I hope Senators by supporting the bill will present a united front to those who would destroy democracy and free government."

Mrs. C. L. Hafer and Mrs. J. Mack Noble were shopping in Lubbock Monday.

Mrs. W. E. Vermillion and Barbara Harris have been visiting in Midland.

Line-Lambert To Hold Food Sale

In observance of their first anniversary in business here, Cliff Lambert and Harvey Line, owners of the Line-Lambert Grocery and market, will stage a two-day food sale here today and tomorrow, with awards of appreciation to be made on Saturday in the form of "hour sales" from 1 to 5 p. m.

Line-Lambert Grocery has enjoyed an ever increasing business during the year, and part of that success has come about through the courtesy shown the buying public from the management and each employee of the store.

Only a few of the food specials to be offered are offered in the store's ad on page three—others will be found in the store conveniently placed for the customer's benefit.

Free coffee and cookies will be served throughout the day Saturday by representatives of the Red & White company.

Harmony School Scene of Play On March 14

A play, "The Path Across The Hill," will be presented at the Harmony school house Friday night, March 14. An admission charge of 10c each or 50c per family will be made.

Proceeds will be used toward the support of the school children's lunch project.

O'DONNELL MAN PLEADS GUILTY TO CHARGE

TAHOKA, Tex., March 6. (Spl.)—D. E. Harris of O'Donnell, charged with the offense of driving while under the influence of intoxicating liquor, pleaded guilty to the charge in the district court here Thursday, after having waived a jury.

Judge Reed fixed his punishment at confinement in jail for five days, a fine of \$150, and suspension of his driver's license for six months.

The offense was alleged to have been committed on August 20, at which time he was apprehended and arrested on the court house square here while apparently in a drunken condition.

The case against one Morris, charged with wife desertion, was scheduled to be called for trial today.

A special venire has been summoned for the trial next Monday of Mrs. Fannie Lee Porter, who is charged with the murder of her infant child.

THANKS . . .

Those renewing their PRESS subscriptions lately were Dr. O. H. Shepard, C. E. Ray, Floyd Thompson and Dr. J. F. Campbell.

Miss Christene Millwee returned to Abilene Sunday after a visit with her mother, Mrs. Belle Knight.

Miss Helen Cox has recently gone to Denver City where she is employed.

Robbery Case Given To Jury Late Thursday

TAHOKA, Tex., March 6. (Spl.)—The case of the State of Texas vs. D. M. Etzler, charged with robbery, which went to trial in the district court here Monday, was submitted to the jury at about 2:15 o'clock Thursday afternoon, and shortly before 5 o'clock, when this form goes to press, no verdict had been returned into court.

Etzler is charged with the kidnapping of George Knight and taking his car about July 12, 1939. Posing as a prospective purchaser of the car, he induced George to go with him in the car for a demonstration, with Etzler at the wheel.

A short distance north of the city limits on the Lubbock highway he stopped the car and got out, making some kind of excuse for doing so, and returned to the wheel with a pistol in his hand. Holding the pistol on George with one hand and driving the car with the other, he sped up the highway at the rate of 80 miles per hour, according to Mr. Knight. Passing through Lubbock without stopping, he put George out of the car a few miles north of the city on the highway, and left him there, after robbing him of \$14.00 in money. He turned his car back toward Lubbock and left.

George made his way to a near-by farm house and got a man to drive him back to Lubbock.

About two hours after the robbery Etzler was arrested in the car by officers at Tulia.

In the trial here, Etzler's attorney filed an application for a suspension of any sentence that might be imposed and sought to show by the evidence that at the time of the robbery he was suffering from some sort of mental lapse caused from an injury received the day before in an alleged fall from a freight train at Sierra Blanca. Two physicians of that city were placed on the stand by defense counsel to corroborate that theory.

The trial here elicited much interest and large crowds were present throughout the trial.

Nelson and Brown of Lubbock, representing the defendant, had first filed a motion for a change of venue and introduced many witnesses in an effort to show that on account of the general publicity that had been given the case a proper jury could not be obtained in this county. Judge Reed over-ruled this motion, however, and the case went to trial Tuesday, but much time was consumed in procuring a jury.

District Attorney Rollin McCord was assisted by County Attorney Calloway Huffaker in the prosecution.

METHODIST MINISTER WILL PREACH SUNDAY

The Rev. O. M. Addison, pastor of the Methodist Church will fill the pulpit Sunday.

Owing to illness and an operation, the Rev. Addison has been absent for several weeks.

Eight Men Will Be Called Soon

TAHOKA, Tex., March 6. (Spl.)—The Lynn County Draft board has received a call for eight more men from Lynn county, all white, to be inducted into army service on March 19. Up to this time, there have been no volunteers to fill this call.

On Monday the draft board sent out 100 additional questionnaires to registrants. This brings the total up to and including Lynn county order number 463.

A group of six men are to be sent from Lynn county to a training camp on next Monday. Up to Thursday only four men had volunteered for service and unless others offer, it will be necessary to draft two men to fill out this call.

A Negro who had volunteered and who was to have been here Thursday to fill the call for one colored man on that day from this county had not made an appearance before the draft board here at noon on that day. He had been punctual and had gone to considerable trouble, however, in keeping the board informed as to his whereabouts, and Judge Elliott was of the opinion that he had either missed connection somewhere or was trying to hitchhike his way to Tahoka and had failed to get here, as the boy had seemed anxious from the start to get into the army. He had volunteered.

The six white men who will go next Monday, will be sent from Tahoka direct to Fort Bliss, El Paso, it is presumed.

City Bakery To Move Location

Removal of the City Bakery to a new location, opposite the post-office, will be made Monday, according to Walter Teeter, bakery owner. The bakery has been located next door to Dr. J. F. Campbell's office.

"By being in a more centrally located place, where the public can visit us easier, we intend to give better service than in the past and to feature a more varied line of bakery products," Teeter said Thursday.

The public is invited to visit the bakery in the new location, Teeter also said, and all strong-armed men issued a cordial invitation to be present Monday to help with the moving of the large ovens just for the experience.

M-M Dealers Here Attend Meeting

With the entire South Plains area represented, a school of service for the M-M tractors was held in Lubbock Monday.

Those from O'Donnell were: Frank Liddell and Mr. and Mrs. Loyd Nowell, tractor dealers here; Granville Ledbetter, salesman; Harold Calgar, shop foreman; L. R. Rogers, salesman; Mrs. Rogers, Jess Long, Hulon Bolch.

WENT TO FORT WORTH

Mr. and Mrs. J. T. Middleton Sr. left this week for Fort Worth to attend the Stock Show.

Before returning they will go to Birmingham, Alabama to visit their daughter, Mrs. John H. Jewett and Mr. Jewett.

Mr. and Mrs. Don Edwards were in Lubbock Saturday.

Mrs. Alice Gibbs of Big Spring was a business visitor in the city Monday.

TEXAS CONTRIBUTIONS TO NATIONAL DEFENSE

Oil and Power

BOTH READY FOR ACTION BOTH ALREADY PREPARED

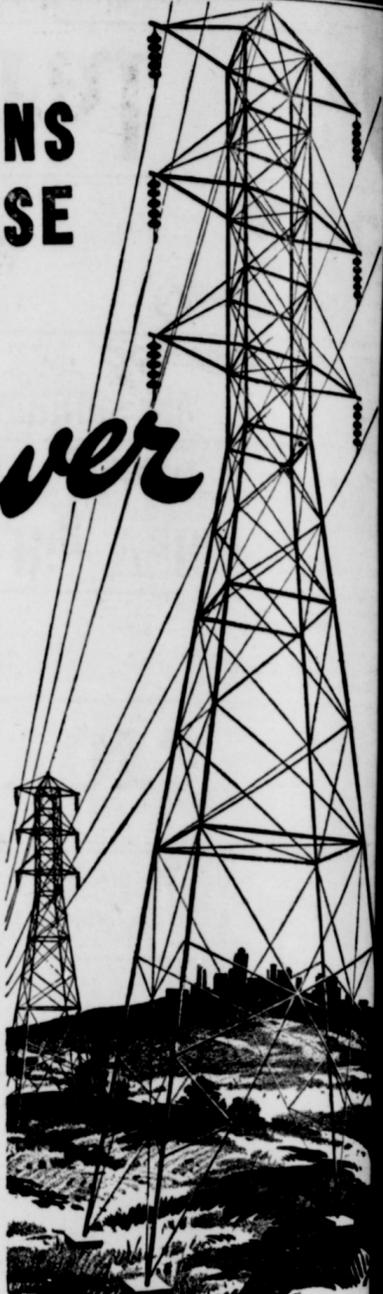

All eyes look to Texas when talk turns to national defense. Our big state is a major factor in supplying vital needs.

Texas has 52% of the nation's known oil reserves. Our great oil companies with their refineries are adequately prepared to do their part in our nation's defense.

Right now, Texas is supplying the major part of vital fuel used in defense ships, tanks and planes.

Texas Electric Service Company is proud of its part in supplying power to this great industry. Ours has to be an uninterrupted service, dependable during peace or in the big job of national defense.

Like the oil industry, the nation's electric power industry is proud and grateful that we can say: "Uncle Sam, you'll find us ready and well prepared."

BILLIONS FOR NATIONAL DEFENSE

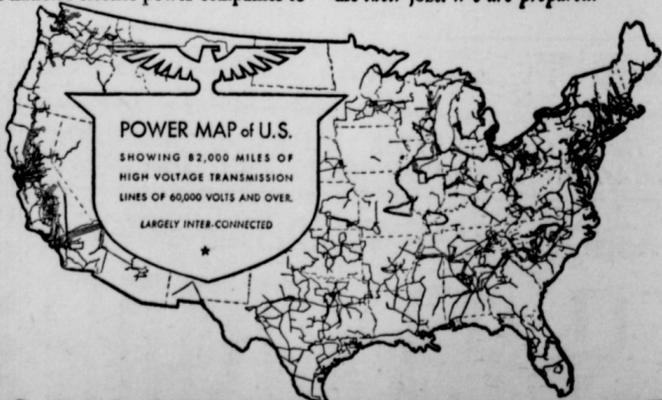

FOR SHIPS, SHELTER, FOOD, GUNS, PLANES VITAL DEFENSE NEEDS

The electric power industry in America is proud and grateful that it can say: "We're with you, Uncle Sam... Call on us... You'll find us ready with ample electric power for the big defense program."

"Fourteen billion (not million) dollars have been spent by the nation's electric power companies to

prepare us for all emergencies—peace, preferably—but for any emergency that may arise.

"We stand with you, ready to defend American rights and liberties. Use every penny it takes for meat, food, fuel, guns, shelter, ships. You can depend upon America's power companies to handle their jobs. We are prepared!"

Whooping Cough Dangers Told

What causes whooping cough? Bad weather guesses the man in the street, for the disease seems more common in the early Spring with its changeable weather. No, answers the scientist, it's caused by microbes, for whooping cough is a communicable (catching) disease.

Microbes plus carelessness, insists the health officer who knows that parents carelessly allow sick children to give the disease to others. Of the diseases with which health officials have to deal, whooping cough is one of the hardest to control. Why? you ask. It is highly contagious. It is catching during the week or ten days before it can be recognized by the "whoop." Even a physician sometimes is not allowed. Often children are allowed to play with others when they are known to be sick.

What are the facts? Whooping cough may be very dangerous. It causes more deaths than scarlet fever, and nearly all the deaths occur among babies and tiny children under three or four years of age. It goes especially hard with delicate children.

It is spread from one child to another, takes from nine to twelve weeks to develop, and remains infectious for at least four weeks after symptoms begin.

Whooping cough begins much like an ordinary cold, with a dry cough and running nose. The cough becomes more persistent and shows a tendency to occur in "spells." If, after one or two weeks, the cough becomes worse, especially at night, and vomiting follows spasms of coughing, one may look for the "whoop," an indrawn gasping breath with a scraping or crowing sound.

Do everything you can to protect children from whooping cough. Keep them away from playmates who cough or appear to have colds, especially when whooping cough is prevalent. Teach children not to put into the mouth things that others have handled. See that little hands are well scrubbed with soap and water before meals.

The doctor can do much to relieve the patient's distress if treatment is begun early. He will advise you about diet, rest, exercise, and fresh air for the youngster. Whooping cough may leave the patient run down and subject to other diseases. Have the doctor give your child a thorough going over when he has recovered. Health examinations should be continued each year.

Since there are now a number of cases of whooping cough in this county, all parents who have children with this disease should cooperate in an effort to protect others from catching it.

THANKS
Our thanks to Don Edwards, Wilbur Line, Miss Thelma Falmer, and Thurman Wells to their recent renews for the Press.

Typifying the prominence of livestock in District 2 of the A. & M. College Extension Service, Hale County 4-H Club boys in 1940 fed and shipped to the Kansas City market 142 calves and 240 lambs. This stock, which a group of the boys accompanied to the stockyards, was valued at about \$16,000. It is estimated that more than 200 calves in several South Plains counties will be concentrated and sent to market in a group in 1941.

Formby Head Of Rural Aid Body

A young West Texan who used to walk nearly three miles to a three-teacher country school has been

named Chairman of the highly important committee in the Texas Senate to handle the \$16,000,000 Rural Aid bill for 1942 and 1943. Senator Marshall Formby of McAdoo, of this senatorial district, is Chairman of the five-member sub-

committee which will handle the bill in the Senate to dish out about \$8,000,000 per year for the next two-year period.

Senator A. M. Aiken, Jr. of Paris, also appointed on this Committee Senators Clem Fain of Livingston, Claude Isbell of Rockwall, Vernon Lemens of Waxahachie, and R. C. Lanning of Jacksboro.

It is reported that all appropriation bills will be passed out of the Senate almost two months earlier than usual this year. The appropriations for the Judiciary already are ready for passage in the Senate.

Advertising Well Directed, Motto Successful Firm

DETROIT, March 5.—Thirty years of "advertising well directed" are being celebrated by the Campbell-Ewald Company during February, for it was in this month in 1911 that the company was incorporated at Lansing, Michigan.

This anniversary makes this advertising agency the oldest in Detroit, and one of the few agencies

C. L. Hafer was a business visitor in Lamesa Tuesday.

in the country to have retained its corporate identity and its directing head for so long a period.

During each of these years the company has had an average yearly billing of more than \$10,000,000, despite the fact that it did not reach an annual billing of a million dollars until many years after it was organized.

Newspapers Good Medium
A large percentage of this money has been spent each year in newspapers, for Mr. H. T. Ewald, the president of the company, is a firm believer in this medium of advertising.

"Today, the newspaper, one of the oldest mediums of advertising, continues as a truly great and powerful force to sell goods," he states, "and will continue to be a spearhead of

most advertising effort as long as it remains a free press."

Junior McLaurin Batters Out Over Dale Odam in Takoka Mitt-Slinging Tourney Tuesday

TAHOKEA, Tex., March 6. (Spl.)—Large crowds of fans, many of them from Lubbock, Slaton, O'Donnell, Littlefield, Wilson, and Plainview, attended the annual South Plains amateur boxing tournament held here Monday and Tuesday nights in which about fifty fighters participated.

Welterweight: Junior "Tech" McLaurin of O'Donnell decisively defeated his old foe, Dale Odam, Lubbock high quarterback, in a scrap that kept the crowd on its feet from start to finish.

Awards were presented the following champions of the meet at the close of the contests Tuesday night: Billy Brackeen of Slaton, 85-lb. Sammy "Mouse" Tate, of Texas Tech, 100-pound.

LaVern Roach, Plainview, district Golden Gloves champion, flyweight. G. W. White, Tahoka, bantamweight.

Burford Bradshaw, Littlefield, district Golden Gloves champion, featherweight.

Alvin McCarty, Littlefield, another district Golden Gloves champion, lightweight.

Junior McLaurin, O'Donnell, State TAAF champion, welterweight.

Tom Douglas, Texas Tech, middleweight.

Jessie Ramsey, Littlefield, fourth District Golden Gloves champion to repeat in the Tahoka tournament, light heavyweight.

Joe Albright, Texas Tech, Heavyweight.

Following are results of the fights on each night's card:

Teachers Hold Meeting

TAHOKEA, Tex., March 6. (Spl.)—Lynn County Teachers met Wednesday night at 7:30 in the Tahoka school gymnasium for the third get-together of the year.

A question-and-answer contest similar to the radio program, Battle of the Sexes, was conducted with W. T. Hanes acting as quiz master. Games of volley ball and basketball were also played. Final plans and preparations were made for the Interscholastic League Meet which will be staged in Tahoka March 21 and 22.

Teachers brought sack lunches for the picnic-style supper. The

Tahoka teachers furnished the drink.

Postal Workers Will Meet

TAHOKEA, Tex., March 6. (Spl.)—The postal workers of the Ninth congressional district and their wives are to have their annual "Get-Together" in Tahoka this year. The meeting will be held in the school gymnasium next Saturday night, March 15. About 125 visitors are expected to be here.

The local postal force, the Mayor of the City, the Rotary Club, the school, and other organizations have joined in extending an urgent invitation to all postal workers and their wives to be present.

The banquet will be served by the Band Parents, and Truett Smith will serve as toastmaster.

Lloyd Croslin, former secretary to Congressman George Mahon and now assistant county attorney of Lubbock county, will be the speaker of the evening.

Farm Meeting Will Held March 17

TAHOKEA, Tex., March 6. (Spl.)—Special consultations on farm debt problems will be available to farmers and creditors of Lynn County on March 17, 1941 in the courthouse when Peter F. Murray, district debt adjustment specialist of the Farm Administration of Lubbock makes his regular visit to this county.

This announcement was made today by Wyman J. Welch, county rehabilitation supervisor for the Farm Security Administration.

Mr. Welch said all farmers or land owners having difficulty in working out debt adjustments that will enable present operators to continue farming and take care of outstanding debts are eligible for this free and confidential service.

"Debt adjustment for both debtors and creditors", Mr. Welch said, "is a service made possible by the Farm Security Administration. Every effort is made to work out a voluntary and equitable agreement that will enable the farmer to continue his operations on a sound basis and still prove satisfactory to his creditor."

Consideration is given to all possibilities for consolidation of debts, extensions of contracts and in some cases refinancing if necessary, it was said.

Mr. Welch said that creditors and debtors may obtain complete details about this free service by contacting him at his office in the Court House.

Mrs. W. A. Emerson and Mrs. Fay Westmoreland visited in Abilene Sunday.

Lee Proctor returned this week from California where he had spent the past nine months.

Miss Evelyn Heard is in Lubbock where she is employed.

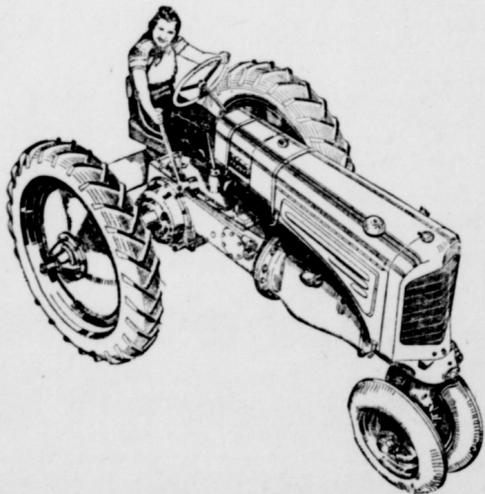

Mrs. J. W. Gardenhire of Shallowater visited her parents, Mr. and Mrs. L. T. Brewer this week.

Spring Time Is Landscaping Time

Spring time is landscaping time. Have you made your plans yet? The tenant purchase families in Lynn County are making their plans now.

You don't have to have an expert to do your landscaping. You can do many things yourself. You can begin by cleaning the yard and surroundings; make the necessary repairs on the fences, gates, doorsteps and screens; level the yard to prevent low places when water stands; and dispose of unsightly appearances.

The Tractor Buy of the Decade . . .

M-M Model 'R' Tractor

(With or without Comfort Cab) "A Model to Fit Every Purse"

The more jobs a tractor can perform, the more economical that tractor becomes. The usefulness of many tractors is cut down by the fact that they can be operated comfortably only a relatively short season of the year. Year around usefulness has a real meaning to the "R" tractor owner. Because the "R" can be operated comfortably in any kind of weather, it sets a new standard in utility and economy. Try a Cab job once and you wouldn't be without one again.

The popularity of the "R" tractor is proved by the fact that more and more farmers every day are swinging to the "R." And they are finding that it is filling their power requirements completely . . . even beyond their high expectations.

The "R" tractor is the product of MM Twin City engineers, who designed one of the two first really engineered lines of tractors over 20 years ago. Many of these original MM Twin City Tractors are still in active operation today—proof of their endurance and long life.
