One Thief Captured; Baldridge Car Stolen

Jim Brooks, 22, was captured here Sunday night by deputy sheriff John Johnson as he was taking part in a break in at the Phillips Petroleum bulk plant, and at least one other thief made his getaway, presumably in the Ford owned by the city jail.

Brooks was lodged in the city jail for the time being as officers kept up the search for the stolen automobile and others implicated in this attempted robbery. Roy Everett, local Phillips agent, had checked hastily as this is being written. More careful inventory will be taken immediately.

Officers had been watching several suspicious strangers for almost a week, and matters came to a head Sunday night when Mr. Johnson found Brooks sitting in a parked 1929 Chevrolet coupe less than a block from the Phillips plant. The turtle back was raised, apparently ready for a load. The coupe was empty of gas and oil, so that Brooks was unable to make a run for it. To insure his remaining where he was while he investigated the plant, the officer handcuffed Brooks to the steering wheel of the coupe. During his absence, Brooks managed to escape, breaking the wheel to do so, and lost himself in the darkness. Whether or not others in his party were alarmed during his conversation with Mr. Johnson remains a question. At any rate they had left the bulk plant. Officers searched several hours for Brooks, finally running him to earth in the Gulf bulk plant.

Mr. Vermillion's Daughter Dies In Wyoming

W. E. Vermillion received the sad news Thursday last week that his daughter, Mrs. Clifford Fike, had passed away at her home near Pavillion, Wyoming on May 11. Knowing that he could not reach that place in time for the funeral services, Mr. Fike did not notify Mr. Vermillion by wire, thinking best to write all details.

A ruptured artery near her heart was the cause of her death, which came quietly during her sleep. Mr. Fike had gone out to look after his sheep, cautioning his wife to remain in bed until he returned to build a fire. Their four children were asleep in the same room. When her husband returned with firewood, the little mother was gone.

Funeral services were conducted at Pavillion Thursday of that week. Mr. Fike had never visited her father here, but the letter from her heartbroken husband shows beyond a shadow of a doubt that she was a really wonderful wife and mother.

She is survived by her husband, her father and Mrs. Vermillion, her stepbrothers and sisters here, her four children and a brother.

The index joins with other friends in extending sympathy to the bereaved family.

P. T. A. Play Scores Decided Success

Witnessed by a large and enthusiastic audience the presentation of "Daddy's Little Girl" at the high school auditorium Friday evening was declared one of the best amateur productions ever staged here.

The play itself was an unusually strong one, and with four splendid comedy parts and three others full of pathos. Mrs. E. E. Gilbreath as Mamma rendered a splendid characterization, as did A. C. Hamilton as Uncle Joe. Miss Florence Gary as Rose gave the best portrayal she has ever given, and she has taken part in a number of local talent plays. Alvis Tredway, who played opposite her as Daniel also gave a fine impersonation.

Miss Glen Everett displayed marked versatility in the role of Hester, the embittered maiden aunt of Rose. Hitherto she has played light parts for only naturalness, and the serious role of Hester was startling to the eye. Miss Marye Huff as Letty, the scheming sister of Lester, her still more villainous brother, played by Glen Everett, also gave a convincing performance.

Mr. Everett looked and acted the part of the city slicker in a most realistic manner, while Charles Cathey figuratively brought down the house with his delineation of the man who held the mortgage on the old homestead. Miss Gladys Gibson in the role of Peggy, sister of Daniel, won the friendship of the audience from the start.

Bunk Best Dead, Grady Best Seriously Wounded By Deputy; Details Unknown

McKenzie Infant Buried Saturday

Funeral services for Norma Lee, infant daughter of Mr. and Mrs. L. McKenzie of the New Moore community, were conducted in the First Baptist church here Saturday afternoon in the presence of numerous friends and relatives. Rev. L. S. Jenks, pastor of the church, conducted the sad service. Interment was made in the city cemetery.

The baby was taken suddenly ill Thursday, and grew worse so rapidly that attending physicians had her carried to a Lubbock hospital where every medical facility would be available. In spite of all skill and attention, however, she passed away late Friday Friday afternoon.

She is survived by her parents, Mr. and Mrs. L. McKenzie, and two brothers, Olan and Bill Henry.

The index joins with other friends in extending sympathy to the heartbroken parents and relatives.

As we go to press Lynn and Dawson county officials are making preparations for the court of inquiry into the fatal shooting of Bunk Best of O'Donnell and the wounding of his brother, Grady Best, by deputy sheriff John Johnson of Lynn county.

The deputy in the Dawson county jail pending the outcome of the inquiry, the body of Bunk Best is being prepared for burial at Higginbotham Funeral Home in Lamesa and Grady Best is in Dunn Sanitarium not expected to live.

Only these bare details are known to the public or to officers of the two counties. B. L. Parker, sheriff of Lynn county, was notified shortly after the tragedy, which occurred Thursday shortly after noon. Witnesses are making no statement other than to District Attorney G. H. Nelson, who is on the way to Lamesa to hold the court of inquiry, so that none of the details leading up to the affair are known.

Sandstorms Rage As Rain Is Delayed

With only parts of the territory revived by beneficial rains last week, most of this section of Lynn county was still weathering vicious sandstorms the first of the week.

A heavy shower fell east of town late Wednesday afternoon, but the week accompanied by hail and did some damage to gardens and a few small chickens. Approximately half an inch fell in town according to estimates while the amount varied in other parts of the country.

North and east received heavier rain Friday and Saturday nights, the

It is rumored that the deputy and a companion were on their way to Lamesa and met the Best brothers, but the events or words which caused the shooting are unknown.

Bunk Best died in the sanitarium as surgeons were making examination preparatory to treatment, and Grady, who is said to be fatally injured below the collar bone, passing cleanly through the body in a downward path which tore a lung, is not expected to live through the night. Both have families, but were unable to secure exact information.

The deputy also has a family, his wife, two daughters, and an infant son.

Residents of both counties are shocked by the tragedy, and are anxiously awaiting a report from the office of the district attorney.

Small Grandson Dies Last Week at Munday

Mr. and Mrs. J. R. Mayo were called to Munday on Wednesday of last week by news that their small grandson, Norris Frost, was not expected to live through the night of Thursday. They arrived several hours after the little fellow had passed away.

They remained for the funeral services which were conducted at the family residence Thursday. Interment was in the cemetery there.

The little boy who had not reached his fourth birthday, is survived by his parents, Mr. and Mrs. J. E. Frost, seven brothers and sisters, and his grandparents, as well as by other relatives and scores of friends of the family.

He had just suffered a severe attack of measles, but a throat complication was the primary cause of his death. Every member of the family, especially his mother, suffered the measles during his illness, so that the sorrow of his going was further complicated by illness in the family.

The index joins with other friends in extending sympathy to Mr. and Mrs. Mayo and other members of the family.

Cemetery Work Is Planned for May 30

We are asked to announce that in accordance with a custom of many years standing, Memorial Day has been set aside here as the date for the city cemetery to be looked after by J. W. Gates, superintendent of the roads, asks that we urge every citizen of the town and territory to attend the cemetery next Tuesday afternoon, bringing a box of flowers to be placed on the graves. It is expected to spend at least a part of the afternoon in beautifying and caring for our city of the dead.

Singing Class To Meet Sunday

We are requested to again remind the public that the regular meeting of the singing class will be held at the Methodist church Sunday afternoon at 2:30 and that everyone is cordially invited to come and enjoy the music.

Several members of the class went to Post Sunday to sing at the First Baptist church there. Among those who made the trip were Messrs and Mrs. C. H. Mansell, Mell Pearce, Carey Shook and several others.

Remember the day Sunday, and the hour, 2:30, and attend the regular public meeting of the singing class.

Gulf Refining Co. Puts New Deal In Practical Operation

Here's one of the most remarkable stories, as well as one that is of special interest to all the people of Texas. Three years ago the Gulf Refining company engineers made a discovery of revolutionary importance to the oil industry. A discovery so advanced, so significant, that it made possible a finer, longer-lived motor oil than the industry had ever seen.

This discovery was an utterly new refining process—the now famous Alchor process, exclusive with Gulf. The new oil made by it is called Gulf Pride.

At first it was possible to produce only limited quantities of this new and remarkable oil. But so amazing was its quality that, utterly without advertising and publicity—its fame spread throughout the United States and all foreign nations. It came into universal demand wherever the finest motor lubrication was sought.

Gulf Pride is now being produced beyond question the finest motor oil in the world. This oil is manufactured in the Gulf Refinery in Port Arthur, Texas. It has established seventeen world records. It has surpassed every set of specifications ever issued for a motor oil, including U. S. Army, U. S. Navy and British Government.

Gulf Pride is now in demand in all corners of the earth and shipped to all points from Port Arthur, Texas, where it is manufactured.

The current extensive advertising campaign of the Gulf Refining Company now operating in Texas newspapers is stressing this oil, and, too, the fact that Gulf stations sell three grades of oil and gasoline at three different prices, ranging from the buying power of the motorist who want a low priced gasoline or oil, but wants the most possible value for the money, to the motorist who wants the very best regardless of cost.

Will you ever see it heard on the air every Sunday evening on the Gulf Refining Company program at 7:00 P. M. and Irvin S. Cobb on Wednesday and Friday evenings at the same hour. A weekly comic paper is distributed free at all Gulf stations.

During this school term she has been head of the Speech Arts department, in which capacity she has been of much benefit to the school and community. Though this will be her first experience as an instructor in literary work, it is confidently expected that she will be successful.

Joe Harrison has been principal of the Joe Bailey school, and is also well and favorably known to Lynn county folks. He comes to the school highly recommended as a teacher and is expected to be a splendid addition to the faculty.

The action of the board Saturday leaves only one vacancy on the faculty, that of Home Economics teacher.

IN SOCIETY
Recent Bride Honoree At Shower Tuesday

Honoring Mrs. Carl Richter, who was Miss Roxie Hancock before her marriage in December, more than 50 friends were entertained at the First Baptist church Tuesday afternoon when Meses, Edna Gilbreath and Harvey Line and Miss Irene Jordan were hostesses at a miscellaneous shower.

Clever invitations bearing the inscription "Showers will fall for Roxie Tuesday at the church" had been designed and delivered several days before the event, which was a complete surprise to the honoree.

The auditorium of the church was decorated in colors of orchid and green, presenting a beautiful setting for the reception. Guests were greeted and served with punch at an attractive table where Mrs. Jordan Goddard and Miss Edwyna Vermillion presided.

During a short program, little Miss Dorothy Smith gave two readings, and a group of boys and girls sang a merry number.

Gifts were presented at the end of a game, which was, of course won by Mrs. Richter. Remembrances included a wide variety of articles for her personal use in addition to those for a new home, the whole composing an affectionate tribute to the esteem in which the honoree is held by all who know her.

At the close of the afternoon, the guests were again served with punch.

W. M. S. Social Held At Line Home

The W. M. S. of the Methodist church met Monday afternoon at the home of Mrs. J. N. Line. A short program was given after which a pleasant social hour with Mrs. Line and Aline was enjoyed.

At the close of the afternoon punch was served to Mmes. Gagner, Jones, Burnett, Gates, Earles, Pierce, Simpson, Stark, Shook, Moore, Gary, Schooler, Bowlin, Brewer, Johnson, Edwards. Line—Meses Eva Dell Harris and Aline Line.

As the first half of the season draws near the finish, the High School Eagles are clinging to a precarious lead of half a game, through Tuesday's game, over Claude Tomlinson's second place Sandies.

The Eagles dropped one to the Fire Boys Tuesday while the Sandies whipped out a game over C. O. Lawler's Tigers on Monday.

Eagles 13 Sandies 5
The successing Eagles gained revenge last Thursday for two successive defeats when they won from the Sandies 13-5.

The Eagles were off to a lead in the first few innings which gradually piled up until it was never in danger.

Cecil Pearce, Eagle pitcher, held the opposing batters to four hits when his mates collected fourteen off McLaughlin's offerings.

Batteries: Eagles, Pearce and Harris; Sandies, McLaughlin and Cathey.

Tigers Defeat Firemen
Lawler's Tigers climbed another notch in the percentage column by defeating the Fire Boys 6-1 last Friday.

Van McKee duplicated his feat of the previous week by limiting the firemen to three hits. The Tigers collected six from DeBusk's tosses.

The Tigers took a lead in the first when four men scored off one hit and three errors. They added another in the fourth when Hancock walked and scored on an outfield error.

In the meantime, McKee was cutting down the opposition with clock like precision. The Tigers added their final tally in the sixth.

The Firemen scored their lone marker in the final inning when R. Line and Curtis singled in succession and Middleton fumbled Toney's grounder.

Batteries: Tigers, McKee and J. James; Fire Boys, L. DeBusk and McLaughlin.

Mr. and Mrs. Pete McMillan had as their guests Sunday, Mr. and Mrs. Archie McMillan, Foy Todd and Mrs. Lillie Mae Henderson.

Mrs. Jimmie Watson is still improving. She is expected home in a few days.

Grandma Rider spent Sunday with his daughter, Mrs. B. Smith in the Wells Community.

Miss Rebecca Schooler, who is in school at Tech, is recovering from an operation for the removal of her tonsils week before last. We are indeed glad to know that she is almost well.

Reports from Loop are that Mrs. Allen Williams is getting ready to challenge Ted Lucas as the champion cowgirl of the world, and that she is almost ready to do so now.

Mr. and Mrs. Arch Proctor and daughter Frances, left Tuesday for Christoval, where they will take the baths and treatments. We sincerely hope that they may soon return home in improved health.
