

THE O'DONNELL INDEX

O'DONNELL, LYNN COUNTY, TEXAS, THURSDAY, JULY 11, 1935

VOLUME XII

COUNTY VOTES TO ISSUE BONDS FOR CO. PARK

TO BEGIN WITHIN SIXTY DAYS

Amount Aid Will Amount To More Than \$150,000

All returns are not in from precincts of the county as being printed, we are perfect in announcing that the people of an county voted, by a huge majority, to issue bonds for the purchase of a site for a county park. These bonds will amount to \$150,000.

Results from the county wide election held Saturday were contempt for four small boxes, a possible voting strength of 1000 as compared with 55 against.

Located At Lake Approximately 560 acres of land around Tahoka lake to the west of O'Donnell will be purchased by the Texas Land and Mortgage Company.

The county has voted the bonds for purchase of the site, funds to be furnished by the Federal government for the improvement of the grounds, construction of buildings, furnishing of equipment and the upkeep of the grounds.

State Park Board officials at several months ago when this was first being brought forth as soon as possible after the issue of bonds and securing of the 560 acres will be put to work on the development of the site.

The government is prepared to loan between \$150,000 and \$200,000 on these bonds.

FOR SUMMER COMFORT AND DAINTINESS We have just received a new shipment of COTY'S perfumes...

Local Business Houses Receiving Repairs

While O'Donnell cannot be advertised as having a building boom on a number of business houses and residences have recently received or are now receiving, some small improvements.

Mr. and Mrs. C. E. Brock have just completed an addition and a south part of town, adding to the new roof to their residence in the convenience and appearance of this property.

At Blocker Grocery, which is in the Sanderson building, a big plate glass window in the south wall has this week been replaced by a double window which can be used for ventilation.

A step further down the street, Everett's Barber Shop is having the awning windows, which are usually stationary, rebuilt so that they can be raised or lowered.

Mr. and Mrs. C. C. Cabool had as their guests Thursday her parents Mr. and Mrs. Joe Haidy and daughter Angela of Borger.

April 15, 1936 \$760 \$308 \$1,068 April 15, 1937 \$600 \$270 \$ 878 April 15, 1938 \$600 \$240 \$ 840 April 15, 1939 \$600 \$210 \$ 810 April 15, 1940 \$600 \$180 \$ 780 April 15, 1941 \$600 \$150 \$ 750 April 15, 1942 \$600 \$120 \$ 720 April 15, 1943 \$600 \$ 90 \$ 690 April 15, 1944 \$600 \$ 60 \$ 660 April 15, 1945 \$600 \$ 30 \$ 630

The assessed property valuation of Lynn county in Lynn county was \$5,478,074. Using this as a basis, it would require a tax of a little less than 2c on the \$100 valuation to pay the principal and interest on these bonds the first year.

In other words a many paying taxes on \$1000 would pay 20 cents the first year and about 12 cents extra the last year to care for these bonds.

Calling

Paving Starts On No. 9 In Dawson Co.

Engineers in charge of the paving on Highway No. 9 through Dawson county, report that unless something unusual happens, pouring of the asphalt will start on the north end today (Thursday).

Road oil is being poured on the south half of the highway and it is expected that the pouring of the asphalt will begin here within the next three or four days.

During after months of preparations during which time innumerable delays caused by dry weather, washing rains and lack of funds, caused many to think that the work would never be completed.

This will be Dawson county's first paved highway and with this as a start it is hoped that within the next few years that every highway into Lamesa will be paved, as well as those roads now leading to Stanton and Brownfield that are not as yet designated as highways.

Contracts Let For South Plains Paving

The Texas Highway Commission last Thursday awarded contracts for 14.9 miles of paving on the South Plains.

Coeke and Braden, Amarillo, received contract for 10.9 miles of triple asphalt surfacing on highway 7 from Amberst to northwest of Sudan.

Paving of 5.7 miles of highway 7 from Snyder north was contracted to Brown and Root, Inc., Austin for \$12,358.

SERVICE STATION CHANGES OWNERSHIP THIS WEEK

Through a business transaction completed last week the filling station formerly owned by J. H. Hardberger and known as the Foster Filling Station became the property of W. C. Eakin.

The building is being remodeled under the supervision of Gene Lay. A complete line of candy and cold drinks will be on sale in addition to the Conoco line of petroleum products and the usual good service rendered at this place.

MAGNOLIA BULK PLANT UNDERGOING REPAIRS Paint and paint brushes have been the most important items of labor in and around the local Magnolia Bulk Plant for several days, states W. J. Sheek local agent.

The building and equipment have been given a good dose of high quality paint, a thorough clean-up, and a number of minor repairs.

Hubbers Win Three Games Last Week

Coming out of their small losing streak with a wow, the Hubbers have been mopping up on opposing teams right and left for the past two weeks.

On July Fourth, they were accompanied to Post by an enthusiastic group of fans who cheered them selves hoarse while they watched the boys win two of the fastest games they have played this season.

Taking the Post team to a nice cleaning, the Hubbers went up against the New Moore team, who had come over to tackle the winner of the first engagement. According to those who saw the game, there were plenty of fireworks for anybody's taste, and there are some few fans who still haven't swallowed their hearts since Alabama knocked a home run with three on base.

The boys added a third victory for the week Sunday when they defeated the Lubbock Hub Clothiers 12-8. This victory was all the more appreciated because it was somewhat unexpected. Due to an injury received during the act of stealing a base, Shorty Richie, alert and energetic second baseman, was not on the lineup, and will likely be out for the remainder of the season.

She is survived by her husband, one daughter, Aline, seven sons, Harvey, Martin, Roy, Wilber, Gwynn Robert and Ivan three brothers, Boss and Hugh Johnson of Sudan, and Edwin Johnson of Fairview, Okla. All were present for the funeral.

Clear Hot Weather Proves Aid To Crops Clear, extremely hot weather following light showers through out the county last week has been a boon to farmers. Many fields were so weedy from the long series of rains that it was fast becoming a serious problem to get them cleared of grass and weeds.

June was the wettest month the South Plains has had in several years and many fields were planted and ready to be harvested as three times. In most sections, the cotton and feed are very promising, and the hot weather has been of material benefit in causing them to grow rapidly.

RELATIVE OF LOCAL PEOPLE DIES IN MISSISSIPPI Mrs. Bonnie Rochelle and her mother, Mrs. Stacy, accompanied by Mrs. Rochelle's father, left O'Donnell Friday last week in response to a message telling of the serious illness of Mrs. Stacy's mother at the family home in Mississippi.

GRAMMAR SCHOOL BUILDING TO BE WEATHERSTRIPPED A special meeting of the Board of Education of the O'Donnell Independent School District, held Monday afternoon, it was decided to accept an offer from the representative of Chamberlain Weatherstrip Co., to do this work on the grammar school building.

LYNN COUNTY GET EROSION FUNDS Two South Plains counties will receive \$29,948 for soil erosion control the Relief Commission announced at Austin last Tuesday, the Associated Press said.

Mrs. Ferrell Farrington Editor \$1.50 PER YEAR—IN ADVANCE

Advertising Rates on Application

The cow, the sow and the hen, from which the farmers of this section realize more than living expenses, is a very dependable trinity.

The best way to appease ones hunger is to supply good wholesome food. When one has had a full meal, he or she is ready to perform whatever task confronts them.

The movement to mark the most historical spots in West Texas is a most laudable one and should be encouraged by all who would perpetuate the histories of the notable occurrences and places where deeds of daring and incidents of mere than passing interest occurred.

Edward LeFevre's article, "When in Doubt, Tax Twice," reminds us of the three Arkansas frogs just after a big rain.

A suggestion recently made by a noted college professor, before the Texas Geographical Society, that the "conversion of the Western Texas Plains to grass land, as a means of ending the destructive dust-storms" will meet with little or no response from those who live on the Plains.

FRIENDSHIP

FRIENDSHIP is one of the finest things in life. A good friend comes to us when we are in distress and unhappy, and without a good friend our life would be empty.

Lapsing time shows that the heating elements, wood, coal, and oil, will, at some distant day become exhausted, leaving only water power to provide agency to supply their places.

No one can live alone. Every life touches other lives. No nation can live alone. Under present conditions every nation has to do with one or more nations.

The more home owners a country has the safer it is. A home owns what good government, low taxes, good schools, churches and elevating social conditions—a safe place to raise boys and girls.

PERSONALS

Mr. and Mrs. Edward Singleton celebrated the Fourth in Post. The two children are visiting relatives in Desdemona, having gone down some two weeks ago.

Mr. Gilbert of Lamesa was here on business Monday.

Mrs. C. H. Deak has been ill most of this week, but seems to be slightly improved today.

Mr. and Mrs. Major H. Rodgers and children of Levelland visited relatives and friends here several days ago. They had just returned from San Diego, California where they attended the Exposition.

Mr. and Mrs. John A. Minor and family, Mr. and Mrs. Bert Fritz and daughter, Miss Zitel and Mr. and Mrs. Price Seesley and son spent the Fourth in Post.

J. L. Shoemaker Jr., Fred Henderson, Lewis Robinson and C. J. Beach made a business trip to Lamesa Tuesday morning.

Mr. and Mrs. Jesse Williams and family expect to leave Sunday for Rockport, where they will spend a short vacation. Mr. Williams is local manager for the West Texas Gas Co.

Mr. and Mrs. R. C. Carroll and family have been vacationing a few days at Mineral Wells.

Mr. and Mrs. C. H. Deak and three grandchildren, Bonita, Neal and Bill Sanderson, had a most enjoyable trip to celebrate the Fourth. They left O'Donnell on the afternoon of the third and drove to Canyon, going to Palo Duro canyon on Thursday. Mr. and Mrs. Deak spent the day in the park, and the children spent it in the creek, he reports. They returned via Levelland, stopping for a brief visit

with Mr. and Mrs. Major H. Rodgers and family. They report a little rain from Plainview on, and that conditions are far from favorable in that section.

Mr. John Ellis made a business trip to Lubbock Tuesday morning.

Buddy Davis made a business trip to Lubbock Tuesday afternoon.

Mr. and Mrs. Reece Hamlin of Longview are visiting her parents, Mr. and Mrs. Claude Tomlinson this week.

Mr. and Mrs. Frank Bass and daughter and Mr. and Mrs. Arvel Marley and daughter of Tatum, N. M., were the guests Tuesday night of Mrs. Bass' sister, Mrs. W. W. Hancock and Mr. Hancock. The two families left the next day for a weeks visit in Erath county.

Mr. and Mrs. George Fowler and children of Fort Worth were O'Donnell visitors last week.

Mrs. L. D. Tucker and daughter, Miss Louise, were O'Donnell visitors Tuesday.

Mr. L. G. Phillips, a pioneer citizen of O'Donnell, was taken to the Sealey Hospital at Santa Ana Monday by a son, Bill. Mr. Phillips has been suffering from stomach trouble for some months and has been under the care of a local physician. Mrs. Bill Phillips and two daughters accompanied them.

Mr. and Mrs. Charlie Shock of Miera, New Mexico, spent the Fourth here with her parents, Mr. and Mrs. E. J. Bean and other relatives and friends.

Raymond Debertport was home from Canyon for the Fourth.

Mrs. Ome Brewer and little son, Jerry, who have been visiting her parents, Mr. and Mrs. W. R. Gibson and other relatives and friends, returned to their home in Ft. Worth Friday of last week.

Mr. and Mrs. C. E. Ray, Elton Henaley, Bobby Hobson of Emory and Mr. Hobson spent the Fourth in Post, fishing and attending the ball games.

C. J. Beach and son Ralph, made a business trip to Ft. Worth the latter part of last week.

Mr. and Mrs. Guy McGill, former residents of O'Donnell, spent the 4th here with her parents, Mr. and Mrs. W. R. Gibson, and other friends and relatives.

E. D. Holman is back on the job this week after having been quite ill last week.

Miss Sylvia Robb, county home demonstration agent, and Mrs. E. I. Hill of Tahoka were in O'Donnell a short time Wednesday. They had been in Lamesa, assisting Miss Mattie Phenix, now agent for that county, with the club encampment over the second and third of July.

Mr. and Mrs. Allen Williams of San Angelo are visiting relatives and friends here this week. Mrs. Williams will be remembered as Miss Alice Thomas.

Mr. and Mrs. J. L. Schooler and little Miss Billie Frank Gibbs spent the week end in Ballinger visiting relatives.

Mrs. Sue Wilkerson left Sunday for Abilene where she will visit with her son for a few weeks. She was accompanied by Mr. and Mrs. A. W. Gibbs and daughter, Margaret and Mr. S. R. Schooler who returned Sunday night.

Mrs. J. S. Wells and Mrs. Marcus Edwards and children of Tahoka visited their son and brother, Mr. Thurman Wells and family Tuesday.

Mr. and Mrs. D. M. Poe who have been visiting their daughter, Mrs. W. E. Palmer the past week have returned to their home in Hamlin.

Mrs. Waldo McLaurin and daughter, Sammie, and Mrs. F. A. Anderson and Miss Vonceil Winfrey were Lubbock visitors Thursday.

Mr. and Mrs. Waldo McLaurin have at their guests this week Mrs. S. E. Winfrey and children of Clovis.

Mr. and Mrs. I. H. Cutler had as guests over the Fourth their daughter, Mrs. E. B. Hickey, Mr. Hickey, and their little daughter, Earnestine, all of Lingleville, and also another daughter, Miss Doyle Cutler, of the sanitarium at Stephenville. Because Miss Cutler was on active duty as nurse, their visit was cut short before very many O'Donnell people made their acquaintance. They hope to make the trip again this summer when it is hoped they will have longer to stay.

Miss Norma Ruth Vermillion has returned from an extended visit with her sister Mrs. H. L. Wallace of Pampa and Tulsa.

Messrs. Joe Safady and H. Liley of Roswell, New Mexico were guests Monday night of Mr. and Mrs. Charley Cabool.

Mr. and Mrs. C. C. Caldwell, Mr. and Mrs. C. C. Betty, Misses Beverly and Jim Ellen Wells, and George Sheffield were in Lubbock Thursday evening.

Miss Marie McDonald of Lamesa spent Sunday afternoon with her parents, Mr. and Mrs. J. W. McDonald.

CARD OF THANKS

To the ladies who entertained delegates in their homes—especially those of other churches; To the Missionary Society and the ladies of our own church for the abundant dinner Sunday;

To those who helped in any way pecially Mrs. A. J. Warren for the with our League Carnation, and essence of her building; To those who were so kind as to offer their services and to any others who helped make our rally a successful one.

We herewith extend our heartfelt thanks and appreciation. Young Peoples' Department, Methodist Church.

TRENDS FAVORABLE IN STATE BANKING

Recent Figures Indicate Large Increases in Deposits and Invested Funds

Improvement in the condition of state banks in almost every respect during 1934 is shown by statistics recently assembled by Robert H. Hansen, President of the American Bankers Association, Washover Bank and Trust Company, Winston-Salem, North Carolina, points out in an article in "Banking" published by the American Bankers Association.

Significance of Increased Deposits
It is particularly gratifying to note the increase in deposits, since it was their decline which made necessary the liquidation of investments, the calling of loans, and all the other phenomena which go under the name of 'deflation' and have brought banks so much criticism in recent years.

As for loans and discounts, they registered a slight drop again in 1934, but the rate of decline was much smaller than in previous years, which is itself in progress. Whereas the drop in loans and discounts amounted to approximately \$3,300,000,000 in 1932, and to approximately \$1,300,000,000 in 1933, it was less than \$500,000,000 in 1934.

TO FOIL BANK CROOKS
NEW YORK—The American Bankers Association Protective Committee has developed a plan of bank inspection which will help to expose bandits or weak spots in respect to attacks by criminals based on its long-established, nation-wide experience in investigating bank burglaries, holdups and sneak thefts.

BANKERS HELP
"Save the Land and You Save the Man" is the essence of a suggested agricultural program recommended by the Arkansas Bankers Agricultural Committee.

T. E. L. CLASS MET WITH MRS. HUFF

Members of the TEL class of the First Baptist Church were guests in the home of Mrs. W. T. Huff last Friday when the regular meeting was held.

Mrs. Loper conducted the devotional and Mrs. Anderson led in prayer. During the social hour which followed, a patriotic program was rendered and appropriate games and contests enjoyed.

At the close of the social hour, refreshments of sandwiches, salad, cake and iced tea were served to Mmes. Earles, Ballew, Howard, Lambert, Loper, Street, Anderson, Mansell, Vermillion, Edwards, Cummins, Hancock, Preston, Middleton, McDonald and the hostess.

MY BEDROOM PROJECT

Mrs. C. A. Bloxom, Gordon Club
The first step in my bedroom improvement project was to remodel the closet, with the help of my husband. This added much to the convenience and appearance of the room as well as being a decided help in caring for my clothing and personal effects.

The next step was the renovation of my dresser. To accomplish this, I first removed the mirror from the dresser itself, and then took the mirror from its old frame, hanging it flat on the wall over the table part. The frame was used in building my bedside table.

A very small sum of money was spent for lumber to complete the dressing table. A trip to town netted a second hand wash stand, which, when part of it was removed and the remainder remedied, made an attractive and convenient writing desk.

Slats were added to make my bed comply with the standards of the 4-H clubs, as were mattress and spring protectors. The bedstead itself was the next step. This was treated with two coats of enamel, as was the rest of the furniture in the room.

Then the daughter and myself began on the candlewick spread. With the help of another club member and her daughter, we soon had this completed and made curtains, table covers, chair covers and dresser scarf to match.

The floor had to be refinished, and this was done by filling the cracks and putting on varnish. I have enjoyed every minute of the time I have spent in improving my bedroom, and my husband and two children have enjoyed it with me.

We are very proud of the results of our work, especially of the lovely new mattress which was a part of the project.

WELLS H. D. CLUB MET LAST THURSDAY

In a business meeting of the Wells H. D. Club, held at the home of Mrs. John McLaurin last Thursday afternoon, Mrs. C. Bolch was elected delegate to the Short Course at A. & M.

Mrs. Davies was honored at a show during the social hour. Those present were Mmes. W. J. Jordan, Levi Gray, Fred McGinty, Shelby Baucum, C. Bolch, J. E. Ecker, Felix Jones, Dewey Greenwood, R. E. Townzen, Ellis Barnes, Joe McLaurin, and Miss Tempie Bolch. Miss Sibly Bolch and Mrs. Davies were visitors. Three new members were enrolled.—Reporter.

Mr. B. M. Haymes made a business trip to Lubbock Saturday.

IN APPRECIATION
I want to express my appreciation to my neighbors who came to my rescue when my house burned, and extend thanks to those who contributed so generously, to lighten the burden of loss. I am happy to live among such people. L. D. Tucker.

BREED IN FILTH AND SPREAD DISEASE

July 9.—Flies spread disease. They are reared in filth and their life make frequent trips from filth to food. Germs causing typhoid and other intestinal disorders are transported on the hairy legs of flies. These insect pests are also as having played a leading part in causing food borne epidemics and fever, stated Dr. John W. State Health Officer.

SHIPMENT OF WHEAT

Shipping to Buck Bennett, local buyer, Lamesa's second car of wheat shipped this week. Wheat going around 70 cents per bushel from 40 to 50 cars are expected to be shipped from this place. The price are estimated to average 8 1/2 bushels which is considerably good taking in account the weather that prevailed in Dawson early in the year.

MUSIC BAND TO PLAY AT OPENING OF PARK

Lamesa Municipal band under direction of Mr. Conway King Wednesday morning for celebration they will give several performances at the opening of the Cole City Park.

W. L. PALMER AND DAUGHTERS

W. L. Palmer and daughters, Mrs. Irma D. and Mrs. Faye Overland and daughter, Yvonne the latter part of last week attended the reunion at Stamford. Her parents Mr. and Mrs. D. of Hamlin returned with her on a short visit.

BANKERS HELP

"Save the Land and You Save the Man" is the essence of a suggested agricultural program recommended by the Arkansas Bankers Agricultural Committee. It leads to impoverished homes, says a statement sent to the banks to be distributed to their farmer customers. "To help you save the land, build up the soil by:
a. Stopping soil erosion.
b. Planting legumes.
c. Rotating pastures.
d. Developing pastures.
"Look ahead with confidence—know what you are doing, therefore:
1. Draw up a farm inventory.
2. Use a record book or weekly budget.
3. Budget expense, and keep within it."

I am the man who signed your birth certificate and the man who will sign your death certificate.

My life work is consecrated to serving and administering to your physical wants. Night and day, rain or shine, I am at your beck and call.

As I wend past the yearstones of life toward the eternal sunset, I am striving to be more charitable, more unselfish, more kindly, toward my fellow man.

I am the first one you think of in time of sickness, and the last one thought of in times of health.

I am not rich, because I serve suffering humanity, which embraces the poor, whom we have with us always.

I am the man who cannot pay his grocery bill, his drygoods bill, his drug bill, or in fact any bill, until I am paid by you.

I AM YOUR FAMILY PHYSICIAN.

Mrs. D. J. Bolch, No. 193

Respectfully dedicated to the interests of our local physicians, Dr. O. H. Shepard, Dr. J. F. Campbell, and Dr. A. W. Thompson through courtesy of

SLATON TO ENTERTAIN NEXT LEAGUE RALLY

Slaton will be host to the next district Epworth League rally, was held at the business session when delegates were here June 29-30. This rally will be held on the Fifth Sunday in September.

FOURTH IS QUIETLY CELEBRATED IN O'DONNELL

Ushered in with the customary fanfare of firecrackers at an early hour Thursday morning, July Fourth was otherwise quietly observed in O'Donnell.

However, scores of residents motored to other towns to enjoy celebrations planned there. The greater number, naturally, went to Post to see the Hubbers win a double-header, or perhaps win a three cornered battle would be a better way to express it.

TUCKER FARM RESIDENCE DESTROYED BY FIRE

Fire of undetermined origin completely destroyed the farm residence of L. D. Tucker at an early hour Monday morning. It has been suggested that the flames may have originated from a coal oil refrigerator, but as the entire structure was falling in when firefighters reached the scene, this was only a guess.

Mr. Tucker and a negro employed on the farm, were already in the field. Mrs. Tucker was in Roswell, N. M., with their daughter, so no one was in the house at the time the fire started.

Neighbors saw the smoke and flames from fields and farm houses and rushed to the scene, but the building was too far gone to save any part of it. Of the household furnishings, only one mattress was saved, together with an old suit of Mr. Tucker's clothing.

Friends here in town headed a list of donations to help raise for expense of rebuilding. No insurance was carried on the house or furniture.

PLAIN FARMERS RECEIVE LAST POOL CHECKS

Farmers of the North Plains last week received their cotton pool certificate checks, Lynn county men receiving a total of more than \$64,000 and Dawson county more than \$68,000.

A total of 2740 checks were received at Tahoka Monday of last week. Approximately 100 expected checks failed to arrive on that date, but most of them have been received since.

V. F. Jones, Lynn county agent, states that 68.5 per cent of the pool certificates were sold. The remaining 31.5 per cent may be returned or they may be placed in a special pool in which case they will sell at 5 cents per pound.

The lot received in Dawson county at the office of county agent Joe Williams represented the second payment on the cotton exemption certificates. The checks received in Lamesa on Monday of last week also. The first lot had arrived on the preceding Friday, and had amounted to something like \$8,000.

COURT HOUSE SINGERS WILL MEET IN LAMESA

We are asked to announce that the Dawson County Court House Singing Convention will meet in Lamesa on Sunday, July 14. The all-day meeting to be held at the county court house. Our information did not state in which room of the building the meeting will be held, but we presume it will be easy to find.

Plans are being worked out to make this one of the most successful conventions of its kind ever held in Lamesa. We are informed, and that scores of out-of-town singers have been invited. We understand that a number of local people are making plans to attend and take part.

BAPTIST CHURCH

Sunday school at ten o'clock. Our lesson next Sunday morning will be "Tithing—What Have and Why."

We are urging all members of our church to test God and see if He will fulfill His promise to pour out blessing upon us. In addition to the tithes and offerings into His storehouse, Malachi 3:10. Wont you be ready to sign a covenant to do so this next Sunday morning and let us with one accord on the First Sunday in August begin to bring the Lord's tithe, on the Lord's Day, into the Lord's house, and put into the Lord's treasury?

When we announced, last January, said Mr. Holler, "that knec-tion" would be optional equipment at a small extra charge, I underestimated the hold that the improved suspension had already taken on the motoring public. I gave out a statement estimating that 90 per cent of the purchasers of the Master de luxe cars; in April 96.3 per cent; in May 98.7 per cent; and in June 97.5 per cent.

This percentage is based on figures for sales beginning with March. Before that, we were not in heavy production on conventional axle Master models. In March, 97.2 per cent of our orders were for knec action cars; in April 96.3 per cent; in May 98.7 per cent; and in June 97.5 per cent.

NAZARENE CHURCH NEWS

Mrs. Pearl Kerton, Pastor
The public is reminded that on next Monday evening, July 15, the Male Quartet from Bethany-Peniel College will be with the local congregation, and will present a concert at the church. Everyone has a cordial invitation to come and enjoy this program, which will begin at eight o'clock.

In the absence of the pastor, who was unable to fill her appointment because of illness, both worship services last Sunday were conducted by her father, H. J. Bingham of New Lynn, assisted by her sister, Miss Geneva Bingham. Both services were much enjoyed.

All regular services will be held at the usual hour next Sunday, and everyone will find a hearty welcome. Come and worship with us.

NEW RECORD IN DEEP DRILLING

The deepest well in the world is in Upton county, Texas, recently "bottomed" at 12,785 feet which is 1409 feet deeper than the next deepest in Kern county, California. The drilling of the No. 103 McElroy to 2.42 miles below the surface broke other records besides depth, there being a deviation of only one degree from the perpendicular at this great depth.

It was spudded in March 21, 1933 and was therefore more than two years in drilling. Due to the hard formations penetrated, six inches was often a day's work.

A 10,301 foot string of 7-5/8 inch casing, was set in eighteen hours this being another record. The bottom temperature of the hole is 182 degrees, though it is said higher temperatures are found in some shallower wells in the district.

Mrs. R. O. Miles and daughter, Dorothy Allen have returned from a visit with her mother, Mrs. F. O. Allen of Big Spring. Merle remained for a longer visit.

Mrs. Faye Westmoreland and Miss Hester Gates resumed their studies at West Texas State Teachers College at Canyon Monday morning after a visit with home folks.

Mr. and Mrs. E. T. Wells spent the Fourth in Brownfield and Slaton.
