ADVANCING INTO THE FUTURE—BOOSTING, BUILDING, BENEFITTING

O'DONNELL, TEXAS, FRIDAY DECEMBER 7, 1939

For the Best Interests of O'Donnell and Lynn County

ROTARY ANNS BANQUETED

Honoring the Rotary Anns, members of the O'Donnell Rotary club staged their first annual Christmas banquet in the dining hall of the Donnell Hotel Tuesday night. Only a short, but snappy, program was presented. B. M. Haynes, president of the organization, acted as toastmaster in the absence of president Marshall Whitsett, who was ill at his home. Following the invocation by the Rev. J. M. Lunsford, the welcome address to the Anns was given by Norman John H. Crawford, with response by Mrs. J. Mack Noble. The song, "Jingle Bells," was sung by those present, and was followed by a reading by Mrs. Lunsford. Mrs. Shook sang three popular numbers, with accompaniment at the piano by Mrs. Newell Hughes. A menu of fruit cocktail, turkey and dressing, giblet gravy, salad greens, beans, spiced apples, candied nuts, English potatoes, fluffed potatoes, cranberry sauce, celery, hot rolls, fruit cake and coffee was served.

HAL SINGLETON SE. ILL.

The condition of Hal Singleton Sr. was reported as slightly improved Wednesday.

Mr. Singleton has been in a Lubbock hospital for the past week.

VISITED IN SWEETWATER

Dr. and Mrs. J. F. Campbell were in Sweetwater for an annual Thanksgiving day dinner.

Mrs. Campbell's sister, Mrs. J. M. Harper of Gatesville accompanied them home for a visit.

Ferris Nowell who attends A. C. in Abilene visited here last weekend.

New Service Is Introduced For Christmas On Special Delivery

"Mail your Christmas packages early", again warns Postmaster J. Mack Noble. And insure them, he adds. Even better service is planned for the public this year by postal authorities, the postmaster claims, and a special feature has been introduced in the handling of special delivery packages. You may now secure special delivery service and have the package held back until Christmas eve or morning if you prefer, regardless of when you place it in the mails. This service is to be keyed throughout the United States, but early mailing will insure that your packages are well-handled and are among the first to be taken care of in the rush.

H. C. STORY ANNOUNCES FOR ASSESSOR

Announcement of his candidacy for the office of assessor-collector of Lynn county was made to the Press this week by H. C. Story, former county clerk who did not make a race two years ago in accordance with his promises to the voters when he asked for the clerk's office. Mr. Story is well-known throughout this territory, and his services as an official has been commended by many.

"In making my announcement for the office as Assessor-Collector of Lynn county," he says, "I am fully aware of the responsibilities of the office. But with my six years office experience in the County Clerk's office, I feel that I am qualified to take care of the duties of the office of Assessor-Collector.

"In my race for County Clerk in 1936 I made the statement that if elected I would not run again in the promise, when the time came around I stepped down and out. Now I am asking you citizens of Lynn county for the office of Assessor-Collector with the view of stepping up to a higher office.

"I promise you I will endeavor to make you an efficient officer." H. C. has served Lynn county capably in the past. He has taken active part in Tahoka and Lynn county affairs, and his character and integrity is not questionable. His record is well known to nearly everyone in Lynn county. He expects to contact every voter possible during the coming months preceding the July primary, and in the mean time the voters may give his candidacy consideration.

ASSOCIATION MEETING TO BE AT ROPEVILLE
Members of the Baptist Association are invited to a meeting to be held in the Ropeville Baptist Church Wednesday Dec. 13.

Mr. and Mrs. Grant Winston and Judith were in Lubbock Saturday.

RED CROSS IS 'OVER THE TOP' IN O'DONNELL

"Over the top" on O'Donnell's Red Cross quota was again announced this week by Rollin McCord, county roll call chairman, who praised the work of S. F. Johnson and C. H. Doak, local leaders. With a quota of \$150.00 for this city, workers' memberships amounted to \$167.00, so McCord said.

Johnson replaced Doak as local chairman this year, although the latter, who was in charge for the last decade, served as assistant, and was instrumental in the good work done. The victory signal was also flashed for the Draw community where \$42.00 was raised under the leadership of Mrs. John Berry. Draw had not been assessed a certain amount to raise, and the sum secured exceeded expectations of many.

O'Donnell and Draw were the only two whose totals have been fully reported to McCord.

The drive for 1939 memberships will close next Saturday night, as the roll call chairman declares, and those wishing to join should leave their money at the First National Bank in O'Donnell, or mail to Tom Garrard, county chairman of the Red Cross at Tahoka.

Slightly over \$400.00 in memberships is the sum estimated collected to date for the entire county, which had been given a quota of \$525.00 for 1939.

VISIT IN HAMLIN

Mr. and Mrs. W. L. Palmer went to Hamlin Thursday where Mrs. Palmer will visit her mother, Mrs. N. M. Poe.

Mr. Palmer will go to Winfield to accompany his sister Mrs. W. A. Emerson here for a holiday visit.

BOWLING LEAGUE

Showing no quarter, making "pin action plus," the Corner Drug bowlers accomplished the trick no other team has been able to do—capture two out of three games from the Whitsett pillrollers—and thereby brought the league leaders in easy reach of other teams.

The twin killing was accomplished Monday night, and the victory was earned, even though the victors won by only one pin in the first game and lead by only eight pins for the three games. The Corner Druggers just "bore down in the clutch" and made every pin count.

Rummage Sale Is Slated; Boy Scouts Sponsor Affair

A rummage sale, which will put forth everything emaginable for purposes of sale, is slated for Saturday in O'Donnell, with members of the Rationless patrol of local Boy Scouts doing the "rummaging" for money. All money collected will be used for scout purposes.

LUBBOCK VISITOR HONORED FRIDAY

Mrs. Paul Morris of Lubbock was honored last Friday when her sister, Mrs. Harvie Jordan was hostess to an informal bridge party.

In games, Mrs. Fred Henderson won high score prize, Mesdames J. Mack Noble and Charlie Cathey won slam prizes. Mrs. Morris was presented guest prize.

Pumpkin pie with whipped cream and coffee was served. Guests were other than the honoree, Mesdames J. Mack Noble, Fred Henderson, Guy Bradley, William G. Forey, Charles Cathey, Marshall Whitsett and J. W. Davis.

CLARK GREENWOOD ILL.

Clark Greenwood is in a Lubbock hospital where he was taken last week.

His condition was slightly improved Wednesday.

FROM CALIFORNIA

Mr. and Mrs. Sam Singleton and Sam Jr. and Ann arrived Monday morning from Fresno, California.

They were called here by the illness of Mr. Singleton's father, Hal Singleton Sr. who has been ill the past ten days.

COURT OF HONOR IS SCHEDULED MONDAY NIGHT BY SCOUTS

A court of honor will be held here next Monday night by the local troop of Boy Scouts. First and second class, star and life honors will be bestowed.

Mrs. Glenn Lee and two children of Marlow, Oklahoma are here this week, having been called by the illness of her father, Hal Singleton Sr.

Mr. and Mrs. J. W. Gardenhire of Shallowater visited with her parents, Mr. and Mrs. L. T. Brewer this week.

FARM VOTE IS SET FOR SATURDAY BY GOVERNMENT

The Agricultural Adjustment administration arranged through local farmer committees today to set up polling places for a grower referendum Saturday on its proposal to continue marketing quota restrictions on the 1940 cotton crop.

The AAA issued the following questions and answers on its control program:

What is the marketing quota of a farm?
The marketing quota is the producer's share under the crop law, of the market available for American cotton. The quota is calculated for an individual farm on the basis of (1) the normal or actual production (whichever is the greater) of the cotton acreage allotment, plus (2) any cotton on hand from a previous crop that would not have been subject to a penalty if it had been sold in 1939.

If the 1940 cotton acreage allotment is not exceeded, will any penalty be incurred?
No, the farmer who stays within his acreage allotment can sell all of the cotton he produces without penalty.

What will be the penalty for selling 1940 cotton in excess of the farm marketing quota, if quotas are approved at next Saturday's referendum?
Three cents a pound on the excess cotton sold.

Do all farms have to pay the penalty on cotton produced in excess of the farm marketing quota?
No. The penalty does not apply to cotton produced on any farm in 1940 which has received a cotton allotment and on which the production in 1940 is 1,000 pounds of lint cotton or less. However, if the marketing quota is 900 pounds, and the farm produces 1,100 pounds, 200 pounds would be subject to penalty if sold.

Who is the national cotton acreage to be allotted farmers in 1940?
Approximately 27,000,000 acres, about the same as in 1938 and 1939.

If 37,000,000 acres are planted, how many bales may be expected?
About 12,000,000 bales, with average yields for the past five years 724 pounds of lint.

After the national cotton allotment has been divided among states and counties, how will the county allotments be apportioned among individual farms?
The same method used in 1939 will be used in 1940. The county allotment for each farm is a fixed percentage—uniform for the county—of the farm's cropland, excluding the acreage formerly devoted to the commercial production of tobacco.

Although I have sold the Palmer-Implement Co. to Mr. Applewhite, I will be at that office each Saturday until further notice, and will appreciate it very much if all outstanding accounts can be settled quickly.

All persons with whom I have outstanding accounts are urged to come in and consult with us at one relative to said business.

W. L. PALMER

exceptions and special provisions as follows:

(1) Farms for which the allotment would otherwise be 5 acres or less will have an allotment of either less than 5 acres or the highest cotton acreage planted and diverted from cotton in 1937, 1938 or 1939.

(2) No allotment will be larger than the highest cotton acreage planted and diverted from cotton in any of the past three years.

(3) Regardless of other provisions, no allotment will be less than 60 percent of the 1937 planted and diverted cotton acreage, provided that the allotment is thereby increased to more than 40 percent of the farm's cropland.

(4) A small reserve may be allotted to farms that would otherwise have an allotment of 5 acres or more.

(5) A small acreage reserve is available for new cotton farms.

What benefit payments may cotton producers receive in 1940?
Producers who comply with 1940 farm program will receive soil conservation and price adjustment payments. The soil conservation payments will be 1.6 cents a pound on the marketing quota. The price adjustment payment rate has not been determined.

Three cents a pound on the excess cotton sold.

Mrs. A. C. Neal of Clarendon visited in Gardenhire home here this week.

Mrs. Pearce formerly of this city returned to his home in Post Wednesday after a business trip here.

TO THE PUBLIC:

Although I have sold the Palmer-Implement Co. to Mr. Applewhite, I will be at that office each Saturday until further notice, and will appreciate it very much if all outstanding accounts can be settled quickly.

All persons with whom I have outstanding accounts are urged to come in and consult with us at one relative to said business.

A NOTED EDUCATOR
Speaks...

Dr. Homer P. Rainey, President of the University of Texas, has analyzed Texas' future possibilities in repeated public address. These statements express his thought:

- "The next stage in the progress of Texas lies in the development of our great industrial and commercial possibilities."
- "A program of industrial development centers around the manufacture of raw materials into finished products."
- "American industry is moving closer to its raw material sources. We in Texas can capitalize on this movement if the opportunity is grasped."
- "Our great highway development, coupled with industrial progress, will greatly aid the Texas farmer in his marketing problem."
- "The best measure of the importance of an enterprise is the employment it creates and the income it produces."
- "Our need for increased employment requires the keenest intelligence in solving the problem. Our boys and girls must be trained in highly efficient schools to meet the growing needs of farm and business."
- "Our Universities are dedicated to a program of scientific training and research which will create employment and build industry to use our raw materials at home."
- "Repeated failures did not stop our hardy pioneers in the building of our present empire. The same spirit must prevail for a successful future."

The Texas oil industry recognizes the soundness of these broad principles. They underlie present employment and provide for expanded future employment for our Texas people. The vital part oil plays today in putting these principles into actual practice will be portrayed in a series of advertisements to follow in this publication.

This advertisement paid for by various units of the industry and sponsored by

TEXAS MID-CONTINENT OIL AND GAS ASSOCIATION

Betty Crocker KITCHEN CLINIC

Prepared by Your Newspaper—Betty Crocker Home Service Department

AN EASY FRUIT CAKE

Several years ago, when we were conducting a recipe contest, we received a letter from a woman out in South Dakota telling us that she was sending her fruit cake recipe because the cake was so popular among her friends. She explained that she lived in a small town where she could not get many of the ingredients called for in most fruit cakes. She went on to say—"It always seemed to me so many ingredients are required in most cakes, that the ordinary housewife would hesitate to try it on account of the expense." That sounded very interesting to all of us, and we watched the making of her simpler fruit cake with especial interest. And when it came from the oven, it was indeed beautiful to behold—a lovely golden brown—and so very moist and tender, too. It was filled with whole nuts, large pieces of luscious fruits—and it had the most delightful flavor! Then and there it received the prize, as the best fruit cake entered.

Then just to satisfy ourselves, we checked carefully on the expense. We found that the two loaves we made had cost us exactly \$1.66 each, according to the prices for food at that time in Minneapolis. That meant for the two \$3.32. Now that is a reasonable price for fruit cake as you know if you have priced them in any of the stores.

The name of the cake is Whole Nut Fruit Cake—because the different kinds of nuts used are filled in whole pieces. Here is the recipe:

- Whole Nut Fruit Cake**
- 1 lb. seedless raisins (2½ cups)
 - 1 lb. dates (2 cups)
 - ¼ lb. citron (¾ cup)
 - ¼ cup walnuts
 - ¼ cup pecans
 - ¼ cup Brazil nuts
 - ¼ cup almonds
 - 1 cup shortening
 - 1 cup sugar
 - 3 eggs
 - 2½ cups all-purpose flour

The first thing in making a fruit cake is to prepare the fruit and nuts. It is always best to "plump" the raisins. This means washing them in warm water, then draining them and spreading them out on a pan, covering them and heating them slowly in the oven until the wrinkles come out. Then pit the dates and cut them in large pieces. Cut the citron, leaving the pieces quite large but very thin. Leave the nuts as large as possible—although the Brazil nuts will need to be cut in at least two pieces. With the fruit and nuts already here are the directions for mixing this fruit cake:

Cream the shortening, add the sugar gradually, and cream thoroughly. Blend in the well beaten eggs. Sift the flour once before measuring, then sift the flour, baking powder, salt and spices together. Mix 1 cup of this flour mixture with the fruit and nuts. Add the remainder to the creamed mixture—alternately with the milk and egg syrup (which have been stirred together). Blend in the wine (or fruit juice) and the vanilla. Stir in the fruit and nuts. Pour into 2 loaf pans 3 inches deep and 4½ by 8½ inches (measured across the top) which have been lined with 2 thicknesses of paper that are well buttered. Bake for 2 hours in a slow oven at 275° F. The oven should be preheated so that it is slightly more than 275° F. when you put the cakes in. If you have a regulator—keep it at 275° F. for the entire baking time.

One special precaution. Because of the large pieces of fruit and the whole nuts—you will need a very sharp thin bladed knife to cut this cake evenly.

SOCIETY

MRS. HAVER WAS CLUB HOSTESS

In her home on East Eighth Street Mrs. C. L. Hafer was hostess to Tuesday club members this week. Vases of chrysanthemums decorated the entertaining room where three tables of bridge were played.

Mrs. J. Mack Noble won high score prize. Mesdames Harvie Jordan and L. E. Robinson won slam prizes.

At the tea hour a tempting salad plate with sandwiches, coffee and ice box cookies was served.

Two guests, Mrs. G. B. Johnson and Miss Jim Ellen Wells played substitute hands.

Members were Mesdames Newell Hughes, Fred Henderson, L. E. Robinson, E. T. Wells, Guy Bradlev, Pauline Campbell, J. Mack Noble,

Harvie Jordan, William G. Forgy and Miss Thelma Palmer. Mrs. Fred Henderson will be the hostess Tuesday.

KIRKLAND-HARRIS NUPTIALS IN CLOVIS

Miss Melba Harro, youngest daughter of Mr. and Mrs. Elliot Harris of this city and Charles Kirkland were married Thanksgiving day in Clovis, New Mexico.

The single ring ceremony which was read at five p. m. was witnessed by the bridegroom's mother, Mrs. Dorice Kirkland and other members of the family in her home. The bride was attractively dressed in a wine colored ensemble.

Mrs. Kirkland was graduated from the local high school in 1938. She was a popular member of her class, listed among her school activities were: pep squad leader, class reporter, manager of the girls' basketball team and business
