

# The O'Donnell Index

O'DONNELL, LYNN COUNTY, TEXAS, FRIDAY, SEPT. 16, 1927.

NUMBER 51.

## Hum of Cotton Gins Can Be Heard Daily

The hum of the cotton gins can be heard daily. The seven gins O'Donnell have all undergone extensive repairs and are in first class condition as the 1927 cotton crop is to move.

The fleecy staple has been moving most few days more briskly than most optimistic had anticipated. Another few days the gins of O'Donnell will be running full time. However, most of the cotton that is ginned was planted before the rains and will be practically ginned before the late crop begins to move.

A large percent of the late cotton is making fine and is expected to be a fair yield.

Mr. Whitaker who lives about six miles south of town has perhaps the most cotton than any other man in this section during this year. He reported having ginned fifty-two bales to date, none of which had been sold Thursday.

### DISTRICT COURT OPENS SEPTEMBER NINETEENTH

(From Lynn County News)

The district court will convene in Tahoka on Monday, September 19th. At this time a grand jury will be empaneled by Judge McGuire to investigate violations of the law, and district attorney Price will assist this body in their investigations.

The names of sixteen men have been drawn from which the grand jurors are to be selected. The list is as follows:

Jim Bannister, Tahoka; W. R. Bartley, New Lynn; R. L. Beattie, Draw; J. P. Bowlin, O'Donnell; J. K. Calloway, Tahoka; R. C. Carroll, O'Donnell; C. O. Carmack, Tahoka; J. M. Noble, O'Donnell; L. H. Moore, Slide; Walter May, Wilson; J. H. Smith, New Home; J. A. Loyd, Dixie; John Standeford, Wilson; George Lightfoot, Pride; Jack White, Petty; Earle Morris, Southland.

District Clerk Happy Smith states that the criminal docket promises to be rather light but that there are quite a number of civil cases to be tried. Petit jurors have not been drawn for the first week of the term and this time will be devoted to non-jury cases. Jurors for the second, third, and fourth weeks have been drawn as follows:

Shook.

### CHILD RAN OVER BY TRUCK WEDNESDAY

The young son of Mr. and Mrs. Mainus of the Draw community sustained serious injuries Wednesday morning when it was run over by a truck. The child was rushed to O'Donnell where Dr. Campbell administered treatment. The child's back was almost broken which caused serious bodily injuries.

Mr. and Mrs. J. W. Carson of Gonzales county are visiting their daughter, Mrs. H. L. Hohn. Mr. Carson claims the distinction of being the oldest settler in Gonzales County, having spent seventy years of his life there. He is seventy-eight years young and has witnessed many changes in the development of the county during his three score and ten years as a resident.

Mr. and Mrs. C. M. Cox and son Perry were up from Crane over the weekend. Mrs. Cox and Perry will reside here during this school term in order that Perry may attend the O'Donnell schools.

## Oil Test Almost To Contracted Depth

Work is steadily going forward on the wildcat test eight miles southeast of O'Donnell which is being drilled by the Penn Drilling Company and so far has not caused any undue excitement. Thursday morning they were drilling at 3325 feet in a red sand.

The contract calls for only a 3500 foot hole and it is expected the contract will be completed by the last of the week provided the drillers experience no unforeseen trouble.

Efforts are being made to induce the Penn Drilling Company to sink another test about three miles north of the present location. Mr. Penn is expected to arrive here today and inducements will be offered for another test.

### NEVELS NUMBER ONE SPURRED IN TUESDAY

Nevels No. 1, situated near the west line of the county just north of Loullyn, was spurred in Tuesday morning, according to F. M. Gill of the Maudlin Drilling Co. This well is being drilled by the Elpo Oil Company.

The drillers at the Kingsland well have been under-reaming, preparatory to lowering the casing and going on down with their standard rig. Mr. Krause says that this well is down now about 2100 ft. instead of 2300 ft. as indicated by previous reports.

J. A. Hart of the Hart Oil Co. is here again with a crew of workmen and states that this company is preparing to resume operations at an early date, on Edwards No. 1, four miles west of town.—Lynn County News.

### FOSTER'S FILLING STATION BUILDING TOURIST PARK

Geo. D. Foster, owner of Foster's Filling Station, has begun the erection of a modern tourist park which is located on the lots just back of his filling station. Mr. Foster says the park will be made modern in every respect and will be of sufficient size to care for the tourists. Modern cottages with water and lights will be built and shade trees will be planted around the park.

### T. A. WIMBERLY OPENS SANDWICH SHOP THURSDAY

T. A. Wimberly has been busy the past week remodeling the building just back of Sanderson's Service Station and installing fixtures preparatory to opening a sandwich shop and confectionery. Mr. Wimberly says sandwiches of all kinds, hot dogs and hamburgers will be served just like you love them.

### A CORRECTION

In the issue of September 2, the Index carried a story which stated that Miss Alta Rodgers had been appointed by Mayor Wilder to represent the "Spirit of O'Donnell" at Abilene when Col. Chas. A. Lindbergh arrives there on September 26th. The name should have read Miss Leta Rodgers. We are very sorry this error occurred which was through no fault of ours and we gladly make the correction.

Mrs. T. J. Gibson, Sr., of Winnsboro, Texas, is visiting her daughter, Mrs. W. H. Crunk. Mrs. Gibson is enroute home from a summer visit in The Dalles, Oregon.

### CITY COUNCIL LETS GAS FRANCHISE AT TAHOKA

The City Council at its regular meeting Monday night acted favorably upon the application of the West Texas Gas Company, a subsidiary of the Prairie Gas and Oil Co., for a franchise to furnish gas for fuel purposes to the citizens of Tahoka. The basic rate for residences is 67 1-2 cents per thousand cubic feet of gas, for industrial purposes, 45 cents.

The franchise ordinance requires the Company to begin the work of laying its mains not later than May 1, 1928, complete the mains not later than November 1, and be prepared to serve gas to consumers by December 1st.

Franchises have already been granted this company by Midland, Lamesa, and O'Donnell. This company will supply practically all the towns of the plains with gas. Most of the cities north of here, including Lubbock and Slaton, will be connected up before cold weather comes. The West Texas Gas Company has its principal offices at Amarillo and the gas will be supplied from the Panhandle oil and gas fields.—Lynn County News.

### MORE THAN 100 BALES OF COTTON GINNED TO DATE

Up to Thursday of this week more than one hundred bales of cotton of the 1927 crop had been ginned by the seven gins in O'Donnell. The rains of Wednesday retarded picking. Most of the fleecy staple which has been ginned is being held for higher prices. Business has been greatly improved by the early movement of the crop.

### LUBBOCK BOOSTERS WILL BE HERE TODAY AT 11:45

Below is a letter from the Panhandle South Plains Fair Association in regard to their visit to O'Donnell on Sept. 16, which is self-explanatory:

Friday, September 16, the citizens of Lubbock will visit you at about 11:45 o'clock in the morning on their annual Friendship Tour of this section, advertising the Panhandle South Plains Fair which will be held September 27th, to October 1st, inclusive.

As stated above, we hope to reach O'Donnell by 11:45 o'clock, but the conditions of the roads and other matters will of course govern our promptness and we will endeavor to phone you just when to expect us.

We will have with us the Lubbock High School band, and a stunts committee, and will feature a program that we think will be entertaining to both adults and children. We will carry souvenirs for the children, as well as other advertising matter, and hope that it will be possible for your school children to meet us on our arrival.

Mr. and Mrs. R. O. Stark who have been away on an indefinite leave of absence the past two months, returned to their home in this city Thursday, and Mr. Stark is again back on the job as agent at the Sante Fe station.

## Is It Possible On Difference of 7 Cents?

### CITY TAX RATE FIXED AT \$1.30

At a meeting of the city council Monday night the tax rate for the city was fixed at \$1.30 for each \$100 property valuation. This is the same rate that was assessed last year. The property valuations were slightly reduced this year and it was thought for some time that it might be necessary to raise the rate but the council decided Monday night that it would undertake to make ends meet without a raise in the rate.

At this meeting of the council it was decided also to have both of the city standpipes repainted.—The Lynn County News.

Perhaps the mysterious writer that appeared in the Index last week who voiced his opposition to voting bonds for the purpose of building a water system for O'Donnell will do well to smoke that in his pipe. In his article of last week he concluded with these remarks: "We are a new community with our possibilities in front of us, and I think we should profit by the mistakes of the heavy burdened, tax-laden, towns of the earlier settled part of our state, and not tax the opportunity of successful business, free from the excess expense of things that will be worn out and gone before they are paid for."

Tahoka may not be what the mysterious writer would term an earlier settled town. Be that as it may, the editor of the Index will scatter a few flowers in speaking of our neighbor and county capitol. It is apparently one of the cleanest little cities we ever visited, modern in every respect, and one in which prospectors will want to live. Their modern improvements include everything that will be found in the heavy burdened, tax laden, earlier settled towns. They have a modern water system, sewerage, and paved streets, hundreds of modern homes with beautiful lawns and shade trees.

O'Donnell has neither a water system, sewerage or paved streets. Consequently, there isn't more than

half a dozen lawns in town and very few shade trees, none of which can be grown without water.

Tahoka's city tax rate has been set at \$1.30 the same as that of last year while O'Donnell is paying \$1.23 which only a difference of seven cents. Tahoka is paying for her modern improvements and enjoying them at the same time. Besides paying for the modern improvements for which she is taxed only seven cents more than O'Donnell, she is saving thousands of dollars in excessive insurance rates. O'Donnell property owners are spending thousands of dollars every year in excessive insurance rates, taking the risk of sustaining a total loss of property by fire because of no protection, and at the same time being denied the pleasure, comfort, convenience, protection and increased valuation of property such modern improvements would add to our city. We are paying for such improvements whether we have them or not. Would it not be better to have them? Would it not make of O'Donnell a better place in which to live? We are living in a progressive age. We must either progress or die by having the life sapped out of our town by our progressive neighbors. To stand idle is to go backward. No town can grow and prosper unless it keeps step with the march of progress.

O'Donnell needs a water system for a thousand reasons. If the voters of O'Donnell want to see the town die, then vote down every public improvement and some day fire will break out in some of our empty business houses and wipe the town off the map, blow the ashes off the Cap Rock, and then there will not be any taxes to pay except on the lots upon which once stood prosperous business concerns. The public square would then be suitable for the planting and growing of more cotton.

Boost for water bonds and when you have the opportunity vote for them. A thing that is good for a town is good for every individual.

### Mystery Girl To Drive Car Blindfolded

Maxine, the Mystery Girl, who is to appear at the Lynn Theatre, Saturday, Matinee and night, will demonstrate her ability to see the blind-folded. Using one of the greatest known forces, the Sub-Conscious Mind to guide her through her difficulty and uncanny mental feats, seeing through the mind with greater ease than the average individual with their physical eyes. Even carrying out the extreme feat of being able to read magazines and newspapers, looking into the future and solving your baffling problems. Mr. Mullins the manager of the Lynn Theatre feels proud of being able to secure this act for a performance here as it is undoubtedly one of the most unusual, thrilling and entertaining that the people of O'Donnell will have the opportunity of seeing for some time to come. It is a psychic marvel that is unexplainable by the leading educators of the country. Maxine is being presented by Mitchell, Mystic Psychologist. In conjunction with her appearance here Maxine will drive a car through the principal streets of the city Saturday afternoon at 2:30 o'clock while blind-folded.

Watch for her!

### MEETING AT O. K. SCHOOL POSTPONED UNTIL SUNDAY

The meeting which was to have been held at the O. K. school house last week was postponed until next week. The meeting will start Sunday evening and the preaching will be conducted by Rev. W. K. Horn and Rev. W. L. Henderson of this city.

### "IF I WERE A FRESHMAN" WILL BE MOODY'S SUBJECT

Lubbock, Texas, Sept. 15.—"If I were a Freshman," will be the subject of Governor Dan Moody's address to the first year students of Texas Technological College Sunday afternoon, September 18th at 3:30. The public generally has been invited to attend and it is expected that the Tech gymnasium which seats 4,000 will be filled to capacity.

The Governor's address will be the culminating event of the three-day freshman orientation period. Indications are that the enrollment will be materially larger than last year.

### E. M. YEATTES ERECTING MODERN STUCCO HOME

E. M. Yeattes who lives ten miles west of town has begun the erection of a modern five room stucco home on his farm. Work was started on Monday morning of this week and Mr. Yeattes expects to have the building completed before cold weather arrives.

### Sky Juice Covers O'Donnell Territory

Sky Juice fell in great gobs over a large section of the O'Donnell territory on Wednesday afternoon and night. The heaviest precipitation being reported west of town which reached as high as four inches in places. In O'Donnell the precipitation amounted to two inches. East and northeast of town only a light shower was reported.

Most of the farmers believe the moisture will be of great benefit to the country in general, they claim it will mature the late feed and will greatly benefit the young cotton provided it does not cause worms to begin working.

### POULTRY CULLING

As we all know this time of year is the best for going through your hens and getting rid of the non-producers.

With the co-operation of the Club women and others who are interested we plan to have one culling demonstration in each community of Lynn County during September and October.

Our plan is to have all interested poultry raisers attend at least one culling demonstration. Those who will go home cull their own flocks, the culls, then at a later date culls can be sold.

Time and places scheduled culling are as follows:

- September 14, A. M.—Lynn—H. J. Bingham.
  - September 15 P. M.—New Home—H. R. Minor.
  - September 16 A. M.—Draw—C. C. Johnson.
  - September 19 P. M.—Midway—I. M. Draper.
  - September 21 P. M.—T-Bar—L. Moore.
- Will make other announcements later.
- Millie M. Halsey, C. H. D. A.

### HIGHWAY GARAGE ENLARGING DRIVE-IN STATION

The Highway Garage owned by Haney & Earls, is doing some improving this week. The business has grown until they found it necessary to enlarge their drive-in station. The front of the old garage building is being cut back fifteen feet which will be added to the drive-in station. They will also add three additional gasoline pumps to take care of their increasing business.

**NEWS FROM THE  
O'DONNELL SCHOOLS**

**SENIOR NEWS.**

At last the Seniors have launched  
their ship and are ready to sail, with  
the following officers to the vessel  
we hope to have a pleasant and suc-  
cessful voyage.

President, Mildred Bowlin; Vice-  
President, Pauline Hamilton; Secre-  
tary, Hester Gates; Reporter, Flor-  
ence Henderson; Sponsor, Miss Rice;  
Committees have been appointed to  
suggest our motto, class flower, and  
slogan.

We as a class are aiming at high  
standards, and we shall try to set an  
example that our under classmen  
will be glad to follow.

It seems that when a lass gets to  
its senior year it is small in number.  
Our class has grown smaller each  
year by students dropping out of  
school, or by failures.

Members of the Senior Class are:  
Mildred Bowlin, Gordon Slaughter,  
Hattie Faye Gardenhire, Florence  
Henderson, Hester Gates, Lorene  
Fletcher, Pauline Hamilton, Maggie  
Wilson, Juanita Parker, Raymond  
McLaurin, Will Edd Treadway, Leon  
Veazey.

**JUNIORS.**

At recent meeting of the Juniors  
Class, in which twenty seven mem-  
bers were enrolled, the following of-  
ficers were elected:

Truett Hodnett, President; John  
Vermillion, Vice-President; Irma D.  
Palmer, Secretary-Treasurer; Flor-  
ence Gary, Reporter.

The selected class colors are pur-  
ple and white, the flower, violet, and  
the motto, "Success Awaits at Labors  
Dor."

With Mr. King as sponsor, we feel  
that the future contains bright pros-  
pects for the Junior Class.

**SOPHOMORES**

The Sophomores are proud to have  
the largest class in school this year.  
We have about 40 enrolled and are  
looking forward to great success.

Our class is represented in the  
football team by more members than  
any other class.

We had our class meeting last  
week and elected our officers. They  
are as follows:

Katherine Aylor, President; Cath-  
ey Morrison, Vice-President; Eva  
Tune, Secretary; Beverley Wells,  
Treasurer; Walter Gastor, Class Re-  
porter; Miss House, Sponsor.

**FRESHMAN CLASS NEWS**

The Freshman Class had a call  
meeting Wednesday for the purpose  
of organizing the class. The follow-  
ing officers were elected: President,  
Monroe Holman; Vice-President,  
Eula Bell Miles; Secretary, Louise  
Miles. The class has an enrollment  
of about forty and they have lots of pep.

**Dramatic Public Speaking.**

Friday, September 9, 35 stu-  
dents of the O'Donnell High School  
organized a Dramatic Public Speak-  
ing Club. Each member showed a great in-  
terest and enthusiasm and we believe  
they will do their part.

At this first meeting of the Club,  
the only thing done was the election  
of officers. Hester Gates was elected  
president, Mildred Bowlin, vice-  
president, Haze Burke, Secretary,  
Truett Hodnett, reporter.

The club is under the able spon-  
sorship of Mr. Rickard, Miss House  
and Mrs. Smith and we feel that that  
will make a success of this move-  
ment.

**GLEE CLUB**

Last Thursday afternoon a Glee  
Club was organized for high school  
girls and boys. Officers for the year  
were elected. We also considered  
plans for the work. We hope to  
have an active club, and to do some  
real hard work.

**LOW THIRD**

Miss Alta Rodgers.  
There have been twenty-four pu-  
pils, nine girls and fifteen boys, en-  
rolled in the low third grade. None  
of us are having to stay out on ac-

count of cotton picking. We are  
all working hard.

We have chosen Mrs. R. O. Miles  
as our room mother. We are going  
to enjoy having her with us as often  
as she can be with us.

**HIGH THIRD**

Miss Palmer.  
The High Third has a full room  
this year, there being thirteen girls  
and eighteen boys. We have a  
number of pupils out picking cotton,  
but are in hopes that they will be  
back in school in a few days.

**SECOND GRADE**

Mrs. Edwards.  
We have thirty one pupils enrolled  
in the second grade. Two pupils are  
out picking cotton. We are all glad  
to be in school again and we are  
studying hard.

**Miss Millwee Room.**

We have eighteen high first pupils  
and fourteen low second in our room.  
We have all found our work to be  
very pleasant.

We have elected Mrs. Sanders as  
our Room Mother.

We have enrolled 34 pupils in the  
fourth grade. Very good work has  
been done. But we hope to do much  
better in the future.

Mrs. A. W. Gibbs.

**FIFTH GRADE ROOM**

All the pupils in the Fifth Grade  
are glad school has started and are  
doing good in our work.

There are twenty-three in the low  
section, and nine in the high section.  
Vernon Cook is having to stay out of  
school on the account of picking cot-  
ton.

Thornton was absent Friday be-  
cause he went to Lubbock to have  
his tonsils removed but he was able  
to come to school Monday.

Friday we organized a Literary  
Society and elected Veda Shumake  
president; Sidney G. French, secre-  
tary, and Kimmie Lee Pearce, re-  
porter. It will help us in our school

work and we can do better, too.  
Reporter.

**FIRST PRIMARY**

There are 35 enrolled in this room  
with regular attendance.

The room has chosen Mrs. Jeff  
Musick as Room Mother and we are  
hoping to have her with us often.

**RHEUMALAX**

**MISSIONARY SOCIETY OF METHODIST CHURCH**  
 The first meeting of the P. T. A. of this term of school was held at the school auditorium Wednesday, September 14, at 4 P. M.  
 A splendid crowd was present to enjoy the program and to assist in the business arrangements for the year. The meeting was opened by prayer by Mrs. Harvey Everett. Mrs. Vermillion told us of the "Purposes and Aims of a P. T. A." Mrs. Paul Gooch addressed us on "Why a P. T. A." both talks were very interesting.  
 The next meeting will be Sept. 30 at 8:00 P. M. o'clock in the High School Auditorium, which will be a social meeting, and a means of getting together and trying interest more people in this splendid work. Every parent is urged to come.  
 Meeting was closed by prayer by Mrs. Ben Moore.  
 Mrs. O. R. Davis returned to her home Wednesday afternoon from Lubbock where she underwent an operation for appendicitis. She is doing nicely.

**TEXAS ELECTRIC SERVICE COMPANY**

**Can you afford to spend 25¢ a week to save 50¢?**

It is reliably estimated that it costs on the average \$20 per year for removing carbon from a six-cylinder motor. This does not include the cost of necessary repairs due to the wear and tear which carbon causes.

That's why you save money when you use Conoco Ethyl Gasoline even though it costs 3c more per gallon than ordinary gasoline. It costs you about 25c more a week—\$13 a year—but it saves you double this amount by reducing carbon removal and wear and tear bills. Isn't that wise economy?

**TO HOLDERS OF SECOND LIBERTY LOAN 4 1/2 PER CENT BONDS**  
**EXCHANGE OFFERING OF NEW TREASURY NOTES**

Second Liberty Loan bonds have been called for payment on November 15th next, and no interest will be paid after that date.  
 Notice is given of a new offering of United States Treasury notes, in exchange for Second Liberty Loan Converted 4 1/2 per cent bonds. The new notes will be dated September 15, 1927, and will bear interest from that date at the rate of 3 1/2 per cent. The notes will mature in five years but may be called for redemption after three years.  
 Interest on Second Liberty Loan Converted 4 1/2 per cent bonds surrendered and accepted in exchange will be paid to November 15, 1927. The price of the new issue of notes, is 100 1/4. Holders surrendering Second Liberty Loan Converted 4 1/2 per cent bonds in exchange will receive, at the time of delivery of the new notes, interest on such Second Liberty Loan Converted 4 1/2 per cent bonds from May 15, 1927, to November 15, 1927, less the premium on the new notes issued.  
 Holders of Second Liberty Loan Converted 4 1/2 per cent bonds who desire to take advantage of this opportunity to obtain Treasury notes of the new issue, should arrange with their bank for such exchange at the earliest possible date, as this offer will remain open only for a limited period after September 16th.  
 Further information may be obtained from banks or trust companies, or from any Federal Reserve Bank.

**BEN MOORE PLAYS SANTA CLAUS TO INDEX FAMILY**

So long as the editor and family are able to retain such good friends as Mr. and Mrs. Ben Moore, they will not suffer from hunger. On Tuesday morning of this week Mr. Moore drove into town with his car loaded with roasting ears and took pity on the editor and family and left on our front porch an armful of nice roasting ears just from the patch for which he has our sincere thanks. Come again Mr. Moore.

**NOTICE TO THE PUBLIC!**

We, the undersigned physicians of Tahoka, O'Donnell, Wilson and Post have met and organized a "Physicians Scientific and Business League." The purpose of this organization is to discuss subjects of scientific interest to the medical profession and to the public; and to adopt a system of uniform fees, also some effective cooperative method of collecting the same. Believing that the doctor is just as much entitled to his pay as the Banker or Merchant, we have agreed that those owing us for medical services in the past, and who have not made any settlement, or any arrangements to have their accounts carried, should do so within a reasonable time if they expect further service and credit. Some people will patronize one Doctor for awhile and when he wants his money they change and impose on another doctor for awhile and not pay either. We have decided to inform each other of this kind of patron, and keep each other posted in regard to him.

We would like to advise the public that cash is expected for confinement cases, unless other arrangements satisfactory to the Doctor has been previously made. We necessarily must have some cash to keep our expenses up. As confinement cases are expected several months in advance one can arrange to have the money or can arrange beforehand with the doctor for credit. Other kinds of cases arise often without notice and of course we can make allowances for them. But a doctor bill is due when the case is dismissed, and we naturally and justly expect some kind of a settlement. If the account is carried it is done only as a matter of accommodation.

However we do not wish to be unjust to anyone and will give plenty of time and make any other allowances, the circumstances in any individual case seem to justify. If you are strictly Charity we will take care of you without pay, but if you own and operate a car, or if you pay other bills we expect you to pay your doctor bill.

This notice is not intended to apply to our good pay patrons, but only for those who are inclined to forget the doctor after they get well.

**TEACHERS OF O'DONNELL HIGH MET SEPTEMBER 11TH**

The teachers of the O'Donnell High school, who are members of the Baptist church met Sunday morning, September 11, 1927 for the purpose of organizing a teachers class. The class will include teachers, ex-teachers and their husbands. Great interest was aroused by the entire class. The following officers were elected: Mr. Rickard, teacher. Miss Rice, assistant teacher. Mr. King, president. Mrs. Street, 1st vice-president. Mrs. Smith, 2nd vice-president. Miss Sorrels, 3rd vice-president. Miss Leta Rodgers, sec-treas. Mr. Roy Smith, reporter.

**ADULT MISSIONARY SOCIETY OF METHODIST CHURCH**

Monday P. M. at 4 o'clock the Adult Missionary Society met at the Methodist church in a Mission study lesson under the splendid tutorship of Mrs. Jno. Randall. A very pleasant hour was spent. We were very sorry to have Mrs. Randall resign as Mission Study Superintendent. Next Monday is Voice Program Day. The hope to have a better attendance at the next meeting.

**J. H. YARBROUGH CAUSES EDITOR TO SMILE**

J. H. Yarbrough who lives just east of town played the part of the Good Samaritan on Saturday afternoon of this week. He caused the editor to smile gratefully when he dropped into our office with a load of fine roasting ears which were grown on his farm. The corn was of the June variety and as fine as ever grew anywhere. The feast was greatly enjoyed for which we extend our sincere thanks to Mr. Yarbrough.

Mrs. John Earls left Tuesday for Mineral Wells where she will remain for a few days for the benefit of her health.

**POULTRY CULLING DEMONSTRATION**

# OUR AIM

To Please You

Since again entering the business life of O'Donnell we have met many of our old friends made during the time we were with the Corner Drug Store and were glad of the opportunity of renewing old acquaintances. We invite all our old friends who we haven't met and the entire citizenship of this community to come in and see us. Make this store your headquarters when in town whether you need anything in our line or not.

When in need of anything in the Drug Line, think of the O'Donnell Drug Company. We carry everything in stock that will be found in an up-to-date drug store. Our aim will be to please you. No sale will be complete until you are entirely satisfied.

Our prescription department is in charge of a Registered Pharmacist who has had twenty years experience which insures you of competent and efficient service at all times.
