Local Talent Fills in For Lions Program

When the Lions club met Tuesday noon at the Methodist church, they were faced with a conspiracy on the part of Curtis Sewell and Boyd Taylor. Finding themselves with no out-of-town speaker, the two Lions put their heads together and decided to use strictly local club talent to furnish the program.

Promising the Lions a heavy penalty if they failed to make a speech or sing a song, Sewell proceeded to appoint his program chairmen. They were Master of Ceremonies, Boyd Taylor; Master Tail Twister, O. R. Kelly with assistance from Pete Guthrie and Dutch George; Time Keeper, Dr. C. J. Simpson.

The Lions responded with surprising good nature and some ability. Carroll Duke was awarded the prize for the finest dissertation — two cigars.

A more serious tone will be injected into next week's program, with Buck Voyles in charge.

The tin building west of the W. C. Probst Service Station is being torn down to make way for a new modern building. Mr. Probst owns the property and expects to have a new place the town will be proud to have on the highway.

Nolen Home, Rexall Drug, Grass Fires Keep Fireboys Busy

A rash of grass fires has popped out in the brittle foliage and grass in and near Iowa Park, which has kept the Iowa Park Volunteer Fire department busy. Chief W. A. George reports 29 or 30 fires extinguished the past two weeks.

The weatherman doesn't offer the firemen much hope of rest. To date the forecast is for more dry weather.

In addition to grass fires, there have been others. Firemen at 4:00 Sunday morning were battling a garage fire in the rear of the Miles Hines house, which is occupied by Mr. and Mrs. Tom Watt and children. The garage was saved from total destruction.

Most serious of the losses to date was the fire which destroyed the O. B. Nolen home in Valley Farms, last Saturday afternoon. Firemen went quickly to the scene of the fire, but the home was completely burned. Reported cause was a small bathroom wall heater. The Nolen's suffered a heavy loss in household furnishings and clothing.

Another fire which could have proved disastrous was the one which started in the heating flue of the Rexall Drug Store. The flames apparently started between the roof and ceiling of the second floor, and smoke pouring from between the brick walls gave first warning of the fire. Location of the blaze made it difficult to reach. A great amount of smoke filled the store and firemen worked three hours before the flames were completely extinguished.

Damage to the merchandise and building was estimated at \$1,000. Prompt and efficient action of the fire boys prevented a much greater loss. The help of citizens in moving and caring for merchandise held the loss down. It was greatly appreciated.

A grass fire at the home of R. B. Buzbee spread quickly to his out-buildings and threatened the Geo. R. Huckaby place next door. Firemen saved the Huckabys from any damage except a charred fence and trees. But two good outbuildings were lost at the Buzbee place.

Wednesday afternoon a fire in the W. F. George pasture north of town burned for several hours before it was controlled by the fire department. Two houses in the path of the flames were saved. Many of the fire boys say this was the worst fire of its kind they have yet encountered.

Rev. Hill to Speak at Thanksgiving Service Wednesday Evening

The annual Community Thanksgiving service for Iowa Park will be at the First Methodist church Wednesday, Nov. 22 at 7:30 p.m., according to Rev. Kirk Beard, who will be in charge of the worship service.

Rev. Ray T. Hill, pastor of the Church of God, will deliver the sermon.

Special music will be furnished by the Modern Music Study club and members of the various church choirs. Among the musical selections to be given are the "Battle Hymn of the Republic" and a special musical arrangement of "Lincoln's Gettysburg Address."

A thank offering will be taken which will be turned over to the community chest.

Other ministers participating in the service will be Chester Gleason, James N. Easterwood and M. C. Yeargan.

An interesting coincidence in connection with the musical number "Lincoln's Gettysburg Address" is that this November 19th it is exactly four score and seven years ago that Lincoln delivered the address which has made famous the phrase "four score and seven years ago."

Mr. and Mrs. Chauncey Weiler report an exciting weekend spent in Dallas. They attended the SMU-A&M football game. Friday evening the Weilers were joined by their son Bill, a freshman at A & M. He was in Dallas with the corps from school. Miss Patsy Mitchell met the Weilers, Saturday and attended the game with them.

Victory Dinner Slated Tuesday by Christians

Monday evening, Nov. 13, the regular board meeting was held at the Iowa Park Christian church. O. R. Owens, chairman, conducted the meeting. John B. Barbour, chairman of the stewardship committee, submitted a budget for the fiscal year for consideration by the board. Members of the committee who drew up the proposed budget are John Barbour, Dr. Gordon G. Clark, Jimmy Don Bates and Miss Tirzah Portis.

The board accepted and approved the budget and resolved to canvass each church member during this week. This campaign is to be climaxed with a Victory Dinner at the church next Tuesday evening, Nov. 21. Arrangements are being completed this week for smoked turkey and all the Thanksgiving trimmings. The entire membership of the church is urged to attend.

Freeman Is Annual C.C. Banquet Speaker

This year's version of the annual banquet of the Iowa Park Chamber of Commerce was in the limelight this week as it was revealed that Dr. Alfred H. Freeman, pastor of the First Methodist church in Wichita Falls, will deliver the principal address.

Pres. Alan W. Berry, in making the announcement, pointed out that the banquet, scheduled for Dec. 1 at 7 p.m., will again be held at the school cafeteria.

Dr. Freeman, whose two decades in the ministry have included work in several states, assignments to

gatherings of churches in England and Holland, is one of the Southwest's leading religious figures and a sought-after speaker. President Berry said.

Tickets for the banquet may be purchased at \$1.50 each from any member of the ticket committee. This group, under direction of Taylor George, began operations this week and is expecting enthusiasm for the 1950 event to reach a new high.

Additional details on program features will be announced next week, according to officials.

Band Rates High in Wichita Falls Contest

On Tuesday, November, the Iowa Park school band entered the Region 10 marching contest at Wichita Falls, held in Coyote stadium. The band was in competition with Henrietta, Archer City and Holliday in Class B. By winning first place, the Green and White musicians under direction of Thomas B. Taylor holds honors for two consecutive years.

The last football game for this season will be at Archer City, Friday, November 18. As this is the last time the band will march between halves at a football game this year, supporters of the Iowa Park routers to go to Archer City and back up the team and the band.

John B. Barbour was host to the board of the Christian church and members of the stewardship committee Wednesday evening. He served an informal supper on the back lawn to O. R. Owens, W. D. Sawyer, A. L. Reed, T. M. Clark, Hallie Chastain Jr., George R. Huckaby, Rollins Woodall, E. L. Hartfield, Jimmie Don Bates, Dr. Gordon G. Clark and Rev. Chester E. Gleason.

Hawks Overtake Lead of Chillicothe Team, Win by 27-13 Score

Fans who braved the cold winds to watch the Iowa Park Hawks in their conference game with Chillicothe last Friday night were treated to one of the best and most exciting games of the current season.

Chillicothe got the jump on the Iowa Park team and scored 13 points before the first half was gone.

Just before the end of the second quarter Robert Nolen faded back and flipped a high hard one to Ben Huckaby, who was going full speed goalward. Ben took the ball in one hand at a time and scurried across for Iowa Park's first center. A short time later Eugene Parish drove over the double line and with the two successful conversions, Iowa Park pulled into the lead before the half was called.

The second 24 minutes were full of hard fought football with Iowa Park having the stronger defense and offense, scoring twice more while holding the Panthers without a point.

Iowa Park's third and fourth touchdowns came on plunges by Leroy Weiss and Mickey Sewell. Three successful conversion attempts brought the final score to 27-13.

District play ends Friday night at Archer City.

Recent visitors in the home of Mr. and Mrs. R. G. Bancroft were Mrs. G. W. Anderson and son of Vernon, W. F. Curlee and family of Holliday, Mr. and Mrs. F. O. Norsworthy of Wichita Falls, R. L. Curlee and family of Big Spring, Mrs. Glenny of Byers and Mrs. Alice Allen of Iowa Park.

School Corners Get Movable Stop Signs

STOP signs have been installed at the intersections at the front of the Iowa Park school block and the public is warned that Mayor Fenton Dale and Marshal Henry Jones intend that motorists STOP for them.

Many drivers have been noticed who do not take these new signs seriously and merely slow down at the corners. The penalties that go with running stop signs will be assessed against all drivers found guilty of disregarding these STOP signs, according to Jones and Dale.

SANTA CLAUS NORTH POLE

Dear Santa Claus, The children of Iowa Park's trade area want to know if Santa Claus is coming to see them this year.

Sometimes we reply: "We think so." Sometimes we say: "We hope he is." But that doesn't seem to satisfy them. They want a definite answer and from the way they look at us, the answer had better be "Yes."

We know the fix you are in this season of the year, but seeing the fix we are in, won't you please write us definitely that you will be here?

The official opening of our Christmas Town Party is on Saturday, December 2, and we would be ever so happy to have you time your visit for 3:00 o'clock that afternoon.

Yours very truly
The Iowa Park Chamber of Commerce.

Mr. and Mrs. Clyde E. Mayo were here Thursday to get her mother Mrs. Scott Morris to go with them on a trip to Norman, Okla., for the weekend.

Nocona Men's Choir To Sing Here Sunday at Methodist Church

Members and friends of the Iowa Park Methodist church will have a special treat Sunday evening, Nov. 19, when the Men's Choir of the Nocona Methodist church presents the sermon in song.

The choir was started four years ago this month with 14 men who met together only because they enjoyed trying to sing. It has grown to a membership of 31 and the Iowa Park program will be the 41st given away from their home church. All who have heard the men marvel that they can do so well when there is not a trained voice or a man who can read music in the whole choir.

Program to be given here is as follows:

Processional.
Theme song: Sing and Smile and Pray.

Scripture and Prayer, Rev. Kirk Beard.
Congregational hymns: Day Is Dying in the West (44); Take Time to Be Holy (251).

Choir: Others; God's Way; and O Tender Shepherd.

Congregational hymns: Sweet Hour of Prayer (302); Work for the Night Is Coming (293).

Prayer time by the choir: Have You Prayed Today? My Prayer; The Lord's Prayer.

Piano solo: Count Your Blessings. Special: God Understands.

Choir: On Jordan's Stormy Banks; Nearer My God to Thee.

Congregation: Now the Day Is Over (53).
Benediction.

Threefold Amen.
Personnel of the choir includes: J. C. Davis, Tom Shorty, Jess Harrell, M. M. Gilbert, Weldon Lunn, Reese Morris, Marvin Parr, Robin Rutledge, Claude Sewell, Bill Stander, J. C. Horn, True Barbee, Rev. Walter Zimmerman.

And Clyde Beasley, W. D. Hearn, Doyle Powell, Don Peterson, L. C. Stander, Wellard Shackelford.
The pianist is Mrs. Ruth Haralson; director, Mrs. Billie Lunn.

I.P. Voc. Aqs

Midwestern university agriculture department recently presented the vocational agriculture boys of Iowa Park a 100 pound registered Hampshire gilt. This gilt will be owned by the FFA chapter and will be put in a pig circle.

Clayburn Lindley is taking the gilt on the pig circle proposition in which he keeps the gilt until she farrows, then returns a registered pig like he received. At that time the older gilt or sow becomes his.

We are appreciative of the fact that Midwestern university is taking this much interest in our FFA and vocational agriculture work at Iowa Park.—Buddie Johnson.

City Improvements Nearly Completed

Mayor Fenton Dale reported this week concerning the Sewerage and Water Plants: "The city's sewage disposal plant is having its equipment installed this week. It is now well near completion, with a large part of the sewer line laid."

"Out at the water plant, most of the concrete work is completed, so the rest of the work will go much faster. I think it is safe to say that 80 per cent of the work is finished."

Citizens of Our Town appreciate the progress being done on both these undertakings. They are necessary to the growth of Our Town and deserve your full support. Officials of the city and water district invite you to go out and take a look at both projects.

Iowa Park Couple Celebrates Silver Wedding Anniversary

Mr. and Mrs. R. W. Davis celebrated their silver wedding anniversary Friday, Nov. 10, at their home 518 East Park. Their only daughter Mrs. Carl Davis planned, prepared and served the 6:00 dinner in honor of her parents.

The cake was a thing of beauty and delicious to eat. The flowers added much to the joyous occasion. Everyone present went home with something to remember for quite a long time.

Those who were present to congratulate Mr. and Mrs. Davis on their good fortune were Mr. and Mrs. R. G. Bancroft, Mrs. Carrie Smith, Mrs. W. H. Means, Mr. and Mrs. Carl Davis and little daughter Sheryn Kaye.

\$4,000 Budget Set By Chamber Officers

At the meeting last Thursday of the directors of the Iowa Park Chamber of Commerce, they adopted a budget of \$4,000 for 1951. Last year the budget was \$3,500. The directors are optimistic in their plans for putting into effect the 1951 Program of Work, and are looking forward to an active and successful year.

The directors also voted unanimously to be co-sponsors with the Lions club of the project for fluorinating the town drinking water for dental health. The offer was accepted by the Lions club at their luncheon on Tuesday, C. E. Birk presented the offer.

The annual report of the activities of the Chamber of Commerce will be mailed to all members prior to the Annual Banquet on Friday, Dec. 1.

A called meeting of the board of directors of the Chamber of Commerce will be held on Tuesday evening, Nov. 21, at 7:30 in the City Hall. Purpose of the meeting is to elect 1951 officers and one new director.

New Building Finished For Pentecostal Group

A dream several years old was realized this week by members of the Pentecostal church of Iowa Park.

After long hours of hard work, the congregation has completed its work on a new and larger church. Building began several months ago, and now the old church has been converted into a parsonage into which the pastor Rev. R. L. Cupit and Mrs. Cupit moved this week.

Regular Thursday evening and Sunday services will be held in the new building.

Many Iowa Park folk were in Dallas last Saturday for the A&M-SMU football game. Among them were T. J. Pace and son Bobby, Mr. and Mrs. L. F. Miller, Miss Helen Mitchell and Miss Frances Parks.

Guests in the M. L. Smith home over the weekend were Mr. and Mrs. Joe Harris and Mrs. Katherine Bell of Budda. Mrs. Harris and Mrs. Bell are members of the school faculty in Budda. They visited the Harris family in Wichita Falls, Sunday.

Fireboys Ask Home Owners to Be More Considerate of Them

Fire alarms in Iowa Park have been sounding so often during the past 30 days that the Volunteer Fire department has decided something drastic is called for. In a meeting held Wednesday night of this week various suggestions were made to relieve the situation. These suggestions ranged from calling on the city council to enact laws regulating the burning of trash and grass, to an educational campaign to show the residents just how much damage they were doing with their fires which got out of control.

At one fire this week considerable damage was done to the new truck recently acquired. The fireboys have put a lot of time into raising money for this piece of equipment and hate to see it be treated so badly.

Out of the meeting Wednesday night came these suggestions:

1. Burn trash only before noon. This will give all afternoon for the coals to burn out and a final inspection can be made before the home owner goes to bed. Many times a trash fire started in the late evening is left to burn itself out; then a wind might spring up and spread the flames to nearby grass or even onto rooftops of the houses or outbuildings.
2. Stay with all outdoor fires and be sure they are safe before quitting them.
3. Contact the fire department before burning off large patches of tall dry grass or weeds.
4. Have plenty of help, water hose and wet sacks or cloths on hand before starting a grass fire.
5. Let your fire work against the wind and never let the fire get so big that it can get away from your available firefighting force and equipment.
6. Clear away grass and weeds from all fences and buildings and telephone poles before you let the flames reach them. If your garden hose is not long enough to reach all these places, borrow enough in the neighborhood so that it will, and wet down the walls and posts before the fire reaches them.
7. If you get in trouble, call the fire department EARLY enough to help you before you burn up the town.

Valley View Cinches Bi-District Playoff

Valley View has been declared winner of its district in Class B football and awaits the outcome of the game this Friday between Sanger and Lewisville to see whom the Warriors are to face in the playoffs.

The Valley View team has a game Friday night with Bryson but even a loss would not knock the Wichita county school out of its district title.

A movement is on foot to bring the playoff game to Iowa Park and the Chamber of Commerce is working closely with Supt. Clark O. Wilkes to obtain the game for here if at all possible.

Father of Mrs. Lynn Dies at Seymour

Robert Manse Walker, 72, father of Mrs. W. J. Lynn, died in a Seymour hospital, Sunday, November 12, of a heart attack suffered while he was visiting a daughter Mrs. W. O. Sidwell.

Funeral services were conducted Tuesday afternoon by Rev. Robert Bruce, minister of the Jehovah Witnesses, at Starkey cemetery near Nocona.

Mr. Walker was born in McMinnville, Tenn. He moved to Bell county with his wife and from there to Montague county in 1910. The Walkers moved to Iowa Park in 1948, where he worked as a carpenter.

Mr. Walker is survived by his widow, three daughters, Mrs. Lynn, Mrs. Sidwell, Mrs. Eulabelle Wilkerson of Breckenridge; one son Jimmy Walker of Henrietta; a sister Mrs. Robert Kemp of Throckmorton; and six grandchildren.

Mr. and Mrs. T. M. Clark and Miss Helen Dale Clark plan a trip to Fort Worth this weekend for the TCU homecoming celebration. They will be joined there by Mr. and Mrs. Jack Moss of Bay City.

Breakfast Served to Camp Fire Group

The Cha-Ki-Ka Camp Fire girls, directed by Mrs. Fern Corder, were entertained at a breakfast given in their honor Wednesday morning, Nov. 15 at the Christian church. The breakfast climaxed a week of study by the girls on "Better Breakfast Week."

An unusual theme was used in decorations for the dining room, with the slogan "There's no caboose in the Camp Fire Group." Favors were small etched cards with each girl's grades in personality and ability. As a centerpiece, a small train was used, with a sign attached bearing the slogan. In the cars were miniature dolls representing the Camp Fire girls. Mrs. Elma Barker was responsible for the attractively different favors and decorations.

The breakfast was prepared by Mmes. Fern Corder, Mark Cannon, Al Reed and V. G. Barnhart. The entire organization was present, including the mascot Margie Cannon. Members present were: Sara Johnson, Beverly Sue Croft, Joy Scott, Roberta Butts, Sharon Reed, Sandra Banks, Arlie Sue Mitchell, Lavonia Hanaway, Mary Ellen Roberts, Susan Wilcox, Jeraldine Emtrekin, Martha Barnhart, Mary Ralston, Maxine Cannon and Doris Rhea Herrington.

"Edith wants me to have some of their apples. They're delicious."

"Daughter Mary Ann makes plans for a formal dance. Big event."

"Ed, my husband, will get a later bus from the city. Saves me a wait at the bus stop!"

THERE'S a pleasant bustle of family life in the home of Mrs. Ida Bianchi, on the outskirts of Oklahoma City. And the telephone is right in the middle of everything.

Mrs. Bianchi proved that by keeping track of all calls, in and out, for five days. She was surprised to see how many there were... and how little they cost—1 1/4¢ a call!

"The telephone is a BIG help to me—a bargain," she says. "And the time and steps it saves!"

To Mrs. Bianchi, our thanks for her kind words. We are doing our best to make your telephone service a real bargain today—and to keep it growing in value every year! Southwestern Bell Telephone Co.

Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B₁, B₂, Iron and Niacin Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. 27. St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B₁, B₂, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results
 HADACOL does not bring just symptomatic relief. HADACOL relieves the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee
 HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful!

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close as hand as your nearest drugstore if you suffer a deficiency of Vitamins B₁, B₂, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana.

—elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come In Liquid Form
 There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

JUNIOR NEWS

The Jrs are back again with lots of news. I got a lot of information from the slam books circulating around. Everyone is certainly finding out what people think of him. Rose Mary has been raking her brain trying to find out who's been saying she's wonderful. Who knows, she may have a secret admirer.

Coy is getting popular. Someone told me there was a sr, jr and a soph wanting to go with him. Better find out who they are, Coy, so you can go with them and find which you like best.

Charles Quick is doing well. I hear he's going steady with a sr. I also read in the slam books that a soph girl wants to go with him. Noralene doesn't care about being in the spotlight. She asked Harold to disconnect the spotlight on the pickup. Was it because you didn't want his little bro to shine it on you Tuesday night after the contest, while you were on your front porch?

Gene Voyles must have gotten scared when the boys thought his girl was pretty because he asked her to go steady, and from the look in Gene's eyes, she must have agreed.

Lou Ann seems to be doing all right with her bf from Midwestern. She sits around with a faraway look in her eyes during classes.

Bill, why were you Joe and Weldon down at the band contest Tuesday night? Were you interested in seeing some of the I.P. band members? It must have been the latter. I saw Weldon leave with a sr and Joe and Bill left with two sophs.

Speaking of sophs, wasn't that a soph you walked from the drug store around to the show Monday night, Pard?

Roughgout must be glad winter is here because he sure does compliment the girls on the pretty sweaters they've been wearing.

Gene Reagan seems to be doing all right with a soph. Keep it up, Gene.

Mac, who happen to your face? Is that the reason a cute ill' soph had to have her coat cleaned? I believe her mother was saying something about it's being so dirty after the game last week.

Ben, why did Lou Ann get mad at you before the game Friday? I guess she'll just have to get used to playing second fiddle to a poker hand as well as chemistry.

Speaking of playing second fiddle to a poker game, I imagine Mary, Jimmy Joy and that sr reporter get tired of it too!

That's a hint, Robert, Mac and Eddie.

Helen has been looking pretty at school this week. Which jr boy are you trying to impress, Helen? It couldn't be the one that's always pestering you in English, could it? Or is it even a jr?

Darlene is still hanging on to her bf from Burk. 'Way to go, Darlene. Don't let that sr from I.P. horn in on you.

Jimmy Jones was absent from school all last week. He had the flu. A certain fresh sure did look lonely too, Jim. I'll bet she's glad to see you back.

Frances got a letter from her future mother-in-law the other day. We all read it during English class. She also had one from her bf, but she wasn't anxious to let us read it.

Doris doesn't let us in on her secrets, but I found out a little about her. She has been going with a sr. Haven't you, Doris?

Football season comes to a close this Friday night as we travel to Archer City to Tame the Wildcats. We are all hoping to beat them, this being the last game some of the boys will ever play in dear old I. P. High.

The boys will get one week of rest before basketball practice is started. I imagine about the same boys out for football will go out for basketball with the exception of Jackie and Freddie. They have decided to leave that to the taller boys.

Thanks, Mary.

Valley View

Several have wanted to know what happened to Valley View news in the Herald. I have been gone and busy, so had no time to collect any news. I do wish each reader would make it his duty to send in anything of interest so we can have a nice column. I seldom am on the west side of the district and what I hear and know about are the ones who come to church etc.

Last week the Methodists were privileged to hear James H. Westbrook of the Grace Methodist of Wichita Falls in a series of services held every evening during the week. Bro. Westbrook is doing good work at his own church. His messages were excellent and left each who heard them a desire to strive to do better and work harder at the job of making a Christian community.

Woman's Society of Christian Service will visit Electra on Monday, Nov. 20. We take the birthday cake to celebrate the WSCS tenth birthday. On Dec. 18, the Burk Burnett society will visit our church. All members please make an effort to attend at that time.

Mrs. Ralph McKinlay's young adult class entertained the young people Tuesday evening with a hayride and wiener roast on the river.

Word was received this week by Mrs. Mattie Hodges that her son Goodlett of San Antonio had suffered a heart attack. Will have to take it easy for several weeks, but

Uncle Sam Says

Political independence, our "Declaration of Independence," was proclaimed to a young and vigorous nation on July 4, 1776, when citizens were summoned to Independence Hall plaza in Philadelphia by the stentorian tones of the historic Liberty Bell. The actual tone of the Liberty Bell will again be heard throughout the nation during the U. S. Savings Bonds "Independence Drive" May 15-July 4. This time it will peal forth a message of financial independence for the individual, a reminder to every citizen of the importance of savings and Savings Bonds. They make you better equipped to face the future, secure in the reality that yours will be a better, more comfortable future.

Attend Church Dinner

A group of men from the Christian church enjoyed a fellowship dinner at the Highland Heights Christian church in Wichita Falls last Tuesday evening. The principal speaker was Thurman Morgan, director of ministerial placement for Texas Christian university.

This meeting was sponsored by the Men's Fellowship of the host church so that men from all the Disciples churches might have an evening of worship and fellowship.

Men from Iowa Park who attended the dinner were John B. Barbour, E. L. Hartfield, J. C. Searl, Chester E. Gleason, Chester Miller, Rollins Woodall and O. R. Owens.

Mrs. John B. Barbour fell last week and cracked a bone in her foot. She is wearing a plaster boot and getting along nicely while doing her home work. Her main complaint is taking the thing to bed with her.

Mr. and Mrs. Thomas B. Taylor and children Judy Ann and Jerry Wayne went to Olustee, Okla., over the weekend to visit her parents Mr. and Mrs. George Krapff.

Patriotic Theme Used In 23 Study Club November Program

Mrs. R. R. Brubaker and Mrs. Taylor George were hostesses to members of the 23 Study club Thursday afternoon at which time the meeting was held in the parlor of the Baptist church. A Thanksgiving motif was vividly observed in the decorations for the affair.

The refreshment table was draped to the floor with lace over gold satin. Filled to overflowing with fruit and vegetables was the golden cornucopia which centered the table. Hand painted pilgrims stood on either side of the centerpiece to lend significance to the occasion. On the buffet were hand painted turkey replicas which flanked a novel arrangement of cranberries and corn.

Mrs. Earle Denny was program leader for the Public Welfare program, the theme being "Education for Community Betterment." Highlight of the meeting was the film "Enterprise" which depicted thru the adventure of Buchanan, Ga., how free enterprise under the American political and economic system has made America great. The film showed how the vision of two World War II veterans brought prosperity to their agricultural town after the soil had failed by bringing an industry there. The film was shown by Rev. James N. Easterwood.

As an introduction to the picture, Mrs. Charlie Metz contributed a talk, "The American Way of Life," which stressed the importance of Americans believing in their system of democracy which has provided greater benefits for more people than any other system existing in the world.

A special treat was furnished by the "Singing Seven" senior girls who contributed three delightful numbers "Calm as the Night" (Balm), "Lover Come Back to Me" and a nonsense song. Their voices blended in perfect harmony to the able piano accompaniment provided by Miss Elga Ann Denny. Girls who sang were Lou Ann Duke, Betty Grussendorf, Jackie Teal, Ann Ralston, Wanda Dillard, Patsy Mitchell and Charlene Metz. Mrs. O. R. Owens is director of the group.

During the business meeting directed by Mrs. Fred Widmoyer the club voted an allotment to the Christmas seal fund and to state headquarters for the GFWC meeting at Houston next May.

Members present were Mesdames Richey Abernathy, C. Birk, C. E. Birk, L. E. Brooks, Earle Denny, Herman Mitchell, Charlie Metz, C. J. Simpson, R. A. Tanner, H. W. Weaver, Fred Widmoyer, S. L. Denny Florence Sherwood, May Turner and Homer Bialock.

Senator LeBlanc Offers \$10,000 Gift To Boost Advertising of the South

Tells Dallas Ad League How Newspapers Sell

SENATOR LeBLANC Tells How to Sell South

Louisiana Senator Dudley LeBlanc offered to donate \$10,000 as the first contribution to get an Advertise-the-South Campaign rolling nationally. He made the offer in an address before the Dallas Advertising League, and said "and there's plenty more where that came from."

The South, said Senator LeBlanc, should use the methods of advertising and promotion he had used as "a country lad" who parlayed a \$2,500 borrowed shoestring into today's \$7,000,000 Hadacol organization in less than two and a half years.

He disclosed he had turned down a \$10,000,000 cash offer a week ago for his Louisiana-made Hadacol tonic business.

"So you see if one man—a country lad with only the idea of wanting to get ahead—could do that with one item," said LeBlanc, "what couldn't we do if all of us got united in the South?"

"By a concerted effort, using advertising, the South could induce our northern cousins to bring their manufacturing industries into our midst," he added.

Senator LeBlanc's plan called for establishment of "a non-profit organization of some type" with a huge southern advertising "War Chest" to come from funds appro-

riated by various State Legislatures, plus contributions from private corporations.

"I know and feel sure," LeBlanc told his audience of Texas advertising men, "being a State Senator myself, that you would have no difficulty in obtaining an appropriation from all of the various states of the Southland."

SENIOR NEWS

This is our last week of football for the season. There will be some boys playing in their last football game this Friday night. Some may go to college and play more and better ball.

This week I would like to pay tribute to our sr players as they enter their last high school game. We only had a small group of srs on the team, but they did their part for the school. We had three co-captains who worked well together and with the team. I agree that there were times when they could have done something better, but holding a place like that is quite a job and all you can possibly do is your best.

J. C. Farmer did a swell job at center this year. He hadn't had much experience when the season started, but when he caught on and Mr. Jeter put that jr in there for competition, he saw that he was going to have to get down to business—and that is just what he did. Eugene Parish got out there and worked hard wherever they put him. He played about half of the time at fullback, where he made 14 points. The rest of the time he played at guard, doing fine work at either position.

Kenneth Munden has spent most of the season at end. The other part he played tackle. This will be his last game and we all hope that he will get in there and dig and make everyone remember how well he did in his last season at Iowa Park.

Eldon Biggs was one of the two srs playing for the first time. He has shown up well and in all probability had he had experience some of the other boys have, he would really have done well. Eldon is a guard.

Tommy Medlinger is the other sr playing for the first time this

year. He has done real well at tackle.

These boys get more than just a jacket for their hard work. They get the honor of representing this school and therefore they have to play nice clean ball to do justice to our school. They get the fun of playing with the boys of this school and other boys in the district. Best of all they get the memories of all the blood, sweat and tears they put out to play football because they wanted to.

Since I have spoken for the boys, I will say something about our cheerleaders. Charlene and Jackie will lead yells at Archer City with tears in their eyes. They will remember all the work they have done and wish they had more to do. They have done a swell job and I'm sure the boys appreciate it.

The band deserves a little praise now. One reason is for the good work they did at Wichita Falls Tuesday night in the Region 10 marching contest. They were the only band out of four in class B to win a first division rating. There will be some members Friday night marching at a football game for the last time. We all will have wonderful memories and appreciate the chance we had.

Patsy Mitchell, Ella Lou Van Horn and Lucille Wesley will finish their twirling careers at the good old football games of the Green and White. Harold Lewis, Elga Ann Denny, Norma Shook, Dorothea Watson Rains, Eva Jane Watson, Wilma Lea Thompson, Ann Ralston will be marching for the last halftime intermission.

Thanks, Lucille.

Mr. and Mrs. R. L. Ligon of Austin spent Sunday with Mrs. F. L. Emanuel. The Ligans are early day citizens of Iowa Park and were in the lumber business while here.

Soil Conservation

Now is the opportune time for farmers and ranchers planning to do range seeding of grass to purchase their seed. Either for seeding this fall or in the early spring.

From the exceptional growth that most warm season grasses made during the past summer, where proper range management was carried out, allowed most of the range grasses to produce an excellent seed crop, which in most grasses will be high in germination. This is especially true with little and big bluestem, Indian grass and switch grass in this locality.

Since quite a number of acres of bluestem mixture was harvested in Clay county this fall, local demand can be probably obtained from that county.

The Wilbarger-Wichita Soil Conservation District board of supervisors have purchased grass drills and placed them at each work unit headquarters for the farmers and ranchers who are co-operators of the W-WSCD to use.

Co-operators should contact the local soil conservation office in Iowa Park for the use of the drill. This machine is adapted for seeding most all kinds of grass and legume seed.

PTA Represented by Three at Convention

Mrs. Lloyd Lowe, Mrs. D. O. James and Mrs. W. R. Bradford attended a three day convention of the state Congress of Parents and Teachers in Mineral Wells last week. The Iowa Park delegates attended many inspirational meetings during their three day stay, with the theme of most of the programs being "The Citizen Child — His Destiny, a Free World."

On the second day of the convention Mrs. James attended the Life Membership Luncheon which was held on the roof of the Baker hotel Thursday noon, with Mrs. A. N. Dahl, state chairman, presiding. The flags of the U.N. carried out the theme of "The Citizen Child Must Become a World-Minded Citizen." Many surprise life memberships were presented.

One of the most applicable speeches of the meeting was made by Thomas D. Rishworth, national chairman, who talked of radio and television programs for children.

The new slate of officers for the district, state and national organizations are: National president, Mrs. John E. Hayes. National vice-president, Mrs. C. C. Clark. State President, Mrs. J. H. Moore. District president, Mrs. Mable Browning.

Mrs. Lowe, local P.T.A. president, will give a report of the trip at the next meeting of the organization.

Miss Chennault Weds In Grand Prairie

In a beautiful home wedding on October 29, Miss Jean Chennault, daughter of Mr. and Mrs. Lester Chennault of Grand Prairie, became the bride of Bill White, also of Grand Prairie. The Chennaults formerly lived in Iowa Park.

Rev. Cicero B. Fielder read the nuptial vows and the wedding music was provided by Mrs. H. B.

O'Briane and Mrs. Charles Coppock, vocalist. Immediately following the reception the bride and groom left for a short trip to Houston and other

Texas cities, after which they returned to their new home in Grand Prairie. Several Iowa Park friends attended the wedding.

We Ask That "Fares" Play Fair

Judge Cunningham was telling about a taxi ride he took over to the County Seat last week. The cab was all littered with cigarette butts, plus candy and gum wrappers. This annoyed the Judge and he spoke to the driver about it. To his surprise the cabman answered right back. "Don't blame me," he said "Fast as I clear this taxi out, the fares just mess it up again. I like a clean cab as well as anybody, but a man has to have some co-operation!"

Judge figures the fellow was in the right, and maybe we ought to do a little campaigning with the public. I agree with him—that's why I'm writing this article. From where I sit, it's important for us to remember the fellow who's going to get in the cab after we leave it. Because he pays the same as we do, he's got the same right to a clean, comfortable ride just as he has the same right to enjoy the beverage of his choice (be it coffee, beer, lemonade, what have you).

Joe Marshall
