— BAPTISM  
— GOD and FATHER (Ephesians 4)

We are "DISGUSTED WITH RELIGION" but not with the Christ of the Bible, the Lord Jesus Christ and His glorious church, "the church which is His body." It is no sect—old or young, big or little. All honest believers in Him are in it and no counterfeiters or hypocrites can get in because He, Himself, adds the members to it. See Eph. 1:17-23; 2:19-22; Acts 2:47; 1 Cor. 12:12-13.

### I.P. Policeman Commended

A letter was received March 8 at Chamber of Commerce concerning the Iowa Park police department which will be of interest to all of us. Purpose of the writer was to express appreciation of the police here for rendering aid in a shooting accident in which he was involved.

The letter stated that last November a young man was accidentally shot while hunting on a nearby ranch. The hunters radioed to their company, which contacted Iowa Park police. Officer Gideon Swedberg immediately went out to escort the pick-up into town where he had a doctor waiting at the clinic.

Later they drove with the boy to Wichita General hospital and had all the entrances to the hospital cleared. The lack of delay was possibly instrumental in saving the life of the shooting victim, not to mention his almost complete recovery.

The writer particularly wanted to express gratitude to the officer for his courtesy and helpfulness at such a crucial time.

The letter ended with thanks on behalf of the writer's wife and the wounded boy's mother.

### F.F.A.

Fight the farm price/cost squeeze with NITROMITE... NITROMITE packs a powerful punch with more usable nitrogen per dollar to help increase yields without increasing your cost appreciably. Then even low prices can't floor you — if they're good, you'll be the big winner.

Put down some NITROMITE before you plant to give your crop a great big shot in the yield. It'll give you a fighting chance in the marketplace.

### CARD OF THANKS

As good friends walk beside us and hold our hands when the dark clouds of anxiety, heartache and sorrow hover over our pathway, they are surely God's messengers sent to help dispel the darkness and to lighten our burdens.

We are humbly grateful to friends who were so loyal and to the staff at Park Manor nursing home for their loving and efficient care during the lengthy illness of our loved one.

When in the fullness of time, God called him home, friends and relatives continued to show love and concern through prayers, visits, flowers, cards and food; and our hearts overflow with deep appreciation.

### CARD OF THANKS

To our many, many friends and some people we didn't know, with humble hearts we want to say "thank you" for the kind deeds done for us during the passing of our loved one.

The food was wonderful and the flowers were beautiful, but most of all your prayers and thoughts have helped us through the dark hours.

Especially to Bro. Jimmy Johnson for the comfort he gave us, the Tanners for their thoughtfulness, to the band members as pallbearers, and to Shirley Rains for being our friend. If you have never traveled this road, when you do, may you have friends like ours, and if you have, you know what we mean when we say "thank you."

May God keep and bless each of you.

## To the Voters of Iowa Park:

After living in Iowa Park for a number of years, I have learned that this is truly a place of friendly living.

I am concerned about our future. Any individual, company or City must progress. We cannot stay at a standstill. We are one of a very few Cities in Southern Oklahoma and North Texas that have not had any new industries. I believe every effort should be made to obtain this type of new business, even though small.

I also believe that if a few small industries can be obtained this will help in many ways for the economy of our town. With this we should be in a position to keep our taxes at the present level or even lower rather than to continue to increase.

I am also concerned about our expenditures, taxes and other items. We must realize that many of our Senior Citizens are living out of their savings and others from only their Social Security.

I will appreciate your vote and if elected I will at all times try to keep the people of Iowa Park informed as to any action or major expense that the City Council should approve.
