Mr. Morrison died in a Wichita Falls hospital Friday afternoon of a longtime illness.

He was born Nov. 10, 1875, in Decatur and moved to Iowa Park 40 years ago. He was a retired farmer and member of the Iowa Park Church of Christ.

Hawks Defeat Haskell, 8 to 6

Iowa Park Hawks were cast in the role of giant-killers last Friday at Haskell.

Before the game, Haskell was unbeaten and unscored on, having defeated Jacobsboro, Olney and Roman. The Hawks had lost their first two, to Electra and Burk Burnett.

The Hawks never allowed Haskell past midfield in the first half and only once did the host team pass midfield during the entire game.

Iowa Park scored in the third quarter when Malcolm Berry ran 8 yards over left guard. Jimmy Banks ran the conversion for 2 points, which were the victory margin.

Haskell scored in the last period but failed to make the extra points.

Outstanding on defense for the Hawks were Tony Waters, Roy Boutwell, Don Klinkerman, James Paris and Jimmy Gard. Offensively for the Hawks, Jimmy Banks, Malcolm Berry, Herman Beavers and John Woodall looked best.

But this was truly a team effort, says Coach Carter. The fine spirit and determination shown by all the boys were truly gratifying. Several players who had not seen much service this year were given their chances and they came through in fine style. These included Royce Caddell, Mark Clark, LeRoy Watts, Bobby Gilbreath and Paul Parkey. On the basis of their performance last Friday night, they are proving themselves to be competent and sound players.

The Hawks will be hosts to Crowell this Friday night. This is their first conference game. The Hawks have no injuries and to date have no illnesses.

Crowell is favored to repeat as champion of the district, so this game is important to both teams.

Hawk captains are Berry, Boutwell and Lee Allen Holloway.

District Governor Visits Lions

Marvin B. Simpson Jr., district governor of District 2-E, made an official visit to the two Iowa Park Lions clubs Tuesday evening.

The dinner meeting was held in the fellowship hall of the Christian church with approximately 85 present. It was a Ladies Night.

Lion Homer Thompson offered the invocation and Lion Addison Cutter presented a program of vocal music, accompanied by Mrs. Esther Thornberry.

Among the guests were Merritt Sellers of Fort Worth, cabinet secretary of the district; Ben Keith Lawson of Chillicothe, deputy district governor; and seven visitors from Wichita Falls clubs.

Jimmy Stewart, president of the Little League board of advisers, presented awards for co-operation and leadership to Doyle Eckelbarger, Dan Barnes, Wayne House and Arch Hughes. Each received a beautiful plaque.

Simpson spoke on "The Look in Lionism." He called attention to the Lions emblem on which are two lions' faces—one looking forward and one looking backward.

The one looking back represents 41 years of accomplishment in 91 countries. The one looking forward implies that "the job will never be done or completed."

Some quotes from his talk are: Lionism means youth activities. Members of the Lions clubs are the cream of the crop and the grass roots of the community.

Lions International is the largest civic organization in the world. Individuals may not accomplish what they want to, but together we can do acts of kindness and other things that mean much to the youth, the handicapped and the underprivileged.

Remember the Lions motto — "Service" and never forget the challenge or obligation of it.

Lionism is not to take the place of religion.

A true Lion has the Forward Look.

Lion Cutter pronounced the benediction.

Mrs. Thornberry furnished dinner music.

ABUNDANT LIFE

by ORAL ROBERTS

HOW GOD VISITED GENERAL CLARK

During our Charleston, South Carolina Crusade, I had the privilege of visiting the Citadel, South Carolina's "West Point." General Mark Clark was my gracious host, and while I was there, he told me the following inspiring story, which I believe he will be glad for me to share with you. God visited the General in a crisis and helped him through one of the most desperate problems of World War II. At the last moment, before the invasion of Europe, orders came from Washington altering the protective covering of 13,000 paratroopers who had been designated to protect the landing of General Clark's men. The General tells in his own words how God helped the Americans to meet this emergency and gave their leader strength and wisdom to lead his men to victory.

"There I was on the night of September 3—my plans twisted, yet knowing we must sail the next morning.

"Did the Germans know about the invasion? How much did they know? Just what would we do?

"All these things were running through my mind, and with the face of so many thousands of men, as well as the hopes of the free world, resting upon the success of the invasion, I was literally overwhelmed with a sense of my responsibility.

"Troubled and worried, I went to my cabin. A sense of my own helplessness swept over me. I desperately needed help from some greater power.

"I picked up a little book of devotions and began to read. I turned to the prayer for September 5. There I read the following inspiring lines:

*Father, in Thy name I pray,
Let me know Thy will today.
With Thee I am unafraid,
For on Thee my mind is stayed,
Though a thousand foes surround,
Safe in Thee I shall be found.*

"As I began to read, the words seemed fairly to leap off the page at me. A sense of another presence overpowered me. A great reassurance of the rightness of our cause, as well as the certainty of ultimate victory, came. God was with me. I knew it. I felt his presence! And a glad thankfulness rose in my heart. I knew we would succeed.

"As I finished reading, I was literally overwhelmed. And I can tell you, I slept better that night.

"We sailed early the next morning with a convoy of about seventy ships. ... Ten minutes before midnight I stood with Admiral Hewitt on the bridge of the *Anson*. The naval phase of the assault was completed.

"Then the incomparably brave officers and men of the Fifth Army started that last dash toward the beaches. Their fierce fighting, their countless inspiring acts of heroism and the ultimate victory are written in our nation's history—but that is another story. My purpose here is to say very simply and sincerely that I will always thank God for his visit to me in my hour of desperate need."

REASON AND REVELATION
by GLENN OWEN

"Wise Unto Salvation"

"But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them; and that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus" (2 Tim. 3:14, 15).

The only way to be made wise unto salvation is by the study of the Holy Scriptures. There are thousands of books in the world, but only one imparts the knowledge of salvation. It is man's wisdom usually leads away from salvation. Nothing so frustrates the plan of salvation as the wisdom of man.

It is a great misfortune to be ignorant, but it is a greater misfortune to be ignorant and not know it. The biggest fool in the world is the one who thinks he is smart. Paul told the Corinthians that he wrote them that they might learn not to think of men above that which is written (1 Cor. 4:6).

The supreme purpose of the Bible is to make men wise unto salvation. It teaches a great many other things, but they are incidental to this one great purpose. If men read the Scriptures to learn something else besides the way of salvation, they have read in vain. Peter made three thousand people wise unto salvation on the day of Pentecost by teaching the word of God. Philip made the eunuch wise unto salvation by taking the same scriptures he was reading and preaching into his Jews.

The inspired word of God is not able to make a man wise unto salvation if he is interested only in doing the part of it that he likes. To do only a part of the law is an abomination before Jehovah's throne. To have one's mind so closed by prejudice that it will not investigate the Bible to see what it says is very dangerous.

In order to be wise unto salvation, we must be wise unto what the scriptures say about obedience. We must obey the gospel (1 Pet. 1:22-23). We must hear the blessed gospel (Heb. 11:6; Rom. 10:17). We must believe (John 8:24; John 3:16). We must repent (Luke 13:3; Acts 2:38). We must confess (Matt. 10:32-33) and must submit to the baptism commanded by Jesus Christ. This is a burial (Rom. 6:3-4) and requires much water.

Are you wise unto salvation? Have you obeyed the Lord?

THIS WEEK
—In Washington
With Clinton Davidson
WASHINGTON RED INK

Davidson

We Americans have become distressingly blasé about the rate at which the Federal government is spending our money and sinking us deeper and deeper into debt.

A statement by the Bureau of the Budget that Federal spending this year will exceed income by more than a billion dollars a month caused no more than a mild ripple of public interest.

Maurice H. Stans, Director of the Budget, tells us that Uncle Sam is spending at a peacetime record rate and that by the end of this fiscal year the public debt will reach a new all-time record of \$283 billion.

For each \$350 the average American—man, woman and child—pays in Federal taxes, either directly or indirectly, Washington will spend \$420.40 during the fiscal year that ends next June 30.

You Owe \$1,645.

Your share of the Federal debt, by next June 30, will amount to a record total of \$1,645. That will be the per capita national debt, and it will be an increase of \$70.45 from last June 30.

You may never pay off that debt, but you can't escape paying your share of the interest on it, amounting to \$42.50 a year. It costs the Treasury Department \$7.3 billion a year to pay the interest on the debt.

Congress either appropriated or authorized \$79.2 billion to be spent this fiscal year by Federal agencies. That is \$12.2 billion more than estimated tax collections of \$67 billion.

The record peacetime deficit is in sharp contrast with the official estimate last January that the

government would end this fiscal year with a "net surplus" of \$500 million in income over outgo.

Mr. Stans explains this "mistaken estimate" by pointing out that (1) Congress okayed spending of \$5.3 billion more than was budgeted, and (2) tax collections now are expected to fall \$7.4 billion below the earlier estimate.

Where Your Money Goes

The biggest slice of your tax dollar, as well as the increase in debt, goes for items under the general heading of national defense. Defense spending will set a peacetime record of \$40.8 billion.

Interest on the national debt at \$7.3 billion is second, farm aid is third and foreign aid is fourth. The largest increase over the January budget was an added \$1.6 billion for the Department of Agriculture.

The Post Office Department, despite increased mail rates, expects to spend \$735 million more than it collects in stamp sales. That is due to the increase in wages voted postal employees by Congress, Mr. Stans explains.

Other increases over last year include \$225 million for Health, Education and Welfare Department public assistance grants and research; \$199 million more for the Export-Import Bank, \$225 million for surplus sales of farm products, and \$92 million for the newly authorized Small Business Administration loan program.

We asked both the Republican and Democratic national headquarters for a list of what they consider the major political campaign issues. Neither mentioned Federal spending or the public debt.

Band News

Last week the band really did move! Practically every day the members had something to do.

Monday they were in the Fair parade.

Tuesday night they played a concert in the Fair Park Auditorium.

Wednesday afternoon they were in the Fair band contest, marching and playing. They placed second in marching and first in concert. Haskell had first in marching and second in concert. The tie was settled by the points made in the twirling contest. Sue Bedford got second and Haskell's majorette, third. This broke the tie and gave Iowa Park the honor of winning Sweepstakes.

Friday night the band supported the Hawks at Haskell. Of course the Hawks won the game, and the band really did blast out the pep music then.

Sidewalks to Be Used for Display By Artists

Annual Sidewalk Art Show of the Wichita Falls Art association of the Woman's Forum will be held from 10:00 a.m. to 3:00 p.m. Saturday, Oct. 11 in downtown Wichita Falls. The shows have been held annually each fall since 1948.

Area artists are invited to participate. Membership in the Art association is not required. Advance registration is not necessary, but artists are asked to register at the desk provided at the site when they arrive for the show. The show features original work in all recognized media. Divisions will be in oil painting, water color, finger-painting, graphic arts, mixed media of all kinds. Divisions in crafts will be provided for jewelry, metal work, ceramics, weaving, wood carving, mosaics and the like. Ribbons will be awarded by judges from Texas Women's university, Denton.

Each exhibitor will choose his own space for display—first come, first choice. The committee in charge, with Mrs. Rex Ryan and Miss Joyce Samuels as co-chairmen, plans to extend the show from the corner of Ninth and Scott to the corner of Tenth and Scott.

Area artists wishing to participate should bring their entries to a desk on the sidewalk at Ninth and Scott prior to 10:00 a.m. although entries for display will be received at any time up to 3:00. A small registration fee will be charged.

Four divisions for young artists, ages 8 to 18, will be added this year. Each picture must be framed or matted with a stiff cardboard frame.

Mr. and Mrs. Coral Garner of Amarillo visited here last week with their daughter and family Mr. and Mrs. R. B. Wilkerson and children Mary Ellen and Bo.

Rev. and Mrs. Charles Ellis and children Carolyn and Mark attended the funeral of Mrs. Ellis' uncle C. M. Snyder of Murphysboro, Ill., last week.

Seniors

After the most successful run in history of the senior stand at the T-O Fair, the Class of '59 wishes to take this opportunity to thank our parents, who contributed time and energy.
