Wind and Rain Bring Damage
Iowa Park found itself in the midst of a terrible sandstorm with hurricane wind force late Sunday evening, after suffering through the hottest day of the year.
The wind was so strong it did a great amount of damage to windows in the business district, unroofed several houses, and tore down telephone and electric lines. Many trees were broken and uprooted by the high wind.
In the wake of the storm we had a hard rain which caused water damage.
Monday morning the insurance agencies were swamped with loss claims on houses and businesses that received damages.
In the midst of all the excitement, the fire whistle was sounded — but fortunately it was only a trash barrel afire.
People here feel quite fortunate no one was injured in the storm which lasted about two hours.

Area Farmers Invited to Agri-Business Dinner
Lions heard Judge Temple Driver speak on the problems of county government Tuesday at their regular luncheon meeting.
Homer Thompson gave the invocation. Sam Hill introduced as guests: Mrs. R. B. Faulkner, Lion Pop Work of Wichita Falls and Jack Clutter of Wichita Falls.
Elvy Sargent reminded members of the meeting to be held next Tuesday evening in the school cafeteria honoring farmers of this area. The catered supper will be sponsored by the Chamber of Commerce with assistance from the two Lions clubs.
Esther Thornberry provided the luncheon music.
In his talk Driver said the great problem of the county government is alcoholism and charges of DWI filed in his court. The county has now set up an Alcoholic Council to help persons who are sick with alcoholism.
Lack of nursing homes for the aged is another serious problem in Wichita county. Driver said the civic clubs and churches in some areas sponsor homes for the infirm and aged, but Wichita county has only a few private nursing homes with not enough beds to care for the demand.
He closed by reading a humorous poem pertaining to lawyers and pills.
George R. Huckaby, president, distributed tickets to members to sell for the ice cream supper to be held Saturday evening, Sept. 12 from 5:00 to 8:00 in the City Park.
The Agri-Business program next Tuesday evening will replace the regular luncheon as an official meeting of the Lions club.

Brother Dies
Mr. Kelly Woodall, 64, of Tullia, brother of Rollins Woodall, died of a heart attack in Houston, Sunday morning. He and his wife Minnie Lee were attending a Rural Electrification association convention.
Rollins left here immediately on receiving word of his brother's fatal illness.
The body was flown to Tullia where funeral service was held Wednesday afternoon in the First Methodist church. Burial was also in Tullia.
Mr. Woodall was a long-time district supervisor of REA and had resided in Tullia for many years.
Mr. and Mrs. Kelly Woodall resided in Iowa Park in the '20's. He was a son of the late Dr. and Mrs. O. L. Woodall of Iowa Park.
Surviving are the widow and brother; another brother Bob of Indianapolis, Ind.; several nephews and nieces.
Friends who attended the service from here were Mr. and Mrs. John B. Barbour sr. and Gilbert Steele, Rollins came back and picked up Mrs. Woodall to accompany him to his brother's funeral.

New School Named for Miss Kidwell
Thursday afternoon, Aug. 27, a group of interested citizens and school patrons attended the formal ground breaking and naming ceremony of the new Iowa Park elementary school, to be located in the northwest part of town.
This will be the first phase of construction on the \$190,000 plant, which will be a one story brick structure housing eight classrooms, office and lounge, book room, cafeteria and boiler room.
Supt. Keith Swim told the group the school has been using temporary units to know the town was going to grow. "The last year has proved the town is definitely going northwest, and the school board and school officials feel this is the spot." He told how the architect was selected and how members of the school board had traveled many miles inspecting buildings and screening the architectural profession for the right designer. They selected White and Feinberg.
Swim introduced White, who described the various features: A large covered walk 24 feet wide and 120 feet long, which will be used for loading and unloading of school buses. It will also be used as a play area during bad weather.
The building will face east and will look good "standing alone" until other units are added.
The building will have a thermostatically controlled heating system and will be insulated so air conditioning can be added inexpensively.
The cafeteria will accommodate 200. When used as an auditorium it will seat 275 with a small stage at one end.
On the north side of the building will be a drive-in area where the parents will have pick-up space for children.
Jack Owens of Gainesville, contractor, was introduced by White. He said construction will probably be completed 30 days ahead of the 260-working-day limit.
The new building will not be used until next fall school term in 1960.
Jim Miller, president of the school board, introduced other members of the board: John Clapp jr., Ed Clark, Alan Berry, C. E. Birk, T. E. Gilbreath, Joe Price jr. Miller, in revealing the name selected for the new school, said after much thought the board had voted unanimously for "Ethyle Kidwell Elementary School" in honor of the beloved principal who has served the Iowa Park elementary school the past 25 years as principal.
Following the formal naming of the school, which came as a surprise to Miss Kidwell, she expressed appreciation for the honor and turned the traditional first spade of dirt.
Completion of the new building will relieve crowded conditions of both the elementary and the high schools.
This is the second major construction project undertaken by Iowa Park school officials in recent years. The gymnasium and the band hall, valued at \$160,000, have been in use the past two years.
Voters of the school district approved a \$125,000 bond issue for the building last March. A \$65,000 bond issue for the project was passed by voters two years ago.
Miss Ethyle Kidwell was born in Franklin county near Winnsboro, daughter of the late Mr. and Mrs. G. S. Kidwell.
She was graduated from Winnsboro high school and received the B.A. degree from East Texas college at Commerce. She received the master's degree in elementary education from North Texas State college at Denton. She has had special art study at the University of New Mexico.
Miss Kidwell has devoted her life to children both in school and in the church. She began teaching 37 years ago. She taught third grade four years before coming to Iowa Park.
Miss Kidwell taught first grade here eight years and in 1934 was elected principal of the elementary school.
Miss Kidwell is a life member of PTA, past president of the Modern Music club, member of the Organ club, member of the local Welfare board. She is also a member of Delta Kappa Gamma, national honor society for key women teachers.
Although she is quite busy in school and community work, Miss Kidwell has made time to serve as superintendent of the junior department for over 20 years.
Miss Kidwell owns her home at 506 W. Wall. Her constant companion is "Oscar" a dachshund dog. Her hobby is her beautiful yard and flowers and entertaining girls and boys in her home.
All of Iowa Park congratulate Ethyle, who has been an inspiration to young and old.

IN TRAFFIC:
1. Don't try to drive too far—400 miles a day should be the limit, and a lot less than that after working an eight-hour day.
2. Cut your speed at least 10 miles an hour after dark. You'll be surprised how much more relaxed you'll be.
3. Don't drink if you drive.
4. Don't get burned up at other drivers. Good drivers keep cool behind the wheel.
5. Don't exceed the speed limits.

WHILE SWIMMING:
1. Never swim alone, even at a public beach. When children swim, an adult should be present.
2. Don't swim till exhausted—rest often.
3. Wait an hour after eating, and enter water gradually.
ANYWHERE:
Use courtesy and commonsense. The more YOU think about safety, the less you will read about accidents.

Gene Schuck Buys Hill Motor

This week Hill Motor company was sold to F. E. (Gene) Schuck of Dallas. It will be known as Gene Schuck Chevrolet and will have the same location, corner of Yosemite and Park.
Mr. Schuck has been in the automobile business for nearly 15 years.
Born in St. Louis, Mo., son of the late Mr. and Mrs. Frank E. Schuck sr., he was reared in Roswell, N.M., where he completed two years at NMMI. During World War II, Gene served in the Defense Transportation service in Dallas. In 1945 he was employed with Johnson Bros. Chevrolet in Dallas, transferring in 1952 to Porter Chevrolet in Dallas.
In 1954 he and his family went to Artesia, N.M., where he operated the Pontiac and Cadillac agency. Later he returned to Dallas.
Schuck was married to Miss D'Elida Cramer of Dallas in 1948. They have three children: Sheryl Gene, 7; Gregory Cramer, 5; and Kim Michelle, 3.
Mr. and Mrs. Schuck have bought a home at 612 West Texas and will move into it as soon as it is completed.
They attend the Methodist church. He is a member of the Lions club, Masonic lodge and is a Shriner.
Gene Schuck Chevrolet will have a complete line of new Chevrolet cars and trucks, and will feature O.K. used cars. The parts department will be fully stocked with genuine Chevrolet replacement parts.
Gene plans an automobile show Oct. 2, showing the new 1960 models and especially the all new compact model—the Corvaire.
Besides offering the best in service equipment and personnel, the new firm also has washing and greasing service.
In purchasing Hill Motor company, Schuck has acquired two beautiful display rooms, air conditioned offices, wash and grease racks, a large repair and service area, and a fenced used car lot. Mr. Curtis Hill had owned the Chevrolet agency here since 1942. The new owner will retain the same employees: T. C. Berry, Donald Hill, Harold Garner, Willie Thompson.
Iowa Park welcomes the Schuck family to the town of friendly living.

John G. McHaney is a graduate of A & M college in agricultural economics. This degree was granted in 1937. He received the master of science degree in agricultural economics from A & M in February 1953.
Before joining the Agricultural Extension Service in 1946, McHaney was with the Bureau of Agricultural Economics. His work with the Extension Division deals primarily with the economics of agriculture.
He works closely with economic trends affecting agricultural prices and much of his time is spent in discussing trends and outlook at various civic and farm meetings over the state. He has prepared several annual economic outlook bulletins.
McHaney has also written several magazine articles and has appeared on many radio and television programs on which the economics of agriculture was discussed.

Have a Cup ...

Safe driving will be the objective of a unique JAYCEE project this weekend—Friday, Saturday, Sunday and Monday nights. All Labor Day traffic going through Iowa Park will be invited—even urged—to stop at the City Park for a coffee break.
Signs at each side of town will call attention to the FREE COFFEE being offered night travelers.
Records show that long trips can be made with greater safety if the car driver breaks the monotony by getting out for a stretch and a cup of hot coffee at frequent intervals.
More power to you, Jaycees! We hope some lives are saved.

Father Dies

Funeral service was conducted Thursday afternoon, Sept. 3, in Wichita Falls for Mr. Henry Entrop sr., 70, of Holliday, father of Henry Entrop of Iowa Park.

Rev. W. E. Weaver, pastor of Holliday Methodist church, was in charge. Burial was in the Holliday cemetery.

Mr. Entrop had been a resident of Holliday the past 18 years. He was a retired pumper and had resided in Wichita Falls 32 years before moving to Holliday.

He was born in St. Louis, Mo., June 29, 1889. Mr. Entrop died at his home Tuesday afternoon.

Surviving are the widow; three sons: Henry jr. of Iowa Park, E. W. and Alfred of Wichita Falls; three daughters: Mrs. H. S. Jarvis and Mrs. C. J. Steik, both of Wichita Falls, and Mrs. Charles Roberts of Holliday; four brothers, three sisters, 15 grandchildren.

To help avoid these mishaps, the Texas Safety Association has prepared a list of do's and don't's that are designed to increase the safety of all:

IN TRAFFIC:
1. Don't try to drive too far—400 miles a day should be the limit, and a lot less than that after working an eight-hour day.

Engaged

Mr. and Mrs. Charles D. Winfrey announce the engagement and approaching marriage of their granddaughter Vivian Kay Thrush to Bobby Davis of Clarksville. The prospective groom is son of Mrs. Naomi Davis of Clarksville. Rev. Addison Cutter will officiate at the 7:30 p.m. nuptials on Saturday, Sept. 12 in the Methodist chapel here. Miss Thrush is daughter of Loy Thrush of Lubbock. She is a graduate of Wichita Falls high school. She is employed with the City National bank of Wichita Falls. Mr. Davis is a graduate of the Clarksville high school. He attended Paris junior college last year and plans to continue his studies there. The young couple will make their home in Paris.

CHARLES WILLIAM PHIPPS

Mr. and Mrs. Malcolm Phipps of Staten Island, N.Y., announce the birth of a son Charles William on Aug. 17. Grandparents are Mr. and Mrs. Thomas Hermann of Scranton, Penna., and Mr. and Mrs. O. W. Phipps of Iowa Park. Malcolm is serving with the US coast guard.

County Agents Suggest

There will be a countywide Brucellosis meeting at Valley Farms Community House beginning at 7:30 p.m. Thursday, Sept. 10. Dr. W. O. Boaz, livestock sanitation commissioner, Ft. Worth, will be the main speaker.

He will discuss the recent Brucellosis law passed by the Texas legislature. All livestock farmers are urged to attend.

B. T. Haws, county agent, urges farmers to purchase their winter legume seed and plant a crop this fall. He advises: Be sure and inoculate your seed and use commercial fertilizer according to a soil test.

Iowa Park community 4-H club met Tuesday night at the Roy Jennings farm. The meeting was called to order by the president Charles Findley. The pledge and prayer were repeated by club members.

Since this is the beginning of the new year, highlight was election of officers, as follows:

President, Jimmy Jennings
Vice-president, Jo Ellen Cowden
Secretary, Roy Childers Jr.
Council delegate, Jimmy Colhouer

The president then appointed the following chairmen and officers:

Reporter, Cecelia Childers
Parliamentarian, Dickie Findley
Songs, Rosalind Coleman
Telephone, Sandra Jennings
Demonstrator, Donna Childers
Program, Garland Lehman
Junior leader, Charles Findley
Publicity, Pat Pruet
Recreation, Cecelia Childers
Meeting place chairman, Gary Coleman
Announcements and club activities, Benny Ward

The group voted to have a Wildlife Conservation booth at the T-O Fair. Work will begin immediately on this project.

Special guest for the evening was Kenneth Killion. He announced a complete file on all members must be on file with the County Agent's office. He especially commended those who turned in records for the past year. He encouraged all members to keep records on all activities and report them.

A discussion was held as to the planning of a new method of conducting meetings by interest groups headed by an adult leader particularly interested in a group.

Adult leaders attending were Mr. and Mrs. Jay Howington, Roy Jennings, Mrs. Roy Childers and Rex Lehman.

Lynn Hensley Weds in Austin

Following a trip to Monterrey, Mexico, Mr. and Mrs. Lynn Carlett Hensley will establish residence at 411 1/2-B East 30th in Austin.

The couple was married at 5:00 p.m. Tuesday, Sept. 1 in St. Austin's Catholic church with Father Murphy officiating.

The former Miss Deede Elaine Stallings, the bride, is daughter of Mr. and Mrs. Tellmon Virgil Stallings of Miami, Fla. Bridegroom is son of Mr. and Mrs. Herbert A. Hensley of Iowa Park.

Traditional wedding music was presented by the church organist.

For her wedding the bride chose a floor length gown of imported satin in candlelight color with a scooped neckline and three-quarter length sleeves. The bodice was appliqued with lace embroidered with tiny seed pearls. The softly pleated skirt terminated in a chapel train.

A Swedish crown of tiny seed pearls held layers of French illusion veiling. She carried a bouquet of white butterfly roses and stephanotis atop the family prayer book. She was given in marriage by her father.

Miss Josette Hensley of Iowa Park, sister of the groom, was maid of honor. She wore a waltz length frock of smoke-blue silk chiffon with a cowl neckline both front and back, short sleeves and bouffant skirt. She wore matching color shoes. Her headpiece was of blue French tulle. Miss Hensley completed her costume by carrying a colonial bouquet of white roses.

Scott Stallings of Miami, brother of the bride, was best man. Bruce Hughes of Iowa Park and Robert Twaddell of Dallas were ushers.

A reception was held following the wedding in the Maximilian room of Driskill hotel in Austin. Mr. and Mrs. Herbert Hensley,

parents of the groom were hosts for a rehearsal dinner at the Sheridan terrace Monday evening.

The young couple were honored with several dinners and parties last weekend, which included a dinner at Westwood lodge Sunday evening, given by two uncles and aunts of the bride; Mr. and Mrs. Cooper of Austin and Mr. and Mrs. Smith of Oklahoma City.

The bride is a graduate of Notre Dame academy of Miami and is a sophomore at the University of Texas. She is a member of Chi Omega sorority.

Lynn is an honor graduate of IPHS and is a senior at the university. He will receive a degree next January. He is a member of Lambda Chi Alpha fraternity. This summer Lynn has been working as assistant manager of a finance company in Austin.

Whisenhunt-Spaur

Miss Noralene Whisenhunt became the bride of Donald Elmer Spaur on Saturday, Aug. 29. The bride is daughter of Mr. and Mrs. E. W. Whisenhunt. The bridegroom's parents are the late Mr. and Mrs. T. J. Spaur of Aberdeen, Wash.

Rev. Wilburn Callicott, minister of Westside Baptist church of Wichita Falls, officiated in the ceremony held in the Whisenhunt home.

The bride was attired in a princess style street length dress of shadow blue. She wore white accessories and completed her costume with a white mum corsage.

Mr. and Mrs. Leonard Whisenhunt of Olney, brother and sister-in-law of the bride, were attendants. She wore a pale pink street-length dress with white accessories.

The bride attended Iowa Park High School. The groom was graduated from Aberdeen high school and attended Taft Union college in California for two years.

The young people have established residence in the Herman Mahler apartment on West Clara.

STEVEN CHARLES MATHIS

Mr. and Mrs. Charlie Mathis received word this week of the arrival of a new grandson Steven Charles, born Monday, Aug. 31 in Dallas. Parents are Mr. and Mrs. Charles R. Mathis, 10036 Lakemere. Weight 7 lb. 13 1/2 oz.

TELEPHONE TALK

by Gene Brusenhan, Manager

The dove season opens on Tuesday and all the hunters are buying shotgun shells, oiling their guns, and making plans. I hope you each enjoy the season and bring home the limit on each trip, but please proceed cautiously and avoid shooting at the telephone lines.

A NEW HAT OR A COLOR PHONE

A friends of mine remarked the other day that August is a pretty hectic month around his house.

The kids are getting a little restless for school to start even though they'd never own up to it. And this restlessness doesn't exactly help his wife's attitude, either.

I know how restless the small fry can get, and it's hard to solve that one. But I did have a tip to offer my friend that would perk up his wife's morale.

"Since it's too early for her to buy a new Fall hat," I said, "why not order an extension telephone in her favorite color."

The happy ending to this story is that he perked up his wife's morale AND brightened their kitchen with a new color telephone.

P.S. It was an easy sale, because my friend is like most men. He's not exactly crazy about women's hats.

THE CALL THAT'S APPRECIATED

About this time of year, most of us are back from vacation with memories of good times fresh in our minds.

I've always thought that the best way to relive a summer vacation—and be courteous at the same time—is to call the people who helped make your vacation so much fun.

If you spend it with other members of your family, they'll be glad to know you arrived home safely. If you vacationed with friends, they'll enjoy hearing your voice again.

So why not make the call tonight that's really appreciated? Rates are lower after 6 p.m., and you can talk longer for less by placing your call station-to-station.

Call by number. It's twice as fast.

Hearthstone Fellowship Couples class of the Christian Sunday school met Friday evening, Aug. 28, in the home of Mr. and Mrs. Howard Key. The class will hold regular meetings on the second and fourth Thursdays of each month.

Members read and discussed the church constitution under direction of Mr. and Mrs. Chester Miller.

Officers elected are:
President: Mr. and Mrs. Jack Hamilton
Secretary and treasurer, Mr. and Mrs. Key
Study chairmen, Mr. and Mrs. Rollin Roberts
Social chairmen, Mr. and Mrs. Jinks Manes

Present for the meeting Friday were Messrs. and Mrs. Roberts, Miller, J. W. Cantrell, George Cutler and the hosts.

Mrs. Luther Watts visited Mrs. Fern Willhoit in Denton over the weekend. Mrs. Willhoit returned here with Mrs. Watts to visit. She resided in Iowa Park 28 years before moving to Denton last year.

THOMAS PACE REJOINS MIDWESTERN FACULTY

Dr. and Mrs. Thomas Pace and children, 1523 Hanover, Wichita Falls, would like to welcome all their friends to visit them. Since returning from Colorado they have been visiting friends and relatives in Beaumont, Houston and Austin.

Thomas is now in charge of the public speaking department at Midwestern university. They returned in time for Thomas Pace III to celebrate his first birthday on Aug. 31.

Miss Sue Thompson, home economics teacher, came here from Howe. She is daughter of Mr. and Mrs. Charles R. Thompson of Howe and niece of Rev. Homer Thompson.

She completed high school at Howe and received the BS degree from Baylor university at Waco.

Miss Thompson did graduate work at TWU, Denton, and the past several months served as a dietitian at Parkland hospital in Dallas. The past two summers she has served as dietitian at the Girl Scout camp of Tarrant county.

This is her first year to teach. Miss Thompson attends the Baptist church.

Karen Thrush and Peggy Underwood, who are head cheerleaders by popular vote, Carol Bates and Ruth Estes are on the annual staff. Lanny Starr is our senior FFA member.

Band members are Harry Sargent, Lelia Lowen, Ruth Estes, Floyd Browning and Portia McManus. Football players are Tony Waters, Gary May, Lyndell Glenn, Roy Boutwell and Donald Thompson.

Remainder of the class are either in some other activity, or they're literary wonders. Every senior (of 1960) is outstanding in one way or another.

A few seniors are enrolled in Spanish. It's quite fascinating but none of us is speaking it fluently as yet.

Six junior girls have enrolled in government class, which is made up largely of seniors. And naturally all six juniors are good-looking! The senior girls didn't seem to appreciate their arrival as immensely as the senior boys did. Of course we (the girls) don't think we have anything to worry about. We KNOW we do!

Jerry Reed came up with a brilliant idea (all seniors' ideas are brilliant) concerning a new bell system to end class periods. He suggested a miniature train running through the halls with a loud whistle. Of course there might be the matter of some complications, such as a few mangled students lying on the tracks, but if you had to try getting through our crowded hallways, you'd welcome almost any kind of mass student elimination, too. Almost any kind, that is.

We have a class song entitled "Seniors of 1960." It's sung to the tune of "Tom Dooley" and is quite inspiring. Maybe inspiring isn't the correct adjective in this case, but it is by no means a silly song.

There is considerable doubt it will break a million in record sales this year. If the public demands it, however, there's a chance it might appear in this column in the near future.

There is much school spirit this year—more I believe than I've ever witnessed in IPHS before. I know one thing: This is going to be an outstanding year, and I don't believe it will be due entirely to our having a good football team. Students seem to have a certain sense of loyalty and pride and ambition this year—in themselves, in each other and in the school.

Looking forward to the promising school year, and looking forward to next week, when I'll be "rattling off" again.—Portia.

Mrs. John Crow, 7th and 9th grade teacher, replaced Mrs. Harold Dykstra, who was transferred to the elementary school before school started.

Mrs. Crow resides in Electra

with her husband and daughter Dee Ann, 11 years old and 5th grade student. Mr. Crow is manager for Texas Electric Service company in Electra. They attend the Presbyterian church.

Mrs. Crow is a graduate of Wichita Falls high school and of Midwestern university. She received the BA degree in 1958. This is her first teaching job.

Brubaker Days

First Baptist church has designated Sunday and Monday, Sept. 13 and 14, as "Brubaker Days" honoring two outstanding members and pillars of the organization.

Mr. and Mrs. Robert R. Brubaker have devoted so much to the church through the years, and Bob has served for 38 years as superintendent of the Sunday School, which is an unusual length of time for a member to serve in any one capacity; and he asked that he be relieved of that responsibility for next year.

The Brubakers are highly respected in the community, being active in most every phase of civic, fraternal and religious affairs of Our Town. The church wants to extend appreciation and recognition to this couple, by celebrating these two days in their honor.

It is hoped an all-time record attendance will be set at the four services on Sunday; and then plans are underway for a covered dish buffet supper for 7:30 p.m. Monday, sponsored by the W.M.U., Mrs. Malcolm Mills, president.

Committees have been appointed to make this gathering an outstanding event, with a nice program, music, and appreciation expressions, along with a bountiful meal and a social hour.

Friends of this fine couple will be welcome to any and all of the services.

Auditions for a new drum major were conducted last week and Rosemary Clark, daughter of Mr. and Mrs. Ed Clark, was selected. She is a sophomore, first chair flutist, an honor student, and sings in the girls jazz quartet.

Peggy Weiss, daughter of Mr. and Mrs. Albert Weiss, was selected to be feature twirler for the band. She is a junior, first chair clarinetist, and an honor student.

Peggy and Rosemary are both students of Sue Bedford, former IPHS drum major.

It is not too late to join the band, says C. L. Vaughn, director. Anyone in grades through 11 is encouraged to learn to play an instrument and enjoy the music and practice in the newly air-conditioned band hall.

IT'S THE LAW
in Texas
A public service feature of the State Bar of Texas

TAKING THE 5th AMENDMENT

You have read of someone's "taking the Fifth."

Why does our constitution let people—some involved in crimes—keep on refusing to answer questions put to them in courts, before investigating committees and government agencies?

Because no man can be called on to accuse himself or give evidence against himself.

Where did this rule come from? From the church canons.

Long ago under common law, witnesses or parties took an oath and talked a lot or a little as their consciences bade.

Later an English law put witnesses under an oath somewhat like the church's oath; but the judge could subject them to sharp questioning, even torture. The king, for example, punished "heresy and sedition" this way.

England at last changed the law: Before anyone had to take an "inquisitional" oath, someone had to

accuse him of a crime or show that he was "notoriously suspicious." No more "fishing expeditions." No man had to accuse himself.

By 1700 no man had to testify if to do so could bring on his own punishment. The American colonies adopted this rule, and as the Fifth Amendment wrote it into our constitution as the Bill of Rights.

The Fifth applies in two ways:
1. The accused need not testify at all in his own behalf, but only when he or his own lawyer (not the prosecuting attorney) wants him to. Once he testifies though, the prosecution can cross-examine him—and then he may have to answer.

2. Witnesses called on to testify who are not the accused must testify, but not if their answers would tend to incriminate them. Sometimes a witness will refuse to answer seemingly harmless questions. To answer them may open the way to force him to give more incriminating answers.

Who decides if a question would tend to incriminate? The judge. If he finds a question would not tend to incriminate, he may order the witness to answer or be punished for contempt of court.

In Texas the accused on trial need not testify in his own behalf. And if he doesn't, the prosecuting attorney may not comment to the jury about his failure to explain the facts against him.

Sure... I'm glad you called

Seniors

Doors of IPHS swung open Monday morning at 9:00, and 34 seniors—some reluctantly, some happily and some just unconsciously—began their last year.

Several things are different here this year, which is a good thing, because tradition should give way to better and newer ideas.

I've a feeling that before this year is over the seniors will do their part in changing several traditions, or at least altering them somewhat.

Some changes are: There is no home-room check; when the tardy bell rings you are in your first-period class; school takes up at 8:40 instead of the customary 9:00; there is a 20-minute activity period between second and third periods, set aside for organizations such as FFA, FHA, annual staff, etc., to meet; breaks between classes are four minutes instead of five; and the band hall, along with three new classrooms built in the old gymnasium are air-conditioned.

Most of our seniors are quite active. We have two cheerleaders:

Newlyweds to Reside in Kansas

White gladioli and mums enhanced the altar of St. Jude's Catholic church, Saturday, Aug. 8, when Miss Myra Joan Schaffhauser exchanged nuptial vows with Dwayne Weldon Craig. The Very Rev. Msgr. Charles Girardot was officiating clergyman.

Parents of the bride are Mr. and Mrs. Albert T. Schaffhauser of Ft. Wayne, Ind. Her husband is son of Mr. and Mrs. James W. Craig sr. of Iowa Park.

Chantilly lace and silk organza over taffeta fashioned the bride's gown, which was marked with a scalloped, jeweled V neckline and short sleeves, with the full organza skirt featuring jeweled lace appliques. A lace cloche with pearl pendant held in place her shoulder veil of French illusion and she carried a cascade of white roses.

As her sister's honor attendant, Mrs. LeRoy Tieman of Lawrenceburg, Ind., appeared in a capucine taffeta dress with shawl collar and a skirt flowing from unpressed

pleats to street length. She wore a matching feather headband and carried yellow roses in a cascade arrangement.

LeRoy Tieman was Mr. Craig's best man while Warren Schwartz of Inkster, Mich., and Maj. Earl Buchan of Ft. Campbell, Ky., both brothers-in-law of the bride, were ushers.

Breakfast was served at the Orchard Ridge country club near Ft. Wayne, where a reception also was given immediately following the wedding ceremony.

Mr. and Mrs. Craig were recent guests of his parents here. They are making their home in Leavenworth, Kans., where he is employed with the government and she is entertainment director for Ft. Leavenworth.

Mrs. J. W. Craig of Iowa Park recently received an airmail letter from her daughter-in-law Mrs. C. H. Walters of Tulsa, mailed aboard ship on her way to San Francisco from New Zealand.

Mrs. Walters and daughters Carol and Diane had been visiting her parents Mr. and Mrs. R. H. Wood, whom she had not seen for five years.

Mr. and Mrs. Craig have been residing in Iowa Park a year. He is retired from his work with Warren Petroleum corporation.

Mrs. E. H. Almond, 1st grade teacher, resides here with her husband and two sons: Bill is a sophomore at Texas Tech in Lubbock and Bob is a senior in IPHS.

Mr. Almond is superintendent of the Warren Petroleum plant near Holliday.

Mrs. Almond was graduated from Salem (Iowa) high school and attended Iowa Wesleyan college at Mt. Pleasant and has been attending Midwestern university.

She taught four years in Iowa and five years in kindergarten at Cypress Fairbanks near Houston. The Almond family attend the Methodist church.

Principal James Elms reports the enrollment of Junior high is 184 and of senior high, 232.

This is 15 more than last year, with the distribution as follows:

7th grade 92
8th grade 93
9th grade 84
10th grade 64
11th grade 54
12th grade 32

Miss Ethyle Kidwell reports 523 in the elementary school, distributed as follows:

1st grade 97
2nd grade 85
3rd grade 89
4th grade 86
5th grade 81
6th grade 85

Enrollment is not yet complete, but at present Iowa Park schools have a total of 939 students.

This is fewer than school officials anticipated.

Supt. Keith Swim asks the people of Iowa Park to be cautious in driving during school hours—and especially near the school.

Children sometimes dart out in front of cars and other times take chances—crossing streets, even though they are taught to be more careful.

"Let's all help save a child's life" says Swim.

CITY BEAUTIFICATION

Mmes. L. E. Brooks, Buck Voyles, Allen Ray Watson, W. E. Karstetter made a tour last Tuesday and decided that First Baptist church merits receiving the Church of the Month marker because of much improvement during the past year, growth of a beautiful lawn, shrubs close to the building. All helped to make beautification efforts outstanding.

Mr. and Mrs. Clyde Skinner received the Home of the Month marker because of much work and improvement in their yard. A pretty lawn well kept all summer, flowers, petunia, verbena and zinnias have been beautiful, a mimosa and a weeping willow tree, well-placed flower beds, a producing vegetable garden in the spring—all show much work and helped to make their place an inspiration.

GULF TIPS

"Told you I'd have it purrin' like a Kitten."

It's a safe bet that proper "care" would have kept the car WELL a lot longer. Getting the habit of letting us check your gas, oil, battery water and tires gives longer life to cars.

THE HOME OF GREATER VALUES

IF YOU LIKE MONEY, YOU'LL LIKE BUYING A CHEVY NOW!

IT'S BEST-BUY SEASON ON NEW CHEVROLETS RIGHT NOW . . . AND YOU'LL NEVER DO BETTER BY YOUR DOLLARS STOP by your Chevrolet dealer's and see the Season's most wonderful model's worth. Better make it soon!

IF YOU LIKE GETTING YOUR MONEY'S WORTH, YOU'LL LIKE CHEVY'S 7 BIG BESTS!

BEST BRAKES . . . STOP ON A DIME AND GIVE YOU MORE STOPS PER DOLLAR They're bigger too. With 'em, Chevy out-stopped all competitors in its field in a NASCAR* conducted test of repeated stops from highway speeds.

and said that ". . . in its price class, Chevy establishes a new high in daring styling." Chevy's leadership in sales for '59 says a lot for its looks too!

BEST RIDE . . . CARRIES YOU AS CAREFULLY AS IT PAMPERS YOUR DOLLARS "The smoothest, most quiet, softest riding car in its price class." That's the way MOTOR TREND magazine describes Chevrolet's cream-smooth ride. It's way more fun to sample than to read about though. Get out in a Chevy and see what Full Coil springs do.

BEST ENGINE . . . YOU COULD SPEND JARFUL OF JACK AND NOT GET A V8 LIKE CHEVY'S Talking about our standard as well as Corvette V8's, SPORTS CARS ILLUSTRATED says, "Indeed, this device is

surely the most wonderfully responsive engine available today at any price."

BEST ROOM . . . NO CRAMPED QUARTERS Let's take the official figures filed with the Automobile Manufacturers Association. They show Chevrolet's front seat hip room up to 5.9 inches wider than in comparable cars. Count on real comfort.

BEST TRADE-IN . . . YOU GET MORE DOLLARS BACK FOR YOUR CHEVY Last year, for example, Chevrolet used car prices averaged up to \$128 higher than comparable models of other makes. Just check the NADA* Guide Book.

BEST ECONOMY . . . SOCK AWAY YOUR CHEVY SAVINGS As sure as two Chevy Sixes won their class in this year's Mobilgas Economy Run, getting the best mileage of any full-size car!

BEST STYLE . . . BEAUTY THAT DOESN'T DEMAND A BIG BANK ROLL The experts at POPULAR SCIENCE magazine looked them all over

Now there's an Impala Sport Sedan . . . one of Chevy's full series of Impalas for '59

See your local authorized Chevrolet dealer—you might as well get the most!
