LIONS CLUB

Members of the Lions club en-
joyed a program presented by Ben
Hildebrand at the Tuesday lunch-
eon. His topic was Insurance Ad-
justing.

Hildebrand explained what insur-
ance adjustors do in case of ac-
cidents and their part in investigat-
ing claims.
Insurance adjustors can be on
the job anywhere in the United
States within three hours, unless
storms or floods make travel im-
possible. Lion Hildebrand works
in the Wichita Falls office of
General Adjustment Bureau, which
employs six adjustors.

Supplementing his talk, Hilde-
brand showed color films of the
destruction wrought in Louisiana
by Hurricane Debra in 1957.
Next week, Frank Ikard, con-
gressman of this district, will be
guest speaker for the Lions.

Warren Silver, consultant for
KFDX-TV in Wichita Falls, spoke
to members of the Iowa Park Even-
ing Lions club Tuesday, explain-
ing the set-up of that locally
owned television station.
Silver said: "TV has great im-
pact. There are five categories of
service to its viewing public: edu-
cation, sports, entertainment, po-
litical information, and commercial
news.

"Television brings to people
many things they would not other-
wise see and know: outstanding
shows, sports events, political and
historical events and the like.

"Channel 3 has a viewing area
of 25 counties in Oklahoma and
39 counties in Texas. Its tower is
1,049 feet high, and its programs
are from NBC and ABC, besides
the locally originated materials.

"Channel 3 has 40 employees
working in four departments: sales
and management, program, pro-
duction, engineering."

Silver explained the weather re-
ports. They come directly from the
U.S. weather bureau and no per-
sonal opinions are allowed to be
inserted into the official forecast.
Silver reported surveys made in
this area show that Westerners are
the most popular entertainment
feature.

Arch Hughes, president, remind-
ed members of Ladies Night set
for 6:30 on Oct. 27. He also an-
nounced the zone meeting to be
held in Wichita Falls on Nov. 9.
Hughes urged Lions to bring into
the club as many members as
possible during October, official
membership month.

Resigns

Loys B. Barbour offered his re-
signation from the Texas Farm Bu-
reau board of directors at a meet-
ing held this week of District 3
county presidents and secretaries.
Barbour will serve until the state
convention to be held in San Anto-
nio Nov. 8-11. At that time his
successor will be elected.

Loys has served as Dist. 3 di-
rector for 18 years. In a letter to
district leaders, Barbour said that
expansion of his farming opera-
tions does not leave him sufficient
time to promote the FB program.
During the past 18 years Dist. 3
has grown from less than 500 to
more than 6200 members.

Loys is an Iowa Park product,
born and reared on the farm where
he now resides. He is son of Mr.
and Mrs. Im Barbour.

He was married to Miss Mattye
Marye Kiker, Oct. 20, 1935. They
are graduates of IPHS. They have
one son James Loys and a grand-
son James L. Jr., both of Wichita
Falls.

HAWKS 44 MOGULS 0

Iowa Park Hawks scored in all
four periods last Friday night at
Munday, to pile up a 44-0 victory
over the Moguls. This was the
second district 11-A win for Iowa
Park, with no district losses.

The Hawks made 406 yards by
rushing, 83 yards passing and had
four touchdowns nullified by of-
fensive mistakes.

After 4 1/2 minutes of play in the
first quarter, Lyndell Glenn ran
the final 27 yards of a 72-yard
march which used 11 plays. He
also ran over the extra points.

A pass from Glenn to Eddie Ti-
grett for 25 yards netted the sec-
ond score. A pass to Gary May
added the extra points.

Before the half was finished, a
two yard plunge by Glenn brought
6 more points, and the pass to
Donald Thompson brought the two
points.

QB David Parkey scored the 4th
TD, going off tackle 25 yards.
Glenn again passed to Thompson
for the conversion.

Early in the 4th period Mike
Caldwell, fullback, ran 7 yards for
the counter. The conversion run
failed.

HB Bobby Glibreath scored the
final 6 points with a 72-yard gal-
lop.

As the clock ran out, Munday's
Moguls owned the ball on the
Hawk 2-yard line.
Hawks, coaches and fans go this
Friday night to Crowell, where a
tough foe awaits them.

United Fund

United Fund drive will be con-
ducted in Iowa Park and surround-
ing area the first week in Novem-
ber, beginning Monday, Nov. 2.
A large number of volunteer so-
licitors will join in the annual
campaign with a goal of \$4,600.
It is planned that each block
will have a Block Worker or a
Neighborhood Worker. This will
provide opportunity for workers to
do the drive in shorter time and
have more persons take part in
community affairs.

The Iowa Park United Fund has
no connection with other United
Fund drives of other towns or
cities. It benefits six agencies which
have been carefully screened: Boy
Scouts, Camp Fire, Red Cross, Lit-
tle League Baseball, Welfare and
USO. It is Iowa Park's responsi-
bility to carry its load in these
agencies.

Iowa Park has three Boy Scout
troops and these units receive as-
sistance from the executives in the
Boy Scout office in Wichita Falls.

Camp Fire Girls and Blue Birds
is another organization quite active
here, but it takes executives to
carry on the planned work. Both
these organizations retain a per-
centage here at home to carry on
their year's work.

We know what Red Cross means
to our community—with the blood
bank in Wichita Falls and helping
families in our area when disaster
strikes.

USO is an agency that helps the
men and women in service "have
a home away from home" and it
is our responsibility to help main-
tain the USO for SAFB person-
nel.

Little League baseball is one of
the activities here that give the
boys of Our Town opportunity to
develop good sportsmanship, team-
work and good baseball playing.

The welfare is one of the agen-
cies standing ready to assist those
in need.

If everyone can see fit to con-
tribute to this important drive,
Iowa Park will have no difficulty
reaching the goal of \$4,600.

Texas Electric Service company
office will serve as headquarters.
A 40-foot thermometer is to be
erected near the post office. Each
day during the drive the amount
will be posted on this large ther-
mometer to inform us how we
stand in the campaign.

ington, Kans., he had resided in

cil of Iowa Park and Clair of

Gerald Combs Winning Praise as McMurry Back

It's really tough for a little fel-
low to make the cast in college
football, but Gerald Combs forgot
to read the script. Combs is Mc-
Murry college's 5-4, 135-lb. package
of dynamite that carries a short
fuse.

Pound for pound, he's as good
as they come, and better than most.
Blessed with excellent co-ordina-
tion and timing, and just enough
speed to make things really inter-
esting, Gerald has sent thousands
of grid fans screaming to their
toes with his hair-raising exploits.

This bundle of grit and deter-
mination failed to read somewhere
down the line that football is con-
sidered a sport for big men.

But is really doesn't make much
difference to the former Hawk
ball carrier. He's out-manuevered
more players twice his size than
those with similar measurements
as his own.

That's where many of McMurry's
opponents have sold Gerald short.
He's a stinger on defense, and
given the ball a time or two on
offense he makes things interest-
ing.

Combs was the one bright spot
in the Indians' defense recently
against the powerful New Mexico
State university Aggies. There were
several pile-ups when he was the
last to get up. And when he did,
he had been wound tightly around
the ankles of an Aggie ball carrier.

Aggie fans raved about "that lit-
tle fellow." He caught two passes
against New Mexico State for 39
yards, including one he juggled
from one hand to the other for

what seemed an eternity.

The big Aggie line, like other
Indian opponents, wound up with
an armful of nothing on several
occasions when Gerald came scoot-
ing by with the ball.

That's Gerald's greatest asset—
co-ordination and timing. He's as
slippery as an eel to catch and
can cut as fast as a cat can wink

an eye.

Combs' statistics this season are
phenomenal: He's second leading
scorer on the squad with 15 points;
No. 2 pass receiver with seven
catches for 177 yards; third in
ground gaining with a 53-yard
average; which is posted with 126
yards gained in 24 carries; is No.
1 in kickoff returns with two for
46 yards; has returned one punt
for 30 yards; and owns one pass
interception.

Several colleges refused to take
a second look at the "mighty
mouse" in his prep school days.
He went from IPHS to Navarro
junior college in Corsicana. That's
where McMurry coach Tommy Ellis
spotted him. Ellis admits that
he too was dubious about taking
Combs. But it took only one game
film to convince Ellis that Ger-
ald had plenty of courage.

Ellis often has remarked that
Combs "fears nothing." For fear
of injury, Ellis usually inserted
Combs into the lineup for spot
performances.

Gerald's spot playing this season
has earned him a few stripes for
longevity. Ellis is convinced the
little fellow can take care of him-
self, and has put him in the start-
ing lineup several times.

Combs has suffered only one in-
jury at McMurry. That was in his
sophomore year: a broken ankle
in a practice session.

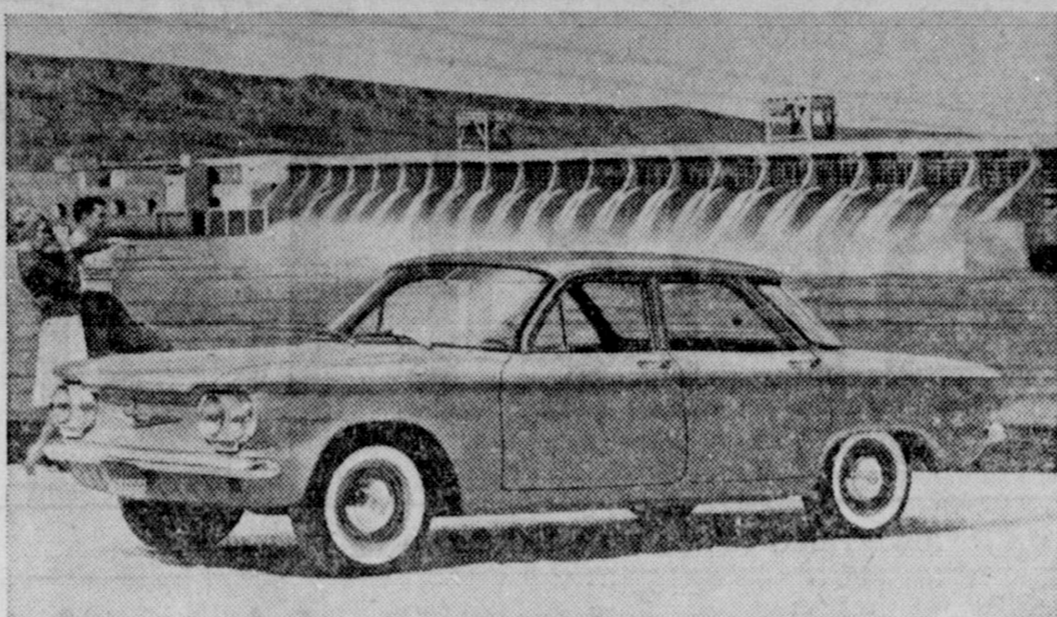

Combs is the Indians' power-plus
man, the go-go player and the
clutch runner. You can bet that
wherever McMurry goes, Combs is
sure to be along.

Birthdays party honoring Mike Hicks, 7, and Richard Hicks, 4, was given Saturday morning at the Carlton Hicks home, 415 West Aldine.

Fine time was had by all playing several games. Then refreshments of cake and fizzes were served to guests by Mmes. Hicks, Oscar Singleton, Sam Hunter, Lloyd Lowe.

Guests sharing Richard and Mike's party were Gary and Carol Hunter, Debbie and Rodney Singleton, Aoger and Dennis Perry, Gene and Diane and Kindra Erickson, Dyan Williams, Mark Mills, Mike Klappenbach, Larry Wakefield, George Rufus and Nancy Huckaby.

Crisp styling and air-cooled engine in CHEVROLET'S COMPACT CORVAIR

An aluminum, air-cooled engine mounted at the rear is among a multitude of mechanical features Chevrolet has originated for its all-new Corvair. A car that seems small only when you park it, the Corvair boasts "big car" roominess and performance due to a long-term engineering study of compact design. Low, fleet styling in accord with American tastes, a unique suspension system and unitized body-frame construction are among other features in the six-passenger four-door sedan. All 1960 Chevrolet cars will be on display in dealer showrooms on October 2.

We are proud of our new flag. It has 50 stars and was given to the sixth grade by the 1958-59 class in Mrs. Reeves's room.

SHINING BLUE BIRDS

Shining Blue Birds met Tuesday in the home of their leader Mrs. Bill Guthrie. Refreshments were served by Patti Brown.

The girls made Chinese fans of popsicle sticks and cardboard. They also played some games.

Present were Mary Swanson, Linda Smith, Judy Balch, Amy Covington, Patti Brown, Jodi Guthrie, Brenda Fox, Becky Spruiell, Jerri Robertson, Connie Denton, Linda Entrop, Nadine Henson, Kathryn Rains, Brenda Paterson.

This 1960 Ford Galaxie Town Victoria shares the all-new styling characteristics of the other Ford models, yet bears unmistakable resemblance to the elegant Thunderbird profile. The new Galaxie is one inch lower than the 1959 model, but has more interior room for six big persons than ever before. The Galaxie also is available as a two-or four-door sedan. All Fords for 1960 have the slim-line, forward sloping front roof pillar that eliminates the "dog leg" for easier entry.
