Banquet Speaker

Curtis Cook, managing editor of Wichita Falls Record News, will be guest speaker of the annual All-Town Banquet to be sponsored by the Chamber of Commerce and held in the high school gymnasium here Tuesday evening, Dec. 2.

Cook is always in great demand for after-dinner speeches. He has addressed both Lions clubs and several other organizations here, and was well praised for his interesting and informative talks.

Curtis was born in Seymour, son of a Methodist minister, graduated from Wichita Falls high school and junior college, attended colleges in Houston, Chicago and New York for advanced study.

Mr. Cook worked on newspapers in Houston, San Diego and Chicago before coming to the Record News. He has also worked for United Press, an international news gathering agency.

He has held every position on the Record News, such as reporter, photographer, sports editor, state editor, telegraph editor, city editor.

Cook has been on every continent except Australia.

His interest in progress has resulted in Cook's holding offices on 20 civic boards such as Chamber of Commerce, Deaf School, Boys club, Optimist club, Zoning commission, and the like.

Cook teaches the Men's Bible class of Floral Heights Methodist church school. He organized the journalism division at Midwestern university and taught there four years.

He has won many major news photography and news stories prizes, including a citation last year from Associated Press for his handling of a tornado story in Wichita Falls. That is the highest possible professional honor.

The speaker is a member of the National Associated Press Managing Editors' association.

His special interest is with the boys of Boys club age. In this he has been chairman of a scholarship committee for eight years.

His personal hobbies are flowers—especially dahlias and peonies—and color photography.

City Buys Fire Truck

City of Iowa Park has bought a 750 gallon pumper truck for the Volunteer Fire department. The chassis was purchased from Shaw Motor company, local Ford dealer. It is a C-850. The order was placed Nov. 17.

The body is being fabricated and placed on the chassis by Boardman company of Oklahoma City, and equipment for the new truck is being supplied by Fire Appliance company located in Wichita Falls.

The truck will be delivered from the Ford factory to Boardman for assembly, and the complete unit is expected to arrive here in the latter part of January. It will be designated Fire Truck No. 4.

Property owners here will enjoy cheaper fire insurance rates as a result of purchase of this truck. Serving on the committee for the purchase are the mayor and members of the City Council, and representatives of the fire department—John Mixon, Roy Crabtree, Donald Hill, W. A. George, and James Cates.

To Enlarge City Hall

The City Council had a busy regular session this week, due to expanded responsibilities of the City in the fact that a new truck for the fire department is necessary.

Regulations of the State Fire Insurance Commission are that our population growth has reached the extent whereby the state laws now apply. Due to the fact the new fire truck will be longer and higher, it is necessary to construct a building suitable to house it.

The city has the problem of maintaining fire fighting equipment in a centrally located spot, as the state regulation requires, it was deemed necessary to have a central station located in the area where the most real estate investment is located.

The addition to the present City Hall and Fire Station, with proper minor provisions will cost about \$8,000. The building is to be extended north with an opening for the Fire Station on Cash street.

The present Fire Station will be remodeled for office space for the City Police department and Tax Office. The City Hall will be remodeled and circular counters will be installed for the convenience of customers using water bills.

The plan calls for public rest room, rest room and our people, visit the City Park for picnics, parties and the like.

Carl Sullivan was hired by the City as supervisor of the construction. All workmen employed on the project will become city employees, paid by the City under the retirement plan of the city and the city compensation program.

Mayor Bert Van Horn said it is hoped the building will be completed by the time the new truck arrives.

Crowell 40 Keller 36

District 11-A was well represented here Friday night when Crowell Wildcats took the measure of Keller Indians, District 12-A champions, by the fine score of 40-6.

The Crowell line opened large holes in the Keller defensive line to send fast backfield through for 20 first downs and 303 yards rushing.

Keller sustained only one drive to a touchdown, and that came in the fourth quarter when all hopes of victory were gone.

Officials of both schools were high in their praise of Iowa Park as the host school for this game. Keith Swim, superintendent of the local school, reports Crowell and Keller divided more than \$1300 ticket money after expenses.

Printed programs with line-up information were furnished for sale by the Iowa Park Chamber of Commerce and the Herald.

Crowell is scheduled to meet Albany this Friday at Seymour.

Responsive Reading (Psalm 103:1-18) Congregation

Bless the Lord, O my soul; and all that is within me, bless His Holy Name.

Bless the Lord, O my soul, and forget not all His benefits:

Who forgiveth all thine iniquities; who healeth all thy diseases;

Who redeemeth thy life from destruction; who crowneth thee with lovingkindness and tender mercies;

Who satisfieth thy mouth with good things; so that thy youth is renewed like the eagle's.

The Lord executeth righteousness and judgment for all that are oppressed.

He made known His ways unto Moses, His acts unto the children of Israel.

The Lord is merciful and gracious, slow to anger, and plenteous in mercy.

He will not always chide: neither will He keep His anger for ever.

He hath not dealt with us after our sins; nor rewarded us according to our iniquities.

For as the Heaven is high above the earth, so great is His mercy toward them that fear Him.

As far as the East is from the West, so far hath He removed our transgressions from us.

Like as a father pitieth his children, so the Lord pitieth them that fear Him.

For He knows our frame; He remembereth that we are dust.

As for man, his days are as grass: as a flower of the field, so he flourisheth.

For the wind passeth over it, and it is gone; and the place thereof shall know it no more.

But the mercy of the Lord is from everlasting to everlasting upon them that fear Him, and His righteousness to children of children.

To such as keep His covenant, and to those that remember his commandments to do them.

23 Study Club School News

Mrs. O. C. Egdford of Wichita Falls presents a travelog illustrated by slides when the 23 Study Club met Nov. 19 in the home of Mrs. C. W. Coppock.

As leader for the afternoon, Mrs. C. E. Birk stated that Mrs. Egdford's travelog of Africa given for the club last year brought so many favorable comments that she was a "must" for the current year's program.

Mrs. Egdford related that her party left New York in July. After some time in Ireland, Scotland and England, they went to Norway, the Land of the Midnight Sun.

Highlight of her trip was the cruise above the 80th meridian to Svalbard or Spitzbergen, Norway. The voyage was made on the ship Meteor, which is sturdily built to withstand icy waters. She described the celebration aboard the Meteor when the Arctic Circle was crossed.

Mrs. Egdford told of their visit to New Allison, the northernmost post office in the world.

Among the most interesting pictures of Norway were the stave churches (built without benefit of nails), the outdoor museums where old life is preserved, and the small mining and fishing settlements.

Slides were also shown of Denmark, which the speaker said is "the most wonderful place in the world except Texas." Her pictures of the old castles and churches were of unusual interest.

Mrs. Homer Blalock, club president, led the members in the pledge to the flag to open the meeting. Mrs. Rollins Woodall offered a prayer.

For the devotional period Mrs. K. P. Abernathy gave "Pray for Thanksgiving," a meditation written by Rev. and Mrs. Donald F. Baub, missionaries to Africa.

Mrs. O. E. Lochridge presented an organ solo "Theme from Warsaw Concerto" (Richard Addinsell).

Other members present were Mmes. W. G. Steele, C. J. Thurber, Dave O. Harbucor, Richey Abernathy, Homer Thompson, Florence Sherwood, C. L. Metz, James A. Sewell, Sam Hill, R. R. Brubaker, Fred Widmoyer, Earle L. Denny, C. J. Simpson, Carroll Duke, T. M. Thaxton, L. E. Brooks, Noel Troutman.

WCS

Circle II of Woman's Society of Christian Service met in the home of Mrs. Gene Owens at 9:30 a.m. Tuesday. The meeting opened with a Thanksgiving prayer led by the circle chairman.

During the business period plans were completed to send Christmas gifts to patients at state hospital.

Mrs. Ida Chatelain presented the missionary program "Relocated Chinese Christians" which included Methodist work in Malaya, Sumatra, Sarawak and Burma. Mrs. Chatelain was assisted by Mmes. W. F. George, Carl Sullivan, Bess Smith, C. J. Simpson, J. V. Holm, Carrol Hester and W. C. Albright.

The closing prayer was led by Mrs. C. J. Thurber.

Mrs. Owens served a delicious coffee plate to 21 members and a baby lifemember, little Amy Griffin. Others present were Mmes. Allen Bennett, James Elms, Bill Griffin, Herman Mahler, W. M. Owens, E. H. Pearce, Eldon Thompson, Miles Thompson, James Todd, J. C. Brown, D. O. Smith.

Park Area Club

Park Area club met Nov. 18 in the home of Mrs. Virgil Munden. Mrs. Lowrance opened the meeting and Mrs. Karstetter had the opening exercise. The group sang "Others" and Mrs. Karstetter led the devotional.

Roll call was answered with "I will (or will not) bring a gift for the state hospital."

Mrs. Todd gave the treasurer's report and read Mrs. Jones's report on the Council, since Mrs. Jones was absent due to illness.

The Council Christmas party will be Dec. 9 at 1:30 p.m. at Sunnyside church in Wichita Falls. The Merry Makers club is in charge of arrangements.

There will be an officers' training school early in January at Texas Electric Auditorium in Wichita Falls.

Park Area's Christmas party will be Dec. 15 at the Karstetter home. Mrs. Harold Lynn was made Council delegate for 1960 to replace Mrs. J. W. Farmer, who has resigned.

Club members voted to donate \$5 to the United Fund and to buy a \$5 bond from the Tuberculosis association.

Mrs. E. J. Hawkins was introduced as a new member.

The food demonstration was on "Eggs in Family Meals" given by Mrs. Lynn and Mrs. Munden.

The hostess served refreshments to 13 members.

Mrs. Brooks will install 1960 officers at the Christmas party.

ABUNDANT LIFE

by ORAL ROBERTS

LET GOD WORK THINGS OUT

A friend of mine says he believes "right things always happen" and "God will always work things out for us if we will let Him."

Says Clinton Davidson, head of a company on Wall Street in New York City: "I believe God is interested in everything that touches your life, the big, important events . . . and the small, insignificant ones."

He tells of a time when he and his partner, Morris Townsend, had spent a very busy day in one of America's largest cities, and how God undertook for them in a small but important way.

"At 4:30 in the afternoon," he said, "we realized we had forgotten to confirm our airline reservations. Morris called to check."

"The flight leaves on time," he was told, "but since you did not confirm your reservations six hours before flight time, they have been sold."

He said that if he and his partner had missed the airplane, they would not have reached home until 11 o'clock the next morning. "I had important things to do," Davidson said.

They decided to go to the airport and take their chances of getting on the plane, for there was no other way to get home that night.

On the way to the airport, Davidson took the problem to God.

"Father, if from your viewpoint it is best, I should appreciate very much your arranging for us to go on this plane. Thank you for taking care of it, Father."

"Suddenly, I had nothing to worry about. I knew the right thing would happen," he said.

"When we got off the bus, I asked Morris, 'Did you ask God to take care of this for us?'"

"He looked greatly chagrined and said, 'No, Clint, I overlooked it.'"

"Well, I did!" I told him.

"We walked to the counter and handed our tickets to the young lady there. She looked at them, checked them and handed them back."

"Your plane will leave on time," she said.

"After we got on the plane, I looked it over. There was not one vacant seat!"

Davidson says this is just one of those little things that "have a way of taking place." But little things like this happen all the time to those who have sufficient faith in God.

"To me, it is so very easy for God to work things out that they seem almost accidental."

"But these accidents are incidents that happen on purpose—God's purpose."

Do you let God work things out for you, as Clinton Davidson does?

God can help you solve all your problems! Sometimes He has to do most of the work. At other times He lets us carry the bigger part. But at all times He is interested. And when we need Him, He is available.

A special meeting of the Christian Women's Fellowship was held Monday afternoon in the Christian church here. The occasion was to hear Mrs. Paul Kennedy, director of the home for the aged at Juliette Fowler Home in Dallas.

Twenty women heard her most inspiring and informative message.

Mr. Kennedy accompanied his wife here and made a short report on his work at Jarvis college in Hawkins.

Additional information about the two branches of church outreach was learned in the question and answer period and social hour which followed.

Mr. and Mrs. Kennedy were missionaries to the Philippines before World War II and returned after the war for rehabilitation work. In the interim they resided in Little Rock, Ark., where he was state secretary for Louisiana and Arkansas UCMS.

Their work carried them to both Luzon and Manila. Upon returning to the States, Mr. and Mrs. Kennedy were in California helping with organization and expansion programs for church buildings. At present Mr. Kennedy is in endorsement and student work activities for Jarvis.

District Judge Graham Purcell spoke to Lions club members Tuesday on "What Wichita Falls is trying to do to provide a vocational school for girls and boys."

He revealed there are more than 500 children of school age in Wichita Falls who are not attending school. These youngsters are wasting time, some are destroying property, and making general nuisances and problems for law enforcement authorities.

"The reason most of these children are not in school is, they do not fit into the school curriculum and it is our duty to them and to ourselves to see that these children get a curriculum that fits them. If they can have vocational guidance and be shown they can do things of value and interest, there will not be so many idlers."

"Most of these misfits have no encouragement at home, but with a vocational program they can find themselves and live worthwhile, productive lives."

"We owe the bottom 10 per cent as much as we owe the top 10 per cent."

Lion Sam Hill introduced as a guest Raymond Schuck, young son of Lion Gene Schuck.

The group enjoyed Thanksgiving music furnished by Sweethearts Harriett Coppock and Esther Thornberry.

Mrs. W. E. England of Seymour is visiting here with her daughters Mrs. Carroll Duke and Mrs. Jessie Norton this week. Sister last Saturday were another sister and husband Mr. and Mrs. Burney Neathery of Seymour.

Frankie Copeland of Corsicana will visit here with his grandparents Mr. and Mrs. E. H. Copeland during the Thanksgiving holidays.

Bob Howington will spend the holidays in Ft. Worth visiting his parents.

Because of public demand the State Board of Insurance has promulgated the TEXAS SAFE DRIVER INSURANCE PLAN effective January 1, 1960. The Plan provides for reduction in automobile insurance premiums for careful drivers who have had no accident or moving traffic violations for a period of three years, this period being the three years ending 90 days prior to date of insurance policy. Drivers with a record of accidents and traffic violations will be penalized by paying higher premiums and in some cases the penalty can be as much as 100% increase in their premiums.

This PLAN is mandatory and all Insurance Companies and their Agents doing business in Texas must adhere to the rules and rates as promulgated by the State Board of Insurance including the securing of the signed application.

All policies dated after January 1, 1960 will be issued only upon a written application completely filled out and signed by the applicant for insurance. Loss of Leg and Years of Illness Leave Iowa Park Woman Thankful

by Hazel George
As the 1959 Thanksgiving Day approaches, we the people of Iowa Park, Texas, USA, have the privilege of looking around and seeing all the many things to be thankful for in our community.

We have good schools, many fine churches, new and old friends, and our families.

Just stop and think of the large number of beautiful new homes that have been built in Our Town this past year. That means our population has increased. Many former residents have returned.

Among those who have returned to Iowa Park to make a home is Mrs. Mary Coleman Catron.

Although Mary has lost one leg from surgery and the other is in a brace, she says she has much to be thankful for—"her children, family, and a host of friends."

Mary is daughter of Mr. and Mrs. Arnold Coleman of Iowa Park, born near Marlow, Okla. She moved here with her parents in October, 1948, and was graduated from IPHS in 1950.

In April 1952, while employed as cashier with Levine's in Wichita Falls, Mary fell from the upstairs porch of the apartment house in which she was residing. She was playing ball with a small boy. The railing broke as she leaned against it. The fall broke her back and she was confined to the hospital for six months.

She had to wear a brace on her back for eight months and braces on her legs. After a year, Mary was able to discard the brace from the right leg, but she has had to wear one on her left leg since the accident.

Two and a half years ago a bone infection developed in the right foot and she was hospitalized for a month at Baylor hospital, Dallas, in 1958.

This past summer the doctors told Mrs. Catron she must have the foot and part of the leg amputated immediately. She went to John Sealy hospital in Galveston for the surgery. They had to amputate just below the knee. She was in Galveston five weeks before she returned to Iowa Park and her family.

Mary was married in March 1953 to David Catron and they lived in Texas and New Mexico before returning to Iowa Park, where she has purchased a home on North Alcott street.

Mrs. Pearl Coleman, grandmother of Mary, is making her home with Mrs. Catron and her three children: Laura Lee 5, Brenda Sue 2 and Jon Kevin 4 months.

Despite her disability, Mary is able to carry on her work as a mother and assists with the housework. She is looking forward to the time when she gets an artificial leg.

Through it all, this young mother is able to smile and see the sunny side of life. She said, "Tell the churches of this area and the people of this community how much I appreciate what they have done for me."

Thanksgiving

By Homer W. Thompson, Pastor
Iowa Park First Baptist Church

"It is a good thing to give thanks unto the Lord." Each and every blessing that man enjoys is a gift of Almighty God.

The Pilgrim Fathers, who came at the end of the first harvest in the New World, to offer thanks to God, did so because there was in their hearts a desire to be grateful to Almighty God for His blessings on them in this new adventure. These Pilgrims demonstrated far more wisdom and insight, in recognizing the source of all blessings, than many of our day practice. They knew where their blessings and health came from, and they went direct to God to express their gratitude.

These Pilgrims were driven by an inner conviction to find a place where they could worship God and express the gratitude of their hearts to Him for His blessings. Hardships, sufferings, deprivations they would bear gladly, if only they could be free. That which others have desired, fought for and died for, should challenge each of us to live for. At a time when hearts should be laid bare to Almighty God in surrendered dedication, the mumbling of pious platitudes seems so inappropriate. In an age when men over the earth are losing their freedom, America seems to have lost sight of the giver of all blessings and the source of all freedom and happiness. Let not a single day go by without humbly and gratefully acknowledging the source of our blessings and sincerely expressing our gratitude to Him who gives all to all peoples.

We will do well to examine the motives that prompted that first Thanksgiving. Fellowship, festivities, feasts, and sports may have a part, but let no one forget the basic purpose of Thanksgiving, that of honoring God the giver of all gifts.

The best way to honor God is by living a daily life consistent with His will and purpose for each individual.
