Rev. L. Borlack, pastor

State President

John Rollins Woodall, son of Mr. and Mrs. Rollins Woodall of Iowa Park, was installed as president of the Texas Youth Fellowship in Fort Worth, Wednesday, Aug. 3, in the opening session of the 17th annual Texas Youth Convention of Christian Churches.

Some 1200 delegates representing Disciples churches attended the state convention held on the campus of TCU.

Woodall and his corps of officers were elected earlier that day in the final plenary session of the annual Texas CYF cabinet meeting.

John left Monday morning for Lynchburg, Va., to attend the national convention of CYF that will begin this Friday.

STORE MANAGERS WIN VACATIONS AT TEXOMA
Seven day vacations at Lake Texoma were won by Jim Ledbetter and Fred Music in the recent contest of Jiffy Food Store managers. Ledbetter is manager and Music is assistant manager.

Increase in sales here during the past year was greater than at any other Jiffy store in the area.

Jim is not married. Fred and Mrs. Music will go to Texoma at a different time from Jim's trip so the Jiffy will be manned by efficient personnel.

For Sale — 1959 Melody trailer home, 50x10, two bedrooms, GE appliances including automatic washer, \$3000. Call Robert E. Nolen. Ph. 592-4020. 1c

For Rent — Unfurnished 2 bedroom house. 306 W. Louisiana. Inquire at 309 W. Park. 1p

For the best in chain link fence, call K. L. Battles. Free Estimates. Phone 322-6971 or 592-4360. 11-8p

Fishing Tackle, rods, reels, lures, —fishing and hunting licenses—all can be had at Bradford's. 1c

Boxer Pups for sale. Ph. 592-4339 or see 301 E. Ruby. 20-2c

For Sale—Upright piano, reasonable. Phone 592-4470. Mina Troutman, 604 N. Wall. 1c

For Sale — 20 ft. Aljoa Sport Trailer—very good condition. Jerry Whitaker, phone 592-4910. 21-2c

For Rent — Large bedroom. Ph. 592-5485 or 592-4760. 1p

Refreshments of punch and cake were served to the following group of relatives:
Mrs. Mattie Cambron, Mr. and Mrs. Jessie Cambron, Mrs. Dora McDonald and son Howard, all of Electra; Mrs. F. V. Brasfield of El Paso (former Miss Ozelle Cambron); Mrs. LeRoy Phillips of Frankfort, Germany (former Miss Edna Mae Cambron);
And Messrs. and Mmes. L. L. Alvey, Mace Sunday, Harold McCord, and sons, C. A. Hicks, Herman Knight, Virgil Scott, Bud McDonald and family, all of Iowa Park;
And Mr. and Mrs. Roy McDonald and family of Wichita Falls.

Mr. and Mrs. J. C. Ralston and Mrs. John B. Barbour called during the evening. The Ralstons are friends of the Cambron family and Mrs. Barbour is a former teacher of Jessie Cambron.

WORDS OF APPRECIATION
Jim Ledbetter, manager, and Fred Music, assistant manager, of the Jiffy Food Store in Iowa Park, wish to express their deepest gratitude to the people of Iowa Park for their co-operation in helping them win the trip to Texoma. Our percentage of sales over a year ago, led all the Jiffy Stores in this area.
Our thanks, Fred and Jim
Mrs. J. D. Overbey left Monday for a visit in Abilene. Mrs. M. J. McDonald, who is attending ACC this summer, came home last weekend; Mrs. Overbey went with her.

A City with Growing Pains

by Dr. R. G. Warner
There are three things necessary for the health, welfare and growth of a city.

1. All those interested parties—the mayor, council and all the real property owners—should be on their toes and keep abreast of the times; and what's better yet, to stay ahead of them. In other words, to stay fore- instead of hind-sight.
2. The city should have adequate facilities at all times to take care of every contingency and not let itself get in the position that it has to make excuses.

3. The first requirement a city needs is an abundance of GOOD WATER, and a water and sewer system second to none and fully capable of taking care of a city twice its size. This allows for a normal growth and expansion.
All city streets and alleys should be properly cared for and maintained.

The city should render its citizens a proper garbage disposal service. Of course this would cost the city some money, but for this service the city could charge \$1 per meter per month, which would be more than ample to take care of keeping your alleys clean and free from filth and disease.

Every city should develop and maintain a good public relations system, employing newspapers, television, radio, brochures, pamphlets and last but not least—tell the people personally.

Your Chamber of Commerce and Service Clubs and all others interested should organize to the fullest and have hard working committees on the job at all times, in order that you may achieve the programs and objectives.
When you have done this and can then work together in harmony, as one unit, you—literally speaking—have taken yourself by the boot straps and pulled yourself out of the mire onto the top rung of the ladder. All of the above spelled out in simple terms means, a healthy and prosperous growth for your city.

Iowa Park is now at the crossroads and needs your help and support. The City of Iowa Park has called an election for Saturday, Aug. 20, for \$463,000 water and sewer improvement revenue bonds. The mayor, city council and others consider certain improvements vitally necessary to the future health, welfare and growth of Iowa Park.

It therefore behooves every real property owner and others interested in the health, welfare and growth of Iowa Park, to be on hand Saturday, Aug. 20, and vote for these revenue bonds, which in no way affect your taxes. The city has the necessary earnings from water and sewer operations to pay for the bonds and will retire them in 30 years.

In closing may I remind you that a city—your city or any city for that matter—is as healthy, as prosperous, as big or as little, as the people that live in it. They can make a city big or they can make it little. The verdict is in their hands. How will YOU vote?

New Barber Shop

Iowa Park welcomes another new business—Park Barber Shop, located at 117 West Cash, next door to Berry Drug Store.
Herman Rains and Tom Murehead are co-owners of this up-to-date shop with two barber chairs. They both have had four years of experience in the business and their speciality will be flat-tops. They attended barber school in Dallas and completed their work in the same class.

The shop will be open five days a week—Tuesday through Saturday—from 7:30 a.m. to 6:00 p.m. Herman was born in Durant, Okla., and was married in 1951 to a local girl Miss Shirley Brott. He served two years in the army. The Rains family recently moved back here from Caddo Mills where was in the barber business.

Herman and Shirley have two sons—Vincent 3 and Keith 18 months. The family attend the Church of God.
Tom was born in Corsicana and moved with his parents to Wichita Falls while a small child.
He served four years in the navy. He and his wife the former Miss Betty Lee Brown of Wichita Falls have a son Rocky Craig 3 years. They attend the Baptist church and plan to move here soon. Tom is the former owner of University Park Barber Shop in Wichita Falls.

Rains and Murehead invite the public to come in and visit with them and get acquainted in their refrigerated air conditioned shop. Park Barber Shop is attractively decorated and fitted with new equipment.
Tom and Herman say "We are here to serve you best."

GAYLA RENEE CHANDLER
Mr. and Mrs. Gary Chandler of Wichita Falls announce the birth of a daughter Gayla Renee on Saturday, Aug. 6, at Wichita General hospital. Weight 6 lb. 3 oz. The mother is the former Miss Loreta Bohannon of Iowa Park. The grandparents are Mr. and Mrs. H. R. Chandler of Wichita Falls and Mr. and Mrs. A. L. Bohannon of Iowa Park.

Mrs. Ruth Gard, office secretary for the Wichita County Farm Bureau is on vacation and Mrs. D. O. James is pinch-hitting for her.

Mrs. Ludie Sampson left Tuesday for Jal, N.M., to visit her daughter and family.

PARK CLINIC NEWS
Mrs. Lottie Lochridge had surgery Friday, Aug. 5, at Wichita General hospital.
D. O. Smith is improving after receiving treatment for a heart ailment. He has been in Wichita General hospital for several weeks after suffering an attack at his home.

Malcolm Mills, president of the 1959 Quarterback club, has called a meeting of all interested persons, Tuesday night, August 16, at 8:00 in the school cafeteria. Purpose of the meeting is to elect officers and organize for the 1960 season.

If you are a football fan, let's get behind the Hawks early this year and boost them all the way.

Ice Cream Supper

Everyone is invited to an ice cream supper given by the Explorer Post 213. All ice cream and cake will be homemade and drinks will be served also.

The supper will be held at the City Park at 7:00, August 22. If you have not bought tickets from one of the Explorer Scouts, they will be on sale at the supper, 25c a serving.

Explorers have been at work on a service project for the City. It was brought up at a city council meeting, the project being to paint the street signs and make them easier to read. This work will be done for a small fee to go into the Post's treasury. The project has not yet been approved.

Re-enlists

Jimmie D. Williams of Iowa Park re-enlisted in the navy Aug. 5, as an engine second class and was assigned to the naval reserve training center in Wichita Falls.

Jimmie is 27 years old and a veteran of eight years in the navy, having served from 1950-58 aboard an aircraft carrier, a seaplane tender and an attack cargo ship, plus overseas duty in Guam in the Marianas Islands.

Williams' primary duty will be instructor in engine room classes. Other duties will include recruiting and vehicles and plant maintenance. Prior to his enlistment, Jimmie was employed as mechanic with Shaw Motor company here.

Jimmie was born in Iowa Park and attended Valley View high school. His parents Mr. and Mrs. J. H. Williams reside on West Pecan. He lives with his wife Barbara and two children Sharon 4 and Joel Dale 2 at 503 S. Victoria. The family attend Faith Baptist church here.

Value of a wheat crop cannot be measured entirely in bushels of grain, according to Duane Moss, SCS agronomist. The straw is a good soil conditioner when it is returned to the land.

We are fortunate this year in having a good crop of straw to help build up the land. Most of the small-grain fields have from one to three tons of straw per acre. The straw serves as a cover to hold down the soil temperature. During the last week of June soil temperature under good stubble was 94 degrees as compared to 116 on bare ground and 103 in the air. A good cover of straw cuts down on the amount of water lost by evaporation. This means better moisture at planting time. It also helps to get more rain into the soil and thus reduces runoff and soil erosion.

Stubble can be used best by keeping a part of it on the surface to protect the land. Use of chisels and sweeps has become a part of many wheat farmers' tillage operations. By using sweeps it is possible to control weeds without turning all of the stubble under. This makes it possible to keep a cover on the land until another crop gets big enough to offer protection.

Hawks in 2-A

Time is drawing near for the 1960 football season. The Hawks will begin practice next Monday. They will be playing in 2-A competition this fall, which is a classification higher than last year. The change is due to the growth of enrollment in the school.

The Hawks will be meeting several old rivals as well as some new ones this season. The following schedule has been released by Coach Carter:

Sept. 2	Crowell	here
Sept. 10	W.F. Rowdies	here
Sept. 16	Archer City	there
Sept. 23	Holiday	there
Sept. 30	*Olney	there
Oct. 7	*Nocona	here
Oct. 21	*Jacksboro	there
Oct. 28	*Seymour	here
Nov. 4	*Burkburnett	there
Nov. 11	*Electra	here

* Denotes conference games
Malcolm Mills, president of the 1959 Quarterback club, has called a meeting of all interested persons, Tuesday night, August 16, at 8:00 in the school cafeteria. Purpose of the meeting is to elect officers and organize for the 1960 season.

If you are a football fan, let's get behind the Hawks early this year and boost them all the way.

LIONS CLUB

Evening Lions held one of the most enthusiastic and informative meetings of the club Tuesday with the mayor and city council as guests.

Paul Zink offered the invocation. A peppy sing-song was led by Bill Sawyer.

Guests present were Lion Walter Coleman of Wichita Falls and Bob McDonald and son Robin of Odessa; and Lion Alan Berry of the Noon club.

Al Reed was program chairman and presented the city fathers: Mayor Charlie Metz and Aldermen Herman Mahler, Curtis Sewell and Clark Holloway. A period of questions and answers was conducted by Reed on the Water and Sewer Revenue Bond election to be held Aug. 20.

The club voted to sponsor a town-wide meeting to be held Sunday afternoon in the City Park. Coleman, who is district public relations chairman of Lions clubs, spoke briefly on this year's club work and urged the Iowa Park group to take part in the interclub visitation program.

Evening Lions will meet Tuesday, Aug. 23, in the fellowship hall of the Christian church.

Members and guests of the Noon Lions club were briefed on the 1960 program and assets of the Texas Lions Crippled Children camp, located near Kerrville, at their regular meeting Tuesday, by Lion Lester Brooks, member of the intake committee of the camp.

A quartet—Jeri Goss, Bertha Barnett, Frances Clark and Elaine Sawyer—presented a program of luncheon music that was enjoyed by the group.

Lion Tamer Taylor George introduced T. C. Berry and Donald Hill as guests.

Pres. Henry Jones announced District Governor D. L. Ligon of Wichita Falls will make an official visit to the club next Tuesday.

Lester and his wife Edythe were at the Crippled Children camp last Friday and Saturday attending a meeting of officers of the camp, which is in its 10th year of operation.

After giving a financial report, Brooks told of new ideas the leaders discussed and improvements of roads and equipment to be made.

The camp will open Sept. 1 for the blind, where they learn various trades and crafts.

Mr. Brooks closed by telling of the impressive and heart rending talent program presented by the handicapped children attending the camp. Each one was a "star" in his own right.

This week President Jones announced the following permanent committees for 1960-61:

Information: Lester Brooks
United Nations: C. E. Birk
Citizenship and patriotism: Claude McDonald
Boys and girls: Buck Voyles and Homer Thompson
Convention: F. M. Wilson and George R. Huckaby
Greeter: Sam Hill
Membership: D. O. James and Buck Voyles
Programs: Rollins Woodall
Constitution and By-laws: Lester Brooks

Finance: Morris Jacks and J. H. Bingham
Attendance: D. O. Smith
Public relations: Royce Echols and W. R. Bradford
Agriculture: J. D. McClendon and W. E. Karstetter
Civil improvements: Alan Berry and R. A. Tanner
Education: Keith Swim
Health and Welfare: Gordon G. Clark and Curtis Sewell
Special events: Oliver Newman
Safety: Junior Wakefield and Oliver Newman

Bulletin: George R. Huckaby
Crippled Children: L. E. Brooks

During 1958 through 1960, Bill has been graduate teaching assistant for botany and plant pathology departments at OSU.
He is a member of Southwestern Association of Naturalists; the Bryological Society; the Oklahoma Academy of Science; Sigma Xi; International Association of Plant Taxonomists.
Mahler chose as his thesis "The Genus Baccharis in the Southwestern States of Oklahoma, Texas and New Mexico."
He was married to Miss Lorene Lindsmith of Iowa Park and Addington, Okla., in 1965. They have a 4 year old daughter Brenda Dawn.
Bill will be a member of the biology faculty at Hardin-Simmons university in Abilene. The family have been visiting in his parents' home the past few weeks and will move to Abilene in the next week or two.

SOIL CONSERVATION DISTRICT NEWS

Value of a wheat crop cannot be measured entirely in bushels of grain, according to Duane Moss, SCS agronomist. The straw is a good soil conditioner when it is returned to the land.

We are fortunate this year in having a good crop of straw to help build up the land. Most of the small-grain fields have from one to three tons of straw per acre. The straw serves as a cover to hold down the soil temperature. During the last week of June soil temperature under good stubble was 94 degrees as compared to 116 on bare ground and 103 in the air. A good cover of straw cuts down on the amount of water lost by evaporation. This means better moisture at planting time. It also helps to get more rain into the soil and thus reduces runoff and soil erosion.

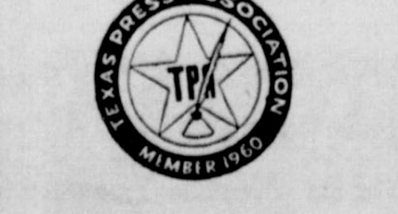

Stubble can be used best by keeping a part of it on the surface to protect the land. Use of chisels and sweeps has become a part of many wheat farmers' tillage operations. By using sweeps it is possible to control weeds without turning all of the stubble under. This makes it possible to keep a cover on the land until another crop gets big enough to offer protection.

There is no denying that heavy stubble can cause added trouble and expense. However, this time and money is not wasted. Returning straw to the soil helps keep it in condition to take water and produce good crops.

VACATION IN ALASKA

Mr. and Mrs. George Lewis returned home last Friday after a month's vacation. They visited in Kenai, Alaska, with their son and family Rev. and Mrs. Harold Lewis and children Debbie and Nova. They are missionaries sponsored by the Beacon Baptist church of Wichita Falls. At present Sunday school and church services are held in their home, but plans are made to complete a church building this winter.

Harold is a hometown boy and was graduated from IPHS. He and his family left for Alaska about a year ago.

TERI LYN BARBOUR

Mr. and Mrs. Jim Barbour announce the birth of a daughter Teri Lyn on Monday, Aug. 8, at Wichita General hospital. Weight 6 lb. 11 1/2 oz. Grandparents are Mr. and Mrs. Loys Barbour of Iowa Park and Mr. and Mrs. Geo. Upchurch of Wichita Falls.

KEITH RAY KARSTETTER

Mr. and Mrs. Malcolm Ray Karstetter have announced the birth of a son Keith Ray on Tuesday, Aug. 9, at Bethania hospital. Wt. 7 lb. 11 1/2 oz. Grandparents are Mr. and Mrs. W. E. Karstetter of Iowa Park and Mr. and Mrs. Harpie Whitehurst of Byers.

CLASSMATES ASSEMBLE

Mrs. Wayne Barton and daughters Debbie and Cindy of Dallas are visiting her mother Mrs. Odesa Thompson.

Mrs. Barton was honored Wednesday in the home of Mrs. John Mixon with an informal get-together of former classmates in the local school. Enjoying the afternoon gas session were Mmes. Joe Harris (Betty Smith) and Jack Moss (Polly Clark), both of Wichita Falls; Donald Hill (Annie Lee Jacks), Roy Kimberlain (Nell Reeves), both of Iowa Park; the honoree (Imogene Thompson) and the hostess (Mary Miles Hines).

Lunches and Dinners prepared to go.

OPEN 7 DAYS A WEEK
Jeff and Agnes

Mrs. L. H. Hobson and granddaughter Paula Jo Mann returned home Saturday after spending two months in Hollywood, Calif., with her daughter Pauline Allen and son-in-law.

Mr. and Mrs. Will George returned home this week after vacationing several weeks in Colorado Springs, Colo.

Mr. and Mrs. Wallace Beasley of Bryan visited relatives in Iowa Park this week. Mrs. Beasley remained to be with her mother Mrs. T. C. Burnam, who is ill at her home.

Mrs. J. O. Caddell of 406 East Ruby has been notified she has won a Tappan gas range in a national pie naming contest. She placed third in the contest.

Mrs. Henry Campbell and sons Jerry and Larry and friends Miss Mary Ann Dreiling and Miss Mary Ann Renick, all of Garden City, Kans., visited relatives and friends in Iowa Park and Wichita Falls last week. The Campbells are former residents here.

Mrs. T. C. Burnam, who has been ill, had as visitors last weekend her son Homer Burnam of Amarillo and daughter Mrs. Hamilton Choate of Olney.

Mr. and Mrs. Bill Guest and sons Terry and Mark of Denton were weekend guests of her parents Mr. and Mrs. W. C. Brown.

Mr. and Mrs. Harvey Womack of Beaumont, formerly of Iowa Park, were recent weekend guests of Dr. and Mrs. C. J. Simpson.

Mr. and Mrs. Paul Zink have as guests this week Mr. and Mrs. Bob McDonald and sons Robin and Chuck of Odessa.

The remaining three services of the Union Services will be held at the Methodist church. Speakers will be Addison Cutter on the evening of Aug. 14; Boyd Schlenker on Aug. 21; Claude McDonald on Aug. 28.

Mrs. A. L. Bohannon of Iowa Park and Mrs. P. L. Wright of Wichita Falls recently returned home after visiting in Dayton, Ohio with their son and daughter S-Sgt. and Mrs. Aubrey Carroll Bohannon.

Mr. and Mrs. C. L. Hacker jr. of Matador were weekend guests of their parents Mr. and Mrs. A. L. Bohannon of Iowa Park and Mr. and Mrs. C. L. Hacker sr. of Kamay.

Mark Slay had surgery this week in Mineral Wells. He is father of Mrs. A. O. Robertson, Mrs. Jerald Brown and George Slay, all of Iowa Park, and Leslie Slay of Holliday. All of his children from here have been at his bedside.

Roy Boutwell of Iowa Park has been picked to play football in both the Greenbelt Bowl at Chillicothe and the Oil Bowl at Wichita Falls. The first game will be Aug. 13, and the second Aug. 19.

S-Sgt. and Mrs. Robert B. Kortum and children of Plattsburg AFB, New York, visited in the home of Mrs. J. A. Churchman over the weekend. Mrs. Kortum is a niece of Mrs. Churchman and of Mr. Arthur Hall.

Mrs. Jackie Willis has returned home after receiving treatment at Wichita General hospital. He is still in a serious condition.

THE BUYING'S BETTER THAN EVER ON THE YEAR'S BEST SELLING CAR

CHEVROLET

Things are going great at your Chevrolet dealer's right now, what with Chevy (and Corvair) sales skyrocketing to new all-time highs. So you couldn't have chosen a better time to talk deal with him. You've got a wide

range of models to pick from, quick delivery of your favorite to look forward to and, best of all, big savings to pocket. Get together with your dealer first chance you get. Can't start saving till you do!

Impala Sport Sedan with luxurious new Body by Fisher

CHEVY'S CORVAIR...

THE BEST SELLER'S AWARD-WINNING CAR!

Corvair 700 4-Door Sedan with a practically flat floor that's just right for feet

Corvair's engineering came in for the first raves when the editors of Motor Trend magazine unanimously selected it Car of the Year. And then to top it off, the Industrial Designers Institute awarded Corvair (through General Motors Vice President William L. Mitchell and his Styling Staff) a gold medal for styling excellence. But even these honors, impressive as they are, can't compare with the enthusiastic reception Corvair is receiving from people like you. A short visit with your dealer will show you why.

See Chevrolet cars, Chevy's Corvairs and Corvette at your local authorized Chevrolet dealer's

THE STATE OF TEXAS

To: J. T. Braker and Vesta Lee Braker, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 30th District Court of Wichita County, at the Courthouse thereof, in Wichita Falls, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 5th day of September A.D. 1960, to Plaintiff's Petition filed in said court on the 11th day of July A.D. 1960, in this cause, numbered 65,961-A on the docket of said court and styled J. H. Jeter and wife Bertha Irene Jeter and James H. Jeter and wife Dorothy L. Jeter and Randall Merritt, Plaintiffs, vs. J. T. Braker and Vesta Lee Braker, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: This is a trespass to try title concerning Three (3) acres of land with a special plea of continuous, peaceable adverse possession of such land with cultivation, use or enjoyment of the same by and on behalf of the Plaintiffs, and those under whom they hold, for a period of more than Ten (10) years before the institution of suit. The land which is the subject of the suit is described as follows:

The North Three (3) acres of a Five (5) acre tract in Block 11, Section 13 of the J. A. Scott Survey, the said Five (5) acre tract being more particularly described by metes and bounds as follows: Beginning at the center point of the North line of said Block 11, Section No. 13 of the J. A. Scott Survey between the NW and NE Corner of said Block No. Eleven (11); Thence South 660 feet; Thence East 330 feet; Thence North 660 feet; Thence West 330 feet to the place of beginning, containing Five (5) acres, more or less.

Wherefore plaintiffs pray that citation issue and that on final hearing they have Judgment for title and possession of above described premises, for costs of suit and for such other and further relief as he may be entitled to, either in law or in equity.

As is more fully shown by Plaintiff's Petition on file in this suit. If this citation is not served within ninety days after the date

 Flora Cobb, Clerk,
 District Court, Wichita County, Texas.
 By Wayne Wiggins, Deputy.

Hallum-Lyons

Faith Baptist church of Iowa Park was the setting for the Saturday afternoon ceremony uniting in marriage Miss Joy Carolyn Hallum of Iowa Park and Charles G. Lyons of Sheppard AFB, formerly of North Hollywood, Calif.

The Rev. L. H. Hood of Pleasant Valley Baptist church directed the 3:00 nuptials. The couple stood before an arrangement of greenery and a wedding basket on each side arranged with orchid phlox

and white gladiolas with greenery of fern and ligustrum.

Mrs. John Klappenbach, organist, presented prelude music and played the wedding march, Miss Wilma Kincaid sang "I Love You Truly," accompanied by Miss Janice Miller, pianist.

The bride, given in marriage by her father, chose an informal street length gown of white lace over taffeta with an organly bodice which featured a scooped neck line and cap sleeves of lace. The skirt was accented with a fan of tiny pleats in front.

Her shoulder length veil was attached to a crown with seed pearls and artificial orange blossoms.

Atop a white Bible, the bride carried a bouquet of white carnations with blue streamers. The Bible was a presentation to the bride from the YWA girls and their counselor Mrs. Joe Baxter during a white Bible ceremony for the bride recently.

Larry Reynolds of SAFB served as best man, with Jake Jacoby as usher.

Maid of honor was Miss Dorothy Lee of Iowa Park. Her dress was an orchid taffeta street length. Representing four generations

were the bride, her mother Mrs. Donald Hallum, grandmother Mrs. Ray Byrd of Wichita Falls and great-grandfather I. H. Manuel of Wellington.

Others from out of town attending were Mr. and Mrs. G. L. Lyons and Carol, parents and sister of the groom, from North Hollywood; Mr. and Mrs. S. H. Manuel, great-uncle and great-aunt of the bride, of Wellington; Mrs. B. K. Wallace, Dickey and Nancy, the bride's aunt and cousins, of Weslaco; Mrs. Ray Byrd, grandmother of the bride, of Wichita Falls; and Mr. and Mrs. Larry Reynolds of Burkburnett.

Immediately following the ceremony, a reception was held in the educational building of the church. Greeting the guests were the parents of the bride and parents of the groom. Presiding at the bridesbook was Miss Carol Lynn, sister of the groom.

The table which held the bridesbook was decorated with miniature orchid and white flowers. The serving table was covered with an ecru lace table cloth over orchid, centered with two candelabra holding orchid candles. The two tiered cake was decorated with white and orchid flowers topped by a miniature bridal couple. Punch was served with the cake. Those presiding at the punch and cake services were two great-aunts of the

bride: Mrs. B. K. Wallace of Weslaco and Mrs. C. V. Brown of Iowa Park; the bride's cousin Mrs. J. W. Boren of Iowa Park; and Mrs. Jim Miller of Iowa Park.

There was also a display of gifts to the bride and groom. Immediately following the reception the couple departed on a honeymoon trip to Fort Worth. They will establish residence here at 101 West Aldine.

Jim Gard, David Parkey and Bill Bryant spent a week at the Lake of the Ozarks in Missouri. They went to Kansas City, Friday night to see the New York Yankees play the KC club.

The Need Is Urgent

By E. L. ANDREWS
 City Engineer

A predicted water rationing program for Iowa Park has not yet been necessary, due to the timely showers received. However, a long hot and dry weather period this summer will necessitate some type of water rationing program, even though the supply is ample.

Actual water consumption experienced on peak days has far exceeded the treating capacity of the plant, the elevated tank storage capacity, and the carrying capacity of the distribution lines. Storage has been low, pressures have been low, and not only inconvenience to the people has resulted, but fire hazards have existed at times.

Under the current proposed improvement and enlargement program, all sections of the City will receive direct and immediate benefits. Basic provisions will also be made for expected future growth.

A new 250,000-gallon elevated water tank is proposed, which will operate along with the existing 100,000-gallon elevated tank. The total capacity will provide adequate fire protection and will equalize pressures and supply throughout the City. Large mains are proposed to tie together and loop the two elevated tanks with the plant. Large mains are also proposed to be installed to eliminate long existing low pressure areas in all sections. A new large main is proposed to supply the South section with adequate pressures.

Under the current program, addi-

tional facilities for mixing, settling, filtering, and pumping are proposed at the treatment plant. The additional facilities for treatment are urgently needed.

The existing sewage treatment plant is now so overloaded that effective treatment cannot be secured. Enlargement of the plant is proposed in the program. A federal grant under the Federal Anti-Pollution Law has been approved in the amount of \$33,989 to be applied on the sewage improvements provided the City undertakes the work.

The water and sewer improvements proposed in the program are urgently needed.

The proposed method of financing the improvements is simple and desirable. The revenue bonds will be payable only from water and sewer revenues, and no tax money can ever be imposed for payment of the bonds. The new issue of revenue bonds will not even require an increase in water or sewer rates because of the simple fact that current water and sewer revenues have been providing sufficient funds each year for extensive capital improvements to the system. The year to year improvements now need to be accelerated, and since the proposed overall program will eliminate the need for such year to year improvements for some time, funds now being spent on them will be used to retire the new bonds. Water and sewer revenues will also increase as the current building program develops.

Revenue Will Retire Indebtedness

REPORT TO THE PEOPLE:

Your City Council expects to call an election for \$463,000 Water and Sewer Improvement Revenue Bonds.

We consider these improvements necessary to the future health and welfare of our City and request your support based on the following information:

1. No increase in water and sewer rates is required.
2. All bonds to be voted must be paid from Revenues and the law prohibits use of tax money to pay these bonds.
3. Present income will support the Revenue Bonds with wide margin of safety.
4. Present water and sewer facilities are operating at full capacity and water rationing will be required this Summer.
5. In the evening we have no storage pressure and a fire could be a serious calamity for our community.
6. The improvements are needed now and for our future.

WE HAVE THE EARNINGS TO PAY THESE BONDS

Water and Sewer Operations		6-30-59		6-30-60	
\$72,341.26	Income	\$84,617.01			
42,680.24	Expenses	41,526.98			

29,661.02	Net Income	39,130.03
-----------	------------	-----------

Average annual principal and interest payments on \$463,000 Water and Sewer Improvement Revenue Bonds will average less than \$28,500 per year. With new supply and storage, earnings will increase at present rates to give us over 50% margin of safety on the bonds. These improvements will provide you with excellent water and sewer service and provide for future growth.

WATER IMPROVEMENTS

Filtration Plant, estimate of cost, \$135,000. (Will increase our supply 1,200,000 gallons per day)

Overhead Storage — 250,000 gallons, \$58,000 (Plenty for fire protection and pressure).

Main Distribution System (16- and 12- and 8-inch mains required to connect new plant and storage facilities to insure adequate pressure to all parts of town for now and later) \$52,210.

Additional Distribution Lines, (10- and 6-inch lines to loop present areas and provide for pressure, growth and fire protection), \$51,950.

SEWER IMPROVEMENTS

Sewage Treatment Plant (estimated cost \$100,000. State grant of \$30,000 has been promised. This new plant will double our present treatment capacity), our cost, \$70,000.

Additional Connections, \$7,840.

Total cost of all improvements, \$375,000.

We owe \$91,000 on present Revenue Bonds. We will pay \$3,000 of these bonds and refund \$88,000, making the total bonds to be voted \$463,000.

We will appreciate your support, and will be glad to answer any questions or show you the reports we have explaining this necessary improvement program.

Respectfully yours,
 C. L. Metz, Mayor
 H. M. Mahler, Alderman
 Luther F. Shaw, Alderman
 C. H. Holloway, Alderman
 Curtis Sewell, Alderman
 E. L. Traylor, Alderman
 Miss Doria S. Smith, City Secretary.
