## IP 20 -- Burk 16

Iowa Park Hawks defeated the Burk Burnett Bulldogs last Friday at Burk by a score of 20-16. This was Burk's homecoming.

The Hawks scored in the first period when Mack Mills went 5 yards for six points. Burk went ahead in the second period when Ricky Taylor ran 2 yards for the TD and added the extra points.

In the third quarter Mills passed to Jim Gard for the TD and David Parkey ran the extra point to go ahead 14-8.

Burk scored with four minutes of play remaining, to go ahead 16 to 14. The Hawks came back and with one minute left, Parkey ran 8 yards for the winning touchdown.

Outstanding on defense for Iowa Park were Scotty May and Jackie Brooks.

The Hawks close out the season this Friday night when they play the Electra Tigers here.

Several members of IPHS student council attended the Greenbelt district Association of Student Councils at Graham last Saturday. The group heard Mrs. Joyce Brown give an enlightening address: "Radiant and Real."

Various discussion groups were highlights of the day, where projects were criticized and exchanged.

A luncheon was served in the Graham high school cafeteria, followed by a business session in the auditorium and entertainment at the Teen Canteen.

IPHS student council members who attended the meeting were Diana Owens, Judy Hall, Rosemary Clark, Larry Dodd, Paula Smith, Jan Ueckert, Betty Engledow, Sherry Compton, and the advisers Floyd Zion and James E. Elms.

Six weeks examinations will be given Iowa Park students prior to the Thanksgiving holidays. Classes will be dismissed on Wed., Nov. 23, and study will be resumed on Monday, Nov. 28.

Members of the Hawks band will enter the marching and twirling contests to be held at Coyote stadium, Wichita Falls, Tuesday of next week. The twirling competition will begin at 1:00 and the marching at 6:30.

C. L. Vaughn is director of the Hawk band.

Students of the 7th, 10th and 12th grades here have been taking the National Defense Education Act tests, which are given annually without charge to the students.

Results will be revealed in conferences later in the school year. The tests are used as a guidance device.

Miss Shirley Lowrey, member of the Valley View high school faculty, and Mrs. Herman Mahler spent the weekend in Abilene with Mr. and Mrs. Bill Mahler and Brenda. Miss Lowrey attended a school yearbook clinic at ACC.

Mr. and Mrs. Lee Warren and Lee jr. of Aurora Springs, Colo., visited relatives and friends here this week. They were enroute home after visiting in Long Beach, Miss., with his father Fred Warren and his brother Dr. John H. Warren. Meeting in the Womens Forum were managers and workers of TESCO with 30 members of the Quarter Century group.

Dr. Carl S. Winters of Oak Park, Ill., made an inspirational talk using "Opportunity Unlimited" as topic.

All local managers of the company were present, including Mr. and Mrs. Wayne House of Iowa Park. John C. Murphree and Mrs. Murphree were present; he is an attorney for TESCO.

Her children—Mrs. Bob Wyatt of Sherman, Mrs. Herbert Carter of Tahoka, Bob Emanuel of Oklahoma City and Louis Emanuel of Electra—came to be with Mrs. Emanuel.

Mrs. Carter is remaining here to be with her mother. The others have returned to their homes.

Mrs. Emanuel is in Room 340.

Mr. and Mrs. Lee Warren and Lee jr. of Aurora Springs, Colo., visited relatives and friends here this week. Mr. Warren is in a hospital for treatment, and Lee reported his father is quite ill.

Mr. and Mrs. Rollin Roberts and Mažna and Mike will attend the homecoming activities of the Class of 1950 at TCU.

## Democrats Win

Precinct 3 voters were of just about the same mind as the rest of Wichita county when Election Day showed up.

A straight Democratic victory was recorded; the four amendments were approved; the two county bond issues were approved; W. R. Bradford was write-in winner of the County Superintendent of Schools position; and Mrs. Helen Kollman was write-in winner for County Treasurer.

The vote was probably the heaviest ever recorded here, with the presidential race carrying top interest.

## 50 Years

Iowa Park Eastern Star Chapter 42, oldest chapter in Wichita county, celebrated its golden anniversary Tuesday evening in the Masonic Hall with two charter members—Mike Cain and Mrs. Mae Tanner—as honored guests.

Members and their families had the annual Thanksgiving dinner, with Taylor George, worthy patron, giving the invocation for the 70 persons present.

Following the dinner, the stated meeting was held with Mrs. Juanita Upham, worthy matron, presiding. Guests were here from Wichita Falls, Holliday, Archer City, Bowie and Petrolia.

Immediately after the chapter was closed, a beautiful Golden Anniversary program was presented by the officers.

Mrs. Tanner and Mr. Cain were escorted to the East and tribute was paid them for long and untiring services they have given as past matron and past patron. They were presented Life Memberships and 50 year certificates, also a beautiful Star-shaped cake with 1910-1960 inscribed in gold.

Other past matrons and past patrons who have served the local chapter were recognized in the Golden Rule program.

The Iowa Park chapter was organized in 1910 with the late Mrs. Julia Cain as worthy matron and the late John Green as worthy patron, and with 21 members.

# TELEPHONE TALK

by Gene Brusenhan, Manager

## VOICE FOR THE VOICELESS

Last month in Telephone Talk, I mentioned the successful launching of Echo, the communication satellite in orbit 1,000 miles above the earth.

Now I have news of still another product of communications research. It's a new artificial larynx to help people with impaired vocal cords to speak again.

This electronic larynx is really a "new voice" for people who have lost the use of their vocal cords. When held against the throat, this 7-ounce device (looks something like a flashlight) replaces the vibrations of normal vocal cords to produce speech. It is being offered on a non-profit basis.

In an age of great scientific achievements such as space satellite communications, the Bell solar battery and transistors (all pioneered by Bell scientists), it's reassuring to know that telephone research has not overlooked human needs in the search for better communications services.

## HOW ABOUT A FAMILY HARVEST?

Have you noticed the changes being made in the food markets lately? It seems to me that it is much easier to find certain items . . . fresh or frozen turkeys, pumpkins, cranberries, chestnuts and other Thanksgiving treats.

It looks like some of the biggest Fall harvests in Iowa Park will be around the dining room table. That's true in more ways than one. Because, in addition to the good things to eat and share, Thanksgiving has always been a great family day.

If all of your family live in Iowa Park it's usually a simple matter to get them together for Thanksgiving. If your family is scattered in different parts of the country, you can still "get together"—by telephone.

The cost is low, and if you place your long distance call station-to-station, instead of person-to-person, you can save one-third. Rates are even lower if you call after 6 p.m.

Why not plan to call and make this Thanksgiving a "family harvest"?

## SCIENCE SHOW ON TELEVISION

In addition to the Telephone Hour, which brings you top artists in the field of music every other Friday evening on Channel 3 at 8 p.m., I'd like to remind you of our new science program.

The first of the new series, "Thread of Life," tells the story of how we inherit our many and varied characteristics. This 60 minute color program will be Friday, December 9, on Channel 3 at 8 p.m. I hope you'll be watching.

Call by number. It's twice as fast.

## PTA

Executive committee of the PTA met at 3:45 p.m. Nov. 7 in the high school. Mrs. John Clapp directed the business session. The budget and finance committee reported the Halloween carnival netted \$277.97.

Mrs. Rollin Roberts introduced the speaker Mr. Carroll David—who is associated with the probation office in Wichita Falls. He spoke on "Basic Human Needs, What Are They?" Mrs. Clapp and one delegate from Iowa Park will attend the state convention in Austin, Nov. 15-18.

## FIFTH GRADE HOBBY SHOW

The fifth grade of Ethyle Kidwell school held a Hobby Show, Nov. 9. Idea for the show came when we were reading in science. The textbook said many great scientists got interested in science by a hobby they had in younger years.

So Mrs. Hawkins said, "Let's have a hobby show." The class decided it would be fun. We had bugs, rocks, shells, stamps and many other things. It was an interesting show.

Miss Kidwell and Mr. Swim visited our room and enjoyed the show. We invited the fourth grade pupils to see it too.

Ricki Dickerson, reporter

Sincerely, W. R. Bradford

Jim Cunningham has announced the local Jaycees will again sponsor the bloodmobile from Wichita Falls on Nov. 30 from noon until 6:00 p.m. at the Christian church. Cunningham urges everyone who can give blood to do so at that time.

Jaycees are making plans to sponsor the annual boxing tournament. The dates are yet to be decided.

Last week the English department of IPHS became proud owner of a scale model of the Globe Theatre, the place in London in which Shakespeare's plays were first produced during the early 1600's.

We are indebted to Donald Daugherity, popular student and athlete of the Class of 1957, for the meticulous care with which he constructed the building, a task which required many hours of work. Donald's experience as a draftsman with Pardue, Read and Dice, Wichita Falls architects and engineers, enabled him to produce the scale model with skill.

This project was begun last spring by Mrs. Chauncey Weiler. The school board authorized the purchase of blueprints and materials for the work.

Lt. Col. and Mrs. H. T. Tucker of Buckley AFB, Denver, Colo., are visiting relatives in Iowa Park while he is taking several weeks of special training in missiles at Sheppard AFB.

**HERE!** EASIER GOING FOR THE DRIVER AND THE LOAD, LONGER LIFE FOR THE TRUCK!

**'61 TORSION-SPRING CHEVROLETS**

If you don't think scrapping the front axle has made a world of difference, you haven't driven a Chevy in a while. A few minutes behind the wheel and you can feel why drivers are happier and breakable loads are better protected. But the biggest advantage of all, you'll realize, is that the truck itself (sheet metal, tires, chassis components, everything) takes less abuse. With independent front suspension soaking up road shock and vibration, the truck lasts longer, goes extra thousands of miles before trade-in time. Add that to what everybody's always known about Chevy dependability and you find yourself looking at the soundest truck investment you could bet your business on.

and look! **NEW REAR-ENGINE CORVAIR 95's**

A panel and two pickups that put a thrifty air-cooled engine in the rear, the driver up front and as much as 1,900 pounds of load space in between! That's more capacity than a conventional half-tonner. Yet these Corvaire 95's are nearly two feet shorter from bumper to bumper. Highly maneuverable. Built to last and bound to save on a busy schedule!

CORVAIR—Side doors open a full 42" wide. Loading height is a low 14" H&H.

## 23 Study Club

Education department of Federated women's clubs was stressed in a program for the 23 Study club last Thursday afternoon. Mrs. R. R. Brubaker and Mrs. Taylor George were hostesses for the meeting, which was held in the First Baptist church.

Program was slides and lecture on points of historical interest in the United States, by Mrs. D. O. James, who will be installed as vice-president of the Texas Congress of Parents and Teachers this month.

The slides were made on the trip last summer to the National Congress of Parents and Teachers in Philadelphia.

Among the slides taken in Philadelphia were those of Christ's church, where the Apostle's window, Ben Franklin's and Betty Ross's family pews, the baptistry where William Penn was baptized, and the slabs in the aisles covering graves, were spotlighted.

Of equal interest were slides of Independence Hall, the interior of Betsy Ross's home, Liberty Bell, and Ben Franklin's Parkway.

In Gettysburg—Gen. Lee's museum, the Jennie Wade home, Gen. Mead's headquarters, the church where Gen. Lee prayed—were especially interesting.

To conclude, Mrs. James showed monuments, memorials and other points of interest in the nation's capital.

Mrs. Carroll Duke was program leader for the meeting. Theme of the meditation contributed by Mrs. K. P. Abernathy was "Our Country and Our Flag." The group sang "God Bless America" for the meditation finale.

The adagio movement of "Moonlight Sonata" was presented by Mrs. W. G. Steele, pianist, and Mrs. O. E. Lochridge, organist. By request they rendered some patriotic numbers to complete their performance.
