'Convertible' roof line on '62 Chevrolet Impala Sport Coupe

The ultimate in smart styling is the 1962 Chevrolet Impala Sport Coupe (shown above). The new roof line at first glance closely resembles the fabric top of the Impala Convertible. Closer inspection reveals adroit styling of roof sheet metal which gives the sport coupe an exclusive and jaunty appearance. The Impala tops a line of 32 passenger car models, including the Corvair, Corvette and the new Chevy II series, which Chevrolet dealers will introduce Sept. 29.

Church of God Outreach Program Set for October

Officials and committees of the Church of God, 601 E. Cash, have joined together to participate in a nationwide October Outreach program beginning next Sunday, Rev. M. G. Swart, pastor, has announced.

Attendance is proportionately low," Mr. Swart said.

Observance of October Outreach by the local congregation will be marked by special services. The theme "I Will Go" will be used each Sunday:

Oct. 1: I Will Go for the absentee
8, I Will Go for the prospect
15, I Will Go for the family
22, I Will Go for the unsaved

The month of enlargement services is being sponsored nationally by the denomination's Sunday School and Youth Department in Cleveland, Tenn.

Committee chairmen working with Supt. Steve Brown and Assistant Supt. J. D. Morrison are: Leon Goforth, welcoming; Mrs. Luther Skinner and Mrs. Anna Jones, program; Mrs. T. D. Eaton, visitation; Mrs. Lester Watson, records; J. L. Skinner, transportation; Mrs. Bobby Fox, publicity. All members who have automobiles are co-operating with Mr. Skinner in providing transportation. Those needing a way to these services may call 592-5275.

Dr. Wright to Lecture on Democracy, Socialism and Communism Four Sunday Evenings in October

Next Sunday begins the first in a series of the Visiting Lecturer Program at Iowa Park Presbyterian church. Dr. Edward Wright, assistant professor of government at Midwestern university, will begin a four-week course on Democracy, Socialism and Communism.

The course will be presented for the next four Sunday evenings from 6:35-7:20. This will be the adult study division of the Koinonia program conducted at the church.

This is a program of recreation, singing, study and worship every Sunday evening. It is designed for all ages and attempts to draw families together rather than offering activities which tend to separate them.

Wright is now in his second year of teaching at Midwestern.

Daylight Donut Shop Is New Local Business

Iowa Park Herald is happy to welcome to our midst another new business—the Daylight Donut Shop, owned and operated by Eugene Wilbourn, located at 109 West Cash between Homer's Barber Shop and B. L. Bradford Furniture and Hardware store.

The Daylight Donut Shop is now ready to serve you six days a week, with discounts on special quantity orders.

Here you will find many kinds of donuts, cinnamon rolls, fried pies and other pastries.

Eugene and his wife Jane have moved here from Tulsa, Okla., where he has had four years of pastry experience. Jane will assist in the business.

Wilbourn was born in Phoenix, Ariz., but has resided in Oklahoma most of his life. His parents Mr. and Mrs. Marvin Wilbourn have resided on Southgate Road here since the first of the year. His sister and brother-in-law Mr. and Mrs. Jimmy Keener live in Bricktime Addition.

Eugene and Jane extend an invitation to all citizens of this area to come in and get acquainted and treat the family to fine pastries.

Hawks Take 30-0 Win over Eagles

Iowa Park Hawks tore up the Holiday Eagle defense last Friday night, to take a 30-0 victory over their longtime rivals.

Mike Davenport set up the first scoring thrust early in the first quarter with a 30 yard sally into the right side of his line. He then went through the center for five yards and paydirt. Gary Todd made a two-point dash through the line.

In the middle of the second period Mike Caldwell caught a pass from Davenport to set up the second touchdown. Three plays later Davenport went into the line for the counter.

With seconds left in the first half, Mack Mills passed to Davenport from his own 40, and Mike ran for a touchdown. Todd again made the 2-point conversion.

Only points made in the last half were by Todd—a touchdown and 2-point conversion.

The Eagles never could get rolling, being held to 61 yards total on offense.

Fine Weather Prevails for Fair; Pioneers Enjoy Their 'Day'

1961 Texas-Oklahoma Fair was opened with beautiful weather Monday. Mrs. L. B. Harris, 408 S. Victoria, was the first paid customer to go through the gates at 9:00 a.m.

The Fair was officially opened Monday evening following the best parade that has been held. Sheriff Ham Vance, on a beautiful Albino-Arabian horse that he has owned 13 year, led the colorful procession. The silver saddle on the horse was built in 1947 and is worth \$7500. It originally belonged to Edgar Deen, former mayor of Fort Worth. The saddle was given to Vance by Edgar Deen jr.

American Legion color guard carried the flags. State and Fair dignitaries rode in official cars.

Various clubs and school organizations had beautiful floats and cars.

Winners in this division were:
1st. Camp Fire Girls
2nd. Unioness Club
3rd. United Christian Youth Movement

Honorable mention went to the car entered by the beautification committee of the Chamber of Commerce depicting the theme "Hats off to city beautification."

The float of Epsilon Sigma Alpha with the theme "United in world peace" was noteworthy.

Many colorful bicycles were ridden in the parade. Placing were Debra Williams, Janice Watts, Paul and Jimmy Sharp.

Novelty entries winners were: Kim and Kyle Williams, Brent Patterson, Judy Watts.

Riding clubs added much to the parade with fancy costumes and fine horses. Winners were: County Sheriff's Patrol, Boomtown Riding Club.

Various junior high and senior high school bands added color and pep to the parade. The junior high musicians were competing for honors with Zundelowitz of Wichita Falls winning marching and twirling, while Vernon won concert.

Streets were lined with an enthusiastic crowd. They enjoyed antics of the Maskat Clowns and precision riding by the Maskat Motor Patrol on motorcycles.

Midwestern university band presented a concert in the Fair auditorium, after which Midwestern's president, Travis White spoke on the subject "Hats Off to the Past and Coats Off for Tomorrow." He urged the people to stop crying for the boom times of yesterday and recognize the greatest resources of this area—their people.

Pioneer Day at T-O Fair began early Tuesday when folk of North Texas and southern Oklahoma starting registering for a day of meeting old friends and exchanging greetings.

The day was dedicated to Sam Rayburn, speaker of the House of the U.S. Congress.

R. R. Brubaker, a longtime resident here, served as registration chairman. He was assisted by his wife Bess and Mrs. W. A. George and their committees.

A large bus brought pioneers

of Wichita Falls to the Fair for the day.

A Sheppard AFB band presented a musical program at 9:30.

T. Leo Moore, executive vice-president of the Fair, gave the welcome. Rhea Howard of Wichita Falls served as master of ceremonies.

After the invocation by Travis White, president of Midwestern university, Ernest Birk, president of the Fair association, extended a cordial welcome to all pioneers.

Judge C. C. McDonald, longtime friend of Rayburn, introduced Congressman Frank Ikard, who made a special trip by private plane from Washington to help with the celebration. He spoke for Rayburn, who was too ill with a back ailment to be present, but spoke to the crowd by telephone from his home in Bonham.

A penant and plaque were given to Ikard for Rayburn. Also a charcoal portrait of Rayburn was presented by artist Ed Brock of Wichita Falls senior high. Mr. McDonald made the presentation.

Carter McGregor, co-chairman of Pioneer Day, in presenting visitors and guests said "All pioneers are distinguished guests" and had all of them stand.

Oldest man present was J. P. Morrison of Iowa Park—89 years of age and had resided here the past 43 years.

Oldest woman was Mrs. J. B. Moore of Electra—83 years.

Oldest couple were Mr. and Mrs. Mack Thomas of Wichita Falls. They have been married 63 years and have resided in Wichita county 61 years, moving to Wichita Falls from Sulphur Springs.

Person traveling farthest to attend the Fair was Mrs. Helen Detlefs Clark of Puerto Rico, formerly of Iowa Park.

Oral Jones, co-chairman of the Day, presented Mrs. Grace Fisher Jennings of Electra as 1961 Pioneer Queen. He read the biography of this ranchwoman who is known throughout the area as a good business woman and a lovable friend.

Mr. Jennings died in 1910 and left his widow with six small children and a livestock farm. She resided near Iowa Park as a girl before marrying Will Jennings.

Mr. Jones presented Mrs. Jennings an orchid and crowned her 1961 Pioneer Queen of the Fair. Nancy, daughter of Mr. and Mrs. George Huckaby Jr., served as crown bearer; Karen, daughter of Mr. and Mrs. W. A. George, was robe bearer and carried the orchid.

Chuck wagon lunch was served to approximately 1575 persons by Electra Chuck Wagon Gang.

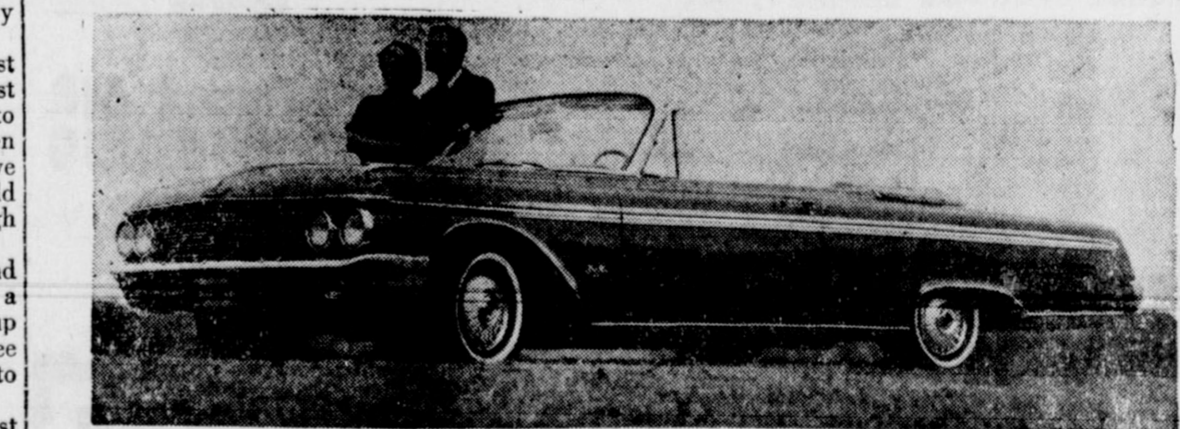

Elsie Lehman, Mr. and Mrs. Rex Lehman and Garland, and Mrs. R. F. Pruett were in San Antonio for the wedding of Sonja Fern Tucker last Friday night. She is daughter of Col. and Mrs. H. T. Tucker. The groom is Lt. Milton D. Birmingham of Del Rio.

The 1962 Ford Galaxie line features a crisp, fresh approach to Ford's classic styling. Shown here is the Galaxie 500 Sunliner convertible, one of twelve models in the Galaxie line. While the new Galaxie is slightly shorter and fractionally narrower than the 1961 model, the large passenger compartment is the same as 1961. Large door openings, coupled with Ford's convenient two-position door stops, make entering and leaving the Galaxie an easy and natural movement. The Sunliner top is anchored at each roof bow to prevent "ballooning" when underway. The vinyl-lined top is stowed under a color-keyed boot.

Suffocation . . .

Disease at one time was the principal killer of children. But modern medicines and vaccines are so effective today that diseases don't kill nearly as many children as do accidents.

One of the greatest hazards for children under four years is suffocation, according to Carl Walsh, Lone Star Gas company manager here. Lone Star and the Herald are co-sponsors of the 1961 Home Safety Program in Iowa Park.

Approximately 1400 Americans a year die from suffocation. Of these, 1250 are in the 0-4 year age group.

Infections of the respiratory system cause some fatalities. Reports show that babies have been smothered by becoming entangled in bed covering or in their own clothing; others have strangled in gagging after vomiting; some have been suffocated by smoke; others have choked after having swallowed objects.

"Babies and toddlers pop just about everything into their little mouths," Walsh said. "Small items must be kept out of reach. These include pins, needles, nails, buttons, beads, tiny toys, peanuts or peas or popcorn, dolls' eyes, stones or shot from broken rattles, marbles, bottle caps.

"At bedtime, for protection against smothering, the child should have his own crib without a pillow. Soft bedding should be avoided. Do not let blankets cover his face. His sleeping clothes should not be tight around his neck. Beware of thin plastic mattress covers.

"Hold the child when he is being fed. He may choke if left alone with his bottle propped.

"Do not give a small child anything to play with such as plastic bags, blankets, sheets, etc., which might cause smothering.

"Teach the child to avoid kitchen appliances and electric cords. Keep knives and other cutting objects out of the reach of children," Walsh concluded.

Garden Club

Iowa Park Garden club held a workshop meeting at the Youth Center last Friday morning. Members participated in discussion of drying, curing and treating materials and the rudiments of flower arranging.

Introduced as new members were Mmes. V. R. Munden, Richard Carver and Earl Watson.

Others present were Mmes. W. G. Steele, Clyde Hutchinson, O. N. Newman, L. C. Hill, Morris Jacks, Maude Hanes, W. L. Yost, Wilburn Bedford, G. L. Cleveland, Sam O. Wood, M. E. Goforth, James D. Boucher, Erwin Soell, Kenneth Sullivan, Sam Hunter, Carroll Hester and Miss Hazel Crites.

Park Area club met Wednesday, Sept. 20, in the home of Mrs. Donald Pearce with Mrs. W. E. Karstetter and Mrs. E. H. Pearce as co-hostesses.

Mrs. Hawkins presided, and after the meditation by Mrs. Henry Parsons, Mrs. Karstetter called the roll and read the minutes.

Reports of committees were given, and Mrs. Ray Low gave the Council report.

Plans were made for the annual chicken barbecue and the schedule was made out for working in the Dr. Pepper booth at the Fair. The barbecue will be Thursday, Oct. 5 at 6:45 at the Youth Center.

Mrs. Billie Kingcade is a new member.

Mrs. Lynn gave the lesson on "Food Additives."

Hostesses served refreshments to Mmes. Ray Low, C. E. Russell, Harold Lynn, James Todd, Otis Scobee, Gale Lowrance, Estes, Young and Rogers.

Next meeting will be with Mrs. Gale Lowrance with Mrs. Leath as co-hostess.

Mother Dies

Funeral service was conducted for Mrs. Mary Ann Hogan of Kamay, Tuesday afternoon, Sept. 26 at Tanner Funeral Home of Iowa Park, with Rev. Mr. Wayne Naylor, pastor of Kamay Baptist church officiating.

Burial was in Highland cemetery. Pallbearers were Pat Kingcade, Turman Kingcade, Bill Dickerson, Avery Hooten, Albert Weiss, Fred Parkey.

Mrs. Hogan died suddenly at her home in Kamay, Monday.

She was born May 19, 1888, in Miami Okla., and had resided in Kamay community since 1926.

Surviving are two daughters: Misses Cornelia and Billie Hogan; four sons: W. L., James C. and Loyd, all of Kamay, and Floyd of Holliday; one sister Mrs. Delta Waddle of Welch, Okla.; and one brother Dave Brown of Commerce, Okla.

ABUNDANT LIFE

by ORAL ROBERTS

GOD WANTS US TO HAVE MORE THAN ENOUGH

I once heard about a man who was very wealthy. He lived on a large, beautiful estate. He drove a long, sleek car. He was able to dress in the latest fashions and enjoy all the luxuries of life. But no one was envious of this man's wealth — no one resented his having so much. He knew how to use his surplus.

Many small church groups worshiped in lovely buildings that this man had given them. The hospital in his city built and furnished an entire wing with his donations. Charitable organizations were never refused aid from this great man. He even supported an entire mission school and contributed to the missionary teacher's support. And God blessed him and prospered him even more. His surplus was a blessing to his fellow man.

Is God interested in people's having a surplus? Does He ever give more than is needed? I believe He does. In my opinion, while a surplus is not necessary to the salvation of a soul, it is vital to the well-being of a witness for Jesus Christ.

From the very beginning, God has given surpluses to His followers. Remember how God provided food for the Israelites in their forty years of wandering? He gave them manna six days a week and on the sixth

day provided a surplus for the Sabbath. But if they gathered too much or unwisely used the surplus, it spoiled. This shows that we are to use our surpluses as God tells us and only for His glory and service.

The Psalmist David said, "My cup runneth over." He enjoyed a surplus.

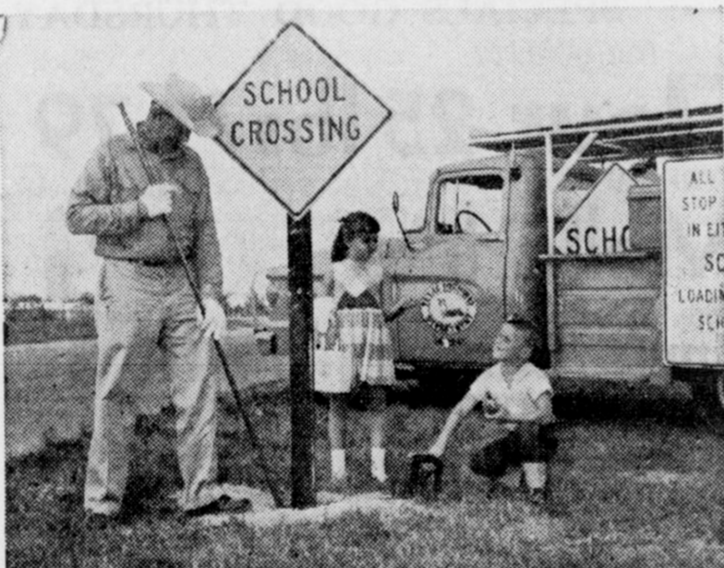

Once Christ took a little boy's lunch of five small loaves and two fish and multiplied it. He blessed the lunch, fed five thousand men, besides the women and children, and had twelve baskets of surplus left over.

The Apostle Paul wrote, "But my God shall supply all your need according to His riches in glory by Christ Jesus." That Scripture means that our needs shall be met, not by minimum standards or with just enough to get by, but according to the riches of God. This promise is not to supply part of our needs, but to supply all our needs.

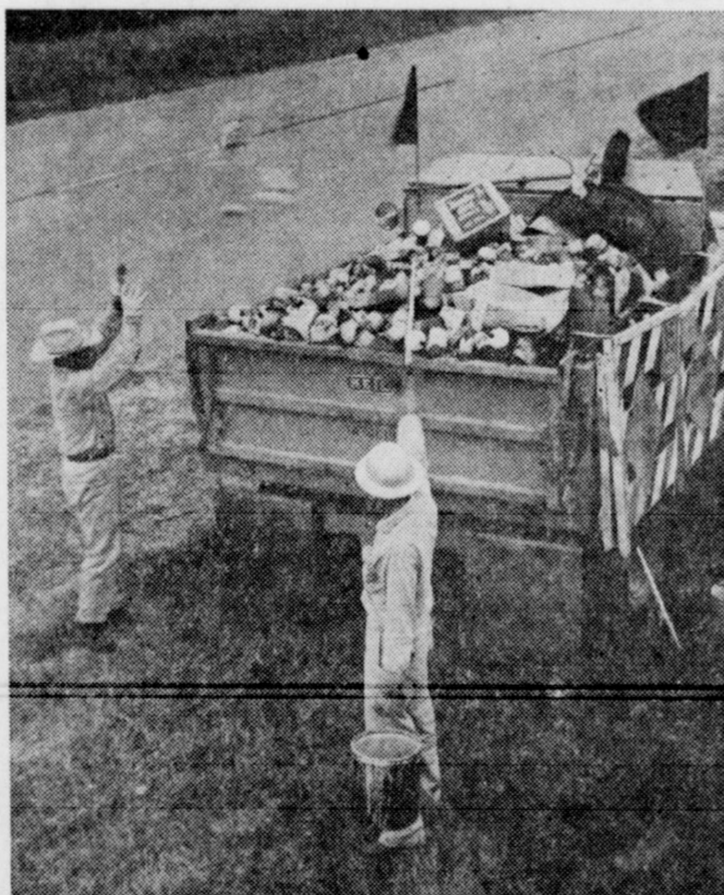

Christ has offered us the abundance of His eternal life. He said, "I am come that they might have life, and that they might have it more abundantly." Here is a promise of surplus, Christ specifically mentioned having life more abundantly.

God is pleased to bless all of us with a surplus in this world if we will dedicate it to His glory.

God has a surplus for you.

THE TEXAS HIGHWAY DEPARTMENT GETS READY FOR SCHOOL — As school days begin throughout the state, the Texas Highway Department is taking special precautions to insure the safety of school children on the way to and from school. Numerous signs of warning and caution are appearing near school sites (such as this typical sign being tamped in place by a Highway Department maintenance man) and school bus stops. Motorists are urged to carefully observe these signs to guarantee the safety of school children.

"YOU CAN'T TAKE IT WITH YOU" is the thoughtless attitude of the litterbug, who leaves a trail of trash on the highways which Texas Highway Department maintenance crews clean up by the truckload as shown here. The Department asks that you do "take it with you" when traveling. Dispose of your travel litter in proper containers. Please keep Texas highways clean for the enjoyment of others.

it easier than ever to move up to fine-car luxury—at the low Ford price. All Galaxies are beautifully built to be more service-free. They go 30,000 miles between major lubrications, 6,000 miles between oil

changes and minor lubrications. Brakes adjust themselves automatically.

FALCON SQUIRE WAGON ... Brand new for '62, it's sleek and sophisticated. Inside, it is available with Futura bucket seats and console! Outside, it has elegant woodlike steel side paneling.

FALCON FORDOR SEDAN ... Just one of 13 Falcons for 1962, this 4-door sedan has an improved version of the Falcon Six engine that last spring recorded the best gas mileage for a Six or Eight in the 25-year history of the Mobilgas Economy Run.

PensiveNotes

DEAR SIR:

I just dare you! Do away with some of the so-called "service clubs" *et cetera* in our fair town. Either that or shoot some meaning into their soggy existences. My religious friend (whom I have mentioned before) has told me about a woman's organization in a church that decided to find out, if possible, what was wrong with it, for it seemed to be dying around the coffee table. Someone came up with a question that she thought should be directed to the group:

"Would we ask a bright, intelligent young woman to attend our meeting!" That did it! They thought, "What would she think of our long-winded reports which are actually the same given before with punctuation marks in different places?"

"What would she think of the women of a Christian church who spend most of their time in gossip?" (Perhaps she would always attend the meetings, so that she wouldn't be talked about!) "What would she think about the usual program, which is presented with about as much imagination as last year's bird nest?"

But let's not pick only on the women. Step over to the civic service organization. The boys have clamped on their Joe and Harry buttons and are giving forth, rendering (look up the real meaning of the word) "Old McDonald Had a Farm." What will the bright young man think of the well-worn persiflage that passes for wit at the assemblies of these pillars of the community?

Alas, and certainly a lack, in our more sober moments we would bar the door to anyone who had even the slightest imagination or creative mind. We would be embarrassed to have him present.

Perhaps a few funerals with well-read eulogies would be good and proper, and we could bury some of our organizations. Our lives are much too over-organized as is, and unless some of our clubs can show a better reason to exist than they have, they should be given the "ashes to ashes and dust to dust" (which they were all along!). I have known so many people who have "clubbed" themselves to death!

Anyway, I dare you to think about it. It might not be the popular thing; it might step on a few toes. But maybe, then, we could spend a little time with our families (those people who live at our house!).

Daringly yours
J. Penwright Pensive

Farm Bureau

This is the harvest season for ideas in Farm Bureau. Local FB members are being urged to participate in the annual process by which the organization decides its position on hundreds of issues on local, state and national levels.

The process begins at the grass roots with discussion meetings attended by FB members. Three meetings are scheduled in Wichita county, according to Pres. Carl Moeller:

Oct. 3—Iowa Park, FB office, 7:30 p.m.

Oct. 4—Burkburnett Town Hall, 7:30 p.m.

Oct. 5—Electra, Punkin Community Center, 7:30 p.m.

Resolutions which reflect thoughts of its members will be drawn up at each of these meetings, on local, state and national issues. These resolutions will be acted upon at the annual convention Oct. 17 7:30 p.m. in the Iowa Park Methodist church.

Many important issues confront farm people, and it is important for farmers to express themselves on these issues in a way that will enable them to be heard, Moeller says.

Ed Foster jr. is policy development chairman and will preside at the three scheduled meetings.

ABUNDANT LIFE

by ORAL ROBERTS

HOW TO CHANGE THE WORLD

From the moment Jesus was born, the earth was changed. In a short time news of His birth spread. Shepherds abandoned their flocks to come to His birthplace. Wise men traveled for days across desert sands, following His star.

And thirty years later, when Jesus began His ministry, the world was changed again. His tradition-breaking doctrine of a loving Father who is concerned about His children swept across the nations like a wind-blown fire across a prairie. The words and teachings of Christ were burned indelibly into the minds of a group of people who believed in Him. These words and teachings have been recorded and passed on to us today.
