UNDER THE THREAT of rain, members of the Iowa Park Tennis Association play the final matches of their annual fall tournament Sunday afternoon. The cloud never reached Iowa Park, however, and the tournament was completed without interruption. Results are on page 10 of this issue.

United Way campaign 'off and running'

The Iowa Park United Way campaign is "off and running," according to Charles Lee, Campaign Chairman.

Chairmen of the five areas concerned locally with the drive and their volunteer workers are contacting their businesses and employees in an effort to raise the \$1,112,805 goal established for Iowa Park, Burkburnett, and Wichita Falls community service agencies.

Local city goals were not established, "because we feel our entire tri-city area benefits from the services these agencies provide, and we're just all working for the benefit of the complete North Texas locale," Dick Waggoner, United Way General Chairman explained.

"As far as the Iowa Park campaign is concerned, it's too early to talk a dollar figure, but we're in there

shooting for what we need to raise," Lee said.

The first report meeting for Iowa Park workers "will be held probably this week," Lee said. "We want to give our people time to get some work done so we can get a good pulse of the drive."

The five divisions and their chairmen are: Keith Aulds, Advanced Gifts; Bill Steger, Farris Nowell, and Gene Britton, Public Service; Mrs. Bobbie Shaw, Metro; Wayne House, Major Firms, and Joe Singer, Professional.

September, October and November have been declared United Way campaign months in a proclamation signed by Gov. Dolph Briscoe. In his proclamation, Gov. Briscoe urged "all people of our state to contribute to and volunteer their services to the campaign in their local community."

Early report: running behind

With collections totalling \$147,770, the United Way campaign in Iowa Park, Burkburnett and Wichita Falls has collected 13 per cent of its goal.

Last year at this time the campaign had reached 25 per cent of its goal.

Among the separate divisions of the campaign, the advanced gifts division is closest to its goal having collected \$78,860 for 41 per cent.

The next report meeting will be Oct. 4 at the Texas Electric Reddy Room in Wichita Falls.

Hawks hoping for repeat win over Azle Hornets

The Hawks are hoping for a repeat performance against the Azle Hornets tomorrow night when they

hit the road after a two-week layoff.

It was the Hornet club last year that provided Iowa Park's only victory of the season. In fact, it was the only varsity Hawk football win since 1975, and it came as a present to the 1976 IPHS homecoming crowd.

Azle entered the game with a 2-1 record, but this year the Hornets are 3-0, indicating they are either better or their opponents are weaker.

Fourteen lettermen have returned from the Dist. 5-AAA squad that finished the season 4-6. They've polished off Lake Worth and Diamond

Hill in shutouts, 6-0 and 26-0, and sandwiched in a 21-7 win over Justin Northwest.

Prior to their start of the 1976 season, the Hornets had amassed a string of 23 consecutive losses. The Hawks are hoping to end their current skein of nine.

Head Hawk Pat Tone says the open date last week has helped his young club considerably. They're not only had a chance to mend some minor but bothersome wounds, but look at some personnel changes as well as concentrate improving both offensively and defensively.

Tackles Paul Arrington and Ray Willingham are back in the lineup after being out a couple of games due to injuries.

Tone said he expects to start senior Blaine Horton and sophomore Ronnie Taylor at linebacker against Azle. That will relieve Pat Cooke to return to his more familiar defensive end position, where he started all last year.

Some other changes may be in the making, but Tone did not elaborate on them.

Azle likes to run with the ball most of the time, according to the scouting report, but the Hornets will throw the ball from time to time to loosen the defense when necessary.

In their first two games, against much stronger competition than Azle's, the Hawks have given up 519 yards on the ground and 102 passing.

Their major problem has been turnovers. Iowa Park has lost the ball seven times on fumbles and five times on pass interceptions.

Azle will be the final non-conference game of the season for Iowa Park. The Hawks open their 4-AAA play the following week at Stephenville. Next home game will be Oct. 7, when the Hawks host Burkburnett for a big homecoming bout.

Two plead guilty to cattle theft

Two men charged for their involvement in an alleged cattle theft ring focusing in Vernon have entered guilty pleas in Dallas federal courts.

Vernon pharmacist Darrell Thedford pleaded guilty Monday in a Dallas federal court to a charge of receiving 200 head of cattle stolen in New Mexico.

Thedford, who remained free on bond, faces a maximum five years in prison. U.S. District Judge Robert Hill did not immediately set a date for sentencing Thedford.

In making the guilty plea, federal authorities agreed not to file other possible federal charges in connection with the case.

The report that Thedford had entered a guilty plea was the first indication that federal charges had been filed.

Another man involved in the alleged cattle theft ring, Ronnie Sessums of Fort Worth, waived indictment Sept. 2 in a Dallas court and pleaded guilty to federal charges of interstate transportation of stolen cattle.

Thedford still faces state charges, according to Dist. Atty. Gene Heatly at Vernon.

Thedford and Vernon physician Dr. Paul Parkey, formerly of Iowa Park, Frank Simmons and Jerry Malone of Fort Worth and William David Lewis of Colorado were named in

indictments returned in state district court in Wilbarger County on Aug. 12.

Parkey and Thedford both have been charged by Texas authorities with six counts each of theft over

\$200 in connection with the theft of about 200 head of cattle.

Simmons, Malone and Lewis were indicted Sept. 13 by an Abilene federal grand jury for interstate transportation of allegedly stolen

cattle and vehicles from New Mexico to the Wichita Falls area.

The series of alleged cattle thefts is said to have extended from New Mexico to Texas during a period from Dec. 30, 1976, to March 19.

Arraignments Monday for two in grain case

H.C. Johnson and Patricia Price of Iowa Park, indicted for participation in alleged interstate transportation of stolen grain and furnishing false information, will be arraigned Monday before Federal Judge Robert Hill.

Arraignment proceedings are scheduled for 1 p.m. Monday in the Federal Building courtroom in Wichita Falls.

Mrs. Price surrendered last Friday to U.S. Deputy Marshal John Josey at the Federal Building in Wichita Falls.

H.C. Johnson surrendered to the federal marshal on Monday. He was released Monday by U.S. Magistrate Gene Richie of Wichita Falls on \$10,000 bond. Mrs. Price was released by Richie on a \$2,500 personal recognizance bond.

The bonds had been established earlier by U.S. Judge Leo Brewster in whose Abilene court the

indictment was returned.

The federal grand jury charges Robert Johnson with 13 counts of interstate transportation of stolen grain from Oklahoma to Texas. H.C. Johnson is named on all 13 counts for aiding and abetting.

H.C. Johnson is charged with four counts of interstate transportation of stolen grain from Colorado to Texas. Robert Johnson is named in the four counts for aiding and abetting.

H.C. Johnson is charged with one count of furnishing false information to the U.S. Dept. of Agriculture regarding the number of bushels of wheat in open storage. Mrs. Price is named on the court for aiding and abetting.

H.C. Johnson also is named in eight counts of willfully furnishing false warehouse receipts in order to secure loans.

While H.C. Johnson and Mrs. Price formally will hear their charges

Monday, the whereabouts of Robert Johnson remain a mystery stemming

from his alleged Jan. 3 drowning in the Gulf of Mexico near Port Aransas.

FIFTY SIX donors turned out Thursday when the Red Cross Bloodmobile made its stop here. Of those donating blood last week, almost two-thirds were high school students. The Iowa Park quota is 75 pints of blood, according to Red Cross officials.

Chamber making plans for events

Plans for two big events to take place next month were discussed during Monday's monthly meeting of the Iowa Park Chamber of Commerce

directors. Most of the meeting time was taken up with discussion of the annual membership meeting and election, to

be held Oct. 17, and the 1977 edition of Whoop-T-Do, slated Oct. 8.

Past presidents Charlie Lee, Wayne House and Bob Hamilton were appointed by Keith Aulds to serve as the nominating committee for the annual meeting.

The election will be held following a catered noon meal in the Texas Electric Service Reddy Room. Open to all members of the Chamber, those planning to attend are to make meal reservations at the Chamber office.

Following a report from Richard Davis, who is in charge of the Whoop-T-Do this year, that more

Turtles, talent entries needed

Youngsters should start catching and training their entries for this year's Turtle Trot, and those interested in competing in the talent contest should register, as the 1977 Whoop-T-Do date nears.

The Turtle Trot is open to any youngster 12 years of age or younger. The winner will receive

a \$25 U.S. Savings Bond.

Anyone or group is eligible to participate in the talent contest. Prizes will be presented to the winners. Registration should be made at the Chamber of Commerce office.

The Whoop-T-Do is slated for Oct. 8 in the 100 block of East Cash.

Football game tickets on sale

Tickets for tomorrow's Iowa Park-Azle football game are now on sale at the high school, according to Bob Dawson, principal.

All adult tickets are general admission, and will be \$2.50 whether purchased here or at the gate.

Student tickets are \$1 if purchased here, but will be \$2.50 at the gate, Dawson said.

Fletcher-Burriss wedding vows exchanged Saturday

Miss Vanessa Gale Fletcher, daughter of Mr. and Mrs. Bennie Bagley, and Gary Lynn Burriss, son of Mr. and Mrs. G.A. Burriss of Kopperl, exchanged nuptial vows Saturday evening at Faith Baptist Church with the Rev. Bill Campbell officiating.

The double-ring ceremony was solemnized before a central arch covered with flowering dogwood flanked by candelabra entwined with the same foliage holding white wedding tapers.

Dave Bridgers, organist, presented a program of traditional prelude selections and the wedding marches. His offerings included "We've Only Just Begun" by Williams and Nichols, "If Ever I Would Leave You" by Loewe

Lerner, "Today Is Ours" by Carlton C. Buck, "Because He Cared", an original composition of the organist and "Nuptiale" by Alan Caron.

The bride was presented in marriage for both parents by her father who escorted her to the altar. She was attired in a long candlelight embroidered linen and Spanish lace gown. The lace ornamented the gown in a border of the square neckline, on the cuffs of the bishop sleeves, at the high waistline and between the tiers of the full skirt. She wore a matching picture hat with a band of Spanish lace circling the crown to a silk flower at the back and carried red pixie carnations and white daisy poms in colonial cascade arrangement.

The bride observed the traditions by wearing a good luck sixpence for "something old", earrings from her parents for "something new", the blue garter and

the "something borrowed" from Mrs. John Fecher was a part of her wedding costume.

Mrs. Joe Owen, sister of the bride, was matron of honor. She wore a long red dotted and floral imprinted white crepe dress made peasant style with a wide ruffled collar around the low neckline that extended over the shoulders. A red satin sash hugged the waistline and dropped in streamers from a bow at the back waistline. She carried three white carnations accented with a red silk bow and cascading ribbons.

Pete Sims of Wichita Falls was best man. Charles Fletcher, brother of the bride, lighted the candles at the altar and was assisted by Scotty Owens with duties of ushering.

Mrs. Bagley, the bride's mother, wore a long blue and white polyester gown dress designed with a V-neckline and angel wing sleeves. Wide ecru lace was used on the front and back of the bodice and in a panel down the front of the skirt. She wore a corsage of red and white carnations.

Wedding guests registered in the church foyer at a table covered with gold lace holding a bud vase of red and white carnations and a crystal plate filled with red and white net rice bags tied with baby's breath. Mrs. Mahmoud Eslami of Iran presided at the bride's book.

The bride's parents were hosts for the reception following the wedding in the Fellowship Hall of the church.

The center of interest on the bride's table laid with white lace was the white two-tiered cake delicately scolded with white icing and decorated with red roses reflecting ever glowing embers of love and the soft shades and deepening shadows of September. The love theme was repeated in the miniature bridal couple standing before a trellis of roses on the top tier.

The table was further appointed with a centerpiece of red carnations and white daisy poms and the crystal punch service.

The silver coffee service was placed on a nearby table covered with white lace over red.

Miss Rhonda Shook and Mrs. Wally West were reception assistants.

The couple will live in McAllen where he is employed by Rosser Testing. She was graduated from Iowa Park High School where she was a cosmetology student and secretary of VICA. The groom attended Wichita Falls High School.

Out-of-town guests were Mr. and Mrs. A.L. Croft of Dallas, grandparents of the bride, Mrs. Carolyn McDonald and Kelly and Gary Glasner of Richardson, Mrs. Don Patton of Electra, Mr. and Mrs. Dee Boyd, Mrs. Leon Stogsdill, Donnie and Johnny, all of Vernon.

Wedding is told

Miss Susan Denise Smith, daughter of Mr. and Mrs. Ronald Bell of Electra, and Joel Dale Williams, son of Mr. and Mrs. Jimmy D. Williams of Iowa Park, were married Wednesday evening, Sept. 14th in the home of the groom's parents.

Virgil Hill, justice of peace, performed the double-ring ceremony.

The bride wore a pink floral sun dress and carried a bouquet of pink roses. Mrs. Mike Martin, the matron of honor, also wore a pink floral print dress and carried a long stem pink carnation.

Russell Swanson was the groom's attendant.

The bride is a senior at Iowa Park High School. The groom was graduated from Iowa Park High School in 1976. He attended Texas State Technological Institute at Amarillo and is currently employed at Firestone Tire and Rubber Co. in Wichita Falls.

A reception was held following the wedding. Mrs. Jerry Matthew and Mrs. Sammy Dunn served refreshments from a table laid with white lace over blue which held a three-tiered

Lottie Wilson, Texas Electric Financial Department.

"Are you serious about saving energy and money? Then send for the book."

"I'm in the Financial Department at Texas Electric, so I know electricity is costing more to make because of higher plant and fuel costs.

But I'm also a Texas Electric customer — and my bills are higher, too.

I've found this tips booklet very helpful. It's full of energy-saving ideas.

Like keeping your thermostat set on 78 degrees or higher during the summer. Waiting until you have a full load before you run the dishwasher or the washing machine. Turning off unused lights.

If you're serious about saving energy and money, just write 'send the book' on the comment portion of your electric bill!"

Electricity. You count on it today. We're working to keep it that way.

TRACY CARROLL

Mr. and Mrs. Grant Carroll of Grandfield, Okla. are announcing the engagement of their daughter, Tracy, to Thomas H. Black, son of Mrs. W.A. Black of Iowa Park, and the late Mr. Black.

Miss Carroll is a 1974 graduate of Grandfield High School and attended the University of Oklahoma. Her fiancé was graduated from Iowa Park High School and attended Midwestern State University.

A wedding date has not been set.

Cook of the Week

Corn bread, still a Southern specialty, has been the major bread eaten in America several times when wheat was a luxury because of its scarcity.

Without corn, how could there be corn bread? How long has corn been a part of America? Botanists believe that it first grew in North America. No one in Europe knew about corn before Columbus sailed to America in 1492. When the early explorers arrived from Europe, they found Indians growing it from Canada to the southern tip of South America.

Corn became of first

importance in the life of pioneers. Early Americans often used it as money, paid their rent, taxes and debts in corn and even traded it for marriage licenses.

The pioneers had corn husking parties to brighten settlement life at harvest time. After the corn was husked, it could be ground into meal. Grinding corn was often the job of the boys and one type of mill they used consisted of two stones.

The pioneer women made various kinds of corn bread, such as ashcake, hoe cake, johnny cake or corn pone. Milling today is quite different and so are some of

the recipes for cornbread, such as Mexican Cornbread for which we have Mrs. Billy Fonville's recipe this week.

Mr. and Mrs. Fonville reside on Peterson Road. He is maintenance engineer at Sears-Roebuck and she is district supervisor for Southwest Marketing Research out of Dallas. They attend the Faith Village Church of Christ in Wichita Falls. They have two sons, Gary of Harlingen and Lynn of Wichita Falls and one granddaughter.

Mrs. Fonville enjoys her house plants for which she seems to have a green thumb, foil art, ceramics and camping.

(If batter seems a little thin, add up to 1/2 cup cornmeal.)

Texas caverns program topic

Mrs. D.W. Mercer used "Wonders Down Under" for the theme of her talk on seven of Texas' finest caverns when she gave the program Tuesday evening for Epsilon Eta chapter of Epsilon Sigma Alpha.

Mrs. Tom Venhaus and Mrs. Dalton Bleeker were hostesses for the meeting held in the reception room at Woodbriar Apartments.

The subterranean spots selected from the 2,000 caverns in Texas described by Mrs. Mercer were the Caverns of Sonora, Natural Bridge near New Braunfels, Inter Space Cave close to Georgetown, Wonder Cave in the vicinity of San Marcos, Cascade and Century Caverns near Boerne and Longhorn Cavern located in a state park at Burnet.

Taking the group on imaginary explorations of the caverns, the speaker pointed out the wonders of nature, multi-colored, odd and intriguing formations, prehistoric species, Indian artifacts, magnificent natural beauty and legend which she said could not be surpassed in any other subterranean areas in the U.S.

Mrs. Bleeker gave a devotion on "Friendship" to precede the business directed by Mrs. Charles Dudley. During reports considerable time was devoted to making plans for the club's entry in the homecoming parade Oct. 7 and the selection of queens to reign during Whoop-T-Do activities Oct. 8. Mrs. R.B.

Faulkner is chairman of the parade entry and Mrs. Bill Vanek is chairman of the contest.

Special guests were Meses. Robert Wheeler, Jack Pennington and Carlton Hicks.

Others present were Meses. James Dyer, Jean Proulx, Bill Hrdndrick, Roy Johnson and Homer Blalock.

CWF meets

The Christian Women's Fellowship of First Christian Church met Monday evening in the church parlor.

The schedule includes the general C.W.F. meetings the first Monday of each month at 7:30 p.m. in the church parlor and the Bible study the third Monday of each month at 9:30 a.m. and 7:30 p.m. Both groups will study the parables of Jesus and a nursery will be provided.

Mrs. Wm. Andersen presented the first program on "Affirming God's Reign" when the group explored two questions, "What is the kingdom of God?" and "How can a new understanding of the kingdom affect our lives?"

Mrs. Johnny Cole presented the devotion.

CUT OUT FOR FUTURE REFERENCE

WHO WAS CHRIST THAT DIED AND ROSE AGAIN?

"What think ye of Christ?" was a question Jesus of Nazareth himself posed to the Jews. Controversy over him has echoed down through the centuries in endless wordy conflict, and has led to persecution, torture, and war. His name is The Prince of Peace; yet only too clearly has his own prophecy been fulfilled: "Suppose ye that I am come to give peace on earth? I tell you, Nay; but rather division" (Luke 12:51). "I came not to send peace, but a sword" (Matt. 10:34).

Disheartened by the strife and bloodshed, men may turn from the subject in disgust. Yet to know Christ is the most vital knowledge we can possess, for the apostle John says: "Whosoever believeth that Jesus is the Christ is born of God" (1 John 5:4). Jesus himself declared the other side of the same truth when he said: "Except ye believe that I am he, ye shall die in your sins" (John 8:24). What that means the apostle Paul showed when he told the Corinthians that if Christ had not risen, "Ye are yet in your sins", and added: "Then they also which are fallen asleep in Christ are perished" (1 Cor. 15:17-18). Without belief in Christ, there is no hope of future life; with belief in Christ (in the Scriptural sense of the term "belief") men may become "sons of God" and "sons of the resurrection", dying no more, but living in eternal fellowship with God and His Christ.

The question, then is not to be evaded, and responsibility for answering it cannot be escaped. The lamentable history of nearly two thousand years bears witness to the uniqueness of Christ. No other has made such claims, revealed such character, or left such a powerful impress on all subsequent history. Of no other can it even be suggested that life depends on belief in him.

His coming was hailed with a message of "peace on earth": why should his name bring strife? The cause of the conflict is not in his own purity, or in the truth concerning him; it is found in the impact he makes on a world which denies or betrays him. Men's philosophies and feelings are at variance with him; and his words and theirs have been commingled in the teaching of the churches. But they can never truly blend. Yet the disciples who went out with his authority and with his message taught a doctrine which could be known and believed by any man. What is it that the Scriptures have to say concerning Christ?

1. -- They give us a reason why Jesus Christ was called the Son of God; this is that he was not naturally begotten, but generated in a virgin mother by the power of the Spirit of God.

"The angel said unto her (Mary), The Holy Spirit shall come upon thee, and the power of the Highest shall overcome upon thee: THEREFORE also that holy thing that shall be born of thee shall be called the SON OF GOD" (Luke 1:35). "Joseph, thou son of David, fear not to take unto thee Mary thy wife, for that which is conceived

in her is of THE HOLY SPIRIT" (Matt. 1:20). "Unto us a child is born; unto us a Son is given" (Isa. 9:6).

2. -- They tell us that though Son of God, he shared our human nature. He was put to the proof, experiencing the life of men yet never faltering in his obedience to God. Through this both he himself was saved -- being raised up from death to glorious life -- and he is able to save those who come to him.

"Forasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same" (Heb. 2:14). "In all things it behoved him to be made like unto his brethren" (Heb. 2:17). "He was in all points tempted like as we are, yet without sin" (Heb. 4:15). "Though he were a son, he learnt obedience through the things which he suffered" (Heb. 5:8). "By the obedience of one shall many be made righteous" (Rom. 5:19). "He obtained eternal redemption ... he became the author of eternal salvation to all them that obey him" (Heb. 9:12; 5:9). "God hath raised him from the dead" (Eph. 1:20). He is "declared to be the Son of God ... BY THE RESURRECTION FROM THE DEAD" (Rom. 1:3). "Being raised up the Lord Jesus shall raise up us also BY JESUS" (2 Cor. 4:14). "The Lord Jesus Christ: who shall change our vile body that it may be fashioned like unto his glorious body" (Phil. 3:21).

3. -- The Scriptures speak of Christ as "the man Christ Jesus", and show him as the Son in subjection to his Heavenly Father, learning wisdom and yielding obedience. Yet at the same time he is the manifestation of God upon earth. God begot him, God dwelt in him, and spoke and worked through him throughout his ministry. In a very real sense Jesus was one with the Father.

"Emmanuel, God with us" (Matt. 1:23). "The word made flesh" (John 1:14). "I and my Father are one" (John 10:30). "I came down from heaven" (John 6:38). "Great is the mystery of godliness, God (or as the Revised Version has it, He who) was manifested in the flesh" (1 Tim. 3:16). "The words that I speak unto you I speak not of myself; but the Father that dwelleth in me, he doeth the works ... He that hath seen me hath seen the Father" (John 14:9, 10). "The image of the invisible God ... the express image of his person" (Col. 1:15; Heb. 1:3). "God was in Christ, reconciling the world unto himself" (2 Cor. 5:19).

The Scriptural statements show that Jesus Christ was the incarnation -- not of an Eternal Son -- (a contradictory, as well as an unscriptural, form of speech), but of the Father, who, though dwelling in heaven, and filling immensity with His Spirit, manifested Himself on earth 1,900 years ago, in the wonderful manner exhibited in the birth, life, works, death and resurrection of the Lord Jesus Christ.

As I See It....

By BOB HAMILTON

I've had more telephone calls and visitors during the past few weeks about rabies and the need to control animals, than any particular subject in a long time.

It's a serious subject, recognized by some, disbelieved by some, and ignored by others.

To those who have been subjected to the rabies shots, it is a most real situation. And costly.

I was informed the other day that a new shot has been added to the series of 21, given to victims of bites. It's now standard. And it costs \$75 by itself, not including the hospital and doctor charge.

Parents of children who are subjected to the series of rabies shots can't believe how indifferent the public is to the control of stray animals. Though most of them admit they thought little of the animals until their child is bitten.

Our city has a good, strong animal control ordinance. But no law is enforceable without the support of the public.

"Well, why don't they just hire a dog catcher and get him out there and catch all those stray dogs?" you ask.

They, the city, have. Time and

again. But it's not as simple as it all seems.

Dogs don't announce whether they are pets or strays, so the animal control employee picks up any dog not on leash or in a fenced yard. And that's when it hits the fan!

It seems our dog owners believe that the ordinance is only for control of stray dogs, or those owned by someone else. But not their ill darlin' pooch. "Let that old dog catcher lay a hand on my puppy and I'll shoot him." That comment isn't just a thought by many residents, but actual threats made.

There was a case recently at Canyon, up in the Panhandle, where a mother spotted the dog catcher coming down the street. When she saw him stop, she called the dog into the house, along with their two children.

The city employee knocked on the door, telling her he had to enforce the ordinance and pick up the dog or write her a citation. Whereupon, she

promptly bailed out through the door, jumped on his back and started beating him over the head.

She didn't stop to consider that the dog catcher was not only trying to do his job, but in effect, trying to save her children from possible harm from any stray animal.

I understand she's paid a healthy fine, and rightfully so.

We've had a turnover of animal control people in Iowa Park you wouldn't believe, in the past few years.

Why do we need them? Well, I understand that Wichita County has the second highest count of confirmed rabies cases in the entire state. That reason enough?

For your own sake, if nothing else, cooperate with the city. Abide by the animal control ordinance. Keep your dogs in your fenced yard or on a leash.

And for heaven's sake, cooperate. Help the dog catcher. He's trying to help you.

Anthony York, president of Student Council, requests that float entries be registered.

Host of activities set for homecoming weekend

Three queen coronations, gridiron action, a barbecue and talent show will combine to headline festivities surrounding this weekend's Holliday High School homecoming.

This week was observed as "Roundup Week" with students and some faculty members coming to school dressed western in everything from boots to bandanas.

But no broncos were

hitched outside the new high school and remodeled elementary, which no doubt will be a source of attraction for past graduates in town for Friday and Saturday's activities.

First of the special events is scheduled for 7:30 p.m. Friday at Eagle Stadium when the new homecoming queen will be crowned during pre-game ceremonies.

Homecoming queen nomi-

nees include Kristi Lucy, freshman; Karen Wilkerson, sophomore; DeDe Leonard, junior; and Amanda Wood, senior.

Escorting homecoming nominees will be Lindy Dolberry, Jody Collier, Mark Wells and Larry Ayres.

At 8 p.m. Friday the Eagles varsity will take on the Seymour Panthers.

The game will mark Holliday's fourth and next to

the last non-conference tilt. Coach Don Lucy's birds will go into the contest with a 2-1 season record, while Seymour will enter the contest 0-2-1.

Last week Haskell blanked Seymour 23-0. The previous week Seymour lost to Crowell 26-10, and in their season opener the Panthers tied Munday 13-13.

More lovely girls will be on display during halftime when the band sweetheart is

crowned.

Nominated to reign over the school's sweepstakes winning band are Debbie Brown, Traci Anderson and Jane Parker.

Escorts for band sweetheart nominees will be Mark Wells, Steve Parnell and Barry Lawson.

As always, the Eagle Band under direction of Dwade Reinsch, will display their award-winning efforts.

SATURDAY ROUNDUP
Saturday's activities, all sponsored by the senior class as a money making venture to finance their graduation trip, will begin about 5 p.m. at Eagle Stadium, according to senior class sponsors Mary Ann

White and Bill Lee.

Festivities will kickoff with a giant outdoor barbecue on the football field. The menu will include barbecue beef, beans, potato salad and all the trimmings.

The gridiron will be speckled with numerous carnival attractions and booths including a fish pond, dart throw, baseball throw, ring toss, country store, bingo, cake walk and car smash.

Primary targets at the wet sponge throw will be high school principal Bill Crabbs and coach Cotton Davis.

A spook house will be set up in the junior varsity dressing room.

At 8:30 p.m. Saturday the spotlight will focus on the old gym for the crowning of the roundup queen and talent show.

Nancy Sanders, a senior, will be crowned roundup queen. Her escort will be Scott Collier.

Roundup court, escorts and the classes they represent will include Lisa

Talley and Joey Kincaid, juniors; Teresa Borton and Kyle Stone, sophomores; and Tracy Clemens and Jerry Jones, freshmen.

The talent show will follow the queen coronation.

Students in kindergarten through high school auditioned and were selected by a talent show committee to appear in the show.

HOMECOMING QUEEN NOMINEES -- Pre-game ceremonies Friday night will include crowning of the new homecoming queen at Holliday High School. Nominees

include, from top, Amanda Wood, DeDe Leonard, Karen Wilkerson and Kristi Lucy.

Revival set next week

Rev. and Mrs. Jimmy Skinner of Independence, Kansas, will conduct a revival at Faith Tabernacle in Holliday starting Sept. 26 and continuing through Oct. 2. Services will be held at 7:30 p.m. each day.

The Rev. Skinner, who is pastor of the Church of God at Independence, will do the preaching and Mrs. Skinner will assist with the music.

The Skinners are well known in the area. Both were graduated from Iowa Park High School. He is the son of Mr. and Mrs. Luther Skinner and she is the daughter of Mr. and Mrs. L.E. Case.

Rev. Roy Stewart, pastor of Faith Tabernacle, is the son of Mr. and Mrs. B.D. Stewart of Iowa Park.

Trash ordinance adopted

At a called meeting Friday the Holliday City Council adopted a new trash ordinance.

The council also instructed its attorney, Mike Hubbard of Iowa Park, to

begin drafting a new animal control ordinance.

The council's next regular meeting will be at 7 p.m. Tuesday at Holliday City Hall.

Speaker Clayton appoints Finnell

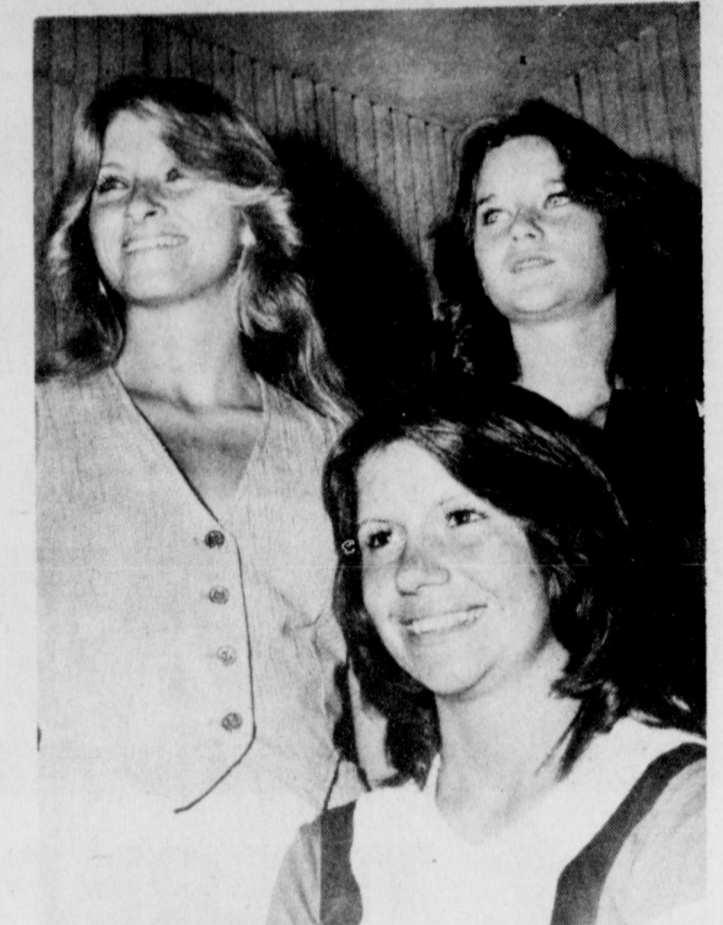

State Rep. Charles Finnell of Holliday has been appointed to the Texas Legislature Council by House Speaker Bill Clayton.

Finnell and Rep. Doyle Willis of Fort Worth are new members. Eight representatives were re-appointed to

second two-year terms. Lt. Governor Bill Hobby is chairman of the council, and Speaker Clayton is vice chairman.

"I feel very justified in re-appointing these members to the council. Their

Big Red rolls 28-6 over Quanah

An improved ground game and three tailor-made passes helped the Eagles devastate Quanah 28-6 despite several costly backfield miscues and fights that sidelined two Eagles.

Handing Quanah its third loss of the season, Holliday boosted its record to 2-1.

In the wake of the previous week's lynching by powerful Electra, the Eagles were back in familiar style with a 65-yard TD drive in the first quarter against Quanah.

The opening touchdown was set up when Jay Wright

recovered an Indian fumble on the Eagles' 35.

Holliday's first possession of the night ended in a ten-play drive that ate up 65 yards and five first downs.

With Eagle Steve Parnell blowing away the last Indian defender, Larry Ayres blasted six yards up the middle to give the Eagles six points with 3:19 left in the quarter. Mark Wells split the uprights for the PAT.

After taking the kickoff, Quanah was unable to gain a first down.

Holliday picked up two quick first downs, but the Eagles were forced into a

punting situation after quarterback Steve Lucy twice was forced to the ground behind the line of scrimmage.

A flag on Quanah for roughing the kicker, gave Holliday a new lease.

The turnover climaxed with Lucy sweeping right end on a keeper for the three-yard TD. Wells booted the PAT and Holliday was on top 14-0 midway through the second period.

The ensuing kickoff produced a mad dash for the pigskin, although an Indian emerged with the ball from a pile including Sonny Henson and Randy Molina.

The Indians turned right around and coughed up the ball which was recovered by Larry Ayres.

And then the Eagles

fumbled the ball to Quanah. Quanah fumbled twice more on the drive, one forced by Lynn Coats. Quanah's efforts to penetrate were quashed by Henson defending an Indian aerial.

Unable to shake off its backfield ball handling woes, the Eagles fumbled to Quanah on the second play of the third quarter.

When the Eagles finally regained possession they

found themselves 30 yard deep into their own territory. Up-the-middle gains by Larry Ayres, Lucy and Wright garnered two first downs for the Eagles.

On a fourth-and-seven situation head coach Don Lucy sent in a tailback pass call that ended in Wright hitting Rusty McDaniel for a 22-yard gain. Larry Ayres punched it in within a foot of the goaline. Wright drove in

the extra foot to paydirt.

Wells' PAT was good and the Eagles commanded a 21-0 margin with 1:40 left in the third stanza.

Holliday suffered a 15-yard penalty on Quanah's kickoff return. On the next play Holliday's Jeff Coats went to fist city with Quanah's Johnny Pechacek. Offsetting penalties were called and both players were sidelined by officials for the remainder of the game.

A few minutes later an Eagle co-captain, Benney Ezzell, was escorted to the sideline by officials after Quanah returned a Holliday punt.

Asked why Ezzell was taken out of the game, one of the officials replied, "Scrap-ping."

Asked if a Quanah player also had been kicked out of

the game, the official answered, "No, sir."

Two plays later, however, the Eagles were back in good shape after Gerry Graves hauled in a stray Indian pass. It was Graves' second interception of the season.

A substantial gain came on a 20-yard pass success from Lucy to Kent Lemons.

Holliday's first aerial TD of the season came when Lucy nailed McDaniel from ten yards out with 8:15 left in the contest.

Quanah's only touchdown came after the Indians recovered an Eagle fumble 32 yards deep into Eagle

territory. Quanah's Chris Barker scored on an eight-yard dash, and the extra point try failed.

Graves finished the night at the helm for Holliday.

Sidelined because of injuries were seniors Bimbo Stone, Mark Mankins and Buff Young.

Four games on tap

Holliday will have teams playing at two locations today for four rounds with Olney.

The seventh and eighth grade will travel to Olney

for a doubleheader beginning at 6 p.m. today.

Freshman and junior varsity units will host Olney here with the first of those games also set to begin at 6 p.m.

Eighth grade remains unbeaten

Holliday's seventh grade Eagles blanked Petrolia 36-0 and remains the city's only unbeaten gridiron unit. The seventh graders also remain to be scored on.

In the tilt with Petrolia Brad Harmon scored early in the opening period on a 35-yard scamper, and capped the TD with the extra points pass to Kevin Lilly.

Mike Parker nailed Kevin Blankenship for a 30-yard touchdown aerial later in the first quarter. Jeff Belcher provided the extra points on a run.

Moments later Belcher came back to score from two yards out, and the extra points came on a pass to Lilly from Harmon.

In the second quarter Lilly scored on a 25-yard pass from Harmon, but the PAT failed.

Holliday iced the cake in the final stanza on a 20-yard TD toss from Harmon to Blankenship.

The seventh grade's season record now stands at 2-0.

EIGHTH GRADE

Holliday's eighth grade Eagles were edged out 18-6 by Petrolia.

Holliday drew first blood in the contest on a six-yard TD run by Joel Mankins.

Petrolia came back in the second quarter to score on a pass play.

Unable to cork Petrolia's passing game, the Pirates

returned in the second half to score twice again, both times on short yardage quarter back keepers.

The outing with Petrolia leaves the eighth graders with a 1-1 season record.

JUNIOR VARSITY

Holliday's junior varsity Eagles shut out Petrolia 12-0.

After a scoreless first stanza, the JV opened the second quarter with a 75-yard TD drive that included a 25-yard scamper by Joey Kincaid.

The Eagles capped the drive with a seven-yard TD loss to Lindy Dolberry from Ricky Jones. The PAT failed.

Holliday cinched its victory with a third quarter

touchdown supplied by James Porter on a 12-yard run, climaxing an 80-yard offensive effort. Porter also had a 75-yard TD sprint called back.

The junior varsity's season record now stands at 1-0-1.

TOP OF TEXAS

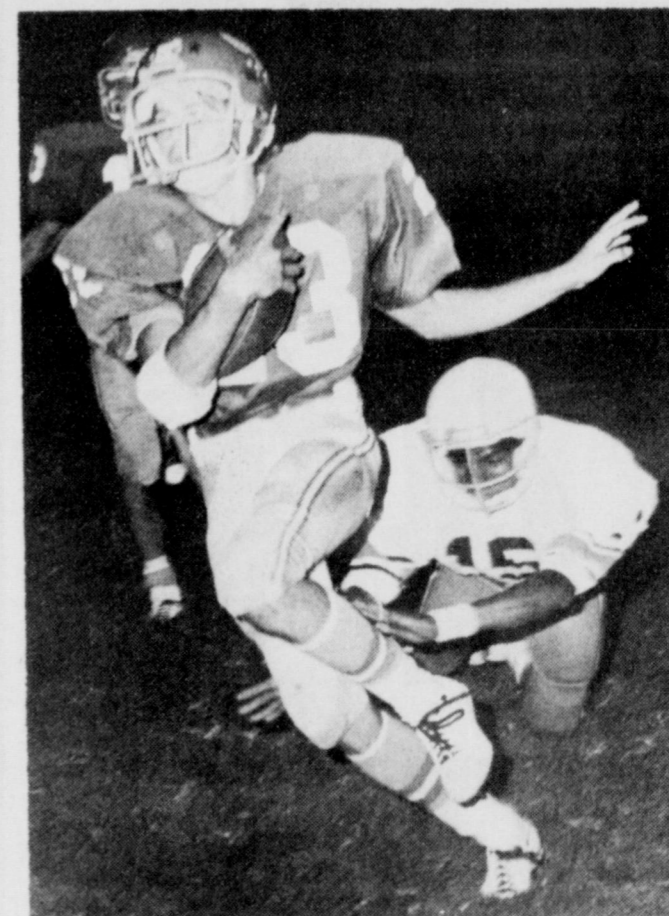

Holliday's Midgets of the Top of Texas League downed Sheppard 26-0. Two touchdowns and a PAT came from Kelly Coats. Jay Burks and Ronnie Felhaeur also scored on a quarterback keeper.

Holliday's Pee Wees were shut out by Sheppard 22-0.

The midgets are 1-0-1 on the season while the pee wees are looking for their first win.

TD CATCH - Holliday's Rusty McDaniel hauls in a 10-yard pass from Steve Lucy for a fourth quarter touchdown against Quanah.

HOME FREE - Tailback Jay Wright sneaks through the Quanah defense for a touchdown in the third stanza.

Notre Dame here tonite

For Iowa Park football fans unable to make the trip to Azle for the Hawk-Hornet clash, there promises to be gridiron excitement here Friday night when Wichita Falls Notre Dame hosts state-ranked Windthorst at the junior high stadium.

Kickoff is set for 8 p.m. Friday. Windthorst's unbeaten Trojans are ranked third in the state among Class B schools.

Notre Dame is picked by most sports observers to continue its district reign and take a crack at the TCIL's state crown.

Knight head mentor Richard Bohac predicted Friday night's clash will focus on defense and expects both teams to get on the scoreboard "two or three times."

"I just hope we're not down like we were last week," Bohac said in the wake of this team's 28-26 loss to Chillicothe. The Knights are 2-1 on the season with earlier wins over Goree and Irving Cistercian.

"Windthorst looks real tough. We're real impressed with them. They are quick offensively, read the holes real well and have good blockers.

"We should be able to give them a good game," Bohac said.

Junior high splits wins

Iowa Park's junior high football teams split a tripleheader with Burk Burnett here Tuesday night.

The Eighth Grade defeated the visitors 14-12.

In the Seventh Grade "A" team game, Burk won 12-0, but the Seventh Grade "B" teams deadlocked, 0-0.
