

Building tops past 4 years in Iowa Park

The first four months of this year shows all the indications that 1970 will be a bumper year for construction in Iowa Park.

The four-month period's permits issued by the city exceeds permits issued not only for the entire year of 1969, but the years of 1968 and 1967 as well.

April's permits issued amounted to \$47,244, which brought the year's total to a whopping \$225,216. This is compared with \$206,883 for all of 1969; \$121,000 for 1968; and \$189,551 for 1967.

It was February's \$113,962 which brought the year's amount up so greatly. This was aided by \$41,085 in March.

A breakdown of the permits follows:

Tom Parker, 211 W. Alameda, garage, \$1,000;

Jerry Wood, 1201 Emma, residence, \$10,400;

Romer Hodges, 700 S. Wall, shed, \$50;

Donald Potter, 406 W. Clara, storage shed, \$73.85;

James Billingsley, 303 W. Chestnut, storage building, \$100;

Elmo Weaver, 301 W. Crystal, residence, \$6,531;

James E. Young, Jr., 118 Westview, panel wall, \$30;

Jerry Wood, 102 Karen, residence, \$12,717;

David Roy, 1000 N. 4th, storage building, \$400;

Mrs. Eddie H. Green, 321 S. Bond, mobile home, \$5,300;

Bill Curry, 101 W. Aldine, addition and enclosure garage, \$4,000;

Dean Miller, 202 E. Crystal St., moving house to above location, \$300;

Roman Alambur, 307 W. Texas, moving home, \$8,250.

Baseball season opens here this weekend

IOWA PARK

LEADER

THURSDAY, APRIL 30, 1970

VOL. 1, NO. 33 IOWA PARK, WICHITA COUNTY, TEXAS, 76367

10 CENTS

Democrats, Republicans voting primary Saturday

Saturday is election day for the Democratic and Republican Parties locally and across the state.

Polls will open at 7 a.m. and close at 7 p.m. for both parties.

Democrats will find their voting boxes at the County Agriculture Building for Voting Precinct 32; First Presbyterian Church for Precinct 33; Valley View School building for Precinct 34; and Kamay Community Building for Precinct 35.

Only one Republican box will be open for all four Voting Precincts, 32, 33, 34, and 35, and that will be at the First Christian Church in Iowa Park.

Officers which will be voted on will include: Precinct Chairman; Justice of Peace, County Precinct 3; County Chairman; County Surveyor; County Treasurer; County Clerk; District Clerk; County Judge; Judge, 30th District; Associate Justice, Court of Civil Appeals; Chief Justice, Court of Civil Appeals; State Representative, 60th District; Places 1 and 2; State Senator, 30th District; Court of Criminal Appeals Presiding Judge; Supreme Court of Texas, Associate Justice Place 1, 2 and 3; Railroad Commissioner; Commissioner of Agriculture; Commissioner of General Land Office; State Treasurer; Comptroller of Public Accounts; Attorney General; Lieutenant Governor; Governor; Congress; and U.S. Senator.

Bill Steger is judge and O.N. Newman assistant for Democratic Precinct.

Officers of the Democratic Party election are as follows:

Precinct 32--County Agriculture Building--Bill Steger, judge; O.N. Newman, assistant; clerks, Mmes. William H. Anderson, N.E. Guthrie, Jr., O.R. Ackerman, J.O. McCullough, Rollins Woodall, W.J. Hall, O.N. Newman and Norman Mayes.

Precinct 33--First Presbyterian Church--Mrs. D.O. James, judge; clerks, Mmes. Lee Turner, James Yarbrough, Jerry Robertson and Rev. Gerald Tidwell.

Precinct 34--Valley View School--Mrs. Billie Dowell, judge.

Precinct 35--Kamay Community House--DeWayne Kuykendall, judge; Mrs. Polly Burnett, clerk.

Larry Castiberry will be judge of the Republican Party box in Iowa Park. He will be aided by clerks Margaret Kirkland and Jim Shumsky.

The only race of local significance is for Justice of Peace, Precinct 3, which was left vacant at the death of Bob Brubaker. Five candidates filed for the election, but only three have remained and are on the Democratic ballot. They are, in order of appearance on the ballot, C.L. "Charley" Metz, Bill G. Robinson and Virgil Hill.

Metz is owner and operator of Metz Restaurant; Robinson is owner and operator of Western Auto Store; and Hill is a radio dispatcher for the City Police Department.

DAVE RUBINOFF, nationally-known violin concert performer, is shown after his performance here Tuesday night signing autographs for youngsters. Less than half the high school auditorium was filled for the performance, but they gave him a standing ovation at the end of the program.

None qualify for state meet

Iowa Park High School contestants in the Region One University Interscholastic League meet at Lubbock last weekend, found the going rough.

For the first time in several years, not one contestant, in either the literary events, tennis or track teams, qualified for the state meet next week at Austin.

Only one, trackster Greg Ansell, had a chance for the trip south, and was foiled by a turn of a coin. He had tied for second place in the high jump, and a coin toss for representation at Austin went against him.

The 440-yard relay team placed fourth with a clocking of 43.9; Jimmy Gilmore was fourth in the 330-yard intermediate hurdles with 41.1 and fifth in the 120-yard high hurdles with a 14.9. Ansell's best height in the high jump was 6-0.

In the literary events, Roger Cummings and Scott Julian were second in debate; Val Overbey was third in poetry reading; Darryl Patcliff was third in spelling; Debbie Catlin third in typing; Sherrie Skelton fourth in typing and Deanne Carver fifth in shorthand.

Others competing in the regional meet, and their events, were: Jerri Johnson and Burrell Elliott, tennis singles; Steve Brock, pole vault; Carolyn Mahler, informative speaking; Don Yeager, prose reading; and Kathy Holderman, shorthand.

Gary Williams, who had been considered a prime candidate to not only place at region, but win the state title in the intermediate hurdles, could not compete in his specialty. He injured a leg muscle at the district meet and did not even qualify for region. He did run on the sprint relay team, but was not able to go full speed because the injury had not healed sufficiently.

City to develop employee policy

The city government will soon prepare a policy governing vacations, working hours and other items concerned with employees of its various departments.

At Monday night's regular meeting of the council, Mayor Erwin Soell appointed Herman Mahler and Rip Smith to a committee with him to develop such a policy.

Desire to develop the policy came about during a discussion of the council in

which it was pointed out several questions had been raised by department heads concerning hours, vacations and other such topics. The city fathers said they wanted a policy which would be coordinated and fair to all departments.

No action was taken on the sewer improvement program because the consulting engineer did not appear for the meeting. Councilmen are still deciding

on which avenue to take on upgrading the city's treatment plant.

Fred Widmoyer appeared before the council to ask that rates charged for serving residents out side the city limits with water be increased. He pointed out, that Wichita Falls has a policy which prohibits selling water to individual residences beyond its limits, but does to subdivisions.

Widmoyer urged also, that the city grant permission to use the city's lake in the northeast part of town for non-powered boating. He said it would improve recreational use of the lake and benefit young people.

Councilmen generally agreed it would be a good thing to allow boating on the lake, but questioned their legal position under the new Tort Law, which allows suits against the city following accidents on city property.

A discussion arose concerning the raising of rates to large water users. It was stated that the minimum rate of 25 cents per thousand past a certain amount used was below what it costs the city to provide the water. No action was taken, but the subject was left open for further study on what would be a proper rate. Most of those concerned with the minimum rate are commercial users.

Second reading of amendment 137-C, concerning the Mobile Home Ordinance, was passed, and now is law.

R.J. Butts, Hoyt Watson and Charles Bentley were named to the city Board of Qualization.

A discussion was also held on the need of a new police car to replace the one which is costing considerable money to keep in repair.

USE YOUR...

TV Set For Tornado Detection

Knowing how to "see" tornadoes on television sets could save many lives.

With tornado season here again, the Iowa Park Leader offers instructions on the television method of tornado detection.

First, turn your television set on to Channel 13 and darken the set just until the picture is blacked out.

Switch to Channel 2. If the screen becomes white, head for the shelter QUICK!

Instantaneous streaks across the screen means there is lightning in the thunderstorm. If the streaks fade slowly, there is a dangerous storm whether there is a tornado in it or not.

If the bands become wide and linger, there is a storm in the

offing that can cause severe damage or spawn a tornado. The wider the bands, the more serious the storm is becoming.

The maximum number of miles away a tornado can be sighted by this method appears to be about 20, but the average number of miles off when detection is made is about five miles--the reason for haste in finding shelter.

Colored or black and white sets can be used, and an antenna is not necessary. An outside antenna expands the range of detection, however. Lightning can be seen in color on colored sets, but authorities say it is best to turn to black and white for tornado detection.

The reason tornadoes can be detected with no antenna or with rabbit ears is that a tornado is in the line of sight, up high, where there is nothing to keep the television set from picking up the electrical frequency of the tornado.

This frequency can be picked up on Channel 2 because it is on a 55 megacycle band, the nearest television has to the electrical pulse generator of a tornado.

This method of tornado detection has been cleared by the weather bureau after finding that it is really more effective than radar in pinpointing a tornado locally.

JUNIOR HIGH CHOIR representatives who will be singing in the organization's annual concert next week, include from left, Cindy Ainsworth, Walter Howe, Mark Hubner and Jody Frazier.

IPHS singers draw praise from crowd

By Bob Hamilton

Choral director Darrell Dick and his entire department provided two hours of entertainment Thursday night at their annual concert, which could have held the near-capacity audience twice as long.

From the opening selection of "America", which utilized the versatile talents of department members singing and accompanying on band instruments, through the final phase of the program,

the introduction of Seniors in the department, avid attention was displayed by the audience.

At one point, when the Acappella Choir was performing a two-part medley, "Aquarius" and "Let The Sunshine In", a spontaneous applause came from the audience in sincere appreciation of talent. The ovation did not interrupt the singers, but only served to spur them on. And when the number ended, it appeared the group would have to repeat itself before the clapping would end, but it finally did.

Thursday's entire production was one of near professionalism, both from stage presence and talent displayed. One might term the performance as a study in relaxed formality.

As in any stage production involving more than one person, there were show stealers. These included the already-mentioned performance of the Acappella Choir; the Boys' Choir (with antics of well-known campus personalities spicing the scene); The Gospel Tones, a girls' trio; and Western music soloist, Ken Lobley.

The Gospel Tones, composed of Patti Brown, Judy Case and Brenda Fox, appeared twice on the program, and both times attracted heavy applause.

Organized groups performing, besides the Acappella choir and Boys' Choir, were the Mixed Choir, The Tempos, and the Girls' Choir.

Other individual and group performances included The Mimi Singers, Danny Cope and Craig Medlinger; Pam and Karen Huff on the piano; and Donnie Travis.

Versatility was the key to the evening's performance. Students injected their ability to perform on instruments, change moods of the audience with varied selections, and keep the interest of the audience for a length of time that often is a challenge to a professional group.

Mrs. Lottie Lochridge was called on stage by director Dick, who recognized her for efforts which led directly to the inclusion of choir in the school system here.

The audience was believed to be one of the largest to fill the auditorium since completion of the building last winter.

Junior High concert set Thursday

The Junior High Choral Department will present its annual concert next Thursday at 7:30 p.m. in the Junior High auditorium. Choirs participating in the two-part program are the Seventh Grade Choir, Eighth Grade Choir, Girls' Chorus, Boys' Chorus and Junior High Chorale.

Entitled "Springtime U.S.A.", the program will combine songs of spring with other songs of patriotic interest.

Mrs. J. Fromme, director, has issued an invitation to the public to attend the program. There will be no admission. Mrs. B.G. House will be the accompanist.

Turn to Page 8 this issue for complete Little League Baseball Schedules and Saturday's Democratic and Republican Party Ballots.

Nursing Home Week slated

Citizen support and participation in the Texas and American Nursing Home Association's "Better Life" Program was urged when Dr. Erwin Soell, Mayor of Iowa Park, signed a proclamation, designation May 10-17 as Nursing Home Week.

"I urge our community to take an active interest in patients in nursing homes, learning how community participation and public understanding are vital

elements of working together, and how patients thereby participate in the better life," the Mayor said.

Presenting the proclamation for Dr. Soell's signature was Aaron Wood, administrator of Park Manor Nursing Home.

Park Manor will hold an open house from 1 to 5 p.m., May 10, observing both Mother's Day and Nursing Home Week.

GA coronation held Sunday

The Girls Auxiliary Coronation service at First Baptist Church was held Sunday evening.

Mrs. Richard Greenwood of Dallas, missionary to Guatemala, gave the charges to the candidates and Mrs. Wayne Williams, G.A. Director, examined them.

Prelude music was provided by Glenna Miller, pianist, and Nancy Miller, organist.

Girls who were recognized for having completed the steps necessary to become Maidens were Stacia Adams, Carol Buikema, Michelle Miller, Lorraine Johnson, Lydia Bushfield, Susie Mayes, Bedra Parks, Teri Quick, Ramona Price and Lisa Johnson. They were presented their awards by Mrs. Jim Adams and Mrs. John Cummings, counselors.

Those who qualified Ladies-in-Waiting were Darla Roberts, Nancy Pressler, Mary Gullatt, Kathy Bennett, Patricia Cummings and Anita Price. They received their awards from Mrs. Glen Miller and Mrs. Preston Leath.

The four girls who became Princesses were Jamie Bagley,

Shannon Young, Kim Williams and Susan Miller. They were given their awards by Mrs. Billy Beavers and Mrs. Robert Bennett.

Rhonda Adams and Mary Dawson were Crowned Queens of Girls Auxiliary by Mrs. Mike Compton and Mrs. Robert McIlroy.

Attaining the ranks of Queen with Scepter were Susan Teel and Annette Leath. They received their scepters from Mrs. McIlroy.

Barbara Curry received the highest honor, that of Queen Regent, and Mrs. McIlroy presented her with a cape symbolic of the rank.

The dedication hymn "May Thy Will Be Done" was sung by Brenda Patterson.

Pages for the service were Wendell Patterson and Loyd Chumley, and ushers were Kyle Williams, Brent Patterson and Ray Cummings.

Members of the Review Council who have worked with the girls in preparation for the advancement program were Mmes. Ray Ackerman, J.A. Berg, Arthur Brown, H.W. Darnell, J.C. Roby and D.O. James.

The church has had a G.A. Director and G.A. Counselors for the past 14 years. During that time, Mrs. Clyde Patterson served as director for 12 years.

A change in the program will be made beginning October 1, when the girls grades one through six will have a Girls-in-Action Director and Counselors. Girls 13 through 18 will have an Acteen Director and Counselors. The work will be similar to what has been done in the past, except they will review their own work, and there will not be a Reviewing Council.

Mrs. Jack Kerr is named sorority 'Girl of Year'

Mrs. Jack Kerr has been named "Girl of the Year" by Alpha Epsilon Omicron chapter of Beta Sigma Phi sorority.

She has served as vice president this year and is president-elect of the local chapter. She has also served as chapter hostess and chairman of the membership committee.

A member of the ways and means committee, she has been instrumental in all money making projects. She conducted pledge training, designed the program books for the fall banquet.

She planned all social activities for the pledges, was responsible for making reservations for the Prefertential Tea, sending for pins from International and providing publicity for the pledges. She received the Pledge of the Year award earlier in the year.

Mrs. Kerr conducts a Story Hour for pre-schoolers each Wednesday morning.

MRS. JACK KERR
She and her husband, who is Manager of K-Mart Food Store, have lived in Iowa Park for two years. They have four children.

Flowers for every occasion by calling Iowa Park Florists, 592-5221 or 592-2141.

BAND DIRECTOR Larry Kingsley exhibits a beautiful and expensive director's baton, given him recently by his students.

Cannaday commissioned

Gerald D. Cannaday, Jr. was recently commissioned a second lieutenant upon graduation from Officer Candidate School at U.S. Army Field Artillery Center, Ft. Sill, Okla. Gunnery was the primary subject taught during the 23 week course, designed to prepare men for officer duties in artillery units. He was also trained in artillery survey and transport communications, map and aerial-photo ready, electronics, counter-insurgency and leadership.

Gerald moved to Iowa Park with his parents in 1960. He was graduated from Iowa Park High School in 1964 and attended North Texas State University for four and one half years where he was majoring in mathematics.

He entered the U.S. Army in May 1969, and took his basic training at Ft. Bliss. He took advanced training at Ft. Ord, Calif. and finished the Officers' Training April 1. At present,

he is at Ft. Holibard, Baltimore, Md. in training for six weeks before reporting to the 7th Army in Frankfurt, Ger. June 12.

GERALD D. CANNADAY, JR.

Shower fetes Jeri Combs

Miss Jeri Combs, bride-elect of James Eke, was honored at a miscellaneous shower Friday evening in the Fellowship Hall of the First United Methodist Church.

Hostesses for the affair were Mmes. Gene Owens, H.M. Mahler, M.J. McDonald, Gerald Walsh, Tommy Watkins, China B. Smith, Otis Gay, Carl Shumsky, Ray Low, Bob McClellan, Nelson Johnson, Uriah Blum, Wayne House, Bill Robinson, Georgia Flanagan and Miss Ethyle Kidwell.

Yellow and white, the bride-elect's chosen colors, were noted in decorations for the party.

The refreshment table, which was the center of interest, was covered with white net over yellow. The centerpiece was fashioned of yellow and white carnations flanked by white tapers.

Yellow irises were used in bouquets on the table which held the bride's book and on the piano.

Tracy Combs, sister of the honoree, secured signatures of the guests.

Special guests were Mrs. Doyle Combs and Mrs. Frederick Eke, mothers of the betrothed couple.

The wedding will take place May 31.

Girls win in contest

Phyllis Smith and Cathy Sullivan participated in the non-sanctioned twirling contest at Mineral Wells Saturday.

Honors won by Phyllis were 1st place medals in solo, basic strut, and military march.

The two girls won a first place medal in duet.

Cathy received first place medals in solo and two-baton routine.

Phyllis won a second place trophy in solo in competition with the Junior Division. First, second and third place trophies were given.

Accompanying the girls were Debbie Bradley, their teacher, Mrs. Kenneth Sullivan and Janice Carver.

ATTEND MEETING
Mmes. L. Shelton, Cecil Holoway, Gale Lowrance and C.E. Birk attended the meeting of the Women of Faith Memorial Presbyterian Church in Wichita Falls Monday morning. The featured speaker was Mrs. John D. Moseley, wife of the president of Austin College at Sherman, speaking in the capacity as chairman of the Board of Women's Work, Presbyterian Church, U.S.

Pentagon in Arlington, Virginia has 7,748 windows.

Scout honor court held

Scouts receiving advancement were: Mark Ashburn, Ritchie Ashburn, Wade Reams and Joe Morton, tenderfoot; Ritchie Ashburn, Robert Dean, David Moer and Ricky Vanek, second class; Bill Bennett, Star Scout; Robert Dickey and Tommy Birdett, Eagle Palms.

Merit badges were received by Richard Hicks, four; Ken Griffin, three; Paul Tigrett, three; Robert Dickey, one.

One-year pins were received by 11 Scouts. Two received two-year, three-year and four-year pins. The troop charter was presented to the troop.

Scoutmaster Bill Griffin announced that the summer camp would be held June 21-27.

FOR MRS. PERRETTE

Talent, hard work leads to full life

Born into a family of writers and musicians, Hollye Joyce Perrette, who has lived at Park Manor Nursing Home for two and a half months, has done her part to enhance the prestige of the family in these fields, even to the extent of traveling extensively in the U.S. and appearing abroad as a concert pianist.

The prospects of her making any sort of contribution to the cultural world were very slim when she was born on a plantation in Natchez, Miss. In fact, the attending physician said that the three pound girl could not even live, and Mrs. Perrette gives "Aunt Sally", a tender, loving colored cook credit for her survival.

Her father was a very wealthy man. He owned two plantations, a cotton yard, two grocery stores, a drug store and hotel in Miss. Also a Baptist preacher, he built his own church at Mt. Zion Cave. Of a certainty, no one could truthfully say of him that he was in the ministry for monetary reasons because he advised the members of his flock to "leave your purses at home because everything I touch turns to gold."

Hollye started studying piano at the age of eight. She showed unusual talent for the instrument from the first. She was a normal girl, however, and tried to stay out of the house as much as possible so that her mother would not remind her that it was time to practice.

When she was in high school, one of her greatest ambitions was to win the Gold Medal award in piano. After making two unsuccessful tries, her mother advised her to "forget the medal, play, and play your best, for the enjoyment of those who love music, but do not have the ability to play". Forgetting the award and what winning it would mean to her and remembering others, she put all that she had into her performance and in so doing won the coveted Gold Medal award.

After high school, she chose to study piano, voice and violin at the Southwestern Baptist Seminary at Fort Worth for two years. She later studied at the Boston Conservatory of Music.

While she was making a name for herself in the field of music, Mrs. Perrette found time to write poetry, prose and fiction, teach school, write for several newspapers and fulfill the role of wife and homemaker.

She has had two novels, "Sunset of Two Roads" and "One Night in Heaven" published. For about ten years, she wrote and had published "Gift of Life", prose cards, which were much in demand during World War II. During this period, she was playing the piano at the USO to entertain men in service.

Since coming to Iowa Park, she has composed a prose tribute to the town and people. These are being printed by RBR Print Shop. Mrs. Perrette touches them up with water colors in rainbow hues and sells them for a nominal price. This is affording her an opportunity to use her writing ability not only for pastime, but also for financial benefits.

The tribute is:
Iowa Park

I Live in Iowa Park
That Is Why I Am Happy
A Marvelous Place
They Love Humanity
And Have A Glorious Climate
Good Schools, Great Entertainment
And Fine Stores
That Is Where
The Whole World Wants To Come
Christ Is The Sunshine Of My Life
And My Greatest Happiness
Come On Now, Today Is Your Opportunity
By Hollye Joyce Perrette

Referring to her wedded life with her late husband, Pat Perrette, as "beautiful" she said that they were married in Las Cruces, N.M. and that he took her the next day to her new home, a \$10,000 white brick house in El Paso. Then, they left for a wedding trip to Catalina Islands, Old Mexico and other points of interest.

While the couple lived in El Paso, she worked for the El Paso Morning Times and she later worked as a reporter for newspapers in Long Beach, Calif. and Pensacola, Fla. She taught school in New Mexico and Amarillo.

One of her diversions at Park Manor Nursing Home is letter writing. She has already received more than 100 letters since she has been there. Many of her friends are teachers and professional people.

Mrs. Perrette is especially fond of two nephews Lt. Col. John W. Talley of Dover, Del. and retired Major David Gordon Talley of Dayton, Ohio.

two years. She later studied at the Boston Conservatory of Music.

While she was making a name for herself in the field of music, Mrs. Perrette found time to write poetry, prose and fiction, teach school, write for several newspapers and fulfill the role of wife and homemaker.

She has had two novels, "Sunset of Two Roads" and "One Night in Heaven" published. For about ten years, she wrote and had published "Gift of Life", prose cards, which were much in demand during World War II. During this period, she was playing the piano at the USO to entertain men in service.

Come On Now, Today Is Your Opportunity
By Hollye Joyce Perrette

Referring to her wedded life with her late husband, Pat Perrette, as "beautiful" she said that they were married in Las Cruces, N.M. and that he took her the next day to her new home, a \$10,000 white brick house in El Paso. Then, they left for a wedding trip to Catalina Islands, Old Mexico and other points of interest.

While the couple lived in El Paso, she worked for the El Paso Morning Times and she later worked as a reporter for newspapers in Long Beach, Calif. and Pensacola, Fla. She taught school in New Mexico and Amarillo.

One of her diversions at Park Manor Nursing Home is letter writing. She has already received more than 100 letters since she has been there. Many of her friends are teachers and professional people.

Mrs. Perrette is especially fond of two nephews Lt. Col. John W. Talley of Dover, Del. and retired Major David Gordon Talley of Dayton, Ohio.

Art is sorority program Tuesday

"Art in Our Life" was the title of the program presented by Mrs. Bill Vanek and Mrs. Garland Gandy for a meeting of Alpha Epsilon Omicron chapter of Beta Sigma Phi sorority Tuesday evening.

Mrs. Hershall Gullatt and Mrs. John Williamson, Jr. conducted the opening and closing rituals.

Mrs. Richard Decker directed the business meeting. Announcement was made that the chapter members would collect for the Cancer Fund, April 30-May 7.

It was voted to hold a bake-sale May 9 at Piggly-Wiggly and Settle Drug Store.

The Installation Banquet will be held May 7 at Mayo's Steak House.

Hollye Joyce Perrette, a former concert pianist, plays for the enjoyment of patients, personnel and visitors at Park Manor Nursing Home.

Lions hear Rubinnoff

Concert violinist Dave Rubinnoff presented a preview of his performance for Tuesday's Noon Lions Club program.

The famed musician played two numbers and told of his four free assembly programs given the day before for Iowa Park students, commenting the junior high audience was one of the most receptive he had ever had.

Rubinnoff told of showing a large pocket watch to an elementary audience and stating it had been given to him by a great American. He then asked the audience if anyone knew who that man was.

One youngster, second grader Cliff DeBord, stood up and asked his answer: "Did George Washington give it to you?" Rubinnoff admitted it was really from Will Rogers, to which another youngster replied, "Oh, yeah. We know about Roy Rogers!"

Lloyd Neely, Wichita Falls Lions Club member who is a candidate for District Governor, was a guest and spoke briefly. Other guests included Hubert Pinkins of Wichita Falls, Liz Morris who accompanied Rubinnoff, and Phil Grace.

Election of officers for the 1970-71 year was held. The slate announced last week was adopted. Norman Mayes is the new president.

Cheerleaders are elected

Votes were counted Tuesday in the race for cheerleaders for 1970-71, and the winners were announced.

Nancy Huckaby was elected head cheerleader. Others elected were Kristi Crawford, Kathy Nichols, Becky Powell, Bonnie Shewmake and Marcia Thompson.

Senior Citizens meeting Monday

The weekly meeting of the Senior Citizens Monday, was attended by 25 members. Hostesses for the meeting were Mrs. Bernice Evans and Mrs. Gladys Thompson.

Others present were Messrs. and Mmes. Hill Spruiell, J.A. Berg, O.A. Farnes, Ed Hayes, N.E. McKinney; Mmes. E.H. White, Myrtice McDonald, Martha Dillard, Myrtle Travis, M.L. Hines, Lydia Hudson,

YOUR BIBLE QUESTIONS AND ANSWERS

John L. Maples, minister, church of Christ, Iowa Park.

Question: How many baptisms are there? S.B., Iowa Park. Answer: Many feel that the Bible contradicts itself on this subject. In Ephesians 4:5, Paul says there is one baptism. But there are more than that mentioned in the New Testament. In Matthew 3:11, we read of the baptism of John. This began when he began preaching and ended when he died. Also in that same passage John mentions that Jesus will baptize some with the Holy Ghost and with fire. Holy Ghost baptism took place only twice in the New Testament. In Acts 2, it was employed to get the Church started and in Acts 10, to get Gentiles into the Church. That ended that one. Then we read of the baptism of fire that has not yet come, but will at the judgment, 2 Peter 3:9-13. That leaves only the baptism in water for the remission of sins, Acts 2:38, that is in force today. Therefore, there are four baptisms mentioned in the New Testament but two have already been done away, one has not yet come, therefore, Paul was correct in saying "there is one baptism."

If you would like to have a question answered please write to "Bible Questions and Answers", P. O. Box 520, Iowa Park, Texas, 76367.

State agriculture production increase for 1970s encouraged

An all-out effort to increase agricultural items in Texas by \$1-billion by the end of the 1976 crop year has been announced by Dr. John E. Hutchison, director, Texas Agricultural Extension Service, reports County Agent B.T. Haws. The program objective is to further develop the tremendous potential for agricultural income in Wichita County and for all other counties of the state. The slogan for the program, "\$3.76 in '76," is significant for it marks the centennial year of Texas A & M University, the state's land grant university.

The county agent sees the program as a rewarding challenge to agricultural producers and as a stimulant to the entire economy of Wichita County. High quality hay is no accident. It requires planning and action now. Here are some steps for quality hay program. Get a soil test; follow the test recommendations on fertilizer use; harvest the hay before the plants mature and top dress hay fields for additional cuttings.

A properly managed farm pond can provide excellent fishing and serve as a source of recreation and income for the owner.

Interest in rose gardening often wanes during the hot summer because of the decline in flower quality. Don't neglect roses during the summer if you want beautiful flowers during the fall and early winter months.

Would you like to know more about cattle marketing in the Southern States? There have been many important changes in the nation's beef cattle industry, and some of the most dramatic have been in the South.

The County Program Building Committee will set long range and annual goals based on the knowledge and experience of local farmers and ranchers, Haws said. These will be attainable if producers will follow the coordinated application of improved practices already proved by research and Extension demonstrations. The practices have been outlined in production guides prepared by Extension specialists and other resource people from each economically important agricultural enterprise in the county. Improved marketing practices will receive emphasis equal to production in the program effort.

The County USDA Rural Development Committee, composed of representatives of the Texas Agricultural Extension Service, Soil Conservation Service, U.S. Forest Service, Farmers Home Administration, Agricultural Stabilization and Conservation Service and Rural Electrification Administration, have pledged their services to the County Program Building Committee in helping Wichita County reach its goal by 1976.

Most Texas waters respond to an initial treatment of 100 pounds of 20-20-5 analysis fertilizer per surface acre, followed by successive treatments of 20 to 40 pounds per acre at 2-week intervals until a desirable bloom has been reached. Water surrounded by soils with ample potassium usually responds well to 16-20-0 fertilizer. Nitrogen and phosphorus seem to be essential for good plankton production regardless of the surrounding soil type.

The plankton bloom is sufficient when a person's cupped hand is not visible when the arm is immersed in the water to elbow depth (about 18 inches). The bloom usually appears in 1 to 5 weeks after the beginning of the fertilization program. Subsequent applications should be made only as needed to maintain the bloom.

Keep the larvae samples coming in so that we can identify and treat all cases as they occur, is the word from the officials of the Screwworm Eradication Program. Sterile screwworm fly production is being increased to meet the anticipated needs for the spring season. The officials urge livestock owners to step up precautionary measures and to treat all animal wounds. Containers may be picked up in the county agent's office.

A new publication, "Cattle Marketing in the South," outlines the many changes which have taken place. It is sponsored by the Agricultural Extension Service of 12 Southern States and Puerto Rico, the Extension Service of the U.S. Department of Agriculture and the Farm Foundation.

Corsages made especially to please you at Iowa Park Florists, 114 W. Park.

Barry Hoyer is promoted

Barry W. Hoyer, son of Mr. and Mrs. Johnnie O. Hoyer, has recently received a promotion to Petty Officer Second Class. At the present time, he is attending aviation electronics school at Naval Air Technical Training School in Memphis, Tenn. Barry is a 1966 graduate of Iowa Park High School. He has a younger brother, Gary, who is also in the Navy and is presently attending school in Jacksonville, Fla.

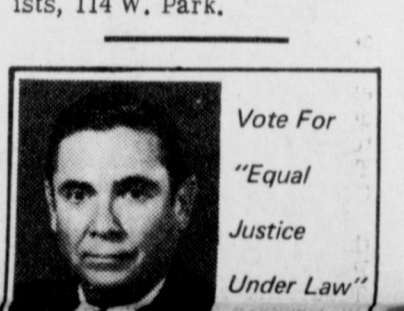

Minor injuries wreck result

Richard Jagger was treated and released from Sheppard AFB Hospital Tuesday afternoon following a car-motorcycle accident in which he was involved.

His injuries were reported as being apparently very minor that evening.

Young Jagger was riding on a motorcycle with Lyndel Berry, who was making his afternoon paper delivery, when they were struck at the intersection of North Victoria and East Washington.

Operator of the automobile was Alvana Beck of 110 S. Colorado.

Yarborough Must Go

The time has come to unseat Ralph Yarborough as U.S. Senator from the State of Texas.

The Senior Senator no longer represents the thinking of the majority of Texans, and more especially the thinking of us in North Texas. His interests lay with militant labor groups who are both organized and unorganized, and both are working hardships on all else who are not directly involved with him.

Yarborough has thrown his hat in with the AFL-CIO people so strongly, that he cannot hear the plight of those who are trying to employ these people. And as he supports all their activities when it comes to legislation taking powers away from employing firms and putting them into the hands of the employed, he is aiding the skyrocketing cost of living. He is aiming the major part of his campaign, and has for several years, to the Mexican-American laborers who are demanding aid programs, salary in-

creases and living quarters which are not only prohibitive in cost, but certainly not in the best interest of the majority of Texans. His answer to problems is demonstrated by the Voters Guild, provided by the non-partisan League of Women Voters, in which he states all solutions should come from the federal government through providing more funds and legislation.

Yarborough's opponents, both his own party's candidate Lloyd Bentsen and Republican candidate George Bush, believe in greater decentralization of power and return of more state's rights.

The Leader places its support, in the Democrat Party Primary this coming Saturday, behind Bentsen. This experienced public servant is not only aware of the nation's problems, but has positive and workable solutions for them.

Bentsen, we believe, thinks and would more fairly represent the people of Texas.

As I See It

By BOB HAMILTON, Publisher

It is apparently confusing to a number of people in this area that a newspaper can have an Independent for an editor. I'm told it's just not done.

Well, here is one! This writer believes that the individual representing him is much more important than the party with which the representative is affiliated. The day of the blind following of a strict party line is over. For now, at least.

The Democratic Party is split today. There is the liberal side and the conservative side. It's the same not only in Texas, but throughout the entire nation.

Oddly enough, those in the conservative element think very closely along the same lines as do the Republicans. But it will be several years before the conservative voters in Texas ever align with the Republican Party. Somehow, after so many years of being a Democratic state, they just can't see making the switch in name. So they stay Democrats.

The split has created several problems. One of them is in support of Democrat candidates for the U.S. Senator race.

Because I've not chosen to be thrown in with Ralph Yarborough, and in fact, have denounced him many times, I've had comments almost to the point of calling me Un-American, and almost as bad, a biased newspaper writer.

Oh, well. The election will be over in November. Things usually level back to normal after the ballots are counted.

to security, search, rescue work and traffic control.

Governor Smith notified all state agencies to stand by, and prompt requests for a federal disaster act were made.

State Department of Public Welfare set up an emergency food and medical program for tornado-stricken Plainview.

EXPLOSIVES--Texas is one of 32 states where anyone can freely buy dynamite from anyone willing to sell it to him, but state and national officials are trying to put a stop to such easy access to the high explosive.

There is a state law to stop sales or possession of bombs or dynamite, but the list of exemptions to the law is so broad that almost anyone can fit as a legal dynamite buyer. Attorney General's office is working on a law to curtail the sale of explosives. Proposal will be submitted to the next session of the Legislature.

A bill is in Congress, supported by the Nixon Administration, that also would pose a federal ban on possession.

APPOINTMENTS--Governor Smith appointed Mickey Mantle, Dallas, to the Governor's Advisory Committee on Physical Fitness, along with James A. Lovell, NASA, Houston; I.B. Hale, General Dynamics, Fort Worth; Albert "Sonny" Rooker, UT/Austin sports director; Miss Irma Jeanne Caton, NTSU Women's Physical Education Chairman; Dr. Stanley Burnham, UT/Austin; Dr. Leon English, Prairie View A & M; Don January of Dallas; and Charlie Newton Williams of Pharr.

Other appointments include: State Judicial Qualifications Commission: F. Howard Walsh of Fort Worth and Vernon Butler of Carthage. State Board of Examiners in the Basic Sciences: Dr. Paul C. Witt (ph. D.) of Abilene.

SHORT SNORTS

Dr. John Kinross-Wright, commissioner of mental health and mental retardation, has resigned his position.

University of Texas at Austin President Norman Hackerman has resigned his position, and will become president of Rice University on Sept. 1.

Governor Smith's Criminal Justice Council has been notified that its \$4,617,000 application for 50 per cent law enforcement matching funds has been approved by the U.S. Department of Justice.

THE FLYING WILLOUGHBYS

Local Reservists join anniversary observance

Seven Iowa Park residents join with millions over the nation this month in marking the 62nd anniversary of the U.S. Army Reserve Program.

The seven are members of the 980th Engineer Battalion (Construction), headquartered in Wichita Falls. The unit is commanded by an Iowa Park man, Lt. Col. Herbert L. Elliott.

Others participating in the status of citizen-soldier include: Allen D. Eaves, Michael H. Wyatt, Dwight L. Berry, Billy L. McDonald, Marvin S. Roberts.

Billy L. McDonald, Marvin S. Roberts and Charles H. Bradley, Jr.

Members of the Reserve, devote a weekend each month for the purpose of maintaining a "state of readiness" to serve any call to an active duty commitment.

The local Army Reserve will participate in the Annual Training Exercise at Fort Sill, Okla. from July 25 through Aug. 8.

Armadillo, once found only in the Mexican border region, have immigrated as far north and east as Oklahoma and Mississippi.

First public motion picture was shown in 1895 in Paris, France.

Greatest meteor shower on record, occurred on November 12-13, 1833. It consisted of some 240,000 meteors.

HIGHLIGHTS AND SIDELIGHTS

From Your State Capital

BY VERN SANFORD

TEXAS PRESS ASSOCIATION

Experts on moods of the voters think that fewer than half the 4,100,000 Texans who registered to vote will take part in the primaries, Saturday.

Precinct conventions, also slated for both parties Saturday, haven't produced a ripple of controversy.

Since there is no contest for the governorship in the Democratic primary for the first time since primaries were begun, less attention is being given to statewide races. The Texas Election Bureau is estimating that 1,800,000 Democrats will vote.

Main attention has been going to two contested races. Lloyd Bentsen, Jr. of Houston is trying to oust Sen. Ralph Yarborough. State Rep. Bob Armstrong of Austin and Fred Williams of Houston are trying to defeat Land Commissioner Jerry Sadler.

The Yarborough-Bentsen race has proceeded at a fairly cool level.

Little attention has been paid to the effort of David Brown of Sherman to defeat Atty. Gen. Crawford Martin, or to the campaign by Connie Lawson of Taylor against Railroad Commission Chairman Ben Ramsey.

Lawyers are taking an active part in the two high court races. Hawthorne Phillips of Austin, Judge Matt Davis of Texarkana and Judge James G. Denton of Lubbock are seeking an open seat on the Texas Supreme Court. Judge Truman Roberts of Hamilton and Earl Smith of San Angelo are candidates for an open place on the Court of Criminal Appeals.

Other statewide offices are uncontested.

Saturday's Republican primary is expected to draw about 150,000 voters. U.S. Representative George Bush of Houston is favored to win the U.S. Senate nomination over Robert Morris of Plano. It is Bush's second try for the Senate. Paul Eggers of Wichita Falls, although he was ill and unable to campaign for nearly two weeks, is favored over Roger Martin of Gainesville in the gubernatorial race. It's Eggers' second race for governor.

TUITION RAISE PROPOSED--Coordinating Board of Texas College and University System is urging legislation to boost tuition fees in senior institutions from \$50 to \$125 a semester.

Spokesmen said students should pay at least 25 per cent of the cost of education, and that is what the tuition fee hike would produce.

Board at the same time postponed action on a staff recommendation that it place new enrollment ceilings for the University of Texas at Austin (35,000) and for Texas A. & I. University at Kingsville (7,500).

Private and independent college spokes-

men, meanwhile, called on the board for aid, including a "tuition equalization program" to place them in a better competitive position with state-supported schools.

Tuition recommendation calls for \$500 a semester fee for out-of-state students. Junior college local boards would set their own tuitions but not at more than 75 per cent of senior college fees for in-district students or 90 percent for out-of-district enrollees.

GRANTS APPROVED--Gov. Preston Smith approved a \$124,996 federal grant to the Kieberg County Community Action Committee in Kingsville.

Grant involves \$4,169 in unexpended funds, making a total of \$129,165 for a 12-month program beginning May 1. Bulk of the funds will go to Neighborhood Service Centers.

Smith earlier approved a \$10,090 state regional planning assistance grant to the Golden Crescent Council of Governments. Council serves Lavaca, Jackson, DeWitt, Goliad, Victoria and Calhoun Counties. It is based in Victoria and includes eight cities and seven special purpose governments.

Texas Criminal Justice Council, meanwhile, announced it has \$4.6 million available in action grant money to strengthen law enforcement. Money will be used by the state and allocated to units of general local government to fight crime and improve police work.

CONSERVATION GROUP MEETS--New Texas Conservation Foundation was charged by Governor Smith to work toward providing the state with a top system of parks, scenic points, refuges, scientific and recreational areas.

This Foundation was authorized by the Legislature last year to facilitate state acquisition of lands by gift or purchase and to accept money or property for parks, educational and scientific purposes. Smith urged the group at its initial meeting here to function as the "strong right arm" of governmental departments and particularly the Parks and Wildlife Commission.

Foundation named Glenn Biggs, formerly of Abilene, chairman, Reagan B. Cates of Victoria vice-chairman and Ralph D. Churchill of Dallas to head a committee mapping definite projects for the group to undertake.

WHEN DISASTER STRIKES--Texas National Guard units drew high praise for aid in storm-hit communities of the South Plains.

Guardsmen drew special commendations for duties in Plainview, Whiteface and Whitharral. About 300 were assigned

WICHITA FALLS

SENIOR MEMBERS OF HOLLIDAY STATE HONOR BAND--(left to right) Linda Allgood, Ronnie Gafford, Ann Franklin, Kenn Murrah, Nita Black, Johnny Selph and Donna Waters pose with trophies and awards won by the Holliday Eagle Band while they were members.

Holiday band captures third sweepstakes award

In order for a high school band to win the coveted Sweepstakes Award, it must receive a Division One rating in three categories; marching, concert, and sight reading.

That's right! Holliday's State Honor Band received a Division One rating in concert and sight reading at Vernon recently to earn its third Sweepstakes Trophy in as many years.

"What can you say about a group of young men and women who play their hearts out for you?" stated Band Director Buddy Richardson.

The Eagles Band has won five first divisions in the past six years in University Interscholastic League (UIL) competition.

It has consistently placed students in the All-Regional band; several in the All-State band; and successfully ranks high in UIL regional and state solo and ensemble contests.

This past year, the band was selected as a Texas Honor band and played a concert at the Texas Music Educators' Association Convention in Dallas.

The band received first place in the 1968 Clay County Parade Marching contest and also won first in concert at the Corpus Christi Buccaneer Music Festival last year. They also received a division one rating in the Notre Dame Music Festival last year.

Those sharing in the Holliday Band success during the past several years are seven seniors who have been playing

in the band since grade school. They are Ken Murrah (captain), Nita Black (head majorette), Ann Franklin (drum major), Donna Waters, Linda Allgood, Ronnie Gafford and Johnny Selph.

Lions Club sponsors banquet

The Holliday Lions Club will sponsor its second annual Honor Banquet at 7 p.m. tonight in the school cafeteria.

A limited number of tickets will be on sale at the door to this event which gives recognition to students of Holliday High School who have achieved scholastic honors.

Guest speaker for the evening will be Dr. James Stewart from Midwestern University.

"Fourteen Holliday High students have maintained a 90 or better grade average throughout the year in school work and these boys and girls are the ones that the banquet

is being held in honor of," stated Doyle Evans, club secretary.

Those to be honored are seniors: Nita Black, Nancy Bowles, Linda Gulley, Victor Kocks, Kenn Murrah, Donna Waters; juniors: Sharon Marushia, Pat O'Neal, Tandy Williams; sophomores: Buzz Miller, Johnny Debler, Walter Cribbs; freshmen: Becky Marushia and Jim Henson.

Lions Club members invite everyone to come out and take part in honoring the community's top scholastic workers.

In a recent club election, Donald Brackeen was voted club

president. Others elected to office were Homer Caldwell, first vice-president; George Allen, second vice-president; Buddy Wilmut, third vice-president; Doyle Evans, secretary-treasurer; Lonnie Brackeen, talltwater; Doug Thomas, Lion tamer; and Tom Hall was elected reporter.

Joining Jess Lynch and B.W. Fennell as club directors will be D.T. Walker and Jerry Stailey.

DISTRICT 11-A RUNNER-UP MEDALIST — Steve Stone demonstrates the style and form which helped him win runner-up medalist honors in the district at Vernon recently. The Holliday senior finished two strokes out of first place to earn a trip to the regional golf tourney.

Bowles on way to state

Holliday's Nancy Bowles will get another shot at the State Class A girls singles tennis title this year in Austin May 8-9.

Last week Nancy captured the girls singles championship in Region II play at Denton. This was the senior's second time to win region, but hampered by an ankle injury, she lost in the state tourney.

Teammate Greg Lindsey almost earned a trip to the state playoffs in his first year at region. The 16-year-old sophomore captured two wins before being beaten in the final match

of the boys singles by Baird's Tommy Varner, 6-4, 6-2. This was Varner's third year in a row to win the regional crown.

"I was playing at my best. Varner was just too good for me," commented Lindsey. However, Varner graduates this year, while Lindsey has two more seasons ahead of him.

On his way to the finals, Lindsey defeated Crowley's Gary Lane, 5-7, 6-1 and 6-4; and John Powell of Whitney, 6-2, 6-0.

Other district champions competing in the boys singles were Wolfe City's Wayne

Henington, Coppell's Larry Millican and Jimmy Dean of Goldthwaite.

Nancy claimed three wins in the girls singles for her championship. Jean Traylor of Itasca became her first victim as Nancy won 6-1, 6-2. In the semi-finals, she beat Baird's Elizabeth Elliott in a hard-fought battle, 6-4, 7-9 and 7-5.

This put her into the finals with Wolfe City's Shelly Henington who also had two wins under her belt. Nancy won her first place medal with identical scores of 6-3, 6-3.

Although Nancy's ankle didn't bother her in competition, Coach J.V. Duncan said that she suffered from an upset stomach during most of the tournament.

Coach Duncan hasn't taken any chances with Nancy injuring her ankles this year. Jokingly he said, "Nancy isn't too thrilled about having both ankles taped before she plays. However, so far she hasn't injured them."

In other regional action, Baird's girls took first place in the girls doubles event, defeating Archer City in the finals.

The 11-A district claimed another championship as Munday's boys doubles squad defeated Whitney for that event's first place honors.

Only the first place winners of the four class A regions will be entered in the state championships at Austin. Nancy is scheduled to play her first match at 11 a.m.

Holliday Happenings

Holliday's basketball coach, Dick Rector, has accepted a job to coach the Seymour (AA) cagers and assist with the football squad next year.

The Texas A & M graduate will finish out the school year at Holliday. Rector coached the Eagles to a 9-13 record in the 1969-70 basketball season. He will be teaching in either the history or math department at Seymour.

More than 100 animals were given Rabies vaccinations at Holliday's City Hall last Saturday. Administering the shots was Dr. Raymond Hander of Wichita Falls. City Hall has a complete listing of the pets that received shots at this time.

Mayor Fred Daume, Jr. stated that animals not having up-to-date shots, will be picked up and impounded. After 72 hours, he said they would be destroyed if not claimed by then.

The girls performing the skit, "FHA for USA" will be featured in the June edition of the "Farmer Stockman" magazine, according to Mrs. Helen Parsons, FHA chapter advisor.

"Joyce Adams, home editor of that magazine, came down and interviewed the girls and took pictures," stated Mrs. Parsons. She added that the editor said that the article would appear in the June Edition, appear in the June edition.

Forty-five men of the First Baptist Church attended a breakfast held at the church April 26 at 7 a.m., to kick off the church's revival which lasts through May 3.

The Rev. Dick Greenwood, formerly pastor of the Eden Hills Baptist Church is evangelist for the services. Services begin at 7 p.m. each night.

Third grade students will be featured in a gym show at 9:15 a.m. May 1 (Friday). Some 35 children will take part in the exhibition which will include tumbling and building human pyramids.

Eagle track star seeks state honors

Aron Anderson became the only Holliday Eagle to qualify for the State meet by capturing second place in the high jump and long jump at regional competition in Denton Monday.

Anderson took second in the long jump with a 21-6 1/4 leap, which was less than three inches away from the winning distance of 21-9.

Yogi Gore, a Holliday senior, gave Anderson the most competition for runner-up honors in the high jump. Both cleared 5-11 3/4, but Anderson had the fewest number of misses.

The Eagle mile relay squad ran its best time this year with a 3:31.3, which was good enough for third place. "We were just a tenth-of-a second out of second place," stated Coach Brian Edmiston, winning time in the mile relay was 3:29.8.

Only the first and second place winners will be entered in the state competition at Austin May 8-9. Anderson has cleared 6-3 in the high jump and his best distance in the long jump is 22-3/4.

"He's young, but very strong and determined," said Coach Edmiston about his sophomore standout.

Primary election this Saturday

Mrs. Robert Chesher will be the presiding judge in the Democratic Primary elections Saturday May 2, for Precinct 2 voters.

Voting will take place in the Holliday Community Center from 8 a.m. to 7 p.m. Precinct chairman J.A. Killian is unable to preside at the election due to an illness.

FHA elects new officers

Future Homemakers of America at Holliday recently elected officers for 1970-71. Installation of these new officers will take place May 18.

Also, junior and chapter degrees certificates will be presented the same day.

Elected to the president's office was Vicki Ross. First vice president is Pat O'Neal; Patti Carver, second vice president; Pattye Haggerty, third vice president; Debbie Stone, fourth vice president; and Andrea Lee as fifth vice president.

Others elected were Mona Szenasi, secretary; Susan Sanders, treasurer; Karla Henke, historian and Nancy Raines was chosen as parliamentarian.

Chapter members elected were Mrs. D.R. Ross and Mrs. J. H. Carver.

Recently representatives of the Holliday chapter and chapter mothers, Mrs. J.R. Franklin and Mrs. J.R. Ross, along with chapter advisor, Mrs. Helen Parsons attended the 1970 State FHA meeting in Austin.

Citizens form senior group

Nearly 40 people attended a gathering at the First Baptist Church in an attempt to organize a "Senior Citizens" group in Holliday.

The affair included a covered-dish lunch and a discussion as to whether there were enough persons interested to form such a group.

"Once this group is organized, we hope to have periodic meetings and plan activities for the members," commented Mrs. R.L. Craig. She added that a senior citizen would have to be 59 or older.

I a husband or wife is old enough to become a member of the senior citizen group--his or her spouse automatically becomes a member--regardless of age.

Pre-schoolers in for treat

Children who have never attended school before and will be 6 years old on or before Sept. 1, will have a special treat coming May 8, if they are planning to attend Holliday this fall.

Grade School Principal, Stacey Parker, has announced that on that day, children attending school for the first time this fall will have a chance to get acquainted with the school and its teachers.

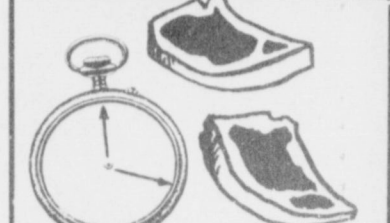

"The children will be at the school from 8:30 a.m. to 1:30 p.m.," stated Parker. He added that they should have 35 cents each to cover the cost of their lunch in the school cafeteria.

Also, he reminded parents to bring the children's birth certificates. "We are expecting about 30 children to take part in this pre-enrollment activity," he said.

He pointed out that parents would not be allowed to stay

with the children, because this was being done to familiarize the children with going to school which entails "leaving the parents at home."

Time can't stand still at Wirt Stewart home

ANTIQUES FROM EUROPE—Some of the past history of European countries is reflected in antique clocks, lamps, candle holders, coffee grinders, copperware in the home of Sgt. and Mrs. Wirt Stewart.

When Sgt. and Mrs. Wirt V. Stewart purchased a cuckoo clock in Germany in 1950, little did they realize that 20 years later they would have a collection of 40 very rare and antique devices for measuring time.

The old clocks were bought in Germany, Belgium and France, and most of them were in bad repair and infested with termites when the couple found them. Sgt. Stewart has devoted hours and hours to re-finishing and repairing, but the work has been decelerated because of frequent assignments to different Army bases in the states and overseas, which necessitated storing the clocks for a time.

He has just returned from a year's tour of duty in Thailand, and his next assignment will be Heidelberg, Germany, so most of the clocks will be committed to storage again.

The oldest clock in the Stewart's collection is a German wall clock that dates back to 1777. They also have two gold ormolu mantel clocks, copies of Louis IV, which date back to 1880, one of these has the original dome.

The tallest of their treasures are three French grandfather farm clocks that stand in the corner from floor to ceiling. Considered a must in the French farm homes in earlier days, they were built out of the cheapest wood, but the designs on the clocks and pendulums were worked out in painstaking details. They strike on the hour and three minutes after the hour.

From France, they also collected several Eye-of-the-Bull wall clocks with mother-of-pearl inlay and numerals outlined in bronze. From the standpoint of daintiness, two brass mantel clocks accented with alabaster, each with matching three-branched candleabra, rank high.

One of the smallest of the time devices, is a French alarm clock, and this particular model was carried around by workers on their jobs. Also in the collection, which is diverse enough to fit any mood, fancy, period or decor, are a French church clock, Italian clocks inlaid with brass and kitchen clocks.

During their trips overseas, the Stewarts have been on the lookout for other valuable articles. Some of the things they have come into possession of are a complete set of bronze silverware with caribou handles, a set of Oriental egg shell demitasse cups and saucers, a set of silver ice teaspoons with straw handles ornamented with Oriental charms, and a cobalt blue candy dish in a pot metal frame.

FIVE FAVORITES—Mrs. Wirt Stewart is pictured with five of the clocks in their collection of 37 from France, Germany and Belgium.

Safety poster contest slated

The annual Safety Poster Contest sponsored in the local elementary schools by Travelers Protective Association, Post 1, Wichita Falls, will start Monday, according to Dean Miller, local chairman. Judging will take place May 15.

Karl Kuehn of Wichita Falls, state safety chairman, is general chairman of the contest. The following rules will be followed:

1. Poster paper, size approximately 11 x 14 will be furnished each student.
2. Competition will be limited to the 4th and 5th grades.
3. A student may enter only one poster in the competition.
4. The theme for the contest is "Watch That Child" and must appear on the poster.
5. Posters will be judged on originality, neatness, and how well they follow the theme.
6. Posters should be on display in the classrooms for judging on Friday, May 15. At this time the three best posters, as chosen by the judges, will be selected.
7. The awards assembly will be held later in May.
8. Students must agree for Post 1 to take the winning posters to the State Convention. They will be returned to the students.

OLDEST CLOCK—Mrs. Wirt Stewart holds a German wall clock, which dates back to 1777, the oldest in the couple's collection.

ELECT BILL G. ROBINSON
JUSTICE OF THE PEACE PRECINCT 3 SATURDAY IN DEMOCRATIC PRIMARY

Dear Voters;

I am Bill G. Robinson, 40 years of age, married, wife Myrna, two school girls, Rexa and Reesa, a business man, successful owner of Western Auto and Reasa Associate Store, and a property owner. I am asking you to go to the polls Saturday, May 2, 1970, and vote for me as Justice of the Peace of Precinct 3 because I graduated from Olney High School and attended college for three years having some courses in business law. I am civic minded, I am presently serving as President of Bradford Elementary P.T.A., a director of Iowa Park Chamber of Commerce, on the Board of Stewards of the First United Methodist Church, member of the Noon Lions Club. I am a former city councilman and past President of the Chamber of Commerce. Since I served on the City Council, I feel I know the problems of Iowa Park and could best serve the needs of the people of Precinct 3 as a sincere and impartial judge. I will interpret the law as I see it to avoid appeals.

Your vote for me on Saturday, May 2, 1970, will be appreciated.

Sincerely,
Bill G. Robinson

P.S. Voters in Precinct 3 INCLUDES rural voters as well as Iowa Park voters. Pd. Pol. Adv. By Bill G. Robinson

Hottest spot on earth is Al Aziziyah, Libya, where a temperature of 136.4 degrees F. in the shade was recorded in 1922.

First tank to be used in battle was "Little Willie", which saw service in the battle of Flers in France on Sept. 15, 1916.

Something new in appliances

A new appliance may solve the home's never ending collection of boxes, cans, bags, and paper that fill garbage cans too full too fast.

One manufacturer has developed an appliance that squeezes a week's accumulation of trash into a specially designed plastic-lined bag, reports Thelma Wirges, county home demonstration agent.

Under 2,000 pounds of pressure, trash such as bottles, tins, cartons and aerosol cans is reduced four and a half times in less than 60 seconds. The refuse bag is lined with polyethylene plastic for odor, moisture and germ resistance. U.S. sanitation departments haul away half a million tons of rubbish a day so the appliance is sure to make a hit in the home and with the trash collector. For rural families, this new appliance will solve a big problem.

You will see the new appliance in the not too distant

future, so keep your eyes open.

Homemakers can test their own Mexican pottery to detect harmful lead in the glaze. The lead can cause severe illness through lead poisoning. Recently the Food and Drug Administration warned that continued use of some Mexican pottery or earthenware for food purposes could cause lead poisoning.

Lead is a cumulative poison, so it is essential for people to take all steps possible to see that lead intake is kept to a minimum, according to Thelma Wirges, county home demonstration agent.

The homemaker can place vinegar in the dish or casserole and let it stand overnight. The dish should be only partly filled with vinegar so she can easily see if there is any difference in the glaze below the vinegar line.

If she detects a change in the glaze, the dish should be used only for non-acid foods. Acid foods include fruits such as tomatoes and citrus fruits and vegetables such as green beans, spinach and broccoli. If the homemaker wishes to bake in the pottery, Miss Wirges suggests lining the dish with aluminum foil.

Pottery that shows a rough or dull glaze rather than a glossy one gives the most lead when mildly acid solutions are placed in it. Miss Wirges recommends that the careful consumer test any highly glazed dishes before using them for foods with a high acid content.

The warning has been conveyed by FDA to all state health authorities as the first in a series of steps to remove hazardous products from the market. Action is based on FDA's legal responsibility to protect the health of the U.S. consumer.

FDA chemists test glazes with a five per cent acetic acid solution. They let the acid stand overnight in the dish then analyze the solution for lead. In all of the dishes they have tested lead showed up when they glaze had been visibly dulled by the acid solution.

Ernest Floyd Likely

Services for Ernest Floyd Likely, 69, long-time resident of Vernon, who died Sunday, were Tuesday afternoon at Henderson-Fields Funeral Home chapel in Vernon.

Rev. Bill Stone, pastor of the Second Street Baptist Church, officiated. Burial was in East View Memorial Park.

A retired Wilbarger County employee, he was born July 7, 1900 in Rusk. He had lived in Vernon since 1907.

Survivors are his wife, Roxie; two sisters, Mrs. E.C. Davidson of Vernon and Mrs. Wiley Francis of Iowa Park.

clude two daughters, Mrs. Loran Taylor of San Antonio and Mrs. George Burnett of Dallas; three sons, W.H. Joyner, Jr. of Corpus Christi, M.T. Joyner and James Joyner both of San Antonio; a sister, Mrs. Robert Hurt of Fort Worth; 20 grandchildren and 11 great-grandchildren.

Mrs. Pauline Allen

Funeral service for Mrs. Pauline Allen, 54, a former resident of Iowa Park, who died Friday morning at her home in Wichita Falls, was Saturday morning in Tanner Funeral Home chapel.

Rev. Claude McDonald, pastor of First Christian Church, officiated. Burial was in Highland Cemetery.

Born September 14, 1915 at Rotan, Tex., Mrs. Allen lived in Iowa Park when she was small. She resided in California for a number of years and moved to Wichita Falls two years ago.

She was a member of the First Christian Church here.

Survivors are her mother, Mrs. L.H. Hobson of Iowa Park; three brothers, Clayton Mann and J.C. Mann of Wichita Falls, and Billy Mann of Grand Prairie.

Mrs. Mary Sue Robertson

Services for Mrs. Mary Sue Robertson, 93, mother of Carl Robertson and Mrs. George Greene of Iowa Park, were Tuesday afternoon in the Oklahoma Chapel of Dalton-McLellan Funeral Home at Frederick with the Rev. Wayne Segars, pastor of the First United Methodist Church, officiating.

Burial was in the Frederick Cemetery.

Born Sept. 6, 1876, in Gainesville, Tex., she was married to William Robertson Jan. 24, 1897 at Antelope. She had lived in Tillman County since 1923.

Other survivors are two sons, Rentz of Fort Worth and Ferrell of Odessa; a daughter, Miss Chloe Robertson of Frederick; 10 grandchildren, 31 great-grandchildren and two great-great-grandchildren.

Mrs. Martha Joyner

Services for Mrs. Martha Joyner, 76, were Wednesday afternoon in Roy Akers Funeral Home in San Antonio. Burial was in the San Jose Cemetery in San Antonio.

Mrs. Joyner was the mother of Mrs. Cecil Streich and had been visiting in the Streich home since March 29. She died early Monday morning in a Wichita Falls hospital.

A resident of San Antonio, she was born July 2, 1893 in Jefferson, Tex. She was a former school teacher and had worked in the office of a hospital.

A member of the First Baptist Church of San Antonio, she was married to the late Rev. William H. Joyner.

She was active in church work, serving as teacher and organist of the various churches where her husband pastored.

Survivors in addition to Mrs. Streich, in-

Bluebirds meet

The Shiny Spring Bluebirds answered roll call by naming the person they would most like to meet Tuesday afternoon, when the group met with Mrs. John L. Chapman.

Hayli Hudson and Joyce McDonald called the roll and placed stars on the attendance chart. Jjoy Chapman lighted the candle.

Notes were written to inform parents and invite girls who are not in Bluebirds to attend a wiener roast Friday spon-

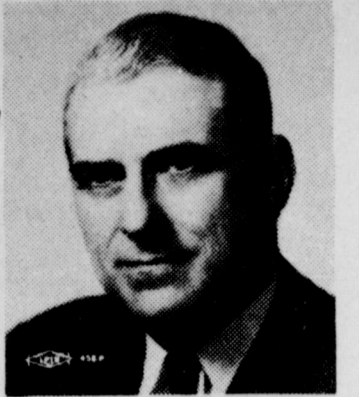

sored by the Iowa Park Evening Lions. The girls worked on their felt and button pictures.

Refreshments were served by Christie Howden and Becky Hoyer.

Other Bluebirds who attended the weekly meeting were Lisa Chambers, Karen Arrington, Laura Bowerman, Malinda Reaves and Kay Singletary.

Iowa Park's only FTD florist is Iowa Park Florists, 114 W. Park.

CHARLES C. SHERROD

Grand Master slates visit

Charles C. Sherrod of Lubbock, Grand Master of the Grand Council Royal and Select Masters of Texas, will be in Vernon Tuesday, for a closed meeting.

All council Masons of the 28th District are urged to attend. The district includes Wichita Falls, Electra, Vernon, Chillicothe, Quanah and Iowa Park.

W.M. (Bill) Wisdom of Quanah is District Deputy Grand Master for the 28th Masonic District.

Bridgers voted club president

Dave Bridgers was elected president of the Evening Lions Club Tuesday.

Other new officers are Joe Baxter, vice president; William Nunn, second vice president; Donald Schram, third vice president.

New directors are L.W. Teel, Jr. and Eugene Lowrey. Guest speaker was Tommy Watkins, head football coach at Iowa Park High School, who discussed the 1969 season in which the Hawks won the state championship.
