THE STATE OF TEXAS
To: C. H. Silliman, E. Short, D. C. Kolp and Jennie E. Kolp, and their unknown heirs, devisees and legatees, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 78th District Court of Wichita County at the Court House thereof, in Wichita Falls, Texas at or before 10 o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 27 day of September, A.D. 1954, then and there to answer Plaintiff's Petition filed in said Court, on the 10 day of August, A.D. 1954, in this cause, number 53999-B on the docket of said court and styled Gordon G. Clark, Plaintiff, vs. C. H. Silliman, et al, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: This suit is in Trespass to Try Title covering Lots Eight (8) and Nine (9) in Block Sixty-Six (66) of the Original Townsite of Iowa Park, Wichita County, Texas, and for damages. Plaintiff claims said property under both five and ten year statutes of limitations and asks for judgment for title and possession of the premises, for damages and costs of suit.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved. The officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas, this 10 day of August, A.D. 1954.

Attest:
FLORA COBB, Clerk,
78th District Court,
Wichita County, Texas.

Miss Yeargan Gives Impressions of Recent Tour over Europe

Miss Cecilia Yeargan, who has recently returned from a two month European tour, enthusiastically recalls the highlights of her trip and the different and exciting experiences she had in each of the countries visited.

She is awaiting arrival of slides of pictures she shot during the tour before scheduling travel talks before several local groups.

Following are sample impressions of the places Miss Yeargan visited: England charmed her with its lovely countryside, historic landmarks, royal palaces and rich traditions.

Holland fascinated her with its flower market and massed banks of vividly colored flowers growing in the gardens. There was the sea so far above the narrow streets; The Hague with its Peace Palace, Queen's Palace; the magnificent hotel, the North Sea.

Belgium with its combination of ancient buildings and art, and modern industrial and commercial enterprises; and their lace-making industry displaying priceless rose-point.

Germany — and the beautiful Black Forest; the steamer ride up the Rhine from Koblenz to Rudesheim. The friendly attitude of the people to strangers; their energy and efficiency; the castles on the banks of the Rhine.

Switzerland—The cleanliness; the atmosphere of restfulness and calm. Women hatted and gloved riding to church on bicycles.

Lovely Lake Lucerne; lofty peaks and cog trains. Geneva and the Palace of Nations.

Austria — Innsbruck founded in

1210, and one of the most characteristic towns of the Alpine region; trip by ski-lift to Mt. Hafelkar.

Italy with its warm hospitality and its historic background, a mecca for travelers seeking the rich past.

Venice — sightseeing by gondola along numerous canals. Treasures in glass.

Rome and its treasures. Vatican City — smallest state in the world. The Coliseum, Appian Way, Roman Forum, Catacombs shrouded in mystery.

The Isle of Capri and the Blue Grotto.

San Marino—smallest republic in the world, dating back to the 4th century A.D.

Pisa—the leaning tower; the cathedral; ancient buildings.

Monaco — Monte Carlo and the world famous Casino.

France—individualistic; material, appealing to those who seek pleasure and a continuous holiday.

Paris—symbolic of luxury living; its intriguing shops; perfumes; fashions; hair styling; sidewalk cafes; imposing palace of the French kings; lovely gardens; famous Eiffel Tower; Notre Dame cathedral; Arc de Triumphe; Seine river and the Champs Elysee.

Le Havre—the ocean trip aboard the SS Italia.

New York City—then high in the clouds over American soil.

Home again!

Local Teachers, Guests Hear Wichita Falls Dean of Men

The faculty of Iowa Park schools enjoyed a get-acquainted luncheon last Saturday in the Christian church dining hall, with Supt. Keith Swim as toastmaster.

Tim Hughes, history and commercial teacher, gave the invocation.

Mr. Swim introduced the special guests to the faculty. They were: R. E. Van Horn, mayor.

Mrs. Ruth Hill Yeargan, manager, of the Chamber of Commerce.

Buck Voyles, county commissioner and representative of the Lions club.

C. E. Birk, president of the board of education.

Mrs. Hazel George, representative of the Herald.

Mrs. Lorene Lewis, secretary to the superintendent.

James Elms, principal of both high schools, presented his faculty including four new members: Bob Covington, coach; Gene Soltes, assistant coach; Mrs. Georgia Flanagan, girls p.e.; and Mrs. Andra Tanner, junior high spelling and geography.

Miss Ethyle Kidwell, principal of elementary school, presented her faculty with one new member Mrs. Joy Belle McKinnon.

After-dinner speaker was A. D. Neal, dean of men in Wichita Falls high school, a former member of Iowa Park High School faculty in the early 1930's. He emphasized the importance of a good teacher with high ideals to instill in students Americanism and living close to God.

He said, "Teaching is a profession which takes a great deal of time, money and a keen sense of responsibility. Teaching is one of the most responsible of any professions.

"Children need help. Teachers should be human sparkplugs to help their students. A teacher must be sincere, interested in people, a good friend and helper.

"He or she should be courteous, have tact, patience and understand-

ing, plus a good sense of humor.

"A good teacher inspires students and is a condition. He assists each individual pupil to live as he was created to live."

'Rules of the Road,' Properly Observed, Mean Traffic Safety

With the death-laden Labor Day weekend and football weekends on tap, thoughts of many Texans are turning toward traffic safety.

A better acquaintance with the "rules of the road" and other traffic safety regulations could greatly reduce the death toll of our highways.

To obtain authoritative information about driving is a simple matter. A letter or postcard to the department of public safety, driver's license division, Austin, will bring an official publication, the Texas Driving Handbook, to any who request it.

Aside from considerations of personal safety, proper driving habits and observance of traffic laws will help prevent financial loss. This is true in spite of the fact that most people now carry liability insurance as a protection under the Texas Drivers Responsibility Act. Jury verdicts in personal injury cases tend to go higher and higher, and the likelihood of suffering an adverse judgment for an amount in excess of the liability policy is ever present.

Fault, or liability, is determined by applying the law to the particular facts of an accident. In Texas the law is in several forms—the statutes enacted by the legislature, the ordinances of each city and town, and the court decisions in cases similar to the one to be decided.

A negligent or intentional act is

necessary in order to impose legal liability for damages. Where both parties to an accident are negligent, the court will likely say that both are at fault, and each must pay for his own damages.

Two of the most important legal rules pertaining to accidents are those having to do with "proper look-out" and "proper control."

Driving in a lawful manner and complying with all ordinary traffic rules is not always sufficient. In addition, the driver is expected by law to be alert to all that is happening around him.

If an accident should occur and the driver has not been alert—has failed to keep a proper look-out—he may be charged with "improper look-out" as a traffic violation and also held liable in damages to the other driver. The courts call a "proper look-out" such a look-out as a reasonably prudent driver would have kept under the same circumstances.

Of equal importance is the rule of "proper control." This rule means that the driver should have his car under such degree of control as to be ready for any emergency that might arise. It may be breached even though no violation of ordinary traffic laws is involved.

For instance, a driver may be complying with the legal speed limit but still be driving at a rate of speed which is unsafe under the existing circumstances.

Even though legal speed limits are expressed in terms of miles per hour, conditions may arise which prevent the driver from maintaining proper control of his automobile at that speed. On a rainy day on a slick street or highway, or in heavy traffic, the reasonably prudent driver will know that he must reduce his speed considerably below the legal maximum.

What Was This Call Worth?

"Mommy, can I stay at grandmother's tonight?" That was little Carol's very first telephone call — a real thrill that can hardly be measured in dollars and cents. Yet, Mrs. Caroline Niemeier, Carol's grandmother, can tell you what that call cost. She is one of a group of customers who kept day-by-day records of calls made for a week — a total of 30 calls covering 133 miles. Then she broke her telephone bill down into the actual cost per call. "I was amazed," she reported, "at how little my telephone service cost for all the convenience and happiness it delivers." SOUTHWESTERN BELL TELEPHONE COMPANY . . . Soil Conservation

September is the time for early seeding of cool season grass mixtures on irrigated land, according to technicians of the Soil Conservation Service. A variety of tall fescuegrass and alfalfa has been found to be the best adapted mixture for this area. Alta and Kentucky 31 are the most common varieties used.

Rufus King of Wichita Falls and dairy farming at Kamay, has a 4-year-old seeding of fescue and alfalfa that has furnished good grazing throughout most of the year and large amounts during spring. The amount of fertilizer that can be economically applied isn't known but according to King, fescue will respond to large applications. About 200 pounds of 16-20-0 or 13-39-0 are usually applied at seeding time.

Jack Martin of Wichita Falls and farming 1 mile south of Iowa Park, had a good first-year seeding, as did J. H. Bingham of Iowa Park.

The latter says his pasture was a lifesaver during last winter and spring.

In making preparation for seeding, it is important that land be leveled or a method of watering be installed, a well prepared seedbed is important, fertilizer should be applied according to soil analysis, or if no analysis is available use 200 pounds of 16-20-0 or 13-39-0 per acre or their equivalent.

After fertilizing use a cultipacker type drill if available, or grain drill with small seed attachment. Stands are usually better is natural rainfall is sufficient to bring about germination, however it may be watered up by close control of water. Dan Roberts, Jack Martin, King, Bingham, Bob Miller and Carroll Anderson will be glad to have you visit their fescue and alfalfa pastures, and to share their experiences.

The SCS is available for assisting district co-operators in planning their pasture needs, and the local ASC will share in the cost of seeding.

New Members to Get Special Training At Baptist Chapel

Each Sunday night at 7:00 during Training Union hour, the Baptist Chapel will have special study under leadership of the pastor George Shropshire, for new members. The topic for these studies is "Your Life and Your Church."
This series of discussions is growing out of the desire of members for help in finding their place in the work and fellowship of the church.
Anyone not attending BTU is invited to attend.

Park Area Club Begins New Season

Mrs. A. H. Estes, Reporter
Park Area club met for the first fall meeting at the home of Mrs. Ray Low. Mrs. Virgil Woodfin led the opening song "I Would Be True."
After a devotional led by Mrs. C. H. Bowman, roll call was answered by "How I Can Improve My Work Center."
Miss Cathryn Sands showed pictures of improved outdoor work centers, including placing of the clothes lines, trash burners, barbecue pits and dining centers.
Report of a nominating committee was given by Mrs. Low. All present officers were renominated except Mrs. A. E. Bailey, treasurer, who asked to be relieved.
Secret pals were revealed and names drawn for the next six months. Plans were completed for the club's booth at the T-O Fair.
The hostess served refreshments to 10 members and the county agent Miss Sands.
Officers for the coming year are Mrs. L. E. Brooks, president; Mrs. Bowman, vice-president; Mrs. A. H. Estes, secretary; and Mrs. Woodfin, treasurer.

Mr. and Mrs. Dean Jackson and daughter Deanna Jo of Pasadena visited Mr. and Mrs. J. H. Hatten and other relatives in Iowa Park this week. Other guests in the home were Mrs. Hatten's parents Mr. and Mrs. C. E. Scales and her brother Clay Scales, all of Cicso.

Mr. and Mrs. Joe Baxter and daughter Sue Croft, Mrs. Lester Watson and Mrs. O. S. McLemore returned last week from a two-week vacation in California and other points of interest.

Mr. and Mrs. Marshall Boyd are leaving Friday for Louisiana where Mr. Boyd is getting discharged from the air force. While residents here, Mrs. Boyd has been working in the State National Bank.

Mr. and Mrs. T. M. Clark (shown above enroute to England) are presently enjoying an extended tour of European countries with their son-in-law, daughter and grandson Col. and Mrs. Mac Best and Thomas. Recently while visiting in Mannheim, Germany, they encountered Buddy Warren, son of Mrs. Lena

Warren of Burkburnett and cousin of Mrs. Clark. While visiting with Buddy, he mentioned Harrell Cage of Iowa Park, son of Mr. and Mrs. R. E. Cage. At the Clarks' insistence, Buddy located Harrell, and the Parkans had a nice visit together in faraway Germany.

Many Hostesses Honor Miss Sue Geisert with Prenuptial Shower

The parlor of the Baptist church bore striking resemblance to a late summer garden for a prenuptial shower last Thursday evening, given complimentary to Miss Sue Geisert, bride-elect of William Carroll (Pete) Thompson of Lubbock.
Floral decorations featured a variety of colors ranging from pale pink to deep purple and both miniature and large blossoms to create a summer garden atmosphere.
True to custom, the refreshment table was the most beautiful spot in the room. The pale blue under-cover enhanced the loveliness of the Madeira linen cutwork cloth with which the table was laid. The floral centerpiece emphasized pink, pink and white blossoms. Pink candles burned in crystal holders on either side the bouquet to complete the picture.

Hostesses were Meses. Fred W. Wright, Clifford Roberts, M. E. Reneau, Dorothy Thompson, Geo. Lewis, C. L. Vaughn, W. K. Barron, Wayne Luckett, J. W. Thomas, G. M. Brubaker, R. R. Brubaker, Cecil Marquart, L. E. Brooks, Albert Potts, James A. Sewell, Haskell Thompson, Homer Blalock.
Guests were greeted by Meses. Wright and Barron. Their signatures were secured by Mrs. Potts.
Presiding at the refreshment table were Meses. Reneau, Luckett, Dorothy Thompson and Miss Shirley Barron.
Recorded music was played during the party hours. The album held sentimental interest since it was presented to C. L. Vaughn last spring by the senior class of which the honoree was a member.
Miss Geisert and Mr. Thompson will exchange vows of matrimony Sunday afternoon, Sept. 26 at 3:00 in the Baptist church. Rev. H. M. Riek, pastor, will officiate.

Charles F. Quick left Sunday for Port Hueneme, Calif., after having spent a 30-day leave here visiting his parents Mr. and Mrs. J. Louis Quick, his sister Kay and other relatives and friends. Charles has been in the navy one year and will soon leave for overseas duty.

Mr. and Mrs. Adolf Schnobel and children of Bloomington, Ill. have been recent guests in the home of Mr. and Mrs. Elmo Traylor.

BAND NOTES :::

With school started again, the 1954 marching band is already practicing for the first football game—with Electra here Sept. 10.

Officers for the year were elected Tuesday, Aug. 31. They are: Caroline Sewell, president; June James, vice-president and secretary.

Beverly Sue Croft, treasurer; Janice Wilson, reporter; Ira Joe Payne, librarian; Bobby McManus, Thomas Jones, Norman Lee, orderlies.

This week we are being issued band suits. That will be a big thrill to get them back, too.

Two new band students this year are Betty Sullivan from Quemada, N.M., and Marcia Whetstone from Iowa.

We also have four new major-ettes. They are Joan Archer, Kay Scott, Peggy Koonce and Sue Bedford.

New members in the band are: Portia McManus, flute; Rebecca Calloway, drum; Mary Shook, drum; Judy Pyle, drum; Nancy Ann Smith, drum; Linda Geisert, French horn; Barbara Williams, French horn; Cletis Wright, clarinet; Betty Sullivan, cornet; Marcia Whetstone, clarinet.

Former members who have come back include:

Helen Roberts Rich, clarinet; Jeri Entrekkin, clarinet; Mike Thornberry, bass clarinet.

The band will appear at all home games and plans are being made to accompany the team on all road games. The band will also appear at the Texas-Oklahoma Fair on Sept. 29 in the marching and concert contests.

Last Saturday night the second summer band concert was given in the City Park. We would like to thank the public for attending. We enjoyed putting on the concerts.

We also enjoyed the ice cream and cake served by the parents after the concert.
See you at the Electra game.
—Janice.
