## Shallowater Little Leaguers Play All Star Tournament Monday

The Shallowater Little League All Star squad played a great game in the All Star Tournament Monday night in Cooper, barely losing to the North Lynn team by a score of 6-5.

It was three up and three down for both teams in the first inning. In the second inning, Shallowater went to bat and went three up and three down and North Lynn scored three runs in the bottom of the second.

The Shallowater lads' spirits weren't dampened by North Lynn's three scores and in the top of the third with one on base, Tory McCauley connected for a home

## Shallowater Bi-Centennial Celebration Held at Powell Field last Friday Evening

Approximately 125 persons attended the bi-centennial celebration at Powell Field in Shallowater Friday evening beginning at 8 p.m. with an old fashioned fox supper.

Jack DuLaney, mayor of Shallowater, was the master of ceremonies for the event and auctioneers were Dalton Potter, Granville Doggett, Floyd Epperson and James McMenamy.

Beautiful boxes, filled with delicious goodies was auctioned off to the highest bidder with Mrs. Joe Randolph winning the prize for the prettiest box, which was in patriotic colors of red, white and blue, depicting the flag of the United States, topped with a minuteman. The most authentic costume prize was presented to Mrs. Boyd Pearce and Floyd Epperson.

Several members of the Shallowater High School band played patriotic songs, under the direction of band director Rusty Sherman. A very impressive flag raising ceremony was presented by Renea Elliott, Kristy Tipton, Julia and Janet Shain with everyone present pledging the allegiance to the flag.

Rev. Ewing, pastor of the United Methodist Church, gave the invocation and a portion of the Declaration of Independence and preamble to the constitution was read by Rev. Pearce, pastor of the First Baptist Church.

Entertainment for the gala affair was presented by Tad and Tim Sinclair who played several selections on the banjo and mandolin. A quartet, consisting of Doyle Greenway, Clifford Conner, John Anglin and Mr. Richardson, accompanied on guitars and fiddles, entertained the group also.

It was announced that there will be another celebration in 1976, in observance of our nation's birthday and plans are being made now for the big event with games and contests. This will be for all residents in shallowater and the surrounding area and everyone is urged to keep it in mind and plan to attend when the celebration is held.

## New Head Basketball Coach Named for Shallowater

There will be new faces seen on the Shallowater campus next year, and among these will be that of Joe Tubbs, head basketball coach for next year.

Coach Tubbs graduated from Levelland High School in 1966, attended South Plains Junior College in the years of 1966-67 on a golf scholarship; and then between 1967-71, he attended West Texas State University. It was at WTSU that he received his B.S. Degree.

Palo Duro High was where Joe first used his math teaching skill. This was 1971-73. He taught

seventh and Shallowater failed to score. With one out in the bottom of the seventh, North Lynn loaded the bases, and scored the winning run in the last few seconds of play, barely nudging the local team by a 6 to 5 game, that left the spectators breathless and on the edge of their seats as the nip and tuck game finally ended.

As one of the parents stated, "the boys all played great ball and we as parents and fans, and the team members, wish to express our thanks and appreciation to the coaches, Rod Sanders and Herman Riojas, and to the team members and coaches, for their outstanding performance as a group. Congratulations to all of you for a great ball game."

There was a total of six teams participating in the Area III in which Shallowater was entered.

physical education and math at Hereford High School in 1973-75. His coaching experience was gained while employed at Palo Duro High School as the golf coach, and at Hereford High as the assistant basketball and sophomore football coach.

Catherine Ann is his lovely wife, and they have two children, Gano Chad, age 4; and Lesli Joyce, 3 months.

Coach Tubbs's philosophy of coaching is: "I believe that athletics is basically for the participants and also serves as a focal point for the school and the community. Those that wish to participate should be taught that it is a privilege that should not be abused.

As each athlete is an individual, he must be dealt with accordingly. Therefore, a program must be

The Shallowater Occasional Open Golf Tournament was held approximately Friday and Saturday, July 11th and 12th. The defending champion, Herschel (Tiger) Gale was edged out by K.R. (Moon) Lindsey, a Shallowater farmer, who came in with a sizzling 81 on the Meadowbrook Golf Course in Lubbock. Due to a misunderstanding, one of the entrants, Dr. Jim Jenkins of Lubbock, was not matched with any of the other opponents in the Championship Flight, but shot a steady 79 on the following day for the overall low. Both Lindsey and Jenkins were declared champions of the Championship Flight due to the fact that they were not paired on the same day.

The Mayor's flight (a high class tournament like this would never call it the second flight) was won by Jim Clark with an 82. Jim is a former Shallowater resident who lives in Lubbock and farms in the Shallowater area.

The President's Flight (or in some areas what would be called the third flight) was won by Mike Williamson with an 89. He is former head basketball coach at Shallowater High School and defending champion of his flight in the Shallowater Occasional Open Golf Tournament.

Harold Harriger, a Lubbock attorney and part time local banker, took the First Flight with a sizzling 96.

Second place finishers in each class won a dozen golf balls from the co-sponsor, ex-Mayor Howard Preston. The ex-Mayor finished right at the top of the Championship Flight behind Roy Clark in second place with an 82, Gale with an 83, Shallowater High School Band Director Rusty Sherman with an 83, and Shallowater School Superintendent Charles Hohertz with an 84.

The golf balls in the second flight went to Mark Clark with an 83, making a clean sweep for the Clark family. Second Place in the President's Flight with a 90 went to Claude Dollins of Lubbock. Brice Northcutt, also of Lubbock, finished in second place in the First Flight with a 98.

Due to the popularity of the tournament, ex-Mayor Preston has announced that a similar tournament will be held in October of this year and will be a 36 hole tournament. The ex-Mayor will again be in charge of the arrangements. Approximately 30 players participated in the tournament.

flexible enough to deal with these differences. For this reason, a successful athletic program must have coaches that exemplify the same hard work and high standards that are being taught.

In conclusion, I realize that over the years, society changes and so do the participants in athletics. Therefore, a successful coach must be aware of the changes and be able to learn and alter his program without sacrificing his basic philosophy."

We extend a cordial welcome to Coach Joe Tubbs, Catherine, and their children.

## Horton - Cox Repeat Vows Saturday

In a double ring ceremony in the United Methodist Church, Saturday at 7:30 p.m. Miss Debby Jean Horton and Robert Bryan Cox were united in marriage.

Rev. Max Browning of Van Horn performed the ceremony before a background of tall tapered candelabra, centered with lovely yellow gladiolus and greenery with a memory candle at the altar.

The bride is the daughter of Mr. and Mrs. William M. Horton and the groom's parents are Mr. and Mrs. Hugh J. Cox, all of Shallowater.

Given in marriage by her father, the bride wore a beautiful floor length gown of white sheer organza over bridal peau de soie. The high Victorian neckline, the yoke, and the sheer full bishop sleeves were accented with a satin band neckline and cuffs, edged in lovely val lace. The empire waistline fitted bodice was encircled with a wide satin band, edged in lace. A softly gathered A-Line skirt extended into a bouffant back fullness, sweeping into a chapel length train, enhanced with a deep gathered ruffle edged in lace, encircling the hemline. Her blusher veil of imported illusion was attached to a lace covered Juliet headpiece and a fingertip Mantilla veil, edged in lace. She carried a cascade bouquet of dainty yellow sweetheart roses, encircled with white leaves and white ribbon.

Miss Bunny Lupton of Shallowater served as maid of honor. Bridesmaid was Miss Janis Horton of Shallowater, sister of the bride and Miss Tonya Coleman of Wolfforth, cousin of the bride was flower girl. David Starch of Lubbock was ringbearer.

They wore floral voile floor length gowns in the bride's chosen colors of yellow, peach and orchid. They carried long stemmed yellow carnations.

The groom's attendants were bestman, Ronny Daniel of Lubbock and groomsman was Ray Morris of Lubbock. Ushers were Bill Tarro of Lubbock and Billy

Horton of Shallowater, brother of the bride.

Miss Kay McMenamy was organist and soloist was Wayne Starch of Lubbock.

Both the bride and groom are graduates of Shallowater High school. The bride is employed by the Lubbock Independent School District. The bridegroom is a candidate for August graduation at Texas Tech where he is studying physical education, and has managed the local swimming pool this summer.

Following a honeymoon to San Antonio, the couple will be at home in Lubbock.

## Crusade Prayer Groups Organized

The Shallowater home prayer meetings for the Billy Graham Crusade will begin the first week of August and continue until the crusade begins on August 31.

Our city is asked to have home groups on every block at least once a week for a month. This is a golden opportunity to have a part in helping others to find God's kingdom and His work. It is a rare privilege to have the Billy Graham team in our area and we will be the losers if we do not get involved.

If you would like to have either a morning or a night meeting in your home, please contact one of the following ladies. Mrs. Don Enger, 763-1166; Mrs. James McMenamy, 763-6291; Mrs. M.J. Williams, 832-4481; Mrs. Burnis Penny, 832-4587; Mrs. Dalton Potter, 832-4344; or Mrs. Jay Stanton, 763-1334 or 744-5652.

Mrs. Jay Stanton is the district prayer leader for our area and she asks that all Christians be concerned and participate in the home groups.

#### Crappie Fishing

What do you call him? Papermouth, white perch, or calico bass, the crappie is perhaps the most popular fish in Texas. Waters in this state have two types, white and black, and since colors vary, the only real way is count the spines in the dorsal fin. The whites have five or six, the black seven or more. Many white crappie can weigh 5 pounds, with the record being 4 lbs. and 9 oz. Texas fishermen take crappie on several small lures, but the live minnow is still the most popular. Crappie fishing is perhaps the least expensive pastime, with a cane pole, a section of line, a 2/0 wire hook, a float, and some split shot about 8 to 10 inches above the hook makes a fine rig. Fish the channels, ledges, and brushpiles for the crappie, and mark the line where you catch the first one. They are schooling fish, and stay together at the same level. **Tip of the Week:** Start crappie fishing deep, and gradually raise the bait until that first fish is caught. Crappie will not raise more than a foot to take the bait, and they will never dive to feed.

# SPORTS

by Joe Kelly

I thought that the week prior to vacation was the longest week in the year. I was wrong. The longest period is that immediately following your vacation. Five days seem like 15!

So obviously, I'm back on the treadmill, with only memories to sustain. Once I recover I hope to take advantage of some of the good bass fishing in our area. From reports this past week, Hubbard Creek still seems the best bet.

Coming up this week will be a bit of nostalgia as former WT-NM League players gather for their annual meeting. Headquarters will be the Villa Inn, with an informal get together Friday night and activities planned for Saturday.

Golf will be the principal event, with activities for the ladies—but no ball game this year. Fans are invited to come by the Villa to see their former heroes and friends. And a dinner dance Saturday night winds up the affair.

\*\*\*\*\*

The All Star game break was Tuesday and, if past tradition is any indication, Cincinnati and Pittsburgh will meet in the National League playoffs, along with Boston and Oakland.

If you must wager, though, bet a careful bob or two. Sometimes the season's midway point has been the kiss of death for teams that appeared incapable of losing. A sudden slump, a hot surge by another team and boom! The picture changes rapidly.

Barring a miracle, though, it would appear that both Cincinnati and Oakland are shoo-ins. The Reds have been awesome and the A's manage to win, even though they lost a lot of players.

Pittsburgh and Boston aren't cinches by any means. In fact, the American League East could be a real dogfight, especially if the Baltimore Orioles turn on the steam. The Orioles haven't been playing well, but they are in good striking range.

\*\*\*\*\*

So what else is new? Well, Ben Brown is going to open up a big general sports complex, with emphasis on bowling, of course. When finished, it should be a good addition to Lubbock.

This was a dream that the late Quinn Connelley had for years. He got no farther than a bowling alley and swimming pool, but he had visions of tennis courts, handball courts and a myriad of other arenas. There certainly is room in the city for such a complex.

\*\*\*\*\*

I was a little shocked when I got home and found out what the crowd for the All America game was. It looked like a much bigger crowd, even though it obviously wasn't capacity.

A year ago the prophets of doom were saying that the game was dead here, that interest had died down. I don't think in football mad West Texas that this is true. I do think that the game probably needs a few things to boost interest.

Generally, promotion of the game could be much stronger. Allocation of tickets could be better. More involvement of fans, through parties and rallies, would help build excitement. A lot of things could be tried to encourage attendance.

As it is, just under 40,000 in the heat gripping the city at the time isn't bad. In fact, it's better than any other city can manage. But the point has arrived when something is going to have to be done to push attendance back over 40,000.

Speaking of football, the "experts" have spoken and the consensus is for Texas A&M to win the SWC title. That comes as no surprise. Many have been predicting it ever since Texas whumped the Aggies right after Thanksgiving.

In fact, that defeat could well have been the making of the Aggies. They had the title in their moist little hands and let it get away. That shouldn't happen again.

The Aggies have experience. They have depth. They have ability. In fact, Emory Bellard probably could use any three men at each position and not draw a deep breath of alarm.

It's a mature team, and the addition of Tom Wilson could make A&M more potent offensively. Last year when A&M passed, it was more to see if the ends were awake than anything else. Tom Wilson could change all that.

Texas, smarting under what was not a successful season, could come back strong. Arkansas should be improved to the point of challenging. And you can't write off Baylor, the defending champion, with a host of talent returning.

That would seem to leave Texas Tech, SMU, Rice and TCU to fight for whatever scraps are available, as well as fill the role of spoilers in the title chase.

SMU and Rice could both be stronger, although the Owls were pretty dismal last year, while TCU doesn't seem to have it at all.

But I can't sell Tech that short. The Raiders may not have what it takes to be conference champions, but I feel a sense of confidence in Steve Sloan. His material may not be as impressive as A&M's, but he has a pretty good nucleus.

Another thing that is overlooked is the fact that Sloan was an All America quarterback and played pro ball. And he's going to work with the quarterbacks, and that should mean a lot.

Tommy Duniven has the ability to be outstanding. Thus, a year of experience and Sloan's tutoring could make him the top quarterback in the league. Sometimes championships have been won or lost on no more than the ability of the quarterback.

Nope, the Raiders probably will be picked for no better than fifth, with a few votes for a higher finish and some for a lower one. It's doubtful that they'll get any votes for 1-2-3.

All of which makes it an ideal position for a new head coach. He's under no pressure, neither is the team. It's much the same position Grant Teaff was in last year. No one will take Baylor lightly this year and it will be tougher to win.

I have a feeling that Steve Sloan's team will take advantage to the utmost of what it can do best and, in the course of the game, come up with some unexpected strategy.

Steve can gamble a little more this year because it isn't "his team", of course. My guess is that we can expect the unexpected. In fact, I think this could be one of the more interesting Tech teams to watch. Better buy your tickets now, if you haven't already.

Elliott Machine Shop in Shallowater has just completed enlargement of its facilities and added new services to its already complete machine work.

Ronnie Elliott, owner, announced this week that he has expanded his facilities and service and now handles electric motor repairs, along with all types of irrigation well motor repairs and replacements. Ronnie also stated that in the near future, Elliott Machine Shop will do gearhead repair and maintenance from a fully equipped service truck, allowing most service to be performed in the field. Any time electric pump motors require in-shop work, the work will be done in Elliott's Shop in Shallowater.

Another feature added recently is 24 hour service on most electrical repair calls.

## First Baptist Church Holds Outdoor Service

Last Sunday evening, the First Baptist Church of Shallowater held one of its firsts. The evening worship service was held outside in the shaded area of the church yard and was very well attended.

After the service, home made ice cream and cake were served to everyone present, with plenty to go around and everyone eating to their hearts desire.

As an extra attraction the church membership surprised their new pastor and his family with an old fashioned "Pounding".

## Swinford Silver Anniversary Marked

Sammy Allen Swinford and Jimmie (Redwine) Swinford were married in the First United Methodist Church in Shallowater on July 11, 1950, some 25 years ago. The celebration for their silver anniversary was held Sunday, July 13, 1975 in the party room of the First State Bank in Shallowater.

The serving table carried out their wedding colors of blue and yellow. A white cut-work table cloth; yellow streamers with silver letters showing 1950-1975 flanked a bouquet of yellow and blue flowers with silver candle holders and yellow candles. The cake was decorated in yellow and the bridegroom and bride used on their 1950 wedding cake also decorated the cake. These had been kept by Jimmie's mother, Mrs. Inez Redwine.

Mrs. Pat (Earl Ray) Swinford registered guests. Refreshments were served by Mrs. John (Sheila Graver), daughter from Meadow and Mrs. Ruth Walker of Shallowater.

Wedding pictures were displayed and candles used in their 1950 wedding were also used, which had been kept by a friend, Miss Louise Shaw.

Guests from Shallowater, Lubbock and Meadow came by for a visit. Out of town relatives attending were: Mr. and Mrs. Clay Knox, Mrs. Robert Norman, Mrs. Onie Henry from Amarillo; and Mr. and Mrs. David Swinford and family of Dumas, Texas.

## Rays of Hope

by Pat Stanton

Jesus said, "You shall know the truth and the truth shall set you free". (John 9:32)

We as parents and churches have failed to reveal and teach the truth of the gospel to our children. We have been bringing our sons and daughters to Christ, telling them that if the come to Jesus, everything will be all right and everything will work out fine. What disillusionment has been the result! Nothing could be further from the truth.

We have trained them as sons of God! But we have forgotten that the call to Christ is a spiritual battle, consequently we have not trained them to be soldiers.

The evidence that this is true is

the untold loss of multitudes of young people from the church and from any involvement whatsoever in the things of God.

Further evidence of this truth is the tremendous number of children of saved parents who have rebelled against the faith of their mothers and fathers, while the parents stood and watched helplessly crying, "Oh, God, where did we fail you? What did we do wrong that caused our child to wander out into the world?"

The truth is that the call of Jesus is a call to battle. We have not prepared soldiers. We have not given them information on the enemy. We have not revealed who the devil really is, and the great evil that he is capable of.

We, as parents, have not prepared our sons and daughters for spiritual battle, neither has the church of God prepared "God's sons" for this battle.

Ephesians 6:12, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

The Bible very plainly teaches that the devil is out to hurt, kill, and destroy mankind. The word also teaches that Christ's followers have the authority of His name to defeat the enemy.

Parents, teach your children how to put on the whole armour of God that they may be able to stand against the tricks of the enemy. (Eph. 6:11)

## Shallowater Football Season to Get Underway Soon Under New Coach

Shallowater High School Coach, Eddie Wolski has announced that in just a short while the 1975 football season will be underway, and he would like to take this opportunity to relate some of his

thoughts and ideas to you.

First off, he considers it an honor to have the privilege to direct the athletics of the Shallowater Schools and sincerely hopes that the relationship

between you and the Athletic Department will be a favorable one.

Secondly, he feels as though the boys who are going to be representing the Shallowater Mustangs this fall are facing a terrific challenge. The schedule is a tough one and will be very demanding. His request of you is to encourage the boys to accept that challenge both mentally and physically.

His third comment has to do with support in regard to our football team. It would be his desire if the entire community became totally involved with the team. Obviously, a team will do better and its attitude will be more positive if it has the knowledge that it has the support of the community. Naturally, this support and encouragement has to have its beginning in the homes of the players, and he is sure the parents will give this necessary support. It is human nature for a boy to perform better if he has the confidence that his parents are behind him 100%.

The following ideals and concepts express the feelings and beliefs of the Shallowater Athletic Department:

1. Our first consideration shall always be the welfare of the boys.
2. Our examples shall be wholesome and contribute to a cleaner living, and shall reflect better health habits and physical fitness.
3. Our teaching shall emphasize true respect for rule of play, for authority of officials and shall include consideration for opponents and also for all others encountered in daily living.
4. Our endeavor shall be to make competitive athletics a part of the truly educational extra-curricular activities.

5. Our relationship with the players, coaches, teachers, school authorities, shall be one which will develop mutual respect and confidence.

6. Our personal conduct, on and off the field, in and out of the school, shall be truly worthy of imitation by the boys whose welfare is our primary responsibility.

7. Our objective shall be to win if possible, but at the same time be able to accept defeat. We will strive to make sure that the conduct of all will contribute to a fuller understanding of a keener appreciation of fair play.

8. We shall teach that good sportsmanship is essential, good citizenship is a must, and that loyalty is the foundation of any worthwhile endeavor.

9. We feel that the Lord has a strong part to play in athletics. Through Him we have the privileges to play and coach.

## Camp Post Summer Program Is Big Success

The South Plains Council's Camp Post Summer Program has been termed a big success. During Scout Summer Camp, which is a week long outdoor experience for Scouts, there were over 350 Scouts for 44 Scout Troops at Camp this year. The Scouts came from a 20 County area served by the South Plains Council, Boy Scouts of America, according to Bob Moody, the vice president of scouting for the Council.

"The Scouts who attended Camp Post earned over 1175 merit badges in swimming, canoeing, rowing, archery, conservation, nature study, pioneering, and

many other areas too numerous to mention", according to Moody. Also there were 169 Scouts advancing one complete rank at Camp Post.

In addition to the Scout Program at Post, there are programs for the Cub Scouts, who are boys 8, 9 and 10 years old. For the Cubs are the Cub Day Camp and the overnight Lad and Dad campout.

The attention for scout camp switches to camp Tres Ritos, which opened last week, located in the Carson National Forest in New Mexico. "We are expecting 370 Scouts from 39 troops to attend one of the four weeks the camp will be in operation," Moody said.

Tres Ritos features a program of forestry, conservation, nature study, and various out of camp overnight back packing trips into the Pecos Wilderness area.

"If the balance of the summer program is as smooth an operation as the first half, we will have one of the best summer programs this Council has ever held," Moody stated.
