On Thursday, April 25th, Police Chief Jim Trulove, notified the mayor, city secretary, and city councilmen, that he was resigning his position effective between May 8th and 15th.

Services Held for Mother of Local Resident Saturday

Services for Mrs. F. Gus (Hilda) Grawunder, 82, of Brownfield was held at 2 p.m. Saturday, April 27 in Shepherd of the King Lutheran Church in Lubbock with the Rev. A. Dean Kelm, pastor of the Redeemer Lutheran Church in Odessa, and the Rev. Robert Metzger, pastor of the First United Methodist Church in Brownfield, officiating.

Burial was in the City of Lubbock Cemetery under the direction of Brownfield Funeral Home.

Mrs. Grawunder was dead on arrival at Brownfield General Hospital at 9:22 p.m. Thursday, April 25 after a brief illness. She was born in San Marcos and married in Thorndale in 1909. She came to Lubbock County in 1920, to Dawson County in 1939 and to Brownfield in 1943.

Survivors include four sons, Milton of Brownfield, Gilbert of Corpus Christi, Leroy of Shallowater and Kenneth of McDonald, N.M.; four daughters, Mrs. Agnes Brown and Mrs. Gladys Stice, both of Brownfield, Mrs. Alice Stansell, Jr. of Lubbock and Mrs. Leona Phipps of Belle Plains, Kansas; seven sisters, Mrs. Anita Penny of Naples, Mrs. Tena Walther of Elgin, Mrs. Etta Petzold of Bakersfield, Calif., Mrs. Mary Schick of Tulink and Miss Lena Lange of Thorndale; 19 grandchildren and 25 great grandchildren.

"I have put much thought into my decision for this move", says Chief Trulove. "I feel as though my experience in Shallowater and the manner of operation of the Shallowater Police Department was a determining factor in being chosen as Chief of Police in a larger city for a larger police department."

The operation of the Post Police Department will be composed of five full time officers for 24 hour daily police coverage including relief officers. The Post Police Department will also be responsible for continuous modern and efficient ambulance service for Garza County. The police department will operate from the recently constructed Garza County Law Enforcement Annex which also houses the Garza County Sheriff's Department, Justice of the Peace, Department of Public Safety, Parks and Wildlife Department, and the Garza County Jail.

"My family and I have made many good friends and acquaintances since becoming a part of Shallowater", stated Trulove. "We hate to leave these people behind, but we plan on frequent visits to Shallowater. We feel that this opportunity is an advancement in the field of law enforcement, and feel that Shallowater had a large part in this advancement. I do feel that the citizens of Shallowater should be proud of their police department. The department has struggled for the past eight months to upgrade and promote citizen backing. It has reached a high point of efficiency and will continue to operate in that manner".

Three Named As Outstanding Citizens By Lions Club For Month Of May

This week the Shallowater Lions Club announced that it was honored to recognize three individuals as the Outstanding Citizens for the month of May. These will be honored with an Open House at the Shallowater First State Bank on Friday, May 3 from 9 a.m. to 3 p.m.

Mr. Henry Mahoney has been named to receive one of the awards. Mr. Mahoney was born in Marshall, Texas on March 17, 1890. He accompanied his mother and sisters in a covered wagon when they came to the Plains and Lubbock County January 1, 1900, where they homesteaded land. His sister, Mrs. Mary Mahoney Lupton taught school at Grosville and Mr. Mahoney accompanied her and another sister, Agnes to school in a buggy and then attended college in St. Mary's College in Kansas, until his graduation then he returned to work for the Spade and L.F.D. Ranches before settling on the family spread and doing ranching and farming.

Mrs. Henry Mahoney will also receive an award. She was the former Nettie Stokes who accompanied her parents, the D.N. Stokes to the Plains in 1907 by covered wagon. They settled in Lubbock County and engaged in farming. Nettie attended school in Lubbock along with her brothers and sister. Mahoney and the former Nettie Stokes were married on October 8, 1916 at Slaton, Texas.

Mr. and Mrs. Mahoney have been active in the community of Shallowater. Mr. Mahoney having been a former trustee and member of the Buffalo Lakes Water Board. Mrs. Mahoney is a former officer of

Mr. & Mrs. Henry Mahoney

the PTA and was active in the Pioneer Club of Lubbock for a number of years.

In 1947 they moved to Shallowater and built a home at 1103 8th St.

The third citizen to receive an award is Mrs. A.C. (Bessie) Wright. She came to Texas at the age of 17, and attended school for two years where she met and married Mr. Wright on May 3, 1915. After marrying, she and her husband moved to Shallowater, where all three of their children, Chester Welty Wright, Mrs. Nina Wright Shipp, and Skeex (T.E.) Wright, were born. They built their farm home two miles east of Shallowater in 1923 where they resided until 1964, at which time Mr. Wright passed away, and Mrs. Wright moved into Shallowater.

Mrs. Wright relates that "they worked hard as do the parents of

Mrs. A.C. Wright

today, schooling the children, working in PTA and in church and other civic activities. Only about 7 or 8 families lived here at the time and we were closely knit in friendship. Not many of those living here then are here now. I would hate to live anywhere else."

Lubbock County Republicans Will Combine Some Polling Places Saturday

Lubbock County Republicans will combine some of their polling places in Saturday's primary elections, according to County Chairman Terry Tapp. The reason for this year's combining is because of the need for economy, and the low number of voters in certain polling places in Lubbock County. *Moving a BILLION of
anything is a big job*

A new Santa Fe record:
**Moving a BILLION
bushels of grain**
in 20 months

The BILLIONTH BUSHEL was moved on March 20, 1974, and car 312567 at the FAR-MAR-CO elevator, Hutchinson, Kansas, broke the banner symbolizing this event.

"To give recognition to the movement of the BILLIONTH BUSHEL of grain over the Santa Fe in a twenty-month period, Miss Kansas Wheat joined me at Hutchinson, Kansas, March 20, 1974.

When this record grain movement started in mid-1972, many predicted the rail industry would not be able to handle the job. Despite no advance warning and severe problems of port congestion that hampered the handling of cars with export wheat, Santa Fe and many other railroads have set records of moving grain while keeping other traffic rolling.

This great transportation job was accomplished by skillful, dedicated Santa Fe people, and through the wonderful cooperation of all shippers. Grain continues to move in a big way and a bumper crop is expected at harvest time. That is why we are now hard at work planning ways to apply Santa Fe facilities and resources to move increasing volumes of traffic this year without serious car shortage."
