

Shallowater's Fantastic Fillies Show Impressive Record

by Alison Terry

With a 16-10 won-loss record overall and a 5-1 record so far in district play, the Fantastic Fillies of 1976-77 have definitely drunk from the waters of success. Battling courageously, bout after bout, the Fantastic Fillies have always come out on top. In victory or defeat the Fillies have rightfully been declared the "true winners." With the closeness of mind and heart characteristic of the team, the unremitting efforts of each team member, and the burning desire for success which guides the team, how could the Fantastic Fillies succumb to a title of "defeated?" They could not; they have not and they will not!

February 4th, at 6:30 p.m., the Fantastic Fillies will play their last home game of the regular season. This contest is of extreme importance not only because it is the last, but also, because it will most likely decide whether or not the Fillies will progress to Bi-district action.

Friday night the Fantastic Fillies will clash against the Stanton Buffs. In the first round of

district play, Stanton gained a controversial three-point "score-board victory" over the Fillies. This game placed the Buffs at the top of the district, but the Fantastic Fillies will avenge their loss and regain the spotlight as they "stuff the Buffs" this coming Friday!

The constituents of this fantastic team are: Janis Horton, Sr.—Capt.; Beverly Pair, Sr.—Capt.; Judy Waller, Sr.—Capt.; Barbara Stephenson, Sr.; Lindy Blumer, Jr.; Donna Evans, Jr.; Cindy Jackson, Jr.; Robin Truelock, Jr.; Jana Hayslip, Soph.; and Terri Stanton, Soph. These talented girls are coached by Jan Averitt. Also, we must give credit to the Fillie managers. They are: Kim Myers, Sr.; Claudett Lamb, Sr.; Gloria Lara, Sr.; Jamie Myers, Jr.; and Deborah Penny, Jr.

These young women have given their all and deserve lots of praise, admiration, and support from everyone! Come on out Friday at 6:30 p.m. and back up the Fantastic Fillies as they travel the road to the State Class A play-offs!

SHALLOWATER FILLIES—The varsity girls basketball team has an overall 16-10 won/loss record with a 5-1 record in district play. From top left are junior Lindy Blumer, guard; junior Robin Truelock, guard; and senior Beverly Pair, forward. From bottom left are senior Janis Horton, guard; junior Cindy Jackson, guard; and sophomore Terri Stanton, forward. The Fillies play their last home game of the season February 4 against Stanton.

City Elections Set

The annual city election has been set for Saturday, April 2, at the city hall with Mrs. Vera Meeks as the presiding judge. Polls will open at 7 a.m. and close at 7 p.m.

The terms of Mayor Jack DuLaney and Councilman Doyle Mashey, place III and Joe Cox, place IV will expire. Each place will be for a two year term. Neither man had stated their intentions on running for re-election at press time.

The deadline for any candidate to file for such office and have their name placed on the ballot is on or before March 1 at the city hall and pay a filing fee of \$3.00.

Candidates must be qualified electors who have resided within the City of Shallowater for six (6) months preceding the election.

Councilmen who will remain on the council are W.A. "Dub" Hardin, Danny Jones and Leroy Grawunder.

Dawn DuLaney Presented Official Proclamation Here

Dawn DuLaney, youngest daughter of the Jack DuLaney's, is an outstanding gymnast and has a large display of trophies, medals and ribbons as proof of her accomplishments in the gymnastic field and has several gold medals as all around gymnast in Southwest competition.

It was suggested recently by a local businessman that a procla-

mation by the City of Shallowater be presented to Dawn for her performance achievements and to express its gratitude for serving as a good ambassador for Shallowater.

At Monday night's meeting of the City Council, Mayor pro-tem, W.A. "Dub" Hardin presented the proclamation to Dawn.

Mayor, pro-tem, Dub Hardin, presents Dawn DuLaney a proclamation by the City of Shallowater for her gymnastic entertainment throughout the Southwest and as a good ambassador for the city.

Local Dog Owners Placed on Notice

This is the latest word from city hall . . . Patrick Seno has been hired by the local city council as

animal warden and all dogs, not on a leash, and running loose, within the city limits of Shallowater will

be picked up and put in the dog pound, where they will be kept for 72 hours before they are destroyed.

The owner may retrieve their pet, by paying an impounding fee of \$15.00. If they animal wears a tag, showing a current rabies vaccination. Otherwise, the impounding fee will be \$25 until the owner can show proof the dog has been vaccinated for rabies. Then the city will reimburse the owner up to \$10 of the rabies shot cost.

The warden will be allowed to pick up any dog running loose, on city streets, or on anyone else's property, at the request of the property owner. Or if the warden chases the dog from the street, or other property, to the owner's property. He will warn the owner of the dog that the animal would not be picked up this time, but if it is seen running loose the second time, it would be picked up and impounded and the owner would be in violation of City Ordinance #196 and would be responsible and subject to fine.

Johnson-Scheef Vows Exchanged

Cinda Kay Johnson of Friona became the bride of David C. Scheef on Saturday, January 8 at 5 p.m.

The ceremony was performed in Friona's First Baptist Church by Mr. Dole Westbrook of Friona.

The bride is the daughter of Mr. and Mrs. Leroy Johnson of Friona. The groom is the son of Mr. and Mrs. Walter Scheef of Lorenzo, Texas.

The altar was decorated with a pair of spiral trees of candles, a pair of seven brench candles and two bouquets centered with a candle arch and bouquets of gladiolas, mums and sunburst pompoms.

Mrs. Roy Miller, organist, and Mrs. Joe Walters, pianist, accompanied Pattijon Tolley as she sang "I Have Dreamed," "Whither Thou Goest," and "Hawaiian Wedding Song."

As the bride was presented in marriage by her father, she wore a diven-de-Cream silk Chiffon wedding gown enriched by Point-de-Paris lace and pearl beadwork designed especially for her by Piccione of French Baroque design. The Point-de-Paris lace appliqued molded bodice featured a pearl encircled high wedding band neckline atop a deep shield net yolk which was edged in garlands of Paint-de-Paris flowerettes with crystal and pearl accents. The full lantern sleeves drifted to a deep cuff of Paint-de-Paris lace. The circular wedding bell cuffs floated from the top of the deep cuff. From the garland flowerette crescent waistline drifted three Circular skirts over plau-de-ange. The fullness gathered to the back of the skirt and the skirt swept to form a chapel length train.

She wore a tulip baroque capulet covered in deven-de-Cream Paint-de-Paris lace. From the capulet floated three circular hand rolled petals which formed her altar veil. Enrichments of Paint-de-Paris flowerettes with pearl centers were applied on the outer petal of the alter veil.

She carried a hogarth bouquet of white roses, pearls, gypsophelia

and gardenias with love knot streamers.

For something old and borrowed she wore her grandmother Burkett's wedding ring which is 53 years old. Something new was her wedding gown, something blue was the traditional blue garter.

She had a sixpence in her shoe minted in the year of her birth.

Julie Johnson of Friona served her sister as maid of honor.

Bridesmaids were Jenny Scheef of Lubbock, sister of the groom, Arlene Britt and Mrs. David Hardgrove of Lubbock.

The feminine attendants wore gowns of wedgewood blue knitted chiffon and deven-de-cream cluny lace enrichments. The gowns feature Marie Antoinette necklines encircled with deep self fabric ruffles edged in cluny lace edging. Full lantern sleeves formed slender cuffs at the wrists. From the crescent waistline encircled in cluny lace, fell the three tiered skirts which were accented between each tier with cluny lace insertions. The skirts swept to floor length. They carried long stemmed red roses with satin streamers.

Sam Scheef of Lorenzo served his brother as best man.

Serving as groomsmen were Phillip Johnson of Friona, brother of the bride, Jerry Stephens and Bob Hurst, all of Friona.

Beth Johnson of Friona, niece of the bride, was flower girl. She is the daughter of Mr. and Mrs. Phillip Johnson.

Candelighters were Greg Mathas and Jon Paul Westbrook.

Mrs. Phillip Johnson, sister-in-law of the bride and Diane Westbrook registered guests.

The reception followed the ceremony in the Fellowship Hall of the church.

The table was covered with a white satin cloth over lace. Red roses centered the table setting. The three-tiered white wedding cake, red wedding punch and coffee was served by Jana Barrett of Lubbock, Diane Westbrook of Friona and Jerri Benge of Lubbock.

Others assisting with the reception were Mrs. Olen Turner, Mrs. W.S. Ingram, Mrs. Dale Westbrook. Mrs. Dave Bushe played musical selections for the reception.

For a wedding trip to New Mexico the bride wore an evergreen knit jumpsuit with rust printed top and rust accessories.

The couple will make their home on Rt. 5 Muleshoe after January 15th.

The bride is a 1974 graduate of Friona High School. She attended Texas Tech and is a member of Sigma Delta Chi.

The groom is a 1971 graduate of Lorenzo High School and attended Texas Tech University, Lubbock.

Cinda is the granddaughter of Mrs. Annie Johnson, Shallowater.

DECA Spotlight

by Claudett Lamb

Our DECA spotlight for this week is Regina Howell. Regina is President of DECA. She is a Senior and works hard in this class. Her place of employment is Gibson's on 50th and H.

Regina's duties are: being a checker, working in cosmetics and drugs. She has learned leadership, responsibility, and a better understanding of people through her work. Regina enjoys working with people. Her two bosses are real nice. She likes her breaks and clocking out. She doesn't really like clocking in but once she gets started she really enjoys her job. Regina plans to keep on working through June or maybe longer depending in marriage plans. Although she doesn't plan to make this type of work into a career, she enjoys her work.

The most embarrassing moment in her work was over a money misunderstanding. The lady became quite violent and was shouting and threatening to hit her. Then at another time the cash register went wild. This was one of Regina's most amusing moments. The cash register rang a \$416.86 over ring.

Regina had been afraid that making friends with the fellow employees would be hard, but they made it easy. The other workers were real nice to all the new workers, so it wasn't hard at all.

When asked about DECA as a whole her comments were all good. DECA teaches you how to get along with yourself as well as with others. It helps greatly in the preparation for life after you get out of school. DECA is a great class!

See the Ball Bounce

by Gloria Lara

Well we are almost to the end; but, it's not here yet. It was another exciting week for basketball.

First off both 7th grade boys and girls played against O'Donnell and Levelland. Both teams came on top, Monday, against O'Donnell. The boys won with a score of 35-19 against O'Donnell with Lynn Menton being the lucky one with a score of 19. The girls won with a good 10 points. Their score was 32-22 with Bertha Menton coming on top with 20 points. Thursday they played against Levelland again both teams showed their stuff. The boys won with a score of 32-28. Lynn Menton seems to be the lucky one, again he scored 19 points. The girls won with a score of 25-19. Bertha Menton again helped the score by scoring 16 points.

The 8th grade played against O'Donnell Monday and they won. The girls won with a score of 31-19. Becky Walker contributed to the score by scoring 13 points that game. The remainder of the week they went on to play a

tournament at Olton. The first game the girls played against Olton and won by a score of 36-21. Thelma Menton scored a high of 15 points. The next two games were upsets when the girls played against Lockney and Littlefield. We lost to Lockney with a score of 30-25, Thelma Menton high scoring again with 10. To Littlefield we merely lost by 3 points. The score was 24-21. Thelma does it again with 13 points.

Jr. High only has 3 more games to go and basketball season will be over for them. Let's go and keep on supporting them.

Mustang Musicians Gain Top Honors

Saturday night at the Monterey auditorium, three of the Mustang Band members performed in their final concert of the All-Region Band. Under the superb direction of Mr. Lee Boyd Montgomery of Austin, the talented group of chosen musicians presented the audience with great music.

In order to be selected for the honor band, the student must individually practice the first parts of the concert music. A panel of three judges selects the members upon tryout.

Kim Myers received 2nd chair French horn, George Parsley 4th chair Clarinet, and Laura Walker 9th chair Clarinet. Twenty-six French Horn players tried for the ten available spots. Out of forty-eight Clarinets, only thirty made it.

This was the third and final year for Kim and Laura to make the band. George made the band for four years.

These students are to be commended for their accomplishments.

Conformity Reigns

by Laura Walker

In this age of do-your-own-thing, many find themselves doing-their-own-thing as long as it fits into what others are doing.

Our society today stresses individualism, being one's own self or person. However, it does not allow us to be totally different. We all fear being rejected, shunned, and laughed at.

Perhaps we do live in an age of conformity. We dress to conform to the latest fashion. Sometimes it doesn't suit our personality but because everyone wears it, one feels he must also.

Today we accept many standards and morals that we may not agree with. Yet we conform to accept them and to be accepted by them.

There is a conformity in the way we speak and act. The CB language has spread to everyone. One uses common expressions to communicate.

Conforming to society does not always mean its bad. A unification of people everywhere enables us to understand one another better. Our lives all have something in common.

Conforming does not necessarily mean denying one's self to become carbon copies of others. It means getting along and developing as an individual.

UIL

BY Suzie De Anda

It's that time of year again when UIL is in the minds of everyone. One-act play tryouts will be February the 2nd at the auditorium after school. If you are interested see Miss Gennaway. Anyone else interested in UIL events see the appropriate teachers.

The Beginning Of The End

by Steven Wilson

Both district teams began the second half of district this past Friday symbolizing the near end of the 1976-1977 basketball season. For some the end will be the end of their organized basketball career. The players will do their best to make it a good ending.

The Fillies were victors over Christ The King by a score of 70-63. The game was a non-district game separating the first half from the second half. The Fillies opponent was very stubborn and played a very good game. The Fillies held them off with Jana Hayslip scoring 27. She was followed by Terri Stanton who scored 22 while Beverly Pair added 19 more.

The Fillies had a scare against Seagraves in a very closely fought game. At halftime the Fillies trailed by six with a total of 17 compared to Seagraves' 23. The Fillies pulled within five at the end of the third quarter to make things tighter. From the beginning of the fourth quarter it was easy to see that the Fillies were ready to play. They outscored Seagraves 13-3 in that final period to take a very important win. The final score was 38-33 with Terri Stanton having 25 of those 38. The Fillies are 1-0 for the second half and are looking forward to a rematch with Stanton to decide who will be the District 5-A champion. A win against Stanton would mean a tie and a playoff, but a loss would virtually wrap it up for Stanton.

The Mustangs were soundly defeated by a strong Christ The King team. Once the Trojans attained a lead the Mustangs fell back and could never catch up. The final score was 43-74 and Rod Warren led the Mustangs with 12.

The Mustangs dropped their first game of the second half to the Seagraves boys by a score of 46-70. Even though the score does not show it, the game was exciting. The crowd, usually not vocal, became very vocal when the Mustangs put together a spree of points causing Seagraves to call a time out to regroup. The Mustangs faltered though and never came back. Clay Dixon scored 10 points as did Steve Menton to lead the Mustang scorers.

Senior Spectacular

by Gloria Lara

This weeks great senior is none other than Jerry Ritchie. The proud parents are Mr. Jerry Ritchie and Mrs. Romell Ritchie. They reside at 1208 9th street. Jerry will soon be 18 as his birthday is June 5.

Jerry has a few special interests, some of them are that he likes cars, money, animals, and he likes to listen to music. That is why he is a proud member of the Shallowater Mustang Band.

Jerry comments that the best thing he has enjoyed about his senior year is knowing that it is his last. After graduation he either plans to drive a truck or work for the telephone company. The type of career he wants is one that will make him rich. The last comment he has is that this has been the best school of his life!

9th and J.V. Wrap Up

by Claudett Lamb

The 9th grade Fillies played a close game against O'Donnell to come on top 43-41. Michele Price made 19 points to be high scorer for the victorious Fillies. The 9th grade Mustangs played Littlefield only to be beaten. The score was 27-58. Allan Judah was high scorer with 11 points. This was the end of their playing for the week.

The J.G. girls played Seagraves. The game was close, but the girls lost with the score of 50-52. La Donna Pair made 20 points for the team with Jamie Hart close behind her with 18 points. The J.V. boys first game of the week was victorious against Christ The King. The score was 46-43 with Kenneth Young making 20 points to be top scorer. The Mustangs then went to the Tahoka Tournament. Their first game was against Cooper, but were defeated 34-43. Randy Middlebrook and Stacy Hohenberger both made 10 points to try to help the team. The

next game they ripped past Christ The King with a score of 60-36. Randy Middlebrook made 14 points with Barry Randolph making 13 points to help the team. The next game was against Tahoka where once again they were victorious. The score 42-27 with Randy Middlebrook making 16 points for the team. Way to go teams.
