SATURDAY IS HOMECOMING AT WAYLAND COLLEGE

Homecoming activities and College Preview Day at Wayland Baptist College are both slated as cooperative efforts on November 18 with a full schedule of events planned.

Homecoming activities are billed around the theme, "It's a Small World After All," and College Preview Day will use the theme, "Have We Got a College For You!"

Registration for prospective students and their parents gets underway at 8:30 a.m. in Herral Memorial Auditorium and Homecoming registration at 9 a.m. in Gates Hall Foyer. Homecoming participants will move to downtown Plainview for what may be the largest and most beautiful parade in the city's history at 9:45.

College Preview Day participants will view the parade as it concludes at the campus following their opening interest session from 9:15 to 10:30 in Herral Auditorium.

Following the view of the parade, prospective students will go

to their personal choice conferences in the college division of their choice. At the same time, former students will gather in Gates Hall Auditorium for the annual baby parade where they show off their children and the children, aged birth through five years, compete for scholarship awards. Chairman of the baby parade is Mrs. Mike Hutcherson. Working with her is Mrs. Jim Allison, Mrs. Harold Reese and Mrs. Alice Scarborough.

The annual barbecue for the former students will not be held this year and the alumni group will be free to lunch where they choose. From 12 to 1:30, the prospective students will be guests of the college for lunch in Slaughter Center.

Both groups will join in Herral Auditorium at 1:30 for the final production of "Carousel," to be presented by the fine arts division. Class reunions following the production will occupy the former students while the prospective students take tours of the campus.

At 5 p.m., the high school students will meet at the Student Union Building for a hamburger supper and the former students

HAPPY THANKSGIVING!

Mrs. C. P. Richmond attended the Silver Wedding Anniversary of her daughter and husband, Mr. and Mrs. L. B. Monk, on Sunday, November 5. In the evening she accompanied her grandson, Mr. and Mrs. Jerry Monk and daughter, Leslie, to their home in Farwell. She spent the week with them, returning home on Thursday. She stopped by Bovina and visited Mrs. Curtis Monk. She stopped in Dimmitt and Tulia for a short rest period, then drove on home. She reports a nice trip.

Mr. and Mrs. Cotton Cowan of Houston came Saturday for a visit with his sister and husband, Mr. and Mrs. H. B. Finney.

Mr. and Mrs. Jimmy McKay and family of Kermit spent the weekend with his sister and husband, Mr. and Mrs. Shorty Woods.

4-H'ers Create Own Space in Home Environment Program

4-H'ers in the 4-H home environment program create comfortable and pleasing living spaces. These 4-H'ers built a bookshelf and a mobile to improve the total environment of their rumpus room.

SPECIAL - What's in a name? Plenty, think leaders working with 4-H members in the area of home furnishings, equipment and housing.

The 4-H home improvement program has been renamed 4-H home environment in 1972. Sponsored by The S&H Foundation, Inc., new dimensions and activities have been added through the efforts of personnel of the Cooperative Extension Service and National 4-H Service Committee.

The contemporary 4-H home environment program provides numerous opportunities for creative expression. 4-H'ers in the program are encouraged to plan their home surroundings much as they would the total

environment - for beauty, comfort, health, safety and adequate space. Using the principles of basic design - form, scale, patterns and texture, color and light - the 178,000 young people in the 4-H home environment program create living spaces that are functional, comfortable and aesthetically pleasing.

Boys Can Take Part, Too

The revised program is also designed to get boys interested and involved in improving their homes. 4-H'ers from low income, minority and migrant families are also encouraged to participate and help create pleasing home environments. Besides the satisfaction at helping to make one's home a

more enjoyable and pleasing place to live, 4-H'ers in the home environment program can gain recognition in other ways.

The S&H Foundation, Inc. provides incentive and other recognition awards for county, state and national winners in the program.

Medals of honor are awarded county winners, while one winner in each state receives an expense-paid trip to the National 4-H Congress in Chicago, Nov. 26-30. At the 4-H event, six national winners receive \$700 scholarships provided by The S&H Foundation, Inc.

For more information about the 4-H home environment program, contact the county extension office.

Mail Order Insurance Can Be Worthwhile

Mail order insurance policies can be worthwhile if the consumer is fully aware what he is buying. If he isn't, later he may find that his insurance doesn't pay for things he mistakenly thought it did.

Four points are important in studying an insurance policy, according to Dorothy Powell, County Extension Agent.

First, the buyer should understand what happens if he has any "pre-existing" health conditions.

Second, he should know how much his policy will pay per day. Third, he should check time limitations on collecting money from the company.

Fourth, he should learn how much he must pay in premiums. "Although most mail order policies don't require a physical examination, they do have some special limitations on benefits for pre-existing health conditions," the agent said.

Most policies, for example, have a two-year waiting period before the policy holder can collect on pre-existing conditions - whether he knows about the pre-existing condition or not. Also, most such policies don't pay out-of-hospital benefits, so

Mr. and Mrs. J. L. Woods of Arnett, Oklahoma spent Tuesday night with Mr. and Mrs. Shorty Woods. They came for Mrs. Almond Wilson, who had been here visiting Mrs. E. E. Woods for two weeks, and took her to her home near Austin.

how much they pay per day is an important point to know.

In addition to the study of the policy, the agent advised more steps in considering such insurance.

Check existing coverage against what an illness or accident could cost to determine if the added insurance is necessary - don't buy insurance if you don't need it.

Check with the Texas State Insurance Board at 1110 San Jacin-

to, Austin, Texas 78701, to determine whether the mail order offer is from a company licensed to sell insurance in Texas and whether the company is financially sound.

I chose a dependable Frigidaire dryer

Because of these outstanding features:

- Huge 240 square inch opening makes it easier to load and unload . . . and to see inside.
- Flowing Heat . . . fast, gentle drying with no hot spots. It surrounds each tumbling piece with even controlled heat. Everything comes out soft and fluffy.
- Permanent Press Care setting helps prevent wrinkles and saves ironing with an automatic cool down period at the end of each cycle.

Visit WTU and pick up your free "Fabric Care" book. It's great! Frigidaire appliances are available at WTU on Reddy Credit — ask for details.

WHAT COSTS LESS NOW THAN IN 1962?

The average cost of a kilowatt hour of electricity used by a residential customer served by WTU costs 15% less NOW than it did ten years ago.

Mrs. C. P. Richmond Turkey Lions Club Enjoys Visit

Mrs. C. P. Richmond accompanied Mr. and Mrs. Pete Rice when they went to market in Dallas Saturday, September 30. Her brother and his wife, Mr. and Mrs. E. C. Carter, met her and took her to Wills Point where she visited them until Sunday afternoon. They took her back to Dallas and she visited a niece and family. A nephew from California and a nephew from Houston met her there for a visit. She had not seen either of them in 12 years.

Mrs. Richmond accompanied her nephew, Richard Carter, to his home in Houston and spent several days there. He took her to Galveston where they saw many interesting sights, including the ocean. She took the ferry ride across Galveston Bay (17 miles) and back. They walked down the beach and picked up pretty sea shells. They saw the San Jacinto Monument, Battleship Texas, beautiful palm trees and the beautiful historic buildings in Galveston. She saw the women prisoners working as she and her nephew were enroute to Houston. She saw the Astrodome in Houston, the hospitals and many other beautiful sights.

On Saturday, October 14, her nephew took her to San Antonio to visit her brother and wife, Mr. and Mrs. Jack Carter. On Monday they took Mrs. Richmond sight-seeing there. They drove to Austin and saw the Capitol building, went through the Hall of Horns, the Lone Star Brewery, and saw many interesting things there. She saw a chair made of horns for Teddy Roosevelt when he was there. She also saw a banana tree. October 26, Mrs. Jack Carter took Mrs. Richmond to the airport where she explained on a jet for Lubbock. It was raining when they left San Antonio and they had only been in the air a

about 25 minutes when Mrs. Richmond began to feel ill. The stewardess came through and asked all the passengers to fasten their seat belts because they were coming into turbulent weather. They had to climb above the clouds and Mrs. Richmond became very ill, suffering from high blood pressure. The doctor aboard and four stewardesses cared for Mrs. Richmond until they landed at Midland where they were grounded until the clouds lifted. The doctor called Jimmy Monk, Mrs. Richmond's grandson in Lubbock, and told him his grandmother was unable to fly or even ride the bus to Lubbock. Jimmy and his wife drove to Midland and brought her back to Quitaque by car.

Mrs. Richmond reports this was the most wonderful trip she has ever taken, that she saw more of the beautiful Texas than she had ever imagined being able to see. Although she became ill, she plans to fly again. She hopes it can be next year. She was gone 27 days.

The Turkey Lions Club held its regular meeting Tuesday, November 14, 1972 at noon at Lane's Restaurant.

The meeting was called to order by the Boss Lion, Roy Patterson, and the invocation was given by Lion Lee Vardy. The pledge of allegiance was led by Lion Byron Young.

Minutes of the directors' meeting were read and approved. Some of the projects that the Turkey Lions plan are: Pledge \$50.00 to the Turkey Christmas Lighting and \$100.00 to the Industrial Committee.

The Texas Lion newsletter said the Turkey Lions Club is 100% in membership in the Hi Plains Eye Bank. Turkey is one of the few clubs in the Panhandle in which all of the members have paid their dues to the eye bank. The Turkey Lions Club will have their annual broom sale Saturday, November 18 in front of the Peoples State Bank from 9:00 a.m. until noon. Anyone who needs a broom or mop, please stop by.

The Lions Clubs of District 2-T1 are asking for, and need, your help this Christmas. They are sponsoring the much needed Girlstown Christmas Fund, and they need your donations in order to buy each of the 140 girls a new coat and pair of shoes for Christmas. Their objective is to raise \$50.00 for each girl, and you can help by sending your contributions to Girlstown USA, P. O. Box 1207,

Amarillo, Texas 79105 or to Girlstown USA, Box 761, Hereford, Texas 79045.

This year's honorary co-chairmen of the Girlstown Christmas Fund are Lee Webb, KFDD-TV; Judy Davis, KVII-TV, and Royce Bodiford, KGNC Radio and TV. Give a gift of warmth and joy to the girls of Girlstown USA this Christmas—let them know someone cares. Now is the time to reach down into your heart and give to Girlstown USA by mailing your donation. The Turkey Lions have given \$50.00 to Girlstown. The Lions Club asks all the people of Turkey to contribute something to this cause.

Arville Setliff won the "Pot of Gold," but didn't get it because he was not there.

The District Governor of District 2-T1, Raymond White from Hereford, made his official visit to the Turkey Lions Club on November 14. Gov. White made a very good speech about Lionism and said to be a Lion served three personal purposes in life: 1. Service to others, 2. Apply the Christian principle of helping the community, 3. Give each Lion a sense of usefulness. He asked members to have a lot of enthusiasm about the club's projects in order to make them a success.

The meeting was closed by Boss Lion Roy Patterson.
