Joe Degan Bitten By Rattlesnake

Joe Degan of Flomot was bitten by a rattlesnake Thursday of last week while plowing in his fields.

The weeds had piled up on the plow and Mr. Degan had gotten down off the tractor to pull the weeds off by hand and the snake struck him on his first finger of the right hand. He tore a piece off his shirt and made a tourniquet for his arm, got back on the tractor and started toward his son, Stanley, who was nearby, waving for his son to come to him.

Stanley came to his father, took him to the house and he and his mother put Mr. Degan into the car and rushed him to Paducah to the doctor.

Mr. Degan came home Sunday and, according to reports has recovered remarkably well. Mr. Degan thinks that perhaps the snake had fought the weeds and spent part of his venom before striking him.

REV. JIM WILLIAMS TRANSFERS TO NORTH TEXAS CONFERENCE

The Rev. Jim Williams of the United Methodist Church of Quitaque has been transferred to the North Texas Conference and will be located at Wichita Falls. More details will appear in this newspaper at a later date.

BARRY LANE SCORES HIGHEST MARK IN ARMY TESTS

FORT BLISS, TEX. (AHTNC) — Army Private Barry C. Lane, son of Mr. and Mrs. Elton T. Lane of Turkey, was high scorer on the proficiency test held at the end of his company's basic training at Ft. Bliss Tex., August 8.

The test, based on skills he was taught during his eight weeks of training, included hand-to-hand combat, use of the bayonet, drill, first-aid, squad tactics and written examinations.

Victor T. Hall Buried Sunday

Victor T. Hall, 80, of Levelland, a former resident of Quitaque, died at 8:30 a. m. last Saturday in Methodist Hospital at Lubbock after a long illness. He had been hospitalized three weeks.

Funeral services were held at 3 p. m. Sunday in the First United Methodist Church of Levelland with the Rev. C. M. Ryan, pastor of the First United Church at Abernathy, and the Rev. U. S. Sherrill, officiating. Burial was in Levelland Cemetery.

He was born August 13, 1889 in Arkansas. He farmed at Quitaque and was also an automobile dealer here before moving to Levelland in 1950. He farmed in Levelland until his retirement.

Mr. Hall was a member of the Methodist Church. Mrs. Hall died July 15 of this year.

Survivors include seven sons, Vaughn of Quitaque, Wayne of Taft, Calif., Robert of Glendale, Calif., Jim of Palm Desert, Calif., Jack of Albuquerque, N. M., and Dan of New Orleans, La.; a daughter, Mrs. Gid Adkisson of Abernathy; a sister, Mrs. J. R. Self, of Portales, N. M.; and 21 grandchildren.

Palbearers were Gary Elliott, Raymond Gunn, Don Tugwell, Eddie Paxton, Paul Hamilton and E. J. Hamilton.

Those attending the First Sunday Singing held at Lockney last Sunday were Mr. and Mrs. Ralph Carter, Mrs. Leroy Hamilton, Mrs. Joe Woodruff, Mrs. W. E. Morrison and Miss Ina Bradshaw.

Mr. and Mrs. Ralph Carter and Mr. and Mrs. Shorty Woods spent Tuesday afternoon in Amarillo and attended the Ice Capades that night.

U. S. TREASURY COMMENDS TURKEY POSTMASTER

WASHINGTON — Postmaster Jim Majors of Turkey today received commendations from Elmer L. Rustad, National Director of the U. S. Savings Bond Division of the Department of the Treasury, for his outstanding service to the School Savings Program.

In his letter to the Postmaster, Mr. Rustad said, "You are indeed an important ally as we work together to promote the sale of U. S. Savings Bonds and Stamps. We are again counting on your leadership in creating widespread acceptance of the program throughout your community."

Many of the schools in our area offer School Savings, as part of the nationwide U. S. Savings Bonds Program. Savings Stamps are available in five denominations, from 10 cents to \$5, and are on sale at all times in Post Offices and on Stamp Days in the schools.

Pupils are provided stamp albums at no cost and, when they are filled, the albums of Savings Stamps may be exchanged for Savings Bonds at the family bank.

Postmaster Majors said, "My associates and I are pleased and proud to continue this service to the young people of our community. The School Savings Program has been teaching thrift and good citizenship to our youngsters for 28 years. I know of no better way to encourage them to get started with the savings habit."

Turks Try Cowboys In Season's First Game

Turkey High School's 1969 model Turks kickoff another season of football Friday night when they journey to Happy to take on traditional first-game Cowboys.

The Turks go with high hopes of reversing a pretty good licking administered by Happy in last season's opener, which the Cowboys won by a rather lopsided score.

Coach U. F. Coker and new assistant Coach Bill Bogan have 17 lettermen back from last year's team, winners of two contests, and that record should be improved upon. Only three were lost from last year's squad. In addition to having a good bunch of his starters back, Coach Coker will field a team with a bit more beef than last year since most of the boys have put on weight since last year.

Defensively, the Turks lineup will boast an all-stater in David Lane who was selected on the all-state second team last fall as a linebacker. He will play middle linebacker this year on defense and according to Coach Coker, will weigh 180 or 15 pounds more than last year.

Leonard Carlile, a starter at tackle last year at 190 now tips the scales at 220. Ike Ferguson, who weighed 185 as a freshman, now weighs 200 and several of others have gained good weight.

Directing the offense this year at quarterback will be Rod Setliff a two year letterman. Setliff played end last year.

The Cowboys lost 11 from their squad last spring, 8 of them starters, including Zeke Frost

DARREL PAYNE SUFFERS BROKEN FOOT WHILE AT WORK LAST WEEK

Darrell Payne suffered a broken right foot Thursday of last week when a hydraulic jack fell and allowed a piece of machinery to fall on his foot while working on the railroad near Petersburg.

He was carried to Plainview Hospital & Clinic where he remained until Saturday.

NAME THAT CAFE!

Mr. and Mrs. Harold Lane are seeking a name for their new cafe, soon to be opened in Turkey and they are asking their customers and friends to help select a name for the new cafe.

A box will be placed in the Busy Bee Cafe and you may drop your selection in the box, and the one whose name is selected by the Lanes will receive a free dinner.

QUITAQUE P-TA HAS SOME BIRTHDAY CALENDARS LEFT

The Quitaque P-TA has 50 or 60 birthday calendars left and they have been left at Sportsman Cafe, Merrell Food, City Grocery Wilma's Grocery, and Morrison Drug and Gifts, for the convenience of those who might like to have one. The calendars include birth dates, wedding anniversaries and school activities.

They will make excellent gifts which will be especially appreciated by former residents of Quitaque. They sell for \$1.00.

If you live in town and would like to have one delivered to you call Mrs. Walter Taylor at phone 3031, or Mrs. Buster Chadwick at phone 2081, and they will deliver one to you.

If you live out of town and would like to have one of the calendars write to Mrs. Taylor and she will mail one to you. Her address is Box 244.

ATTENDS C. A. RALLY AT MEMPHIS MONDAY

A group from the Quitaque Assembly of God Church attended a C. A. Rally in Memphis Monday night. Those attending were Rev. and Mrs. James Smith, Mr. and Mrs. Dwight Smith and baby, Mr. and Mrs. Jesse Lambright and baby, Mr. and Mrs. Odis Reagan and Eva Gail, Mr. and Mrs. Hubert Dudley, Cecil Rice and Zeldon.

MRS. CHANDLER HONORED ON 83rd BIRTHDAY

Mrs. Leon McCracken honored her mother, Mrs. J. E. Chandler, with a dinner on her 83rd birthday anniversary at noon, Tuesday, September 9. Those present to help her enjoy the occasion and wish her well were Mrs. J. A. Taylor, Mrs. J. T. Bradley, Mrs. Daisy Bedwell, and Mary Ellen McCracken. Mrs. Ida Skelton came for Mrs. Bedwell and visited for awhile.

NEW ARRIVALS —

Twin boys were born September 1st to Mr. and Mrs. John Hogue of Seymour. They weighed about 4 lbs. each and they were named John Dean and Robert Scott. Grandparents are Mr. and Mrs. O. R. Hogue of Turkey and Mr. and Mrs. Elton Scott of Seymour. Great-grandparents are Mr. and Mrs. John James of Turkey.

NEW ARRIVAL —

Mr. and Mrs. Pete Peery of Seymour announce the arrival of a baby girl, Laura Renee, born Monday, September 2.

The young lady weighed 6 lbs. 2 ozs.

Grandparents are Mr. and Mrs. Johnny Peery and Mr. and Mrs. J. T. Standfield of Turkey. The great-grandparents are Mrs. Sam Peery of Turkey, Mr. C. L. Crain of Childress, and W. B. Veck of Wedgewood.

Revival Starts Sunday At Turkey First Baptist Church

Revival services will be held at the First Baptist Church at Turkey, beginning Sunday, September 14 and continuing thru the following Sunday, September 21, pastor Charles Harris has announced.

Services will be held twice each day, at 7:00 a. m. and 8:00 p. m. on the week days, and at 11:00 a. m. and 7:00 p. m. on Sundays.

The Rev. Tom Reynolds from Kansas City, Mo. will be the evangelist for the revival and Tommy Keener of Tulla will lead the singing during the eight day meeting.

The Rev. Reynolds is pastor of the William Jewel Baptist Church in Kansas City. He is a graduate of Wayland Baptist College in Plainview, has represented Texas Alcohol, Narcotics Education, Inc., served as pastor of Northside Baptist Church in Dimmitt, and served also as

pastor of Seth Ward Baptist Church in Plainview. Reynolds is the father of two children, and is presently in his second year at Midwestern Baptist Theological Seminary at Kansas City.

Tommy Keener is presently employed as a teacher in the Tulla school system, and he often spends his spare time directing music in revivals in the area. The First Baptist Church in Quitaque used him for their summer revival. Presently, Mr. Keener, his wife, and their 3 children are active members of First Baptist Church of Tulla.

Sunday night, September 14, a forty-minute color film titled "The Gospel Blimp" will be shown at 6:00 p. m. and all are invited to attend. After the evening service at seven o'clock, a youth fellowship is planned.

A cordial invitation is extended to everyone to attend any or all services of the revival.

The forty-minute color movie, "The Gospel Blimp," will help kick-off an eight-day revival at the First Baptist Church in Turkey. This unique film will be seen during the training Union hour at 6:00 p. m. this Sunday, September 14.

When the Blimp flies over Middletown and dumps a hamper full of firebomb tracts on an unsuspecting town, the fun is on. Despite the best intentions of a group to evangelize their neighbors, everything goes haywire in a rollicking series of misadventures. And underlying the wry humor of the whole situation is a lesson in Christian witnessing you will never forget. The incredible ups and downs of the "Gospel Blimp" add up to forty delightful minutes for everyone in the family.

Everyone is invited to attend this showing of "The Gospel Blimp" and remain for the seven o'clock revival service.

1970 Wheat Program Explained

Secretary of Agriculture Clifford M. Hardin announced recently a 1970 wheat program aimed at strengthening the U. S. position in world markets and at continuing the effort to bring wheat production into line with needs.

A farmer can become a wheat program cooperator in exactly the same way as in the 1969 program. He will need to sign up in the program; remain within

his allotment (unless overplanting or substitution options are used); devote to conserving use an acreage equal to 30.3% of his 1970 allotment (the approximate difference between the 1968 and 1970 allotments), as well as the acreage diveted for payment, and the acreage represented as normal conserving base. He needs also to remain within his acreage allotment for other allotment crops on the farm, and within the permitted wheat acreage on

any other farm in which he holds an interest.

The 1970 program has five important features:

1. The national average price-support loan level will be \$1.25 per bushel. Unchanged from recent years, this level is being maintained in an effort to achieve maximum utilization of wheat through increased exports and continued large livestock feed use.
2. A diversion program at the maximum payment rate of 50% of county loan rates is aimed at avoiding production of 80 to 90 million bushels of unneeded wheat. This feature will allow producers to tailor their plantings by diverting up to one-half of their acreage allotments while maintaining incomes through diversion payments.

3. The national wheat acreage allotment of 45.5 million acres is designed to reduce stock and reverse the three - year upward trend in carryover levels. This is a 12% reduction from the 1969 national allotment of 51.6 million acres.

4. Wheat marketing certificates will be paid on 48% of the projected production on the allotted acres of participating producers. For 1969, certificates at a record \$1.52 per bushel are being paid on 43% of projected production. They are adding more than \$800 million to the farm value of wheat. Payments per bushel reflecting the difference between wheat parity on July 1, 1970, and the average loan rate announced today will be as high or higher for the 1970 crop.

5. The option under which a producer can substitute the planting of wheat for feed grains or feed grains for wheat in any combination will be available. This increases farm efficiency by providing producers the flexibility of adjusting acreages to field sizes and to producing the more suitable crop for their particular operations.

Other features of the 1970 wheat program will be much the same as those for the 1969 crop.

Whether barley will be included in the feed grain program in 1970 will be determined and announced later. However required diversion for barley as a condition of substitution, under any circumstance will be identical to the qualifying minimum acreage diversion required for feed grain program participation.

Small allotment farms with 1970 allotments 19.2 acres or less will be able to divert the entire allotment for payment. Payment will depend on diverted acreage being put to conserving or other specified use.

Payments would be subject to any limitations that might be required by Congress in the Department of Agriculture appropriations.

All around the world they marvel at American industry. Factory chimneys send great clouds of smoke skyward as we produce more and still more. There seems to be no end to man's progress, whether here on earth or out in the vast mystery of space.

In spite of all we do, there is still so much that we cannot do. For all our power, we are still frail and vulnerable. God has given us many capabilities, but we were never meant to "go it" entirely alone. To think that we need nothing beyond ourselves is not self-confidence—it is brashness.

There are moments when we all need to look into a special kind of mirror, by which we may re-examine our lives. Such a mirror may be found in church where God's word, if we really listen to it, can help show us the truth.

Why not go and listen in your church next Sunday?

Mrs. Scott Bolton and Mrs. Joe Woodruff visited Mrs. W. W. Ferguson Monday afternoon. The ladies also visited at the nursing home at Lockney one day last week.

Scott Bolton was in Silverton on business Monday of this week.

Mrs. Leroy Hamilton and Mrs.

Joe Woodruff were in Tulla Tuesday on dental appointments. Mrs. F. Payne, Mrs. Joe Edd Price and Mrs. Hubert Dudley were in Plainview Monday. They visited at the Heritage Home before returning home.

Mrs. Jarrell Rice and children, Nadine and Walter Jarrell, visited her parents, Mr. and Mrs. Sam Sanders, in Hedley Tuesday.

Mr. and Mrs. Richard Irby of

Lubbock visited his parents, Mr. and Mrs. J. R. Irby over the weekend.

TOPS CLUB HAS REGULAR MEETING

The TOPS Club has been able to keep its membership up this summer. Thirteen members attended almost every meeting and two new members joined this summer. They were Pam Williams and Mrs. Faye Dudley. The ladies are doing real well. Three members are in KIW and one KOPS. All plan to work real hard this fall, so if you want to be thinner, join TOPS!

Mrs. Deanna Harris is the new leader for TOPS. It was voted to start meeting at 7:00 p. m. on Thursdays now as the days are getting shorter. A contest has been going on between this club and the Flomot TOPS Club this summer and we are hoping to win! Join us, won't you?

Mr. and Mrs. H. L. Gipson of Amarillo, Mr. and Mrs. Tim Forest and girls of Amarillo, Mrs. Preston Moseley, Rickey, Ann and Paul, Mrs. Sonny Mullin, Dan, Mr. and Mrs. Hubert Price and family, Mrs. Fred Lacy, Mrs. Jack Holcomb, and Leon Lane were all dinner guests Sunday at the Jack Lacy home.

Eliminating Big—But Little-Known—Killer

"The cheapest type of insurance against death from pulmonary disease — which will kill about 50,000 hospitalized Americans this year — is an inexpensive pair of elastic stockings," Dr. Thomas Sellett, director of clinical research for the Kendall Company, said recently.

The average person knows little about this killer, the doctor explained; and it is often confused with simple heart failure.

"Pulmonary disease kills in the lungs — but it starts in the legs," the doctor said. "Most of the victims are hospitalized persons. Their inactivity, plus the primary cause of the hospitalization, slows their blood circulation, and clots often begin to form on the walls of the veins in the fleshy part of the lower leg."

"When these clots break loose and travel to the smaller veins in the lungs, circulation is often halted completely, killing the patient," Dr. Sellett explained.

Compression Prevents Clotting
"A simple, well-researched method of prevention is to apply T.E.D. elastic stockings to any hospitalized patient, as is done routinely in many American hospitals. The compression of the T.E.D. stockings accelerates the flow of blood through the veins, preventing clots from forming. It is as simple as that."

"Tragically, most of the 50,000 people who will die of the disease this year — and next — will not be wearing the stockings because this precaution had not been taken," according to the doctor.

The manufacture of T.E.D. stockings — and their rapid acceptance by many doctors and hospitals — began with a research project in 1952 at Massachusetts Memorial Hospital and the Boston University School of Medicine. sup-

ported in part by a grant from the Hospital Products Division of the Kendall Company, makers of T.E.D. stockings.

In that study, doctors tested a group of 5,426 patients, half of whom wore T.E.D. stockings, and half of whom — the "control" group — wore a non-elastic stocking. There were no deaths from pulmonary disease in the group wearing the T.E.D. stockings, while four persons in the control group died of the disease.

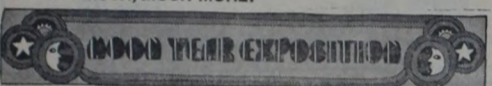

In the control group also, 12 persons suffered a non-fatal pulmonary embolism, while only two of those wearing the elastic stockings had such embolisms.

Growing Use in Hospitals
Many doctors, thankful that such a simple and economic procedure can effectively combat a major cause of death in hospitals, are now prescribing these elastic stockings for all of their hospitalized adult patients. A swiftly-growing number of hospitals in America, now numbering about 15 per cent of all hospitals, now make the use of such stockings mandatory for all adult patients — including the hospital where the first research into the problem produced such effective results, according to Kendall officials.

The newest T.E.D. stockings are made of seamless nylon, precision-knitted and engineered to provide graduated encircling compression from ankle to knee.

A COMMUNITY INSTITUTION

Have you ever thought what it would be like to live in a community without a Drug Store? In addition to its function as a prescription pharmacy, your Drug Store carries a large selection of convenient merchandise. Business hours are usually longer than other stores, so many times in those cases where you have forgotten to get certain items elsewhere, it is just natural to say, "I'll get it at the Drug Store."

LOCAL BRIEFS

Mr. and Mrs. Olen Lane and Leigh Ann of Van Horn came to spend the weekend in Turkey with his parents, Mr. and Mrs. Luke Lane. They came by Plainview and picked up her mother, Mrs. George Owens and brought her to Quitaque, where she stayed until Sunday morning, when she returned to Plainview with the Lanes, who drove on to their home at Van Horn.

MR. AND MRS. B. K. HAMILTON ARE MOVING AWAY

Mr. and Mrs. B. K. Hamilton, who are moving away from Quitaque, and other members of the Hamilton family got together for a picnic at the roadside park Friday night of last week. Those enjoying hamburgers with all the trimmings, plus homemade cream were the honorees, Mr. and Mrs. B. K. Hamilton, Mr. and Mrs. George Setliff, Mr. and Mrs. Keltz Garrison of Plainview, Mr. and Mrs. N. V. Hamilton, and Mr. and Mrs. David Setliff and boys.

Mr. and Mrs. Solon Owens and son Jim Owens, attended a relative reunion last weekend at Jim Ned, which is located about 25 miles southeast of Abilene. They report a very enjoyable get-together, telling stories of the past, and visiting relatives not seen for many years.

LOYD HULSEY FAMILY HAS MOVED TO HEREFORD

Mr. and Mrs. Loyd Hulsey and girls moved to Hereford last week. Loyd stated that he hated to leave Quitaque but his work was so slack here in the winter months that he had to seek other employment.

Mr. and Mrs. Jesse Lambright, daughter and son-in-law of the Rev. and Mrs. James Smith, and their two year old son, Rodney, have moved into the Loyd Hulsey house. Mr. Lambright has just received his discharge from the Army after three years of service. He is employed at the Weldon Hall Garage.

Another family here at the present is Sgt. and Mrs. Dwight Smith, son and daughter-in-law of the Rev. and Mrs. James Smith, and their 9 months old baby girl, Christie, who are visiting his parents and he is helping his father at the welding shop. Sgt. Smith is on furlough from Laredo Air Force Base for 30 days. The Tribune welcomes both these families to the community.

The Gaston Owens attended a Vaughan family reunion in Silverton Saturday night with 77 present to enjoy a bountiful meal and fellowship. The meal was spread in the building of Homer Stephens, for-

merly occupied by Ford Motor Co. After everyone had eaten all they could hold, there was still so much food left, it hardly looked touched.

Mr. and Mrs. Gene Vaughan were hosts Sunday for another family dinner with 23 present. Saturday night's crowd was

the largest gettogether for the family since Grandma Vaughan passed away in 1957. The only living member of the original Vaughan family, and his wife, Mr. and Mrs. C. R. Vaughan of Santa Barbara, Calif. have been here the past ten days visiting. He is 79 years of age.
