THEN & NOW!

by Eunice McFall

Where are your priorities? What are your priorities? Who are your priorities? When do you choose your priorities? How do you choose your priorities?

Priorities are a major item in all of our rushed lives--there are simply not enough hours in the day to accomplish everything that life has to offer so that's where the choices begin. Every area of our lives, business, personal, church, family, civic or whatever we choose to become involved in.

The who of our priorities is a little more complicated as so many of the people in our lives are so very important to us that a choice of one over the other is almost an impossibility. All I can offer on the who of priorities is to choose the person that needs you the most at that particular moment in time--be it family, friend, stranger or neighbor.

What are our priorities--the choices here are a thousand-fold. Just think of the thousands of choices in a grocery store and you will get a small inkling of how many choices are offered each day to us--to choose the right companions, or the wrong ones, to choose the popular road to travel or to choose the rough and unpopular route, to follow our instinct for doing what is best--This too involves priorities already made.

So you see the who, what and when all tie together and the priorities are yours to choose and the consequences are yours to face after you "put your priorities in order."

How we choose the priorities in our lives are really as many and as varied as there are humans. Because we are individuals, not just a flock of sheep to passively follow the leader, the choice you make should be right for you even if your fellow man thinks you made a wrong turn--if you feel truly good about your how, when, where, what and who choice--Go for it!!

If you have a few hours of free time, offer your services to the new library now forming in Quitaque.

Be sure to give blood in the Lions Coffee Memorial Blood Drive Thursday, September 26, 1991 in Turkey and Quitaque.

Caprock Public Library Moves Toward October 1 Opening

Progress continues on preparing Caprock Public Library for opening. A librarian, Arlene Purcell Hinkle, has been hired and will begin work October 1. Arlene and her husband, Bob, will be locating here soon. She has a varied experience garnered from Bob's years in the military. Her warm personality and genuine enthusiasm will make the atmosphere at the library inviting.

Several of the legion of Caprock volunteers received training in the Dewey Decimal System and the Card Catalogue

recently. Mary Kay Wells, Texas Panhandle Library System Coordinator, spent three days with the group to prepare them for the arduous task of cataloguing each volume of the several thousand donated books the library has received. These faithful volunteers are really working hard. Their dedication insures the maintaining of quality at Caprock Public Library.

Each donation to the library is greatly appreciated. There is great value in books. Some books do not fit the collection at the library, however. This could be

for one or more of many reasons. For instance, more volumes of a given book might be received than are needed, the book might be in ill repair, it may be damaged by mildew, and there is a limited space allotted for certain literary types. Plans are to include such books in a book sale during the Caprock Country Christmas in December.

The Caprock Public Library Advisory Board is anxious for the library to open its doors. The building is being well prepared, shelving construction is going on, books are being catalogued and properly cross-referenced, the librarian has been hired, a great group of volunteers continues to work, and long range planning is going on. When the library opens in the near future, it will be a facility patrons will enjoy and be proud of.

October 14 Set For Candy Sale By Turkey Lions

by Shannon Wiginton

The Turkey Lions Club held their regular meeting Monday night, September 23. Boss Lion Keith Green opened the meeting. A delicious meal was served by Lions cook Guyretta Clinton.

Lion secretary, Melvin Clinton gave a reading of the minutes and a treasurer's report. Lions Don Turner and Ray Whitaker volunteered to set up tables for the Coffee Memorial Blood Drive Thursday, September 26 from 3-6 p.m. at the Bob Wills Center. All Lions and their families are encouraged to donate blood and give "the gift of life."

Turkey Lions plan to sell Halloween candy Monday night, October 14 door to door. Funds raised by this sale will help to buy glasses for school children and to give a hamburger supper for the Valley School honor students.

Turkey Lions will in the future hold their meeting on the second and fourth Monday nights at seven. Meeting was adjourned.

Johnnie Morrison Named This Week's "Volunteer"

Not only do we have men who serve in our community, but lots of women spend many hours doing volunteer work for the many projects that come up in our small towns. Projects that would never be finished if it was not for the "volunteers."

One such lady is Johnnie Morrison. Johnnie currently is very involved in helping publish the second Briscoe County History Book, "Footprints in Time." This occupation along with helping members of her family who have been ill have made this year a busy one for Johnnie.

In the past she has been a promoter of the bazaars that "We The Women" held to help furnish the community center. She was one of the women appointed to a committee to begin the restoration of the old hospital building into the Quitaque Community Center. Out of this committee grew the present day organization "We The Women." She has served as president of this organization.

Johnnie has spent many hours working on the sidewalk museum. For 17 years she has helped put on a Mother's Day luncheon for ladies alone to help them enjoy Mother's Day. Being very active in her church she has helped with their honoring the seniors the past few years.

She serves as secretary-treasurer of the Quitaque Cemetery Association. She is a member-at-large of the Quitaque Chamber of Commerce. Her hands are always busy when the time for Caprock Country Christmas rolls around.

In the past Johnny and her husband Murry Morrison have had a grocery store, a drug store and she has worked at Farley's Flowers. She was active in school functions when her children were in school.

Briscoe 4-H Members Show Capons At South Plains Fair

Briscoe County was well represented in the Capon Show at the South Plains Fair in Lubbock. The show and competition took place on Sunday, September 22, at the fair grounds.

Briscoe County 4-H'ers entering Capons were: Mandy Pigg, Josh Brooks, Jeremiah Brooks,

the Gasoline Homecoming, the Quitaque Homecoming and their family reunions. In 1984 she was Quitaque's homecoming queen. She and Murry have belonged to a 42 club for 10 years.

When We The Women put out their homecoming paper in 1984, Johnnie spent much time organizing materials for this publication.

Johnnie was born here and has lived in this area all of her life. Murry and Johnnie have three sons, Murry Wayne, Lubbock; Joe, Canyon; Bo, Quitaque and a daughter Neva Dale Speirs, Clarendon; six grandchildren and five great grandchildren; two sisters, residing in Quitaque, Ruby Cushmanberry and Era Heckerson, one sister and brother at Dimmitt, Neva Hickey and Bailey Eddleman, a brother Bryant Eddleman of Silverton; and W. C. Eddleman of California.

Johnnie's mother was called "Big Mama." Johnnie's grandchildren also call her "Big Mama."

Johnnie's latest endeavor is to promote a gathering of the class she attended school with.

Without the Johnnie's of this world much would be left undone!

Briana Sperry, Will Sperry, George Pigg, Jarrett Pigg, Jamie Pigg, Mary Elizabeth Pigg, Wynter Smith, and Tracy Guest, and Molly Brooks.

Tracy Guest was awarded the Grand Champion Capon. Reserve Champion Capon went to Mary Elizabeth Pigg.

School Board Sets Tax Rate For Local ISD

For Local ISD

The Turkey-Quitaque I.S.D. board of trustees during a called meeting Monday, September 23 at 8 p.m. by a 3-2 vote decided to set a tax rate of 14.5 cents per \$100 valuation for the 1991-92 school year.

The setting of a tax rate for the 1991-92 school year has been made even more complex due to the addition of the County Education District and other state mandates. This rate will keep total local tax receipts comparable to last year's and state allocations similar to last year's allocations. This was an extremely difficult decision for the board. If there are any questions feel free to contact Jerry Smith at Valley School.

CARD OF THANKS

I want to thank the people of First Baptist Church, First Methodist Church, the Sunday School Classes and each individual who remembered me with cards, and especially with your prayers. I have always depended on prayer, but there comes a time when all you can say is "God be with me." Thanks to Brother Rob for being there. I am thankful for the physician and I feel I will soon be well again.
 May God bless each of you.

Those who are parents of young children must now confront the tasks involved in getting them ready for the new school year which is approaching. In addition to clothes, eye examinations and a refresher course in discipline, unfortunately one more preparation is needed in today's world. In light of all the recent horror stories about kidnapping and other dreadful crimes perpetrated against children, be sure yours are safe. You must caution them to beware of strangers who might offer them a ride or some candy, and encourage them to tell you of any unusual occurrence. However, your children should be taught common sense and discretion without the trauma of unnecessary fear. Your house of worship can help guide you in this, along with its Sunday school, which can balance your warning with the faith in God that they will need right now; as well as all the rest of their lives.

"The most important thing that parents can teach their children is how to get along without them."

Many households are quite diversified these days in the lifestyles and interests of the members, as well as in the biological sense because of step-children and half-brothers and sisters living under one roof. Indeed, many families find it hard to remember the last time they all had dinner together. Some of this is unavoidable, as in the case of a father who must travel on business or a mother involved in committee work for a worthy cause. However, the family members should make an effort to be together whenever possible, to discuss problems or just to have some kind of fun that spans the generation gap. Moreover, they should attend their House of Worship regularly, for this will help to cement the bonds. The family circle should be an unbroken one; a center of love and a haven of refuge from the outside world.

"Behold, how good and how pleasant it is for brethren to dwell together in unity."

Valley JV Defeats Miami 47 To 19

by Coach Browning

After remembering last years 50 to 0 loss our defense set the tone for the game on the 3rd play from scrimmage when Josh Scoggins had a smashing hit on their quarterback forcing a fumble and stopping him short of the first down. This was the BIG HIT of the night. Our defense played hard nosed football holding them to 179 total yards with one interception and one fumble recovery. Our kids played with a lot of emotion and there was several tough hits.

On offense we started slow but we finished with a flurry. After we figured out their defense we were able to move the ball on the ground and through the air. We ran for 242 yards lead by Josh Scoggins' 119 yards and Rolie Castillo's 88 yards. We threw for 133 yards, Ricky Hughes was 6 out of 14 and Donnie Calvert had 4 receptions for 109 yards. We did a good job executing our offense most of the game.

We still make some mistakes but we are a young team and they are working hard to improve and get even better. We were pleased with our team effort and with the way we hit and blocked last week. We play Lazbuddie at Lazbuddie Thursday at 6:30. Scoring Summary Below:
 1) Ricky Hughes 14 yard pass to Donnie Calvert (PAT No Good)
 2) Hughes 34 yard pass to Calvert (PAT Hughes pass to Bubba Powell)
 3) Hughes 16 yard pass to Calvert (PAT No Good)
 4) Josh Scoggins 4 yard run (PAT Alfie Clardy Kick was Good)
 4) Rolie Castillo 3 yard run (PAT No Good)
 6) Scoggins 49 yard run (PAT Clardy Kick was Good)
 7) Hughes 45 yard pass to Calvert (PAT No Good)

Where There's A Will There's An A

A Chapter 1 and Migrant meeting will be held at 7:30 p.m., Tuesday, October 1st. We will be meeting in the Valley Cafetorium. "Where There's A Will There's An A" will be shown. This video will help you help your child.

Many of our students made good progress last year and one of the main reasons for this progress was your interest in and support of your child.

Please try to come and learn new ways to help your children. Each child who has a parent attend this meeting will be eligible for a free library book.

News From The First Grade At Valley

by Miss Johnson & Miss Barrett

We have now completed our first six weeks. We are very busy working on beginning and endings sounds. We are working in Bells. One of our favorite stories is "Come in, Boo." Boo is one of our main characters in our reading series. We are also learning sight words daily.

Mrs. Calvert is helping us with Write to Read. Several of us are on book 7. The words to be worked on in WTR are zipper, straw, and smoke.

Mrs. Mullin is working with us in the library. We try to read at least one library book a day in the room.

Some of our book making skills involve making sentences and ending the sentences with periods, question marks, or exclamation marks.

Miss Barrett has several interesting art projects planned, please help!

Please send: coffee cans with lids, box of baking soda (Small), several baby food jars with lids.

Thank You,
Miss Johnson
