Valley vs. Higgins

## Patriots Rush Over Coyotes In Second Half Friday Night

by Coach Gilmore  
The Valley Patriots produced over 550 yards of offense against the Higgins Coyotes and came away with their first win of the season 72-36.

Valley running backs Clay Edward (282 yards on 16 tries 6 TD) and Kirk Garner (210 yards on 18 tries and 4 TDs) ran through huge holes opened up by the pumped-up line of Cory Pointer, Tommy Pinkerton and Chad Powell. Valley was also able to put the ball in the air as QB Bradley Price went 4-4-62 yards and 2 TD's the first went to Chad Powell. A great pass equalled by a great catch resulted in the score.

Price also hit Edward on a 27 yard TD. The kicking was a little off but did produce some points

as Chad Calvert hit 3 out of 11 extra point attempts for 6 points. On defense Bradley Price and Bubba Clardy lead the charge with 7 unassisted tackles each. Jason Smith was close behind with 6 but also had 2 interceptions. Cory Pointer also had a good night on defense with 4

### Officers Elected

Hall County Picnic met recently to elect officers and directors for 1991.

Sonny Byars was elected president; Jimmy Bownds, first vice president; Brad Byars, second vice president.

Directors from Turkey are W.H. House, 3 year term; Curtis Scrivner, 2 year term; and Marjorie Bell, one year term.

unassisted and 10 assisted tackles and one fumble recovery.

Valley will face a tough Miami team Friday, September 28 at Patriot Field in Valley at 7:30. The Valley Junior High game with Lazbuddie will start at 5 p.m. as originally scheduled Thursday at Valley with the JV following.

### Tax Meeting

Thursday, September 20, 1990 at 9:10 a.m. the Briscoe County Commissioners met in the county court room.

Purpose of the meeting was to inform the public of the proposed tax increase.

Commissioners, Jack Chandler, Aaron Younger, L. B. Garvin, Bryant Eddleman; county clerk, Bess McWilliams; and County Judge Jimmy Burson were present.

On October 1, 1990 the commissioners court will convene at 9:00 a.m. for the final vote on the proposal.

### Hall County's Lady Chosen

Goldie Lane Russell, Turkey was named as Hall County's oldest lady resident at the recent Hall County Picnic. Born January 24, 1899 Russell has lived in Hall County all her life.

On December 23, 1917 Goldie Lane married Jess Russell in Turkey. He passed away the 18 of December 1967.

Mr. and Mrs. Russell reared seven children, six are still living.

Russell has been a member of the Turkey United Methodist Church, Nuevo Study Club, and Order of the Eastern Star. She presently is living in Plainview Heritage Home.

Turkey's oldest male resident was Mr. William B. Mullin who was born October 17, 1900.

### Caprock Country Christmas Plans

The Quitaque Chamber of Commerce is sponsoring the second annual Caprock Country Christmas.

On December 8, 1990 the celebration of Christmas will begin for Quitaque.

We the Women is already making plans for the downtown sidewalk museum and other downtown decorations.

Merchants will be having open house as well as being open for holiday shoppers.

The Chamber of Commerce will once again have the food concession at their Arts and Crafts Show. A display by the Chamber of Commerce will be at City Hall.

Frozen food, bake sales, demonstrations, outdoor entertainment, (weather permitting), musical entertainment, buggy rides, Santa's visit, and Santa's workshop are a few of the many plans in motion for December 8.

For more information call B.J. Griffin at 806-455-1191.

### West Texas Trail Walkers

On Wednesday, October 3, 1990 officers of the West Texas Trail Walkers, Inc. will gather at Caprock Canyons State Park.

Trails will be laid out for the walkers who will arrive on Friday, October 5, 1990. There will be three separate events, all sanctioned with different IVV stamps.

At 5:00 p.m. Friday, October 5, 1990 a guided walk will begin. Also on Sunday at 4:00 p.m. there will be another guided walk along abandoned ranch roads and in dry creek beds. Beautiful scenery along the North and South Prong Valleys are in view.

Saturday, October 6, 1990 at 8:30 a.m. the walk offers beautiful views of old ranching facilities, Holmes Canyon and the central area of the park.

Haynes Ridge Overlook is east of the trail taken for Sunday or Fern Cave can be on the walk in the eastern part of the park.

A social Saturday evening will be held at the Quitaque Community Center.

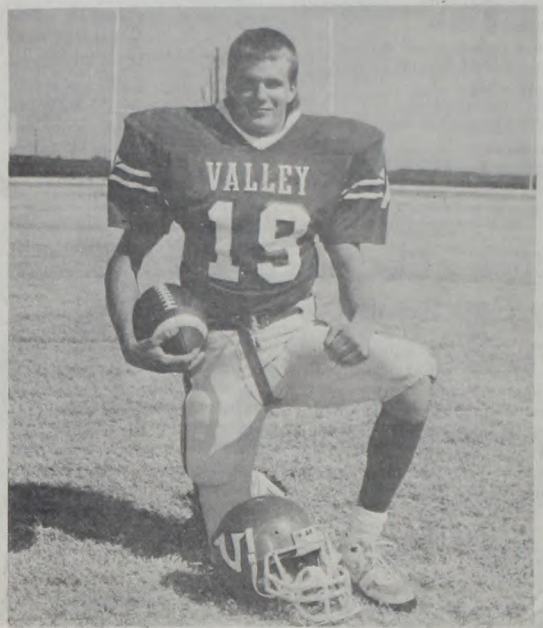

### Cry From The Mountain

Residents of the Turkey and Quitaque communities are encouraged to come together for an evening of fellowship and inspiration. The exciting adventure film "Cry from the Mountain" will be showing at the Turkey United Methodist Church, Sunday night, September 30, 1990.

The evening will begin with a covered dish supper at 6:00 p.m., then the film will be shown at 7:0 p.m.

The movie is set in the majestic wilderness of Alaska. Scene

Clay Edwards

## Edwards Globe News Player Of The Week

From Amarillo Globe-News

The running back exploded for 264 yards rushing on only 16 carries and scored six touchdowns, including one on a 23-yard catch, as Valley beat Higgins 72-36. Edwards produced touchdown runs of 22, 2, 32, 46 and 32 yards.

Edwards wasn't the only Valley running back to have a big game. Kirk Garner had 216

yards rushing on 18 carries and scored four touchdowns of 10, 33, 25 and 45 yards. The Patriots run a split-backfield offense.

"They both had good games," Coach Clifton Gilmore said. "Clay just happened to get more open-field runs on Friday night. Next week, it may be Kirk with the bigger game."

"Really, the line did their best job of the year."

## THEN & NOW!

By Eunice McFall

Have you stopped and "smelled the roses" lately? How very much we take for granted! The beautiful sunrises we have in our world, the sunshine, the cool breezes, our homes, freedom to worship, freedom to speak our piece without fear, our children, friends, and neighbors.

All of these and at least a million more joys we could name are just accepted as our DUE not as a blessing to be thankful for.

When was the last time you smiled at a stranger just because he was there? When did you give a hug to the one nearest and dearest to you? We say "Oh they know I love them"! True our loved ones may "know" we love them but to show it gives such great joy to not only them but also to us. Give a bit of encouragement to a child and watch the glow on their face.

Perhaps what I want to say is not only to stop and smell the ROSES but also the PETUNIAS.

The Conservation Reserve Program (CRP) has been in existence since 1985. CRP has proven to be beneficial to wildlife, especially in the High Plains.

CRP was designed to conserve and improve the soil and water resources.

Hunting is allowed on CRP land. Land owners may lease the CRP acres out for hunting but not for grazing or harvesting the crop.

CRP lands in Texas total more than 3.9 million acres. These acres provide secure winter cover for birds as well as high-quality nesting places.

Gene Miller, TPWD wildlife biologist of Amarillo states, "a study covering 101 random CRP contracts in 24 High Plains counties was recently conducted. Seventy-three percent of these in March were undisturbed by mowing."

This is encouraging news to the bird hunter. Miller said that during grass establishment years some mowing is necessary to keep down weeds. But any disturbance during April-August period affects the nesting time.

However, CPR needs to be disturbed every few years, but no more often than 3 to 5 years.

**Officers Elected By Pep Squad**

**Nannie J. Bomar**

Services for Nannie J. Bomar, 90, of Silverton were at 10 a.m. Monday, September 24, 1990 in the Church of Christ with Ted Kingery, minister, officiating. The Reverend Lee Roark, pastor of First Methodist Church assisted.

Burial was in Silverton Cemetery under direction of Schooler-Gordon Funeral Directors.

Mrs. Bomar died at 8:30 a.m. Saturday, September 22 in Swisher County Hospital in Tulia after a lengthy illness.

She was born in Haylake Community near Silverton. She married Tom Bomar on May 16, 1920 in Silverton. He died in 1952. They owned the Bomar Drug Store and Bomar Funeral Home. She was a former member of the 1925 Study Club. She was a member of the Church of Christ.

Survivors include a son, Carl of Silverton; a daughter, Mary Burson of Silverton; a brother, J. W. "Bill" Hardcastle of Meridian; five grandchildren; and six great-grandchildren.

Pallbearers were Terry Bomar, Tom Burson, John Burson and Bryan Burson.

The family suggest memorials to Silverton Ambulance Association or the Silverton Cemetery Association.

**Valley Boosters Have Meeting**

Valley Booster Club met Tuesday night, September 18 at 7:30 in the Valley Cafetorium. Jerry Smith presided over the business meeting.

Booster Club will host a Mexican Stack Supper Friday, October 5, 1990 before the Valley-McLean game.

Susie House gave a treasurer's report stating that Booster Club donated an estimated \$2,200 in 1989/90. Donations consisted of Love Funds, carpet, and stereo for gym, ads for annual, Top of Texas and Valley Tribune, fan for gym, girls district banner, clickers for cheerleaders, 2 pep squad suits for junior high, and painting on current project.

The All-Awards Banquet cost around \$1,200. The banquet involves every student in high school.

Fundraisers included Valley Ccp sales, and the Volleyball Tournament.

Following the treasurer's report the program was turned over to Athletic Director-Head Coach Clifton Gilmore. The first half of the Valley vs. Lazbuddie game was shown then Coach Gilmore turned it over to Coach Sam Browning and he showed the game of Valley JV vs. Jayton JV.

Work has begun on the project to be completed by October 26, Homecoming.

Booster Club's main objective is to support Valley School and its students.

**Miami Defeats Valley JV, 50-0**

by Coach Browning  
 Miami humbled Valley JV, 50 to 0 on a night of very few bright spots.

We did throw the ball better than we had the past two weeks. Turnovers and penalties kept us from ever getting our offense moving. Our only touchdown was called back due to a clipping penalty. We are going to regroup this week and work hard to regain the offense out put we had in the first two games.

Defensively we gave up a lot of points, but due to turnovers we gave them the ball deep in our territory the entire game. At times we hit and we looked like the defensive team that has been on the field the previous two weeks. Overall we missed too many tackles that we were in position to make.

JV record is 2 wins and 1 loss.

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as a result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. The cost is only \$60.00 ± \$4.50 S&H. A mammogram can detect a cancer this small, even before it can be felt.

## Lines From Lynda

To continue last week's column on Ten Ways to Turn Out Top Kids, the educator-youth specialist suggests:

**Limit Young People.** Parental limits means caring to kids and provides them with security while they experience the values and lifestyles that they will accept. Many youngsters say, "It's a lot easier to get off the hook by complaining to friends that, 'My parents won't let me' rather than having to admit, 'I don't want to' do something or go somewhere."

**Develop a Love of Learning.** Our children today face a changing world requiring new knowledge and techniques. How can we prepare them for this world? Encourage their curiosity, nurture their creativity, and help them establish consistency in their study and work habits. The three C's for curiosity, creativity, and consistency are as important as the three R's.

**Help Them Be Community Minded.** Many young people show concern for others. If we can nurture that concern, we go a long way toward creating more whole adults who give back more than they receive. Our most mature youngsters throughout the nation are involved in peer drug counseling, tutoring, organizing community projects, and 4-H and other youth club activities related to bettering the community. All these boost their self-esteem. The new county Y.E.S. project, which matches youth with senior adults, has the potential for developing community-mindedness in our youth.

**Let Them Go.** It's difficult for parents to watch their children skin their knees, suffer hurt feelings from friends' rejection, lose out on a part in the school play, or fail to win a blue ribbon. But over-protection gets in the way of the lessons to be learned from dealing with the problems of everyday living. Raising self-reliant, independent, and responsible children should be the goal of all parents. Give them roots and wings.

**Make God a Part of Their Lives.** Grace before meals and attendance at church as a family are reminders of a spiritual part of life. These are ways to ensure young people that life's principles go beyond the Golden Rule.

These ten rules are not a solution to all problems with young people, but the youngsters who have grown up under parents who observe these rules tend to be the top kids. If you examine their backgrounds and the manner in which the homes were operated, you'll find most of these rules in effect.

These "rules" came from Dr. Bill Jackson, 4-H and youth development specialist from Stephenville.

A haboob occurs when the intense heat of a desert area creates a strong dry wind that whirls up sand and dust into a wall as high as 5,000 feet.

## Cry From The Mountain

Continued From Page 1

after scene portrays the beauty and wildlife of this "last frontier" state. The story centers around the Sauders family. Larry Sauders takes his 10 year old son, Cal on a camping trip where he is to tell the boy about a family crisis. Through a life threatening accident and an old hermit living in a deserted mining camp, the course of events is changed for the Sauders.

This great film is distributed by the Billy Graham Film Ministry. The entire community is encouraged to bring a dish and enjoy the meal and "Cry from the Mountain". A free will offering will be received for the Billy Graham Film Ministry.

## Understanding Your Pension

**Q. What is vesting?**  
A. Vesting is your right to the benefits you have accrued, or some portion of them, even if your employment under the plan terminates. This relates to money contributed by your employer. Voluntary and mandatory employee contributions are always fully vested. Most plans allow you to vest after five years. Union plans usually require 10 years of service while seven year graded vesting is prevalent among endowments and foundations.

**Q. What does it mean when my pension benefit is integrated with Social Security?**  
A. Normally, only plans in which the monthly benefit is defined are integrated with Social Security. When you retire a percentage of expected monthly Social Security benefits is subtracted from the private annuity. Any type of plan, however, may provide that lower pension accruals be applied to an employee's earnings below a specified wage base, generally the Social Security wage base.

## Football Pro on Sports Safety

As an All-American tight end at Notre Dame and a first-round draft choice of the San Francisco '49ers, Ken MacAfee has seen his share of sports injuries caused by blows to the head, face and neck. But, unlike most other professional athletes, MacAfee now treats people who are injured during contact sports.

Ken MacAfee, D.M.D., an oral and maxillofacial surgeon and spokesperson for the American Association of Oral and Maxillofacial Surgeons, is a vocal advocate of sports safety among children.

**Prevention is First Priority**  
Whether on the sports field, in the backyard or on the playground, young athletes should always wear protective gear.

Mouthguards are the absolute minimum protection any child should wear. Dr. MacAfee also urges young athletes to use facemasks and helmets during football and hockey, and to use helmets with clear plastic shields when playing baseball. "In contact sports, the face and mouth are particularly vulnerable to injuries," Dr. MacAfee said. "Hits from playing sticks, flying balls and other players can cause serious and instant damage."

**First Aid Tips**  
For all injuries to the face and mouth, request an examination by an oral and maxillofacial surgeon upon arrival at an emergency care center.
