Blueberry Cobbler And Cream

Reddi-Maid Photo Courtesy of Cherry Growers, Inc.

BLUEBERRY COBBLER, made with Michigan blueberries fast to fix in an oven proof skillet or casserole.

The deep-dish fruit pie, or cobbler, is an American institution invented for the rugged individualist who likes more filling than crust and a full measure of fruit and flavor without any frills. You can make a cobbler in any oven-proof utensil. The fruit cooks up rich and thick in its natural syrup. Cobblers are topped with old-fashioned rolled short biscuits so there's no need to fuss with rolled pastry and fancy crimping. And they're usually served with heavy pour cream alongside.

Reddi-Maid frozen blueberries make Blueberry Cobbler an all-year-round treat. Fast frozen without sugar and syrup, the firm, well-shaped berries are used, after thawing, as though they were just picked-from-the-patch. You'll find these deep blue berries in matching blue and white resealable—and reusable—8-ounce tubs.

MICHIGAN BLUEBERRY COBBLER
(Makes 8 servings)

- 3 containers (9 ounces each) frozen Reddi-Maid blueberries, thawed
- 1/2 cup granulated sugar
- 1/4 teaspoon nutmeg
- 2 tablespoons butter or margarine
- 1 tablespoon lemon juice
- 1 3/4 cups sifted all-purpose flour
- 2 1/2 teaspoons baking powder
- 3/4 teaspoon salt
- 3 tablespoons granulated sugar
- 6 tablespoons solid all-vegetable shortening
- 3/4 cup milk
- Four cream (heavy cream)

Place half of the blueberries in bottom of oven-proof skillet or 1-1/2 quart shallow casserole. Mix together sugar and nutmeg; sprinkle half over blueberries and dot with 1 tablespoon butter. Top with remaining blueberries, sugar mixture and butter. Sprinkle lemon juice over top. Bake in 350° (moderate) oven for 25 minutes.

Meanwhile, sift together flour, baking powder, salt and 3 tablespoons granulated sugar. Cut in shortening; stir in milk until well blended.

Remove blueberries from oven; increase oven temperature to 450° (hot). Drop biscuit batter by spoonfuls over top of blueberries. Return to oven; bake 15 to 20 minutes longer, until biscuits are lightly browned. Serve warm with pour cream.

put on a pretty face
BY
Aubrey McDonald

Dear Aubrey: I'd love to wear some of the exciting new eye shadows and highlighters, but I want to avoid the harsh look of too much, ill-chosen and improperly applied cosmetics. Can you suggest a natural-looking eye make-up? R.H., Rockford, Ill.

Dear R.H.: Eye shadow or, for that matter, any eye make-up, should never overpower the eyes. Always keep in mind that eye shadow should softly suggest, not shout, its delicate color.

To achieve a natural-beauty look, I recommend Fashion Two Twenty's eye shadows which come in a wide spectrum of soft shades. If you prefer a brush-on, use our Mystic Shadow line to add depth and sparkle. Applying Mystic Shadow is effortless with the silky brush that nestles securely in a petite mirrored lilac compact. Using the brush, gently stroke Mystic Shadow directly under your brows. The brush allows you to apply Mystic Shadow so perfectly that it's impossible to apply too much. And, Mystic Shadow's rich, smooth texture is ideal for the delicate tissues around your eyes.

One of the shimmering shades, called Platinum Mink, is a silvery creamy magic that may be used as a highlight or regular shadow, and will blend perfectly with any eye or costume color. Fashion Two Twenty's eye shadows are also available in easy-to-apply cream stick form to match or harmonize with your every costume. For subtle, even coloring, eye shadow should be applied above the eyes to below the eyebrows, then very gently blended with the finger tips. To further dramatize the eyes, use the Fashion Two Twenty shading pencil, which matches your shadow, to highlight color from your lashes to the crease above the eye. Then, softly blend the edges into the eye shadow.

Use this technique for beautiful make-up and watch your eyes — and his — light up.

I'll be happy to answer your beauty questions. Just send them to me c/o Fashion Two Twenty, Box 195, Aurora, Ohio 44202.

Wake Up to Raisin Oatmeal Bread

California Raisin Advisory Board Photo

Here's a raisin and oatmeal bread that will make your family wake up and take notice. California seedless raisins, rolled oats and molasses make this a particularly moist yeast bread and one with excellent keeping qualities too. For breakfast, brunch or coffee break, buttered slices of this hearty raisin bread, plain or toasted, will be a hit every time.

CALIFORNIA RAISIN OATMEAL BREAD

- 2 cups rolled oats
- 2 packages or cakes yeast,
- 2 tablespoons sugar
- 3 tablespoons molasses
- 1/4 cup shortening
- 2 1/2 teaspoons salt
- Water
- 2 packages or cakes yeast,
- active dry or compressed
- 4 1/2 to 5 cups sifted flour
- 1 1/2 cups California seedless raisins

Combine oats, sugar, molasses, shortening and salt. Add 2 cups boiling water, stir and let stand until lukewarm. Dissolve yeast in 1/2 cup warm water (105 to 115 degrees F.) in warm bowl; add to cooled oat mixture. Add half of flour beating well. Add remaining flour and raisins to make moderately stiff dough. Knead lightly. Place in greased bowl. Cover and let rise in warm place 1 1/2 to 2 hours until doubled. Punch down and let rise again, about 1/2 hour until doubled. Form into two loaves and place in lightly greased 8 1/2 x 4 1/2 x 2-inch loaf pans. Let rise 30 to 45 minutes until light and well-rounded above edge of pan. Bake in hot oven (425 degrees F.) 10 minutes. Reduce heat to 375 degrees F. and continue baking 35 to 40 minutes. Cool on rack. Makes 2 loaves.

Mrs. America Prize-Winning Pancakes

Mrs. John E. Cole, Jr., of La Canada, California, was named Mrs. Pancake America after winning the second annual Aunt Jemima Pancake Variety Event at the 1968 Mrs. America Pageant.

- All 51 Pageant contestants—one from each state and the District of Columbia—were required to develop an original pancake recipe suitable for serving at a party. Mrs. Cole won the event with her TANGY STRAWBERRY ROLL-UPS.
- Topping:**
- 1/2 cups dairy sour cream
 - 1/2 cup sweetened condensed milk
 - 2 tablespoons lemon juice
 - One 3 1/2-oz. pkg. lemon pudding and pie filling
 - 1 cup milk
 - 2 eggs
 - 2 teaspoons melted or liquid shortening
 - 2 cups sweetened sliced strawberries

For topping, combine all ingredients. For pancakes, place mix, pudding and pie filling, milk, eggs and shortening in bowl. Beat with rotary beater until fairly smooth. For each pancake, pour about 1/4 cup batter onto hot, lightly greased griddle. Turn when tops are covered with bubbles and edges look cooked. Makes 4 servings.

Place strawberries across center of each pancake; roll up. Spoon topping over roll-ups; top each with a strawberry.

Mrs. Cole's recipe, according to event judges, illustrates the tremendous versatility of pancakes, and the suitability of serving pancakes at even the most elegant party.

Mrs. J. W. Ewing recently received a letter from Mrs. E. E. Burgess of Snyder. Mrs. Burgess reports that she and Mr. Burgess are not doing well. GOLDEN TOUCH OF HOSPITALITY

The English Celebrate

November Fifth is the day for the English to celebrate the attempt of Guy Fawkes in 1605 to blow up the Houses of Parliament. Traditional to the day is an oatmeal cake with a flavor similar to gingerbread. Serve it warm with Lemon Sauce and garnish with whipped cream.

Guy Fawkes Bread

- 2 cups sifted flour
- 1 teaspoon baking powder
- 1 teaspoon ginger
- 1 teaspoon allspice
- 1 teaspoon cinnamon
- 1/2 teaspoon baking soda
- 1/2 teaspoon salt
- 1/2 cup margarine
- 1 1/2 cups quick oats
- 1/2 cup dark corn syrup
- 1/2 cup firmly packed light brown sugar
- 2 eggs, lightly beaten
- Lemon Sauce

Sift flour, baking powder, ginger, allspice, cinnamon, baking soda and salt together into mixing bowl. Cut in margarine until coarse crumbs form. Stir in oats. Heat brown sugar and dark corn syrup in saucepan over low heat until sugar melts. Stir into dry ingredients. Stir in eggs; mix well. Spread in well greased 8 x 8 x 2-inch baking pan. Bake in 325 degrees F. (slow) oven about 55 minutes or until bread tests done, when tested with a cake tester. Cut into squares or rectangles. Makes about 9 servings.

Lemon Sauce: Mix 1/4 cup sugar, 1 1/2 tablespoons cornstarch and 1/4 teaspoon salt in small sauce pan. Gradually blend in 1/4 cups boiling water. Cook over medium heat, stirring constantly, until sauce thickens and comes to boil. Boil 2 minutes. Remove from heat. Add 2 tablespoons each of margarine and lemon juice, and 2 teaspoons grated lemon rind. Makes about 1 1/2 cups.

HOW TO SOLVE GOLF PROBLEMS

JIMMY DEMARET... NARRATOR "SWWG" *

HITTING DOWN THE LINE OF FLIGHT

The old concept of swinging a golf club from inside to outside the target line (dotted arrow) is changing. Instead, many new-generation players hit the ball with the clubhead moving down the intended line of flight (solid arrow).

The inside-out technique involves returning the club into the ball with the clubhead moving out to the right of the target. The hands must be turned counterclockwise in the hitting area, to avoid pushing the ball to the right.

Some professionals now prefer a big turn of the shoulders on the backswing and then a reverse shoulder turn that directs the club straight through the ball instead of inside-out. There is no need to turn the hands over to straighten the clubface at impact.

Shirttail Sermon

A NEW CHURCH FOR A NEW WORLD

(The Rev. Roy Havens, pastor of the United Methodist Church at Turkey, has prepared an article explaining some of the goals and ideals of the new church. Below is the first part of the article.)

The United Methodist Church came into being on April 23, 1968 in Dallas, Texas when the Methodist Church and the Evangelical United Brethren Church united into a body of more than 11 million members in the United States and Canada plus almost one million members overseas.

In their efforts to iron out differences and emphasize similarities while creating a new church, the delegates to the Uniting Conference were inspired by the challenge "A New Church For A New World." The result of their effort is a church that emphasizes ministering to the needs of the individual wherever he may be found and in whatever condition he may be. This is reflected in the structure of the church which is flexible enough to serve even the smallest community church or the largest church.

In the local church, the Charge Conference is the basic unit in the connectional system of the United Methodist Church. It is composed of certain officials from every church in every pastoral charge. It shall meet annually or at other times if a conference is deemed necessary.

The membership shall consist of the following persons: the pastor, retired ministers who are members of the local church, the lay leader, the lay member to the Annual Conference, chairman of the trustees, the Chairman on Pastor-Parish Relations, the secretary of the committee on Nominations and Personnel, the church treasurer, the chairman of the Council on Ministries, the work area chairmen, the age-level and family coordinators, the superintendent of the study program of the church, the President of the Women's Society of Christian Service, the president of the Methodist Men.

There have been some changes in the names of some committees, boards and officers. The Committee on Pastor-Parish Relations was formerly known as the Pastoral Relations Committee. The committee on Nominations and Personnel was called the Nominating Committee. The Council on Ministries is an entirely new council with no precedent in the two

churches. The work area chairmen have been called the chairmen of the commissions on education, evangelism, worship, missions, social concerns, and stewardship and finance. The age level and family coordinators have been superintendents of divisions in the church school. The superintendent of the study program is the new name for the superintendent of the church school.

RAY-EDWARDS WEDDING VOWS EXCHANGED IN AMARILLO

Bobby Edwards and Miss Margaret Ray were united in marriage Friday, January 10, at 8:30 in the Fairview Assembly of God Church in Amarillo with the Rev. A. L. Beggs performing the ceremony.

The bride's gown was a formal length white lace with a fingertip veil attached to a crown covered with seed pearls.

She carried a Bible for something old, and her gown was something new. She borrowed diamond earrings, and wore a blue garter, carrying out the wedding traditions.

Mr. and Mrs. Wayne Jewett served as Best Man and Matron of Honor.

Out of town guests included Mrs. Thelma Russell, Dorothy, David, and Mark Butler, all of Turkey; Louise Deering of Muleshoe; Jackie Edwards and Donna of Lubbock; and Mr. and Mrs. Rickey Butler of Amarillo.

Party Perfect Mexican Raisin Roll Overs

California Raisin Advisory Board Photo

It's not a bit surprising to find California seedless raisins hot and hearty in Mexican roll overs. Their sweet flavor is an asset to many south of the border favorites. These roll overs boast a fragrant beef filling accented with plump raisins.

With a sprinkle of grated Cheddar cheese, tuck the spicy raisin filling into crisp tortillas. Perfect for out of hand eating, these raisin roll overs are popular at many all American occasions.

RAISIN CHILI ROLL OVERS

- 1/4 cup chopped green pepper
- 2 teaspoons chili powder
- 1/2 cup chopped onion
- 1/2 teaspoon garlic salt
- 2 tablespoons cooking oil
- 1 (8-ounce) can tomato sauce
- 1 pound ground lean beef
- 8 fresh or frozen tortillas*
- 1/2 cup California seedless raisins
- Melted butter
- 1 cup grated Cheddar cheese

Cook green pepper and onion in oil until soft but not browned. Add beef. Cook, stirring occasionally, until meat browns lightly. Stir in raisins, chili powder, garlic salt and tomato sauce. Simmer over low heat 15 to 20 minutes. When ready to serve, brush tortillas lightly with melted butter. Brown lightly on both sides. Spoon hot raisin chili mixture down center of each. Sprinkle with cheese and fold over to enclose filling. Makes 8 servings.

TURKEY BASKETBALL

(Continued From Page 1)
Five Friday night for a pair of district contests, and both Turks and Turkettes should bring home wins. The Turks are currently 0-2 in district competition while the Turkettes are 1-1.
Tuesday night of next week the Turks and Turkettes go to Flomot for a doubleheader.

The Turkey Jr. High teams were host to Matador Jr. High Monday night of this week and split with the Turkettes winning and the Turks losing.

The Turkettes finally overtook the Matador girls in the fourth quarter and went on to win 19-15, with Elaine King sparking the winners with 10 points.

After a hard-fought battle the young Turks lost to Matador 25-26. Jerry Wayne Green led the Turk scoring with 7 points.

The Turkey Junior High and the Quitaque Junior High teams will play at Turkey next Thursday, January 23. You are urged to turn out and support these young basketball players.

QUITAQUE BASKETBALL

For ten members of the QHS teams Tuesday night's games will be the last scheduled home appearance and will be the last chance to see them play on the home floor for QHS.

Sherry Stark, Barbara Chandler, Billie Cheatham and Jo Beth Merrell are the seniors on the Pantherette squad. Roland Hamilton, Johnny Pointer, Lyn Payne, David Bunson, Larry Farley and Billy Jack Loudermilk are the seniors on the Panther squad. Hamilton, Pointer, Payne and Brunson are starters.
