Longhorns and Pantherettes Winners

The Quitaque Pantherettes took a 52-46 win over Matador at Matador Tuesday night of this week and with the win, won the first round of the round-robin district schedule. The Quitaque team is undefeated thus far in district play.

The Panthers also won over Matador, taking a 66-54 win.

The Panthers are 3-2 in district competition, losing to Flomot and Turkey in the first half of play.

The Pantherettes led most of the way in Tuesday night's affair, but found the Matador crew tough, as usual. The opening minutes of the game was close and about midway of the period the score was knotted at 7-7. The Pantherettes went ahead at that point and were never behind again. The score was 12-8 at the end of the first quarter, 24-19 at half-time and at the end of three periods Quitaque led by 7 or 9 points.

Glenna Ramsey sparked the offense for the Pantherettes and led in scoring with 26 points. Jackie Cheatham tallied 23 and Wanda Ramsey added 3 points.

The Panthers had about all they could handle in the first half of play. The score was tied six times in the first period and Matador led 15-13 at the first stop. The second was more of the same with the Panthers knotting the count at 15-15, it was tied again twice in the second quarter but Quitaque was never behind again and led 35-31 at the intermission. Perry Brunson got into foul trouble early, being whistled down four times in the first period. Jerry Merrell was hitting very good, however and kept the Panthers out front. He scored 12 points in the first half.

Perry Brunson came back in to start the third period but collected his fifth personal foul with only two minutes gone. Instead of slowing the Panthers down, however, Perry's loss must have built a fire for Quitaque went on a scoring streak and what had been a four-point margin became 15 as the Panthers led 57-42 at the end of the third quarter. Jerry Merrell also was lost in the fourth quarter to fouls but the Panthers still won by 12 points.

Jerry Merrell notched 23 points to win scoring honors for the Panthers. Stanley Price had a total of 13, Chandler and Brunson each tossed in 11 points, and Danny Jones, Randy Berryhill, and Ronnie Hutcheson each added two points.

The Quitaque teams drove to Paducah Tuesday night for a pair of games, with the Pantherettes winning 62-54 and the Panthers losing 45-60.

The Pantherettes had a good night against the Dragonettes, who were 19-1 going in to the game with Quitaque. Paducah was ahead 15-14 at the first stop, but the Pantherettes led 30-28 at half-time. Paducah regained the lead 46-44 at the end of the third period. Quitaque outscored Paducah 18-8 in the fourth quarter to take the contest.

Jackie Cheatham hit 27 points, Glenna Ramsey 20 and Wanda Ramsey 16.

The Panthers played a real fine game against the highly-touted Dragons, who have a 16-8 center and another almost as tall. The Panthers trailed by only 2 points, 11-13 after one period of play: the Panthers trailed by 7 points at half-time and by the same 7 points at the end of three periods of play.

Stan Price scored 20 points to lead the Panthers in that department. Chandler hit 12 points, Brunson and Danny Jones 5.

NEWSPAPER STORY CAUSES CONSIDERABLE???? COMMENT

The article which appeared in the Lubbock Avalanche-Journal a few days ago about Quitaque's basketball winnings has caused considerable comment here, most of it unfavorable.

It was supposed to be humorous, more than likely, but it turned out mostly silly, and with a number of inaccuracies.

Coach Frank Muir asked The Tribune to assure everyone who read the thing to be assured that he was not a party to any of the foolishness that was included in the story. He stated that he talked with the reporter only about the basketball teams and their records, that he had only praise for the basketball teams and Quitaque fans and their support.

The Tribune goes on record to say it never had doubts about Coach Muir and his part in the story.

Mrs. D. C. Powell and Mrs. J. R. Nall drove over to Wellington Thursday of last week where Mrs. Powell visited with Mrs. J. F. Michael and attended a meeting of the Excelsior Study Club. Mrs. Nall visited her son and family, Mr. and Mrs. Richard Nall.

The Flomot Longhorn are the winners of the first round of play in District 7-B after taking a 59-45 victory over the Turkey Turks at Turkey last Friday.

The Turks and Longhorns were both unbeaten at that point in district competition.

The Turkey Turkettes took a 38-22 win over the Flomot girls in the first game of the evening.

The girls game was close the first half. Flomot was out in front 7-5 at the end of the first quarter, but Turkey led 13-12 at half-time.

The Turkettes took command in the third period to lead 24-18 at the three-quarter mark and went on to win by 16 points.

Sally Case led the winners with 18 points and Susie Gilbert also had 18 for the Flomot crew.

The Longhorns outscored the Turks 11-5 in the first quarter, increased the lead to 27-18 at the half, and then led 44-28 at the end of three quarters.

Tuesday night's win assured the Longhorns of a place in the playoffs, if that be necessary. If someone other than Flomot wins the second half of play then that team and Flomot will have a one-game playoff. If the Longhorns win the second half of play, no playoff will be necessary. The Longhorns will be district champs.

Rod Adamson won scoring honors for the night with 18 points. Johnny Turner, Alvia Calvert and David Hunter shared scoring honors for Flomot with 14 points each.

The Turks and Turkettes were hosts last Friday night to the Estelline High teams and Turkey won both games. The Turkettes won another squeaker from the Bearettes, 35-32. The first quarter wound up all even 9-9, but in the second period of play the Bearettes took a 25-16 lead and still led 28-21 at the end of three quarters of play. The Turkettes, closed with a rush to nip the visitors by three points.

Sally Case scored 17 points for Turkey for high honors. Jan Rann was high for the Bearettes with 20 points.

The Turks had little trouble in winning over the Bears. The final score in that one being 63-40. Rod Adamson with 16 points won scoring honors.

Flomot split a double-header with Matador last Friday night. The Matador girls won 49-36 with Susie Gilbert firing in 24 points for Flomot.

The Longhorns had withstood a fourth quarter rally by the Matadors to pull out a 65-62 win.

The Longhorns led 19-15 at the first stop; 43-33 at half-time and 48-41 at the end of three periods of play.

Johnny Turner hit for 20 points to lead the Flomot scoring attack and Ronnie Welling had 20 for Matador.

The Flomot teams will be at Quitaque Friday night. On Tuesday of next week Flomot goes to Estelline.

Christian Seeking Re-election to State House

State Rep. Tom Christian of Claude announced his candidacy for re-election to the Texas House of Representatives Thursday morning during a press conference in Amarillo.

Christian represented Armstrong, Briscoe, Carson, Collingsworth, Donley and Randall Counties during the 61st Legislature and was instrumental in the passing of several pieces of legislation during his freshman year in the House.

"Serving as a State Representative from the 75th District has been a privilege," Christian said. "I am grateful to the voters of the district for the opportunity to serve in this capacity."

The former-rancher said "being a member of the Texas Legislature is an extremely challenging experience."

"A member can take pride in some of the accomplishments of the Legislature but at the same time become disheartened over some of the legislation which passes," he said.

Christian cited as an example that "State spending increased 10 times faster than the population in the 1960's."

"Had it not been for the strong efforts of those of us who urge economy in governmental operations the spending would have been still worse," he said.

The legislator served on the Criminal - Jurisprudence, Education, Juvenile Crime, Public Land and Buildings and Livestock committees and has an interim committee appointment on State Franchises.

"I am pleased that we were able to establish a separate Board of Regents for West Texas State University, the 1955 graduate of WTSU said, "I think the university will now have people all over the state working in its behalf."

Christian served in the United States Navy before graduating from college, then taught school at Boys Ranch and Canadian.

He is married to the former Anne Thomas and has three children.

Tops Gilreath Seeks Re-election

Tops Gilreath, County Superintendent of Schools, in Hall County, this week authorized The Valley Tribune to announce that she is a candidate for re-election to the office of County School Superintendent.

"To the Hall County Voters, Patrons and Friends:

"I would like to say just a few personal words before making a formal announcement — to each and everyone of you in Hall County—Mother and I would like to express our sincere gratitude for the flowers, telephone calls, messages, visits, letters and the other acts of kindness you rendered to us while we were in the hospital and on our return home as we have recuperated from injuries sustained in the automobile accident. You friends in Hall County mean more than we can ever express in mere words. I have often said and I repeat there are no better people in the world than the people of Hall County. I am glad I live here with you. Thank you.

"It has been a pleasure and a privilege to serve you in our official capacity as County School Superintendent and I want to thank you, the good people of Hall County for your splendid cooperation and support. I appreciate the fact that you have allowed me to serve you during this past term of office. And, at this time I would like to announce to you my candidacy for the office again, and ask your continued support, vote and influence in the coming primary.

"Service" is the motto in our office and it is our aim this coming year to give more and bigger services and perform the several duties for the schools of Hall County. Our office is ready and willing at all times to perform any duty or act that you ask or demand. We feel as a County official we owe it to you people to do this as efficiently and courteously as we can for we believe the true power is with the people.

Your support has helped Hall County schools make some progress in health and general welfare of our school children; also in the Cooperative Teacher programs; and we plan to continue serving as a link between schools and the many agencies which are involved in our school programs. Services which are rendered by this office can help you maintain healthy local control and yet enjoy advantages usually found in larger systems.

If re-elected, I pledge my best efforts to the boys and girls of Hall County.

Respectfully submitted,
Tops Gilreath

The Flomot Lions Club held its regular meeting Thursday of last week at 6:30 p. m. and on Saturday night of last week the club sponsored a 42 Party in the school cafeteria.

All proceeds from the party will go toward the purchase of a new lawn mower for the cemetery. These parties will be held every two weeks until the mower is paid for and will end in tournament play. Prizes will be awarded to the winners.

The First Baptist Church of Flomot was host to the Caprock Associational Workers Conference Tuesday night of this week.

The new Area Missionary Dr. H. Strauss Atkinson, formerly of the First Baptist Church at Canyon was introduced to the Association.

The Rev. Leo Cole, pastor of the First Baptist Church of Flomot, drove to Fort Worth Monday of last week to attend the Evangelism Conference held there. Attending the conference with the Rev. Cole were Rev. Henry Rhymes of Roaring Springs, Rev. Larry Hurd of Matador, and Rev. Jack Dewitt of Dickens. They returned Wednesday from the conference.

Sheriff J. D. Spray took Harmon Moseley into custody at his home on Thursday, January 15, and after token resistance by Mr. Moseley, he was handcuffed and removed to the nearest facility, which happened to be the Flomot school. The sheriff was met there by members of the Flomot Lions Club who took the "prisoner" into custody. Now, in case you haven't already guessed, was all a gag, and a not-so-gentle hint that the Flomot Lions Club hopes it will not be necessary to resort to such drastic measures in getting Lions to attend meetings regularly.

On Wednesdays January 28, and Feb. 4 at 6:30 p. m., Phil

Carpenter, former director of religious activities at Wayland Baptist College, now a professor at that institution, will be leading young people in the Flomot area in a study of the Book of James at the Flomot Baptist Church. This will be a time of youth fellowship with Mr. Car-

penter leading the evening activities. All youth in the area are invited and the evening meal will be served.

Buck Payne underwent surgery in Plainview Hospital & Clinic Thursday of last week. He is now at home and reported to be recovering fine.

Grandma's Shoes

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

I don't remember which I found first, Grandma's shoes or her letters. I do recall, that as I lifted things from her battered trunk, it seemed as though time had slipped backward. Suddenly, the lady in the faded family tintype became real to me.

Nicely polished and laced, her tiny shoes revealed that she was a petite person, neat and particular. A faded nosegay indicated a sentimental heart. "My dear son," her letters began, and as I read her words to that long-ago boy, my Dad, the reality of her love seemed present in the sun-drenched room. Outside the dusty window, a bee buzzed, and in that quiet moment I became acquainted with her personality.

Often, God reveals Himself to us in just such a way. By the beauty of His world, in the truths within His Bible, through the ministry of His Church, He discloses the fullness of His love.

Attend your church. Through worship and prayer, enlarge your understanding of God.

Voter Deadline Is January 31

The "Operation: Everybody!" voter quota for Briscoe County has been set by the Texas Democratic Party at 1,208, according to County Chairman Jackie Mercer. "The figure set as the goal for Briscoe County represents 65 percent of our estimated voting population," Mrs. Mercer said. "The state goal is to have 4,250,000 Texans registered between now and the end of the registration period on January 31. "Voter registration is free," Mrs. Mercer continued, "but everyone must register in order to vote in the 1970 elections. Application forms are at the County Sheriff's office in the courthouse. "Please remember, the slogan you have read 'Your Vote Is Your Voice' has no meaning unless you REGISTER, take your registration card with you to your voting place, and VOTE for your future in government!" "Attend to this today! Either go to the County Tax Assessor's office or mail the application form that was sent you along with your notice of state and county taxes in plenty of time to beat the January 31 deadline!" Mrs. Mercer urged.

"On Tuesday afternoon Briscoe County had received 1,075 voter applications," Mrs. Mercer added. "There are 1,500 or more eligible voters in this county, so it really isn't too much to ask that we try to achieve the goal of 1,208 registrations. If you don't register now, you cannot vote!"

Miss Amy Davis visited in Tulsa Sunday before last with her sister, Mrs. S. D. Nelson. On Monday they went to Pampa and White Deer and visited with Mrs. McKnight and Mrs. Hershell Kelley.

Mr. and Mrs. Winfred House were in Childress last Friday.

Mr. and Mrs. Millard Crump of Plainview visited in the Buster Crump home and the Amy Davis home over the weekend.

APPOINTED AS DIRECTOR OF ROLLING PLAINS P.C.A. W. C. "Jiggs" Mann of Clarendon

has been appointed to the Board of Directors of Rolling Plains Production Credit Association to fill the vacancy left by the death of L. M. Bartlett of Wellington. Mr. Mann will serve in this position from January 1, 1970 to the date of the next annual stockholders meeting which will be late in April, 1970. At that time a director will be elected to fill the balance of Mr. Bartlett's unexpired term.

Mr. Mann is a graduate of Clarendon High School and a native of Donley County. He and his wife, the former Evelyn Wood of Clarendon, have two children, Camille, 13, and Mark, 9.

Mr. Mann has worked for the J.A. Cattle Co. as both wagon boss and foreman, for the Donley County ASCS office and is currently engaged in farming and ranching for himself in Donley County. He served two years in the armed forces in the early 50's.

"We are most pleased to have this fine young man join our board of directors," said J. L. Hill, jr., president of R.P.C.A., "and we feel sure that he can add much to the benefits to be afforded by the organization to its members." Rolling Plains P.C.A. provides agricultural credit to farmers and ranchers in a 17-county area with offices in Stamford (central), Spur, Munday, Childress and Matador.

SILAGE PRODUCTION MEETING SLATED ON SOUTH PLAINS

A series of three silage production meetings plus a session on pasture planning and management will be sponsored by the Texas Agricultural Extension Service at three locations on the South Plains during the week of January 26, according to an announcement by Ken Cook, Briscoe County agricultural agent.

Meetings are slated at the Forest Park Community Center in Lamesa January 26; Hale County Agricultural Center in Plainview January 27, and the courthouse meeting room in Levelland January 27 and 28.

All sessions on silage production will begin at 1:30 p.m. and will last about two hours, according to Cook. The one meeting on pasture planning and management will be held in Levelland January 27.

Cook encourages all interested individuals in the county to attend the meeting in this locality.

is too good to be true.
He tells off prices, costs, offers and questions so fast that you cannot follow what he is telling you.

What should you do? Mrs. Myers says the Better Business Bureau suggests replying: "Please send me a letter about the matter. I'll consider your offer after I've had a chance to investigate. Thank you for calling. Goodbye."
This way you discourage a gyp artist while not cutting yourself off from someone whose business is perfectly legitimate.

Legitimate callers also can be a nuisance, if they call at an inconvenient time or they refuse to take no for an answer. Mrs. Myers says, if you aren't interested — just say goodbye and hang up.

Extra eggs, yolks or whites? Freeze them.

But do not freeze whole eggs in the shell; water inside will expand and break the shell.

Break each egg and examine it carefully. Freeze only high-quality eggs.

Egg whites will freeze successfully without additional ingredients, but egg yolks become gummy and lumpy after thawing. They will not blend well with other ingredients unless you add a stabilizer.

To prevent this change in the yolks, add a small amount of salt, sugar or other edible ingredient before freezing. You may also add the ingredient to whole eggs you freeze. The choice of additive depends upon the use of the eggs after thawing.

For example add salt to yolks if you'll use later for mayonnaise or noodles. Add sugar if eggs are to be used later in baked goods.

Each cup of egg yolks should be blended with one tablespoon of sugar or corn syrup or one-half teaspoon salt.

Freeze eggs in the amount that you'll use at a time.

What an interesting flavor canned pears give to meals!

You'll find them consistently good, always delicate and "just-right" sweet. Canned pears are delicious in baked desserts, molded salads and combination salads. They team well with cottage cheese, too, and are delicious when served with a sauce for a chilled dessert.

As with most canned products, pears are ideal for buying to keep handy on the pantry shelf. You'll want to have some in the refrigerator, too—chilled and ready for serving.

Since canned pears are in such big supply, it is an ideal time to try this **Paradise Egnog Dessert**.
1/2 cup half-and-half cream
1 No. 303 can pear halves
1 egg, slightly beaten
5 tablespoons powdered sugar
1/4 teaspoon cornstarch
Few grains salt

1/2 cup cream, whipped
1/2 teaspoon vanilla
Ground nutmeg

To prepare, combine half-and-half with egg, sugar, cornstarch and salt in top of double boiler.

Cook over boiling water until mixture thickens slightly and coats a spoon. Chill. Just before serving, fold in whipped cream and vanilla. Divide mixture among three or four serving dishes.

Top with well-drained pear halves and sprinkle with nutmeg. Serves three to four.
