VOLUME 24 NUMBER 4

City of Turkey Honors Two EMTs Saturday Night At Fourth of July Celebration

Turkey Mayor Leroy Stone presented jackets to Danny Stewart and Billy Pinkerton (Pinky could not be present) Saturday night for their five years of faithful service to the EMT program. Mayor Stone said that he and the City of Turkey are very proud of all the EMTs and the volunteer work they are

doing.

The Turkey Fire Department Women's Auxiliary, assisted by the Fireboys, did a "bang-up" job of preparing and serving delicious hamburgers, homemade ice cream and cold drinks to a large group of hungry people.

Entertainment was by Pat Seigler and his band from Paducah. Mr. Stone stated that these people just volunteered their time and talents, and those present enjoyed a first-rate program of music and singing.

Between 9:30 and 10:00 the Fireboys put on a brilliant display of fireworks to the delight of the crowd of men, women and children gathered for the festivities.

Those in charge of this fine activity are to be commended for all their efforts put forth for the community.

JOHN A. BOLING, SR.

Funeral services for John Arville Boling, sr., 53, were conducted at 10:00 a.m. Wednesday, July 6, at the Silverton Church of Christ. Officiating were Gerald Beasley, minister, and Earl Cantwell, minister of the Rock Creek Church of Christ.

Burial was in the Silverton Cemetery, with arrangements directed by Schooler-Gordon Funeral Directors of Silverton.

Mr. Boling died at 1:00 a.m. Monday, July 4, at the Veterans Hospital in Amarillo. He had been a patient there for the past two weeks.

He was born December 21, 1929 in Silverton, and was the son of Mrs. Marie Boling and the late Amplus Arville Boling. He was graduated from Kress High School in 1948, and served in the Korean War in 1951-1952. He had been a disabled veteran for the past 12 years and was a member of the Church of Christ. He had resided at 1905 Nelson in Amarillo the past three years.

Survivors include his wife, the former Shirley Gipson, of the home in Amarillo; two sons, John and Ron Boling, both of Lafayette, Louisiana; a daughter, Mrs. Gayle Spiers of Baton Rouge, Louisiana; his mother, Mrs. Marie Boling of Silverton; a brother, Bill Boling of Silverton; and three grandchildren.

Pallbearers were Fred Strange, Leon Lavy, J. L. Self, Victor Weaks, Rick Minyard and Ray Teeple.

The former Rayna Purcell is married to John Boling, jr.

Phyllis Dunn Attends State Conference In Amarillo

Phyllis Dunn, County & District Clerk for Hall County, attended the 88th Annual State County and District Clerk's Conference in Amarillo last week. Speakers for the group of 402 County Clerks, District Clerks and Election Administrators were Hon. Ann Richards, State Treasurer, Hon. John W. Fianter, jr., Secretary of State, Hon. Jerry Shackelford, District Judge of 320th Judicial District, along with personnel from the Texas Association of Counties, Texas Retirement System and the Election Division of the Secretary of State.

Each of the speakers discussed new legislation passed during the recent 68th Legislative Session that will be going into law. Separate sessions were also held for the groups to discuss the newly passed bills more thoroughly.

The County and District Clerk's Association of Texas is made up of seven areas over the state. Phyllis was elected to serve as Director for Area I, which contains the top 26 counties of the Panhandle.

THELMA MEACHAM

Services for Thelma Mary Meacham, 82, of Pecos were conducted at 2:30 p.m. Saturday at the Turkey Church of Christ. Burial was in Dreamland Cemetery at Turkey, with arrangements directed by Seigler Funeral Home. Elmore Johnson of Lubbock and Elgin Conner of Quitaque officiated.

Mrs. Meacham died Friday in a Pecos Nursing Home after a lengthy illness.

She was a native of Hall County, and moved from Turkey to Pecos in 1956. She was a member of the Church of Christ.

Survivors include three sons, Ed of Pecos, Charles Pete of Del Rio and Paul (Bud) of Amarillo; two daughters, Nora Buchanan of Dimmitt and Peggy Sanders of LaGrange; 13 grandchildren and 18 great-grandchildren. Grandsons were pallbearers.

LEWIS EUDY HAS EYE SURGERY IN LUBBOCK

Lewis Eudy underwent eye surgery in Lubbock Thursday. Those with him for the surgery were Mozelle Eudy, Ronald and Kay Eudy, Byron and Sybil Young and Cleo Green of Slaton. Visiting him later were Mr. and Mrs. Joe Young and McCay, Dwan Waddington, Jennifer St. Germaine, Angela Eudy, Jane and Jamie Meacham.

"We The Women" Luncheon To Be Held Monday

Judge Chappell Installs Turkey Lions Officers

Hall County Judge James Chappell was installing officer Tuesday, June 28, for Turkey Lions Club.

Officers installed are W. L. Armstrong, Boss Lion; Keith Green, first vice-president; Byron Young, second and third vice-president; J. T. Mullin, projects chairman; Keith Green, flag chairman; Melvin Clinton, program chairman; David Setliff, secretary; Johnny Peery, tail twister, and Roy Patterson, Lion tamer.

Faye Armstrong served a delicious meal to those named above, and to Kaylene Green, Sweetheart; Glen Braune, ag teacher at Valley, and to a guest of Judge Chappell.

The next meeting will be held July 26.

Quitaque "We the Women" will meet Monday in regular business session at noon.

The program will be a slide presentation featuring Europe by Mary Stark.

All of the women of the community are invited to attend. A nursery will be provided free of charge at the First Baptist Church for those with small children.

PUBLIC NOTICE

In running the stencils, the Tribune editor realized there are about as many subscriptions due in July as there were in June. Please check your date next to your name on your newspaper. We don't want you to miss a single issue.

4-41

Mr. and Mrs. Orval Cobb and Mr. and Mrs. Ikie Gilbert spent July 4 in Stamford. They visited the John Kings while there.

Top O' Texas Rodeo Set To Go In Pampa

Plans are complete for the 37th Annual Top o' Texas Rodeo to be held in Pampa, July 11-16, with performances at 8:00 p.m. each day.

Beutler Stock Producers of Elk City, Oklahoma are returning to Pampa to produce this year's rodeo. Clem McSpadden, former senator from Oklahoma, will be at the microphone once again this year to describe the action in the arena.

The "Country Critters," a western band from across San Antonio, will cue the Rodeo Events. The "Critters" will also give a 30-minute concert at 7:30 p.m. before each performance and will also give concerts in various shopping areas in Pampa each afternoon on Rodeo days.

Pake McEntire will play for the rodeo dance on Friday night, July 15, and Tommy Overstreet will play for the rodeo dance on Saturday night, July 16. The dances will be held in the improved Clyde Carruth Pavilion and will begin at 9:00 p.m. each day.

Two of the nation's leading bullfighters and funnymen, Rex Dunn and E. G. Crouch, will be at this year's show, with some of the top specialty acts for your entertainment.

Entries for the PRCA and GRA members will open July 8 at 11:00 a.m. and close July 11 at 11:00 a.m. To enter, call the Central Entry Office at 1-800-

525-7157. Gray County entries will be taken at the Rodeo Office in the Chamber of Commerce from 9:00 a.m. July 6 until July 8, 5:00 p.m.

The rodeo parade will be held Saturday, July 16 at 10:30 a.m. featuring entries from all areas of the Panhandle.

An Amateur Jackpot Double Muggin event will be offered, with an entry fee of \$35.00 plus a \$5.00 stock charge. Entry fees will be split 40%, 30%, 20% and 10%.

The Kid Pony Show, with events for children through age 15, will be held Monday, Tuesday and Wednesday evenings, July 11-12-13 at 7:00 p.m. Entries will open July 1 at 9:00 a.m. at the Rodeo Office Headquarters in the Chamber of Commerce office. Children in that age range are invited to participate.

General admission tickets for the rodeo performances may be purchased from various Pampa Merchants or the Rodeo Office. Reserved seats may be secured by calling (806) 669-3241 or by writing Box 1942, Pampa, Texas 79065. They will go on sale in the Rodeo Office at 9:00 a.m., Monday, July 11.

Mrs. Verlon Hamilton and children, Vicki and Sammy, of Roanoke spent a few days visiting her mother, Mrs. Ella Colvin, and other relatives in Quitaque.

Quitaque Pioneer Dies After A Lengthy Illness

Mrs. Vaughn (Mary) Hall, 89, died Thursday, June 30, after a long illness.

Services were conducted at 3:00 p.m. Friday at the First United Methodist Church in Flomot, with the Rev. Wayne Norman, pastor, officiating. Burial was in the Memorial Park Cemetery at Flomot, with arrangements directed by Schooler-Gordon Funeral Directors of Quitaque.

Mrs. Hall moved with her parents, Mr. and Mrs. Wade A. Martin, from Bosque County in covered wagons in 1900. They settled in the White Flat community and two years later they moved to Flomot where they settled in a dugout in 1902. She grew up in the Flomot community where she was very active in singings. She had a very good voice and sang many solos. She was well liked in the area, and never had an enemy, her husband said.

Mrs. Hall, born in Hill County, had lived in Quitaque since 1928. She was a member of the First United Methodist Church in Flomot. She married Vaughn Hall in 1940.

Survivors include her husband, of the home; and a brother, Wade Martin of Flomot.

Pallbearers were Arnold Castillo, Travis Kendall, Jimmy Baird, Earl Patrick, Donnie Martin and Herb Martin.

Honorary pallbearers were Frank Miller, David Brunson, Elgin Conner, Manuel Cruz, Warren Lee Merrell and Grady Tyler.

Ms. Ella Rae Malloy of Folsom, California is here visiting her mother, Mrs. Ella Colvin, and her sister, Mrs. Murry Wayne Morrison, other relatives and friends.

Mrs. June Ware and daughter, Lisa, of Floydada, Mrs. Mae Ross of Lubbock, Mrs. Murry Wayne Morrison, Mrs. Ella Colvin and Mrs. Ella Rae Malloy of Folsom, California drove to Roanoke to visit the Verlon Hamilton family. They were to visit other relatives, also, while there.

USDA Issues County Loan, Purchase Rates

The U. S. Department of Agriculture has issued county loan and purchase rates for 1983-crop barley, oats and rye.

Everett Rank, administrator of USDA's Agricultural Stabilization and Conservation Service, said USDA made some adjustments of county and state rates to reflect such factors as prices received by farmers, production and consumption trends and

transportation cost.

Rank said county rates for barley grading No. 2 or better are based on the national average loan and purchase rate—announced earlier—of \$2.16 per bushel, eight cents above the 1982 level.

The rates for oats grading No. 3 are based on the national average loan and purchase rate of \$1.36 per bushel, five cents

PUBLIC NOTICE

In compliance with Sec. 43(a) of Art. 1446c, V.A.C.S., West Texas Utilities Company hereby publishes NOTICE that it has filed, on June 10, 1983, its Statement of Intent to make changes in its retail rates charged for electricity and services sold and rendered inside and outside municipal jurisdictions, such proposed changes to be effective July 16, 1983. Such Statement of Intent includes the proposed revisions of tariffs and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Company and the classes and numbers of utility customers affected. Systemwide retail adjusted annual revenues are expected to be increased 11.4 per cent by the new rates. Statements of Intent were filed with the Public Utility Commission of Texas and with the following municipalities:

above the 1982 rate.

The rates for rye grading No. 2 or better, or No. 3 on the factor of test weight only, are based on the national average loan and purchase rate of \$2.25 per bushel, eight cents above the 1982 rate.

The 1983 schedule of premiums and discounts for all three crops is unchanged from 1982, he said.

Rank said copies of the rates are available from the cotton, grain and rice price support division, USDA-ASCS, P. O. Box 2415, Washington, D. C. 20013.

When planting a flower garden, be sure to find out the mature height of the plants and place low-growing ones in front and tall varieties in the rear.

**CROP PRODUCTION
ACREAGE REPORT
SHOWS PLANTINGS DOWN**

The following Crop Production report was released by the SRS Crop Reporting Board on June 29, and has been forwarded to county ASCS offices for the information of ASCS personnel and Committee Members.

CORN planted for all purposes is estimated at 60.1 million acres (24.3 million hectares), down 27 percent from last year but up two percent from the April intentions. Growers expect to harvest 52.5 million acres (21.2 million hectares) for grain, down 28 percent from 1982.

SORGHUM planted for all purposes is estimated at 11.6 million acres (4.7 million hectares), a decline of 28 percent from both 1982 and 1981 and the lowest acreage planted since 1949.

FEED GRAIN planted acreage (corn, sorghum, oats and barley) totaled 103 million acres (41.5 million hectares), down 16 percent from 1982. Acreage intended for grain is placed at 81.6 million acres (33.0 million hectares), down 24 percent from a year earlier.

ALL WHEAT acreage seeded is estimated to be 76.6 million acres (31.0 million hectares), down 12 percent from last year. Durum wheat seeded acreage, at 2.55 million acres (1.03 million hectares), is 41 percent less than last year. Other spring wheat, at 11.6 million acres (4.71 million hectares), is 30 percent below 1982. Winter wheat acreage for harvest, at 47.7 million acres (19.3 million hectares), is down 18 percent from last year.

FOOD GRAIN seeded acreage (wheat, rice and rye), at 81.7 million acres (33.1 million hectares) is 12 percent below 1982. Acreage harvested and to be harvested for grain is placed at 64.5 million acres (26.1 million hectares), down 22 percent from 1982.

COTTON acreage planted is estimated at 8.30 million acres (3.36 million hectares), 27 percent below last year and 42 less than 1981.

SOYBEAN area planted is estimated at 63.3 million acres (25.6 million hectares) down 12 percent from a year earlier and seven percent less than 1981.

OILSEEDS planted acreage (cotton, flaxseed, peanuts, soybeans and sunflower) totals 76.7 million acres (31.1 million hectares), 15 percent less than planted in 1982.

Beauty against cancer

A famous cancer expert once said that he rarely saw skin cancer on beautiful women. The reason: many beautiful women give special care to their skin and protect it against overexposure to sunlight. They also have blemishes removed as soon as they find them. Skin care, says the American Cancer Society, helps you protect yourself from skin cancer—the most common and most easily cured of cancers.

Even before his first birthday, a child benefits from being read to and told simple stories. Vital for language development, it also gives the toddler the enjoyment of undivided attention from another member of the family.

Cox - Hammer Wedding Plans Announced Here

Miss Keeli Cox of Quitaque and Mr. Robert Hammer of Panhandle will pledge wedding vows Saturday, July 9, 1983, at four o'clock in the afternoon at the First Baptist Church in Quitaque. The Rev. Mike Grebenik will read the ceremony.

Miss Cox is the daughter of Tina Weddle and Lynn Cox, both of Quitaque. The prospective bridegroom is the son of Mr. and Mrs. E. L. Hammer of Panhandle.

Friends and relatives of the couple are invited to attend.

Mr. and Mrs. Edward Monk of Leander arrived Sunday to visit his parents, Mr. and Mrs. P. John Monk in Quitaque. They spent two nights in McKinney visiting the Dellis Monks enroute to Quitaque, and the Dellis Monk's son, Dennis, accompanied them on to Quitaque to spend a few days.

The Valley Tribune received a note from Bob and Elene McAninch of Plainview, along with their subscription renewal, and they state they enjoy the newspaper very much each week. They also want to give a special thanks to the Senior Citizens for their care of the cemetery. They were here a few weeks ago and say the cemetery sure looked nice. They state that those with loved ones buried here who live away, are especially grateful.

(The Senior Citizens took on a job that should be done by younger people. It is hard, hot work, and many Senior Citizens have health problems. Those of you who have not seen the results of their work, and have not voiced your appreciation, might take time to do so.)

Mrs. Dwain Henderson and boys of Silverton came to Quitaque and took her mother-in-law, Lottie Owens, out to lunch at Roye's Saturday at noon. They spent the afternoon with her.

Sunday, Mr. and Mrs. Eddie Owens drove down and they ate out again. The Eddie Owens were expecting company for dinner Sunday evening.

Mr. and Mrs. Farris Martin from Inadell, Texas visited in the homes of his daughters, Brenda Smith and Ginger Mullin, and attended the funeral of his aunt, Mary Hall, at Flomot Friday afternoon.

Mr. and Mrs. Elmer Frye of Foreman, Arkansas visited her brother and family, Mr. and Mrs. Buster Chadwick and Stachia, Thursday and Friday of last week.

Mr. and Mrs. A. B. Ramsey, Mr. and Mrs. Wendell Farley, Mr. and Mrs. Dale Ramsey, Russell and Kristin, Mr. and Mrs. Dwight Ramsey, Bryan, Amy, Kayla and Dara, Mr. and Mrs. Gary Jameson, Kevin and Michelle, Mr. and Mrs. Johnny Chadwick, Shane and Bradley, Mr. and Mrs. Dennis Farley, Melody and Vance, Jana Boyles, Jamie Wellman, Troy Jackson, Miller Walker, Mr. and Mrs. Glynn Barrett, Danny and Judy celebrated July Fourth with an ice cream supper in the Barrett home. After dark the group enjoyed watching the kids set off their fireworks.

Laura Fuston Honored With Bridal Shower

A bridal shower honoring Miss Laura Fuston, bride-elect of Jon Davidson, was held in the beautiful home of Mrs. Homer Hawkins on Saturday, June 25, from 10:00 until 11:00 o'clock in the morning.

The serving table was covered with an antique lace cloth over navy. The table was centered with an arrangement of navy silk flowers flanked by crystal candle holders. Appointments of crystal and silver were used to serve coffee, spiced tea and delicious refreshments of sausage balls, coffee cake and fresh fruit.

The honoree received a lovely array of gifts, including the hostess gift which was a set of Farberware and Wildflower Corningware.

Assisting Mrs. Hawkins with hostess duties were Claudine Peery, Cathryn Setliff, Bettie Green, Ann Coker, Mary Hogue, Rita Mullin, Rita Guest, Mary Beth Adamson, Sybil Young, Margie Pinkerton, Gelene Proctor, Delores Price, Cindy Lane, Susie Shannon, Bonnie Hill, Linda Ferguson, Janice Wheeler, Margureat Lane and Paulette Lipscomb.

Mr. and Mrs. Larry Hedrick of Canyon drove to Quitaque and had breakfast with her parents, Mr. and Mrs. Ralph Carter, Saturday morning. They went on to Turkey to attend the "Fabulous Fifties" school reunion.

Lottie Owens drove to Silverton Monday afternoon and got her grandsons, Wayne and Zane Henderson, and took them to Plainview to attend the Fourth of July fireworks demonstration.

It was reported to be the best display Plainview has ever had. The Bill Ebbs and Mrs. Olive were with Lottie and the boys to enjoy the display.

Mr. and Mrs. Leroy Hamilton and Butch drove to Lake McClellan Sunday night and were met there by Mr. and Mrs. Joe Hamilton and Mr. and Mrs. L. W. Hamilton, both of Amarillo. They report they had a picnic and enjoyed the evening together.

POOL AVAILABLE FOR PARTIES

Silverton Swimming Pool is available for parties from 8:00 to 10:00 p.m. through the week except Wednesday.

Any group can rent the pool for \$30.00 per party. You do not have to be a member to rent the pool. Contact 823-2429 to book a party.

Ladies night at the pool is every Wednesday from 8:30 until 10:30 p.m.

Mr. and Mrs. C. M. Conner of Turkey were guests for lunch Monday, July 4, in the home of their son and family, Mr. and Mrs. Elgin Conner and girls.

The Elgin Conner family enjoyed hamburgers and ice cream after church Sunday evening in the Gary Chandler home and then later enjoyed the fireworks display.

Save your skin. It could save your life.

The sun can do more to your skin than burn it. Overexposure to the sun can also lead to skin cancer. If you work in the sun, or are a sun-worshiper, be sensible. Avoid prolonged exposure. Cover up. Cut down on the chances of skin cancer. It's your skin. Save it.

EVEN WHEN YOU'RE AWAY...YOUR HOME KEEPS RUNNING

You may naturally expect your home to use less electricity while you're away for a week or more. The reduction may not be as great as you think, however. That's because there are many factors that can affect your usage: weather conditions, billing periods and even vacation preparation.

1. Very hot weather before you leave and after you return means increased use of air conditioning, this makes it difficult to compare your bill with a previous month of milder weather.

2. Hot weather causes your refrigerator/freezer to run longer, particularly if your home air conditioning is turned off while you are away.

3. If the time you're away falls within two billing periods, the reduction you expect will be split between two bills.

4. If you didn't turn off your electric hot water heater before you left, it continued to keep your water hot 24 hours a day, even though you weren't there.

5. And don't forget...when getting ready for a vacation, you often use more electricity than usual for cleaning, washing, drying, ironing, cooking and general preparations. The same is true about your return.

Check your meter.

If you learn to read your own meter, you can find out just how much electricity was used while you were gone. And, you'll see just how much energy you're using during the summer, the heaviest electricity consuming season, with your air conditioning operating most of the time.

Skin Cancer May Result From Overexposure To The Sun

The fisherman, the farmer and the bathing beauty have something in common—the danger of skin cancer from prolonged overexposure to the sun.

"It's that time of year when we must remind people to use sense in the sun to avoid over-exposure which can cause skin cancer. Cancer of the skin is diagnosed in over 120,000 Americans each year," said Mrs. Ray Evans of the Hall County unit of the American Cancer Society.

She explained, "Most skin cancer is caused by excessive exposure to the sun. People whose occupation places their work outdoors—for example a lifeguard or construction worker—should be very careful. So should fair-skinned, fair-haired people. Senior citizens form another group advised to take care in the sun."

Since skin cancer occurs more frequently than any other type of cancer, it is important to know its early warning signals: a sore that does not heal; change in size or color of a wart or mole. "If a symptom appears, the person should not try to wish it away or 'doctor' it himself, Mrs. Evans stated. "See your physician as soon as possible. Skin cancer is highly curable if detected and treated in time."

"That's why it is so tragic that about 5,000 people are expected to die of skin cancer this year," Mrs. Evans added. "They will be victims of a disease that is largely preventable and highly curable."

The American Cancer Society has available skin cancer leaflets and an educational film entitled, "Sense in the Sun." For further information contact the ACS office at 1500 Wallace Boulevard, Suite A, Amarillo, Texas 79106 or call 353-4306.

Mrs. Evans said, "At this time of year the ACS advises people in Hall County to:

- Take sunshine in small doses;
- Wear a broad-brimmed hat and long-sleeved shirt;
- Use a beach umbrella;
- Apply a screening lotion or cream.

Minnows have teeth in their throat.

SOCIAL SECURITY NEWS

BY
TERRY J. CLEMENTS

It was a rainy day in Vernon, Texas several years ago when I was in a hamburger place ordering a double cheese chili hamburger for lunch. An elderly gentleman sitting next to me, who knew I worked for Social Security, turned to me and asked, "Is this rain going to affect my Social Security checks?" Although the gentleman was making a joke, he still demonstrated the concern that beneficiaries have about what might affect their Social Security checks. So it is with the new PIK program. Farmers are wondering how it will be counted in determining eligibility for checks. Like other federal agricultural programs, PIK payments are considered part of the farmer's gross income. They are

in the form of certificates of ownership and are not includable for taxation or for determining entitlement to Social Security checks until they are converted to cash.

Income under the PIK program received after the initial year of retirement will not affect eligibility for Social Security checks. This is because the income is not considered attributable to significant services performed after the first month of retirement.

PIK payments received during the first year of entitlement do count as earnings. Therefore, they can be considered in determining the amount of benefits due for the year. However, the farmer can still receive benefits for any month in that year that substantial services are not performed. In general, the farmer is not performing substantial services if he or she works less than 45 hours a month in the

farming operation.

In summary, PIK payments are taxable for Social Security in that they are considered part of the farmer's gross income. However, they would be considered as income for the annual earnings test only if converted to cash during the first year of entitlement. Even so, the beneficiary still could get checks for certain months if he or she is not performing substantial services.

Recently we made mention of a publication on the new Social Security law. In case you missed that article we still have plenty of copies of "Social Security Strengthened," a pamphlet explaining the 1983 amendments. If you would like a free copy, call, write or visit our office. The address is 1401-B West 5th Street in Plainview and our telephone number is 293-4371.

PUBLIC NOTICE

At the request of the Office of the General Counsel of the Public Utility Commission, the Commission has established Docket No. 5113 to inquire into pressing issues involving the entire telephone industry in Texas. Docket No. 5113 will deal with many issues resulting from the impending divestiture of American Telephone and Telegraph Company and Southwestern Bell Telephone Company. Some of those issues include establishing the service areas of Southwestern Bell after divestiture and assessing the impact on other telephone companies in Texas, including General Telephone Of The Southwest, of current settlement arrangements between Southwestern Bell and those companies. Additionally, Docket No. 5113 will deal with the issues arising from the Federal Communications Commission's Final Order in Docket 78-72 (the Access Charge Docket) as they impact all telephone companies, including General Telephone Company Of The Southwest. It is anticipated that Docket No. 5113 will be evidentiary in nature. RATES FOR GENERAL TELEPHONE COMPANY OF THE SOUTHWEST MAY BE DETERMINED BY THE COMMISSION IN OR AS A RESULT OF THIS PROCEEDING. Interested parties seeking further information or desiring to participate in Docket No. 5113 are advised to write to Rhonda Colbert Ryan, Secretary and Director of Hearings, Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757 or telephone the Public Utility Commission Consumer Affairs Division at (512)458-0223 or 458-0227, or (512) 458-0221 TTY for the deaf.

Does the name make a difference?

St. John wasn't his last name — that was French and usually mispronounced. But around Cape Cod, he was known simply as St. John, after his home town in Canada.

His appearance seemed far from saintly. Yet it never seemed awkward calling him that. He loved people. He loved the sea. He loved hard work. Most importantly, he loved his church and God. And his enthusiasm was contagious — somehow you felt better after you'd been with St. John.

It's refreshing and exciting to run into someone who tries hard to put his religion into living and working.

Remember that every day. Then folks might feel that same excitement when they run into you and me. That's something to strive for.

A Talk With God

This is a very special moment in Kenny's day. He is about to have his talk with God.

Kenny has these talks with God every day. He knows they are important . . . to God as well as Kenny.

Have there been any very special moments in your day lately? Have you thought about having a talk with God?

It was Jesus who pointed to a child's humble faith as an example for all Christians.

Learn how important a talk with God is to you Both. Make prayer a vital part of every day.

Kenny has!

Reports

REFUNDABLE ASSESSMENTS PROGRAM

AUSTIN — During the special session of the 68th Legislature, lawmakers passed an important mea-

sure which, if approved by voters this fall, will significantly improve the overall economy in Texas.

The Texas Senate and House of Representatives agreed to place on the November election ballot a constitutional amendment calling for a statewide refundable assessments program.

The program, which we sponsored, will provide for the promotion of food and fiber in Texas by providing representative associations of agricultural producers with the authority to collect refundable assessments on their product sales. The checkoff program must be approved by the producers who pay the assessment and they will be administered by board members who are elected by the producers. And, any producer of a commodity who does not wish to participate may request a

The program, which we sponsored, will provide for financing of marketing, promotions, research and education programs relating to products such as corn, wheat, grain sorghum and other commodities.

Currently, Texas is lagging behind other states in the nation in its ability to finance marketing promotions. Marketing and research promotions are essential to help sell Texas commodities at home and abroad.

The opportunity to expand our commodities markets overseas, especially for grain, is tremendous. A refundable assessments program will not only greatly benefit our producers, but it will also help provide additional jobs for the unemployed in this state. An increase in the exporting of our commodities will result in a rise in the number of people needed to help get the commodities to the overseas markets. People can expect to see an increase in job

opportunities in the trucking industry, railroads, elevator operators and more.

We believe that the proposed statewide program, which will be voted on by the people in the way of a constitutional amendment this November, is important to help improve the state of the economy. The program will not cost the state any money. It will be funded by producers of various commodities at very small assessments.

The purpose of such a program is to allow our farmers the right to join others to work to develop markets here and abroad, while at the same time boosting our economic climate.

We are fortunate that we were able to convince the Governor to let lawmakers consider the proposal during the recent special session. We believe it is very important to the agricultural industry.

One item which was placed on the special session agenda which also dealt with agriculture, but which failed to pass both Houses, was a revised workmen's compensation bill. The measure which was placed on the special session

agenda differed greatly from the workmen's compensation bill we defeated during the regular session. Nevertheless, the measure which would have affected significantly fewer farmers than originally proposed, never reached the full Senate for vote.

If you have any comments or questions about any issues presented during the special session, please let us know by writing Senator Bill Sarpalius, P.O. Box 12068, Austin, Texas 78711.

Most common, easily cured cancer

Skin cancer, the most common form of cancer in America, is the least dangerous and is slow growing. It may be easily cured in a doctor's office, says the American Cancer Society. So don't delay if you find any change in size or color of a wart or mole, or a dry scaly patch of skin, or any lump, bump or pimple that doesn't clear up in two weeks. See your doctor!

The average 100 watt light bulb uses one kilowatt hour for every ten hours it's on.

USDA Accepts Offers For 400,000 Bales Of Cotton

The U. S. Department of Agriculture will acquire about 400,000 bales of upland cotton to help satisfy payment-in-kind needs for farmers who did not plant cotton in 1983 or who have insufficient 1983 production to meet their PIK requirements.

According to Secretary of Agriculture John R. Block, USDA invited farmers with 1982-crop upland cotton under Commodity Credit Corporation loan to submit bids to forfeit their cotton. A seven percent limit was placed on the amount of in-kind compensation for the bids, which closed on June 16. USDA accepted all bids of seven percent or less, he said.

CCC initiated the bid program because it had too little cotton in inventory to fill PIK requirements for producers requesting cotton, Block said. PIK payment cotton will total about 4.1 million bales (480-pound bales of entitlement quality), of which 2.1

million bales are needed for producers who can not satisfy PIK payments with their own 1980, 1981 or 1982 loans.

CCC inventory, including the 400,000 bales of cotton from bids, is expected to range from 1.2 to 1.4 million bales, Block said. CCC's total inventory available for PIK will depend on how many 1980 and 1981 loans producers forfeit between the end of June and August.

Because CCC stock levels likely will be well below the more than two million bales needed for producers without outstanding loans, USDA is proceeding with its option, announced June 17, to require producers to obtain loans on 1983 production for use as PIK.

Block said the harvest for PIK requirement is being applied uniformly in all states to all producers that do not have adequate 1980, 1981 or 1982 cotton currently under loan to

satisfy their PIK needs. All producers who have requested cotton from CCC inventory and who have adequate 1983 production will receive their payment in kind by placing their 1983 production under loan.

Quantities of upland cotton needed for PIK and the amounts bid under the recent bid program included:

Texas, Total Required PIK, 1,437.6; PIK From Producer Loans, 374.7; PIK From Loans to Marketing Cooperatives, 384.3; PIK Requested from CCC Inventory, 678.6; Acquired From Bids, 134.6.

GAYLE GILREATH

INSTALLATION, MAINTENANCE SUPERVISOR RECEIVES ADDITIONAL RESPONSIBILITIES

In an effort to improve customer services and relations, Gayle Gilreath, Installation and Maintenance Supervisor for General Telephone for Memphis, Lakeview, Estelline, Turkey, Silvertown, Paducah, Wellington and Dodson, has been assigned the additional responsibility of small business systems sales, according to Jimmy Bennett, Operations Manager in Memphis.

The Installation and Maintenance Supervisor concept is part of General Telephone's plan to return responsibility for customer service to the local area. Bennett describes it as "Part of an overall plan to improve our relationship with our customers and provide them with the kind

of service they request. The Installation and Maintenance Supervisor initially was responsible for quality service to our customers locally and was to resolve problems that could not be taken care of through normal company channels. The sales responsibilities open up a whole new area for the Installation and Maintenance Supervisor. He is now commissioned with not only servicing customer equipment but insuring that the customer receives the correct equipment for his particular need. The challenge of creating the correct customer/equipment mix is difficult, but I'm sure he'll meet the challenge."

Gilreath, a native of Memphis, lives in Memphis with his wife, Sue, and their two children. He began his career with GTE in 1960 as a lineman in Memphis. He was promoted to management in 1982 and has held various technical positions in the company including Central Office. Gilreath is assistant fire chief in Memphis.

WITH THE SICK

Mrs. Bob (Laquita) Watson of Amarillo, daughter of Mr. and Mrs. Buster Chadwick of Quitaque, underwent surgery in Northwest Texas Hospital in Amarillo Tuesday of last week. It is reported to the Tribune she was to go home today (Tuesday) barring complications.

Mrs. Jessie Hooks of Childress Nursing Home, former resident of Quitaque, underwent surgery at St. Anthony's Hospital in Amarillo Wednesday afternoon for the repair of a broken hip bone. As we go to press, it is reported she came through the surgery fine and is doing as well as one her age possibly can in recovering from a fall and broken bone.

Laura Wyatt fell at her home in Quitaque Friday, it is reported, and she was taken to a hospital in Lubbock where it was determined she had broken a hip. She underwent surgery there Monday for repair and it is reported she came through fine. The family is with her at this writing and the editor failed to find anyone who knew which hospital.

Visiting in the home of their mother, Mrs. Ruth McKay, over the weekend were Sgt. Billy R. McKay and children, Felicia and Billy, jr. of Fort Bliss, Texas, and Mr. and Mrs. Clint McFarlin and girls, Shara, Tracey and Natalie of Dallas.

Emphasizing his interest in personalizing service, Gilreath stated that he is "excited about this responsibility. I feel I know the customer's needs and his location, as well as having the technical expertise to provide our customers with tailored telephone systems." Gilreath concluded that he is also looking forward to the continuing of service improvements and serving the local community.

Full Service On The Way Out? NOT HERE!

CARDS OF THANKS

We want to thank the Quitaque Emergency Medical Technicians who came to our rescue so rapidly Tuesday when Buddy needed care and took us to Lockney. Thanks to everyone who brought food, called, or helped in any way. May God bless each and every one of you.
Buddy and Leona Morris

We would like to express our sincere thanks for your prayers, calls, visits, cards and food during Lewis' eye surgery and recovery. We appreciate so much the concern of our families and friends.
God bless each of you.
Lewis and Mozelle Eudy

We want to thank everyone who has helped us in any way since Vollie's accident. Thank you for the phone calls, cards, flowers, food, and, especially, your prayers.

We want to give a special thanks to the EMTs who took him to the hospital and then came and brought him home. They are something that Quitaque should be especially thankful for. May God bless all of you.
Vollie and Wilma Hodges

RICK'S MUFFLER
(located at Hester's Gulf)
For all your exhaust needs, including customizing.

Senator Bill Sarpalius Reports

THE REALITY OF DWI

AUSTIN The Governor has signed into law a bill which all Texans can be proud of. The signing of Senate Bill One, a bill we authored and sponsored, represents a significant step toward increasing the safety of motorists who travel the roads and highways of Texas.

The new DWI law will go into effect January 1, 1983. The new measure calls for tougher penalties for repeat DWI offenders and it encourages alcohol rehabilitation. The new law also eliminates deferred adjudication, which in the past, allowed offenders to keep their record clean by serving probation without committing another offense.

We believe the tougher penalties, which will be assessed against DWI offenders beginning next year, will discourage intoxicated persons from getting behind the wheel of an automobile.

Under the new law, the courts will be allowed to suspend a motorist's license for up to one year on the first DWI conviction if the offender refuses to participate in a DWI education course. A second offense can result in a suspension of six months to two years.

A first time DWI offender will face a possible maximum fine of \$2000 and a jail term up to two years. A first time offender can receive probation without going to jail by participating in an alcohol or drug dependency evaluation and by completing other necessary conditions of probation.

Jail time will be mandatory for repeat offenders. Second time offenders will face jail time of from fifteen days to two years and a fine of from \$300 - \$2000. On a second DWI conviction, a person will have to serve at

least three days in jail as a condition of probation.

A third time offender will face from thirty days to two years in the county jail or from sixty days to five years in the Texas Department of Corrections and a fine of from \$500 - \$2000. On a third conviction, a person will have to serve at least ten days in jail as one condition of probation.

Penalties will be further enhanced in DWI cases involving death or serious injury.

Juveniles who are arrested for drunken driving will lose their license after their offense unless they take a DWI education course. After a second DWI conviction, a juvenile will lose his or her license for a year or until he or she reaches the legal drinking age, whichever is longer.

The new law also includes a new definition of intoxication. A person will be considered legally drunk if a test for alcohol in the blood shows a concentration of 0.10 percent or more. Studies indicate that anyone with a 0.10 percent blood alcohol level is too drunk to be driving.

The new law makes refusal to be tested for alcohol in the blood inadmissible as evidence in court.

The new measures are designed to keep drunken drivers off of our streets and highways and encourage them to seek help in alcohol treatment programs.

We believe the new law will help save the lives of innocent victims across the state. Statistics show that from 1976 to 1981, fatal accidents in Texas increased by 48%, and 79% of the fatalities were caused by drunken drivers.

If you have any questions about the new law, please write Senator Bill Sarpalius, P.O. Box 12068, Austin, Texas 78711.
