Baca, Kim and Kay, Mr. and Mrs. Joe Edd Smith, Jana, Kirk, Jeana, Mr. and Mrs. J. Ronald Taylor, Jeffery and Johnny, and Bill Helms, all of Quitaque. Refreshments of homemade ice cream, cake and cookies were served the visitors. They report a very good time together.

ANNUAL EDITOR EXPRESSES HER APPRECIATION AND REGRETS

Friends, Another year has passed and another issue of the Panthers' Den has been published. As editor of the 1970 annual I would like to take this opportunity to thank each of you for your help, loyalty, understanding and advice. I would also like to apologize to many of you who do deserve one. Many useless mistakes were made. One of the biggest mistakes was repeated many times, that being that pictures were left out of the classes section Gene Payne was left out of the Seventh Grade group; Sonda Edmonds was placed in the First Grade and Jeff Tiffin in the Fourth by mistake. The end sheets were left plain white because of a mixup in plans. Names were misspelled, one being Jerry Merrell, another Larry Tyler. I am truly sorry for these mistakes. I am sure that one who hasn't worked on an annual doesn't realize the strain and tension that is placed on the staff. There is so much to be done and so very little time to do it all. Another left out was Mrs. Dora Hawkins, and there are probably others not reported. Again I say I am sorry and I urge you as students and merchants to give your future editor, Neva Morrison, all the support you can. Believe me—she needs it.

Sincerely,
Jackie Cheatham

Turners Observe 50th Wedding Anniversary

The Golden Wedding Anniversary honoring Mr. and Mrs. Alga Turner was held on August 16 at 4:00 o'clock in the afternoon in the home of Mr. and Mrs. Jan Turner.

Guests were greeted and presented to the couple by Jan and Joy. Little Miss Jendy Turner registered the guests at the table that displayed two large fifty's and an old-fashioned bouquet of gold mums.

Joanie and Janna Turner, granddaughters, served the cake and golden punch from the table laid with a lace cloth over gold. The beautiful cake, decorated by Mrs. Harold Lane, was the centerpiece for the table. The cake featured a recent picture of the honored couple. Appointments of silver and crystal were used.

Misses Dodi Lane, Connie Ferguson and Linda Bolton assisted in the service. Others in the household were Mrs. Mary Beth Adams, Mrs. Lewis Ferguson and Mrs. Harold Lane.

Many local folk attended plus guests from Quitaque, Silverton, Amarillo, Memphis, Childress, Abilene, New Mexico, California and Florida.

Mr. and Mrs. Don Guest visited their parents, Mr. and Mrs. David Guest, and Mr. and Mrs. L. L. Lusk of Memphis. Lt. Guest will be stationed in Biloxi, Mississippi.

Mr. and Mrs. Billy Joe Pinkerton visited her parents, Mr. and Mrs. Marlin Moore of Loraine over the weekend. They also attended the wedding of her brother, Stanley Moore.

Mr. and Mrs. R. S. Butler of Amarillo brought Mrs. W. T. Brewer home and stayed all night with her.

Brum, son of Mr. and Mrs. Billy Joe Pinkerton, had his tonsils out in the hospital in Dumas Friday, August 14.

BOBO MORRISON INJURES ARM

Bobo Morrison had his left arm injured in the Baseball Tournament in Lockney. He was taken to Tulsa for X-rays, then transferred to Amarillo to a specialist. We heard Joe David Payne received an injury to a knee, Lynn Cox received an injury recently to his shoulder playing baseball.

Gas Company Applies For Rate Increase

Pioneer Natural Gas Company made application August 19 to the city officials of the cities on its West Texas system for an adjustment in the company's general service rate charged for gas delivered to domestic and commercial customers in those cities. The application stated that, if the cities acted affirmatively within the 60-day period provided by law, the company would accept a rate of 16.2% rather than the 19.4% requested.

In announcing the rate request, K. B. Watson, executive vice president of Pioneer said, "With the rising costs the company has sustained, it is in immediate need of additional revenue. To avoid any further delay and expense, an increase of 16.2% would be acceptable although a rate increase of 19.4% would yield less than a 7% per cent return on the fair value of the company's investment. As an indication of the problem," Watson continued, "the company was forced to pay an interest rate of 9 1/2% on its recent borrowing of \$20 million."

It was further pointed out that the Texas Railroad Commission had determined the proper charge for gas at the edge of the cities to be 32c effective July 1, 1970, up from 28c. "This rate adjustment will not result in increased revenue until the burner tip rate is changed. The rate increase was allowed in recognition of the company's increased cost in getting the gas to the communities through its transmission system. It does not include any consideration for the higher costs of distributing the gas within the cities," Watson said.

The company pointed out that either of the proposed rates would keep the consumer cost of gas on its West Texas system considerably below the State average for domestic and commercial use. The general service rate is applicable to this type service.

In the letter transmitting the application, the company referred to the current national publicity concerning the imminent nationwide gas supply shortage and assured the city officials that Pioneer has maintained an excellent gas supply and is capable of supplying new customers and increased requests for service. "With the cooperation of the area we serve, this position can be maintained in the foreseeable future. The company has recently connected two new areas of large potential gas supply which places us in a good position to meet the increased competition for future gas production," the letter stated.

Company officials have recently met with the committee that represented the cities in the rate proceedings before the Railroad Commission and with some of the city officials to advise them of the rate request. "We are inviting, and anticipate, immediate studies of our records and other information supporting this application," Watson said.

Mrs. Gladys Tipton and Larry arrived Friday of last week to visit the M. E. Lovings and other friends. Mrs. Tipton is a former teacher in the Quitaque Schools, and Larry attended school here. Mrs. Tipton is teaching in Ontario, California, and reports her school will start there September 14.

Mrs. Veda Lane and Mrs. Doyle Proctor were in Memphis last week where Mrs. Lane had a medical check-up.

Mrs. Bobby Clay and girls of Flomot and Debbie Lane were shopping in Plainview Wednesday of last week.

**OCEAN'S EDGE
OCEAN'S EDGE
OCEAN'S EDGE**

Yesterday I saw the ocean for the first time. Jim and I had been invited to a house party at a cottage on the shore. Having recently moved East from the Midwest, I had anticipated nothing more on the drive down than a weekend of fun and games, swimming and dancing.

But I wasn't prepared for the ocean. Its grandeur and beauty stirred me. Today I walked along the beach for long hours watching the waves or searching the shore for shells, listening to the wonderful roar of the sea as white-caps splashed around me.

Tonight as I stood at ocean's edge, the stars seemed near. Breakers crashing rhythmically sprinkled phosphorescence on the sand. For an instant I was caught within infinity. Sky, beach and tides contained me—in that moment I saw God.

I may never again achieve the clarity of that second on the beach, but someday I may. For this experience has awakened in me a longing to know more about God and the Truths the beauty of His world reveal.

Shirttail Sermon

When he learned of Jesus, Andrew was not satisfied until he told Simon, Peter, his brother, of his discovery. He wanted to tell him that Christ had come. Jesus had brought him such joy and happiness that he wanted to share it with his brother. His efforts were blessed. The message struck a responsive chord in Peter's heart. Peter wanted to know Jesus. It was a great day in the lives of both of these men. The New Testament records no sermons of Andrew. No accounts of his missionary work are given. We have no record that he did any writing. As far as we know his outstanding accomplishment was that he brought his brother to Christ. But what a great work this was! His example should inspire us to go out in search of those whom God has placed in our reach. One of the great needs of our day is for more Andrews. You can be one if you will!

LAUBACH LITERACY WORKSHOP SCHEDULED

A Laubach Literacy Workshop will be held at the First Baptist Church in Tulia September 9-10-11 from 9 until 12 and 1 to 4 each day. This workshop will be for all those interested in learning how to teach a non-reader to read and write the English language. The cost will be \$10.00 per person. This will pay for all the materials used in the workshop. The registration slips must be returned by August 31 in order for the materials to be ordered. It will be necessary for each participant to have at least 16 hours in the workshop to receive a teaching certificate. Make-up sessions will be available if they are needed. A group is planning to attend

the workshop from Quitaque. Mrs. R. J. Harmon, Mrs. Rex Johnson and Mrs. A. E. Gragson attended last year and they report it is very worth your while. It will help mothers with children who are slow readers. This is open to everyone whether you are a church member or not. If you are interested, contact Mrs. Walter Taylor, or write Literacy Workshop, First Baptist Church, Box 450, Tulia, Texas 79088.

Mr. and Mrs. Charles Uglow and son, Loyd, from Richardson spent the weekend with their daughter and family, Mr. and Mrs. Fred Kellum and son, Edward, Mr. and Mrs. Allen Kellum, of Silverton. Fred's parents, also visited them Friday. Fred Kellum is the new Vocational Agriculture teacher in the Quitaque Schools.

AN OPEN LETTER TO ALL STUDENTS OF THE QUITAQUE SCHOOLS

From the Herman Moseleys

We want to express our appreciation for the opportunity of working with all of you for four and a half years in the Quitaque schools. Many things come to the front when we think of the years that we spent in your school and community and we want to mention the most important ones to say how we appreciate all of you.

First we want to express our appreciation for the respectful manner in which you greeted us at school or on the streets of town or any other place. The greetings were always of the type that made the day more enjoyable and the most usual greeting was "Good Morning Mr. Moseley or Good Morning Mrs. Moseley". This type of greeting was certainly appreciated by us very much and we in turn tried to show our appreciation by returning the greeting in a like manner.

Another important thing that stands out in our memory of you students is the way you looked each day in your personal appearance as you attended school. We were always proud to say that you were one of the Quitaque students wherever you were. Your dress and conduct made

us proud of you as students of the Quitaque school and the State and nation as well. Your personal grooming was always in good taste and the two things together made it possible for you to make up an outstanding student body.

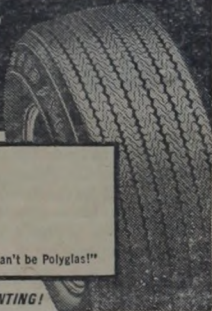

Another outstanding feature of the student body was the loyalty that you had for your school and this was demonstrated most vividly during our basketball games. All of you were ready to stand up and be counted when it came to cheering for our players and I know that this loyalty has helped Quitaque excel in sports for the past years and that the same spirit will help you continue to excel in the future. We hope for all of you the best in the future and hope that you will make the most of the opportunity that you have to attend school and prepare yourself for the life that you will live each day and at the same time realize that you are living each day of your life now and make the most of it.

We want all of you to know that we certainly have a very warm place in our hearts for each of you and hope that your school days will be happy and useful and filled full of opportunities that you will make the most of as you attend your classes. Respectfully yours,
Mr. and Mrs. Herman Moseley

LEGAL NOTICE
NOTICE OF HIGHWAY IMPROVEMENT

The Texas Highway Department offered an opportunity for a public hearing to be requested by publication on July 30th and August 6th, 1970, of a notice reporting the proposed improvement of State Highway 80, from Silverton East to Top of Caprock, in Briscoe County.

No requests for a public hearing were received; therefore, the District Office of the Texas Highway Department at Childress, Texas, has submitted all of the engineering data and information received in connection with the development of this project for approval of the proposed route and design by the Administration of the Texas Highway Department.

The proposed improvement will provide a 26-foot roadway surface, with 8-foot 6-inch paved shoulders, and 12-foot climbing lanes as required. The right of way will be a minimum of 150 feet, following the present location. There will be no displaced persons or businesses.

Maps, drawing showing geometric design, and all other available data concerning the development of this project may be inspected and copied at the office of Harry E. Hart, Resident Engineer, Matador, Texas. 11-1c

FLOMOT TEACHERAGE IS DAMAGED BY FIRE

The home of Coach and Mrs. V. V. Scott was damaged by fire Tuesday night of last week. It is believed that the fire was caused by the water heater. The fire started underneath the floor and smoldered for quite awhile before it was discovered.

No one was hurt and with the help of friends and neighbors all the household goods were removed in just a short while. The Flomot Fire Department was on hand and
