Valley HS Commencement Exercises Friday, May 24

The community gathered with the friends and families of the Class of 1991 at Valley School for commencement exercises Friday, May 24. The 8:00 o'clock hour brought the fifteen excited graduates to the climax of their scholastic career. There were many hugs and smiles as the crowd assembled, wishing the scholars well.

Miss Lori Conner played the march which brought the Class into the gymnasium. Ushered by April Stephens, April Britian, Chad Powell, and Tommy Pinkerton, the graduates were led by their valedictorian, Genie Seymour and salutatorian Tina Jo Clay.

Rev. Bob Lackey, pastor of Quitaque's First Baptist Church, gave the invocation, followed by Miss Clay's moving salutatorian address.

The valedictorian address by Miss Seymour was inspiring,

and Mr. Stuart Smith, minister of the Church of Christ in Turkey, brought the baccalaureate message. Jerry Maupin, Valley principal, presented the Class of 1991 to the superintendent for the awarding of their diplomas.

Each in turn came to the dais to receive a handshake and their diploma from Wilburn Leeper. As the names were read and each graduate proudly made their walk, memories of past events were rapidly pushed from mind, replaced by dreams of tomorrow... dreams the Class of '91 went to meet on the words of the benediction, spoken by Rev. Steve Ulrey, pastor of the Quitaque-Turkey United Methodist Churches.

(The Tribune regrets that last week's Senior edition inadvertently had the valedictorian and salutatorian names switched.)

THEN & NOW!

by Eunice McFall

Memorial Day has come and gone once again. How many of us used it as a day of remembering those who have gone on before us, who have paid a heavy price for us to live in the peace and contentment that we have today? Did we even remember the loved ones of long ago who worked under such adverse conditions to give us our world as we know it today? Did we just pack up a picnic lunch, travel to the lake, enjoy our day of recreation away from the ho-hum every day job and never really give a second thought as to why we had a holiday from our every day work?

Have you given any thought to what our world today would be like if the parents, soldiers, pioneers, etc of yesterday had just taken "the day" off and not completed the jobs they set out to do? What sort of world would we be living in? Certainly not the "I do as I choose" sort of world that we have come to believe is our right!

We need to give a bit more thought, care, concern, and love to those less fortunate than us, to remember to say thanks for all the privileges we have, even if we do not exercise our right to use them—that is our failure not those who paid the high price so that we would be able to "picnic, watch a ballgame"—or whatever our pleasure is for the moment.

Really, deep in your heart, do you feel that one day a year is too high a price to pay for honoring those who gave so much so we could "live in the lifestyles we have grown accustomed to!"

Time is running out for reserving your copy of Volume II of Footprints of Time—the History of Briscoe County. WTU Files Request To Lower Fuel Factors

Customers of West Texas Utilities Company could be paying less for their electric service starting in July if the Public Utility Commission of Texas (PCU) grants the company's request to lower fuel factors. WTU filed the request Tuesday (May 21) as an update to the original fuel filing it made in February.

Keith Edwards, WTU's local manager in Quitaque, Turkey, said "the company is asking for interim factors to be effective in July and fixed factors effective in October. Based on the company's expected cost of fuel this

summer, the interim factors produce a decrease, compared to current costs, of 7.8 percent or \$4.42 a month on consumption of 660 kilowatt-hours per month." In October the fixed factors will mean a decrease from today's costs of 2.6 percent (\$1.49) a month for 660 kilowatt-hours.

Although the commission still must approve the company's request, WTU is optimistic that the lower factors will be the ones used to calculate customers' July bills, Edwards said. Other customer groups will see similar

decreases in their costs as a result of the lower fuel factors.

Costs to residential customers are essentially divided into two major parts, base rate and fuel factor. The fuel charge makes up about twenty eight percent of the total cost to customers.

Base rates cover all the other costs of providing electric service. To comply with the State's energy conservation efforts, WTU uses winter rates from November to April and summer rates from May to October. Summer rates are higher to encourage conservation when temperatures make air conditioners work long hours and help produce the greatest demand for electricity of any time during the year.

If the company's request to implement the new factors on July bills is granted, the lower costs will be in effect for most of the air conditioning season.

WTU provides electric service to 177,000 customers in 52 counties stretching from the Red River to the Rio Grande.

Memorial Service Held May 26 At Dreamland

by Patti Mullin

People gathered on Sunday, May 26, for a memorial service at Dreamland Cemetery. The service began with the pledge to flag led by Kevin Carter. Jerry Bob Smith led the singing of patriotic hymns. Rev. Steve Ulrey read the names of the ones who served in Desert Storm, and Rev. Melvin Clinton read the names of those who served and died during WWII and Korea. Rev. Stuart Smith brought the message. Flags were offered to be placed on the graves of men who served our country.

Flags were furnished by Margie Pinkerton.

The service was ended with closing prayer led by Leroy Stone.

The Turkey Swimming Pool is now open for your summer swimming pleasure.

Clarendon Junior College Forms Foundation Board

A foundation board has been formed to promote and further the interest of education at Clarendon Junior College. The primary goal of this board will be to raise funds to provide scholarships, grants-in-aid, and loans to students, provide funds for various educational programs and services, acquire real estate and facilities appropriate for the educational and professional programs of Clarendon Junior College.

The Board of Directors for the Clarendon College Foundation were selected from an eight county area served by Clarendon Junior College.

The Board of Directors met on May 23, 1991, to elect an executive committee from their members. Elected were, David Brunson, Quitaque; Genevieve Caldwell, Clarendon; Bill Lowe, Clarendon; and Kade Matthews, Clarendon. Area Ladies Tell Fish Stories About Recent Trip
BIG ONE DIDN'T GET AWAY
 A group of ladies went for a big fishing trip last week. They were Freda Fuston, Beth Mills, Sue Proctor and Betty House. They went to Junction for some fishing, games of bridge and relaxation.
 The word is that Sue is not an avid fisherwoman, but on the last day, she latched onto a whopper. She struggled to the bank, and was later assisted by Beth in reeling in a four-pound catfish. Best catch of the day! The ladies reportedly had a good time. They enjoyed the country, had pretty weather, and the river was good for fishing.

EMS Review Of Year '90

In a small town, it seems like nothing really ever happens in the way of significant medical emergencies or traumas -- or so most people seem to think! That's why it came as a surprise even to those who work with EMS to look back at 1990 and see all the different situations that had been faced and to see that the vast majority of training and skills had been called upon some time during the year!!

Quitaque Ambulance Service responded to the following calls in 1990:

Four trauma, two fatalities, 32 medical, six state park (search, rescue, medical) three wrecks, eighteen no transport or private transport after initial aid, three mutual aid responses -- one to Silverton and two to Turkey, and two other.

The ambulance service also transported one patient to the medical helicopter and was on standby at four structure fires.

Some of the injuries and illnesses cared for follow:

Broken arm, hips, ankles; dislocated hip, bandaged fingers, stabilized an impaled fish hook, assisted several who fell; hyperventilation, near-drowning, kidney stones, strokes, severe back and leg pain, busted head, rescued man whose trailer fell on him, emphysema patients, child fainting, several cardiac calls, one overdose, an infant with respiratory problems, epilepsy, child with chest pain, cancer patients, search and rescue of seven persons at State Park with severe heat problems, search and rescue of one child at State Park in cold, wet weather, and three heat stroke patients!

Tuesday Faye Dudley and Garnie Taylor drove to Dierk, Arkansas. While there they visited Otis and Chris Jacobs, cousins of Garnie. They returned home Friday.

S. C. and Austella Brown spent May 12 with Robert Brown in Plainview. The next two nights they visited the Carl Browns in Amarillo. On Tuesday Austella had a doctor's appointment and received a good report. While there they toured the Canyon museum. They also visited Robert and Rhonda Miller, Roaring Springs.

Sunday afternoon visitors in the James Kimbell home were Mr. and Mrs. J. D. Bray of Kingsland, Texas; Mr. and Mrs. J. C. Maybry, and Cindy Bartram of Tulsa; Mr. and Mrs. Elgin Conner, Lori and Karyn, Quitaque and Mrs. Bea Strange and granddaughter of Portales and Elida, NM. Mrs. Bea Strange and Jennifer Pert of Elida, NM spent Sunday night also.

Mr. and Mrs. James Barefield had Ann Bingham, Big Springs and Frankie Pittman, Wolfforth as guests Tuesday and Wednesday.

Mary Polk, Austin, arrived at her parents home, The Leon McCrackens at noon on Mother's Day and remained until Wednesday for a visit. Mary also visited Maudine Richmond of Turkey while here.

Overheard: Bravery is the capacity to perform properly even when scared half to death!

THANK YOU

We want to thank everyone for all the cards, balloon bouquets, flowers, and visits while Russell was in the hospital. A special thanks to Kindergarten, First, Second, Third, Fourth, and Fifth grades for all the special get well cards and notes. Thanks also to the fifth grade class and teachers and the Orioles Baseball Team for visiting Russell at home. Thank you for all the love, care, and concern shown while we were in the hospital and since we've been home.

Russell, Dale, Carol, and Kristin Ramsey 52 1tc

To all the people in Quitaque: Though we only had a few years together, the time we shared could never have been better. If there were more people with friends like you, the world would be a better place.

As life changes and time goes on, we must also go on, from our family in Quitaque to our family in Ft. Worth.

Thank you for your love and prayers, Feam and Jim Taylor 52 1tc

I would like to thank everyone for their calls, visits, flowers, cards and especially your prayers while I was hospitalized, also the food and visits since my return home.

Sincerely, Onale Grundy 52 1tc
