Friends Of Library Hold Membership Tea

Friends of Caprock Public Library held a membership tea on Monday, May 10 at Quitaque Quail Lodge. The Friends of Caprock Library contribute in many different areas. Friends help catalog books, cover and prepare cataloged books to be shelved, and assist the librarian during busy hours. Now that the computer has been placed in the library, Friends are needed to enter catalog information.

The Friends will also sponsor an Arts and Crafts Show on June 5th in conjunction with National Trails Day. Friends of the Library can also donate monetarily by monthly draft, annually, or as a memorial.

Those attending the Tea were Debbie Myers, Ruth Hooks, Ruth Anderson, Lela Mae Hutcheson, Alice Curry, Jo Patrick, Pat Rucker, Elizabeth Monk, Detene Tyler, Janelle Smith, Jacquelyn Ham, Linda Stark, Arlene Hinkle, Patty Winters, Janice Henson, Christeen Gilbert and Dianne Washington from Flo-mot, Virginia Taylor from South Plains, Theresa Clinton, Krystle Clinton, Jessica Carter and Kevin Carter from Turkey.

Friends of Caprock Public Library would like to encourage everyone to stop by the library to see the wide selection of material and services available. The Caprock area is fortunate to have the availability of a fax machine, a VCR and a 486 computer with CD-ROM. The next project of the Friends is to purchase a copier to be placed in the library for public use. Contributions for this project can be made at the library.

Watch for June 5

THEN & NOW!

Clean-up week has been in full swing in Quitaque this week--everywhere you look you see someone with a paint brush, broom, hoe, dust cloth, mower, or a tape measure in hand. The sidewalk museum has a new look--worth your time to take a leisurely stroll down Main Street again to see the different items in the windows. Main Street is also sporting new pots of flowers that are very pleasing to the eye.

Many hours of hard work has been put in by volunteering individuals to scrape and paint buildings in town. Hours and hours of labor have gone on to remove unwanted weeds and grass from the city. The city park has a special manicured look these days. New bricks have been made available for the mini park on Main Street. Individual yards are showing the extra care being given to them in anticipation of the June 5th Trailway opening.

The citizens of Quitaque are really putting a lot of effort out trying to put "our best foot forward" for the guests we will be entertaining on that date. Not only for that day but just think how fresh and neat our town will look all year if we will only take the time to get rid of all the old refrigerators, cars, air conditioners, etc that are just sitting there rusting down and looking very tacky; trim our trees, mow our lawns regularly, paint our buildings, sweep our streets and shine our windows.

The City has made arrangements this coming Saturday, May 15 for all items, such as refrigerators, cars, etc to be disposed of. Just give them a call to let them know you need help.

Yes, our town is beginning to shine but we still have a few hours of labor left to give it that final polish so it will have its brightest shine on June 5. Let's all pull together to CLEAN UP OUR TOWN!

Hawkins Heads Up Trail Day Parade, June 5

Parade Chairman, C. L. Hawkins, is putting together a great lineup of entries for the National Trail Day Parade in Quitaque. Numerous mounted clubs and individuals will be riding. Antique cars will be well represented along with other entertaining entries.

The parade will take place at 10 a.m., June 5. It will be one of the big events commemorating the opening of the Caprock Canyons State Park Trailway. The parade will immediately precede the Dedication Ceremony scheduled for 11 a.m. at the trail head.

All entries are welcome. Groups or individuals may register by contacting C. L. or by leaving their name with Maria at the City Hall.

Tickets Now On Sale!

Tickets are now on sale for the Trailway Opening barn dance June 5 in Quitaque. Hal Ketchem and his band will be performing. Ketchem's hit song, "Hearts are Gonna Roll" is now number 3 on the national charts! This fine, young artist's star is rapidly climbing in country music. He is often featured on TNN and CMT. He has had a song in the top ten for several months.

Tickets are available in many places across the region and at the City Hall in Quitaque. The barn dance will cap off the day of celebration for the opening of the Caprock Canyons State Park Trailway. The dance will be held at the Compress. The concession stand will open at 6:00 p.m. for supper and the music will begin at 8:00 p.m.

The Dream Of The Real Texas

by Kathrin Karrass

Texas has the symbol of cowboys, horses and country and western music was my dream destination before I came to America almost nine months ago. But I could not imagine to wait such a long time to see a Texan branding or to ride on horseback.

I found the reason that people probably can not imagine that their daily work is so interesting for a German exchange student. But for example, I spent most of my spare time with horses in Germany.

Well, finally two and a half weeks before I will leave Quitaque I had the spontaneous opportunity to see a branding at Truman Merrell's ranch. On Wednesday morning this dream came true as Mr. and Mrs. Ronald Clay took me to one of the last brandings around Quitaque. Even the drive to Truman's ranch opened me a whole new world with a beautiful canyon area where I had not been before.

Having arrived there everybody was already working. Warning of a cruel impression of the branding didn't bother me and I even held a calf that was getting castrated, branded and dehorned. I must admit it was a boody and hard job that needs a lot of power to hold such a scared calf.

And I thought cowboys never fall off the horse but I witnessed the opposite. One of the most experienced cowboys fell off his horse. Well, nobody is perfect and it was obviously not his luckiest day.

Then while on horseback I even helped to separate the cows and calves. The smell of swat, dust and the smell of burned skin introduced me to the daily hard work of a cowboy.

That's what I have ever dreamed of to do while I would be in Texas. Thank you so very much Mr. and Mrs. Clay! I had such a great time and discovered the real Texas what will be an everlasting memory.

First Annual Spring Cleanup Week In Quitaque

Employees will be available at City Hall from 1:00 to 5:00 p.m. Saturday for all of those wanting to dump items meeting the criteria set forth by Triple C Waste.

The City will also have a salvager in town that day to pick up abandoned and junk cars. He will also be picking up old stoves, water heaters, refrigerators, freezers and other metal goods that you wish to dispose of that day.

down to the Coon Creek camp on the Cogdell "Dinner Creek" Ranch where they will bunk for the night. A camp meal will be served.

The following morning, the riders will travel down to Caprock Canyons State Park, arriving about 4 p.m. At the trail's end supper on May 24, there will be a ceremony recognizing those who traveled the greatest distance to attend, those responsible for raising the most money for the head injury fund and other awards. First-time riders will receive a trail ride jacket and all riders will receive a patch commemorating the 10th year of the trail ride.

Those who do not want to participate in the long ride may choose one of two other options. The middle road ride begins at the Figure 3 Ranch on May 23 and ends at the Claude crossing stop at noon. Riders then will have the option of leaving or proceeding down to the park and ride 22 miles of clover leaf trails in the park. The other option is for riders to go directly to Caprock Canyons State Park and ride out from base camp to return at noon and in the evening.

The Texas Head Injury Foundation is a nonprofit organization administered by the Amarillo Area for the Elizabeth T. Bivins Rehabilitation Complex. All meals and guides for the ride are furnished by the foundation, but participants will need their own horse and bedroll. The foundation

Come Celebrate Rural Life Sunday

"Is not every breaking of the loaf, and every pouring from the pitcher, a sacramental act?" That question will be explored and answered in the positive during the celebration of Rural Life Sunday at the United Methodist Churches in Turkey and Quitaque on Sunday, May 16.

Rural Life Sunday is one of the special days observed by congregations of The United Methodist Church. The theme for 1993 lifts up the provision of food as a special gift of God's Grace, and suggests that every meal should be an occasion for welcoming the Spirit of God, and not just those commonly called "The Lord's Supper." Farmers and ranchers who, as stewards of God's earth, provide the world with food and fiber will be lifted in prayer.

The most impressive "product" grown in rural communities will especially be recognized. Our young people are the most important things growing here. Seniors of '93 who relate to the United Methodist congregations will be recognized in the Morning Worship services at 9:30 a.m. in Turkey and 11:00 a.m. in Quitaque.

Guests are expected and all are welcome.

will arrange to shuttle vehicles from the ranch to the park if needed.

Caprock Canyons State Park is three miles North of Quitaque off Texas 86 on Ranch Road 1065. The 13,960-acre park includes 100-acre Lake Theo. The park offers picnicking, primitive camping or camping with water and electricity, nature and hiking trails, an equestrian area, showers and the lake has a boat ramp.

Appropriate weekend and daily entrance fees are applicable. Holders of the Texas Conservation Passport receive free entry into the park. For more information on the trail ride contact Chuck Hester at (806) 655-1016. For information on the park call (806) 455-1492.

Valley Grief Support Group Meets Friday

The first meeting of the Valley Grief Support Group will take place Friday, May 14 at 6:30 p.m. in the Community Room of the First National Bank in Quitaque. Those hosting the group are Ann Chadwick, Rhonda Cockran, Jacquelyn Ham, Mildred Hulseay and Steve Ulrey. Resources for the group meetings are being supplied by Hospice of the Plains.

This group is being formed to help persons who have experienced the loss of loved ones through their period of grief. Numerous families in our communities have been touched by death in recent months. It is recognized that it often takes a significant period of time to deal with one's loss. One of the ways to find the strength

for that process of grief is being with others who are going through similar struggle. This support group will offer that opportunity.

Many of the persons who have experienced loss in the last year are being contacted by phone or letter. All are welcome to attend. A sandwich supper will be served and the way the group will function will be discussed. Every effort will be made to see that no one feels pushed beyond their comfort zones in sharing or experience.

Valley School Eighth Grade Graduation Set

Valley School will be having their Eighth Grade Graduation Exercises on Thursday, May 20, 1993 in the Valley Gymnasium.

Shawn Stephens will be Valedictorian for the class and George Pigg will have the honor of being Salutatorian. Four students have been selected as honor students, Matt Abram, Cara Powell, Brandi Price and Leah Rogers.

All area residents are encouraged to come out to help these young people celebrate a most important night in their lives.

"Train children in the right way, and when old, they will not stray."

—Proverbs 22:6—

Rural Life Sunday May 16

There is no textbook on perfect parenting, but you can't go wrong if you teach your children about love. About hope. About true values. Give them the richness of a childhood spent growing up in a warm and loving church family, where we keep the wellbeing of all God's children in mind. Give them the kind of foundation you'll want them to pass along to your grandchildren someday. Come on home to the United Methodist Church. We're not perfect parents either, but we're learning all the things that really matter.

Things Seen Or Heard

by Ann Coker
There were lots of visitors in town over the Mother's Day week-end. Visiting with J.T. and Tootsie Mullin was their daughter, Glenna and Rick Elmore and daughter from Brownfield.

Maudine Richman also had guests over the week-end. Her son and wife Mr. and Mrs. Ronnie Richman of Anson were here.

The other day while Lorene Setliff and I were eating in a Plainview Restaurant we decided it was Turkey Day in Plainview. A few tables from where we were sitting was Wayne and Mary Lory and at a table next to us Dot Arnold, Frankie Bell, Bell Davis and Judy Noble were seated. Some former residents of Turkey, John and Helen (Rhodes) Young of Tulsa were also among the diners. Just before we left a young man (young to me) walked over to our table and introduced himself as Lewis Cannon—a student that was in my fifth grade class when I first began teaching in Turkey. He is the son of the Mutt Cannons. That was a few years ago.

Guests in the E.L. Hill home over the week-end were their son and family, Rod and Diann Hill and children of Claude and the Hill's daughter, Carol Weatherly and son Jess of Memphis. Also visiting from Memphis was Lynn and Wiley David and their children.

On Saturday Neil and Denee Payne who are stationed at the Altus Air Base and their children, Jared and three month old twins, Emily and Evan visited in the Hill home. Bob Russe¹¹ and Charles and Gerad Daniel also visited with the Paynes at this time.

Bonnie reported Monday afternoon that E.L. was doing much better as he was working in his workshop constructing a bench!

Betty Jean Williams of Canyon visited with her mother-in-law on Mother's Day, Arlie Williams.

Jessie and Bea Mullin had some welcomed guests in their home last week-end. There guests were their son and family, Mr. and Mrs. Conrad Mullin and children, Shelia and Chuck. They live in Granbury.

I was sorry to hear that Turkey has lost two of their citizens. Buck and Ruth

Lancaster have recently moved to Lubbock. The Lancasters have called Turkey their home for a number of years. Mr. Lancaster has done carpenter work for us several times over the years and was always a pleasant man to be around. Ruth Lancaster has served as pianist for the First Baptist Church for a number of years. The Lancasters were quite active in Senior Citizens and their church. They will be missed.

Sherice (Price) Bench of Austin visited with her family, the Hubert Prices, over the week-end. Her husband, Kevin, visited with his mother on Mother's Day in Austin.

Visiting with Alpha (Mullin) Bounds recently was her son, Carl Lance Lee.

Janice Wheeler made a trip to Ceta Canyon last Friday to pick up a couple of campers from Valley who had attended the Camp on the school Migrant Program. She and her husband, Billy, took the girls to camp on Wednesday. I had the opportunity to go with Mrs. Wheeler on Friday to return the campers back home. What memories it brought back.

Today Ceta Canyon is a beautiful camp with modern facilities and very attractive cabins. When I first visited Ceta Canyon I was eleven years old and went with a group from my church. The facilities at that time were quite crude but we all thoroughly enjoyed "roughing it!"

Years later I had the opportunity to return to Ceta Canyon to take my own children to Church Camp—Kim, Linda and Brenda. Brenda and Linda returned several times as teenagers to work with the younger campers. The accommodations have been vastly improved since they were at camp. It was a fun day for me.

Louis and Oleta Randell have been to visit their children in Ft. Worth, Dallas and Houston and with friends in Irving. While visiting with their son, Steve and Phyllis Randell in Ft. Worth, they attended a baseball game in which their 6 year old grandson, Jacob, knocked a home-run. (Very exciting! Worth the trip!)

Dona Browning and Oleta Randell attended a jewelry party Saturday in the Donnie Cruse home in Flomot.

Kendall Blythe of Abilene Christian University spent Sunday night and Monday with his grandparents, Louis and Oleta Randell.

Monday, Louis and Kendall went fishing at lake Theo.

Reception Honors The Jack Houses

by Ann Coker
Fifty years ago this May, a young lady boarded a train and traveled to Washington D.C. This was her first train ride and she traveled alone. This young lady was Del Ray Bowman and she was traveling to the Capitol City to meet her fiance, Sgt. Jack House. This was war-time and Jack, in the U.S. Army, was stationed at Walter Reed Medical Center in Washington D.C.

Sgt. Jack House and Del Ray Bowman were married at the Walter Reed Memorial Chapel in Washington D.C. on May 8, 1943, which was also Del Ray's birthday. Following their marriage Sgt. House was transferred to the Queen Mary as a Dental Technician and made thirteen trips to England.

Last Sunday afternoon, May 9, 1993, the Houses two daughters, Michie Fuston and Katie Bomar, hosted a reception in their parent's home to honor them on their fiftieth anniversary.

Approximately one hundred guests registered during the afternoon. The attractive serving table was covered with a lace cloth and an arrangement of silicone gold and purple flowers was centered on the table. A four tiered wedding cake, designed and baked by Jon Etta Ziegler, displayed a bride and groom atop the cake. The groom was dressed in an army uniform and the bride in a wedding gown. This was the same cake decoration used on their wedding cake fifty years ago.

Nuts, mints, coffee and punch were also served. Pam Meacham and Mary McMurtry presided at the serving table.

Out of town guests who registered were: May Fair and Pam Meacham of Albuquerque, N.M.; Joe Burton Meacham of Santa Fe, N.M.; Mr. and Mrs. Glen Bowman and Mr. and Mrs. Billy Bowman all of Estelline; Jon Etta Ziegler and daughter Townley, and Lana Bursen and children all of Silverton; Mr. and Mrs. Eddie Leary, Mr. and Mrs. Ted Bruce, Mr. and Mrs. Eldon Lyles all of Childress; Mr. and Mrs. Kelly McMurtry, Halley Robison all of Amarillo; Mr. and Mrs. Clarence Wooten and Mr. and Mrs. Harold Wheeler of Parnell; the Randy Gaffords from Floydada; Mr. and Mrs. Jim

Crystal Yates And Calvin Kimbell United In Marriage

Crystal Yates and Calvin (Shorty) Kimbell were united in marriage Sunday afternoon April 18, 1993 at the country home of the grooms parents of Estelline. Rev. Melvin Clinton officiated the ceremony.

Crystal is the daughter of Cheryl Roberts of Kermit Texas and Russell Yates of Turkey. Shorty is the son of James Lynn and Patty Kimbell of Estelline.

The bride and her wedding party carried out a western theme. The bride was presented in marriage by her brother Cassey of Kermit. The bride attendants were Amanda Pointer and Sonta Hernandez of Turkey. The groom attendants were Gary Clinton and Cory Pointer of Turkey.

Following the ceremony a reception was held. Cake, punch, fruit and finger sandwiches were served to approximately 100 guests. Those helping with the reception were: Lisa Price, Jay Proctor, Ruth Ann Scriver and Vicki Lindsey.

Serving was: Amanda Pointer and Sonta Hernandez.

The new couple will make their home in Turkey.

Farmers Union Meet In Austin

by Ann Coker

Just before Buck Blakney left on a fishing trip he reported he had recently been in Austin to attend a Farmers Union meeting.

The group met at the Howard Johnson Motel in Austin. He attended the objective Board Meeting.

The Board of Directors is composed of the County Presidents. This group visited the Capitol Building to confer with the lawmakers.

The Farmers Union has presented nine bills they would like to have passed.

Caprock Library News

by Arlene Hinkle

There has been a whirlwind of activity this week—painting; cleaning; mowing; weeding; and picking-up all over town—in conjunction with the Spring Trash Bash sponsored by City Hall. What a difference a week makes!

The tea that was held at Quail lodge was very successful. The Friends of the Library enjoyed the hospitality of Patti and Willis Winters.

Most of us like to try new and different ways to express ourselves from time to time and Caprock Public Library has a book called *Getting Started In Drawing* by Wendon Blake with drawings by Ferdinand Petrie. Mr. Blake assures us that drawing is a simple accomplishment and that anyone can learn.

Maybe your interest lies in western attire—Jane Pattie's *Cowboy Spurs and Their Makers* is about the development of spurs as well as the collectors and the identifying marks that were used by riders in the southwest.

For juveniles: *I Am Not Going To Get Up Today* by Dr. Seuss, and illustrated by James Stevenson. A little boy decides to sleep away the day and does....

Did you know that there are 70 kinds of poisonous rattlesnakes? *Rattlesnakes* by Sherie Bargar is full of information and vivid photographs.

Would the person that checked out the audio book *Torpedo Run* please return it to the Caprock Public Library? Happy Reading!

Turkey Senior Citizens

Thirteen members were present on May 4th for the Turkey Senior Citizens meeting.

Margie Pinkerton took blood pressure tests. Buster Hanna, president, greeted the members and offered thanks before the meal. After the meal, games were enjoyed.

Next meeting will be at 6 p.m. on May 18th.

Marines Pay Honor To Turkey Resident

The Marines landed in Turkey last Tuesday afternoon -- not to capture the town, but to pay homage to a local resident who is a former Marine hero, Robert (Bob) Chaney. Ex-Corporal and Mrs. Bob Chaney bought the Lavon Gafford home and moved to Turkey in recent months.

Employees of the Hospice of Plainview have been calling on and visiting with Chaney since he moved to Turkey, and after becoming acquainted with him, they realized he deserved some recognition that had long been delayed.

Nancy Keith, director of Administration of Hospice, started the wheels rolling by calling Bill Sarpalius' office, and under pretense of a "Love Bob Day" arrangements were made for a special ceremony at the Chaney home.

An Honor Guard composed of representatives from American Legion and VFW from Tulia, led by Major Cook of Albuquerque and Sgt. Escareno of Plainview, recruiters, showed up to present Chaney with a Non-Commissioned Officer's sword. The special sword was awarded for Chaney's service during World War II, where he received four Battle Stars, serving in the Solomon, New Hebrides, and Tonga Islands; Guadalcanal, Australia, and New Zealand, (where Chaney said the 30,000 Marines stationed there "ate all the sheep on the island.") He also fought in the Mariannas Islands, Guam, and Saipan, and on Iwo Jima. He was presented with a replica of the purple heart decoration, which had been earned but never presented, before his discharge in Norfolk, VA in October of 1945.

Chaney later said "When I saw that Honor Guard carrying rifles, led by two tough Marines, coming up my road, I didn't know what was going to happen to me!" As he was approached by Major Cook, Chaney said "If you've come to recruit me, you've waited a few years too late."

Following the presentation by Cook, Officer of the Day representing the Tulia American Legion, presented Cpl. Chaney with the folded American flag.

Major Cook of Albuquerque (right) makes presentation of NCO Sword to Bob Chaney, middle. At attention on left, Sgt. Escareno of Plainview.

Attending besides those associated with the military, were members of the Hospice who made it all happen: Roxey Williams, Executive Director; Ms. Keith, Tamara McCasland, RN, Director of Patient Services; Brad Huckabee, Chaplain; Sandy Seago, Nursing Home Care Coordinator; Lois Palmer, LVN, and Ocie Toler, LVN staff nurses;

Brenda Cook, Home Health Aide, and Dora Garcia, secretary; Ann McAdams, community liaison; Gloria Gonzales and Linda Castillo, homemakers; Shelley Melton, volunteer coordinator, and friends Jess and Helen Patrick and Ann Coker attended.

Following the ceremony, refreshments were served in the home.
